Bloodmobile To Be Here Wednesday

Walk In Donors Are Needed To Meet 70 Pint Quota For This Trip

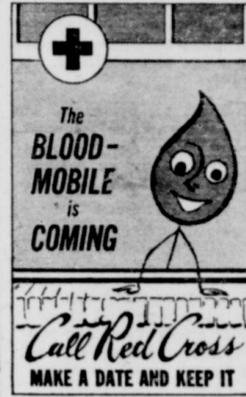

The Red Cross Bloodmobile will make its first visit of this fiscal year to Goldthwaite and Mills County next week, Wednesday, September 19, it was announced this week by Norman Duren, Mills County Red Cross Blood Program Chairman.

At the present the Mills County "Pint A Year" club has 90 members. The committee in charge expects to draw a good number from these 90 members to meet the 70 pint quota. One thing is certain though, the larger the number taken from this membership, the larger the number of volunteer walk-in donors that will be needed during the remaining visits of the Bloodmobile before the year is over. The Bloodmobile will visit here two or three times during the year. But, it's this visit that should be made to count the most with the largest possible number of donors. If this trip is successful and comes out on top by going over the quota, then the rest of the year will be easier.

Mr. Duren also is making a special appeal to Mills County citizens for more members to sign their pledge and become a member of the "Pint A Year" Club. Mills County should have more than enough citizens who are willing to donate one pint of blood a year to more than meet the quota of 180. This quota must be met if Mills County is to continue in the blood program which has proved so beneficial to local citizens when they needed blood.

Anyone interested in signing the pint a year pledge should stop by Duren Equipment Company offices or contact Mrs. Jack McKenzie or Mrs. Wm. Yeager. Mrs. McKenzie and Mrs. Yeager are in charge of the recruiting committee. Office details of the program with membership records and notices to report are being cared for at Duren Equipment Co.

The Bloodmobile will be at the First Baptist Chapel from 1:00 to 6:00 o'clock next Wednesday, September 19. Mrs. V. Z. Cornelius will be in charge of local arrangements for this visit. Walk-in donors will be most welcome during the hours stated.

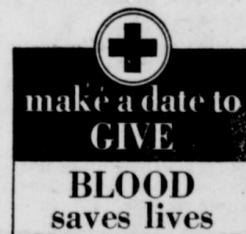

In making the announcement, Mr. Duren stated that a good number of walk-in donors will be needed if the quota of 70

Pep Rally On Courthouse Square

Goldthwaite High School is sponsoring a pep rally Thursday night on the courthouse square at 7:30 o'clock. Music will be provided by the Goldthwaite High School Band.

The Eagles opponents will be the San Saba Armadillos. The cheerleaders urge everyone to come out and help boost the Eagles.

Goldthwaite School Enrollment Is Seven Students Over Last Year

Goldthwaite school registration began on September 1, and was completed on Tuesday, September 4, with an enrollment that exceeded the previous year by seven pupils.

Reports from the principals to superintendent's office showed 50 in grade one; 49 in grade 2; 46 in grade 3; 44 in grade 4; 47 in grade 5 and 37 in grade six.

In high school the average enrollment per grade is about the same with 52 showing up for grade 7; 49 for grade 8; 30 for grade 9; 27 for grade 10; 42 for grade 11 and 27 for grade 12.

This makes a total of 490 pupils out of a scholastic enrollment of 515.

Mr. Williams, high school principal, reports few conflicts still existing in the schedules. The school is in danger of losing a full-time homemaking department in that originally only 22 girls enrolled for homemaking and 24 is the minimum number required for a full time

teacher and department. At present 26 girls are enrolled in the three years offered.

Enrollment in science classes is heavy since pupils of seventh and eighth grades are taking general science, and physics is being offered for the first time in our schools.

Typing, shorthand, bookkeeping and math remain popular. Students are looking at their schedule, wanting to meet every requirement and not come to the final year with too many required subjects remaining to be taken.

Miss Anna Jene Hale, in band music, is heavily loaded, but works with a lot of determination to produce an outstanding band.

Supt. Jones declared that the lower number of boys out for football is in proportion to what we have been having but since fewer pupils are enrolled in the four top grades, we can expect fewer boys actually in suits.

Motor Vehicle Inspection To Start September 15

The Texas Public Safety Commission has set September 15, 1956 to April 15, 1957, as the period during which automobiles and other motor vehicles must be inspected under provisions of the State's Motor Vehicle Inspection law.

Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety, said in announcing the Commission's action that motorists should avail themselves of the opportunity to have their autos inspected as soon after September 15 as possible in order to avoid the inconvenience and delay which is usually associated with the end of the seven-months period by the "log jam" of car owners who wait until just before the deadline to have their vehicles safety checked.

George W. Busby, Chief of the DPS Motor Vehicle Inspection Division, stated that the more than 4,200 licensed inspection stations in the State would have sufficient supplies of stickers on hand by the starting date and would be equipped to check vehicles without delay.

Saturday Is Felt Hat Day In Goldthwaite

Saturday of this week, September 15, has been designated Felt Hat Day in Goldthwaite and all males are reminded to put away the old summer straw and don their new fall felt.

Local department stores are displaying the new and latest styles in men's felt hats and their sales staff will be happy to assist their friends and customers in selecting the felt that best suits their tastes and needs.

Eagles Lose To Bulldogs 12-0; Play San Saba There Friday Night

BY JERRY COLLIER

The game between the Goldthwaite Eagles and the Hamilton Bulldogs got underway on Eagle Field last Friday night with the Eagles receiving the ball.

In the first quarter, the Bulldogs scored 6 points but missed the extra point. They also made three first downs and were penalized five yards. The Eagles made no first downs in the first quarter.

Two first downs were made for the Eagles in the second

quarter by Connie Todd and Johnny Vaughan. The Bulldogs made three first downs and on the third the Bulldog carrying the ball was making his way towards the goal line when he was knocked out of bounds by Connie Todd and Johnny Vaughan. The Eagles received a five yard penalty in the second quarter.

The score at the half was 6-0 in favor of the Hamilton Bulldogs.

The fans were entertained during the half time by the Goldthwaite High School Band and twirlers as they played and marched.

Early in the third quarter the Bulldogs received a five yard penalty. They made five first downs and one touchdown, but again they missed the extra point. Phillip Edgington of the Eagles intercepted a pass and went all the way to the Eagles' 30 yard line before being brought down by a Bulldog. Johnny Vaughan made one more first down in the third. The score at the end of the third quarter was 12-0 in favor of the Bulldogs.

The Eagles had the ball at the opening of the fourth quarter but the ball went over to the Bulldogs with the Eagles lacking only three yards for a first down. The Bulldogs got the ball on the Eagles 20 yard line and made six first downs which put them on their 20 yard line, when the ball went over to the Eagles. With only seven seconds left in the game the Eagles tried two passes but both were incomplete, so the score at the end of the game remained 12-0 in favor of the Hamilton Bulldogs.

EAGLES TO PLAY SAN SABA FRIDAY NIGHT

The Goldthwaite Eagles will journey to San Saba this Friday night where they will play the San Saba Dillos on the Armadillo Field. Game time is 8:00 p.m. Let's all go and support them this Friday night.

Football Receipts

Receipts from the Goldthwaite-Hamilton game last Friday night have been announced by Supt. J. T. Jones as follows:

Total receipts \$730.50. Expenses for officials amounted to \$65.60, leaving a balance of \$664.90. Of this amount each school received \$332.45.

Reserved Seat Tickets Here For San Saba Game

Supt. J. T. Jones has received a block of 306 reserved seat tickets for the San Saba game in San Saba on Friday night.

They are offered to the public until 4:00 p.m. on Friday of this week through the Production Credit Association and Hudson Drug.

The price on each ticket is \$1.00 and the seats are located between the 40 yard lines. The reserved tickets are the same price as general admission ticket but gives the purchaser a choice of seats.

The lower the number of the ticket the nearer one will be to the 50 yard line. All reserved seats are good. Get your ticket early for a good seat.

Insurance Available For Students And School District Employees

According to records in our school insurance payments of \$883.50 were made to pupils and school employees for doctor bills on injuries during the past term of school. This does not include payments that went direct to parents of the students.

This situation relieved local patrons of just this much financial burden while the students received insurance payments for medical attention.

Because of the benefits received the school is again offering to students this insurance for the next 12 months at a cost of only \$2.00, covering full payment of doctor, X-ray and hospital bills on any injury sustained in a school sponsored activity.

Bus drivers, lunchroom workers and janitors can have the same protection at a slightly higher figure.

The school has to pay an additional fee on every football player but before the player can benefit from an injury in football he must have the base policy plus the football injury policy which will cost the school a minimum of \$5.00 additional on each boy.

Supt. Jones said: "We are not in the insurance business but so great are the benefits of this coverage that we are co-operating to make it available. We want everyone to know that this insurance participation is strictly voluntary."

New Equipment For Lunchrooms

The lunch rooms in both elementary and high school now have electric mixers and grinders, slicers and steam kettles, thus making the efforts to serve better meals more realistic. This equipment was secured through Texas Surplus Commodities Corporation at only 7 per cent of its salvage value and every piece is highly appreciated by the cooks.

This year Mrs. Luther Teague, assisted by Mrs. Jim Long and Mrs. Joe Huffman, are serving the high school pupils and the average daily luncheon is 200 pupils.

The elementary lunch room is operated by Mrs. L. V. Benningfield, Mrs. Opal Henkes and Mrs. Tommy Karnes who serve about 250 pupils daily.

Charges for the lunches remain the same as last year with elementary pupils paying 20 cents per day and high school pupils paying 22.5 cents when a month's ticket is bought.

A saving is experienced when the tickets are paid for in advance. Quite a few have paid for longer than a month and some families are paying for the entire year. The longer the time paid for, the less book-keeping is involved.

Mr. and Mrs. Floyd Henderson of Terrell spent last weekend with their aunt, Mrs. H. E. Moreland. While here they also visited the Walker Berry and Elam Berry families in the Pleasant Grove community.

Leaders Of Local Girl Scouts Association Make Plans For New Year

Scouts. As the United States becomes more and more involved with the responsibilities of world affairs, the need grows for young people to realize what their duties are in a complex society.

Beginning with girls only seven, the Girl Scouts teach responsibilities in the home and service to the community. In each troop adult leaders impress on the girls the ideals of womanhood. They learn the meaning of leadership in electing their own officers and planning their own programs.

In the summer Brownie Scouts may attend day camp; the older girls attend established camp at Camp Woodlake in the 36th Division State Park, Lake Brownwood. During the camp sessions the girls engage in worthwhile activities designed to make them "Think and Decide for Themselves" — learning independence and initiative in the process.

To carry on this program, adult leaders are needed. There is no need for a background of scouting experience or knowledge of any particular skill.

Leaders need only respect for girls as people, vision to see them as potential adults, and a desire to help them make a satisfactory transition to maturity. All leaders are given training by Girl Scout professionals to do their job.

You ask, "How can I help?" There are so many ways it would be hard to list them all. The first way is to have the time to be interested in the welfare of youth. Next, OFFER your time and your talents to the Girl Scout movement in Goldthwaite by calling Mrs. Norman Duren and telling her you are interested in becoming an adult leader for the Girl Scouts of your community.

Markets

Number of head of Sheep Mills County Commission was off slightly from before with a total of 1,200. At the Goat Monday of this week, and passed through the ring.

SOLILOQUY

Sam Henry Rahl recently received a special copy of the Fairbanks Daily News-Miner, successor to the Fairbanks Daily News, which was mailed to him by his niece, who is living in Alaska.

It was an interesting issue, with headline reading: "Salute to Golden Days Celebration," and dedicated to Felix Pedro and the Pioneers of Alaska.

An interesting note on the right EAR of the front page read: "Per Copy, 25c in Coin, Currency, Gold Dust or Furs." The paper in 104 pages covered much historical information on the area.

☆☆☆

When Robert Safley was here this summer visiting with friends and attending Howard Payne College while vacationing from his duties of teaching school in Alaska he was a visitor of the Goldthwaite Lions Club, and made some interesting comments about his home up in the northland.

He was talking about the winters, and told his audience that he left his car parked about a hundred miles from where he is living and teaching school.

Bally Rudd asked him: "How do you travel, if you leave your car that far from home?"

To this question Mr. Safley answered: "You just don't travel." Then he continued and explained that their mode of transportation during the winter season is either by air or by dogs and sleds.

During the conversation that evening some of the local school men did a bit of shop talking with the man who is in the teaching profession on a remote island off Alaska. They talked about faculty problems and Mr. Safley told them he certainly didn't have any faculty problems there—"I'm the only member of the faculty in my school," he concluded.

"After more than 37 years with The Texas Company I will be retired from active duty with them on August 31, and will return to Sapulpa, Okla. Please change our address to Route 2, Sapulpa, and enclosed is check for renewal of our subscription," is the word received here from Ariess Berry.

C. O. Norton, former resident of Mills County and still a Mills County man at heart, the Jersey man of Weatherford sends greetings to local friends.

He read where the local livestock raisers association had their annual meeting and elected officers and started plans for the 1957 Mills County Livestock Show, and just had to write a note to let the boys know that he is wishing for them the best of everything for the coming show season.

He especially praised R. L. "Bob" Steen for his untiring efforts during the years in promoting 4-H and FFA projects in this county. Along with Mr. Steen he also complimented all of the co-workers who take part in the show projects of Mills County.

☆☆☆

We read a lot and hear reports about folks and their misfortunes. Once in a while we also learn of someone who feels particularly blessed with good fortune.

I was talking with W. M. Richards the other day and he commented a bit on their good fortune and blessings.

He said: "My wife and I have been married 62 years (August 22) and have raised six children—four girls and two boys. We have 19 grandchildren and 24 great-grandchildren, and have had only one death in the family. We lost a grandson in World War II."

☆☆☆

Judge John L. Patterson was lamenting the fact the other day that he had a story he intended to tell Bro. Ray V. Mayfield Jr. before he left as pastor of the First Baptist Church here to accept the pastorate of the First Baptist Church at Conroe.

He said there was an Irishman who came to this country and started to make his livelihood. After he had been here for a while he met a friend of his who was quite interested in how he was getting along.

The friend asked him about his work, how he was getting along and what he was doing.

The Irishman told his friend: "I'm getting along just fine. You know, the first job I got was to tear down a Baptist Church building—and they paid me for it, too."

MAN WITH THE GOLDEN ARM

WHEN THE OLD BIRD WAS YOUNGER

10 YEARS AGO—

(Taken from the Eagle files of September 13, 1946.)

Mrs. Barbara F. Green was born in Somerville County on December 21, 1880, and died after a long illness August 25, 1946.

Mills County's first bale of 1946 crop cotton was grown by Henry Drucekhammer of Priddy, was ginned by W. R. Shipp at Priddy Wednesday, weighed 535 pounds and was sold to Mr. Shipp for \$34.50 per hundred.

Sam T. Cobb Jr., assistant secretary-treasurer of the Coleman Mutual Life Insurance Association, flew from Coleman to Goldthwaite Wednesday to see his district manager, J. W. Dugat. Mr. Cobb said he is very much disappointed when he had to walk to town from the Y.

Making their home at 8446 Elizabeth Avenue, South Gate, California, are the former Margie Christenson, daughter of Mrs. Elmer Cummings of Santa Anna, and her bridegroom, Lee Hendry.

The couple was married recently in ceremonies read in Los Angeles Wedding Manor by the Rev. Julius DuBose.

A family reunion of Miss Dera Humphries' sisters and their families met last weekend. Present were Mrs. W. S. McCall of Waco, Mr. and Mrs. John C. Hicks and Mr. and Mrs. Marion Hicks, all of Fort Worth; Mr. and Mrs. Johnnie Files and children of Houston and Mrs. E. B. Anderson's brother, W. F. Simms of Amarillo. Mr. and Mrs. Ed Gilliam Jr. and Mrs. E. B. Anderson entertained the group on Saturday night with a picnic supper at Lake Merrett.

Mrs. A. M. Stephens of Star sold her home and farm to Charlie Stephan the first of August. Mrs. Stephan has made this her home since 1899. Mrs. Minnie Price and son, Raymond Lee, have been living with her mother. They have moved to Abilene, and Mrs. Stephan will make her home in Parker, Arizona.

25 YEARS AGO—

(Taken from the Eagle files of September 11, 1931.)

Ector Greathouse and Miss Myrtle Crawford were united in marriage last Saturday evening at the home of his sister, Mrs.

Venable, at Evant. The groom is a son of J. E. Greathouse of this city and the bride is a daughter of Mr. J. N. Crawford of Nabors Creek community.

The residence of Bess Laird on College Street, between Hutchings Street and the school grounds in the western part of town, was totally destroyed by fire about 2 o'clock Thursday morning, and nothing was saved from the building.

Mr. T. H. Green, who made his home in Pecan Wells community for a good many years, died at his home in Hamilton Tuesday after a long illness.

Mrs. Laura Irwin, wife of Mr. F. N. Irwin, died at the home of her daughter, Mrs. Floyd Mullin, in Dallas Wednesday afternoon at 2:30 o'clock, she having gone there for a visit several weeks ago with the hope that the change would do her good. Her remains were brought here on Thursday morning's train, and were carried direct to the family home to await funeral services at 4 o'clock, after which they were interred at the cemetery at this place.

John Jackson had the misfortune to cut his forearm badly a few days ago, while attempting to raise a window in his home. The window was "stuck," and in putting forth extra effort to raise it his hand slipped and went through the glass. The cut was deep and painful, but is healing nicely and will soon be well.

Mrs. Kate Carlton of Oklahoma City, Oklahoma, spent last Friday in this city visiting her sister, Miss Virginia Kerfoot and friends. Mrs. Carlton made her home here one winter several years ago, and in former years she lived at Mullin, and has a great many friends who were delighted to meet with her again.

Henry Nieman of Priddy was a business visitor to this city on Monday.

50 YEARS AGO—

(Taken from the Eagle files of September 15, 1906.)

Wednesday about noon W. W. Queen's team was killed by honey bees at the residence of Mr. Jack Cook in the Payne community. Mr. Queen was selling vehicles for Coekrum & Ross Brothers of this city and carried a number of vehicles in a trailer drawn by two horses. At noon he stopped at Mr. Cook's house to get dinner and feed for his team. While he was in the house the team became frightened and ran with the vehicles. Just as they struck a wire fence they overturned a hive of bees and, becoming entangled in the wire, they could not get away from the bees, and were stung so badly that they died in a few hours.

J. E. Evans, Al Langford and Oma Adams of Center City boarded the train here Thursday morning to go to Texico prospecting.

The ladies and children of the Baptist Church are arranging for a cotton picking at Mr. Tullos' farm north of the city next Wednesday, and all who wish to accompany them and join in the picking are invited to do so. They will start early in the morning and stay all day, carrying their dinner in picnic style. All money earned that day will be used to buy carpets for the aisles of the Baptist church.

Mrs. Elizabeth Clements died last week at the home of her youngest daughter near Cherryville, Kansas, after a few

hours' illness. The announcement brought sadness to hearts of a great many people in Goldthwaite, where she lived several years with her sons, P. H. Clements, and her daughters, Mesdames Milly Elbert and C. W. Ford.

J. T. Robertson, who came from Big Valley to Clay County last year, has bought the Leod farm in the North Bay community and is preparing to return to this county, where good news to all friends in section.

Herter to Get Reward For Support of Nixon?

May Step Into Post if Ike Wins

Special to Central Press Association

WASHINGTON—There is speculation that because of his willingness to sideline himself in the "dump-Nixon" dispute at the Republican convention, Massachusetts Gov. Christian Herter is in line for a top administration office if Ike is re-elected.

Should Mr. Eisenhower win a second term, there is a strong possibility that Undersecretary of State Herbert Hoover, Jr., may go out. Herter is an odds-on favorite to get the post and, in the unlikely event that John Foster Dulles should resign, the Massachusetts Republican might move up to Cabinet rank.

Herter has always taken a strong interest in foreign affairs and would like nothing better than to take on a top assignment in the State department under Mr. Eisenhower. His unqualified support of Vice President Richard M. Nixon for renomination may make this wish come true. Hoover, who rose to diplomatic prominence because of his successful handling of the settlement of the Iranian oil dispute in the early days of the Eisenhower administration, is presently under a shadow in the department as a result of being an early supporter of Egyptian Premier Gamel Abdel Nasser, presently a thorn in the side of the United States.

● TAX CUT—Proposals for a tax cut are practically certain to come up at the next session of Congress, regardless of the outcome of the November elections.

The reason is that government revenue through taxes is way up because of the high economic activity, which means high individual and corporate incomes.

The "modest" budget surplus which President Eisenhower predicted last January for the current fiscal year is swelling and could easily go to two billion dollars or more.

If the surplus is much above the two billion mark, the tax reduction drive is sure to be on in force when Congress returns next January.

The only difference between the Republicans and Democrats on the issue will be the form it should take.

The Republicans may want to spread it around a little more between individuals and corporations instead of giving it all to the wage earner through a boost in the individual income tax exemption.

● FARMERS' FRIEND—It's shaping up as a battle royal in the midwestern farm states this fall when Democratic vice presidential candidate Estes Kefauver and Republican Agriculture Secretary Ezra Taft Benson vie for agricultural votes in a no-holds-barred contest.

GOP strategists recognize the tall, lanky Tennessean as one of the best vote getters the Democrats have and realize they will have to go far to counteract his engaging down-to-earth personality.

But they hope that Benson, with a working soil bank behind him, will be able to carry the day. The Agriculture department plans to start passing out checks for the acreage reserve about Labor Day, plenty of time for farmers to realize who is putting money in their pockets before election day.

There's every indication that farm income and prices will stay fairly stable or rise between now and November, another arguing point for the administration spokesmen in the farm areas.

The Democrats, of course, will campaign on the basis of their high rigid price support program and count on farmers' resentment of past and present GOP policies to carry the party to victory.

MR. AND MRS. BOBBY GEORGE PARKER

The Mullin Methodist Church was the scene for the marriage of Miss Dorothy Jean Williams and Bobby George Parker which was solemnized Saturday evening, August 18, at 8:00 o'clock. The bride is the daughter of Mr. and Mrs. Grady Hancock of Mullin. Mr. Parker is the son of Mr. and Mrs. R. A. Parker of Goldthwaite. Rev. John McKay, pastor of the Star Methodist Church, read the double ring ceremony before an improvised white wrought iron arch entwined with pink satin ribbon and white wedding bells, with a background of palm trees, candelabras, white tapers and tall baskets of orange blossoms and white gladioli. Miss Myra Fisher of Brownwood, pianist, played selections of traditional wedding music and accompanied Mrs. Tom Cooksey Jr., as the sang "I Love You Truly" and "Always." Miss Peggy Bramblett of Goldthwaite was maid of honor. She wore a pink flowered dress of nylon over taffeta featuring a square neckline and full skirt. Her headpiece was pink net flowers and she carried a bouquet of pink chrysanthemums with pink satin ribbon streamers.

Bill Parker of Jal, New Mexico, brother of the groom, was best man. John Roy Wallace of Graham, uncle of the bride, and Andrew Montgomery of Goldthwaite, cousin of the groom, were ushers. The bride, given in marriage by her father, wore a waltz-length gown of white nylon

bridal lace over white Skianers satin. The rounded neckline was bordered with lace flowers and pearls. The short sleeves were of lace over satin with gauntlets of matching lace. Her shoulder-length veil of illusion was edged with lace flowers centered with pearls and attached to a crown of sequins. She carried a white Bible overlaid with lace and satin and topped with an orchid and showered with streamers of white satin ribbon tied in double lovers knots with white carnations. For her daughter's wedding Mrs. Hancock chose a mauve crepe dress with black accessories and a white carnation corsage. Mrs. Parker, mother of the groom, wore a navy blue dress with navy accessories and a white carnation corsage. Immediately following the ceremony a reception was held in the church parlor. The bride's table was laid with a white lace cloth over pink and centered with a beautiful pink floral arrangement. The four-

Miss Ada Nell Long Becomes Bride Of Fred Poer In Church Ceremony

Miss Ada Nell Long, daughter of Mr. and Mrs. J. C. Long of Goldthwaite, became the bride of Fred Poer, son of Mr. and Mrs. Grover Poer of Indian Gap, Sunday afternoon, September 2, at the First Methodist Church of Goldthwaite, at 3:00 o'clock. Rev. Walter J. Cartwright, pastor of the church, read the impressive double ring ceremony. Vows were exchanged before an altar with a background of palm trees, candelabras with tall white tapers and baskets of white gladioli and white mums. Nuptial music was presented by Mrs. Sam Sullivan, organist. Miss Maydell Long was her sister's maid of honor. She wore a sheath dress of navy blue taffeta with pink accessories and a white carnation corsage. Wayne Long of Sweetwater, brother of the bride, and Burton Leverett of San Antonio, uncle of the bride, ushered.

The bride was given in marriage by her brother, Werth Long, of Houston. She wore a white wool suit with navy accessories and an orchid corsage. Immediately following the ceremony a reception was held in the Fellowship Hall. The refreshment table was laid with an imported white cutwork cloth over blue and centered with a beautiful arrangement of white gladioli and mums. Mrs. Leon McMillan of Rockwood and Miss Virginia Long of Irving, sisters of the bride, served the cake and Miss Iva Bunting of Indian Gap, niece of the groom, laded the punch. Mrs. Bunting of Indian Gap, sister of the groom, presided at the bride's book.

Mrs. Poer is a graduate of Goldthwaite High School and attended Tarleton State College at Stephenville. The groom is a graduate of Priddy High School and also attended Tar-

leton State College. They are now at home in Stephenville where they will again attend Tarleton this year.

Others present were Mrs. Betty Miller and son, Ronnie, and Miss Elsie Joe Miller, nieces of Mrs. H. Wheeler.

H. D. Council Plans Pilgrimage

The Mills County Home Demonstration Clubs' Council met in Miss Burrus' office Friday, September 5. Mrs. Harvey Hale, council chairman, presided and Mrs. Mohler Oglesby acted as secretary in the absence of Mrs. Glyn Lewis, secretary. Interesting reports were given by each club of accomplishments in July and successful community picnics in August. A number of members will attend meetings in Stephenville and San Antonio.

A pilgrimage is being planned for October when the clubs will meet in Goldthwaite, thence to Center City and all take covered dish lunches to the G I building in Mullin, where lunch will be served, at the noon hour. Articles made by club members will be on display. Also plans are to visit a number of yards in each community.

Next council meeting will be October 5 at 2:00 o'clock in the agent's office.

QUALITY THE PRESCRIPTION PHARMACY SERVICE

IT NEVER WAS NECESSARY TO "Enjoy" POOR HEALTH...

Many people seem to "enjoy" poor health. They would not care to be without a cupboardful of odd medicines for self-treatment—some of which may not be in keeping with competent medical advice. The better way is to enjoy good health—by careful planning. Consult your Doctor at regular intervals, more often if required. He will prescribe only the preparations that you need—preparations of the highest quality, such as those from the laboratories of Parke, Davis & Company—prescriptions which we will be pleased to compound for you. The necessity for medication will pass, and life with abundant health can become a pleasure indeed.

Department Of Commerce Lists Leading Pecan Growing Counties

Trees of all ages on States farms in 1954 numbered 7,489,457, with 4,580,812 percent in 190 leading counties, according to 1954 figures for Agriculture released today by the Bureau of the Census, U. S. Department of Commerce. Harvested in 1954 amounted to 28,578,225 pounds, valued at \$16,565,654 in the counties which led in number of trees.

Dougherty County, Georgia, was the leading county in number of pecan trees, with 228,073—3.0 percent of the U. S. total—and was second in pecans harvested with 745,341 pounds. Mitchell, Georgia, was second in number of trees with 184,595, and tenth in quantity harvested with 388,439 pounds. Mobile County, Alabama, third in number of trees with 121,961, was 14th in harvest with 319,816 pounds. Comanche, Texas, ranked

fourth in trees with 109,526, and third in harvest with 660,392 pounds. San Saba, Texas, was fifth in trees with 102,289, and fourth in harvest with 659,912 pounds. Dona Ana, New Mexico, sixth in number of trees with 101,164 was first in quantity harvested with 2,556,465 pounds. Mills County ranked twenty-third with 58,092 trees and eleventh with 385,742 pounds.

The top 100 counties in number of pecan trees in 1954 were distributed by States as follows: Texas, 42; Georgia, 22; Oklahoma, 20; Alabama, 7; Louisiana, 4; Mississippi, 3; Florida and New Mexico, 1 each.

Special Exemption Rule Effecting Working Students

Parents of youngsters who are working during the summer vacation were reminded today by Jim Cheatham, administrative officer of the Brownwood office of Internal Revenue Service, that under certain circumstances their children may still be claimed as full exemptions for federal income tax purposes. And the children themselves may be entitled to refunds in whole or part of income taxes withheld from their wages during their employment. The special exemption rule, Mr. Cheatham explained, applies to children who will still be under 19 years of age at the end of the year and to children who are full-time students, regardless of their age.

Exemption may be claimed by the parents if they contribute

more than half the child's support, regardless of the amount earned by the child. This new law was passed by Congress in 1954, Mr. Cheatham explained. Prior to 1954, no person earning \$600 or more could be claimed as a dependent by another taxpayer. Inquiries received, however, indicate that many who are entitled to this benefit are not aware of it. And some parents continue to have their dependent children stop work before earning \$600.

Children 19 and over must be engaged in full-time study at a recognized educational institution for at least five months of the year or must be pursuing a

full-time accredited on-farm training program.

Mr. Cheatham said that any questions regarding individual cases should be referred to the Brownwood office, phone 27639.

BREAKFAST MONTH

September—and the opening of school—means a "fresh start" for most family members in one way or another. It's also the time when eating habits are re-established for the school and work days ahead. It's a fine time to establish good breakfast habits for every member of the family.

Eating a good breakfast pays off in efficiency, alertness and better health. There's lots of proof for that statement. Research has shown that breakfast-skippers rob themselves of potential alertness and efficiency during late morning hours, and that dieters are wrong if they think missing breakfast is a practical way to lose weight. There's much room for improvement. Only one out of five

children goes to school with a good breakfast. Sixty percent of teen-age girls habitually eat a breakfast entirely inadequate to their physical needs. Only about 40 percent of women say they have good breakfasts. These were some of the figures reported in one nation-wide survey.

Aim for an adequate breakfast. That means one that will provide one-fourth to one-third of the day's total food requirements in calories and nutrients. It should include these basic foods—fruit or fruit juices, cereal or eggs and meat, or both, whole or enriched bread, butter or margarine, milk and coffee.

Be a better breakfast booster—start with yourself and other family members to help improve breakfast eating habits of all age groups.

GOLDTHWAITE, TEXAS

Attractive natural scenery like that around boat docks at Tyler State Park has been preserved in skilled placing of the park facilities. Unusual are the park's 18-hole miniature golf course and a terrazo dance floor to supplement the fishing, boating and swimming.

PARK OF THE WEEK—Tyler State Park's 944 scenic acres about 10 miles north of Tyler on FM Highway 14 came to the Texas State Parks Board through the interest of recreation-conscious land owners who

cooperated with Smith County and Tyler to make a great play area possible in East Texas.

Plans for the best utilization of the well-timbered land were made with help of technicians of the National Park Service. The dam that created the park's fishing, boating and swimming lake was built by Civilian Conservation Corps workers.

Special features of the park that make it so attractive are the swimming beach with all types of water sports equipment, a terrazo dance floor overlooking the lake, an 18-hole miniature golf course and the 65-acre fishing and boating lake, where good catches of bass, crappie, white perch, bream and small pike are common.

Seventy separate family picnic units are located in shady spots with attractive views. Many of them overlook the lake. Large units for use of clubs and groups are also provided.

An overnight camping area was installed this year. Campers are furnished keys to the locked rest rooms where hot and cold water showers and laundry facilities may be used. Overnight cabins have not been built, as the vicinity supplies ample accommodations.

Tyler's famous rose farms and operating oil fields furnish interesting sightseeing near the park.

NEW PURINA Bite-Size CHECKER PLAN OF GROWING PULLETS

Compared to usual mash feeding, the new Bite-Size Checker plan can make a big cut in your growing cost. Chicks start eating the new, smaller Checkers when only 4 to 6 weeks old. It takes less feed because pullets spill less out of the hoppers. And the few Checkers that are spilled are quickly picked up—not lost on the ground like mash.

TEXAS UNDERGROUND WATER GROWS SHORT

An underground desert is in the making in Texas which may eventually swallow such cities and towns as Amarillo, Dalhart, Plainview, Lubbock and Muleshoe.

These population centers are located atop a vast formation of moisture-laden sands from which water is being pumped at a faster rate than nature can replenish it. The situation was created by nature and aggravated by man.

These sands of the Ogallala formation depend partly upon rainfall and the water and snow sheds of the Colorado and New Mexico mountains to replenish the underground flow. For several years now in these sister states has been insufficient to feed the formation at a rate greater than water usage.

The sand strata is thick in some places, thin in others. In some sections of the Texas Panhandle, the saturated thickness of sand is 50 and 60 per cent less than a short six years ago.

The boom in irrigation on the High Plains sparked the increase in water consumption. Municipal supplies account for only about 15 per cent of water withdrawals. Records show that of all water pumped since 1938, over 60 per cent of it was used since 1950, due mainly to an expansion in irrigated acreages.

Irrigation cannot be called the "culprit" in this case, however. Rather, it is merely the victim of a natural situation—drought. Weather conditions have failed to keep our water supply in balance during a period of great demand by the farmers.

The lowering water tables are a matter of concern in other sections of the state also. Natural springs in Central and South Texas are at their lowest ebb or have ceased flowing altogether for the first time in the history of white settlements.

Comal Springs in the San Marcos-New Braunfels area ordinarily flows about 317 cubic feet of water per second. Early this summer the spring went dry for the first time.

Barton Springs in Austin, a natural water source that fluctuates rapidly with rains, was producing only 12 cubic feet per second in late August. Its usual flow varies between a maximum of 180 cubic feet to a minimum of 5 1/2 cubic feet according to seasonal changes.

Primarily Texas' greatest need is rain—in the state and on the

watersheds of the Continental Divide. Secondly, the state needs comprehensive soil and water conservation measures that will keep the water in the vicinity in which it falls.

Surface tanks, small check dams and storage dams in the small streams and rivers, coupled with soil conservation work in the fields will help save our precious water, and aid in replenishing the underground supply.

MRS. TOM HOUSE ENTERTAINS GUESTS

Mr. and Mrs. John L. House of Dallas and Mr. and Mrs. Jim Tom House and daughter, Martha Frances, of College Station, were week-end guests of Mrs. Tom House.

Mr. and Mrs. Jim Tom House have recently moved to College Station, where he will teach vocational agriculture at A&M Consolidated High School after having taught at Pattison the past three years.

Mr. and Mrs. Alvin Oglesby of Fort Worth visited his brothers, Mohler and Harry Oglesby last weekend.

Mark Wentz—State Fire Marshall Urges Inspection of Schools

AUSTIN (Spec.)—Fire chiefs and marshals of all Texas towns and cities were urged this week to make a thorough inspection of all school buildings before the bells toll the opening of the fall term.

Mark Wentz, State Insurance Commissioner and State Fire Marshal, pointed out that only a few days remain before the opening of schools and every precaution should be taken now to protect lives of children and teachers and safeguard public property.

One proven way that fire hazards can be uncovered and corrected was by the periodic inspections, and the best time to start such inspections is before the schools open, he said.

It is more important this year than ever before to make early inspections of school buildings, he said, because many new buildings and additions have been erected during the summer months to accommodate increased enrollment, that may have created new or additional fire hazards.

Wentz said that fire chiefs and marshals have been called upon to look for the four main causes of fires: 1) misuse of electricity, 2) inferior or faulty heating systems, 3) careless

disposal of matches and cigarettes, and 4) poor housekeeping.

In the inspection of electrical systems, investigators should be particularly on the lookout for faulty or inferior wiring, sloppy installation work, use of poor material, including unapproved electrical cords and appliances, use of makeshift fuses and pennies as fuses, overloading of circuits, insufficient number of circuits and the improper care of motors.

Wentz called to the attention of school officials the fact that school fire losses in Texas had for the past five years been

excessively high, amounting to nearly \$5,000,000 in losses alone during that period. He said he felt certain that the strict observance and practice of approved safety rules in all schools would cut these losses tremendously.

The insurance commission also asking fire chiefs and marshals to make inspections of churches at this time. Increased fire losses on church properties in Texas amounted to \$2,500,000 during the past years and with increasing church attendance and activities, especially in fall, figure will climb unless steps are taken to correct hazards.

W. H. Lee left last week for Yoakum, where he will be relatives.

News Of The Ebony Community

By CLEMENTINE WILMETH BRILEY

Three months at home is too short. The summer is one of the hottest and we have experienced. Of things I remember the

dawns. They were all so beautiful. Also the sunsets.

When we got home last June, I had great ideas of trying to haul up fresh dirt for my flower beds, and of setting out new shrubs and plants—even though it was not the season for planting—in a desperate effort to make the yard all beautiful again. I also had this assignment to write the history of Ebony. I soon found the two tasks too much for my frail being. I committed myself to the duty of history writing.

I worked on it all summer. I couldn't do anything for myself. I didn't get to visit my neighbors. We planned a trip to Beaumont to visit our children. I wanted so much to have that history ready to hand in as we passed through Goldthwaite, but I couldn't make it. I had to take it with me.

We took off Saturday, Aug. 18, taking with us my sister, Mrs. Edna Dwyer, who had to be in Houston Monday, Aug. 20, ready for a check-up and X-rays next day at Anderson Hospital.

The Mitchell family was all astir with preparation for the wedding of Carol Jean to Don Vinzant of Fort Worth, scheduled to take place Sept. 10 at the Westside Church of Christ in Beaumont.

Saturday, Aug. 25, the Mitchells took us to see San Jacinto Park near Houston. It was something I had long wanted to do. We went through the tunnel at Baytown. It is almost a mile long, and is very pretty. They say it was made at Orange, sealed at both ends and floated to Baytown where it was sunk, then opened at the ends. At San Jacinto we went up in the 570-foot tower and saw many interesting things in the museum.

From there we went to Point Lavaca to see Tommy, Marilyn, and Brenda. We got there at 6:30. A note was on the door saying Marilyn was in the hospital. That night our second great-granddaughter, Rebecca Lynn Sheffield, was born. Next morning we went to church. After dinner we went by the hospital to see Marilyn and the new baby. Then we beat it for Beaumont (250 miles), taking Brenda home with us.

We were to leave Monday morning but we were having some work done on the car and couldn't get it out of the shop

until Tuesday noon. It was well enough as I sat up till after midnight Tuesday night finishing my history of Ebony. Mrs. Dwyer came from Orange early Wednesday morning and we were on our way. She had had a good report from the hospital at Houston. Everything was fine and she doesn't have to go back till February. At home they had had good rains. The tanks were full and the creek was still running.

Scallorn News

MRS. ORA BLACK

Youngsters, only four of them from the Scallorn community, rode the school bus in to Lometa Monday morning for the first day of school.

Mr. and Mrs. Frank Hines and Greta Sue had as guests last weekend Mr. and Mrs. John Allen Todd and son, Frank Richard, of Dumas. The Todds took their son to Stephenville where he enrolled in Tarleton for the school term. Mary Jane Iock of Richland Springs visited here last week with her grandparents, Mr. and Mrs. Silas Burk.

Mrs. Earl Blake came over from Lampasas Monday and spent the day with her mother, Mrs. Ora Black and Billie.

Mr. and Mrs. Silas Burk joined a group of relatives Friday for a family reunion near Cherokee at the old home place of Mrs. Burk.

Mrs. Dick Hughes visited in our home Friday evening.

Guests Sunday of Mr. and Mrs. Frank Hines and daughter were Mr. and Mrs. Fields Hines and Gregory of Lometa.

Huntis Black left Sunday for Houston where he will resume his studies for the coming year.

The Homemakers Club of Scallorn will meet September 26 with Mrs. Loyd King as hostess.

Mrs. Richard Lock came over Wednesday from Richland Springs to accompany Mr. and Mrs. Silas Burk to Austin.

Mr. and Mrs. Dick Hughes took a truck load of their black Angus calves to the San Angelo stock sale Wednesday of last week.

Guests Sunday in our home were Mrs. C. C. Wright of Mullin and Mrs. Frank Hines and Miss Greta Sue called in the afternoon.

Guests who called in the Silas Burk home Sunday afternoon were Mrs. M. C. Bishop and her mother, Mrs. Dutton, who is visiting here from Llano.

Dr. and Mrs. Tarman and little son came from Austin for a visit with her parents, Mr. and Mrs. C. H. Black, and sons, Huntis and Layton.

THIRD GRADERS ATTEND CIRCUS

Approximately 50 members of the third grades of Goldthwaite Elementary School attended the circus in Lampasas Monday afternoon. They were accompanied by their teachers, Mrs. Bonnie Evans and Mrs. Euna V. Barnett.

Others that provided transportation for the trip were Mmes. Lewis Hudson, Allen Hardgrave, Dumbie Hamilton, Bill Chapin and Harold Yarborough.

TODAY'S Menu

Soups Made With Fruit

By ALICE DENHOFF

FROM soup to dessert, fruit adds joy to warm weather menus.

For example, a chilled strawberry soup makes a delightful overture to a summer luncheon or dinner when something special is desired.

To serve 4, wash and cap 4 c. fresh strawberries and crush. Add ½ c. water, ¾ c. fresh orange juice, 2 tsp. fresh lemon juice, ¾ c. sugar, ½ tsp. salt and a 2-in. stick cinnamon. Bring to a boil and cook 3 min., stirring occasionally.

Put through a fine sieve, extracting as much of the pulp as possible. Add tsp. quick-cooking tapioca and bring to full rolling boil. Cool and chill.

Just before serving, stir in ½ c. sliced strawberries.

Cherry Soup
For a delicious cherry soup, wash 2 lbs. sweet cherries and pit. Place in saucepan with 1 c. water and ½ c. sugar. Cover and simmer 10 min.

Strain through a sieve, pushing through as much of the pulp as possible.

Add ¼ c. fresh lemon juice and

dash of salt. Chill and serve with garnish of lemon slices.

For a delicious and pretty blueberry soup, wash 1 qt. of blueberries. In a saucepan, combine berries with 2 c. water, 1 stick whole cinnamon and slice of lemon. Simmer, covered, 15 min. Rub through a sieve. Add 3 tsp. sugar. Chill.

Just before serving, blend in 1 c. heavy sour cream. Serve cold.

Citrus Fruit Punch
Here's a cold, healthful and delicious fruit punch.

To make 2½ qts. Fresh Citrus Fruit Punch, boil together in a saucepan for 2 min., 1 c. sugar and 2 c. water. Remove from heat and add rinds of a lemon and 5 lime. Let stand for 5 min., then remove and discard rinds. Cool syrup.

Stir in 1½ c. fresh lime juice, 3 c. fresh orange juice, and 1½ c. cold tea infusion.

Place ice cubes in thermos jug and pour in the punch mixture. Cap jug and let it remain covered until ready to serve.

This punch is excellent for picnics.

Widow Benefits Act Revising Benefits Is Signed By President

President signed the Servicemen's Dependents Benefits Act revising benefits for the dependents of deceased servicemen and veterans

who died of service-connected causes, Dr. George T. McMahan, manager of the Veterans Administration Center in Waco, announced.

Dr. McMahan said VA is putting the new law into immediate operation even though payments cannot begin prior to January 1, 1957, the effective date of the Act.

He stressed that this law does not change death pension benefits to widows and children of veterans whose deaths were not as a result of service.

Widows, dependent parents and guardians of orphan children receiving compensation for the service-connected death of a veteran were requested not to contact VA for information.

"We will notify each person receiving death compensation under present law concerning his rights," Dr. McMahan said.

The law is designed to: (1) Revise the death compensation program by providing monthly payments to widows partially related to military pay slightly increase existing uniform payments for orphan chil-

dren; and to provide a sliding scale of benefits for dependent parents subject to certain annual income limitations. (2) Extend social security coverage to those in the armed forces on a contributory basis; and (3) Revise the six months death gratuity to range from a minimum of \$800 to a maximum of \$3,000. This will be administered by the various service departments.

The new law also eliminates coverage of service personnel under the Servicemen's Indemnity Act (the so-called \$10,000 free insurance) and coverage of reserve personnel under the Federal Employees Compensation Act on and after January 1, 1957.

The new law continues the right of veterans disabled in service to apply to VA for the five-year policy or any of the six permanent plans of national service life insurance within one year from the date VA finds their disabilities to be service-connected.

However, the special five-year nonconvertible NSLI term policies, for which those now in service have to apply within 120 days after their discharge, will be discontinued under the new law on and after January 1, 1957. Policies now in force or issued before January 1, 1957, will not be affected.

The new form of compensation for widows, orphan children and dependent parents of those who die as a result of service will be called dependency and indemnity compensation. It will be paid by VA.

Persons eligible for death compensation under present law are protected in their existing rights and will be able to elect the new form of compensation if it is to their advantage.

VA will send election forms outlining the new benefits to help them to reach a decision. For this reason, VA asked that no inquiries be made either by letters or at its offices until after the forms are received. The forms are expected to be mailed to widows, guardians of children and dependent parents within the next 30 to 60 days.

New rates of dependency and indemnity compensation will be paid only if the person who elects the new benefit surrenders Servicemen's Indemnity payments. National service life insurance and U. S. Government life insurance payments do not affect the right to elect benefits under the new law.

Payments to widows under the new law are made at the monthly rate of \$112 plus 12 per cent of the current basic military pay of the rank held by the veteran at the time he died or was separated from service. This combination ranges upward from a minimum of \$112 monthly.

Dependency and indemnity compensation payments are made in addition to social security payments to widows and children. Generally, no additional compensation payments to widows are provided for children.

Final Rites Are Held In Lampasas For Mrs. Lola Pearl Sims Cox

Williams Family Enjoy Reunion At Lake Brownood

The children and families of the late Mr. and Mrs. Joe M. Williams met at Fishermen's Lodge at Lake Brownood for a two-day reunion on August 25 and 26.

Those present were Mr. and Mrs. (Ruth) F. A. Teague, Brownwood; Mr. and Mrs. (Stella) H. B. Keith, Midland; Mr. and Mrs. (Elizabeth) N. C. Wisely, Dallas; Mr. and Mrs. (Grace) J. E. Roberts, Midland; Mr. and Mrs. (Lola) Earl Jones, Midland; Mr. and Mrs. Raymond Williams and Del of Odessa; Mr. and Mrs. (Billie Joe) Earl Wilson, Patsy, Judy and Tim, of Brownwood.

Also Mr. and Mrs. A. J. Teague and Jerry, Brownwood; Mr. and Mrs. Audrey Teague, Bobby, Lynda, Marsha and Mike, Brownwood; Mr. and Mrs. Bill Leverett and Susan, Fort Worth; Mr. and Mrs. Lonnie Zant, Danny and Sara Lynn, Abilene; Mr. and Mrs. Lloyd Wilson, Dona and David, Midland; Mrs. Buster Welch, Ken, Greg and Ruth Ann, Midland, and Mr. and Mrs. Jack Teague, Brownwood.

Other guests that attended the reunion were Mrs. Lela Wilson, Brownwood; Jimmie Mae Mead, Odessa; Nancy Kay Cartledge, New Orleans, La.; Mrs. Violet Zant and son, Joe Dean, of Abilene.

A good time was enjoyed by all, with plenty of food, fishing, swimming and just talking. Plans were made at this meeting to make this reunion an annual affair.

Mr. and Mrs. Kenneth Jackson and family of Lampasas were Goldthwaite visitors Sunday.

Mr. and Mrs. Mohler Oglesby, their daughter, Mrs. Tom Matney of Austin and Mrs. Will Burks visited relatives in Menard last Wednesday.

Funeral services for Mrs. Lola Pearl Sims Cox, 77, were held in the First Baptist Church of Lampasas Monday afternoon, September 3, at 4 o'clock. Services were conducted by Rev. Farris Akins, assisted by Rev. Prentiss Chum and Rev. Alton Patton. Burial was in the Lampasas Cemetery.

Mrs. Cox, daughter of the late John Thomas and Virginia Sims, was born August 31, 1879, near Grapeland in Houston County, and passed away Sunday, September 2, 1956. She moved with her family to Wilson County when two years of age, later moving to Kerrville and Kempner community. In 1901 they moved to Rumley, where Mrs. Cox was married to F. M. Cox on July 2, 1902. To this union six children were born. She was preceded in death by her husband and a daughter, Hazel. She was converted in her youth and was a member of the Moline Baptist Church at the time of her death.

Survivors are five children, Joe and John Cox of San Marcos and Earnest Cox of Moline; Mrs. O. K. Berry of Goldthwaite and Mrs. John Sheriff of Waltham, Mass.; three sisters, Mrs. Johnnie Ivy of Lometa, Mrs. Bertie Green of Brownwood and Mrs. Etta Harrington of San Saba; a brother, Edd Sims of Houston; 13 grandchildren, one great-grandchild, other relatives and a host of friends.

Pallbearers were the following grandsons: Joe B. Cox Jr., Lem Cox, John O'Neal Cox, Van McCasland, John C. Storts III and

Jackie Sims. Evant Funeral Home was in charge of funeral arrangements.

Mr. and Mrs. R. F. Daniel Marked Golden Wedding Anniversary, Sept. 2

Mr. and Mrs. R. F. Daniel celebrated their golden wedding anniversary at their home in the Lake Merritt community Sunday, September 2, with open-house from 2:00 until 5:00 o'clock. They were married in Lampkin, Texas and made their home in Lampkin until 1917, at which time they moved to Mills County.

They are the parents of six living children, 12 grandchildren and four great-grandchildren.

The refreshment table was laid with a lace cloth and centered with an arrangement of yellow and red roses, yellow daisies and gladioli in a polished gold container. The four-tiered wedding cake was served by Mrs. Floyd Daniel, Mrs. Fred Daniel and Miss Glenda Daniel. Hawaiian punch was served from a crystal punch bowl by Mrs. Loyd Daniel and Mrs. Earl James Cox. Mrs. R.

V. Harris and Mrs. Oda Daniel registered the guests.

Children present were Mr. and Mrs. W. L. Daniel of Mullin; Mr. and Mrs. Ernest Stanley, Comanche; Mr. and Mrs. R. V. Harris, Fort Worth; Mr. and Mrs. Oda Daniel, Brownwood; Mr. and Mrs. Loyd Daniel, Fort Worth, and Mr. and Mrs. Floyd Daniel of Goldthwaite.

Grandchildren present were Mr. and Mrs. E. J. Cox, Mullin; Mr. and Mrs. Fred Daniel, Penwell; Eddie, Debbie and Pat Daniel of Brownwood; Billy Stanley of Comanche; Gary and Sherry Daniel, Fort Worth, and Mark Daniel of Goldthwaite. Great-grandchildren were Deanna, Danna and James Daniel Cox and Michael Daniel.

A large number of guests called during the appointed hours each bringing a lovely gift and many good wishes for the honorees.

AUSTIN, Tex.—Conservative and Liberal Democrats are battling each other. Republicans are active. But the Constitution Party of Texas now is in the spotlight.

At their Austin meeting the Constitution Party grabbed headlines by naming, as their nominees, prominent Democrats who have been active in recent campaigns. Their choice included W. Lee O'Daniel for Governor; J. Evetts Haley for Lt. Governor; Reuben Senterfitt for Attorney General; Warren G. Harding for State Treasurer, and Ross Carlton for the Court of Criminal Appeals.

Congressional candidates will be chosen later.

Secretary of State Tom Reavley challenged the Constitution Party's right to nominate any candidate who had been defeated for the same office in the recent primaries.

Joseph M. Rummler of Houston is state chairman of the Constitution Party. Their presidential nominee is Democrat T. Coleman Andrews, former Internal Revenue Commissioner of Richmond, Va. Former Republican Congressman Thomas Werdeil of California is their vice presidential choice.

Major plank in the party's platform is elimination of federal income taxes.

ARTIFICIAL RAIN—Possibility of moistening droughty Texas by artificial rainmaking may be debated in the next Legislature.

After hearing state and federal weather experts at an Austin meeting, the Texas Water Resources Committee voted to dig deeper into the subject. If findings are favorable, the committee indicated it would recommend legislation and appropriations for a long-range, state-wide project.

Scientists were cautious in their claims before the committee. Much is yet to be learned about what makes rain. They said, and previous experiments have not yet been thoroughly evaluated. But they agreed prospects were promising enough to merit further re-

search. "SOAKER" WANTED—Scattered showers have helped, but most Texas farmers still are scanning the skies for a "fall soaker."

U. S. Dept. of Agriculture's latest crop report reflected increasingly critical conditions. Examples: cattle, "forced to market"; peanuts, "past redemption"; dryland cotton, "extremely short"; vegetable planting, "limited." Only irrigated cotton was reported "fruiting heavily."

GI LOAN PAYMENTS UP—Delinquencies on veterans land loans have dropped 19 per cent since 1954, said Land Commr. Earl Rudder.

Payment failures ran 20 per cent on loans made under his predecessor, Bascom Giles, said Rudder. Under the new administration they have dropped to one per cent.

Some 13,000 requests from veterans for loans now are pending before the land board. Present funds will stretch over about 1,000. More money will be available if voters approve a constitutional amendment for a new \$100,000,000 bond issue at the general election.

RAIL SUIT EULING—Smithville, an old railroad town, lost another round in its prolonged attempts to retain offices of the Missouri-Kansas Texas line.

An Austin district court upheld the Railroad Commission's order permitting consolidation of Smithville and Waco offices.

Unique aspect of the case was the "all-star" legal line-up. A former Supreme Court Justice, James P. Holt representing Smithville. Former governor Dan Moody representing the railroad.

INSURANCE CODE IN FULL EFFECT—Texas' new "model insurance code" now is in full force and effect.

Last measure to be activated requires companies to have a minimum of 100 policy-holders and \$200,000 insurance in force.

An Insurance Commission spokesman called the requirements "actually very easy to meet" and predicted almost 100 per cent compliance.

Target of the law are companies which, for tax purposes, have operated other type business under the guise of insurance firms.

Both Governor Shivers and Commission Chairman Byron Saunders have praised the state's insurance laws in recent statements. Saunders said Texas does not need "any additional reform measures," only "minor changes."
