Eagles Tackle Cowpunchers In Final Conference Game Friday Night

Bus Chartered For Mason Trip

Burl Holland and G. C. Head announced Wednesday noon that arrangements have been made for 30 passenger chartered bus to take football fans to Mason Friday night to see the Eagle-Cowpuncher game.

The bus will leave Goldthwaite at 5 p. m. Friday and the round trip fare is \$3.85 per person.

Holland said Wednesday noon that several seats are still available and those interested in riding chartered bus instead of driving their own car should contact him for reservation.

EAGLES TRAVEL BY CHARTERED BUS
The Quarterback Club has chartered bus to take the Eagle football squad to Mason. This is a QB club project and is for the team and coaches.

Whitley Station Being Re-Painted

Whitley's Gulf Station on Fisher Street is being repainted and redecorated.

Work on repainting the entire building got underway last Saturday and is being completed this week. Both exterior and interior are being redone.

The Eagles' foe this Friday will be the Mason 'Punchers' who are ranked number four in the State in Class A. The 'Punchers' are undefeated in nine games this season and have only lost one game in their last 23 over a period of last season and this season. Their last defeat was at the hands of White Deer. Besides this impressive record the 'Punchers' have not been defeated on their own field since early 1956 when Sonora turned the trick and they have scored in their last 66 ball games.

School To Dismiss Early This Friday For Mason Game

Since it is a far distance to Mason for the final regularly scheduled football game of the season this Friday night plans have been made for school to be dismissed early Friday afternoon. J. T. Jones, supt., has announced.

Classes will be dismissed at 3:15 p. m. on Friday, November 13. Buses carrying the band and pep squad will leave the Band Hall promptly at 4:45 p. m. and should arrive in Mason by 7 p. m. Game time is 7:30 and the buses are due to arrive back home by midnight.

Jones declared that the spirit of the Eagle squad is high, their attitude is good and there is promise of a good game. By winning over the Cowpunchers the Eagles will enter bi-district competition. Everyone is urged to go to Mason and back the Eagles.

For this crucial game Friday night, the Eagles are expecting to be at full strength. Charles Wilkins' knee is expected to be all right by Friday, Jack Edington and Jimmy Wigley seem to have recovered from their injuries also. John Pat Rudd is still slowed by a charleyhorse in his right leg.

At the time of this writing the sports writers of the various city newspapers have not ventured a speculation on the outcome of the game Friday night, but they will probably pick Mason by 18 to 20 points. In the Eagles' camp the spirit is very high and the FIGHTING EAGLES are eager to meet the highly rated Mason 'Punchers'.

After last Friday night's upset of Brady by San Saba, many of the boys feel that they can do the same thing to Mason.

Friday night's game should prove to be just as exciting as many of the other games played by the Eagles this year. This group of boys are eager to win and have proven that they will scrap until the last whistle sounds.

The lineup for the Eagles for the game tomorrow night is as follows:

GOLDTHWAITE

FOLLOW THE EAGLES
Go to Mason Friday night and help cheer the Eagles along as they try to upset the mighty Mason Cowpunchers.

Sudderth Will Not Be Candidate For State Legislature

Ben D. Sudderth, member of the Texas House of Representatives, informed the Eagle this week he will not be a candidate for the State Legislature from this district during the coming Primary election.

Sudderth is serving his second term as representative from Mills, Brown and Comanche counties.

In announcing his intentions, Sudderth made the following statement: "I will not be a candidate for the State Legislature from this district during the coming Primary. The cooperation, help and encouragement of everyone during the past three years is certainly appreciated and I would be an ingrate if I failed to express my appreciation for the depths of my heart. Any future political plans are at the present unsettled."

SENIOR EAGLES—Here are the seven members of the Goldthwaite High School Eagle football squad who will play the last conference game of their high school football career this Friday night when they travel to Mason and take on the Cowpunchers. They are, back row, left to right: Tom Cody Graves, son of Mr. and Mrs. T. C. Graves; Mike Hoover, son of Mr. and Mrs. Howard Hoover; John Burdette, son of Mr. and Mrs. Robert Burdette; and Gerry Head, son of Mr. and Mrs. G. C. Head. Front row, from left: Alfred Starks, son of Mr. and Mrs. A. C. Starks; Charles Wilkins, son of Mr. and Mrs. Roy Wilkins and Billy Blackburn, son of Mr. and Mrs. Ray Blackburn. Mullin Bulldogs In Second Place In District 16-B Play

The Mullin Bulldogs are now in second place in District 16-B and they defeated the Priddy Pirates last Saturday night by a score of 37-7. Billy Mac Cooksey was high scoring man with 18 points. Tommy Shelton made 13 points and Joe Ethridge six. Other boys playing a good game of ball were: Joe Carmichael, Billy Bob Dellis, Mackey Gene Hodges, Carlton Bramblett, Lee Singleton and Benny Freeman.

Saturday night the Bulldogs will close out the season when they meet the Star Tigers at Star.

MULLIN BULLDOGS WIN FOUR GAMES STRAIGHT

Tuesday night the Mullin Bulldogs defeated the Pottsville Grammar School boys by a score of 69-52. This win gives the Mullin team four straight wins, according to Coach Lee.

Girl Scout Drive To Start Nov. 17

The Goldthwaite Girl Scout Association announced that the Girl Scout Fund Drive is scheduled to open Tuesday, November 17, under the supervision of Mrs. Larry Dalton and Mrs. Harold Yarborough.

Annual Homecoming Of Goldthwaite High School Slated November 28

Final plans have been completed for the annual Homecoming Saturday, November 28, at Goldthwaite High School in Mills County, according to announcement by Jesse Moreland, president of the Association.

All ex-students, teachers and ex-residents of the community are invited, according to homecoming officials. Each member is asked to bring a covered dish or dishes for their group. The meal this year will be in the form of a covered dish supper to be served buffet style with the association furnishing the bread and drinks. Everyone is asked to have their food at the lunchroom by 5:45 p. m. if possible as the ladies will be on hand to fix the tables by that time.

Registration will begin at 5:30 p. m., at the elementary lunchroom and a short get-together will be held before the supper which will begin at 6:00 and continue until 7:00 o'clock. There will be plenty of parking space around the elementary school building and all ex-students and teachers will have a chance to inspect the new school building.

At the conclusion of the supper, the entire group will adjourn to the high school auditorium for a business meeting and program and a general get-together.

Baptist Workers Conference To Meet November 16

The Mills County Baptist Association's Workers' Conference will meet next Monday, Nov. 16 with the Scallorn Baptist Church.

Supper will be served by the host Church at 6:00 p. m. Executive Board and W. M. U. meeting at 6:45. The program for the evening will begin at 7:30 with Rev. H. H. McBride, field representative of The Relief and Annuity Board, as speaker. A cordial welcome is extended to all. Rev. B. G. Halliburton is program chairman and also pastor of the Scallorn Church.

Short Course On Entomology Will Start Monday At Priddy

The Department of Vocational Agriculture of Priddy High School will offer a Short Course on Entomology for those persons interested in insects and pest control in the surrounding area starting Monday, November 16 at the Vo-Ag Building.

This Entomology Short Course is to be 15 hours in length, meeting from 7:00 to 10:00 p. m., each evening, Monday through Friday, or at such other times as may be determined at the first meeting. According to J. D. Franklin Jr., Priddy Vo-Ag Instructor, topics expected to be covered are: 1—Control of Insect Pests of Field Crops; 2—Control of Insect Pests of Stored Grains; and 3—Control of Pests of Livestock. Perhaps there may be time for some Household Pests, such as ants and termites, states Mr. Franklin. H. A. Turney, entomology specialist with The Texas Edu-

course. Mr. Turney states that "Field Work or Trips" are appropriate and helpful in teaching Insect and Pest identification and control. There will be a \$2.00 enrollment fee for this course to cover necessary expenses.

H. A. TURNERY

Vo-Ag departments at Goldthwaite and Mullin are invited to have their adult and young farmers attend and share in the benefits of this special program. Farmers in these districts should contact Thurman Head, Goldthwaite Vo-Ag teacher, and A. R. Whisenhunt, Mullin Vo-Ag teacher, for further information. "We'll be glad to have you make provisions for enrollment in our Entomology Short Course," says Mr. Franklin. He states further that certificates will be presented to those attending a majority of the meetings indicating their participation in the course.

YOUTHFUL LAWLESSNESS—An FBI Law Enforcement Bulletin, dated October, 1959, signed by J. Edgar Hoover, says:

"One of the most shocking developments in our present American society is the volcanic upheaval of youthful lawlessness. Long indifferent to the problem of juvenile crime, the public now stands appalled at the spectacle of rampaging teen-age criminals. This tragic consequence of public apathy is now at a crisis and calls for an all-out counterattack against vicious young thugs.

"Blazing headlines of torture, sadism, murder, and gang warfare toll the depredations of teen-age menaces. The black figures of crime statistics present an even more doleful account. In 1958, arrests of juveniles under the age of 18 increased 8 per cent, while arrests of adults rose 1.8 per cent. Alarming, not only the frequency of youth crimes but the savagery of these offenses is mounting day by day, year by year.

"Action against this youth menace must not be delayed. Past public ignorance of the problem, misguided sentiment for the 'tender age' of these lawbreakers, and the fallacy of economizing in the quantity and quality of our juvenile courts must be abolished. It is imperative that the American public stand shoulder to shoulder with the undermanned and overburdened law enforcement authorities in combating the youth crime attack.

"It is my firm conviction that the all-out campaign against these flagrant young criminals who commit serious crimes must include publishing their names and crimes for public information, the ready availability of past records for the information of appropriate law enforcement officers, and fingerprinting of these young lawbreakers for future identification."

MORE REVENUE FROM LOWER TAXES—Secretary of Commerce Mueller has come out in favor of tax reform which will remove road blocks to business growth and "establish the right business climate."

The matter arose when a newspaperman asked: "If a tax cut were to come, where do you think it should come?" The Secretary answered: "I would rather use the words, 'tax reform,' because I think we have a lot of situations in our tax structure that inhibit business growth, and I believe that, as Secretary of Commerce, my responsibility is to make every effort to see that we establish the right business climate, so that investors and entrepreneurs, if you wish to call them such, are encouraged."

He then cited the fact that in 1954 "we had a substantial tax cut and, as a result of that tax cut, business was stimulated to the extent that within a very short period, we were actually taking in more revenue at the lower rates than we were previously."

This emphasizes an economic truth that is too little understood. A heavy percentage tax, whether on business or the individual, does not necessarily result in maximum revenue to government. A more moderate tax, which stimulates investment, expansion and the creation of new productive wealth, will in the long run bring in greater revenue—and at the same time lead to more and better jobs and higher living standards for all."

THE ISSUE OF 1960—A high standard of living based on a productive private economy cannot permanently exist in a country dedicated to a program of inflation. Multi-million dollar budgets became commonplace during World War II, and in the years since, spending has gone on at a stupendous rate, as though a dollar were, indeed, hardly worth the paper it is printed on. It may in fact become worth just that, in the view of many experts, unless we as a nation face up to the fact that the public purse, even when replenished with tax and debt dollars, is nearly empty.

The warning signs are up. The U. S. Treasury is paying 5 per cent to borrow short term money. Whatever its foundation, we are considered now to be in a period of boom prosperity. Yet, there is scant prospect of balancing the Federal budget of some \$79 billion. That's plain evidence that Congress has lost any coordinated control of tax, debt, and spending policy. The outlook for any period of recession when tax receipts fall and political pressure for further spending is greater, is frightening. These are the conditions. Yet 1960 is an election year, and already many politicians of every political stripe and party rank are beating the bushes from one end of the land to the other with promises of ever greater public spending.

That kind of a politician is dangerously behind the times and it's urgently important that the people demonstrate their knowledge of that fact at the next opportunity, on election day.

Upon such action will depend our chance of remaining free citizens of a strong and solvent nation. Campaign oratory to the side, that's the overriding domestic issue of 1960.

Figures on 4-H enrollment for 1959 again show an upward trend. If the increase is reflected in all 50 states and Puerto Rico, this year's final score could well be within touching distance of the two-and-one half million mark, predicts the National Committee on Boys and Girls Club Work.

While the number of 4-H'ers is steadily increasing, the annual crop of winners remains about the same, the National Committee points out, because the number of award programs is limited. Thus individual qualifications become higher and competition keener. At the present time the ratio for state and national winners is one member out of 2,900.

The national award programs in which 4-H'ers participate include clothing, frozen foods, entomology, safety, public speaking, and tractor. There are nearly 50 others, according to the National Committee.

All 4-H projects and activities endeavor to show how to improve the individual, the family, the home, farm and community.

Every 4-H member pledges "... my head to

clearer thinking... my heart to greater loyalty... my hands to larger service... my health to better living, for my club, my community, and my country."

Besides the personal satisfaction of "learning by doing," 4-H'ers take great pride in their accomplishments, and outstanding records are rewarded, the National Committee reports.

Awards are provided annually by individuals and business firms among which are: Mrs. Charles R. Walgreen, Standard Brands, Coats & Clark, Carnation Co., Simplicity Pattern Co., Hercules Powder Co., Betty Crocker of General Mills, Whirlpool Corp., Montgomery Ward, General Motors, Firestone Tire & Rubber Co.

Also John Deere, Singer Sewing Machine Co., Colgate-Palmolive, Homelite, Armour & Co., the Burlington, Milwaukee, and Illinois Central railways, Wilson & Co., and Humble Oil & Refining Co.

All 4-H projects are directed by the Cooperative Extension Service, USDA. Arrangements for the national award programs are made by the National Committee.

One of the largest rings ever made is on display at Smith's Jewelry. The large stone set in the engagement ring is a perfectly cut exact replica of an actual diamond, and a diamond of equivalent weight would be one of the largest diamonds in the world.

Mrs. Wilbur Fairman of Marlin and daughter, Mrs. George Potts of Dallas, were in Goldthwaite recently, guests in the Walter Fairman home, and also visited friends. Mrs. R. V. Littlepage accompanied them to Marlin.

Mrs. Dan Yates and Mrs. Annie Armstrong left Tuesday night for Dallas to attend the Grand Chapter, Order of the Eastern Star.

W. F. Simms of Panhandle spent several days with his sister, Mrs. E. B. Anderson. He al-

so visited in the E. B. Gilliam home. Mrs. Anderson accompanied Mr. Simms to Sulphur Springs to visit their brother, W. R. Simms for the weekend.

A reunion of all the elder Jarrett children was held at the home of Mr. and Mrs. Ernest Jarrett Sunday.

Mr. and Mrs. Ellis Head of Eastland arrived here Sunday and were joined by Mr. and Mrs. Henry Venable, for a two weeks trip to Florida for a visit to the latter's daughter, Mr. and Mrs. F. M. Phillips and son, Bill.

Mrs. J. C. Mullin returned Monday from a three weeks' visit in Fort Worth and Waco with her children, Mr. and Mrs. W. S. Kemp and family and Mr. Gaylor Mullin and family.

Mrs. J. A. McCrary returned from a weekend visit in Fort Worth with her new grandson, Larry Joe, who arrived the 29th of October. He weighed six pounds and nine ounces. He says he will live with his parents, Mr. and Mrs. Earl McCrary and his little brother, Jimmy Lee.

Mills is one of 74 counties from which the government will purchase another quota of cattle. Information has been received that a quota of 1000 will be taken from Mills County at an early date.

Mrs. Edgar McNutt entertained the W. M. S. and Y. M. A. and also gave a kitchen shower for Mrs. Weldon Hill in her home on Tuesday, November 6.

Last Wednesday evening Carl W. Wall and Miss Carmen Lucas were married by Rev. Frizzelle, a long time friend of both families, at his residence on North Fisher Street.

Munger Kemp and Miss Bernice Hedrick, both of Post were married in Lovington, New Mexico, November 3. Munger was reared in Mills County and is the son of Mr. and Mrs. Z. D. Kemp.

Mr. and Mrs. W. E. Miller are attending the Baptist General Convention in San Antonio this week.

Captain M. Y. Stokes Jr. and Lt. Carl B. McDaniel came over from San Antonio last Saturday in a government plane. Lt.

McDaniel had business in Dallas and drove over there, returning later in the afternoon, at which time he thrilled the populace with his stunts in the air. He is flying instructor at Randolph Field and only one other aviator in the government service has more hours in the air to his credit than he has.

W. H. Wood, at one time a practicing attorney of this city, and now a farmer and peacan grower at Hanna Valley, sold cotton and transacted other business in this city Saturday.

Mrs. C. V. Stephens of Chico and daughter, Mrs. J. A. Walker and baby of Ryan, Oklahoma, spent last weekend in the C. L. Stephens home.

F. L. Sheldon and T. L. Adams, both of Star, have bought T. E. Hamilton's gin at that place and have taken charge of the business.

Up to the time the Eagle went to press 2852 bales of cotton had been received at the public yard here and at the same date last year 8427 had been received.

County Clerk Atkinson this week issued marriage license to M. L. Garrett and Miss Sallie Lee; J. W. Featherston and Miss Mattie Rose.

S. G. Walker had a narrow escape from being killed yesterday when the horse he attach-

ed to his livery wagon became frightened at a train of cars and overturned the wagon. He was thrown out of the wagon and hurt, but it is hoped the injury is not serious.

J. N. Weatherby has bought J. B. F. Wigley's farm in the Brown Creek community and in the trade Mr. Wigley became owner of the Ferguson place, the Abney place and a small residence north of the Farmers Union Warehouse in this city. It is understood he intends to move to Mullin.

F. C. Smith of Trigger Mountain community was one of the good men who had business in this city one day this week.

J. K. Brim sold to C. E. Strickland a residence and two lots in Mills County addition to Goldthwaite for \$800.

Miss Lois Humphries attended the Abney-Harris wedding in Lampasas last Sunday.

H. G. Ratliff of the Ebony country had business in this city the first of the week.

E. W. Patterson left yesterday

for his future home in County and his family there in a few days.

Berlin Controversy Far From Resolved | Russ Aims, A Opposition Res

By HENRY CATHCART

Central Press Association Washington Writer

WASHINGTON—United States foreign policy officials are in the midst of a delicate undertaking to remind American citizens and world capitals that there has been no basic change in the issues surrounding the Berlin controversy.

The only difference is that there is now a clear statement of the Russian leadership that there is no deadline on negotiating the cupation status of the former German capital.

Russian efforts to wipe out or circumvent the Potsdam agreements on the occupation status and other rights of the Western Powers in Berlin remain the same. U. S., British, French opposition to the move also remains.

Neither side has put forth any proposal which could be remotely considered acceptable by the other. The two positions are so apart that veteran diplomats frankly see how they can be reconciled, even resort to active warfare.

The State department was prompted to bark on its new course of education at a

when it would have preferred to remain quiet. The international atmosphere is improving, words from Moscow are less belittling and Soviet Premier Nikita S. Khrushchev even tried to the Chinese Reds on the advantages of peace during his visit to Peiping.

However, American government planners detected a real danger in public belief that the situation in Berlin had undergone basic change, presaging a real thaw in the cold war.

● **COMMUNIST POLICY SPLIT**—American intelligence sources and State department Far East experts detect signs of a split in foreign policy between Russia and Red China.

Russia is in the midst of its most effective peace offensive years and Red China is rocking the boat. The Chinese, on the other hand, are aggressively pushing for control over some of the little but lush countries in southeast Asia, and feel that Russian brakes on their designs are hampering them.

Russia holds the whip hand. She is supplying Red China with hard goods and military equipment to the tune of about \$1 million a year. Red China can't get this material anywhere else and it is absolutely vital for her industrialization and military adventures.

A serious breach between the two most powerful Communist nations would ease tension elsewhere in the world in the immediate future, in the opinion of the State department.

However, should Red China be denied access to Russian manufactured products, she might try to get them elsewhere in Asia and might resort to active warfare.

Goldthwaite FHA Girls To Enter "Wool Sewing Contest"

It's a trip to Austin for this district's winners of the "Make It Yourself With Wool" sewing contest for girls. That's where the District finals will be held on December 19.

Mrs. Wallace Johnson of Goldthwaite, area director for the "Make It Yourself With Wool" contest, says that girls wishing to enter the contest can write her for entry blanks and full details.

Prizes in the contest include sewing machines and scholarships. The grand prize is a two-week trip to London, Paris and Rome.

Girls from 14 to 22 years of age can enter the contest by making either an all wool dress, suit, coat or ensemble. The younger girls are judged in a junior division, and the older girls in a senior division. There is also a Sub-deb division by beginner sewers 13 to 16 who may enter a skirt or a jumper. Sub-debs are judged in district finals only. Juniors and seniors are judged in district, state and national finals.

The purpose of the contest is to encourage girls to sew with wool. Wool gives a quality look

to any garment, and it is actually the easiest fabric to handle—in cutting, in sewing, in pressing. Mrs. Johnson says, many girls sew with wool for the first time as a result of entering the contest, and they're always amazed to see how easy it is to sew with wool.

In this state the contest is sponsored by the Wool Bureau. Interested in encouraging the development of talent in youth, several companies are awarding prizes for this year's contest. These are Coats and Clark, Inc., Colorado Woman's College, John Dritz and Sons, Marvella Pearls, McCall Patterns, Singer Sewing Machine Co., and the Woolite Company.

Mills awarding fabric lengths are Burlington Retail Fabrics, Dorman Mills, Forstmann Woolen Co., Lebanon Woolen Co., Pendleton Woolen Mills, Sag-No-Mor Jersey by Wyner and Standard Felt Company.

Travel expenses for the 40 finalists to San Antonio for the national finals next January are contributed by the F. W. Woolworth Company, Pan American Airways provides the trans-Atlantic jet flight to Europe for the two grand prize winners.

WEDDING DATE SET—December 4, 1959, is the date chosen for the wedding of Miss Helen Coplen of McCamey and Charles Edward Reed of Minden, Louisiana. The wedding will take place in the East Side Baptist Church in McCamey at 8:00 p. m. with the Rev. A. L. Teaff officiating. The bride-elect is the daughter of Mrs. Alfred M. Coplen. Reed is the son of Mrs. L. T. Reed of Mullin.

Miss Donette Faye Childre And George E. Harpole Exchange Vows

Mr. and Mrs. Donald E. Childre of 1603 Country Club Lane, Henderson, Ky., announce the marriage of their daughter, Miss Donette Faye Childre, and Mr. George Edward Harpole.

Mr. Harpole is the son of Mr. and Mrs. George Harpole, also of Henderson.

The bride was given in marriage by her father in the wedding which took place in the Airline Chapel Baptist Church, in Henderson, at 4:00 o'clock Saturday afternoon, October 17. The double ring service was read by the Rev. Chester Jackson.

The bride chose for her wedding a dressmaker suit of light blue wool with a silver mink collar, and a matching blue hat and gloves. Other accessories were of silver gray patent. She wore a corsage of white carnations.

A corsage of white carnations was also worn by the maid of honor, Miss Sharon Rettig, with her princess style ensemble of Indigo blue, complemented with

matching accessories. Ed Haire of Tell City, Indiana served as best man.

The ceremony was followed by an informal reception held in the home of the bride's parents, where a color scheme of lavender and blue was carried out. The three-tiered wedding cake, set on a ruffled edge plateau, was frosted in white with spun sugar wedding bells and flowers in lavender and pale blue, touched with delicate green foliage.

After a two weeks honeymoon, the bride is at home with her parents, while her husband will resume military duties at Fort Leonardwood, Missouri.

The bride is the granddaughter of Mr. D. B. Thompson of Star and a niece of Mr. and Mrs. Leston Berry of Goldthwaite.

Mmes. T. C. Graves, Lee W. Tabor, F. M. Stephens, Annie Brim and Miss Abbie Ervin attended the Hoe and Hope Garden Club Flower Show at Lampasas, Saturday afternoon.

What Do You Know About Bread

In recent years much has been said and written about bread, particularly by food faddists, and much of it is false. Here are some questions and answers to set the record straight. They present facts obtained from authoritative sources.

Does bread belong in the reducing diet? Definitely. Almost all professionally prescribed reducing diets include bread. It is a food for energy and health and supplies vitamins and minerals necessary for proper nutrition.

Is white bread low in nutrition? No. Any elements lost in milling are replaced through the enrichment process. Because of enrichment with essential vitamins, white bread is equal in nutritional values with whole wheat bread, according to leading authorities.

Is bread important in a balanced diet? The United States Department of Agriculture in developing the "seven basic food groups" essential to a balanced diet gives bread a prominent place.

The contribution of enriched white bread to the nutritional health of America was well summed up by Dr. W. W. Bauer, Director of Health Education for the American Medical Association. "Recent years have seen a remarkable improvement in the nutritional health of Americans," Dr. Bauer said. "Much of this improvement has been credited to the enrichment of white bread, that tasty, beautifully textured bread on every table in America at every meal. Before this enrichment, nutritional deficiencies were widespread among our people. Today, physicians do not see them any more."

Is bread a good calcium source? Yes. Bread is second only to milk among common foods as a source of calcium, the mineral so vital for bone strength and so valuable to general well being.

Do growing children need bread? Yes. They need it for its

calcium; for its tissue-building protein; for its important vitamins and minerals. Children's frequent requests for bread are a natural expression of this need of their bodies.

Is bread a good food bargain? Yes. At current prices, ten cents worth of bread daily supplies about one-third of the daily needs for protein, one-fourth of an office worker's daily calorie needs, a good percentage of the daily requirements of thiamine, riboflavin niacin and iron, and traces of other vitamins and minerals.

How does today's bread compare with the bread grandma made? The one big advantage of grandma's bread was that you could smell it baking. But baked bread at home did not provide as much nutrition as modern baker's bread. Today's loaf contains more milk, more vitamins, more shortening and yeast, and more calcium and iron.

OUTDOORS IN TEXAS

...wise this has been a seasonal year. There has been an eruption practically every living thing. There was an abundance of plants; the mast crop heavy; and a record wild crop has been reported practically every area of state. As a result, in some parts of the state, the quail is now at an abundance. A bonus hunting privilege was possible, under regulatory authority, to open the quail season a month in almost a dozen Texas counties. These were in South Texas, where shooting of quail was authorized to begin. The same action was taken for the tier of nine counties west of the Pecos. In addition, the bag limit was set from 12 to 15 per day from 36 to 45 in possession. This, in counties making the Possum Kingdom and other regulatory areas. In other counties in Texas

might have enjoyed the same privilege had they been under regulatory authority. Now there are 103 counties in the state where the Game & Fish Commission has authority to set seasons on the basis of conditions. This means an additional harvest of wildlife when the season is good, or the halting of the harvest when the season is bad. Naturally this complicates things so far as keeping up with regulations is concerned. With 254 counties in Texas it would be possible to have as many as 254 sets of regulations. However, it wouldn't work out quite that bad. Most of us who have hunted for any length of time have decried in the past the multiplicity of general laws changing seasons in various counties. That was done, however, more for political reasons. Under the new program any change in regulations is based upon supply. This supply is the result of conditions. In practically every other state in the Union there are very long and strict closed seasons on squirrels. In Texas, we have an abundance of squirrels, particularly in some areas where pecans are plentiful. If we continue to shoot them off the nest, however, our abundance can't last. Under regulatory authority seasons will be set perhaps by ecological areas. When conditions are good there will be longer seasons, or perhaps the bag limits will be increased. Other states have found this profitable. Colorado has been able to permit the killing of as many as four deer by one hunter, on a permit system, in areas where there were more deer than the carrying capacity of the land would justify. This perhaps will never be possible in Texas because we don't have millions of acres of open public land. Incidentally, more land owners this year have come to the belief that wild game is a crop. Many land owners permitted dove hunting at \$1.50 to \$2 per gun on their pasture lands, and found it profitable. Most hunters would rather pay that amount than climb a fence. This year, for the first time, thousands of acres of good quail country will be opened up at prices ranging from \$2 to \$5 a day. Many Southwest Texas land owners already have been advertising their places for hunters. Some motels in hunting areas have found it profitable to work out package details. They have rates that include rooms, meals and hunting privileges. Some of these are pretty swanky places, too. For years duck and goose hunters have been able to hunt on a per diem basis. All along the Texas coast there are camp operators who provide boats and blinds at from \$5 to \$10 a day. In the rice fields the going price charged goose hunters is \$10 a day. And most of the hunters get their money's worth. If you don't believe this, just drive along the Texas coastline in the late afternoon. Or during the day, drive around the back roads of the feeding

CATTLE CYCLE NEARS STAGE FOR CAUTION

A significant note of warning about the cattle outlook was delivered before the National Association of State Departments of Agriculture in Nashville, Tenn., not long ago by Oris V. Wells, administrator of the Agricultural Marketing Service of the U. S. Department of Agriculture. Wells summed up his facts and figures by warning that "the cattle cycle is fast moving to a place where farmers, ranchers and feeders should be careful." It was pointed out that cattle and calves have been the largest source of farm sales for several years now, and that we are all aware of the sharp rise in cattle prices in 1957-58. The number of cattle on farms and ranches was up 3.5 million head, or almost four per cent, on Jan. 1, 1959, as compared with Jan. 1, 1958. Present estimates indicate a

two per cent increase in the 1959 calf crop, which is the first increase in the calf crop from the previous year since 1954. Although cattle slaughter for all of 1959 probably will be somewhat smaller than last year, there are prospects that slaughter in the fourth or last quarter of 1959 will show an increase over the last quarter of 1958. This would be the first increase over the corresponding quarter of the year before in nearly three years. However, Wells predicted that "prices will continue to be supported by retentions for herd expansion, and our analysts now expect a significant increase in the number of cattle and calves on farms as of Jan. 1, 1960, perhaps as much as five to six million head above the estimate for Jan. 1, 1959. "All of this means more beef for American consumers some time in the future, but it also means that the cattle cycle is fast moving to a place where farmers, ranchers and feeders should be careful." These words of caution are seconded by spokesmen for the American National Cattlemen's Association such as Jay Taylor of Amarillo, former president, and John Marble, head of the

Deer And Duck Seasons Set To Begin Soon

Austin, (Spec.)—Two major hunting seasons will get under way in Texas within the next ten days, according to the executive secretary of the Game and Fish Commission.

The duck hunting season will open noon, November 13. The bag limit will be 4 ducks daily, but not more than one can be a canvassback or redhead. The duck inventory in Texas at the present time is very good, according to waterfowl biologists, who have been making surveys throughout the State. Many of the ducks are young ones, however, indicating the late hatch in the nesting grounds.

Goose season already is underway, having opened at sunrise, October 26. The duck season will end January 1, and the goose season will end January 8. Waterfowl hunters are required to have a \$3 Federal duck stamp, which can be bought at the Post Office.

The white-tailed deer season will open in most counties in Texas November 16. The mule deer season will open December 1 west of the Pecos. There will be deer seasons in many other counties in Texas under regulatory control. It is advised that you check with your local game warden on these areas.

The basic bag limit is on two bucks. However, doe shooting will be permitted in a number of Texas counties again this year, which will permit hunters to take either bucks or doe.

fact-finding committee.

"Sure we're going to get a break," says Marble, "and it will come when we quit holding back heifers to build up our breeding herds, either in late 1960 or 1961. But the break doesn't have to be a bust."

Farm Census Questionnaires Now In Mails

Questionnaires for the 1959 Census of Agriculture are now in the mail and will be in the hands of local farmers within a few days, it was announced today by Field Director James W. Stroud of the Census Bureau's regional office at Dallas.

The farm census questionnaires are being mailed from Chicago, Illinois with the distribution timed so that the report forms will reach farmers about a week ahead of the date when census takers will begin the field canvass. The advance mailing is for the purpose of giving farm operators time to consult their records before filling in the answers required by the questionnaires and getting them ready for the census takers to pick up. This procedure is designed to insure greater accuracy of reporting and to save time both for the farmer and the census taker when the latter calls at the farm.

The 1959 Census of Agriculture questionnaire is designed to provide information on the number and size of farms, acreage and harvest of crops, livestock production and inventories, selected farm facilities and equipment, selected farm expenditures, farm values, and mortgage debt. On the average, each farmer is asked about 100 questions, many of which can be answered by simply checking "yes" or "no".

WHAT DOES THE LARK HAVE THAT THE OTHERS DO NOT?

IT HAS SIX BODY STYLES: New convertible, new 4-door and 2-door station wagon, hardtop, 4-door and 2-door sedan! Seven sophisticated colors. Handsome interiors appointed in distinctive pleated vinyls or cloths. Nobody else has them. Why settle for less?

IT HAS A POWERFUL, THRIFTY V-8 OR SUPER ECONOMICAL "6": The Lark V-8 topped all other engines in last year's Mobilgas Economy Run. Have your cake and eat it, too. The V-8 Lark (costs just a little more than the "6") offers all the advantages of new dimension cars plus potent performance matched to economy. The "six" offers spirited performance with greater fuel economy. Why be limited? Choose with The Lark! (Important! The Lark couples safety with power...V-8 brakes are biggest in field.)

IT HAS CHOICE OF THREE TERRIFIC TRANSMISSIONS: Automatic, three-speed stick shift, three-speed stick with overdrive. Lark automatic transmission has a full range of speeds. Lark three-speed synchromesh is smooth, and, with over-

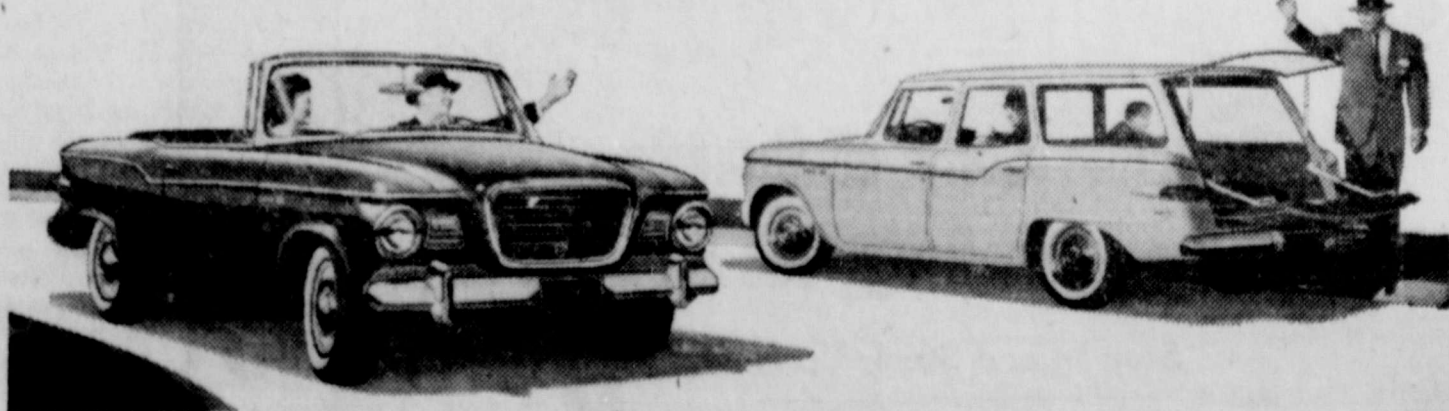

drive, the engine loafs at cruising speed, cuts your gas bills even more. Which one suits you best? The Lark offers this choice—plus a selection of 7 axle ratios—the others do not!

IT HAS MANY UNUSUAL FEATURES: Reclining seats that make into beds, front seat headrests, hillholder, Twin Traction (for driving through snow, sand, ice or mud), air conditioning, 4-barrel carburetor and dual exhausts...many, many more. None of the others has this wide variety of options from which to choose.

IT HAS PROVEN PERFORMANCE WITHOUT RECOURSE TO EXPERIMENTAL RUNS: 130,000 Lark owners have driven a total of over 750 million miles under every conceivable road and weather condition. Result is: no "bugs" to iron out, no "hidden" mechanical faults...no problems for new owners. Dealers and service men everywhere know The Lark. Studebaker-Packard corporate records clearly show that Lark service and maintenance costs are one third of the automobile industry average. How can you go wrong on that?

2ND AT FISHER

GOLDTHWAITE, TEXAS

Austin, Texas—Typical of the tangle of interests and viewpoints that confront Texans when they set out to "solve the water problem" is the current hassle over Trinity River water.

Trinity development poses special problems. This second largest river in Texas (in volume of water) has a 455-mile channel that meanders through or near three major population centers—Fort Worth, Dallas and Houston. All are directly concerned, not to mention the smaller cities along the way.

In the current hearing before the State Board of Water Engineers, Houston and the Trinity River Authority jointly seek permits to build two dams, both near Houston. One would be a reservoir at Livingston; the other, a salt water barrier at Wallisville.

At first, Houston alone sought the permits with stiff opposition from TRA. Then the two agencies compromised and agreed that both would build the dams with Houston footing 70 per cent of the bill and getting 70 per cent of the water.

But before the plan could be approved, objections came from all sides. These now are being heard before the Water Board.

San Jacinto River Authority, which supplies part of Houston's water, contends the city should stick with the San Jacinto. North Texas Municipal District and the Municipal Service Company are worried about their own future water supply from the Trinity.

Southern Canal Company, which long has sought irrigation rights downstream, is opposed to the plan as are various landowners whose property would be flooded by the new reservoir.

Testimony is complex, often heated and expected to be quite lengthy.

Some of the data presented on future water needs provides a glimpse of the possible Texas of tomorrow. An engineer, appearing for Houston, predicted the nine-county area around that city will have a population of 4,750,000 by the year 2010—more people than the whole state had in 1940. Water needs will be a staggering 2,682,000,000 gallons a day, he said.

Uranium Promotion Studied—House Investigating Committee has been looking into the money-raising methods of a man who claims to have a device to upgrade uranium ore.

John Milton Addison faces charges in state and federal courts of using illegal financing methods. He has purportedly borrowed \$1,000,000 at 10 per

cent interest in unsecured loans. But lenders appearing before the House committee said they had faith in Addison and felt he had been "persecuted" by law enforcement officers.

Rep. H. J. Blanchard of Lubbock heads the investigating panel. Other members are Reps. Joe Burkett of Kerrville, Tom James of Dallas, Carl Conley of Raymondville and John Allen of Longview.

Court To Move—Texas Supreme Court holds its last session in the 71-year-old State Capitol building this week. But it may be a month before the high court gets all its records and huge library moved and gets settled into the splendid new quarters in the just completed Courts Building.

On Nov. 18, however, the judges are to sit at the new marble bench. Furthermore, they will add a new tradition to Texas judicial history by wearing black robes.

Court of Criminal Appeals and Third Court of Civil Appeals are to move into the new building at a later date.

Union May Be Sued—State Supreme Court has ruled that a labor union may be sued for damages by one of its members.

It reversed the holding of a lower court that the union could not be held responsible. This clears the way for a plumber to seek \$19,039 in damages.

H. J. Borden, the plumber, charges that an agent for the United Association of Journeymen and Apprentices of the Plumbing and Pipefitting Industry barred him from work.

Asleep?—Texas Conservatives heard a familiar voice tell them they have become "lazy".

Speaking to a Chamber of Commerce audience, former Gov. Allan Shivers said, "In Austin, the conservative element has little or no leadership... has lost its initiative... its incentive."

Shivers, long a Conservative standard bearer, recommended development of a program for the general welfare rather than fighting isolated battles for business interests alone.

He urged a coordinated Conservation program. Opposing forces, he said, have the "perfect set-up"—generating fervor for their causes through a tax-free organization, the ALF-CIO Committee on Political Education.

Motorists Speed Up—Texas drivers are bearing down on the accelerator more this year, a State Highway Department survey shows.

During last week rain fall amounted to 4 of an inch. Monday morning the temperature was around 18 and 20 degrees. This was our first cold and so many folks had gardens and pretty flowers. The Long Hunting Club members chased a fox at the W. A. and George Crawford last Monday night. The school celebrated their 80th anniversary with a football game Saturday. Mullin won the game. Work got back in high gear the last of the week. O. L. and crew are picking cotton and F. H. Tiemann is pressing his cotton with a mangle. A Evans helped W. P. Oxley gather corn and Charles and Charles bedded land. W. W. Ratliff has built a nice new walk around his house and Mrs. Ratliff is getting up some new paper. Charles Elers visited A. L. last Monday. Mrs. William Ivy, Mr. D. C. Ivy, Mrs. Jewel and Mrs. Lampasas, Mr. and Mrs. Walter Williams, Mr. and Mrs. P. R. Reid were guests of Mrs. J. S. Ivy. A letter from Mr. and Mrs. J. Bopper of El Paso expressed

regret to hear of the death of Mr. Eakins. The Hoppers were residents at one time on one of Mr. and Mrs. W. A. Eakins' places, and what good times they all enjoyed.

"Happy Birthday Greetings" to Elmer Berry, who celebrated his 80th birthday. We wish for him many more happy reunions with his loved ones.

Congratulations to Mr. and Mrs. Joe Burdette who celebrated their 65th wedding anniversary Sunday with open house. The Burdettes are long time residents of the Trigger Mountain community. We wish for them many more happy occasions.

Ronald Ratliff was absent from work a few days because of illness.

Billy Oxford was absent from School Friday because of illness. Mrs. Stone Shipman received news that the N. C. Karnes family were on the sick list. They are residents of Fort Worth. We wish for all the sick folks a speedy recovery.

Guests of Mr. and Mrs. O. A. Evans included Mr. and Mrs. J. C. Bramblett, Mrs. C. M. Bramblett, Bob and Ruth Reynolds and Bobby Oxford.

Mr. and Mrs. Leo Tiemann and daughter, Melvin Tiemann of Dumas were guests last week of their parents, Mr. and Mrs. F. H. Tiemann and Alvin.

Mr. and Mrs. A. R. Whatley had as guests Mrs. Lois Richardson, Mrs. Edna Crain of Lometa, Mrs. Presnall H. Wood and Jeffery, Mrs. Nelson Waggoner, Mrs. Ella Lester, Miss Pearl Crawford, Mr. and Mrs. Hugh Nowell, Mr. and Mrs. Del Sears of Goldthwaite, Mr. and Mrs. E. B. Fisher and children and Mr. and Mrs. Ted Goodsell of Brownwood.

"Old Jack Frost" visited us this past week and it was really cold for several days.

Mr. and Mrs. Tully Lee, Nita Ann and Eddy and Mrs. Earl Neimer of Lubbock, also Elbert Lee of Lubbock spent the weekend with the Paul Lee family.

Mrs. J. D. Hunt and Darrell Wayne and Mrs. Hugh Soules were in Temple on business Saturday.

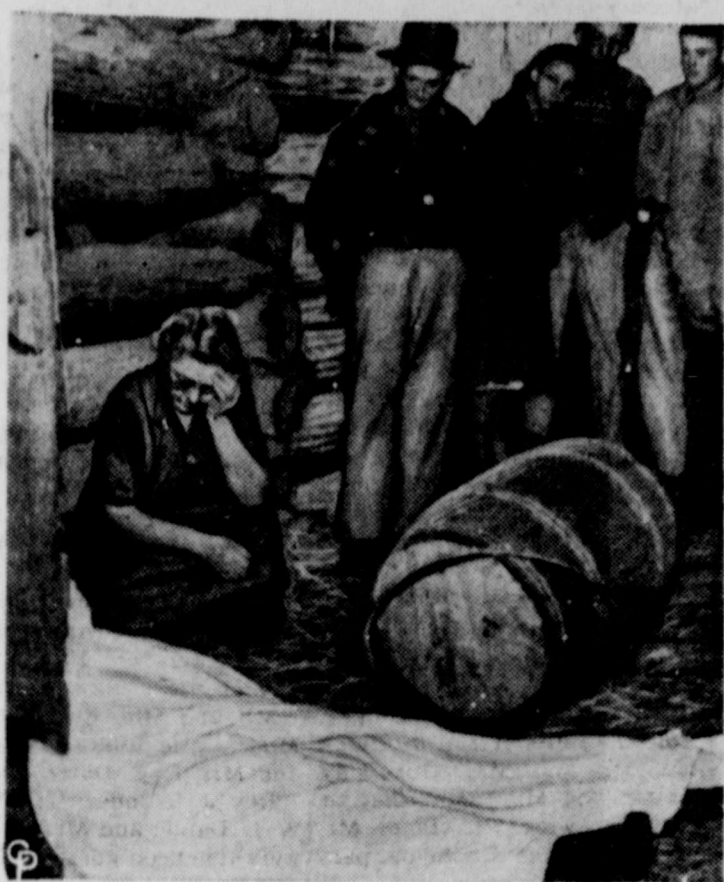

Mrs. Townsend Butts and children of Lampasas spent Saturday with her parents, Mr. and Mrs. Clem Adams.

Mr. and Mrs. D. M. Hairston spent several days with their daughter, Mrs. Willard Moore and family at San Saba. Mrs. Hairston became sick while there and was carried to Rollins-Brook Hospital at Lampasas. We hope she will soon be able to return home.

Mrs. Coston and Mrs. Blackburn visited in the Paul Lee home Saturday afternoon.

Mr. and Mrs. James E. Couch of Belton spent the weekend with Mr. and Mrs. Web Laughlin.

Mr. and Mrs. Joe Hammond of Burnet and Mrs. Red Arrowood left Saturday for Abilene to visit Mrs. Hammond and Mrs. Arrowood's parents, Mr. and Mrs.

ROBBER'S VICTIM—While sympathetic neighbors look on, Mrs. Emy Boyd bends over the sheet-covered body of her sister-in-law, Miss Dicie Boyd, 62, who was slain in her Athens, Ga., home by a robber who also seriously injured Dicie's mother, Mrs. Willie Boyd. Captured 13-hours later, Joe Henry Jackson, 17, a Negro, was accused of the crime by police.

Mrs. Ada Mae Griffin Claimed By Death Saturday Morning

Funeral services for Mrs. Ada Mae Griffin, 74, were held in the First Baptist Church of Goldthwaite Monday morning, November 9, at 10 o'clock. Services were conducted by Rev. Presnall H. Wood, pastor of the church and Rev. Glenn Weimer, pastor of the Pleasant Grove Methodist Church.

Mrs. Griffin was born January 18, 1885 in Coryell County, Texas and passed away in a local hospital Saturday morning, November 7, 1959. She was a member of the First Baptist Church of Goldthwaite, and had lived in Mills County most of her life.

On April 4, 1961 she was married to Richard E. Griffin in Mills County. She was preceded in death by her husband and an infant, also a daughter, Mrs. Essie Veta Elder.

Survivors are three sons, V. E. Griffin of Sonora, C. D. Griffin

of Odessa and Raymond Boyd Griffin of Otey; three daughters, Mrs. R. C. Miller and Mrs. E. B. Hanks, both of Goldthwaite and Mrs. W. F. Denman of Tulare, California; eight grandchildren, one grandson, Farrell Elder, she reared from infancy; two great-grandchildren; four brothers, Thomas Atchison, Joe Atchison, Louis Atchison and O. B. Atchison; three sisters, Mrs. Ila Martin, Mrs. Nina Lewis and Mrs. Cortez Ash; and a host of friends.

Pallbearers were O. Z. Berry, David Watters, T. J. Blackburn, Ray Duren, Harry Oglesby and Houston Duren.

Funeral arrangements were under the direction of the Roy Wilkins Funeral Home with burial in the Pleasant Grove Cemetery Tuesday morning.

Personal

Henry Cook, Mr. Hammond became sick while there and Mrs. Arrowood had to drive the Hammond car back to Burnet Sunday morning.

Mr. and Mrs. Pat Carswell and family and Mrs. Carrie Carswell moved back to their new home Sunday. We hate to see them move out of town.

Mr. and Mrs. Eugene Dyas, Mr. and Mrs. Cecil Williams, Mrs. Annie Armstrong and Mrs. Omer Weatherby attended the regular meeting of the Past Matrons and Past Patrons Club at the home of Mr. and Mrs. Lee Brazil in Lometa Monday night.

Questions And Answers About Social Security

Question: I understand that a person under age 72 who earns less than \$1200 a year may receive checks for all months of the year. I earned \$1000 before June when I became age 72. I have continued working and expect to earn an additional \$500 by the end of the year. Since I did not earn over \$1200 before reaching age 72, will I receive benefits for all months of the year?

Answer: No. Your earnings in months after age 72 must be included. Your total earnings for the year will be \$1500. You will, therefore, not receive checks for some of the months before you became age 72. You will get a check for June and each month thereafter.

PRESENT ENROLLMENT
Closes December 5, 1959
YOU MUST ACT NOW!

THIS SENIOR HOSPITAL SECURITY POLICY GUARANTEES YOU:

LIFE AND ACCIDENT OF AMERICA guarantees that under no circumstances can your policy be cancelled because of the number of times or the amount of benefits you may collect! In this respect, your SENIOR HOSPITAL SECURITY POLICY is much like group insurance in that it cannot be cancelled nor can the premium be increased unless such action is taken on ALL Senior Hospital Security Policies (Form SHS10) in your state!

John H. Jones
President

POLICY SHS-10

THIS IS THE PLAN YOU HAVE ALWAYS WANTED TO BUY!
THIS IS THE PLAN WE HAVE ALWAYS WANTED TO SELL YOU!

ANYONE 60 to 100 DEPEND ON YOU? Perhaps your mother, father or some other relative? If so, the SENIOR HOSPITAL SECURITY POLICY is a thoughtful way of providing for them.

Now for you who need and deserve it most and who want it most, LIFE AND ACCIDENT OF AMERICA now makes it possible for you to have this revolutionary New Concept of health insurance. Read the remarkable guarantee that we offer you, check the fine coverage that you will get — then compare with ANY plan ever offered you. This is not an old plan just offered to you as a senior citizen but an entirely new concept of insurance.

CHECK THESE IMPORTANT ADVANTAGES

THERE ARE NO HEALTH QUESTIONS TO ANSWER. No matter what your state of health is now or ever was, no matter what your medical or hospital record has been. YOU are eligible for this plan.

NO LIMIT TO THE NUMBER OF TIMES YOU COLLECT BENEFITS

For each different sickness and accident that hospitalizes you. If confined more than once for the same or related causes within a 6-month period, any benefits not used during the first confinement may be used for the second; however, if such confinements are separated by 6-months, FULL BENEFITS ARE AGAIN PAYABLE.

COVERS BOTH ILLNESS AND INJURIES!

Except those caused by war or covered by any Workman's Compensation or Employer's Liability laws; suicide; alcoholism or drug addiction.

PAYS IN ADDITION TO OTHER INSURANCE

You will receive these benefits in addition to any other hospital insurance you might now have. And, it is not necessary to drop or discontinue any policy to be eligible for the SENIOR HOSPITAL SECURITY POLICY. This even applies to other insurance you might now have with LIFE AND ACCIDENT OF AMERICA, except that you may have only one SENIOR HOSPITAL SECURITY POLICY.

ENROLLMENT PERIOD OPEN FOR A LIMITED TIME ONLY!

You must act now — your policy takes effect **DECEMBER 10**. Be sure to send in your application no later than **DECEMBER 5**. We do not know when this offer can be repeated. So we want no one to miss out. Never have such liberal terms been offered... make your check or money order for \$7.00 payable to Life and Accident of America Insurance Company today.

YOU GET THESE FINE BENEFITS FROM LIFE & ACCIDENT OF AMERICA'S SENIOR HOSPITAL SECURITY POLICY

- 1 UP TO \$10.00 A DAY — FOR AS LONG AS 31 DAYS.** You are covered for the actual cost of your room and board.
- 2 PAYS SURGEON'S FEES FROM \$4.00 TO \$300.00** Benefits vary from \$4.00 to \$300.00 on a fine schedule basis according to severity of the operations performed. Repairs of fractures or dislocations will be considered operations. Surgical fees for covered sickness and accident will be paid regardless of where operation is performed — HOME, HOSPITAL, DOCTOR'S OFFICE. Dental surgery, or service or repairs are not covered, except room and board benefits if hospital confinement is necessary.
- 3 YOU RECEIVE THESE OTHER FINE BENEFITS**

Operating Room	No Limit
Surgical Dressings	No Limit
Costs	No Limit
Medicines and Hypodermics	\$25.00
Blood Transfusions	\$15.00
Oxygen	\$15.00
Anesthetics	\$10.00
X-Ray (Both Sickness or Accident)	\$10.00
Laboratory Services	\$10.00
- 4 AMBULANCE SERVICE UP TO \$25.00** To and from the hospital, in or out of the City.
- 5 PLUS THESE DISMEMBERMENT BENEFITS** From \$500.00 to \$1,000.00 for dismemberment or loss of sight due to injury.
- 6 YOU ARE GUARANTEED** immediate protection for accidents which occur or sickness which originates after the date of your policy.
- 7 YOU ARE ALSO GUARANTEED** protection for conditions you had before you took out this policy, provided the hospital confinement begins, surgical operation is performed or ambulance service is used after your policy has been in force six months.

Scallorn News

By MRS. ORA BLACK

The rain which fell through the latter part of last week left only a slight precipitation in the Scallorn community. Nearby communities reported from one to two inches of rain.

Mrs. Silas Burk spent last week in San Angelo visiting her children, the Dean Burk family.

Dr. Jack Turman and family of Austin were weekend guests of the C. H. Blacks, Friday evening and Saturday they attended the Homecoming at Howard Payne College. Mrs. C. H. Black accompanied them for the Saturday festivities.

Mr. and Mrs. Earl Blake spent Saturday in Coleman with Mr. and Mrs. Archie Bryson and their two children, Don and Barbara.

Mrs. Earl Blake and her mother and brother, Billy, visited Mrs. S. M. Black in Brownwood Tuesday, who is recuperating after a stay in Medical Arts Hospital.

The writer did some visiting last week with the neighbors, some of whom were not so well. We called first in the John Harris home and then a short visit with Mrs. Silas Burk. Next visit was with Mrs. Lora Mound

and brother, Ed Evans.

I also visited Mrs. Brown, who is alone a bit as Mr. Brown is away on extensive turkey here we bargained for a mas turkey. Aunt Fannie was delighted to see us promised to see her more.

The Wayne Henrys were in Waco with their child L. Sullivans, and we see them. We learned was doing nicely after surgery at Memorial in San Saba.

Mrs. Joe Evans and M. Monday Swinney of Lome Wednesday with Mrs. Maund.

Guests last week of Maund and Ed Evans were sisters, Mrs. Lila Ward, Carrie Hereford of Step.

While in Lampasas we visited a cousin, Betty and Mrs. Bradley. The boys are in charge of the Rest Home in Lampasas.

Layton Black, a student ACC, spent the week home.

FORWARD WORLD PEACE

They shall beat their swords
into plowshares and their
spears into pruning hooks; na-
tional arms shall not lift up sword
against nation, neither shall
we learn war any more." So
the ancient prophet called
for peace, and a few pages along
the Bible we read: "And his name
shall be called . . . The Prince
of Peace." And another great
source of peace along the way
is the time when
the war-drums throbbed no
longer, and the battle flags
were furled
The Parliament of man, the
delegation of the world."
The modern prophet John
Ruskin said and pled with the
peoples of the world to unite in
a "safe for democracy," by
which he meant safe for peace.
He, his own people and na-
tions opposed him until he really
became a martyr for peace. We
spent a long time trying to
understand that the prophets were
and that the Prince of

Peace was impractical; and all
the time proving in the hard
way that we were wrong and
now becoming convinced that
the way of peace is the only
practical, that is livable, way.
And now we stand trembling,
knowing that another outbreak
of world war would mean sui-
cide. It must not happen.
So what can we do? We can
give our full support to the
United Nations Organization,
knowing that of all the real
movements for peace, this has
gone the farthest and accom-
plished the most. It is the one
alive and powerful now. In a
democracy, public opinion is the
wielding force, therefore it is up
to us to give the backing to our
leaders in this movement for
peace. Let us further pray and
form public opinion for the U.
N. to accept and follow the
Prince of Peace in the way of
love and brotherhood that can
break down all curtains of iron,
bamboo, mistrust, hate, racial
prejudice, fear and greed. Let
us pray for the hastening of the
realization of His Kingdom on
earth. Let us put our prayers
into action, making His Church
a more effective instrument in
His hands for each by backing
it with "your prayers, your
presence, your gifts and your
service."

ASTOUNDING NEWS
FROM RIO GRANDE

The Mexican population are
arming to exterminate the
Americans and reconquer our
country to the Colorado River.

FROM THE RIO GRANDE

Immediate help wanted by
the people west of Nueces,
against the Mexicans who have
taken Brownsville and threaten
to massacre every American on
the frontier.

FAYETTE—The True Issue is
authorized to state that the
Harrisburg Railroad Company
have decided positively not to
cross the river at Columbus, but
pursue the route via Cummin's
creek.

The same journal learns that
several persons living in Win-
chester, in that county, have
been poisoned by a negro wo-
man, who is now in their coun-
ty jail. Fortunately, the persons
poisoned are all doing as well
as can be expected.

CALHOUN—The Courier de-
nounces the establishing the
quarantine at Lavaca, as a mis-
erable trick to injure the trade

of Indianola. There has not
been a case of yellow fever there
this season, and the only ap-
pearance to it, was the death
from fever on the 15th, from a
man on board a schooner, lying
in the stream, from Galveston.

WALKER—The Item speaking
of the Broderick and Terry duel,
says: "It seems to be certain
that the Senator tried to take
advantage of the Judge by fir-
ing before the signal." This is
news to us, for we have yet to
see the first California account
of the affair, which says other
than that the Senator's pistol
went off, when scarcely at an
angle of forty-five degrees. But
perhaps the witnesses did not
see straight, and the Item is
correct after all.

GALVESTON—In a week or
ten days more, we understand,
the piles will be driven for the
bridge, when nothing will re-
main to complete this connect-
ing link between the Island and
the main land, except the con-
struction of the draw which is
also being rapidly expedited.

I will try to write a few lines
to the paper as it seems like it
has been a few days since I
have found out any news. I do
wish it would clear off, rain or
do something, I would like to
see the sun shine.

There was church at the Bap-
tist Church Sunday and Broth-
er Dycus was a dinner guest in
the home of Mr. and Mrs. Char-
ley Horner.

Sunday afternoon Mrs. Virgie
Wild gave a birthday party for
Stevie Dycus, who was two
years old.

Mrs. Emma Ransom visited
Mrs. Virgie Wild Sunday after-
noon and helped celebrate Ste-
vie Dycus' birthday.

Charles and Gwen Griffin's
children are all sick with colds.
There are a lot of folks sick
with colds out this way. I guess
the weather is so damp and bad.

Mrs. George Brown and Geor-
gie visited with me Monday.

Irma Lee and Herbert Coff-
man brought their baby home
last Friday evening. She sure is
cute and those boys think she
is tops.

Oleta Coffman hasn't been
feeling so good the last few
days but she was up here yes-
terday afternoon and is feeling
better.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

By H. L. BERRY

Within the Brown-Mills Soil Conservation District lies many watersheds. A number of these small watersheds are in the process of developing a full scale conservation program.

Before any works of improvement can be planned, conservation treatment must be present on the immediate watershed. Conservation farm and ranch plans must be applied on a large per cent of the drainage area above any planned structure.

This brings us to the second step in a complete conservation program which is the conservation of water by surface detention. Pits, ponds, and dams are not substitutes, but rather supplements to conservation land treatment measures. Flood detention dams have proven to be that extra step needed in order to realize a large measure of protection against undue losses

to land, roads, bridges, fences and livestock. Shortages of water do not come from lack of rainfall, but from man's neglect of using water wisely.

Following readiness of the local people, a flood prevention program will be forthcoming on a number of the watersheds in the Goldthwaite area. Bennett, Browns, Mullin, Pompey, and Blanket creeks are a few of the possibilities which are pending due to lack of a local sponsor.

The Mills County Commissioners Court voted back in September to sponsor any works of improvement in Mills County; however, a maintenance agreement has not been signed. As soon as this has been done, the Brown-Mills Soil Conservation District will request assistance in developing a work plan from the Soil Conservation Service and The State Board of Soil Conservation Districts.

THEY HEARD THE ANSWERS—Mark Van Doren, 65, winner of the Pulitzer Prize for poetry in 1935 and father of Charles Van Doren, talks with Mrs. Geraldine Van Doren, wife of the \$129,000 TV quiz show winner, as Charles testified on program rigging before the House Legislative Oversight subcommittee in Washington. Witness admitted getting advance answers.

Baptist WMS Meets Monday, November 9

The Woman's Missionary Society of the First Baptist Church met Monday afternoon at 4:00 o'clock in the Banquet room for their monthly Missionary program with 24 members present.

The meeting opened with all singing "O! Worship The King." Meditation was given by Miss Greta Sue Hines and Mrs. Nelson Waggoner. Mrs. Lee Birdsong played the National anthem of Korea. The program, "Oh! Worship The King In Korea," was presented by Mmes. Floyd Spradley, Gerald Head,

Walton Daniel and Raymond Summy. Miss Hines dismissed the group with a prayer.

Personals

Mr. and Mrs. Clabe Locklear and Cecil Williams visited her brother, Mr. and Mrs. O. E. Faver, Sr., and Mr. and Mrs. O. E. Faver, Jr., and family at Cleburne, Sunday.

Mrs. L. N. Auldridge of Gatesville is visiting her children, Mr. and Mrs. James McClement and Judy and Mr. and Mrs. Truitt Auldridge and children.

Appreciation Night Honoring Scout Leaders

An Appreciation dinner honoring leaders in the Boy Scouts of America will be held at the annual meeting of the South Central District of Comanche Trail Council next Monday night in Brownwood in Hotel Brownwood at 7 p. m.

Dr. Thomas H. Taylor, President Emeritus of Howard Payne College is the speaker. Other phases of the program will include musical numbers from the Coggin School students, reports of activities this year and election of officers for 1960. Dr. William O. Sweet, District Chairman will preside.

"All Cubmasters, Den Mothers, Scoutmasters and Explorer Advisors and the wives and husbands will be given special recognition in appreciation for the work they are doing in the training of our youth," according to Clyde L. Burns, Chairman of the Program Committee. Other members of the Committee include Charles Conradt of Goldthwaite, Dr. V. Cyrus Barcus, Gene Porter and Robert Radius of Brownwood. All leaders and Committee members and representatives of the various sponsoring organizations as well as parents of boys and other interested citizens are urged to attend.

South Central District includes Mills, Comanche, Lampasas and San Saba Counties with a membership of 65 Scouting Units with 1200 boy members and over 400 leaders.

Reservations may be made through chairmen of Unit Committees or the Boy Scout Office in Brownwood by November 13.

WORK SMARTER—NOT HARDER

Doing a job in less time does not mean working harder faster. It means working smarter by leaving out unnecessary motions and trips.

If you need to make changes by noticing your body tensions—your trips in doing a job. Then make a plan to make better use of body positions, movements. By "seeing" a through from its beginning end, many details can be noted and jobs can be combined and jobs can be combined.

BALANCED DIETS HELP GUARD AGAINST COLDS

Changing temperatures, fatigue, too much food or not the right kind, tension and excitement, all are factors in lowering body resistance to the common cold. Food makes a difference. It is important to start family members with a good wholesome breakfast every day. Then follow through with wholesome, balanced meals at noon and at night. Plan to eat at regular times as much as possible and reserve the sweet or rich foods

for mealtime dessert. Keep between refreshment and light and nutritious. Fruit juices, crisp, colorful, eatables served with special can be just as tasty and appealing as rich, heavy food. "Good Meals Everyday" new bulletin. Copies are available from my office.

BALANCED DIETS HELP GUARD AGAINST COLDS

Work areas and equipment well chosen, arranged and will reduce energy and needed to do a job.
