Lions Club To Retain Region 12 And Guests

District Governor, Ray B. Ziegler, Zone B Chairman, and other guests have announced that the 12 Lions Club meeting will be held in Goldthwaite on Friday evening, November 1, 7:30 o'clock, with their guests. The meeting will be held in the Elementary School, with the local Lions girls serving the refreshments. The club expects approximately 150 Lions and their guests.

Bank Deposits Show Increase Over Year Ago

Bank deposits in Mills County State Bank show a healthy increase over a year ago as reflected in the statement issued in answer to the official bank call last week.

The statement shows deposits of \$3,723,127 as compared with \$3,397,767 in October last year, an increase of \$325,360.

"This increase in deposits over a year ago is a healthy sign for the economic picture of the county," said Warren P. Duren, president of the bank, in commenting on the statement.

He stated further that the economic outlook for farmers and ranchers of Mills County is much better this year due to the fall rains that this area has enjoyed in recent weeks. Heavy rains this time of the year are a big factor in the agricultural prospects for next spring and summer, he pointed out.

Fall Revival Begins Sunday, Nov. 3 At Methodist Church, Goldthwaite

The Revival preacher for the First Methodist Church at Goldthwaite, November 3-10, will be a former resident of Mills County. The Rev. Dr. Lowell O. Ryan

DR. LOWELL O. RYAN

started school in the first grade at Center City, where his father, the Rev. George L. Ryan, was pastor. The elder Mr. Ryan served the Star Circuit from 1915 to 1917. Then the family moved to Center City where he served that circuit in 1918. At that time those were two separate circuits. Later in the 1930's the elder Mr. Ryan came back to serve the combined Star-Center City Circuit for two

more years. During the latter period, Dr. Ryan held Revival meetings at both Center City and Star.

In 1933 Dr. Ryan joined the Southwest Texas Conference as a "Traveling Preacher" and has served as pastor all over southwest Texas. For eight years he was pastor of South Bluff Methodist Church in Corpus Christi, following which in 1956 he became District Superintendent of the Kerrville District of the Methodist Church. This District includes Goldthwaite and most of Mills County.

Dr. Ryan has three children: Mickey is employed in Cincinnati, Ohio; Tim, the second, is in the Army stationed at Fort McClellan, Anniston, Alabama; Carolyn is a freshman at Asbury College in Wilmore, Kentucky, which college awarded to her father an Honorary Degree of Doctor of Divinity in 1956.

Evangelistic singers for the Revival will be Mr. and Mrs. Paul Fulwider of Austin, where Mr. Fulwider is Minister of Music at the First Methodist Church. Both Mr. and Mrs. Fulwider have had professional music experience, states the pastor, Walter J. Cartwright, and we are fortunate to secure such a fine team. Services will be held both Sundays, November 3 and 10 and each day between, including Saturday, at 7 a.m. and 7 p.m. As announced elsewhere in the Eagle, all friends of the County are invited. Special Youth and Children's services are planned nightly before the evening preaching hour.

Billy Graham Film To Be Shown At Baptist Church Here

The Billy Graham film, "Fire On The Heather," will be shown at the First Baptist Church next Wednesday night, November 6, 1957, at 7:30 p.m. "Fire On The Heather" is a film which dramatically portrays Scotland's heroic struggle for freedom of worship. The rich heritage of Scotland is filmed in breath-taking color.

It dramatically portrays the Roman Conquest of Caledonia, St. Columba bringing the Gospel to the Picts, and the Conflict between John Knox and Mary. It also shows Scotland of today, and the Billy Graham crusade in Scotland. It features an all Scottish cast, and all of the Billy Graham team.

Mr. John Meyers of the Billy Graham association will be present for the showing of the film, and all are invited to see this film.

Texas Voters To Vote Nov. 5 On 3 Constitutional Amendments

Tuesday, November 5, the Texas voters will go to the polls to vote on three Constitutional Amendments. In order for the voters to better understand the amendment, the propositions are outlined below.

Proposition 1—Proposals on Constitutional Amendment to provide for a modernized State Employees Retirement program.

FOR—The Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the State Constitution, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State.

AGAINST—The Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the State Constitution, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State.

Proposition 2—would amend the Constitution to permit the Legislature to appropriate \$47 million per year for Old Age, Blind and Dependent Children's assistance. At the present time the Legislature annually appropriates \$42 million.

FOR—The Constitutional Amendment increasing the limit on the maximum monthly payment to needy aged persons from State funds from Twenty Dollars (\$20) per month to Twenty-five (\$25) per month subject to certain conditions for payment in excess of Twenty-one (\$21) per month and on the total yearly expenditure out of State funds for assistance to needy aged, needy blind, and needy children from Forty-two Million Dollars (\$42,000,000) per year to Forty-seven Million Dollars (\$47,000,000) per year; and allocating and appropriating additional sums, supplementing current legislative appropriations for payment of assistance grants.

AGAINST—The Constitutional Amendment increasing the limit on the maximum monthly payment to needy aged persons from State funds from Twenty Dollars (\$20) per month to Twenty-five (\$25) per month subject to certain conditions for payment in excess of Twenty-one (\$21) per month and on the total yearly expenditure out of State funds for assistance to needy aged, needy blind, and needy children from Forty-two Million Dollars (\$42,000,000) per year to Forty-seven Million Dollars (\$47,000,000) per year; and allocating and appropriating additional sums, supplementing current legislative appropriations for payment of assistance grants.

Proposition 3—is the Water Development Constitutional Amendment. Texas voters can

do something about this amendment by going to the Polls and voting on November 5.

FOR—The Amendment to the Constitution of Texas adding a new section to be known as Section 49-C of Article III, authorizing the issuance and sale of Two Hundred Million Dollars (\$200,000,000) in bonds by the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State.

AGAINST—The Amendment to the Constitution of Texas adding a new section to be known as Section 49-C of Article III, authorizing the issuance and sale of Two Hundred Million Dollars (\$200,000,000) in bonds by the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State.

Fellowship Rally At Youth Center After Game Friday Night

There will be an after-game fellowship following the football game this Friday night between Goldthwaite and Rising Star. It will be at the Mills County Youth Center, and it is for all of the young people of the community. It is sponsored by the First Baptist Church, and all of the young people are invited to attend this gathering for food, fun, and fellowship.

CARL M. CASBEER

of the Brown-Mills Conservation Service, was recently awarded a Certificate of Merit for superior performance in advancing the soil and water conservation program while assigned to the Goldthwaite Work Unit. The award was presented to Carl at Brownwood along with a bonus of \$73.61.

The Goldthwaite Work Unit has received an incentive award for sustained high production from May 1, 1955 to December 31, 1956. Inasmuch as Charles Haenish, now of Eden, Texas, and Carl were the only two staff members at the Work Unit during this entire period, they shared equally in the amount of \$73.61 each. They also received a Certificate of Merit signed by the State Conservationist along with a letter of commendation which was made a part of their permanent record.

Mr. and Mrs. Warren Cody and children of Oil Center, New Mexico, were guests of Mr. and Mrs. Arnold K. Kelly and family part of last week.

MARGARET REESE WITH CHAMPION SHORTHORN

Margaret is the 17 year old daughter of County Agent and Mrs. George G. Reese of Goldthwaite. She is a senior in high school and has been active in 4-H Club work the past three years. Her steer was judged

Champion Shorthorn at the Dallas State Fair and was fed under the direction of Mr. Reese. Shorthorn Breeder in the picture with Margaret and the Champion was not identified.

Eagles Lose To Mason Last Week; Play Rising Star Here Friday Night

The Goldthwaite Eagles were defeated last Friday night by the Mason Cowpunchers by a score of 13-6. In the Mason team, the Eagles met one of the best teams they have played this year as the Cowpunchers have a good defensive ball club and they have not been scored on but one time by each team they have played.

The Eagle team was weakened by the flu, and some of them, including Jerry Hammond, were too ill to play at all. However, part of them played the entire game, even though they had the flu or were just recovering from it. All of the Eagles turned in a good game.

The first half was the best part of the game for the Eagles, particularly the second quarter in which the Eagles made their only score of the game.

Mason drove inside the Eagle 20 yard line in the second quarter before Jerry Kight intercepted a Mason pass. From the Eagles 14 yard line they started to work, Kirby got one yard, Gerry Head, three yards and then Phillip Edgington broke in the clear and ran 77 yards, being tackled on the Mason 5 yard line. Mason held and took over on downs. They fumbled and Goldthwaite recovered on the Mason 30 yard line.

Edgington got 7 yards, Kirby went the remaining 23 yards on a fine run for the score. His pass to Eddy Jones for the extra point was broken up. The Eagles scored with two minutes left in the half.

Mason scored once in the third quarter and once in the fourth quarter. The Eagles could not get their offense to work in the last half. Being weakened by the flu, it showed up in their play in the last half of the game. Mason boys were in top shape for the entire game. The Eagles attempted six passes, completed 2 and had one

intercepted; punted five times for 37 yards with one quick kick for 55 yards; had 4 penalties for 20 yards and no fumbles.

EAGLES	COWPUNCHERS
4	First Downs 17
171	Yards Rushing 299
48	Yards Rushing 18
11	Passing 22
144	Total Yards Gained 303

Kirby carried the ball 11 times, gained 67 yards, lost 19 for 3 1/11 yard average; Edgington carried the ball 8 times, gained 89 yards, lost 28 for 7 3/4 yard average; P. D. Head carried the ball 4 times, gained 7, lost 10 for 3 yard average; Tom Graves carried the ball 1 time, gained 5, yards lost none for 5 yard average; Gerry Head carried the ball 1 time, gained 3, lost none for 3 yard average. Kirby scored for the Eagles on 23 yard run.

The Cowpunchers attempted 6 passes, completed 2 and had one intercepted. They punted three times for 23 1/3 yards average; had 2 penalties for 10 yards and lost 2 fumbles.

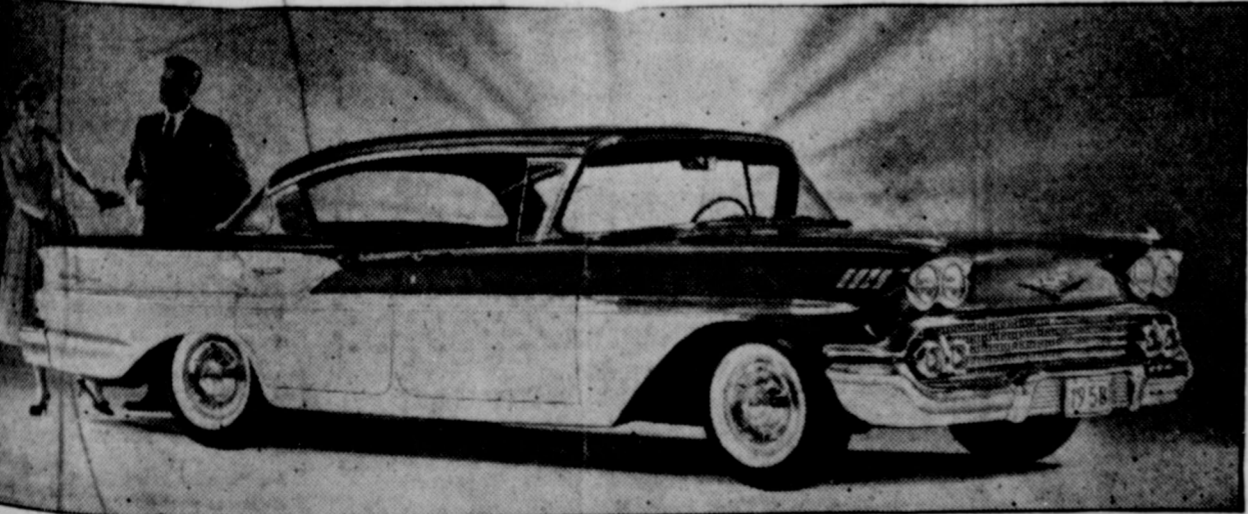

Wilson scored for Mason on a 3 yard run, pass from Durst to Kothmann for point; Heller scored for Mason on a 2 yard run for their second T.D.

EAGLES TO PLAY RISING STAR HERE

The Eagles will play host to the Rising Star Wildcats here tomorrow night on the local field at 7:30. The Wildcats have not won a conference game so far this season, but last year they were the same team that gave the Eagles a close game. The Eagles still have a chance of tying for district honors. Mason is now on top with three wins and no losses, Goldthwaite and Cross Plains are tied for second place. Goldthwaite has Rising Star and Llano yet to play while Mason meets Cross Plains and Santa Anna, either of which is capable of winning from anyone.

STUBBLEFIELD

STUBBLEFIELD HOME WEDNESDAY
 C. F. "Stub" Stubblefield has been hospitalized at the Coricana hospital for a returned home Wednesday.

CHEVROLET—The new Chevrolet line is now on display at Saylor Chevrolet Company, Mills County Chevrolet Dealer.

full advantage of nine inches in added length to mold low, fleet beauty into their 1958 models, as shown by this view of the Bel Air sport sedan. Strong eye-appeal is found in the modish grille, the dual headlamps

and low, flat hood. Notable also is an unusual Sculpturamic styling which supplies an air of distinction. A new engine, new frame and two new suspension systems are only a few of the major chassis advances. Station

Wagon, Bel Air, Biscayne and Delray Series are offered.

Officials of Saylor Chevrolet Company extends an invitation to everyone to come in today and see these new Chevrolets.

SOLILOQUY

GERMANY RE-ENACTS A STORY

West Germany is the leading industrial nation of Europe, the world's largest exporter of automobiles and is possessed of a currency so sound that she has served as a banker for two of the victorious nations of World War II—Great Britain and France.

East Germany, under the iron-bound control of Communism, still lies in ruin, hunger and poverty, although Germans with the same skills and abilities to work hard live there.

The key point accounting for this difference is that for the past nine years West Germany has followed an aggressive free-enterprise policy and taken advantage of the tremendous constructive force of private initiative backed by the assurance of profit from successful ventures. Timed to come at approximately the same period as drastic currency reform, nearly all the rationing and myriad government controls which had shackled the West German economy were lifted at one stroke in mid-1948. In the words of U. S. News & World Report: "The combination worked wonders from the start. There was an immediate surge in business activity. Overnight empty shops were filled with commodities that before had been hoarded or hidden for barter deals. Money once again had meaning. A free market guided prices to more realistic levels. Debts had been reduced by 90 per cent. A policy of sound money received priority."

"Sound money in a free market that determines prices were basic to the whole story of West German recovery."

The contrast between conditions in East and West Germany could hardly be more starting. In capsule form, with a new setting and different characters, this divided country has in a few years time, re-enacted the story of America's development as contrasted with the countries of the old world. The story of the two Germanys proves once again that with suitable ground rules everyone benefits most when individuals are allowed the freedom, opportunity and incentive to work out their own problems. This is a lesson which should be taken to heart by every American and acted upon before the principals of individual freedom, responsibility and opportunity, which built this country are compromised too severely.

SIMPLE AND FUNDAMENTAL

The country is witnessing tremendous furor in connection with civil rights legislation—the right of certain persons to vote and go to public schools.

There is another civil right that seems equally important—namely, the right to work without joining any specified union and paying for that right. But such is not the case for tens of millions of American citizens. U. S. Senator William F. Knowland of California, speaking in his home state, says "union democracy" is a key issue. He stands for the right of individual unionists to a voice in union affairs and the right of workers to join or not to join a union.

Following the revelations of the McClellan Committee, the demand for right-to-work laws is increasing. It is a strange situation that in a supposedly free country there should have to be specific legislation to enable citizens to vote or go to public schools. But strangest of all is the fact that it will take specific legislation to guarantee them the right to work at their trade without paying some organization for that right, unless they so desire.

What does freedom mean if it doesn't guarantee one of the simplest and most fundamental of all rights, the right to work?

THE FLU EPIDEMIC

It is generally expected that Asian flu will reach epidemic proportions in this country this fall or winter. But there is no cause for panic and wild fears. The illness is of short duration, is generally mild, has few complications, and has a very low mortality rate. An effective vaccine (safe except for patients with a known allergy to eggs) has been developed, and the supply will gradually increase.

In this connection, the American Medical Association has made an important statement, asking for the cooperation of American business and industry. If the expected epidemic materializes, business firms will experience a marked increase in absenteeism. Even so, the AMA emphasizes, industry ". . . should not get panicky and rush into a program of mass inoculation for its employees until essential priority groups in the community have been inoculated." First priority on available vaccine should go to those persons vital to the community—such as health, police, fire communications, transportation, and utility personnel—and to those who, in the opinion of physicians, constitute a special medical risk. Individual physicians are urged to adhere to local priority systems, which may vary from place to place for one valid reason or another.

As for those who get Asian flu, the AMA points out that there is no specific treatment. Bed rest and fluids are necessary. All patients should be isolated so far as it is convenient. And during the acute stage of the disease, the patient should not be allowed visitors.

WHEN THE OLD BIRD WAS YOUNGER

10 YEARS AGO—

(Taken from the Eagle files of October 30, 1947)

In preparation for the many out-of-town guests expected here on Sunday, November 9, for the dedication ceremony of the Cemetery Memorial Gateway and the unveiling of the monument in memory of men and women of Mills County who made the supreme sacrifice in World War II, the Goldthwaite Garden Club and the Goldthwaite Lions Club are sponsoring a Clean-Up Campaign for Goldthwaite next week—November 1-8.

Mrs. T. J. Hamilton of Star fell and broke her hip Monday afternoon. She is now in Scott and White Hospital in Temple. James Hodges and Miss Gwendolyn Clark of Lampasas were married at the First Baptist Church here Tuesday morning.

This week Crume's Texaco Station owned and operated by Lyle Crume on Fisher Street was sold to Bill J. Kelso, who will continue the business under the name of Kelso's Service Station.

Little Caryn Curtis returned to her home in Waco Sunday after spending three weeks here with her grandparents, Mr. and Mrs. H. B. Curtis.

Mrs. Bertha Weathers has returned home from San Angelo, where she was called on account of the illness of her daughter, Johnnie. She was still in the hospital but is reported to be much improved.

Mr. and Mrs. Joe Anderson and Bennie Joe, Mr. and Mrs. T. L. Hammond and Bobby returned home Tuesday night after a few days visit with Mr. and Mrs. Jack Leverette of Fort Stockton. Mrs. Joe Spinks accompanied them as far as Winters to be with her mother, Mrs. E. T. Davis, who is seriously ill.

Col. and Mrs. M. Y. Stokes Jr. spent the weekend at their home here. Col. Stokes, Goldthwaite postmaster, is on military leave of absence while on

temporary active duty with Headquarters, Fourth Army, Fort Sam Houston.

25 YEARS AGO—

(Taken from the Eagle files October 28, 1932)

Sunday night while church services were in progress four young men dressed in light colored clothes meandered among the cars parked at the Baptist Church and possibly seeing some parties sitting in a car left that place and went to the Church of Christ, where they took charge of J. E. Greathouse's Chevrolet sedan and drove away.

A search was at once commenced and soon a clue was found. Mr. Gray, a clerk in the depot having seen four young men abandon a car on Blanket Creek hill, a short distance this side of Zephyr. Mr. Greathouse and Sheriff Bledsoe went to the place and found the car to be the one stolen.

Mr. and Mrs. Aubrey Spears returned to this city last Friday afternoon from a trip, after having been married in San Saba the Sunday before.

Mrs. D. H. Trent departed this life Monday afternoon shortly after 2 o'clock, following several weeks of illness.

Luther Rudd is nursing a broken left arm, caused by catching a bump-gate as he passed through it, in the Nabors Creek country Monday afternoon.

Mr. J. A. Godwin died at his home in the Long Cove community Sunday evening after a long illness, although he had not been confined to his bed but a short time.

A total of 69 candidates have announced for the 22 positions open on the administrative staff of the student body of the University of Texas at Austin. William G. Yarborough is a candidate for one of the two vacancies for men representatives from the School of Business Administration. His Goldthwaite friends are for him strong.

Rev. H. H. Dare and family left Wednesday for San Antonio to attend the Methodist Annual Conference, at which time he will receive an assignment for the next conference year. He has served the church here for the past two years.

50 YEARS AGO—

(Taken from the Eagle files of November 2, 1907)

The people of Mills County have just cause for being proud of the banks of this county and the good condition of the banks shows a prosperous condition of the people while the banks in the east are suffering for the want of ready money and even some of the Texas banks are limiting their depositors to the withdrawal of only a part of their deposits. The Mills County banks are paying all the checks their depositors present to them and at the same time are receiving more deposits than they are paying out.

County Clerk Crawford this week issued marriage license to S. W. Randles and Miss Nora Long.

The marriage of George W. Covington and Miss Bessie Renfro was solemnized at the home of the bride's parents, Mr. and Mrs. D. D. McBride, in this city last Saturday afternoon.

Henry Blackburn, manager of the South Bennett and Center City telephone business was a visitor to this city the first of the week.

B. F. Geeslin has rented the portion of the water building

heretofore occupied by Dick Brinson's barbershop and is using it to store goods for the present.

Dr. Vick has been here this week from Troy visiting his sister, Mrs. J. H. Randolph and looking after business interests.

W. F. Keese was here this week shaking hands with his friends. He has made his home in the Indian Territory for several years, but has now moved to Fisher County Texas.

M. R. Rice has been in Lampasas County this week preparing to move his family to this city. They expect to move next week and will occupy the resi-

dence purchased from Brown.

MARCH OF EVENTS
Rising Cost of Living
Big '58 Election Issue
Congress Demos to
Ike's Economic Plan

By HENRY CATHCART
Central Press Washington Writer

WASHINGTON—The rising cost of living is certain to be an issue in the 1958 elections and it's a problem that has President Eisenhower worried more than anything else. The President is seriously concerned with the situation and is keeping a watch on it, receiving special reports from government economists. However, Mr. Eisenhower still feels that the problem must be met with volunteer methods. He is convinced that mandatory controls in peacetime would be a step toward destroying free enterprise.

For that reason, he undoubtedly will intensify the pressure on both labor and management to forego inflationary wage hikes. He set the example himself by vetoing a pay raise for government workers.

ECONOMIC POLICIES TARGET—Democracy in Congress already are laying the groundwork for a full-scale attack on the Eisenhower administration's economic policies when the House and Senate reconvene in January.

Charges that farmers and city people are getting less and paying out more will highlight a year-long Democratic campaign to replace one of Congress in the 1958 elections.

A starring role will be assigned to freshman Senator William Proxmire, the Democrat who won the seat of the late Joseph McCarthy in Wisconsin's special election last August.

Democratic strategists, impressed by Proxmire's upset victory will give him a buildup seldom granted to a first-year lawmaker. The reason: he has to run for re-election next year and needs to strengthen his position.

FRANCO VISIT—President Eisenhower reportedly has decided to invite Spain's Generalissimo Francisco Franco to visit the United States. Sources close to the White House say two factors behind the decision:

1.—Increasing U.S. military ties with Spain, where American bases have assumed new importance since Russia's successful test of a long-range ballistic missile.
2.—Franco's well-known desire to come to the United States before he relinquishes leadership of the Spanish state to the King-to-be, Don Juan, who is being groomed for establishment of a monarchy.

Such influential senators as Foreign Relations Chairman Theodore F. Green (D), Rhode Island, Republican Leader William Knowland of California, and Dennis Chavez (D) of New Mexico are said to have urged Mr. Eisenhower to extend the invitation.

KEEP EYE ON THAILAND—State department experts are a lot more concerned about the recent change of government in Thailand than they are willing to admit publicly.

Officially, the department said only that the Change overthrow of Premier Pibul Songgram by the Thailand army commander is an internal matter for that country. However, privately, American officials have expressed fears that the development could throw a hitch into plans for the Southeast Treaty Organization.

The new Thai government has given no formal assurances it will continue support of the anti-Communist alliance and the leader, Field Marshal Sarit Thanarat, is regarded as less pro-U.S. than his predecessor.

"WHAT YOU WANT WHEN YOU WANT IT"

Center City HD Club Meets-Plans

Christmas Party To Be Held, Dec. 4

Mr. Herbert Coffman, Center City H. D. Club, met on October 24 in the home of Mrs. Sherwood Owens. Mrs. Owens presided over the meeting.

Miss Burrus gave a review of programs she couldn't give and attend during her illness. The program review consisted of "Convenient Work Area," "Safe Trash Burning," and a review of "Landscaping of The Yard."

Mrs. Owens served coffee and cake to the members and guests.

The next meeting will be November 15 along with the Workshop at the Fellowship Hall. Mrs. Herbert Coffman will be hostess for this meeting.

**Garden Club Members Enjoy Program
On "Adventure In Table Setting"**

The Goldthwaite Garden Club met in the Jennie Trent Dew Library, Wednesday afternoon, October 23, at 3 o'clock.

Hostesses for the meeting were Mmes Floyd Sykes, Eerie D. Roberson, Luther Rudd, Roy Wilkins and Marvin Hodges.

Mrs. V. Z. Cornelius president of the club presided over the business meeting.

Mrs. R. Glenn Raley, Pilgrimage Chairman asked that members who wished to make the pilgrimage to Fort Worth October 30, for a tour of the Botanical Gardens and the lecture by Mrs. Howard Kittle to present names to her.

Mrs. T. J. Collier, Membership Chairman presented the name of Mrs. Jack Elms of Center City for membership and she was unanimously accepted. No one accepted the chairmanship of the park committee and the club voted to let the president and her officers work together with other members of the Park Committee.

The club invocation was repeated in unison. Mrs. Jim Weatherby was program leader

for the program "Adventure in Table Setting." Five lovely tables were judged by Mrs. Malcolm Jernigan and Mrs. T. M. Glass. The tables were:

"Childs Birthday Table" arranged by Mrs. Loyd King and Mrs. Harold Yarborough.

"Picnic Table," by Mrs. H. D. Roberson and Mrs. R. Glenn Raley.

"Informal Luncheon Table," Mrs. Roy Wilkins and Mrs. Robert Burdette.

"Informal Dinner Table," Mrs. T. C. Graves and Mrs. V. Z. Cornelius and "Breakfast Table," Mrs. Tom Collier and Mrs. W. P. Duren.

A delicious refreshment plate depicting the Halloween theme was served by the hostesses.

WILLIS HILLS ENTERTAIN GUESTS

Mr. and Mrs. L. O. Shudde of Washington, D.C. visited Mr. and Mrs. Willis Hill last week.

Mr. Shudde is Chief Actuary of the Federal Housing Administration. They are parents of Mrs. Forest Hill.

**Janis Marie Jackson
And James C. Lain
Exchange Vows**

Miss Janis Marie Jackson, daughter of Mr. and Mrs. W. W. Jackson of Sipe Springs, was married to James C. Lain at 4 o'clock Sunday afternoon, October 20, in the Sipe Springs Baptist Church.

The bridegroom is the son of Mr. and Mrs. J. C. Lain of Hamlin.

Rev. William E. Noel read the impressive ceremony.

Miss Anna Collier, Goldthwaite, a student at Tarleton College was maid of honor. Dale Lain, Hamlin was best man, David Jackson, Wichita Falls and Ernest Glazner of Anson were ushers.

A reception was held at the home of the bride's parents, immediately following the ceremony.

The couple will reside at 527 North Belmont, Odessa, where Mr. Lain is employed by El Paso Natural Gas Company.

Mr. and Mrs. Charlie Stark of Temple spent Sunday with his brother, Mr. and Mrs. J. A. Stark and his sisters, Mrs. C. A. Simpson and Mrs. Edith Whitt and other relatives.

**Rita Williamson And
Reed Townsen Wed**

Mrs. Rita Williamson, daughter of Mr. and Mrs. Corbie Wilcox of Caradan became the bride of Reed Townsen, Monday afternoon, October 21, at 5:30 o'clock, in the home of Rev. T. M. Mitchell of Star, with Rev. Mitchell officiating.

The couples only attendants were Mrs. Joe Green and Leo Townsen.

Mr. and Mrs. Townsen are now at home in the Center City community.

Batchelor announce the arrival of a daughter, Linda Diane, born October 11, 1957, at Kermit Hospital. She weighed seven pounds and one and a half ounces.

Maternal grandparents are Mr. and Mrs. F. B. Thomas, Portales, New Mexico and paternal grandparents are Mr. and Mrs. C. W. Batchelor, Midland.

The Thomas and Batchelor families are former residents of Goldthwaite.

**CARE OF
HOUSE PLANTS**

If you wish to have blooming Pansies during the winter, plant them as soon as they are available.

Pansies like lots of fertility.

Watch this space for helpful hints weekly.

BIRTHS

Mr. and Mrs. Bill Beard of Fort Worth announce the arrival of a daughter, Karel Juane, born in Fort Worth September 21, 1957. She weighed six pounds and 14 ounces.

Grandparents are Mr. and Mrs. LeRoy Beard of Lometa and Mr. and Mrs. J. T. Burrus of Mountain Home.

Mr. and Mrs. Charles Elson

**You're face to face
with the
B-58 BUICK**

It looks and feels like flight on wheels

IT RUNS on gasoline and rolls on wheels. But beyond that, all similarity between this 1958 Buick and any other car you've ever known comes to a decisive end.

This B-58 Buick is literally born of aviation principles — starting with a greater use of aluminum than ever before, and going on from there.

With this stunning automobile you're in the forefront of styling's freshest advance.

With it you boss the B-12000 engine — command through a transmission that's the big talk of the automotive world — feel a

modern miracle in buoyancy of ride, plus the never-before wonders of Buick Air-Poise Suspension.*

With it you can drive with more magnificent advances in automobile design and engineering than history shows in any single year.

This B-58 Buick is ready now in look and line and lift and life to thrill you to a tingle. Go see — now on display at your Buick dealer's.

*Air-Poise Suspension optional at extra cost on all Series. Flight Pitch Dynaflo standard on LeMay and Roadmaster 75, optional at extra cost on other Series. Aluminum Brakes standard on all Series except Special.

NEVER SO MUCH SO NEW

- * FRESH BOLD STYLING with the Dynastar Grille.
- * THE MIRACLE RIDE plus Buick Air-Poise Suspension.*
- * FLIGHT PITCH DYNAFLO* with the instant flexibility of a million switches of pitch.
- * B-12000 ENGINE with 12,000 pounds of thrust behind every piston's power stroke.
- * AIR-COOLED ALUMINUM BRAKES* with smoother, surer control and longer life.
- * "VELVET WALL" Sound Silencing.
- * All built to exacting quality standards

When better automobiles are built Buick will build them

Cub Scouts, Pack 5, Re-Register; Select Den Mothers For New Year

Monday afternoon, the Cub Scouts of Pack 5, met and finished re-registering for the new year. This pack is sponsored by the Tuesday Study Club which met last Thursday and approved the officers, committee and cubmaster for the pack.

Delton Barnett was elected Institutional Representative; E. D. Hamilton Committee Chairman with the following committee members: I. W. Mauney, Harmon Frazier, Lewis Hudson and M. A. Childress. Jesse Moreland was elected to serve as Cubmaster and Talbot Ledbetter as assistant cubmaster.

Mrs. Harold Yarborough was selected Den Mother for Den 1 with the following members: Tom Duren, Owen B. Yarborough, Phil Nickols, Mike Petty and Ronny Hill.

Den 2 selected Mrs. Warren Duren as Den Mother with members as follows: Phil Duren, Billy Miller, Bob Frazier, Stanley Doggett, Johnny Hammond, Butch Howard, Jimmy Don Daniel and Wesley Krueger.

Den 3 selected Mrs. Burl Holland as Den Mother and the members are: Billy Summy, Randell Holland, Eddie Dean Thornton, Stephen Hollingshead and Larry Don Blasdel.

Mrs. Jesse Moreland was named Den Mother for Den 4 with the following members: Gene Davis, Charles Blackburn, Larry Loudermilk, Sammy Hud-

son, Dennis Dale Moreland, James W. Ledbetter and Gary Don Holcomb.

Den 5 consists of the following members: Denny Woods, Del Sears, Glenn Hamilton and Jim Childress. No Den Mother has been named for this den as yet.

Mrs. Lindley was named Den Mother of Den 6 with the following members: Bill Lindley, Ted Roder and Tommy Watson.

Den 7 selected Mrs. James Carter as Den Mother and the members are: Ronny Jones, Gary House, Dayton House, Wayne House, Gepe Williams, Kenneth Kelly, Emmitt Miller, Jimmy Carter and Larry Roberts.

Brownie Troop 9 Elects Officers

Brownie Troop 9 met at the Girl Scout House on October 22 for their regular meeting. During the business meeting new officers for the year were elected. They are as follows: Susan Langford, president; Debbie Langford, secretary and Charlotte Dalton, treasurer.

Members of the troop are as follows: Judy Bishop, Jeanne Breeding, Donna Cobb, Mary Ann Corona, Charlotte Dalton, Gay Gealin, Linda Jones, Flossie Jordan, Debbie Langford, Susan Langford, Dianne McKenzie, Melissa McLean. Also Sylvia Saylor, Nita Shipman, Lowell Welch, Lana Wilcox, Brenda Warren.

Leaders for the troop are Mrs. Larry Dalton and Mrs. J. D. McKenzie with Judy Benningfield as program aid. The requirements for the first year Brownies are to learn the promise and "Brownie Story." Nibbles were served by Mary Ann Corona. The troop then dramatized the "Brownie Story" after which the meeting was dismissed.

Mills County Baptist Association To Meet At Big Valley

The Mills County Baptist Association Meeting will be held at the Big Valley Baptist Church, Monday evening November 4. Theme of the meeting will be Home Mission Expansion.

Dinner will be served by the host church at 6 o'clock and the program will begin at 7:30, with Rev. Billy Berry, pastor of the Baptist Church at Morgan and Rev. Ike Courtney, pastor of Walnut Springs Baptist Church, speakers.

M. Y. F. To Sponsor "Trick Or Treat" For CROP, Tonight

This evening (Thursday, Oct. 31) the young people of our community will celebrate Halloween in an up-to-date and modern manner.

The "new look" at Halloween sponsored by the Christian Rural Overseas Program (CROP) means having a good time but coming up with a gift of coins which add up to a lot of food for a part of the world's hungry people. Last year the youth of Texas raised \$54,910.04. This made possible:

(1) Distribution of at least 2100 tons of surplus food (70 freight carloads).

(2) Purchase and shipment of a carload of peanuts to Korea. (3) A share in the shipping costs of more than \$20,000 worth of contributed commodities, including cotton, rice and pinto beans.

CROP Trick or Treat in Goldthwaite is sponsored by the Methodist Youth Fellowship under the direction of Bill Clements, chairman, assisted by Mrs. Harold Yarborough, Tom

Cody Graves, Linda Yarborough, Cornelia Patterson and Kay Campbell, members of the committee.

The young people will meet briefly for instructions Thursday evening at the Methodist Church at 6 o'clock. Identification tags will be supplied to all boys and girls who ask for contributions.

Peggy Jones, Queen Nominee At Baylor Homecoming Game

Miss Peggy Jones of Goldthwaite, 21-year-old Baylor University senior, is a nominee for Homecoming Queen for Baylor's Homecoming activities Saturday, November 2.

Miss Jones, a blue-eyed "brownette" who is majoring in Marketing at Baylor, will represent Alpha Omega, and will ride their float in Saturday morning's parade, which will precede the Baylor-T.C.U. football game of the afternoon.

Peggy is one of the fifteen university beauties who will compete for the crown of Homecoming Queen. The girl select-

ed will be crowned between halves at the football game. She is the daughter of Mr. and Mrs. J. T. Jones, 902 Reynolds, Goldthwaite, and is a 1954 graduate of Goldthwaite High School.

Mr. and Mrs. M. V. Wheeler, Hamilton and Mrs. Elma Wall of Star visited Mr. and Mrs. D. L. Wheeler Thursday afternoon of last week.

Mr. and Mrs. George W. Featherston and children of Midkiff spent last weekend with their parents, Mr. and Mrs. Jess Whitley and Mr. and Mrs. Clyde Featherston and Linda.

NEWS from YOUR COUNTY AGRICULTURAL AGENT

TEXAS A. & M. COLLEGE EXTENSION SERVICE

BY GEORGE G. REESE

FARM ACCIDENTS—According to the National Office of Vital Statistics, United States Department of Health, Education and Welfare, over two-fifths (42.9 percent) of all fatal injuries in machine accidents occur on farms. Tractors account for a sizeable share of these deaths. Overturning is the most common hazard and is generally associated with too much speed, excessive loads, and unusual slopes or ditches.

Of all farm deaths resulting from machine accidents 93.7 percent of the victims were men. Industrial accidents accounted for only 24 percent of all machine deaths. Contrary to public opinion, farm work, from the standpoint of fatal accidents is now more hazardous than industrial work. Safety measures have worked in factories. It is evident that they are now badly needed on our farms.

United States consumption of red meats and poultry is lower than that of countries such as Uruguay, Australia and New Zealand. However, consumption of eggs is higher in this country. While the United States consumption of meats is lower, the addition of milk and dairy products tends to equalize the situation.

Beef cattle numbers are at record levels despite a 2 percent decline in 1956. On January 1, 1957, there were an estimated 60 million beef cattle on farms and ranches in the United States. This number is 43 percent larger than the 1950 total of 42,508,000 head. It is often alleged that most of this increase in beef cattle numbers has been in the South. Actually, almost one-half of the increase (47 percent) has been in the North, principally in the Middle West.

About one-third of the increase has been in the Southern states (including Oklahoma). An additional one-fifth of the increase was in the Western states. Texas has only a slight increase from 1950 to 1957.

By January 1, 1958, the total U.S. laying flocks is expected to be down six to eight percent from January 1, 1957. Statistics show a 25 percent decrease for Texas. The reduction will be due to fewer replacements with the decrease greatest in small flocks.

Prussic Acid Dangerous to Livestock—The time of the year is approaching when cattle owners should be warned that Johnson grass or sorghum after a frost is sometimes extremely

high in prussic acid content and is very dangerous to livestock. When wilted by frost or drouth, certain chemical changes sometimes occur on the plant and it develops a content of prussic acid, or hydrocyanic acid, says Dr. C. M. Patterson, extension veterinarian. The poison acts quickly, and can kill an animal within a short time after the damaged plant has been eaten. Symptoms described by the veterinarian include an appearance of nervousness, difficult breathing, and difficulty in standing. Whether a poisoned animal can be saved depends upon how quickly a veterinarian can get to it. Treatment involves injecting antidotes into the blood stream. Young plants will develop more prussic acid than

those approaching maturity. Johnson grass or sorghum points out Patterson. The leaves will contain from three to 25 times more acid than corresponding portions of the stalk in plants in the boot stage. The upper younger leaves will contain more acid than the lower leaves.

Frosted or drouth stricken Johnson grass or sorghum should not be grazed until it is completely dry.

Mr. and Mrs. M. E. Oliver, Brownwood, Mrs. R. C. Dabney, Comanche, Mrs. Roxie Lindsay and Mrs. Dalra Willis both of Fort Worth were guests of Mr. and Mrs. Ben McConel Sunday.

made sad by the loss of their loved ones. May God in all His tenderness be near you today.

IT'S THE LAW in Texas

TEXAS WATER DEVELOPMENT FUND PROPOSED

The growth and prosperity of Texas are dependent in large measure upon the assurance of a plentiful water supply for all time to come. The voters of the State will soon have an opportunity to express their opinion concerning a proposed constitutional amendment which is quite pertinent to this problem.

The recent Fifty-fifth Legislature recognized the need for flood control as well as the assurance of an adequate future water supply. For those reasons they voted to propose an amendment to the Texas Constitution which, if approved by voters in a special election to be held November 5, 1957, would authorize the creation of a body to be known as the "Texas Water Development Board."

This Board, if created, would have authority to issue and sell general obligation bonds of the State of Texas in an amount not to exceed \$100,000,000. If more funds should be required at some later date, the Legislature would be authorized to provide for the issuance and sale of an additional \$100,000,000 in bonds. A two-thirds vote of the Legislature would be required for this authorization.

Proceeds from the sale of the bonds could not be expended directly nor given away, but could be loaned to various governmental authorities for certain authorized purposes. Eligible borrowers would include cities, counties, river authorities, conservation and reclamation districts, and interstate compact commissions.

The money could be used to build and extend dams and reservoirs and to finance other measures necessary in preserving and developing water resources and in controlling and storing storm and flood waters. Money could also be loaned for the construction of facilities for transporting water from storage points to distribution points.

Money received by the Water Development Board in repayment of principal and interest on the loans would be placed in a sinking fund. From this fund the Board would make the payments necessary to retire the original bonds.

Two other proposed constitutional amendments will be submitted to the voters in the same special election on November 5. One of these concerns retirement and disability funds for State employees. The other would increase benefit payments for needy children, needy aged, and blind persons.

**Clementine Wilmeth Briley Writes
From Temporary Home In El Paso**

By CLEMENTINE WILMETH BRILEY

All my folks went to town Saturday. I had to stay home and get ready to baby-sit that night. But what a break. No dinner cooking. No dishwashing. Monday morning dawned gray and rainy looking. We hoped it would clear off after while, but it didn't. It just rained right down.

This morning (Tuesday) the sun came out and the wind blew some. It rained some through the day and the wind blew violently in the afternoon. Tonight the stars are shining and the wind is calm.

A letter from Mrs. Effie Egger yesterday said they had had wonderful rains at Ebony, and everything was so beautiful it looked like spring. She said the river backed Buffalo Creek up to the Hosea Field.

A letter from Mrs. Edna Dwyer today said she had just re-

turned from a visit with Mr. and Mrs. P. R. Reid at Goldthwaite. They took her to see Mr. and Mrs. Henry Egger. She likes their little home. It has all been done over on the inside, and it surely looks pretty. Then she got to visit Dale and Evalyn Reid. They have added to their house. They now have three bedrooms and two baths. It has all been done over on the inside and is beautiful.

Mrs. Dwyer went to the courthouse to pay her taxes. Mr. Cocker—Mr. Stubblefield's deputy—said to her, "Tell Mrs. Briley we sure have had nice rains." He reads the Ebony column and knows how anxious I am to hear of rain at home.

We all are still anxious about Mr. Stubblefield. Mrs. Dwyer says that as soon as he is able he will go to Dallas to have surgery for his shattered jaw.

Moline "Pick-Ups"

BY LEMON SQUEEZER

We had some snow flakes to fall here this past Saturday morning which looked very pretty falling. The frost Saturday morning sure did the flowers wrong.

Mrs. John Witty spent Tuesday afternoon with Mrs. Red Arrowood.

Mr. and Mrs. R. A. Cox of Scallorn spent Sunday with Mr. and Mrs. Webb Laughlin.

Mr. and Mrs. Glenn Poe and children of Mesquite spent Sunday week with his parents, Mr. and Mrs. N. H. Poe and the two families ate lunch with Mr. and Mrs. Elmer Poe.

Mr. and Mrs. Webb Laughlin spent Tuesday afternoon with her brother, R. D. Ford and wife

and they visited the Fords who were spending day with Mr. and Mrs. Ford.

Mr. and Mrs. Dolan were guests of the Webbs one afternoon. Mrs. Paul Lee called Red Arrowood home

afternoon. Mrs. Paul Lee and Arrowood and several attended the McCasland wedding at Star

Church Saturday afternoon. Friday night November be the meeting night Community Center, with red dish dinner. At the names will be drawn Christmas get-together one has a most cordial

to attend. Mr. and Mrs. Red visited Mr. and Mrs. Wednesday afternoon.

Mr. and Mrs. Clifton and little daughter, Kay of Lake Charles, La. were of Mrs. J. W. Weathers Thursday afternoon.

State Capitol NEWS

VERN SANFORD
Press Association

STAN, Tex.—No member of the legislature is saying there will be laws on lobby conservation or the water conservation in Gov. Price's special session call.

There are about as many bills as how-to-do-it as there are members in both houses. For each law the road to the governor's office is littered with amendments.

Most of the bills are of the "let's try" variety. The state comptroller, State Comptroller Calvert, predicts a \$6,000,000 deficit by the end of this biennium.

Some half-dozen other measures designed to preserve local control of schools have been put forward.

LOBBY CONTROL—At least nine lobby restriction proposals are before the legislature. No one bill pleases a majority of members.

Rival bills in the Senate are sponsored by Senators Crawford Martin of Hillsboro, Searcy Bracewell of Houston, Jimmy Phillips of Angleton and Henry B. Gonzalez of San Antonio. Senator Martin's measure has been labeled the "administration bill." Senator Gonzalez's closely parallels the federal lobby-

would have to go into debt to pay for the session. For legislators, most of whom will be facing campaign opponents in a few months, this is a hard choice.

EAST TEXAS PUSH—Efforts of a bloc of do-or-die East Texas legislators to protect Texas' segregated schools overshadows other lawmaking.

Governor Daniel promised the group that no federal troops will "occupy the campuses and halls of our schools as long as I am governor."

But the governor said he wasn't ready to say if or when he would submit segregation laws to the legislature.

This was too vague for Rep. Joe Pool of Dallas. He introduced a resolution demanding the governor announce immediately if he will allow introduction of segregation measures this session or call another session for that purpose. Nineteen other representatives co-signed with Pool.

Some half-dozen other measures designed to preserve local control of schools have been put forward.

LOBBY CONTROL—At least nine lobby restriction proposals are before the legislature. No one bill pleases a majority of members.

Rival bills in the Senate are sponsored by Senators Crawford Martin of Hillsboro, Searcy Bracewell of Houston, Jimmy Phillips of Angleton and Henry B. Gonzalez of San Antonio. Senator Martin's measure has been labeled the "administration bill." Senator Gonzalez's closely parallels the federal lobby-

bying law.

At the first Senate committee hearing Senator Martin's proposal was attacked as allowing unlimited entertainment expenditures without a report so long as legislation was not mentioned at the time of the entertainment.

Sponsoring the House twin to Martin's bill are Representatives Zeke Zbrank of Daisetta, Dick Cory of Victoria, Max Smith of San Marcos and others. Introducing the four other lobby bills in the house were (1) Reps. Charles E. Hughes and Tony Koriath, both of Sherman, (2) Reps. Marshall O. Bell of San Antonio, Cecil Storey of Longview and Glenn H. Kothmann of San Antonio, (3) Rep. Louis Dugas of Orange and (4) Rep. J. C. Day of Brookshire.

WHO GETS THE WATER?—This session's statewide water planning measure is already caught in the same swift currents that have capsized many previous water measures.

Mostly, it boils down to a fear by each individual lawmaker that the overall plan might benefit one area by taking water from his area.

Governor Daniel asked the lawmakers to set up machinery under the State Water Board to draw a statewide master plan for water. Measures to this effect were introduced in the House by Rep. W. N. Woolsey of Corpus Christi and in the Senate by Sen. George Parkhouse of Dallas.

Sponsors have repeatedly reassured that the bill would not take away "any vested right of any water user in Texas." But Rep. W. A. Stroman of San Antonio objected to giving the Water Board planners "law-making powers."

Rep. Leroy Saul of Kress withdrew as House sponsor of the bill because he said he believed its passage would "lead to deficit financing."

STATE PRACTICE ACT—A closer watch and possible limitation of practice before state agencies is proposed in a House bill.

Sponsoring a bill to regulate representation before state agencies are Representatives L. DeWitt Hale, B. G. Forsyth of Corpus Christi and J. C. Day of Brookshire.

Their bill would require each agency to register those who appear before it. This bill also would bar lawmakers from such practice entirely if the constitutional amendment raising their salaries to \$7,500 annually is passed.

This was one of the bills requested by the governor.

LAW ENFORCEMENT STUDY—Creation of a law enforcement commission, which failed in the regular session, is back in the legislative mills.

This time the proposal is far a commission to study means of crime prevention and improvement of the penal code—but not to investigate specific violations.

Sponsors are Rep. Dick Cory of Victoria and Sen. George Moffett of Chillicothe.

OIL IMPORTS HIT—Companies which import foreign crude oil could have their Texas production cut back under a proposed House bill.

Representatives John Lee of Kermit and Charles Ballman of Borger introduced the bill. It is "waiting in line" with others that cannot be considered until the governor opens up the session to additional topics.

It would give the Railroad Commission power to reduce the allowable production on wells owned by those who import oil. It is designed to help Texas producers who have been unable to find markets for their oil.

SHORT SNORTS—Asst. Atty. Gen. J. L. Smith has resigned to return to law practice in San Augustine. Linwood Shivers of Carthage has joined the attorney general's staff. State Comptroller Robert S. Calvert will be honored Nov. 15-16 as man of the year at Howard Payne College homecoming.

Clark Diebel has resigned as executive secretary of the Veterans Land Board to become statement analyst in the examination division of the State Board of Insurance.

Chappell Hill

By PEARL CRAWFORD

It rained 8 inches here last Monday night. Early Sunday morning the temperature dropped to 3 degrees below freezing and a big white frost covered the ground. We know that winter is here and Thanksgiving and Christmas are just around the corner.

A large crowd attended the football game and Homecoming at Priddy Saturday night. Mullin won the ball game.

It was nice visiting with A. C. Stark. He reported they welcomed the nice rain and it did not delay sowing grain.

Word has been received from the G. C. Price family of Arlington, California, that the four Price brothers enjoyed a reunion at the home of Mr. and Mrs. Otto Price. They are all former residents of this community and we wish for them many more happy reunions.

Mrs. B. F. Humphries and Mrs. Don Humphries and sons attended the "Uncle Jack" Hardware and Furniture Sale at San Saba. Mrs. Humphries purchased a 1958 model electric range for their new home.

Mr. and Mrs. Bill Creek and family of Mullin and Mrs. J. C. Creek have returned from a visit and vacation trip which took them through East Texas, North and South Arkansas. They reported seeing cotton which was making from 1½ to 3 bales per acre.

Mr. and Mrs. Otto Kunkle went fishing Friday. They reported a nice catch. They have recently visited Mr. and Mrs. Albert Stanhke at Hamilton. It was nice visiting with Mr. and Mrs. W. L. Conner, Mary and Dorothy. They reported work on the highway mountain was very slow, but workmen had made considerable progress the last few days.

Mr. and Mrs. J. C. Bramblett visited Mr. and Mrs. O. A. Evans and Mrs. Bramblett helped them put their flue in.

Mr. and Mrs. Mills helped Mr. and Mrs. Lynch with some work Sunday.

Mr. and Mrs. Pearl Shipman visited Mr. and Mrs. Stone Shipman and daughters Saturday. Mrs. Shipman has raised a lot of pheasants and says she would be happy for her neighbors to drop by and see the pretty birds, which she has enjoyed working with.

Truman Vaughan has been a patient in San Saba Memorial Hospital.

Mrs. John Northcut is a patient in the Comanche hospital. Mrs. Evans reports the health at the William Clinic home remains about the same.

Mrs. V. T. Stevens and Steve Price are on the sick list. We hope all the sick folks a speedy recovery.

Mrs. F. D. Reynolds visited Mrs. O. A. Evans Thursday.

Mrs. Hugh Nowell visited Mrs. A. R. Whately Friday and took her to town to do some shopping.

Joe Burdette was real sick Wednesday but he and Mrs. Burdette were able to go to town Saturday.

We were sorry to have Mr. and Mrs. R. T. Ratliff and daughter move but wish them much happiness in their new home at Goldthwaite.

George and Pearl Crawford visited Mr. and Mrs. A. L. Crawford and William G. Sunday night.

Kenny Pruitt visited Donnie Humphries Saturday.

Mr. and Mrs. W. W. Williams visited Mr. and Mrs. J. C. Creek Saturday afternoon.

Mr. and Mrs. V. T. Stevens and the Price children were recent visitors of Mr. and Mrs. Luther Geeslin.

Mr. and Mrs. Ray Duren were guests last Sunday of her parents, Mr. and Mrs. W. O. Oden.

Mr. and Mrs. Mills visited Mr. and Mrs. Truman Vaughan Friday.

Mr. and Mrs. Ernest Baker of Brownwood were recent guests of Mrs. B. F. Humphries.

Mohler Cemetery Working, November 5

There will be an all day cemetery working at the Mohler Cemetery next Tuesday, November 5.

Everyone interested in the upkeep of this cemetery is urged to bring a lunch and tools to work with and help with the work, according to an announcement by Jim Kelly.

Guests in the O. H. Yarbrough home the last few days were his brother, Furman Yarbrough, Galveston, his sister, Mrs. Mary Irby and husband, R. E. Irby, Vidor, and a cousin, Mrs. W. I. Ellington and husband, Eureka Springs, Arkansas, also Mrs. Ben W. Yarbrough, Santa Anna.

58 FORD COMING NOV. 7
Nothing newer

AROUND THE WORLD

The 58 Ford has been proved around the world. This is the most dramatic and most grueling test ever given a new car before its public announcement.

The whole world was used as a test track for the 58 Ford. The car drove through England, France, Switzerland, Italy, Yugoslavia, Greece, Turkey, Iran, Afghanistan, Pakistan, India, Malaya, Thailand, Cambodia, Vietnam, and finally back to the place it started—Detroit, Michigan, U.S.A.

The Ford powered over the great mountain ranges of three continents: from the Alps to the Himalayas and the Rockies. It crossed the great rivers of history: the Thames, the Seine, the Tiber, the Arno, the Tigris, the Euphrates, the Indus, the Ganges.

This car stood at Buckingham Palace, rolled up the Champs Elysees to the Arc de Triomphe, and paused at the Eiffel Tower. It was greeted by the great Paris couturiers at the famous fashion salons where its "sculptured in steel" styling was applauded by the most style-conscious audience in the world.

The 58 Ford rode smoothly down the rugged, beautiful seacoast of Tito's country, to a festival in Dubrovnik, and into Greece to Athens, where this newest classic met such ancient classics as the Parthenon and the Temple of Poseidon.

Into Turkey: and the 58 Ford passed the great white lacework palaces of the Sultans along the Bosphorus and the Golden Horn. Then the Ford went where few but nomads travel, up into the hot days and chill nights of the ancient mountains of Afghanistan. And thence along the route Alexander the Great followed with his chariots to cross the historic Indus river.

On and on the Ford moved, down into the heat of mysterious India, through New Delhi to the Taj Mahal, and to the great pink palace of the Maharajah of Jaipur.

This great new car met the challenge of the monsoons—rains that for centuries have stopped all road movement throughout Indo-China, but didn't stop the 58 Ford. It drove on to Penang in Malaya, and then north to Bangkok.

Further on came Saigon, the Paris of the Orient, at the farthest tip of Southeast Asia. Finally, it powered across the great Rockies and plains of North America and back, at long last, to Detroit, Michigan.

The 58 Ford . . . has been proved and approved around the world. A natural question arises. Why did Ford go to such great lengths with its 1958 model? Why spend so much money and time and go through all the problems of negotiations, customs, border transit, diplomacy in so many countries?

The answer: in the competitive automobile market of today, only the best in all-around value can survive. And this round-the-world test is the most decisive possible demonstration of the best.

The 1958 Ford is value: hard-dollar value. It is also style, power, performance, and a dozen great new features. But above all, it is value.

This is the car you've been waiting for. See it November 7—there's nothing newer in the world than the 58 Ford!

Housing Loans Now Available Through Local FHA Office

Housing loans are now available through the Farmers Administration to eligible applicants for the construction of farm dwellings, other farm buildings, and for operating the farm or according to a statement from Aston W. Cole, FHA Supervisor.

Eligible applicant must:

- own a farm which (a) will use a substantial part of the operator's annual cash income and (b) is large enough to be considered a farm;
- have sufficient farm and family living expenses to pay farm income and meet payment on other debts including the proposed housing loan.
- be without sufficient resources on his own account and to obtain credit needed for the construction, repair or improvement of home

and other farm buildings;

- Have the ability, and experience necessary to carry out planned farming operations and other housing requirements;
- Be a citizen of the United States.

The interest rate on farm housing loans is 4 percent per year on the unpaid principal. Loans are scheduled for repayment within the shortest time consistent with the borrower's ability to repay. In no case will the repayment period exceed 33 years. Each loan will be adequately secured by a mortgage on the farm, subject to any existing prior liens.

The County Committee of the Farmers Home Administration must certify in writing that an applicant is eligible for a loan. This Committee also certifies the normal market value of the farm after the contemplated improvements are made and when necessary the Committee looks over the farm and personally interviews the applicant before making its recommendations.

Application for a farm housing loan in Mills County may be made at the Farmers Home Administration office located in the Court House, Goldthwaite, Texas, on any Tuesday morning, or application may be filed with the Lampasas FHA office serving Mills County located over the Lampasas Furniture Store, Lampasas, Texas.

Library Board Meets Tuesday Morning

The Jennie Trent Dew Library Board met in regular meeting in the Commissioners Court Room, Tuesday morning, at 9:30 o'clock, with seven members present. Mrs. Fred Reynolds, assistant librarian reported the following Memorial Books given this month.

"Through Gates of Splendor," Elliott; "The Man Who Presumed," Farwell; "Below The Salt," Costain; "Sweet Promised Land," Loxalt; "Jubilee," Brick; "The Night Of The Tiger," Dewlin; "Secrets Of Life," Disney; and "The Lindon Johnson Story." Also two books from the Patrick Henry Foundation.

Reading has declined since school began, but the students are using the reference books frequently.

Center Point News

By MRS. RUBY FRENCH

Mr. Walter Hamilton has been on the sick list this week.

Mr. and Mrs. G. L. Spinks visited Mr. and Mrs. L. V. French Sunday.

Mr. and Mrs. Marvin Spinks visited her brother-in-law, Mr. John Shelton, in Lometa Sunday night. He had just returned from a Temple hospital and is not doing as well as his friends would like for him to do.

Mr. and Mrs. Floyd Manuel visited Mr. and Mrs. I. Z. Woodward in Brady Friday.

Mr. and Mrs. Barney Smith and Judy of Abilene and Annie Pafford ate lunch Sunday with Mr. and Mrs. Roger Smith.

Mrs. Dolores Hudson spent Thursday and Friday with her parents the John Waltons.

Mr. and Mrs. Marvin Spinks visited the Pages in Big Valley Saturday night.

Mr. and Mrs. Amos Shelton played dominoes with Mr. and Mrs. Verne French Tuesday night.

Mrs. Floyd Manuel visited her sister, Mae who teaches in Crane, in the home of their mother Saturday.

Six of the club ladies quilted on a pretty Butterfly Quilt at Mrs. Groths last Wednesday. Next club meeting will be with Mrs. Thelma Spinks November 23.

Mr. and Mrs. Roger Smith visited Mr. and Mrs. L. W. Farris Saturday.

Miss Carol Jean Allen has been out of school with the flu for several days.

Mr. and Mrs. J. D. Walton received word that their son, Emory had been transferred from Dallas to Washington, D.C. for a few months.

Mrs. Thelma Spinks visited Mrs. Alma Spinks in Mullin Friday.

Mr. and Mrs. A. K. Shelton visited in the Steve Singleton home Sunday night.

Mrs. Walton and Dolores enjoyed a nice visit with Mrs. John Edlin in Brownwood Thursday.

Halloween Soup Supper At Pleasant Grove Saturday Nite

The Pleasant Grove Home-makers Club will meet Saturday night, November 2 at the Pleasant Grove School House for a "Halloween Soup Supper." Everyone is to bring some soup, and to come dressed in costume or tacky if they wish.

All visitors are welcome to attend this affair.

SOIL CONSERVATION DISTRICT NEWS

By HUBERT BERRY

It is interesting to observe grain crops on farms which have carried out a good conservation program. Grain following a legume crop is doing exceptionally well, while many grain fields are yellow and making very little growth.

Al Langford, just southwest of town on the San Saba highway, likes Austrian winter peas for his soil building crop. He thinks his oat crop is much better as a result of having peas there last year. Al feels that the peas supplied the much needed nitrogen to produce a good grain crop.

I was talking to Jack Hagler of Burleson who is a field representative for the dairy association in the vicinity of Fort Worth. He told much the same story about grain up there. The question arises again, is moisture all that we need to farm and ranch profitably?

Farmers and ranchers who either deferred or properly used their grass land this summer are reaping the results. Ray Standley told of losing only a small amount of clear water during recent rains on land which was deferred.

Conservation practices installed since last report are:

- Farm ponds—Orville Evans, Floyd Daniel, and A. L. Reese.
- Terraces—C. F. Noack and C. F. Jeske.
- Diversion terraces—L. B. Burnhama, Wilford Schuster, and Frank Kerby.
- Waterway—Harold Johanson.

News From Your COUNTY HOME DEMONSTRATION AGENCY BY LUCY MAE BURRUS Next week I shall be attending an upholstery school at Tarleton State College conducted by Federal and State specialists in home management. This school is to last from 8:30 Monday morning, November 4th until the afternoon of November 7th.

Attending this workshop will prepare me to give training to women of Mills County on re-finishing and reupholstering furniture beginning next January. If you are interested in the work contact me and I shall be glad to give you more particulars.

The Girls 4-H Clubs are again organized for the school year. They chose to continue their work with foods; begin the study of the bedroom, and have a clothing workshop in June for the ones that are especially interested in clothing.

Officers were elected at each club. The club presidents are Mildred Spinn, Priddy, Sherrie Cooksey, Mullin, Vereta Nell Alexander, Star and Sandra Arnold, Goldthwaite.

The girls and I need 4-H leaders to help with the clubs. Without local adult leaders, the girls will get only half of the programs planned for their benefit for the coming year. If you are at all interested, will you please contact me and I will give you more particulars.

Perhaps you have wondered about the way to sow seeds from the nandina bush to produce

Mrs. E. R. Bruce Reviews Book At W.S.C.S. Meeting

The Dorcas and Susanna Circles of the Womens' Society of Christian Service of the First Methodist Church met in joint session in Fellowship Hall, last Tuesday afternoon.

Mrs. E. R. Bruce gave an interesting review of the book, "Christ, the Church and Race." Race in the Scriptures were noted only as contests in speed. All nations are made of one blood. Church members are thinking more seriously of the vital present issue and settling their doubts according to Divine teaching.

The worship center consisted of a lighted church with representatives of the four races present. Mrs. Bruce had on display a very appropriate poster of colored hands.

Twenty three members of the two circles were present and enjoyed the review. Other ladies are invited to take part in the womens work of the church.

more plants? I found the article while I was reading of my magazines: "The common forms of plant (nandina) are produced readily from seed. Seeds now, crush lightly remove most of the flesh covering. Place in a box containing layers of seed and ending with a layer on top. Place the box for the winter. In early plant seed about 1/2 inch good soil. The seed bed be in a partially shaded tion."

"Pick-Ups" Changes Made In Auto Inspection

LEMON SQUEEZER
Homer Garrison, Jr., Director of the Texas Department of Public Safety, announced today a change in motor vehicle inspection regulations so as to no longer require the removal of a wheel in order to inspect the brakes of vehicles.

In an effort to prevent accidents which might occur due to brake failures, the Department's earlier regulation had required that the wheel be removed for the principal purpose of determining the percentage of thickness of the remaining brake lining. Inspection stations found difficulty in making these inspections due to the fact that there was no accurate way of determining the original thickness and the decision in each case was left to the inspecting mechanic who had no satisfactory guide to follow.

The change in regulations, which resulted from action of the Public Safety Commission, does not affect the remainder of the inspection of brakes, which will still be required to have the performance ability required by statute.

Mills County Bond Sales Are Over 1957 Goal

Sales of E and H Savings Bonds in Texas for September were \$14,626,577. This represents an increase over August sales of more than one million dollars, Mr. Nathan Adams, Chairman and Mr. Ed Gossett, Co-Chairman of the State Savings Bonds Committee announced today.

Sales in Mills County amounted to \$152,973, for the nine month period, which was 113.2 per cent of the 1957 goal, according to W. P. Duren, Chairman of Mills County.

"I am sure that if every citizen of Mills County will buy an extra Savings Bond during 1957 our county will reach its goal. There is no safer investment than U.S. Savings Bonds, since both the principal and interest are fully guaranteed by our Government," Chairman Duren concluded.

Circus Theme To Be Feature Of Mullin Halloween Carnival

Mullin P.T.A. will present its annual Halloween Carnival, Friday night, Nov. 1. The Carnival will be divided into three parts. From 5:30 until 6:30 p.m. the P.T.A. will serve a Chili and Stew supper in the Mullin Lunchroom.

The Carnival Booths, sponsored by each class, will open at 6:30 p.m. Among the booth attractions will be cake walk, concession stand, bingo, country store, grab bag, fish pond, pony ride and pull a string.

Climax to the evenings' entertainment will come at 8:00 p.m. when Coronation of Grammar and Senior School Queens will take place. Following the Coronation members of the student body will present a program centered around the Circus theme.

If the flu continues to spread in Mullin and School is forced to dismiss the Carnival will be postponed until a later date.

Cemetery Working At Center City

Officers of the Center City Cemetery Association wish to notify all interested parties that Monday, November 4, has been set for a date to work the cemetery. All who can work are urged to be present and bring tools, especially those who have power mowers.

We hope to get the entire grounds mowed, sunken graves filled and some more leveling done, according to an announcement by Walter Tubbs, Secretary.

Final Rites For Mrs. W. B. Potter This Afternoon

Funeral services for Mrs. W. B. Potter will be held at the First Methodist Church of Goldthwaite this afternoon (Thursday) at 3 o'clock. Burial will be in Goldthwaite Memorial Cemetery.

Mrs. Potter passed away Wednesday morning at the home of her daughter.

Mr. and Mrs. H. L. Daniels visited relatives in Gustine Sunday afternoon.

DRY GOODS

"SINCE 1898"

ABOUT YOUR HEALTH

A weekly public service feature from the Texas State Department of Health. HENRY A. HOLLE, M.D., Commissioner

AUSTIN—One of the paradoxes of civilization has been that each advance in technological know-how that contributes a benefit to mankind usually brings with it some new problems to be overcome.

Unfortunately, many things that contribute to mankind's progress also pollute the air he breathes.

All fuels consumed for heat and power, gases that propel vehicles, spinning tires, construction, rock-crushing, grading, chemical processing, incinerators, pollens from weeds, and other sources are continually adding to the contamination content of the air above areas of industrial concentration.

Air pollution is a problem of all modern communities, regardless of size. Nearly every contaminant that is put in to the air causes some form of damage or hazard even many miles from its source.

It is for this reason that every resident of an industrial, urban and rural community should have keen interest in the control every source of air contamination in his municipality.

Air is our most important resource, basic not merely to health but to life itself. Great strides have been made through research to identify sources of dangerous air pollution.

Reduction of contaminants discharged into the air by industrial plants is one of the major contributions of the Air

Pollution Control Association, sponsor of the nation-wide Cleaner Air Week activities, October 20-26.

This has been effected through installation of a variety of dust and fume collectors, industrial stokers, overfire jets and an assortment of other devices.

While United States industry spends upward of \$120 million annually on pollution control equipment, many sources of air contamination can be corrected at little or no cost.

Over-abundance of smoke is frequently the result of carelessness and indifference on the part of householders, janitors, railroaders, and other persons involved in the operation and maintenance of power or heating equipment. High weeds and grass produce pollens.

Regardless of what type of fuel is used—whether it is coal, oil, wood, or gas—human failure usually creates the smoke with its resultant air pollution.

MR. MRS. WANDLE DYCHES INJURED IN CAR WRECK

Word has been received here that Mr. and Mrs. Wandle Dyches of Odessa were seriously injured in an automobile accident near Dallas last Friday night. Mr. Dyches suffered a crushed hip and a back injury, while his wife was less seriously hurt. She will be able to leave the hospital in a few days. Mr. Dyches is the son of Mr.

Choose from by stripes with button down collars or bold, bright patterns in regular sport collars. Impeccably tailored of fine sanforized cotton flannel. Sizes 14 to 18.

and Mrs. Hillard Dye Breckenridge and the ne Mrs. Ada Dunkle and Me Traylor of this city of Mr. Dyches' parent born and raised in Mills and Wandle is well known having visited often. Mrs. Dunkle left Wednesday morning for Dallas to be for Wandle.

Mrs. A. L. Oliver has ed home after being of the bedside of her sister Rouse Piel of San Ang was seriously injured in accident Sunday morning ober 13. At last report improving satisfactorily.
