## Poll Tax Deadline Is Tomorrow

### School Trustee, City Councilmen, And General Elections Scheduled

Tomorrow, January 31, is the last day on which Mills County residents may purchase their poll tax or get their exemption and be qualified to vote in the forthcoming elections this year. They are the city and school trustee elections in April, the primaries in July and August and the general election in November.

Mills County is no exception this year. Poll tax payments have been slow and unless there is a heavy demand for poll tax receipts today and tomorrow there will very likely be a good many citizens who will wake up later this year and find they are not qualified to vote.

year are councilmen, R. L. Steen, Houston Duren and Joe S. Langford, and Mayor Wm. G. Yarborough.

#### MAYOR WILL NOT SEEK RE-ELECTION

Mayor Wm. G. Yarborough, who has served two terms in that office, has informed the Eagle that he will not be a candidate for re-election to the office of mayor this year.

In making the announcement the Mayor stated that he has served the city as Mayor for two terms and he feels that is long enough. He said: "I have tried to serve to the best of my ability in trying to do what I felt the citizens and taxpayers wanted me to do and I feel it is time for someone else to have the office."

When asked whether he had any other political aspirations, Mayor Yarborough said he had no specific announcement to make at this time, but, he may have in the near future.

#### Eaglettes Win 4th District Game, 37-32

By BELINDA WHITLEY

The Goldthwaite Eagles and Eaglettes traveled to Cross Plains January 28 for their fourth district game of the season. The girls won their game with a score of 37-32. Addie Jo Conrad was high point girl with 26 points and Maria Eubank was second highest with nine points.

This was the girls' fourth win in the District 9A race.

The boys' game got off to a slow start but proved to be quite exciting and ended with a score of 52-49 in favor of Cross Plains. Jerry Knight was high point man for the Eagles with 27 points. In the last quarter, some very fine team work was displayed.

Next game will be on the home courts when the Eagles and Eaglettes will again be competing with Santa Anna.

#### SCHOOL TRUSTEES

School trustee election will be held on Saturday, April 5. Two trustees are to be elected in each of Goldthwaite, Mullin, Priddy and Star districts. All for a three year term.

Three trustees are to be elected for the county school board. They will represent precincts 1, 2 and 4 and will serve for a two year term.

#### CITY ELECTION

The city election will be held on Tuesday, April 1. City voters will elect a mayor and three councilmen, all for a two year term.

Members of the city official family whose term expire this

Dana Saylor of Lexington, Kentucky, spent part of this week with his parents, Mr. and Mrs. Lincoln Saylor and family.

Charles Murray Davis visited relatives here Monday.

### Youth-Led Revival Begins Tonight At First Baptist Church Here

The youth revival being sponsored by the youth of the First Baptist Church will begin tonight at 7:30 p. m. There will be prayer services beginning at 7:00 p. m. The theme of the revival is "I'd Rather Have Jesus." The youth of the church will be in complete charge of the services. They will lead in the music, ushering, and the testimonies. The preacher for the revival will be Farrell Fisher, star halfback on the Baylor University football team. The song leader will be Larry Hickman, one of the leading ground gainers in the Southwest Conference last year.

The service tomorrow night will be at 5:30 p. m. due to the basketball game to be played here between the Goldthwaite Eagles and Santa Anna. The service on Saturday night will

be at 7:30 p. m. Services on Sunday will be at 11:00 a. m. and 7:30 p. m. There will be fellowships following each evening service. There is a breakfast planned for the young people on Saturday morning.

Although this is a revival led by the youth, all are invited to attend the services. The schedule for the testimonies will be: Thursday night, Phillip Edgington and Judy Long; Friday night, Aubrey Hillman and Pamela Berry; Saturday night, Odena Ward and Maxine Loudamy; Sunday morning, Betsy Glass, Jerry Skiles and Tilmon Kirby; Sunday night, Johnny Beth Elliott and Billy Roy Gholson. Everyone is urged to attend. The young people are planning and praying that all of Goldthwaite will feel the impact of this youth revival.

W. O. KEMP

Announcement was made late Tuesday afternoon of the appointment of Mr. W. O. Kemp as the new Gulf Consignee of this area.

Mr. Kemp is well known to all the people of Mills County, having been in the general bulldozing and ranching business in the county for a number of years. He succeeds the late Mr. Marvin Hodges, who was distributor here from December 1, 1931 until his death December 30, 1937.

Mr. Kemp states that he will endeavor to serve the residents in using his full line of Gulf Products through direct farm service or through the retail Gulf Service Stations or other retail establishments. The office of the Gulf Distributor will remain in the same location and there will be no change in warehousing. The same personnel will be retained.

Roger Sanders, 17, son of Mr. and Mrs. Glynn Sanders of Mullin, is pictured with his Hampshire wether, which took first place in the "other breeds" class of the Junior Lamb Show at the Southwestern Exposition and Fat Stock Show in Fort Worth.

With Roger are A. R. Whisenhunt, center, his vocational agriculture teacher, and Don Winfrey of Fort Worth, a representative of American Cynamid Company. The company gave Roger a certificate for the purchase of a purebred ewe as a special award.

Roger is a member of the Mullin FFA Chapter and was a district FFA Officer for two years. He plans to attend A&M College and major in agriculture.

#### Weather Report

According to an official report from Harry Allen, a total of .67 inch of rain fell here on January 23. This brings the total rainfall for the month of January to 2.12 inches.

DR. T. C. GRAVES

Graves, E. B. Gilliam, Jr., C. H. Maguire, Jr., C. D. Owens, Lucius M. Stephens, N. E. Stockton and Dr. J. C. Terrell.

Officers of the Mills County State Bank are as follows: Dr. J. C. Terrell, Chairman of the Board; W. P. Duren, president; N. E. Stockton, vice-president; Glynn Collier, vice-president; E. D. Hamilton, cashier; R. E. Casbeer and V. L. Williams, assistant cashiers.

### Annette Duncan And Roger Sanders Get Special Junior Show Awards

Fort Worth, (Spec.)—Two members of the Mullin FFA Chapter — champ exhibitors Roger Sanders, 17, and Annette Duncan, 13—got some special junior show awards at the Southwestern Exposition and Fat Stock Show last week that fitted right in with their plans to pay their own way through college.

Annette, daughter of Mr. and Mrs. Taylor Duncan, had the top lamb in the junior show fine wool class, a Delaine Merino—and her entry went on to the fine wool lamb championship in the open competition.

Roger, son of Mr. and Mrs. Glynn Sanders, had the top lamb of the junior show, a Hampshire, in the "other breeds" class and went on with it to the medium wool lamb championship in open competition. Roger also had the second place animal, a Shropshire, in the other breeds division of the

junior show. In addition to show ribbons and cash awards, the Mullin FFA youngsters each received a special \$60 certificate, good toward purchase of a purebred ewe of the winner's choice of breed. The special awards were provided by the American Cynamid Company and presented by Don Winfrey of Fort Worth, a company representative.

Annette said she'd use her certificate to add to her flock of Delaine Merino ewes. "I'm trying to accumulate enough ewes so that I can fall back on them and go to college," she explained. She hasn't decided which college, but she wants it to be co-ed. She now has 8 head of fat show lambs and 20 other head of registered Delaine Merinos.

Roger said he would trade in his certificate on a Suffolk ewe.

### New 1958 Auto Registration Tags Will Go On Sale Saturday, Feb. 1

New license tags for 1958 cars, trucks and trailers, will go on sale at the office of tax assessor-collector at the Mills County courthouse starting Saturday morning, February 1.

Your county tax collector is required under the law to examine the Title and License Receipt, before he can renew the registration of your car, according to an announcement by C. F. "Stub" Stubblefield, tax assessor-collector. Therefore, all auto owners should

bear this in mind and bring their certificates and last year's license receipts with them when they come after their new tags. This will save the office staff time spent in looking up your receipts and will eliminate a long wait for the purchaser. The new license plates this year will have a black background with white numerals, it was announced this week. Fees will be up 10 per cent this year on license plates from previous years.

## PRICED OUT OF THE MARKET

The National Association of Manufacturers recently held a convention in New York. According to a Wall Street Journal report of the proceedings, "Most of the nation's industrialists seem to be planning to hold a damper on their prices this year." Some are seeking ways to lower prices, or to offer more for the same price. This isn't because industrialists are any more public-spirited than the rest of us. It is because danger signs have appeared in the form of consumer resistance and tougher competition. In other words, producers don't want to be priced out of the market.

The AFL-CIO big union held its convention in Atlantic City at about the same time. A proposal from one delegate that labor hold the wage line was buried under denunciations. Following that, the AP reports, a unanimous vote was given to " . . . a resolution making 'sizable' wage boosts, a shorter work week and fringe benefit improvements their 1958 collective bargaining policy."

We have yet to see what the fruits of this policy will be. But one thing is sure—labor can be priced out of the market, with soaring unemployment as the result, just as surely as can industrialists. Will the labor bosses have to learn the hard way that buyers of a product or a day's work can't be forced to consume or employ beyond their ability to pay?

## IN THE AMERICAN TRADITION

The Emporia Gazette, the late William Allen White's famous paper, recently carried an editorial on the passing of a great lady—and on a family that stands for what is best in the American tradition.

There were three—the lady, her husband, and her husband's brother. As the Gazette puts it: "Together they rose to a financial pinnacle in the cattle business." The husband was a shrewd judge of cattle and an accomplished executive, though he had gone only through the fourth grade. The brother " . . . had few equals and no peers in fitting and finishing cattle." The lady herself kept the books, and was homemaker and hostess. And it was her financial records, in inconvertible black and white, that separated the good projects from the bad.

These cattle people were individualists, in the old and honorable sense. And the work to which they devoted their business lives, it is pleasant to report, remains an individualistic one. There is no government paternalism in livestock production. There are no government controls or allotments of subsidies. And, to the vast credit of the ranchers and farmers who deal in livestock, they and their associations have voted time and again against turning to government for favors and assistance.

## GRASS ROOTS OPINION

LIBERAL KAN., DAILY TIMES: "The laxity of people here to sign complaints once a law breaker is apprehended by officers, and likewise of our courts to dish out strict sentences, seems to be popping up in these parts again. If such keeps up, we can expect the crime wave to flourish to new heights. Think it over!"

CUERO, TEXAS, RECORD: "Jules Verne wrote about space travel back in 1865 and predicted that the Americans would be first to reach the moon, and the Russians second. If it works out that way, we'll forgive and forget those sputniks."

PILGER, NEB., ENTERPRISE: "How wonderful would be this world we live in if we could all keep Christmas in our hearts—all year round; if we could fill our hearts with love and do away with hatred and intolerance; if we could replace the yearning for the gold and pleasures of the world with the virtues of faith and moral courage."

RAYNE, LA., NEWS: "Basic research is the quest for fundamental discoveries which can open broad new pathways for technical advancement and human betterment. It can be carried on in the laboratories of government and industry. But it is best conducted in the atmosphere of dedicated free inquiry which prevails in our colleges and universities."

BALTIMORE, MD., DAILY RECORD: "It is obvious that competition in all lines is growing keener. This puts a new premium on good selling, good public relations and a keen analysis of the market in which we operate."

## IT'S THE LAW in Texas

### INSURANCE LAWS STRENGTHENED

The last Regular Session of the Texas Legislature passed a law (Articles 1.02 to 1.09, inclusive, Insurance Code), establishing a 3-man State Board of Insurance with a single Commissioner of Insurance as the administrative head. This regulatory set-up replaced the Board of Insurance Commissioners of Texas.

The old law provided that neither the actuary, examiners, or assistant examiners working under the Board of Insurance Commissioners should continue in office if they accepted directly or indirectly any employment, pay, compensation or gratuity from any insurance

Miss Laura B Milligan, B. F. Chesser and Miss Kate Brockenbrough.

Up to the time the Eagle went to press yesterday afternoon, 6,144 bales of cotton had been received at the public yard in Goldthwaite. On the same date last year 9,181 bales had been received.

John J. Bush and Miss Bertha Gaines were married in the parlor of the Oriental hotel at Del Rio Thursday, January 23, at 7:30 o'clock. They were attended by Miss Mary Cunningham and Elmer Johnson. The bride is a daughter of Mr. E. P. Gaines of Del Rio and Mr. Bush is a son of Capt. D. T. Bush of Caradan.

Mrs. Edna Carroll of Washington County, Arkansas, is in this city visiting her relatives, Mr. and Mrs. Hugh Carroll.

R. S. Crain enters upon his duties as manager of the Jackson-Hughes Company's business at this place today and W. B. Jackson who has been manager of the business for a long time, retires. Mr. Crain has been with the company a number of years as bookkeeper and has lots of experience in the hardware business.

company. (Article 1.17, Insurance Code.) Except for the general law against bribery, dismissal from duty was the penalty and such penalty apparently did not apply as against Board Members.

The law establishing the new State Board of Insurance makes it a penitentiary offense for any member of the State Board or the Commissioner of Insurance or any employee to accept anything of value or sell to or buy from any insurance company or its agents anything of value. The insurance company representative is also guilty of a penitentiary offense if he proposes any such forbidden act. (Article 1.09-3, Insurance Code.)

To further strengthen the penal (criminal) laws, provisions were added (Articles 21.47 and 21.48, Insurance Code) that every report or document required to be made or filed under the Insurance Code should be verified by a written declaration that it is made under penalties of perjury. Any person willfully making such a report or document falsely shall upon conviction be fined the sum of \$5,000.00 and imprisoned for not less than two, nor more than five years.

New powers were also given for regulating life insurance policies. Heretofore the law provided for the filing of life insurance policy forms and required that certain provisions be included and others be prohibited. (Articles 3.43 to 3.45, inclusive, Insurance Code.) When those "do's" and "don'ts" were met, the Board had little

or no authority to disapprove other policy provisions.

The new law (Article Insurance Code) places duty upon the Insurance Commissioner to disapprove an insurance policy and to draw any previous approval "it contains provisions which encourage misrepresentation, are unjust, unfair, inequitable, misleading, deceptive or contrary to law or to the policy of this State."

Some time ago there was a model law for presentation to the Legislatures of various States to prohibit fair competition and deceptive practices in the insurance business. Laws patterned after uniform or model bill have passed in a number of States. Texas passed such a law at last Regular Session, which quite comprehensive in its regulation of the advertising sale of insurance. (Article Insurance Code.)

Home Demonstration Programs for February: The Clothing Leaders from the clubs have received training on "Choosing Clothing Accessories" which is to be given at the Leader Meeting in February, which is February 27 for the Center City Club, February 25 for Goldthwaite Club and February 13 for the Mullin Club. These programs should be interesting and helpful in choosing correct accessories for the coming season.

WHAT SHAPE IS YOUR FACE? The shape of your face determines to a great extent what necklines, hairdos and hats are most attractive to you. The shapes are oval, round, square, oblong, diamond, pear-shaped or heart shaped.

To determine the shape of your face: Take a ruler and stand in front of a mirror. Have

a large piece of paper and a pencil handy. Draw your hair back from the hair-line. Measure the distance from your hair-line to the tip of your chin, straight down over your nose. Draw a vertical line on the paper this length. Now measure the width of your forehead at its widest point. Draw a line at right angles to the length line, and the proper distance down from the hairline with exactly half of the measurement on each side of the vertical line. Measure the width across your cheekbone and draw a similar line. Do likewise with the width across your jaw. Now draw a line around the outside of these four guide lines. This is the shape of your face.

The oval shape is considered the ideal shape. The other shapes can be made to appear more oval by artful use of hair-do's, cosmetics, necklines, and etc.

## 'Mrs. America' Contest Entry Forms Are Now Available At Gas Company

Valuable prizes will go to regional, state and national winners in the 1958 "Mrs. America" contest to find the "Nation's No. 1 Homemaker." The prizes range from a year's supply of canned food products to a \$6,000 swimming pool complete with a gas water heater.

The contest is being conducted in Texas by the Lone Star Gas Company and three other gas companies. Entry forms containing complete contest rules are available at Lone Star offices and participating gas appliance dealers. Midnight of March 15 is deadline for entering the national homemaking competition.

Regional eliminations for contestants in Lone Star's operating territory will be held in Dallas, Fort Worth, Abilene, Waco and Greenville the first week in April. The regional winners will compete in the state finals April 14-15 at Galveston in the Galvez Hotel.

Each of the Lone Star's five regional winners will receive a top-of-the-line deluxe gas range and such other prizes as local merchants may give. Runners-up will get a \$25 United States Savings Bond.

Winner of the State finals will be crowned "Mrs. Texas." She and her husband will be given an expense paid trip to the national finals at Fort Lauderdale, Florida, May 1 - 13, where she will compete with winners from the 47 other states and the District of Columbia for the "Mrs. America" title.

Other prizes going to "Mrs.

her year's reign as "Mrs. America" she will be paid \$100 per day and expenses for personal appearances.

## Wool And Mohair Producers Reported In Better Position

"Wool and mohair producers in Texas are in a better position today in some respects than they were a year ago," says T. A. Kincaid, Jr., Ozona, president of the Texas Sheep and Goat Raisers Association.

"This fact prevails even though considerable tonnage from the 1957 clip remains in warehouses," Kincaid said just after returning from Phoenix, Arizona. He headed the Texas delegation of about 50 growers to the 93rd annual convention of the National Wool Growers Association there.

Kincaid remarked that because of heavy rains late last spring some of the 1957 fall mohair carried a considerable amount of defect and due to that defect some of it has been selling under 70 cents per pound.

"Mohair has been included in

THE GOLDTHWAITE EAGLE—MULLIN ENTERPRISE Page 5  
Goldthwaite, Texas, Thursday, January 30, 1958

the incentive payment program the same as wool," he said, "but no incentive payment has been made because overseas markets in 1955, 1956 and the spring of 1957 kept the average price above the incentive level of 70 cents."

Sale of 2 or 3 million pounds of defective mohair at less than the support level might contribute to an incentive payment being made in 1958. The 1958 wool and mohair marketing year begins on April 1.

"I feel that most of our growers would not want to deliver mohair sold for less than the support price before April 1 if there was a chance of an incentive payment being made in 1958," Kincaid added.

Mrs. R. S. Mote had as her guests last week her brother, E. K. McNeil of Toppenish, Washington, and a sister, Mrs. C. E. Eakin of Moody, and her grandson, Billy Eakin of Garland.

## Clementine Wilmeth Briley Writes From Temporary Home In El Paso

By CLEMENTINE WILMETH BRILEY

The weather still seems to be prominent in the news. This week we've had as many as three in a row, cloudy, rainy days, with a cold wind blowing, and very cold at night. Wednesday evening for awhile big snowflakes fell thick and fast, but melted as they fell. Happiness mounted when the sunshine greeted us yesterday (Thursday) morning. I could work in the yard some in the afternoon. I found one large, beautiful pansy bloom. Last night the radio said snow was falling almost everywhere except in El Paso. Highway 90 out of the Davis Mountain area was closed on account of deep snow. I'm wondering how cold it might be at home.

We had the Western Auto Auditor for dinner Sunday. Mom got two fat fryers Saturday, and they made an inviting dish, piled high, brown, and delicious. We still had Christmas fruit-cake, and there was that fresh coconut cake I had made for the Reeves kin. But Mr. Tank went light on dessert. Said he had to watch his weight. He is 25 and very nice looking. Has a wife and three children. He was a pleasant guest. He didn't get through with Bill's store until about the middle of the week, and then the credit man showed up.

This is the end of the first

school semester, and Mom—as well as all other school teachers—is overrun with report cards and many other end-of-the-semester duties.

A letter from Ruth this week enclosed a lot of pictures. Family groups and special groups made during the holidays. It was the next best thing to seeing them. Their entire family now numbers twelve. Little Larry Don displayed a look of animated interest and wonder.

Ruth said they didn't have to go to the woods this year for their Christmas greenery. Their big holly tree, bright with red berries, right in their back yard, and their tall, young pine, together with the pyracantha, furnished all they needed. She spoke of rain the night before—and the radio keeps saying almost everyday, "Rain at Beaumont." She brought the morning paper into the kitchen and opened it, and out jumped a little frog.

Two police cars, not far apart, were parked out in front of our house yesterday. They were checking the traffic on busy Delta Street. Johnny was really interested. He walked on the sidewalk near them. He said he could hear them talking over their radio to headquarters, and he saw them giving a man a ticket. Consequently he kept coming in and giving his Granddad and me each a ticket. He said it was for speeding and for each of us to go to the City Hall.

Mr. and Mrs. Alva Hallum of Brownwood visited her parents, Mr. and Mrs. Wilford Gray, last Sunday.

NELDA JEAN SHERWOOD

was elected FFA Sweetheart by members of the Goldthwaite Chapter at the regular meeting held last month, in the Agriculture Building.

Nelda Jean is a senior in Goldthwaite High School and will represent the Goldthwaite Chapter in the FFA Sweetheart contest in area seven. Goldthwaite Chapter is in the San Saba Area.

She is the daughter of Mr. and Mrs. W. C. Sherwood of Goldthwaite.

## Dun & Bradstreet Report Shows Decrease In Business Firms Here

Statistics released today by Mr. A. J. Hemphill, district manager of the Fort Worth office of Dun & Bradstreet, Inc., reflect a decrease in the number of business firms in Mills County during the past five years. Figures obtained from a physical count of the Dun & Bradstreet Reference Book for November, 1957, totaled 97 manufacturers, wholesalers, and retailers in this area as compared to 115 listings in 1952—a decrease of 15.7% for the period.

Using the Dun & Bradstreet Reference Book listings as a guide, it is interesting to review what has happened in the four principal Mills County communities during the past five years:

Listings in Nov. 1957	Listings in Nov. 1952	%
Priddy	11	11
Mullin	8	15 -46.7
Star	5	5
Goldthwaite	37	84 -13.1

The Reference Book, incidentally, only lists manufacturers, wholesalers, and retailers. It does not include some of the

service and professional businesses such as barber and beauty shops, stock and real estate brokers. Thus the figure for business in Mills County would actually be higher than the 97 quoted above.

Mr. Hemphill also added that during the past year 55 changes were made in the Reference Book listings of Mills County businesses. The Reference Book contains approximately three million business listings for over 50,000 communities in the United States. It is published every sixty days to keep listings current. During the past sixty days nearly 63,000 new names were added and nearly 60,000 names were removed. Credit ratings were changed during this period on more than 100,000 business concerns.

## Last Rites For Edward H. Sullivan Conducted Here Friday Afternoon

Funeral services for Edward Henry Sullivan of Dallas, were held in the Assembly of God Church of Goldthwaite, Friday afternoon, January 24, at 3:00 o'clock. Services were conducted by Rev. Bedford Renfro, pastor of the church.

Mr. Sullivan was born November 16, 1881 in Johnson County, Texas, son of the late Wiley N. Sullivan and Laura Steele Sullivan. He passed away in a hospital Tuesday, January

22, 1958. He was in the drug business in Dallas for 35 or 40 years. As a young man he worked in Clements Drug Store in Goldthwaite.

He was married to Drusy Miller in Dallas in 1921.

Survivors are three children, Miss Mary Jane Sullivan, New York City, New York, Mrs. Clifford Miller, Juneau, Alaska, and Bob Sullivan, Dallas; two grandchildren; two sisters, Mrs. Marvin Atnip of Dallas and Mrs. Elmer Scooby of Goldthwaite; two brothers, Fred Sullivan, Goldthwaite and Charles Sullivan of Campbell, California.

Pallbearers were Jim Kelly, J. H. Saylor, Scott Thompson, W. P. Woody, Dow Hudson and Loy Long.

Funeral arrangements were under the direction of the Roy Wilkins Funeral Home with burial in Goldthwaite Memorial Cemetery.

Mr. and Mrs. Gordon McCann and daughters, Camille and Cindy, of Lometa were guests Sunday of Mr. and Mrs. John A. Hester. They also attended services at the First Methodist Church Sunday evening.

## 1958 Wool Incentive Program Announced Through ASC Office

1958 wool incentive program recently announced by the U. S. Department of Agriculture will be similar to the

program in effect during the current marketing year, according to Lee W. Tabor, Mills County Agricultural Stabilization and Conservation Committee, office manager.

As announced earlier, the shorn wool incentive price in

1958 will be 62 cents per pound, as during the past three years. The payment rate for shorn wool will be the percentage required to bring the national average price received by all producers for sales during 1958 marketing year up to the 62-cent incentive level.

Producers who market wool during the 1958 marketing year will be eligible for a payment which will be an amount equal to the percentage rate times the proceeds from the sale of their wool. Payments will be made on the 1958 wool in the summer of 1959, when the tabulation of producer returns is completed.

Mr. Tabor urges wool producers to get the best possible price for selling their wool. This is important to the grower because, under the percentage method of payment, the higher the price the individual producer gets for his wool in the market, the larger his incentive payment is. This method is designed to encourage producers to do the best possible job of marketing their wool.

The payment method on lambs under the 1958 program will also be the same as under the current 1957 program. Each producer who owns lambs for 30 days or more and sells the lambs unshorn will be eligible for a payment. The payment will be made on the weight increase of the lambs during the period of each producer's ownership.

Payments to producers who buy unshorn lambs and then shear them will be subject to a downward adjustment in any shorn wool incentive payment they apply for. The payments on unshorn lambs will be a fixed rate per hundredweight of live lambs sold.

Mr. Tabor again reminds wool growers "to keep all sales records in a safe place." The accounts of sale must have the information needed to support the producer's payment application.

OUR SOIL ★ OUR STRENGTH  
BY HUBERT L. BERRY

At this time each year, it is opportune to go over accomplishments of the District for the preceding year to see where improvements can be made. Also to give recognition to those groups and individuals who have helped promote conservation of our natural resources.

The Brown-Mills Soil Conservation District has taken the lead in furthering soil, water, and plant conservation. They have sponsored grass contests, conservation field tours, and have helped the Bennett Creek watershed committee in an advisory capacity. Under their supervision, the Goldthwaite Work Unit Staff of the Soil Conservation Service accomplished the following conservation practices: contour farming 1,167

acres; cover crops, 2,865 acres; crop residue utilization 4,998 acres; rotation hay and pasture (perennial grass) 1,573 acres; brush control 2,944 acres; deferred grazing 20,063 acres; proper range use 29,212 acres; range seeding 144 acres; fish pond improvement 36 ponds; wildlife area improvement 223 acres; Diversion construction 7 miles; improved water application (irrigation) 10 acres; Land leveling 10 acres; pond construction 46 ponds; terracing 21 miles; waterway development 17 acres. Also basic conservation plans were written on 71 farms.

The Goldthwaite Eagle put out a 20-page special conservation edition, almost all of the schools taught conservation in their classrooms, the Lions Club has actively encouraged conservation, the Garden Club held a special program on conservation, several churches observed Soil Stewardship Week with sermons on conservation, the

Mills County State Bank has cooperated with the District on conservation matters, and the San Saba Production Credit Association has helped in furnishing awards for contests.

Soil Conservation District Supervisors, Ernest Kohler and Don Geeslin, as well as ex-supervisor David Watters, would like to join the Staff of the Goldthwaite Work Unit in thanking every organization or individual who helped the District in accomplishing their motive of conserving America's greatest natural resource, "the Soil."

Miss Peggy Blackwell, a student at TCU in Fort Worth, spent the past weekend at home with her parents, Mr. and Mrs. Hollis Blackwell and Bill.

The boy with the biggest inheritance in town

**The story of the gift that took a lifetime to make...**

Like all grandfathers, he thinks the world of his grandson. Like all grandfathers, he'd give him the world, if he could. And, in a way, that's what he's done during all the rewarding times they have always spent together. He has tried to give his grandson a gift that will last the boy a lifetime, a gift that has been a lifetime in the making.

Faith . . . Faith that has been the strength and nourishment of his own life . . . that's what he has tried to show the boy, day by day. Faith in God, in himself,

in his parents, in the town they live in, in the people he calls his neighbors. And so, every week, you'll see them, grandfather and grandson, worshipping with the rest of the family, at their church.

If you would like to leave as much to your children and to your children's children . . . remember this: *only if you yourself have Faith, can you hope to give it in any measure.* Begin this week to find the Faith for your life. Worship with all the family, at your Church or Synagogue.

*Find the strength for your life . . . worship together this week*

### Hillside Mission

By LIDA BYRNE

Do we pay for all our sins? Our Lord Jesus Christ says in St. Matthew 5:18: "For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled."

If we want God's help what first shall we do? The Bible says in St. Matthew 6:33: "But seek ye first the kingdom of God and his righteousness; and all these things shall be added unto you."

### Ira O. Harvey, Former Resident, Buried Here Thursday Afternoon

Funeral services for Ira O. Harvey of Fort Worth, formerly of Goldthwaite, were held in the First Baptist Church of Goldthwaite Thursday afternoon, January 23, at 2 o'clock. Services were conducted by Rev. Pres-nall H. Wood, pastor of the church. Mr. Harvey was a non-resident member of the First Baptist Church of Goldthwaite.

Mr. Harvey was born in Lampasas County, August 19, 1884 and passed away at his home in Fort Worth Tuesday, January 21, 1958. He moved to Goldthwaite with his family in 1916, from DeLeon, Texas. He was a rural route carrier in Mills County for 30 years, moving to Fort Worth after his retirement.

On April 3, 1907 he was married to Miss Martha Bibby at Eastland.

He was preceded in death by his wife and a son, Earl Harvey.

Survivors are a daughter, Mrs. Lilla Boogher, Fort Worth; two sons, W. J. Harvey of Fort Worth and Omer Harvey, San Antonio; three granddaughters, Mrs. Patricia Cassidy of California, Martha Lee and Carol Lynn Harvey, San Antonio; two grandsons, Richard and James Harvey, Fort Worth, and two great-granddaughters in California; two brothers, Roy Harvey, DeLeon, and Otis Harvey of Vernon; and a multitude of friends.

Pallbearers were Wallace Johnson, Ray Duren, Dow Hudson, W. P. Woody, Julian Evans and Clyde Cockrum.

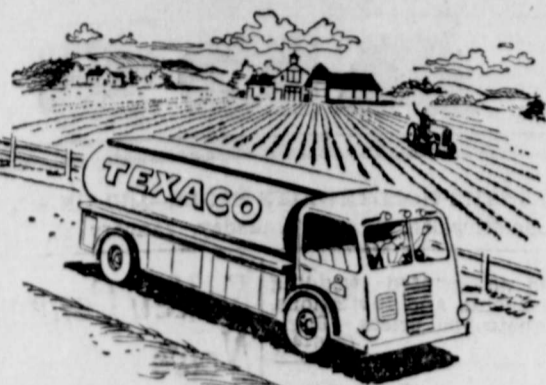

Funeral arrangements were under the direction of the Roy Wilkins Funeral Home with burial in Goldthwaite Memorial Cemetery.

### J. Ed Rainey Claimed By Death

J. Ed Rainey, 67, stock farmer and lifelong resident of San Saba County, passed away in a San Saba hospital, Thursday morning, January 23. Funeral services were conducted in Howell - Doran Chapel in San Saba Friday afternoon, January 24, with burial in China Creek Cemetery.

Survivors are his wife; four daughters, Mrs. E. B. Smith of Lancaster, Mrs. E. H. Roberds of Odessa, Mrs. Glenn Miller of Goldthwaite and Miss Bettie Jo Rainey of San Antonio; three sisters, Mrs. G. W. Isham, and Mrs. Frank Haley of San Saba, and Mrs. Lillar Hughes of Fort Worth; two brothers, George Rainey of Gorman and J. L. Program On Traffic  
Accidents In Texas**

J. O. Musick, General Manager of the Texas Safety Association, today, asked full support for the renewal nationwide Back the Attack Traffic Accidents campaign.

"When the final tallies are in, for 1957," Musick said, "I believe the figures will reveal that the accident prevention program, in Texas, is gaining momentum and in a favorable direction. At least, so far, figures indicate the fatality toll will fall more than 200 below the record-breaking toll of 2,611 traffic deaths of 1956."

Musick said the appeal to Texans to walk and drive more safely is justified by records which point up the three most hazardous traffic conditions; which are:  
**SPEED**—Latest figures reveal that 58 per cent of the rural fatal accidents, in Texas, involve speeds too fast for conditions—good reasons why you should Slow Down and Live.

**ALCOHOL**—A drinking driver is involved in approximately 39 per cent of all rural fatal accidents. Special studies of fatal accidents occurring during holiday periods show that these percentages invariably rise above normal levels. Drinking pedestrians also push up the death toll in this category.

Best estimates claim that of the adult pedestrians killed, about 20 per cent have been drinking.

**DARKNESS**—More than half of all fatal accidents occur during darkness or early twilight hours. The Texas Safety Association estimates that the mileage death rate is more than twice as great at night as in daylight.

"We must understand these facts and resolve to do something about them," Musick said. "Everyone, public officials and citizens alike, must make up his own mind to do everything in his power to lower traffic deaths. Cooperation between officials and citizens can be the key to cutting down the number of traffic fatalities and injuries."

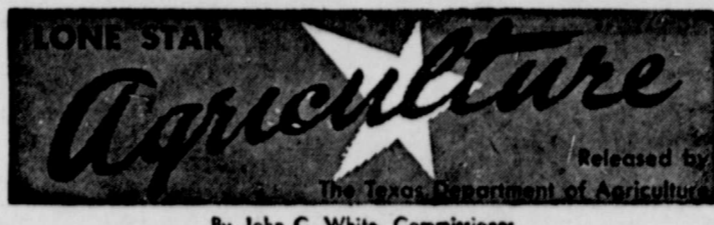

**Myron Hillman  
At Stock Show**

Myron Hillman of Mullin, was among the Texas Tech students to make the trip to Fort Worth for the showing and judging of livestock at the Annual Southwestern Exposition and Fat Stock Show. Myron was in charge of the 30 Rambouillet, Hampshire and Southdown sheep that the school had entered.

Hillman was also one of the six students making up the livestock judging team that competed in judging contests at Fort Worth.

Mr. and Mrs. Dean Dickerson and children, Toni and Joe of Robstown were guests of their parents, Mr. and Mrs. Claude Dickerson, last week.

**BACK TO THE FARM—  
AND OFF THE  
UNEMPLOYMENT LIST**

The old and uneasy sign of business and production let-ups—unemployment—has reared its unwelcome head once more, and once again our government planners begin to wonder how to get around this problem.

Operating on so tight a production and employment schedule as has American business in recent years, the least sign of downward adjustment invariably throws thousands of workers out of jobs and causes us to wonder just what is wrong with our economic system, employment-wise.

The most feasible resolution of many of our unemployment problems is to reclaim many of the jobless back to the valuable post they left during trying times—agriculture.

There appears to be a close connection between rural population declines and recent increases in unemployment. Those farmers who left the land in times of stress, such as our recent crippling drought, found unskilled jobs in the labor market at a time when production, business and government spending levels were high and when the slack period appears between labor needed and labor available, it is the ex-farmers who are usually the first to be laid off.

In the past seven years, our farm population dropped from twenty-five million persons to twenty-two and a quarter million. This means a loss of nearly three million rural citizens in less than ten years—one of the most rapid declines in history.

If we could re-absorb into agriculture all these people, it would take a tremendous cut out of our unemployment roles.

In Texas, the ratio between farmers lost and unemployed persons is even higher. In the closing weeks of 1957 we had 149,000 unemployed persons on the rolls. Since 1950, we have lost 231,000 persons off Texas farms. For that terrific loss, of course, we have the drought largely to blame.

But the prevailing attitude in higher governmental circles of "Get rid of the small farmers" hasn't helped the situation any. If agriculture is to help relieve the unemployment situation—and it can—Washington has got to do an about-face and begin encouraging a return to the farm.

**Questions And  
Answers About  
Social Security**

**Question:** My husband and I received a notice that our social security checks will be combined in one check. My husband is

out of town a lot, and it will delay me getting my money if I must wait for him to get back to town to sign the check. Is there any way I can continue getting my check separate from his?

**Answer:** Combining checks will save the Government an estimated \$1 million a year. You may, however, get your check just as you always have if a combined check will be inconvenient.

**Question:** Each year I make a profit of about \$1,500.00 from my farm. I don't expect to retire. Should I file for social security benefits?

**Answer:** If you have reached age 65, you should contact your social security office. Even though you do not retire, you may be able to receive benefits for some months of the year. Some payments may be made if your earnings for a year are between \$1,200.00 and \$2,080.00.

REP. HAROLD G. KENNEDY

of Marble Falls has announced his candidacy for the Democratic Nomination to the office of State Senate, District 16, presently being held by Senator Carlos Ashley of Llano.

Mr. Kennedy's military background included six years service in the Navy Air Corps during a n d immediately following World War II. As a fighter pilot he flew in North Africa, France Italy, Greece, Turkey, and served on aircraft carriers in the North Atlantic. He is now a Lieutenant in the Naval Reserve.

His educational background included pre-law work at Rhode Island and Maryland Universities. He received his Degree in Law from George Washington University in Washington, D. C., and a Master of Laws Degree in the field of governmental law at National University in that city.

His practical experience includes two years employment as an assistant to Senator Tom Connally and two years appointment as Attorney-Advisor to the President's Appeal Board of Selective Service, in Washington, D. C. In 1953 he returned to his home town of Marble Falls and entered the private practice of law. He has served four years in the State Legisla-

ture representing Burnet, Gillespie, Lampasas, Llano, McCulloch, and San Saba Counties, in which capacity he took active part in important agricultural, livestock, and water legislation.

Representative Kennedy is 32 years of age, married and has one son, Bruce, age 16 months.

We regret to hear of the serious illness of Brother W. R. Carroll, pastor of the Trigger Mountain Church. At last report he was resting comfortably, after surgery. We wish for him a speedy recovery.

Don Humphries and Dannie were at the farm Saturday feeding livestock and repairing some fences.

Mr. and Mrs. W. W. Williams are progressing nicely on their new residence.

The Dudley Henry Company has finished the work on the new highway and has moved from the Johnson place.

We were sorry to learn of the death of Dr. Harris. He has a host of friends who will miss him.

Our community was made sad when the news of the death of Ira O. Harvey reached here. Mr. Harvey and his wife were our former mail carriers. He was the first to drive a car over Route 1. We extend our deepest sympathy to his loved ones.

Mrs. Long has been critically ill. Mr. and Mrs. Travis Long and Mrs. Elva Moreland have helped Bowie take care of her. Other children and grandchildren have also assisted in caring for her. At last report she was improving.

Mrs. Verda Price and James Edda of Fort Worth were weekend guests of Mr. and Mrs. V. T. Stevens and children.

Mr. and Mrs. R. V. Whatley of Odessa spent a few days with their parents, Mr. and Mrs. A. R. Whatley.

OUR 60TH YEAR IN GOLDTHWAITE

# Little's

### Annette Duncan—

(Continued from Page One)

He wants to go to Texas A&M, but may start at Howard Payne in Brownwood. He is working

on a Suffolk flock and now has 11 registered ewes of his own. He bought a ram year before last from the Roy Warrick Ranch at Osaloosa, Iowa.

Annette, definitely college material, makes top grades in the 7th grade at Mullin Junior High, plays basketball forward on the junior team and at the same time "makes a hand" on the 1,000-acre Duncan ranch which lies beside the Colorado River. Last year the Duncans' home would have burned down, except that Annette, at home because her grades were so good she was exempt from mid-term examination, discovered the fire in time.

A cowgirl, Annette loves to ride and has appeared in many local rodeos.

And winning as an FFA exhibitor is not brand-new to Annette. For example, she had the first-place fine wool lamb at the recent Heart O' Texas show in Waco. She has been showing for four years.

Her winner at Fort Worth was purchased from David Waters of Goldthwaite, one of the state's top registered Delaine Merino breeders.

Roger, a 2-year all-district football backfielder for Mullin High, also made the basketball team two years and was captain last year. He was alternate to represent his district in an all-star football game and also has done well in track. His grades are in the upper 80's. He is a junior at Mullin High.

The young Future Farmer belongs, with his dad, to the Purebred Sheep Breeders Association and was a district FFA officer for two years.

He has been showing for eight years. In 1956 he had the Suffolk ram champion at Houston and in 1957 he showed the reserve champion Suffolk ewe. He previously won championships with fine wool lambs and crossbreeds at Abilene and San Antonio, among others.

A. R. Whisenhunt, vocational

agriculture teacher at Mullin High, was proud of both Roger and Annette.

"They're good feeders," he said, noting, incidentally, that each supplemented his lamb's feed with Aureomycin. "We've had good results with Aureomycin," Mr. Whisenhunt observed. "Saved a lot of good animals with it. Lambs, especially, thrive on it."

The special award certificates from Cynamid were part of the company's program at the Fort Worth Show this year of presenting 22 purebred females to 4-H and FFA exhibitors of top animals.

"The 4-H and FFA members are the livestock producers of tomorrow," observed Ira O. Sturkie, southern regional manager of Cynamid's Farm and Home Division. "It is a part of our responsibility to encourage them to raise more and better animals to meet the demands of our increasing population."

## Savings Bonds Sales In County Last Year Are 53% Over Quota

Mills County achieved 153% of its 1957 Savings Bonds goal.

This announcement was made today by W. P. Duren, Chairman of the Mills County Savings Bonds committee. Total sales in our county were \$206,805 during 1957, which was 153% of our 1957 goal of \$135,170.00.

Sales in Texas during 1957 were \$165,686,403, which was 85.8% of the State 1957 goal of \$193,100,000.00.

Chairman Duren had this reminder, "Labor unions, fraternal, civic, service, patriotic and veteran's organizations, eleemosynary institutions and local and state government bodies are now eligible to purchase Series E and H Savings Bonds. Any organization interested in

purchasing E or H bonds make application at their bank."
