Good mutton goats, \$10 to \$13... weighing kind, 8c to... nannies, \$10 to \$14 per... cull nannies, 5c to 7c;... \$7 to \$11 each.

Walking Blood Bank Organized

Mrs. M. A. Childress, of Childs Clinic and Hospital, this announced plans are going forward to organize a walking blood bank for Mills County. Letters were mailed out the week to prospective blood donors explaining the program. Under the plan interested persons may donate blood on a regular systematic basis or be available in case of an emergency if they prefer. Childress explained that the bank is getting most of their requirements from blood donors. She pointed out, however, that there are times when faster service is needed in case of disaster or emergency. That is why the walking blood bank will be utilized most. Interested parties will let the Childs Clinic and Hospital know how they prefer to donate blood and their blood will be kept on file. The hospital will pay \$15 per unit to the donor.

Improvements At Legion Building

Members of the American Legion are busy making improvements at the legion building located at the corner of the park. Improvements underway include building concrete walkways, curbing in front of the building and along the north side of the highway and curbing the area between the walkway and building will be done with top soil for landscaping. These improvements are in line with plans of the Legion to cooperate with the Garden Club and the city in the overall improvement of the park area. Frank McKenzie, Commander, stated.

More Communities Reach Their Goal

Yarborough, Red Cross Chairman, announced that three more communities had turned in their contributions to the drive as the scholars' drive as follows:
... \$42.72
... 26.15
... 9.90
... 27.50
... approximately \$400, to Mr. Yarborough. The communities that reported to the drive are: Jack Burns, vice-president; Pamela Berry, secretary-treasurer; and Marsha Edington, reporter.

MRS. WOODROW BOYKIN

MRS. H. J. LEONHARD

MRS. WALTER McFALL

MRS. W. T. LEE

COUNTY HD CLUB HEADS—Here are four Mills County ladies who are in charge of the Home Demonstration Club work in the county for this year. Mrs. Boykin is president of the Star HD Club; Mrs. Leonhard, president of the Goldthwaite HD Club; Mrs. McFall is chairman of the Mills County HD Council and Mrs. Lee is president of the Mullin HD Club. HD Club and Council work in Mills County is carried on under the leadership of Mrs. Rachel B. Cunningham, county HD Agent.

Dallas Firm Awarded Contract For New City Water Storage Tank

The Bering Company, Tank Division, of Dallas was awarded contract by the Goldthwaite City Council Monday night for constructing a new 500,000 gallon new steel water storage tank for the city.

Bids were opened at 7:30 p. m. Monday in a special called session of the city council for that purpose.

The Dallas firm submitted a bid of \$19,985 for the job which is to be completed in 100 calendar days.

Next lowest bids were \$22,440 and \$22,985 respectively.

Ten sealed bids were opened before the council by Bob King representing Joe J. Rady & Company, engineers, representing the city.

Bids ranged up to \$30,635 with the time requirements for completing the job ranging from 30 to 150 calendar days.

The city's engineering representative, Bob King, was instructed to prepare the necessary contracts for the tank construction job.

Contracts will be prepared and presented to the company for signatures and then to the city for the Mayor to sign. After contracts are signed engineers' work orders will be issued for actual construction to get underway.

Jack Gibbens, represented The Bering Company at the council meeting Monday night. He announced that work on the job should get underway in approximately two weeks. He said that his company planned to have the job completed in less time than the contract calls for.

The new steel water storage tank will be constructed on top of the mountain just East of the city on a site near the existing reservoir. It will be 52 feet in diameter and 33 feet high. It will replace the old concrete reservoir which has served the city for approximately 40 years.

The city will pay cash for the tank construction job when it is completed and approved by engineers and accepted by the city.

Park Maintenance Fund Boosted To \$1009 As Honor Roll Grows

The Park Maintenance Fund got another big boost this week with an additional \$71 making the total up to Tuesday noon \$1,009.

Seven more joined the honor roll the past week by contributing.

As of Tuesday 75 had contributed in the suggested amount of one dollar per month or \$12 for the year. A limited number are paying on monthly, quarterly, or semi-annual basis. The 75 account for \$900 of the maintenance fund to date.

Twenty-two others have contributed in the amount of \$109. Altogether 97 have contributed for a total of \$1,009.

The \$1200 goal the committee had in mind when the drive started is now in sight. Committee members feel that in the next week or two the drive will go over the top.

The following are added to the honor roll:

- W. B. Wooster
- H. L. Berry
- G. C. Head
- Malcolm Jernigan
- Carl Letbetter
- Loy Long
- Joe A. Palmer
- Westernman Barber Shop.

The park maintenance fund is being established to insure upkeep of the park on a year around basis, or at least through the growing season.

It has been pointed out that the park is a county-wide project and citizens from the entire county are invited to take part in helping to keep up the park.

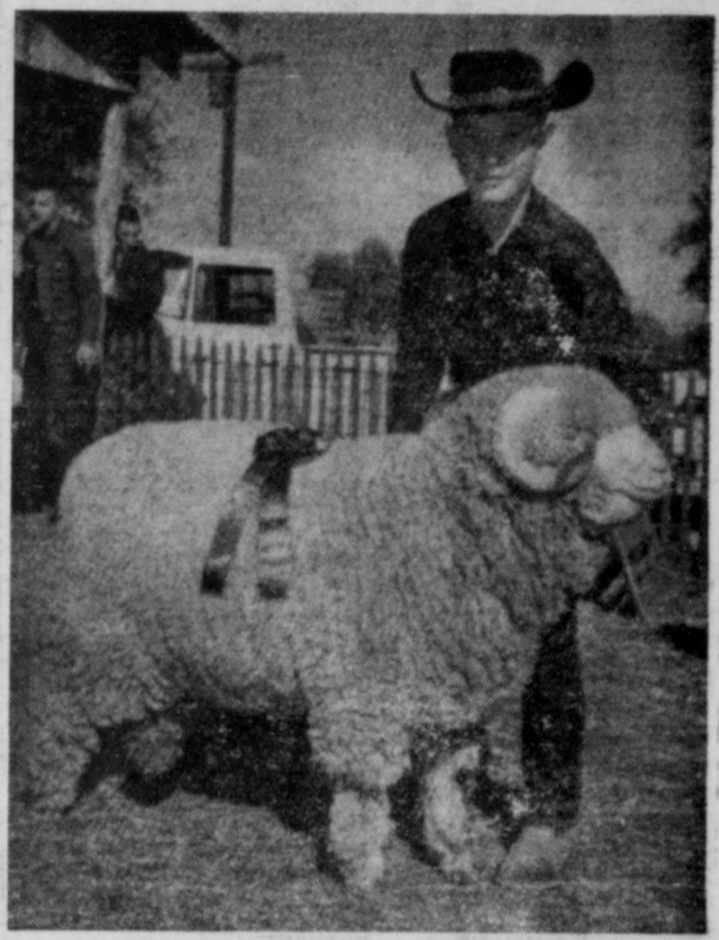

Checks may be made out to the park fund and presented to members of the committee or they may be turned in at Mills County State Bank.

W. P. Duren is chairman of the park board and Ray Duren is chairman of the park maintenance fund drive.

Mullin Juniors To Present Play April 1

The Junior Class of Mullin High School will present a three act comedy, "In Again, Out Again," Friday night (April 1), at 8 o'clock in the Mullin High School Gymnasium.

Everyone is most cordially invited to attend.

CHAMPION DELAINE RAM—was exhibited by John Harrell Benningfield, an 8th grade student at Star, Texas, and a member of Mills County 4-H Club, at the Hamilton show on March 10. He is the son of Mr. and Mrs. Floyd Benningfield, Route 2, Goldthwaite.

County School Trustee Elections Scheduled For Saturday, April 2

School trustee elections will be held this Saturday, April 2, in Goldthwaite, Star, Mullin and Priddy school districts.

appear on the official ballots, and the order in which they appear, are as follows:

Two candidates are to be elected to the board at each of the respective districts. All are for a regular three year term.

GOLDTHWAITE
Burt Holland, L. B. Burnham, Wilford Witzsche and Charles Conrad.

Three members are to be elected to the county school board. One from each of Commissioners' precincts one, two and four. County board members are to be elected for two year terms.

PRIDDY
C. W. Oliver, Ewell Priddy, Wilford Witzsche and E. J. Drucekhammer.

Voting in Star, Priddy and Mullin will be at schoolhouse in each of the respective districts.

MULLIN
J. Taylor Duncan, W. B. Womack, Earl James Cox and Tom Cooksey, Jr.

In Goldthwaite voting will be in the Commissioners' courtroom in Mills County courthouse.

STAR
Paul Lee, Bill Sanders and Norris Wittly.

Polls will be open from 8 a. m. to 7 p. m.

COUNTY BOARD
Precinct One—Col. V. Z. Cornelius.
Precinct Two—Tom Watson.
Precinct Four—J. D. Berry.

Candidates whose names ap-

Three Aldermen And Mayor To Be Named In City Election Tuesday

Three Aldermen and Mayor will be named by City of Goldthwaite voters at their regular Tuesday, April 5.

The election will be held at the city hall. Polls will be open from 8 a. m. to 7 p. m.

Barnett Attends Short Course

W. C. Barnett, City Utilities manager, attended a three-day Municipal Electric Short Course at A&M College last week.

Four candidates are on the ticket for the three places to be filled on the council.

The three day course was conducted Monday through Wednesday. It was sponsored by the Texas Municipal League and the Electrical Engineering Extension Department of A & M College, for management personnel of Municipal Electric departments.

Candidates appear in this order on the official ballot: D. W. Shaw, Ray Duren, Howard B. Campbell and V. A. Hudson.

Water Meeting

On Tuesday, March 15, Mr. and Mrs. Barnett attended a one day meeting of the U. S. Study Commission on Water. The meeting was held in Big Springs.

V. A. Hudson is seeking re-election for a regular term after having served a one year un-expired term.

Aldermen elected will serve for a regular two year term.

Mayor Y. B. Johnson is unopposed in his bid for re-election for a second two year term.

Joe S. Langford and I. W. Mauney whose terms expire this year did not seek re-election.

Holdover members of the council are Fred Reynolds and Sam Edington.

Annual Clean-Up Campaign Scheduled To Start Monday

The Goldthwaite Garden Club and other Civic Organizations in co-operation with city officials are sponsoring a clean-up campaign Monday, April 4 through Friday, April 15. All home owners and owners of business establishments are urged to do their part in the clean-up campaign which gets underway Monday.

Each homeowner or resident is requested to see that his property is clean, all vacant lots adjoining same are clean; also the downtown property owners and businessmen to see that the alleys are cleaned.

The city is giving full cooperation in this work and city trucks will be made available for hauling trash, rubbish and debris, according to W. C. Barnett, city manager.

All city residents are requested to do their part in the clean-up drive by placing all trash in a pile where it is easily accessible for trucks to pick up.

Pride is shown in almost all the yards and around many business houses in Goldthwaite.

Robert McKenzie GHS Student Council President

Robert McKenzie was recently elected Student Council President for the coming year. Robert is a Sophomore and is the son of Mr. and Mrs. Jack McKenzie. Other officers elected to serve with him for the coming year are: Jackie Burns, vice-president; Pamela Berry, secretary-treasurer; and Marsha Edington, reporter.

CLEAN-UP CAMPAIGN PROCLAMATION

The State of Texas
The County of Mills
The City of Goldthwaite:—

Know All Men By These Presents:

Whereas, the Garden Clubs of the City of Goldthwaite are interested in the esthetic improvement of our city, and

Whereas, said Garden Clubs have undertaken, and are sponsoring two weeks of activities and work in cleaning up and beautifying our City and the premises therein located, and

Whereas, it is the desire of the City of Goldthwaite to cooperate and lend its municipal support and ordinances to the accomplishments of the above purposes:

Precinct Meetings Are Scheduled For Election Day

Democratic precinct meetings will be held this year on Election day, May 7, as soon as the polls close, or at 7:30 p. m., it was announced this week by Mrs. Raymond Cockrum, Democratic Executive Committee chairman.

Precinct meetings are scheduled for each of the 18 voting boxes in Mills County, Mrs. Cockrum stated.

Voters this year must have poll tax, or exemption certificate, properly signed and stamped by election officials in order to vote.

Only those who voted in the primary election are eligible to attend the precinct meetings.

The county convention will be held on the Saturday following election day. Time will be announced by the committee chairman.

Mills County will be allowed two delegates to the state convention.

VIC'S . . .

SOLILOQUY

BETTER LOGIC—"But Johnnie, why did you do it? If you wanted to take the day off from school and go fishing, why didn't you come and ask me?"
"Because I wanted to take a day off and go fishing."
☆☆☆

THOSE BANK DEPOSITS—Just looking over the bank statement issued last week and compared it with the statement as of the end of the year, 1959, and also the one of a year ago — in March, 1959.

Those bank deposits are still holding up. While they are not quite as high in Mills County State Bank as they were at the end of the year, they are a little higher than a year ago.

It all goes to show that there is still plenty of money around—even if you and I don't seem to have it. Maybe I better speak only for myself, though, you may be one of those who have it and account for the \$3,821,452 on deposit as reflected in the bank statement on March 15. Hope you are!
☆☆☆

SATISFIED READER—The following note was sent to the editor by Mrs. Annie Miller: "Well, I have told myself, that I wasn't able to take the Eagle and you kept sending it and me trying to stop. Finally I began to hope each week that I'd get just one more copy. So yesterday I didn't get it till plumb nite and I felt fit to be tied. So I thought, well, why strain your good credit farther. So here it is, \$3.50, and thanks for your goodness—satisfied reader. P. S. You won."
☆☆☆

FRILLS AND FOLLIES—The Geneva, Ohio, Free Press, gives some reasons why government budgets are so incredibly huge: "We spend great sums of interest charges on our public debt, but we do not reduce the principle."
"We carry on massive federal programs which state and local governments could do better."
"We devote large amounts of money to benefit special groups at rates below those the government must pay to its own creditors."
"We perpetuate federal programs which have long since met the objectives for which they were created."
None of these programs, it is important to note, affect the national defense or any other fundamental duty of government. They add up to frills and follies, of the most expensive possible kind.
☆☆☆

ON THOSE RENEWALS—I would like to call to the attention of our readers a little item that will be of great help and time saving to our office staff.
When requesting a change of address for your Eagle subscription it would help a great deal if you would always give your old address along with the new address where your paper is to be mailed.

A good deal of our subscription list is kept on a mail dispatch basis and when subscriber orders paper mailed to new address some times it takes a lot of looking to find where the paper has been going.
So, our circulation department will appreciate your cooperation in this little matter.
☆☆☆

ECONOMICS IN THE HIGH SCHOOL—The National Association of Secondary-School Principals recently held its annual convention in Portland, Oregon. One of the speakers was Keith Funston, president of the New York Stock Exchange. He proposed a program to deal, at the high school level, with what he termed economic illiteracy.

Thus far, he said, economics has been an orphan in the curriculum. If it is to be taught properly, qualified teachers must be assigned to the job. Teaching techniques need to be improved—in which connection Mr. Funston cited the example of a high school economics class that invested in the shares of a leading corporation to the extent of 50 cents a student, and then learned how taxes and tariffs, competition and even fiscal policy affected "their" company. And economics, in his view, should be made compulsory for all students, perhaps by including it as an essential element in a two or three year history course.

Mr. Funston declared that teachers must not be afraid to make economics controversial. He did not mean that teaching should be slanted, but, as he put the case, "it is surely a greater disservice to make believe that diverse points of view do not exist, or that economics is not one of the great, legitimate, continuing debates of a free society."

This proposed program has merit. It would fill an increasing need. Today some 12.5 million Americans own stocks in corporations and their number swells each year. A high proportion of today's students will be investors of tomorrow. Their knowledge of economics will determine, to an important extent, the success of their financial futures.

WHEN THE OLD BIRD WAS YOUNGER

10 YEARS AGO
(Taken from The Eagle Files of March 31, 1950)

Acting on the advice and recommendation of the Library Committee, the Goldthwaite City Council this week awarded to Mr. M. F. Horton a contract for construction of the Jennie Trent Dew Memorial Library. The site for the library, just north of the Methodist Church is being prepared with the removal of a house, previously on the site, by the purchaser, Everett Holland.

Two employees of the Goldthwaite Post Office, Eugene L. Dyas and James J. Leonhard, have received Classified Civil Service appointments to fill two previously existing vacancies, it was announced this week by Mrs. Lucile Fairman, acting Postmaster.

Miss Wanda Dean Garner, daughter of Mrs. W. E. Garner, of 2306 Main Street, Lubbock, former Mills County resident, became the bride of Mr. Ray M. White Jr., son of Mr. and Mrs. R. M. White of Elizabethton, Tennessee, Friday, March 17, at the Reese Air Force Base Chapel at Lubbock.

Cicero Warren, who would have been 72 next July, died last Saturday at the Brownwood Memorial Hospital. Mr. Warren had been ill for a long time but his condition became critical last week after a fall in which he suffered a fractured hip and which necessitated his removal to a hospital.

Nan Hightower of the eighth grade and James Gilliam of the seventh grade were winners in a poetry contest at the Goldthwaite Grammar School last Monday. As winners among 14 competitors here, Nan and James will represent Goldth-

waite in the district competition in Lampasas on April 14.

Mrs. W. E. Cantrell, Mrs. J. H. Saylor and Mrs. Marvin Hodges of the Goldthwaite Art and Civic Club attended the Fourth District Convention of Texas Federation of Women's Clubs in Waco last week.

25 YEARS AGO
(Taken from The Eagle Files of March 29, 1935)

Herman Kaufman, manager of the cheese factory at Comanche, who recently moved from Goldthwaite to that city, was here the first of the week, looking after business matters and reported a very satisfactory business with the cheese factory in his new location.

Mr. John F. Priddy, aged 76, passed away at his family home in Priddy Monday afternoon at 5 o'clock, and funeral services were held at 2:30 o'clock Wednesday afternoon, in the Baptist Church at Priddy, conducted by Rev. Gordon Barrett of Comanche, with interment in the Priddy Cemetery.

Mr. Jas. S. Livingston, aged 87, died at the home of Mr. and Mrs. C. A. Eacott in this city Tuesday afternoon and his remains were interred in the cemetery at Center City, by the side of the grave of his wife, who preceded him in death by a good many years.

Mr. H. M. Cryer, aged 77, died at his home in the southern suburbs of this city Monday evening at 8 o'clock, after a long illness.

Mr. and Mrs. R. V. Littlepage were called to El Dorado last Sunday to attend the funeral of James Elwert Tisdale, a relative of Mr. Littlepage and a grandson of the late Mr. Phil McCormick, who formerly lived in this city.

Mighty few towns can show as much improvements as is indicated around Goldthwaite. New brick and frame residences,

new garages, lots of new cars, street paving and then on and on.

Four students from Goldthwaite are listed on the honor roll for the first preliminary of the second semester at John Tarleton College, according to a report from the registrar's office. They are Wilma Cleo Black, Mordine and Morine Brown and Veona Flatt.

60 YEARS AGO
(Taken from The Eagle Files of March 31, 1900)

B. A. Harris has one of the prettiest stores in this part of the state and it is a credit to the town.

Miss Ella House of Center City arrived in this city yesterday to attend Prof. Oliver's school.

The County Clerk issued marriage license Wednesday to C. J. Hannez and Miss Sarah E. Long, and yesterday he issued a license to T. J. Miller and Mrs. M. A. Causey.

Judge Dalton has moved into the Lammer's residence, lately vacated by Prof. Cowan.

Dana Evely has purchased a new bicycle. It is one of the finest wheels ever seen in Goldthwaite.

Mrs. G. B. Moss of Colorado, Texas, arrived in this city on Tuesday morning's train. She was en route to visit her parents, Mr. and Mrs. J. A. Q. Palmer of Center City.

Mrs. M. E. Thompson returned to her home in Zephyr Monday night, after a visit with relatives here.

Harry Wilson, telegraph operator for the Santa Fe at Brownwood, was here the first of the week on private business.

C. F. McCormick was awarded the prize for writing the name "Harwell, the Jeweler" the greatest number of times on a postal card. The contest closed last week and the winner wrote

- Super Motor Oil
 - Reliable Batteries
 - Royal Gasoline
- LeRoy Miller

Hillside Mission

BY LIDA BYRNE

Was Divine healing just done while our Lord Jesus Christ was here on earth among sick people? God's Word says: "And Moses cried unto the LORD, saying, Heal her now, O God, I beseech thee." Numbers 12:13.

The word 775 times on an ordinary postal card. The prize was \$2.50 in jewelry.

Inside WASHINGTON

MARCH OF EVENTS

CAPITOL HILL VALUATION
NOW \$2,716,714,015.621

LIBRARY OF CONGRESS
COLLECTION WORLD'S

By HENRY CATHCART
Central Press Association Washington Writer

WASHINGTON—Capitol Hill, its grounds, buildings and contents have been officially valued at \$2,716,714,015.621. The total was arrived at in the course of a congressional committee's inventory of all United States governmental property.

One usually thinks in terms of buildings and grounds and ing up the bulk of the dollar value of such inventories. ever, this is not so in the case of the Capitol. By far the largest single item is the 233,695,000 value placed on the books, papers and other manuscripts in the Library of Congress. The Library's collection is probably the most valuable and most extensive in the world.

Everything else on the Hill—buildings, grounds, equipment and supplies right to paper clips comes to a relatively small, nonetheless whopping total of \$483,015,621. The report is by far the most comprehensive listing of government assets ever taken. It includes up-to-date valuations of many items for the first time in the history. Yet, some values are historic rather than actual. The White House grounds, in the heart of Washington, are carried on the books at \$1,000. If they were for sale, the price would be several millions.

All federal government buildings and land in Washington, valued at \$748,000,000, excluding Capitol Hill. The Capitol office buildings, garages, power plant, Supreme Court building and other sundry pieces of real estate are worth \$367,500,000. Truly, government has become "big" business.

STARLINGS GO WEST—Washington has long been famous for its millions of starlings, which nightly darken the sky as they fly back to their roosts on nearby every window ledge and cornice in the capital. The government and private individuals have spent millions of dollars and much brainpower in an effort to disperse the messy pests.

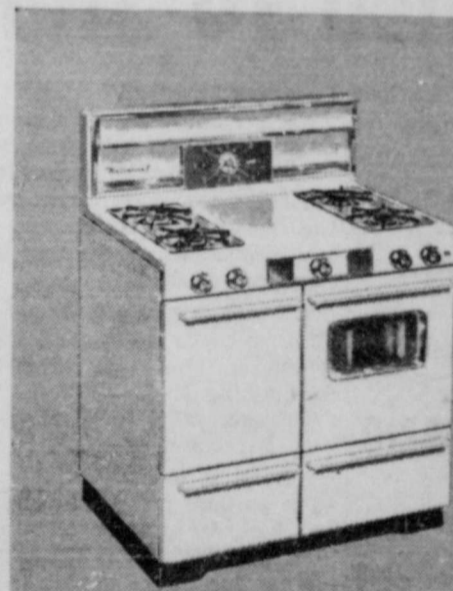

Now, a Midwest congressman reports that the starlings begun to migrate to rural areas in Indiana and elsewhere. They are plaguing farmers with their enormous appetites.

Seeking a solution for his farmer constituents, the congressman took his problem to the Fish and Wildlife Service, which learned what Washingtonians have long known—no one found a practical solution. In fact, the best news Washingtonians have received on the starling front in many years is a congressman's report that the birds are heading west.

INSTANT MAIL—When the Post Office department experiments with instant mail delivery via electronic means, its experiments with instant mail delivery via electronic means will be a real headache for those who create it what to do with the original mail after it has been transmitted.

If the system should ever come into general use, it would raise the question of what to do with hundreds of millions of pieces of mail daily. Should they be filed in post offices? Or should they be destroyed after they have been photocopied? Or should the post office attempt to deliver the letters by regular mail? Confirmation of the wire-transmitted copy?

The Post Office doesn't have any answers yet. However, questions are arising, some legal, some personal to stamp collectors, and even some concerning what's to be done with the original mail after it has been transmitted.

Garden Club, FHA Girls Entertain Texas School For Blind Students

By JUDITH ANN REID
FHA President

Goldthwaite Chapter of Future Homemakers, with the assistance of the local Garden

Fourth Grade Pupils Present Play At Self Culture Club

The Self Culture Club met in the Jennie Trent Dew Memorial Library Thursday afternoon, March 24, with Mrs. Tom Collier and Miss Love Gatlin hostesses.

Miss Gatlin presided at the business meeting. Mrs. John G. Berry was given a standing ovation honoring her for being selected for "Who's Who."

A vote of thanks was read from the library board for the \$5 from the club.

The treasurer was instructed to give \$2.50 to the Red Cross Drive.

Mrs. J. T. Jones was director for the meeting and featured seven of her fourth grade pupils in a play; songs and special numbers. "Tommy's Dream" was the name of the play and Kent Geeslin was Tommy. Also in the play were Danny Spradley, Susan Langford, Charlotte Dalton, Ronnie Aldridge and Dianne McKenzie.

Melissa McLean gave a reading, "Society Lady."

Piano solos were given by Dianne McKenzie, Charlotte Dalton, Susan Langford and Ronnie Aldridge. Two songs were also given by the group.

A delicious refreshment plate of cake and ice cream was served the fourth graders and club members.

Mrs. Schwartz To Teach Study Course At Methodist WSCS

Mrs. Milton Schwartz will begin the study course "Luke's Portrait of Christ," a pattern for living, April 4 at 2 o'clock in the sanctuary of the First Methodist Church of Goldthwaite. Mrs. Jim Weatherby will give the "Snoptic Gospels," which is an introduction to the book.

Sermons to be presented in the first session are "The Messiah Is At Hand" and "Jesus and His Temptations." A climax to the session will be a solo by Mrs. Schwartz, entitled "I Walked Today Where Jesus Walked."

All women interested are urged to attend this first session.

The study will be complete in three additional sessions, including book reviews, well prepared discussions, and appropriate musical selections.

Club, were hostesses to fifteen high school girls from the Texas State School for the Blind last Wednesday, March 16.

This occasion was one that had been long anticipated by everyone in the Garden Club and FHA Chapter. Both organizations had worked together in making plans for an enjoyable day.

The girls arrived by school bus at 9:30 a. m. at the Goldthwaite High School homemaking department. They were introduced to the FHA'ers and each took a "pal," a special friend for the day. After a short time spent in seeing the homemaking department, the FHA girls acted as guides for tours over the campus. Places of special interest to the visitors were the band hall, commercial room, and science lab. FHA'ers found the visiting girls very talented and many musically inclined. In the band hall they played band instruments for the FHA girls. They played the flute, drums, clarinet, saxophone, and bell lyre.

It was learned that many of the girls took courses at the School for the Blind that were offered in Goldthwaite High. They were typing, homemaking, English, Spanish, math and history. Eleven of the girls had partial vision while only four were totally blind. All of them were happy, intelligent, and confident. In the homemaking department while viewing the equipment one would often say, "Come look at this," or "Did you ever see anything like this?" The blind girls wore dresses that they had made in Home Economics classes. "The patterns," they said, "were printed in Braille, so it's really quite easy."

FHA'ers found that many of the blind girls were interested in such varied sports as swimming, basketball, volleyball and bowling. They enjoyed activities such as square dancing, parties, plays, and assemblies. They were like any other teenaged girls. They spoke of their boy friends, pros and cons of "going steady," and their likes and dislikes. The visiting girls had many interests in common with the FHA girls. Both had similar hobbies such as painting, writing, basket weaving, flower arranging and needlework.

At 11:00 the Garden Club led

MRS. CHESTER PARNELL RUSSELL

Miss Leverett, Chester P. Russell Exchange Vows In Church Ceremony

Miss Barbara Nell Leverett, daughter of Mr. and Mrs. Thomas Burton Leverett of 410 Cave Lane, San Antonio, formerly of Goldthwaite, was married to Chester Parnell Russell, son of Mr. and Mrs. Earl Sharpe Bryan of Floresville, at 2:30 p. m., Saturday, March 26, at Trinity Baptist Church, San Antonio.

Rev. Buckner Fanning officiated at the wedding.

Martha Fanning was soloist and Mrs. Dorothy Andricks, accompanist.

Miss Elaine Valencia of Fort Worth was maid of honor and Mrs. Verlon Westmoreland of Austin was matron of honor. Bridesmaids were Misses Carole Sue Justl, Kingsville, Jo Ann Harris, Dallas, Susan Wilson, Alberta Apel and Maribelle Sharpe, all of Austin.

Billy Neal of Houston was best man. Groomsmen were Verlon Westmoreland, Austin, Curtis Ray, Carl Eschenburg and Jim Seay, all of Floresville, Edmond Tom, Pleasanton, and Allan Hohlt of San Antonio. Jack Myers of Waco and Jack Fisher III of San Antonio ushered.

The bride, given in marriage by her father, wore a gown of white silk organza and re-embroidered Alencon lace. The fitted, elongated bodice featured a jeweled sabrina neckline and elbow length sleeves of the lace. Appliques adorned the front of the skirt, and encircled the full, gathered court train, under a bustle bow of organza.

Her bouffant waist length veil cascaded from a princess crown of sprays of tiny wax blossoms. Her bridal bouquet was white stephanotis, lilies of the valley and white roses backed by green lemon leaves.

Immediately following the ceremony a reception was given at the home of the bride's parents. Misses Jeannette Overton and Barbara Reeves presided at the bridesbook. Mmes. Joe M. Crowe, Corpus Christi, H. B. Leverett, Henderson, aunt of the bride, Francis Patton, Floresville, aunt of the groom, William Black, Otto Haecker, Howard Murphy and Jack Richardson were members of the house party.

After a trip to Mexico City and Acapulco the couple will be at home at San Antonio.

Norman Duren has returned from a business trip to Springfield, Ohio and other points.

Fine Ways To Serve Versatile Avocados

By ALICE DENHOFF
LOGICALLY enough, any roundup of California avocado recipes should lead off with Chicken Calavo California.
To serve 6, cut 3 avocados in lengthwise halves and remove seeds. Sprinkle fruit with salt and fresh lime or lemon juice.
Melt 2 tbs. butter and blend in 2 tbs. flour. Add 1 c. milk; cook, stirring until well thickened.
Chicken And Peas
Stir in 1 c. each diced, cooked chicken and cooked peas. Taste and add extra salt and a dash of pepper if desired.
Place avocado halves in shallow pan containing 1/2 in. warm water. Fill with hot chicken mixture and sprinkle tops with crumbs of toasted buttered bread.
Bake 15 min. at 325° F., and serve immediately.
Delicious Appetizer
Now that you've prepared a main dish, let's go back and make a delicious, refreshing appetizer.
Cut avocados in halves, removing seeds and skin and cut fruit into cubes.
Prepare orange sections, cutting each section into thirds or quarters to match size of avocado cubes.
Sprinkle orange with powdered sugar and sprinkle cubed avocados with lime or lemon juice and salt to taste. Chill in refrigerator.
Combine in equal portions in stemmed sherbet glasses and decorate with fresh mint sprigs.
Avocado Salad
To prepare 4 servings of a good avocado-egg salad, a nice Lenten luncheon or supper dish, cut 4 hard-cooked eggs in halves and remove yolks.
Mash yolks with 1/4 c. mayonnaise, 2 finely-chopped green onions and salt to taste.
Cut 1 large avocado into lengthwise halves and remove skin and seed.
Dice 1 avocado half, add to egg yolk mixture and refill egg whites.
Cut Into Strips
Sprinkle remaining avocado half with salt and fresh lime juice; cut into lengthwise strips.
Arrange 2 egg halves and 2 avocado slices on each of 4 lettuce salads. Sprinkle egg whites with paprika.
Serve French dressing separately.

CATTLE RAISERS NAME NEW LEADERS

TSCRA OFFICERS—New officers of the Texas and Southwestern Cattle Raisers Association, elected at the group's 83rd annual convention in Austin March 23, are, left to right: Leo Welder, Victoria, 1st vice president; Dolph Briscoe, Jr., Uvalde, president; Fred Korth, Fort Worth, treasurer; and Fred R. Wulff, Jr., Brady, 2nd vice president. Briscoe, at 37, is believed to be the youngest president ever to head the 10,000-member association.

Clementine Wilmeth Briley Writes From Temporary Home In El Paso

By CLEMENTINE WILMETH BRILEY

We really had rain in El Paso last night. This morning everything looked wet and fresh. I thought we must have had a good rain, but the radio said .06 of an inch. We have some cold now and then mixed in with our spring days, but mostly our temperatures are in the 70's and 80's during the day and our days are sunshiny and bright. The daffodils are gone, but the violets and pansies are blooming. Also the early white irises and the Dutch irises. The giant irises are really growing now, and I can hardly wait for them to bloom. And those rose bushes I pruned are putting out the most magnificent growth I have ever seen.

A letter from Mrs. Edna Dwyer, dated March 18, said it was cold and windy at Victoria. She had had a card from Mrs. Effie Egger at Ebony. Effie said it was cold and misting rain there. They wanted to shear the goats that day but the weather was too bad.

A letter from Ruth said after all the winter they had had in Beaumont she didn't believe New Jersey would be her choice spot for a home. Since the Magnolia Oil Company has merged with two other companies to form the Mobil Oil Company, they have been doing a lot of changing around with their employees. Ruth and O. R. have

been afraid they might be sent to New Jersey. Ruth said it snowed on Lincoln's birthday at Beaumont. It was wonderful. She said she believed it was the biggest snow she had ever seen. It snowed twice down there the year I taught at Orange, 1948-1949.

Each day, during the Sky Chef luncheon hour, we listen to Ted Bender as he interviews those who go and come at El Paso's International Airport.

Every day Johnny comes home from school with his back pockets full of folded papers—his work at school. It is almost always marked "Good". This morning when I went to wash, I took a little piece of paper out of his shirt pocket. It was a little story about how he liked to pretend he was a policeman. There were just about five sentences, but everything was perfect. I showed it to his mother. She said, "Johnny, how did you know how to spell all those words? Policeman and pretend and racing." He said, "Mrs. Baker put 'pretend' on the board, but I knew how to spell 'policeman' before I was in the first grade."

I'm invited out to Sunday dinner tomorrow. I wanted to fix me a dress to wear. I have a baby sitting date coming up tonight. It's time that I should be helping get supper. I'm wondering how I'll get it all done, but I hope somehow I'll come out all right.

Wilbur R. Horton Completes Course In Combat Training

Camp Pendleton, Calif. (Spec)—Marine Pvt. Wilbur R. Horton, son of Mr. and Mrs. V. F. Horton of Route 3, Goldthwaite, completed four weeks of individual combat training March 19 at the Marine Corps Base, Camp Pendleton, California.

The course included the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons. Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

MOST WANTED—Charles Clyatt Rogers has been added to the FBI's list of ten most-wanted fugitives. Described as violent, Rogers, 31, escaped from Florida State Hospital in Chattahoochee, where he was serving a life sentence for first-degree murder. He is unusually thin with ruddy complexion and has many tattoos and scars on his arms and legs.

When is the best time to go fishing?
Best answer to that question "Go anytime you can!"
However, many anglers get scientific about this fishing business. They go by the "solunar table," for example.
As the name implies, the solunar table takes into consideration the relative positions of the sun and moon at the various hours of the day, and thereby "selects" the best time of day for fishing.
Most outdoorsmen will agree that positions of the sun and moon do have some effect on the behavior of wildlife. But that's about as much as they'll agree on.
Some say that the waning moon is better for hunting — as well as fishing. Others declare the opposite is true.
However, anyone who has spent time in the open knows that animals, birds and fish are caught at certain periods of the day or night to move around to seek food, exercise or amusement.
A "scientific" fisherman fishes for such activity. When he sees an old cow get up from a nap under a shady tree and start walking around; or when a flight of birds suddenly comes sailing by; or when the clear air is all at once filled with insects — he intensifies his fishing activity — for he knows the fish are active, too.
If you'd like to experiment, use the solunar table with you at the time you go fishing, and see whether, at the special time, you hear dogs barking, or see sheep arise and munch grass, or note mullet spitting.
When the outdoors creatures come active, at one of the

solunar periods, you ought to be in business if you are in good fishing water and using the right method.
There's bound to be something to it, or so many newspapers wouldn't be publishing solunar tables.
Actually, the solunar table is one of the many guides to good fishing. You don't have to rely on it alone.
For example, some of the tackle manufacturers (Shakespeare in particular) will supply you with a calendar which shows the days of the month when fishing is likely to be at its best. These calendars also are based on the moon's phases.
The solunar table and the fisherman's calendar are two indicators. But there are more.
One is the "rumor gauge." That's when you inquire of others as to whether or not the fish are biting.
Rumors are worthwhile if reliable and timely. Last week's report, of course, is of dubious value, because conditions may have changed.
Some fishing camps and tackle shop operators will tell you the fishing is fine when it isn't. They want to sell you equipment, services, and accommodations. Fortunately, most of these businessmen will give you factual information. If they don't, they'll eventually be found out, and their business will suffer.
The rumor gauge is good only if you can evaluate the rumor accurately.
If you are at the lake and one of your good buddies comes in with his limit of fish and he tells you exactly where and how he caught them—go to that spot as fast as possible. Your chances are pretty good unless conditions have changed materially in the meantime.
What about barometric pressure? General consensus is that the barometer should be high or rising. Here's another place where you can get as technical as you like.
For example, let's assume that our fish are ten feet deep and the barometer is very low at 29.50. This means that the pressure on the fish is about 18.80 pounds per square inch. All of a sudden (which never happens) the barometer reading jumps up to a very high 30.50. If the fish remain at ten feet, the pressure on them will increase half a pound per square inch. But if they rise to nine feet, the pressure will remain the same, because the fish compensate for the increased air pressure by reducing the water pressure, the latter being lower at higher water levels. See?
That's just to indicate how studious some of the sharpies can be.
Actually, a steady, high or rising barometer simply means that we can expect fair weather for awhile. If there is a weather reporter on your local radio or television station, check him for good indications about what weather to expect for the next couple of days.
A bright sky is considered best for fishing, generally. One that is beginning to be overcast ranks next. But there are so many variations here that it would take a week to cover all of them.
In case of doubt, settle for a clear, bright day. You've got at least half of the factors in your favor. Besides, it's more pleas-

SEARCH UNDER ICE THAT FAILED—Patrolmen probe for the bodies of two boys in Lake Hiawatha, Parsippany-Troy Hills, N.J. They were found beneath the ice a short time later. Joseph Goldberg, 8, Harold Pfeifer, 13, and James Kader, 14, ignored danger signs to go skating. Only James was saved.

MARCH 28 - APRIL 2, 1860
LETTER FROM WASHINGTON
Washington, D. C., Mar. 16, 1860
As to the House, that the truth of history may be vindicated, I must say that a more disorderly mass of conglomerationed mess I have seen in any deliberate body. Several members

are constantly passing to and fro when others are speaking; and sometimes in a contest for the floor a half a dozen are contending at the same time while others are rising to point of order. And in the midst of this confusion, the speaker's hammer is indistinctly heard in consequence of an exclamation from a member — "hurrah for Jackson." Much of this is induced in my opinion by the want of firmness in the speaker's chair. The only important business before Congress now appears to be, President making.

ant for you.
Air temperature should be mild for an optimum. But the water temperature is more important, because that's where the fish are. They go where it's neither too hot or too cold.

A black bass likes the same temperature you do: 68 to 70 degrees suits him just fine. If you want to be precise, test the temperature at various levels by lowering a thermometer into the water. It could very well pay you for the trouble.

It's also said to be advantageous if the surface of the water is rippled, because under these circumstances you can better approach the fish without his seeing you.

Calm water is okay if you use care in moving up to your fishing spot, and in presenting your lure.

Choppy water may be favorable, but avoid whitecaps.

The ancients said that a south or west wind was best for fishing; east not so good; and north lousy. Maybe so. Calm weather is about right. A light breeze won't hurt anything, a strong wind is not so good, and who wants to go fishing in a storm?

Our favorite saying is, "Wind from the west, fishing the best; wind from the east, fishing the least."

BALLOT FOR 'OSCAR'—Anna Maria Alberghetti mails her ballot in Hollywood, Calif., after naming her choices for the Academy Awards. Members of the movie industry vote on "Oscars" to be presented by the Academy of Motion Picture Arts and Sciences. The prized trophies will go to the winners on April 4.

Sales Price Set For CCC Cotton

Minimum sales prices for Commodity Credit Corporation stocks of upland cotton have been determined for the 1960-61 marketing year, according to E. L. Burkett, Chairman, Mills County Agricultural Stabilization and Conservation Committee.
The new sales prices are intended to emphasize farmers' marketings. The announcement at this time will provide farm operators with information on CCC's sales prices before the March 16 deadline for electing Choice (B) allotments and price support for the 1960 crop.
For 1959 and prior crops of upland cotton in CCC inventory, the new minimum sales price will be the higher of (1) the market price as determined by CCC, or (2) 115 per cent of the 1960 Choice (B) loan rate. (This compares with the current 110 per cent of the loan rate.)
For 1960-crop cotton, the minimum sales price is as follows: When the cotton is sold by local sales agencies, the minimum sales price will be 110 per cent of the Choice (B) loan rate; when the cotton is sold by the New Orleans CSS Commodity office, the minimum sales price will be the higher of (1) the market price as determined by CCC, or (2) 110 per cent of the Choice (B) loan rate.
Mr. Burkett pointed out that carrying charges will be added to the sales price, beginning with 10 points in October 1960, and increasing 20 points per month thereafter to a maximum of 190 points in July 1961. The current monthly increase for carrying charges is 15 points per month for each month after October 1959.

Proceedings of Congress:
IT IS SAID THAT Senator Wigfall's bill appropriating \$1,500,000 for the support of a regiment of Texas Rangers will pass.

From the State Gazette:
An extra of March 1 from the "White Man," states that a Mr. Tooty was killed by the Indians on the West Fork of the Trinity about 10 miles from Jacksboro. Eleven Indians were seen. They stole five horses from Mr. Robert Bean.

We learn from Palo Pinto county under date of 1st of March, that during the past month the Indians had made large hauls of horses in the surrounding country; supposed to be Reserve Indians.

SIX-PASSENGER CAR OR STATION SEDAN ...CORVAIR IS BOTH!

A wonderfully useful folding seat makes every Corvair two cars in one. Just one quick flip and you increase the luggage and parcel space to 28.9 cubic feet. And just as simply, you're back to comfortable six-passenger capacity. It's standard equipment ... and extraordinarily practical.
Corvair does car-pool duty with the biggest and best of them. Going to work or school or out for the evening, you've got a genuine six-seater. As for carting around piles of stuff instead of people, just look at Corvair's station-

sedan load space with the rear seat folded. And when that's full you can start on the trunk.
Corvair, you see, is no ordinary compact car. No others are so versatile, so ingeniously engineered—with independent suspension at all four wheels, an air-cooled rear engine that never needs water or antifreeze. You just can't compare anything else coming out these days with a Corvair. Drive one... soon.
For economical transportation—**corvair** BY CHEVROLET

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Austin, Texas — It's nine months until the 57th Legislature comes to Austin to pass laws, appropriate money and, probably, enact new taxes. But the major decisions are being made now.

Whether it's the warmer weather or the dwindling time—(first primary is only a little more than a month off)—the deciding process is now going full tilt.

Candidates have their literature and their campaign organizations in action. Challenges and promises are being made, mostly centered on one issue—meeting the state's in-the-red financial predicament.

In most areas legislators are being forced, if their announcement platforms aren't clear, to say pretty specifically what sort of new tax they would favor.

On the statewide level, it's the same. Jack Cox, with the backing of Former Gov. Allan Shivers, has come out for a 2 per cent sales-tax-for-education. Gov. Price Daniel has consistently maintained that the state's financial problems are not so great they cannot be solved by other means.

Jake Pickle is leaving his post as director of organization for the State Democratic Executive Committee and will work in Governor Daniel's campaign. Jake Jacobsen, former Daniel aide, will head the Daniel headquarters.

Ranchers Expect Good Year.—Reflecting the age-old Texas philosophy that everything depends on rain, most Texas ranchers are wearing a smile this spring.

Members of the Texas and Southwestern Cattle Raisers Association meeting in Austin said wet weather had put a "season" in the ground. Prolonged cold meant a lot of expensive feeding, but, in general, the cattlemen look to this year as one of the best ever.

Amid the optimism, U. S. Sec'y of Agriculture Ezra Benson warned against too-rapid expansion of herds. It will almost certainly result in a sharp drop in prices, said Benson.

Benson noted that in the past two years cattle in the U. S. had increased by almost 4,000,000 head a year, double the rate he felt the consumer market can easily absorb.

He estimated there were a record breaking 101,000,000 head of cattle in the country at the start of the year. This is "not yet excessive," said Benson, but he urged that future increases

be "moderate."

Governor Daniel warned the cattlemen to watch the import situation. Governor's Exhibit A was the Texas oil industry which has suffered crippling setbacks from the competition of lower-priced imports.

Secretary Benson opposed raising import barriers. He suggested offset gains in that a \$4,000,000,000 export business in hides and tallow would be choked off.

Dolph Briscoe of Uvalde, former legislator, was elected president of the Cattle Raisers Association.

Cattle Measures Urged.—Cattlemen voted to seek governmental action in these areas:

1. State and federal agency help to enable railroads to operate more efficiently and economically.

2. Legislative enactment of a stronger trespass law to protect landowners.

3. Full authority for the Texas Animal Health Commission to direct the brucellosis eradication program begun under a law passed by the Legislature in 1959.

4. Confirmation by the U. S. Sec'y of Agriculture of the Association's right to carry out its brand registration and inspection program.

5. Launching by the USDA, as possible, of a screwworm eradication program in the Southwest similar to the dramatically successful Florida program.

Higher College Costs.—Next Legislature probably will be asked to appropriate about 23 per cent more for support of Texas' state colleges and universities.

Ralph Green, director of the Commission on Higher Education, said an estimated \$31,400,000 more than present allocations would be needed for the 1961-63 biennium.

This is some \$15,000,000 a year more than the \$65,000,000 being spent this year. Green told a Legislative Economy Committee the extra funds would be needed to meet increased enrollments and improve faculty salaries.

Green reminded the lawmakers that part of increased cost results from the legislature's having made a junior college in- to a senior college—against the Commission's recommendation.

More Youth Aid Asked.—Texas Youth Council has announced it will try again to get a paid parole supervision system for juveniles released from state training schools.

Legislature failed to enact

CHAMPION DELAINE EWE—shown by John Harrell Benningfield, son of Mr. and Mrs. Floyd Benningfield of Route 2, Goldthwaite. John Harrell is a member of Mills County 4-H Club and is an 8th grade student at Star, Texas. He won the championship with his Delaine ewe at the Hamilton show on March 10.

Over Million Benefit From REA Telephone Loans In Ten Years

REA's telephone loan program has played a major role in the agency's 25-year record of service to rural people. Loan activities under this program, now 10 years old, already assures modern telephone service for more than 1 1/4 million subscribers in 44 States.

The U. S. came out of World War II with great advances in the science of telecommunications, but down on the farm telephone service was poor and getting worse. There were actually fewer farms with telephones in the years between 1940 and 1950 than back in 1920-1930. This was why Congress on October 28, 1949, authorized REA to make loans for rural telephone service.

The decade that followed chalked up the largest gain in farm telephones ever seen. In contrast to 38.2 per cent of our farms with telephones in 1950, 88 per cent had telephones by the start of 1960.

REA Administrator David A. Hamil recognized the fast pace of rural telephone growth when he observed recently, "Many of us on farms and ranches are becoming so familiar with good

this last session. Council also outlined need for establishing a home for dependent and neglected Negro children and expanding other state schools for young people.

Other two members of the Council refused to add their support to a wide-scale delinquency program proposed by Chairman W. C. Windsor Jr. of Dallas. It included such recommendations as making 12 years of schooling compulsory, keeping schools open to 5 p. m. for students with special needs, working with the Texas Employment Commission to provide more job opportunities for youngsters, more emphasis on child and family guidance centers, etc.

Louis Henna of Round Rock and Robert Kneebone of Houston said Windsor's program invaded the fields of other state agencies.

Safety Laws Outlined.—Brad Smith, director of the Texas Safety Commission, has proposed a four-plank platform for cutting Texas' traffic toll. Planks are:

1. Provide driver education for every public high school that wants it.

2. Revise the 20-year-old drivers license requirements.

3. Set up a statewide test for suspected drunken drivers.

4. Set up a system of traffic courts.

Bridge Work Set.—Texas Highway Commission has announced plans to spend \$5,216,500 in strengthening or rebuilding more than 100 bridges. They are bridges regarded as not strong enough to take the increased 720,00 lb. load limit authorized by the last Legislature. At present these bridges are "zoned" to prevent use by trucks loaded to the limit.

dial telephones at arm's reach, that it will soon be hard to imagine ourselves without them." He recognized, though, that telephone companies and co-ops have a lot of improvement and expansion still ahead of them, when he went on to say:

"We know that millions of Americans are still without this modern convenience. And other millions would like to have better service than what they are getting. Some of these people live in the towns; more of them are in our rural areas, where the need for adequate communications is even greater."

Regency News

By MRS. J. A. JONES

The "Old Weatherman" is sure having a time making up his mind, for we have had some cold days this week. We received one inch of rain Friday night that was sure needed, for this old earth was sure getting dry. You can almost see the grass and weeds growing since the shower. Hope we get some more rain while it is still trying.

Sunday visitors with Mr. and Mrs. Cecil Egger were W. T. "Son" Lee of Mullin.

Jack Gunnels of Kress visited us Sunday morning. He came with two men to look at the W. O. Kirk place.

Mr. and Mrs. Kirksy Vuedman of Richland Springs came through here Sunday afternoon and stopped to say hello. Visitors with us Wednesday were Mr. and Mrs. J. W. Whitley and Bonnie of Spring Creek.

Mrs. W. W. Longmire of Spring Creek visited Mrs. J. M. Jones Wednesday afternoon.

Mr. and Mrs. George Garner of Goldthwaite visited us Monday until Thursday of last week.

Ed Jones and Dvon cleaned out Irene Whitley's cistern Thursday. Rats had gotten in it and drowned.

Luther Phillips and Mike of San Saba visited us Sunday. They wanted to try out their new boat, getting ready to fish seems like.

Sam Darwin and Mrs. Kate Underwood of San Saba visited Mr. and Mrs. Ed Jones Sunday.

Mrs. Butch Rowlett spent Saturday night with Mr. and Mrs. Cecil Egger.

Lonzo Parks of San Saba stopped at our store one day this week for a few hours' visit. He was with his son, Earl. It made us happy to see him able to be out again. We used to see him quite often when he and his wife were at their home at Locker.

Mrs. George Adams and children of Mercury visited her parents, Mr. and Mrs. Butch Rowlett, Sunday.

Mrs. Jack Locklear and children of Bardy were luncheon guests of Mr. and Mrs. C. Locklear Saturday. Mr. and Mrs. Locklear accompanied them home for a few days visit.

Final Rites For Rube Wesson, 67, Held March 22

Funeral services for Rube Wesson, 67, of Lampasas, were held from the Briggs-Gamel Funeral Home in Lampasas, Tuesday, March 22, 1960, with Rev. Millard Puckett officiating. Burial was in the Oak Hill Cemetery under the direction of Briggs-Gamel Funeral Home.

Mr. Wesson was born August 24, 1891 in Giddings and passed away March 20, 1960. He moved to Goldthwaite with his parents in his youth and lived here until his marriage to Hatie Benson, May 5, 1920. They moved to Lampasas in 1922.

Survivors are three daughters, Kathryn Wesson of Los Angeles, California, Mrs. Bettie Denison of Bradford, Ill., and Mrs. Florence Richardson of Lampasas; four sons, Don R.

Wesson, Los Angeles, California, Roy M. Wesson, San Antonio, A. C. Wesson, Waco, and Bobby L. Wesson of Houston; three step-children, Floyd Benson and Hoover Benson of Lampasas and Mrs. Irene Jahnke of Waco; one sister, Mrs. Julia Taylor of Goldthwaite and a brother, Craig C. Wesson, also of Goldthwaite; eleven grandchildren.

Pallbearers were A. K. Shelton, Willard Smith, J. J. Shelton, J. W. Taylor, Johnny Taylor, C. C. Shelton, H. B. Lunsford and Doyle Phelps.

Weather Report

According to the latest report from Harry Allen, official weather recorder for Goldthwaite, a total of 1.24 inches of rain was recorded here to date for March. This brings the total inches of rainfall for the first three months of 1960 to 5.52. This exceeds the amount for the same period last year (1959) which was 1.49 with only a trace of rain in January.

Adult Drivers Scheduled

Plans for an adult driver training clinic will be held last Thursday at the home of Mrs. Edna Hamilton Wedne. Mrs. Dudley Henningham, Home Demonstration agent, will be in charge.

Those sponsoring are: Goldthwaite Mullin Community Organization, Farm Bureau Extension and 4-H Culture Club, 4-H Club and all of schools.

Meeting dates will be from 7:45 p. m. and 26, and on Monday the high school students of Goldthwaite are invited to attend.

Mr. and Mrs. C. G. of Brownwood spent end with their parents, Mrs. Glenn Miller and Vern Grist.

Hugh Beck Services Held Saturday

Funeral services for Hugh Beck of Brownwood were held at 10 o'clock Saturday morning, March 26, at the First Methodist Church, Brownwood. Services were conducted by Rev. C. D. Wooten and burial was in Eastlawn Memorial Park, Brownwood.

Mr. Beck passed away at 9:30 o'clock Thursday. He was a member of the Presbyterian Church, the Masonic Lodge and Suez Shrine Temple in San Angelo. He had lived in Brownwood 12 years and was a farmer and rancher.

Survivors are his wife; one daughter, Mrs. Harold Smith, Brownwood; three sons, Leroy Beck of Somerton, Arizona, Alvie Beck of Houston and Bill Beck of Yuma, Arizona; two sisters, Mrs. Allie Senterfitt of San Saba and Mrs. Otis Carothers of Goldthwaite; one brother, Joe Beck of Woodville; and 10 grandchildren.

Persons

Mr. and Mrs. J. R. Ervin and Mr. and Mrs. O. R. Ervin of Ranger spent Sunday here with Misses Abbie and Ruth Ervin.

Misses Vena Booth of Manvel, Mary Helen Triplett of Alvin and Jim Thorne, student at ACC, Abilene, spent the weekend with Mr. and Mrs. Ernest Thorne, Farrell and Danna.

Mr. and Mrs. V. L. McCleskey of Austin were guests of her sister, Mrs. C. F. Stubblefield, and Mr. Stubblefield, Sunday.

Mrs. Frank Hines and Greta Sue visited Mrs. J. W. Weathers, a patient in Memorial Hospital, Brownwood, last Wednesday.

Mr. and Mrs. Luther Ward spent Sunday in Austin with their children, Miss Odena Ward and Colburn Ward.

Miss Margaret Reese, student at NTSC, Denton, spent the weekend with her parents, Mr. and Mrs. George Reese.

Mr. and Mrs. M. F. Horton spent the weekend in Waco with their son, Mr. and Mrs. M. A. Horton, Jan, Nan and Cynthia.

Mr. and Mrs. Vic E. Koleber carried their grandson, Jimmy Massey, to his home at Teague Tuesday, after a few days visit here.

Mr. and Mrs. Charles Ford of Kenedy spent the weekend with her parents, Mr. and Mrs. F. M. Stephens. They also attended the funeral services in Brownwood for Hugh Beck, Saturday afternoon.

Mr. and Mrs. E. L. Pass visited Mrs. Lincoln Saylor, a patient in San Saba Memorial Hospital, Sunday. They also visited Mr. Pass's cousin, Mrs. Mable Taylor and friends, Mr. and Mrs. John Riggs.

By CONNIE POPE
Warmer weather means it's time for spring-cleaning. The F. H. A. and the M. Y. F. are hoping you will make this clean-up soon and contribute to the World Clothing Drive.

The two organizations will collect clothing and send it to the Christian Children's Fund. The Children's Fund then distributes the clothing throughout the United States and abroad. If needed, 5 per cent of the collected clothing will be used locally.

You are urged to bring all clothing in good, clean condition. The clothing will be collected at the Methodist Church basement or the Goldthwaite High School homemaking department. If you are unable to bring your contribution call High School and someone will be glad to pick it up.

The drive will start April 4 and last through April 15.

Won't you please help by contributing? In this small way you can give encouragement and friendship to the poverty-stricken people of the world.

Baptist Worker's Conference To Be Held At Long Cove

The Mills County Baptist Worker's Conference will be held at the Long Cove Baptist Church on Monday night, April 4. The host church will serve supper at 6:00 with the Board Meeting and W. M. U. meeting at 6:45 p. m.

Rev. Ray Belts, pastor of the Big Valley Baptist Church, will be the speaker for the evening. The program will begin at 7:30 and the theme for this meeting will be, "The Youth In Our Churches."

A cordial invitation is extended to all, especially the youth of the Association, according to Rev. Halliburton.

JAMES McCLEMENTS ENTERTAIN GUESTS

Mr. and Mrs. James McClement and Judy had the following guests recently: Mr. and Mrs. Charles Emigh, Dover, New Jersey; Mrs. Bertha Sheff, Kenil, New Jersey; and Mrs. Bertha Bradford, Wharton, New Jersey.

While they were here, the McClements accompanied them to Austin for a visit with Miss Jerrilyn Gotcher. From there they went to San Marcos and San Antonio sightseeing. The McClements visited for a short time with Andy Baxter of San Antonio, a former citizen of Goldthwaite.

SOCIAL SECURITY REPRESENTATIVE SETS QUARTERLY VISITS

A representative of the Social Security Administration will be in the Goldthwaite Department of Public Welfare Thursday morning at 8:30 o'clock, April 14 and 28. Visits will also be made May 12 and 26 and June 9 and 23. He will assist local residents in filing their applications for disability, retirement, and survivors insurance.

Mrs. R. S. Mote has returned home from an extended visit with relatives, Mrs. J. H. Youngblood and Mrs. L. W. Hatters of Waco. She also visited her sister, Mrs. C. E. Eakens, at Moody.

BIRTHS

Mr. and Mrs. Joe Hammond of 2621 Cambridge, Odessa, are the proud parents of a son, born March 21, 1960, at Odessa Medical Center Hospital. The young man weighed in at eight pounds and seven and one-fourth ounces and has been named Marvin Louis. He has a sister, Cindy, two year old, who will be very proud to welcome him home.

Grandparents are Mr. and Mrs. Marvin Shoemake of Lometa and Mr. and Mrs. Ray Hammond of Midland.

Mr. and Mrs. Norris Witty of Star announce the arrival of a son, Richard Glen Witty, born March 28, 1960, at 7:00 p. m., at Childress Clinic and Hospital, Goldthwaite. He weighed eight pounds and eight ounces and has three brothers and two sisters to welcome him home.

Grandparents are Mr. and Mrs. George Brown of Center City and Mr. and Mrs. J. J. Witty of Star.

Mr. and Mrs. C. E. Schwartz of Comanche announce the arrival of a daughter at the Memorial Hospital in Brownwood on March 24, 1960. She was born at 8:24 p. m., and has been named Elizabeth Shaw.

Grandparents are Mr. and Mrs. Jack Elms of Center City and Mrs. Alma Schwartz of Priddy. Great-grandparents are Mr. and Mrs. A. A. Elms, also of Center City.

Mr. and Mrs. Eldon Ray Stockman of Brownwood are the parents of a son, Michael Eldon Stockman, born March 27, 1960, at 5 a. m., in Childress Clinic and Hospital, Goldthwaite. Michael Eldon has three brothers to welcome him home.

Grandparents are Mr. and Mrs. E. A. Doss of Melvern, Arkansas and Mr. and Mrs. C. C. Ward of Mullin.

Gregg Jernigan spent the weekend in Brownwood with relatives.

D. A. McGary, 83, Birthday Honoree

D. A. McGary of the Locker community, San Saba County, was surprised with a birthday dinner Sunday, March 27, to honor him on his 83rd birthday, which is March 31. Those present for the occasion were:

Short McGary, Donald Ray, Mr. and Mrs. T. H. McGary and grandson, Edwin, and Mr. and Mrs. R. V. McGary, Patsy and Larry, all of Austin; Mr. and Mrs. John McGary of Mullin; Mr. and Mrs. O. B. McGary, Minnie, Wanda and Mary Lou, Mr. and Mrs. A. D. Cawyer, all of the Locker community.

In the afternoon Mr. and Mrs. Elmer Gower of Brooksmith called.

All of Mr. McGary's children were present except a daughter, Mrs. Elgin Talley of Santa Anna. As the guests took their departure they wished for Mr. McGary many more "Happy Birthdays."

POINT OF NO RETURN !

More intently than ever the pilot now watches his dials, cocking a sensitive ear to the motors' rhythm. He has reached the point of no return. He dare not turn back.

Years of research by scores of scientists have perfected his plane. Hours upon hours have been spent in readying it for the journey. If something goes wrong now, the pilot will know instinctively what to do, because of his long years of training.

Like the pilot, you try to prepare for emergencies. You realize that without training beforehand, it is impossible to meet a crisis wisely and adequately.

The spiritual knowledge you'll need for these times can be found in the Church. Through its guidance you will learn to meet everyday problems with serenity, and emergencies with confidence.

Begin right now to strengthen your spiritual reserves of courage, faith, and hope. TODAY is your point of no return.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses

Complete Wool Sales Records Are Stressed

With the 1959 wool marketing year coming to a close and the 1960 year beginning, growers are reminded of the importance of complete records on their sales of wool and unshorn lambs. Producers will be eligible for payments for wool and unshorn lambs marketed not later than March 31 of this year. Growers marketing wool in 1960 will be eligible for payments for the 1960 year. E. L. Burkett, Chairman, Mills County Agricultural Stabilization and Conservation Committee, reminds wool growers that the sales documents must show net sales proceeds, in-kind deductions made for freight and other marketing charges. Where false information is filed, both the producer and the wool buyer are subject to penalties.

The average price received by growers for wool during the entire marketing year can be calculated and the payment rate announced. Payments to growers will be made sometime during the summer.

For the 1958 wool marketing year, 783 sheep growers in Mills County received net shorn wool payments amounting to \$290,000.54 and 364 Mills County lamb growers received net payments of \$22,494.90 on unshorn lambs sold. These amounts represent payments after deductions withheld for the growers' contribution to a fund for promoting the use of lamb and wool products. Deductions were 1 cent per pound for wool sold and 8 cents per hundredweight of lambs sold.

L. DONOWHO COMPLETES NAVAL TRAINING COURSE

Memphis, Tenn., (Spec.) — Billy L. Donowho, airman apprentice, USN, son of Mr. and Mrs. Joe C. Donowho of Route 1, Mullin, graduated March 8, from Aviation Familiarization School at the Naval Air Technical Training Center, Memphis, Tennessee.

The two-week course prepares students for further training in one of aviation's technical fields.

Instruction in the course included aircraft familiarization, math, physics and aircraft fire fighting.

SURRENDERS IN MAIL THEFT—Detectives question Allen (Nick) Golson, 32, in Chicago after he surrendered and admitted that he was the third member of a mail theft gang. George Wilson, 37, and William Perkins, 36, were arrested previously in the theft, during which two mail inspectors were shot to death. Police say Wilson has admitted that he fired the gun.

By Mrs. Rachel B. Cunningham

DATES TO REMEMBER:—Monday, April 4—Your Home Demonstration Agent will be on Radio Station KBAL at 10 a. m., with Dates to Remember and late news.

Tuesday, April 5—Your agent will be in Stephenville all day, working with District Records.

Wednesday, April 6—The Mills County Home Demonstration Council will meet at 2 p. m. in the agent's office. This is an important planning meeting and the Council Chairman, Mrs. Walter McFall urges all members to be present, so that we may have complete reports from all committees. There will be a special report from the THDA chairman, Mrs. Stacy McCasland, with reports on various workshops attended by the delegates, Mrs. Ruby Ross, Mrs. Janie Dorbandt and Mrs. Harvey Hale. Mrs. Hale was not an appointed delegate but did attend and gave so generously of her time and talents.

Thursday, April 7—The Star Home Demonstration Club will meet at 2:30 p. m., with Mrs. Woodson Clary at her residence. Mrs. Rachel B. Cunningham will bring the program, on "The Texas Food Standard."

Saturday, April 9—Your agent will be in Stephenville, attending the 4-H District Eliminations.

A bit of planning ahead makes a big difference in meal

Big Valley Siftings

BY SIFTER

We have received wonderful rains, which we were beginning to need.

Our School of Missions started Sunday and we heard two good messages and are looking forward to more through the 31st.

Mr. and Mrs. Dewey Tucker and Mr. and Mrs. Tuck Tucker and Earl went to Snyder Sunday to visit Dewey's sister, who is in the hospital.

Mr. and Mrs. Johnny Wolff and Iva Dee visited her mother, Mrs. Minnie Palmer, and brother, Mr. and Mrs. Jack Palmer in Flat, Sunday.

Mr. and Mrs. W. B. Wooster visited Mr. and Mrs. C. A. Page Thursday night.

Mrs. Connie Knowles and Mrs. Johnny Wolff and Iva Dee were in San Saba Friday.

Mr. and Mrs. Troy Brown and Freddie visited his parents, Mr. and Mrs. Andy Brown, Sunday afternoon.

Mr. and Mrs. Ben McConal had lunch with Mrs. Bert Murphy Sunday.

Mr. and Mrs. Connie Knowles and Mr. and Mrs. Bennie Wilcox spent Monday in Waco.

Mr. and Mrs. Robert Doak visited Mr. and Mrs. Hoyt Cockrell and children Sunday afternoon.

GIRL SCOUT SHOUT

By MRS. HOUSTON DUREN

The officers of the Goldthwaite Girl Scout Association met Monday night, March 21, at the Girl Scout House for the regular business meeting, with Mrs. Larry Dalton, Community Chairman, in charge.

Plans for Day Camp training were discussed, especially the need for a Camp Director. We have already missed some very important training, but there will be more training soon, which makes it necessary to get our Camp Staff immediately. Perhaps we would be happy to help with the Girl Scout Program, if only we knew about them. Should this be the case, we urge you to contact Mrs. Harold Yarborough, Mrs. Jack McAden, or Mrs. Larry Dalton, as soon as possible.

The Association voted to pay \$5.00 of the Camp Fee for every girl who attends Established Camp at Woodlake, again this year. This has been our policy for the last three years. Last year there were five Intermediate Girl Scouts who attended Established Camp at Woodlake. We are hoping there will be even more girls attending this year. We feel there is no better way to use our Girl Scout Association funds than helping girls have this wonderful camping experience. The camp application forms have already been sent to each registered Girl Scout. It is necessary that they be filled out and returned to the Brownwood office by April 1, or not later than May 15, 1960. Due to the limited camping space and the large number of applicants, the earlier the application form is mailed, the better chance you will have to choose the date that you prefer to camp. Please do not destroy your application form, even though you may not plan to use it, as some other girl may need it. (Non-Scouts will be accepted for Established Camp, if there is room for them, however, the fee is slightly higher and the Association does not pay \$5.00 on the camp fee for these girls.)

WHAT WILL BE PLENTIFUL IN APRIL???
Cranberry products head the list. Supplies of colorful cranberry sauce and juice are large enough to encourage wide use of this food all month.

That's a happy selection because cranberries go so well with all of the plentiful meats—pork, including ham for Easter; broilers and fryers and shrimp. Other high protein plentiful foods are eggs, milk and dairy products and peanuts and peanut butter.

Canned blackberries, especially those from Texas, Arkansas and Oklahoma, also are plentiful in the Southwest. Other fruits in good supply include canned freestone peaches, raisins and fresh dates.

Carrots, rice, almonds, filberts and lard complete the April list in Texas.

These are foods that pave the way for hearty springtime eating in the weeks ahead. The supply of each is expected to exceed normal demand.

TROOP MEETING REPORTS

Brownies

The troop 7 (2) Brownies hiked to the football field last Tuesday, with their Program Aide, Linda Yarborough, and watched the boys high jumping and running in the Track Meet. It proved to be an exciting experience for all the girls.

The other two Brownie troops were still busy getting the final

work done for the Girl Scout Banquet.

Intermediates

Troop 3 (5 & 6)—This troop held two meetings last week. They met Wednesday with the "Fly-Up" Brownies, troop 9 (4) and practiced the Indoor Flag Ceremony. Thursday, troop 3 held their regular meeting and completed plans for their part at the Banquet.

Troop 5 (7 & 8)—This is not a new troop, but one that could not register sooner as they did not have a leader. Mrs. Connie Pope will be the new Leader, with Mrs. Raymond Summy as Assistant Leader, and Lynetta Duren as Program Aide. They met for the first time last Tuesday afternoon in the Fellowship Hall of the Methodist Church. There were seven girls present.

The following officers were elected: President, Beverly Rhoades; vice-president, Charlotte Holland; secretary-treasurer, Karen Summy; and reporter, Judy Tubbs.

They immediately began plans for the Girl Scout Banquet. The girls lacked one major requirement on the "My Troop" badge which was begun last year, so they decided to work it out by having the devotional for the Banquet. The troop met again Thursday to complete plans for the Banquet.

SENIORS

Ship 8, (10), met briefly last Tuesday night to complete plans for the Girl Scout Banquet, then divided the work and carried it home to finish.

1960 Bond Sales Have Good Start

An increase of 4% in February marked the second time this year that Savings Bond sales in Texas have been greater than sales in the same month in 1959, according to W. P. Duren, Chairman of the Mills County Savings Bonds Committee.

February sales in Texas totaled \$15,506,998. Sales for the first two months of this year amounted to \$32,044,765 or 19.4% of the 1960 goal. Total bond purchases in Mills County for January and February were \$53,073 which represents 25.3% of the 1960 county goal.

"We are most encouraged by 1960 Savings Bonds sales," Mr. Duren said. "More and more people are purchasing Series E and H Bonds because they realize that in so doing they are making a direct contribution to the economic stability of this nation and to the future security of their own families. The

Moline "Pick-Ups"

Frank Karnes of Brownwood visited with Mr. and Mrs. Hugh Soules and children Friday, Saturday and Sunday.

Joyce Cobb, Judy Carswell and Wayne Coffman were visitors in the Hugh Soules home Thursday.

Mrs. Paul Kincheloe visited Mrs. Red Arrowood Saturday morning.

Mr. and Mrs. Webb Laughlin spent Sunday with Mr. and Mrs. R. A. Cox in the Scallorn community.

Mr. and Mrs. Red Arrowood spent Saturday and Sunday in Eastland with her sister, Mrs. Otto Crabb and Mr. Crabb.

Mrs. Paul Lee and mother, Mrs. M. L. Truitt, visited in the Dave Burns home in the Atherton community Thursday night. Mrs. Truitt spent the remainder of the week in the Burns home to help care for one of her granddaughters, who was painfully burned in a fire accident.

Mr. and Mrs. Arthur Martin visited in the Billie Crain home Sunday.

Lonzo O'Neal and brother, Elvis O'Neal, visited Mr. and Mrs. Jim Kincheloe in Adamsville Wednesday night.

Mr. and Mrs. Roydston House and boys of Goldthwaite visited her sister, Mrs. Paul Kincheloe and Paul last Sunday.

Mr. and Mrs. Ben Farris, Nick and Mr. and Mrs. Arthur Martin visited Mr. and Mrs. Baz Laughlin and girls last Sunday night.

Miss Linda Cook spent Wednesday night with Miss Nan Duncan.

Little Miss Patsy Carswell was selling garden seed in the neighborhood Wednesday afternoon.

Savings Bonds being purchased now earn an attractive 3 3/4% interest compounded semi-annually when held to maturity," Duren concluded.

PUT HEARING HANDICAPS OUT OF YOUR LIFE

Don't ever again fret about hearing loss making a hermit out of you. Remarkable new advances by Bellone research scientists have made thousands of hard of hearing folks happier than they ever dreamed possible.

FREE HEARING AID CONSULTATIONS

Come in and let Mr. C. V. McEylea help you with your hearing problems at the Mauney Courts on Monday, April 4 from 2:30 to 4 P. M. ADV.

noon. Miss Linda Jewell ate supper with Miss Rhonda Duncan Thursday night and they attended the basketball game at Evant.

Mr. and Mrs. Paul Kincheloe visited the Baz Laughlins one night recently.

Mrs. Haskell Alexander and Mrs. Webb Laughlin were business visitors at Johnson City Friday.

CHARLES R. HOBERTZ IN OBSERVATION TRAINING

Texas Tech Army ROTC Cadets are learning the duties which they will assume as future second lieutenants.

Charles R. Hohertz is among eleven cadets teamed up with officers at Fort Bliss, Texas, to observe normal activities of their respective branches.

Charles is a senior agricultural education major from Priddy.

RUNNING WATER FOR DISHWASHING

Cuts Your Dishwashing Time
IN HALF! Take the drudgery out of dishwashing. Let the wind or electricity pump the water for you! Plenty of water right out of faucet into your dishes.

MAKES WASHDAY EASY
Turn the faucet in the laundry and you have abundant water for washing and rinsing clothes. Save all the back-breaking effort of pumping, lifting, and carrying water to the laundry. There is an Aermotor water system to meet every need.

WIND MILLS
Put water where you want it... anywhere on the farm. Let the wind do your pumping. Wind power is free. Self-oiling Aermotor Windmill works without attention. Many capacities.

ELECTRIC PUMPS
For shallow or deep wells—all climates. Let an Aermotor electric pump save the time you spend pumping and carrying water. A few cents a day will pump hundreds of gallons of water to your faucets.

Palm Sunday Christ's entry into Jerusalem

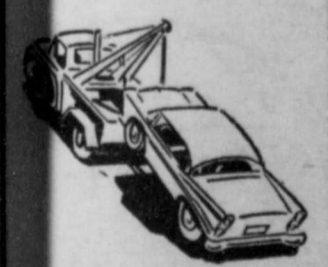

GUSTAVE DORN (1855-1883)

"AND the disciples went, and did as Jesus commanded them, and brought the ass, and the colt, and put on them their clothes, and they set Him thereon. And a very great multitude spread their garments in the way; others cut down branches from the trees, and strawed them in the way. And the multitudes that went before, and that followed, cried, saying, Hosanna to the son of David: Blessed is He that cometh in the name of the Lord; Hosanna in the highest."

"And when He was come into Jerusalem, all the city was moved, saying, Who is this? And the multitude said, This is Jesus the prophet of Nazareth of Galilee." St. Matthew 21:6-11

LONE STAR Agriculture

Released by
The Texas Department of Agriculture
By John C. White, Commissioner

TEXAS CATTLE UP 9%

It came as no surprise recently when the U. S. Department of Agriculture released its figures on livestock population at the beginning of 1960, showing that cattle on Texas ranges had increased by nine per cent over early 1959.

The USDA inventory reported the total of all cattle in Texas as of Jan. 1, 1960, at 9,276,000, compared with 8,510,000 at the same time a year ago. This nine per cent increase in population was nearly double the rate of the national increase, which amounted to about five per cent.

It also came as no surprise when the USDA reported that the total value of all livestock—cattle, hogs, sheep, horses and mules, poultry—had gone down in spite of increased numbers in most categories. The total valuation at the start of 1960

was placed at \$16,236,408,000, compared with \$18,092,870,000 a year ago.

Nationally, the livestock and poultry population figures showed these comparisons: Cattle, 101,520,000 this year and 96,650,000 last year; milk cows, 21,331,000 and 21,488,000; hogs, 58,464,000 and 56,924,000; sheep, 33,621,000 and 32,945,000; horses and mules, 3,089,000 and 3,142,000; chickens, 368,859,000 and 383,529,000, and turkeys, 5,673,000 and 5,923,000. Horses and mules declined two per cent, chickens fell off four per cent in numbers, and dairy cows eased off one per cent.

At the same time, the USDA estimated a sharp drop in value per head of livestock, as follows: Cattle: \$136 this year and \$153 last year; milk cows, \$208 and \$219; hogs, \$16.50 and \$20.30; horses and mules, \$112 and \$101; chickens, \$1.05 and \$1.26, and turkeys, \$4.91 and \$4.65. Only horses and mules and turkeys showed a slight increase in price.

Release of the figures reemphasized the attitude of most authorities in their outlook on the 1960 cattle market, which is that the time has arrived for caution in planning any further increases of the livestock population on Texas ranges. Good range conditions in general continue to encourage the trend toward taking full advantage of the conditions, but authorities agree that extreme care should be exercised before any further heavy expansion is developed.

Questions And Answers About Social Security

Question: I have heard that I can pay my own social security tax. I earn wages of \$4,000 a year, and I want to pay on \$4,800 in order to get the maximum benefits. How can I do this?

Answer: As an employee, your social security tax is reported and paid by your employer. In order to pay the tax on \$4,800, you must earn that amount. Only self-employed business and professional people and ministers pay their own social security tax on the actual amount of their net business income for the year.

Question: My husband didn't like his middle name and changed it when we were married.

Answer: No action is necessary now. A person has the right to decide how his name will appear on his social security card. When he claims benefits, he can explain the name change.

Our marriage certificate and his social security card show different middle names on them. What can he do to correct this so he can identify himself when he becomes age 65 and applies for social security benefits?

Answer: No action is necessary now. A person has the right to decide how his name will appear on his social security card. When he claims benefits, he can explain the name change.

COMER ON ERASING OLD HATRED—Prime Minister David Ben-Gurion of Israel and Chancellor Konrad Adenauer of West Germany confer informally in New York. Ben-Gurion, who came to the United States for an honorary degree, stayed overnight in a hotel suite two floors above that of Adenauer, bound for Washington for pre-summit talks with President Eisenhower. Their historic meeting was hastily arranged despite the lack of diplomatic relations between the two nations. The talks are seen as an opening in the settlement of old hatreds planted by Adolf Hitler.

Portrait of a Man Saving a Life!

This man is saving a life right from his own armchair just as surely as if he had braved treacherous waters to help a stricken swimmer. For his particular Red Cross contribution was used for Emergency First Aid Training... an important part of Red Cross work to be done each year. It's work that calls for dollars... many of them.

And without his help—and the help of millions of other Americans, the Red Cross could not function. Keep the Red Cross at full strength to help when disaster strikes, when blood or first aid can save a life, or when a serviceman needs assistance. Join and join generously when your volunteer agent calls. Remember—you are the Red Cross.

MILLS COUNTY STATE BANK
GOLDTHWAITE, TEXAS

Mrs. Lee Roy Stacy Will Direct 1960 Cancer Crusade In County

Mrs. Lee Roy Stacy has been chosen to direct the 1960 Cancer Crusade in Mills County, it was announced recently at local headquarters of the American Cancer Society.

MRS. LEE ROY STACY

Accepting the chairmanship of the annual educational and fund-raising drive, which begins April 18, Mrs. Stacy urged "All public-spirited citizens of our community to make this a full-scale offensive against cancer."

Cancer is public enemy number two, second only to heart disease as a cause of death. April has been designated Cancer Control Month by Presidential proclamation.

Cancer control is a year-round program. But this is the time of the year when we go all out to try and save more lives. And it's the time of year when volunteer workers of ASC ring doorbells and collect funds to increase the war against this enemy cancer.

Of the 265,000 lives that will be lost this year due to the various forms of cancer more than 85,000 of those could be saved right now. They are wasted because people don't know the facts, or because they procrastinate. If diagnosed and treated early enough these 85,000 lives could be saved.

The ultimate defeat of cancer is the great objective of the Cancer Society's research program: It supports more than 1,000 top-flight scientists in hundreds of laboratories in all parts of the country.

Mrs. Stacy will have the help of the following leaders in launching the Mills County Cancer Crusade:

Mr. and Mrs. D. V. Westerman spent Saturday night and Sunday in San Antonio with their children, Mr. and Mrs. L. H. Linn and Greg.

Scout Commissioners Training Course At Lake Brownwood

Scout Commissioners Training Course for the Comanche Trail Council, Boy Scouts of America, was held at Lake Brownwood last Friday and Saturday. This is a National Training Course and will be held again next year.

Those attending the course were, Doyle Graves, Poultry Division, Tarleton State College, Council Chairman of Comanche Trail Council, Stephenville; Tom Pinto, retired, Brownwood; Bob Slaughter, Scout Field Representative of the North-East District, Breckenridge; Maeborn Sanner, Scout Field Representative of South-Central District, Goldthwaite; Vern Pendleton, Gulf Oil Company, Stephenville; Dr. William Sweet, District Commissioner, Brownwood; Harold Warford, County Judge of Stephens County, Breckenridge; Joe Galbriath, Scout Executive, Brownwood; Bob Dennis, Central Freight Agent, Brownwood; Charles Conrad, District Commissioner, Manager of the San Saba Production Credit Association, Goldthwaite, and Rio Cox, Insurance, Brownwood.

Charles Conrad, District Commissioner, announced that approximately forty business men were expected for this course, and officials expressed the hope that next year more men would show more appreciation for the course and attend.

Mills County Scholastic Report

Mills County Scholastic Census Reports for 1960-61, having been tabulated this week and mailed to the Texas Education Agency by Odell C. Burns, Assistant County School Superintendent, reflect a total of 894 scholastics enrolled in Mills County in the four schools, Goldthwaite, Mullin, Priddy and Star.

This is a decrease of 16 scholastics in the County since the 1959-60 census report.

HIGHJUMP—San Saba, first and second; Goldthwaite third.

DR. R. GLYNN RALEY recently received his 30-year I. O. O. F. service pin. According to The Odd Fellows news he is possibly the youngest member to receive this jewel at 48 years of age.

His 30 years as a member of I. O. O. F., shows that he became a member immediately after his 18th birthday. Dr. Raley was born July 30, 1911 and the records show that he became a member of this organization on August 13, 1929.

Dr. and Mrs. Raley came to Goldthwaite from Comanche in 1953 and are now owners of the Raley Clinic in Goldthwaite.

He was instrumental in helping to establish an Odd Fellows Lodge in Goldthwaite a little over a year ago and is presently serving as secretary of Goldthwaite Lodge No. 198. He is a Past Noble Grand of Miles Lodge.

Art And Civic Club Pre-School Easter Parade Scheduled April 13

The Art and Civic Club Pre-School "Sweethearts On Parade" is just two weeks away. Many mothers have been contacted to enter their children in the show.

Any mother that has not been contacted and is interested in entering her children, is asked to contact Mrs. Chester Berry, Mrs. W. G. Saylor or Mrs. M. F. Horton, all of Goldthwaite.

Requirements of the show are: Be on stage promptly at 3:45 p. m., at which time the children will parade individually or as a brother-sister team.

All children will receive a small gift as they leave the

stage. The parade will be held on Tuesday, April 13, at the Goldthwaite High School Auditorium. Tickets are now on or can be purchased door before the show.

Many folks are asking what the proceeds will be for. The Art and Civic Club has had many communique subjects this year and proceeds will be used for projects next year.

The general public is invited to attend the Parade Style Show which is hoped many enthusiasts will attend to see the children parade. The show will be approximately 30 to 40 minutes long.

Goldthwaite Track Team First In Practice Meet Here Last Week

In the practice meet held here last week three schools took part, Goldthwaite, Lometa and Mullin. Goldthwaite took first place with 60 points, Lometa second with 28 points and Mullin third with 24 points.
