All-Star Game

Halfback Karry Harper of Goldthwaite and Mike Braden of the East to a 34-6 victory over the West last Friday in the six-man all-star game at Cisco.
 Braden kicked a 34-yard field goal on an end around and ran 20 yards untouched for the first touchdown of the game. Harper (East) punted 60 yards for a touchback. Karry Harper passed for 100 yards and three touchdowns. Jones of Buckholtz kicked a 22-yard field goal for the score for the East at the half time.
 In the third quarter Braden took a pitchout from Harper and ran 49 yards for a touchdown. Braden also brought the score in favor of the East.
 In the last quarter of the game Harper passed 18 yards for a touchdown and also passed to Jimmy Trinidad for extra points. Harper kicked a score of East 26-6.
 Then Harper passed to Estes for a touchdown. Harper also kicked the extra point. Score now stands 34-6 West 0.
 Wiseman of Fort Hancock passed to Jeff Paint Creek who ran for a touchdown. Final score for East 34-6 West 0.

Solving City's Water Problem Goes Before Voters August 20

Taxpaying residents of the City of Goldthwaite and Mills County Fresh Water Supply District No. 1, will try to solve their water problem when they go to the polls and vote on \$425,000.00 in two bond issues to provide a permanent and adequate water supply for the future.
 The bond election has been called by the City Council and the Board of Supervisors for Tuesday, August 20, 1963 in the City Hall in Goldthwaite.

Action by the two official groups was taken when the council and water board were presented a petition signed by 463 interested citizens urging officials to take immediate steps to solve the water problem that has faced the city for many years.
 Goldthwaite has been short of water, with some parts of town completely out of water from about six a. m. until around midnight, several weeks each summer for many years.

COLORADO RIVER BEST SOURCE OF SUPPLY

The bonds to be voted on would finance going to the Colorado River for a permanent source of water supply for the city. The Colorado River is the only permanent source of supply, according to reports from the city's engineers, who made a complete and thorough study and survey of all possible sources of supply.
 Plans as recommended by engineers would call for construction of pumping facilities at the river, an off-channel storage reservoir, filtration plant and pipe line to the city's distribution plant.

The proposed improvement is planned to take care of the city's present population and allowing for increase of up to 2,000 population to take care of future growth.
 The City of Goldthwaite has a permit to take water from the Colorado River.

"Water" For Thought!

A well known rancher living in the western part of Mills County made the following observation not long ago while talking to a friend of his who happens to live in Goldthwaite. He stated:

"I have always thought of the situation in this light. If a man owns a farm or ranch and he doesn't have water on it, it isn't worth much.

"And, I can't help but feel that the same would apply to a town, or a person having property in town."

Council Requests Reduction In Water Use As Shortage Continues

The city council meeting in regular session Monday night voted to publish a water notice in the paper requesting all citizens to reduce use of water during the emergency and shortage of water. Notice appears in this issue.
 It was pointed out at the council meeting that there is no relief in sight and until the condition is improved water users are asked to reduce use of water to necessary household and commercial purposes.

In other parts of town they are experiencing low pressure but have been getting some water.
 Officials hope that water users will cooperate and cut their own water use to help those who have none.
 Points stressed in the notice making it necessary to request the reduction are: That we may have fire protection, that schools may be able to open and as a safeguard to health.

AT TOY MARKET

Mr. and Mrs. Carl Kauhs were in Dallas Tuesday where they attended the annual fall Toy Market.
 They represented the H. B. Davis Store in Goldthwaite.
 Last week they attended the regular fall market in Dallas.

Nan and Jan Miller of Austin are spending this week with their grandparents, Mr. and Mrs. Hobson Miller.

FINANCING

The project would be financed jointly by the City of Goldthwaite and the Mills County Fresh Water Supply District No. 1 with two bond issues in a total amount of \$425,000.00.

CITY TO HAVE REVENUE BONDS

The city's part in financing the program calls for a \$200,000.00 Utilities revenue bond issue.
 These bonds would be paid for out of operating profits from the city's water, sewer and electric utilities departments. Bonds are to be retired over a period not to exceed 30 years with prevailing rate of interest but not to exceed four and one-half per cent.
 There would be no increase in water rates.

WATER DISTRICT WILL HAVE TAX BONDS

The Water District's share of the project calls for a tax bond issue in the amount of \$225,000.00.
 This bond issue would be paid for from a water district tax. The tax roll would be set up on the same property rendition as the city's tax roll amounting to approximately \$1,000,000.00, with a tax rate of \$1.50 per \$100 valuation.
 The tax bonds would be paid for over a period of not to exceed 35 years with interest at the prevailing rate for similar bonds but not to exceed four and one-half per cent.

COST TO TAXPAYER

The question that is naturally in the minds of all residents of the city and the water district is: What will it cost me?
 That can be answered in easy simple terms. A person who now pays \$15.00 in city taxes would pay \$15.00 in water district taxes. An individual or business firm who pays \$200.00 in taxes to the city would pay a \$200.00 water district tax. Or, a person who now pays \$7.00 in city taxes would pay \$7.00 in water district taxes.

50 YEARS AGO—

(Taken from The Eagle Files of August 9, 1913)

G. T. Perry and Miss Bertie McGowan were married at the Baptist parsonage in this city Tuesday evening, Rev. J. C. Newman officiating.

Last Sunday afternoon little Miss Vera Allen, youngest daughter of J. M. Allen, fell from the steps at the residence of Dr. M. L. Brown and broke one of her lower limbs just above the ankle. She attempted to jump from the step and her shoe heel caught, causing her to fall and the broken limb was the result.

Burney Fisher from the Duren community died in the sanitarium at Temple Tuesday morning and his remains were carried to Mullin Wednesday night and burial was in the Duren Cemetery Thursday.

W. E. Egger this week bought Hender's Racket Store on the

Evans' first visit to Goldthwaite since 1900. Before moving to Tucson from Goldthwaite he was employed as a delivery boy for the J. C. Street Grocery Company here.

25 YEARS AGO—

(Taken from The Eagle Files of August 5, 1938)

A large group of the leading citizens and businessmen of the city met at the courthouse Monday night and presented a petition with 266 signatures to the city council demanding that they take immediate action to make arrangement to receive and distribute electrical power that is going to be available from the government-owned Buchanan Dam and Inks Dam.

A new grocery store, the Farmers' and Ranchers' Supply House, opened their doors for business Saturday. The store is located in the A. J. Harrison building next door to Steen's.

Mr. and Mrs. Fred Martin and daughters, Misses Aileen and Jeanette, are moving to Norman, Oklahoma, where the young ladies plan on entering the University of Oklahoma.

According to information received Wednesday afternoon by Mayor H. G. Bodkin from Highway Engineers at Brownwood, the Colorado River Bridge on Highway 81 between Goldthwaite and San Saba would be open to light traffic the later part of the week and that gravel was being palced on the approaches where it had been so muddy.

Tuesday a six-car cavalcade carrying the Goldthwaite Band and several of the boosters toured the county advertising the band concert and cake-walk which was held Tuesday night.

In compliance with the request of the citizens of Goldthwaite, as voiced by their committee and petition, the city council, Wednesday, employed Wm. G. Morrison, consulting engineer of Waco, to prepare a report and make application to PWA for funds to buy and construct a municipal distributing plant.

FOR YOUR HEALTH And WELFARE

Hudson Drug has been serving the people of Goldthwaite and Mills County area for the past 42 years.

During these many years it has been our policy to keep uppermost in our mind the health and welfare of the people and community as a whole and to do everything that we could to help solve our problems to that end.

We sincerely believe that it is to the best interest of our community now to solve our water problem since it too is a matter effecting the health and welfare of our people and the community.

We are for the proposed water improvement program and we would urge citizens of the city of Goldthwaite and Mills County Fresh Water Supply District No. 1, to join us in support of the water program and to vote for the bond issues on Tuesday, August 20.

W. S. C. S. Meets Tuesday Morning

The Woman's Society of Christian Service met Tuesday morning, August 6 in the Fellowship Hall.

The program, "World Neighbors," was led by Mrs. T. C. Graves. Added to the interesting program was a reading, "Who Is

My Neighbor?" by Kathi Head, picture slides of "Brasilia," and foreign songs were sung by four members of the MYF.

Mrs. Sam Sullivan, Mrs. T. C. Graves, Miss Love Gatlin and Mrs. Fred Reynolds gave interesting reports of their recent attendance to the School of Missions which was held in Kerrville.

Community News From Mullin

By MRS. JOHNNIE HOLLAND

Chappell Hill

By PEARL CRAWFORD

Bud Robertson and Ol Brown cut and baled hay at the C. A. Starks farm last week.

W. W. Ratliff baled hay for Bill Daniel during last week and Pat and Lynn Oxford and Jimmie Evans hauled in the hay.

The hay baler is running at the J. S. Ivy farm.

Mr. and Mrs. J. S. Ivy were Brownwood visitors during last week.

Mr. and Mrs. A. L. Crawford were visiting in Brownwood Monday.

Mrs. J. W. Burrus and Miss Lucy Mae Burrus were visitors at the W. P. Oxford home during last week.

Mr. and Mrs. Morgan Smithers visited Mr. and Mrs. Hugh Nowell Wednesday night and enjoyed a "42" game.

Mrs. Fay Dufner and Bettie Fay of Austin were visitors of Mr. and Mrs. W. W. Ratliff last week.

Mr. and Mrs. F. H. Tiemann attended church at Priddy Sunday.

Mrs. Raymond Tiemann has been visiting her parents, Mr. and Mrs. J. C. Carr, who have both been patients at Childress and Cruzcoza Clinic and Hos-

pital. We wish for them a speedy recovery.

Mrs. Joe Burdette was sick a few days last week. We all wish for her a speedy recovery.

George and Pearl Crawford visited Mr. and Mrs. A. L. Crawford and William Sunday afternoon.

Mrs. Ethel Kemp of Comanche and Mrs. Maude Prater spent Saturday night and Sunday with Mr. and Mrs. V. T. Stevens.

Mr. and Mrs. O. A. Evans attended Sunday School at Mullin Sunday.

W. A. Berry killed a very large rattlesnake Wednesday. He was walking over the pasture seeing about the livestock when he found the large snake.

Visitors of Mr. and Mrs. Ol Brown included Mr. and Mrs. Victor Williams, Carolyn and Gene, and Mr. and Mrs. Dale Allen.

O. L. Harris was a patient in the San Saba Memorial Hospital a few days. At last report he was improving satisfactorily.

It was nice seeing Mrs. Eula Nickols in town Saturday.

Mr. and Mrs. O. A. Dunlap were visitors in Goldthwaite Saturday afternoon.

Mrs. O. A. Evans and Mrs. Ruby Eldson were dinner guests Sunday of Bob and Ruth Reynolds.

I would like to express my sympathy for the people of Mullin to the different families who have lost loved ones recently.

Mr. C. A. (Shorty) Plummer passed away in a doctor's office in Goldthwaite last Monday afternoon. He had been suffering from a heart condition for several years. He had lived in Mullin all of his life and had many friends here.

Mr. S. S. Price passed away in a Crase nursing home last Thursday. He was a former resident of Mullin. Funeral services were conducted Saturday at 4 p. m. from Wilkins Funeral Chapel in Goldthwaite with interment at the Cemetery at Duren. He was 88 years of age at the time of his death.

Also Mr. William C. Preston died in a Midland hospital last Thursday at 12:35 p. m. Services for Mr. Preston were held Saturday at 10 a. m. in Newmie W. Ellis Chapel, with burial in Resthaven Memorial Park at Midland. Mr. Preston was reared in Mullin. He and his family are all well known here. He is survived by his wife, five daughters, 14 grandchildren and three great-granddaughters.

Funeral services are pending at the present time for Mr. Will Spinks who passed away Saturday night in a Brownwood rest home. Mr. Spinks is another old timer of Mullin.

Also Mr. Joe Burdette passed away recently. While I do not know the details of Mr. Burdette's death, he is well known in Mullin and he and his family have many friends here. Again may I express sympathy to each of these families.

Mrs. Kyle Lawson has gone to Olds, Alberta, Canada, where she will have an extended visit with her son, Marvin, and family.

Mrs. Ethel McKinney of Zephyr has been visiting here with Miss Corrine Henry.

The Rev. and Mrs. Lenward Harrison of Rochester were here to attend the funeral of Mr. Joe Burdette. Mrs. Harrison will be remembered by friends

in Mullin as the former Lorene Weston, daughter of the late Harmon and Mrs. Weston.

Mr. and Mrs. Bob Parker and Donna Jean of Kermit are here visiting with her parents, Mr. and Mrs. Grady Hancock.

Also Mrs. Betty Coburn, Terri, Mark and Clark of Kermit are here visiting with her parents, Mr. and Mrs. Lindsey Kittle.

We had quite a bit of excitement in Mullin Sunday afternoon with a grass fire on the lot just south of Mrs. Birdie Chambers. The Goldthwaite Fire Department came to help fight the fire. As dry as it is now a grass fire could really "go to town." A cigarette is thought to have started the fire.

Carroll Lockett left Mullin last week. He has to report to Mineral Wells for a two weeks training period with the Army. Shortly after the training he will be back in Lubbock for another session of school. He teaches in the school system there.

Arthur Hunts To Celebrate Fiftieth Wedding Anniversary

Mr. and Mrs. Arthur Hunt of Moline Route, Goldthwaite, will celebrate their 50th Wedding Anniversary Sunday, August 18, 1963, with open house at their home from 2:00 until 6:00 p. m. Hosts for the occasion will be their children.

Mr. and Mrs. Hunt were married in Lampasas August 25, 1913.

All friends and relatives are invited to call during the appointed hours.

CPL. HUDSON SERVING WITH FIGHTER SQDN. 513
Santa Ana, Calif. (PHTNC)—Marine Corporal Patrick E. Hudson, son of Mrs. J. C. Dellis of Goldthwaite, is serving with Marine All Weather Fighter Squadron 513 at the Marine Corps Air Facility, Santa Ana, California.

Hudson, who entered the service in July 1958, is a graduate of Dawson Springs High School, Dawson Springs, Kentucky.

Mrs. A. M. Pribble has returned from a two weeks vacation with her sons, Dean and Richard Leineweber and families in Silver Springs, Maryland.

Regency News

By MRS. J. A. JONES

Mr. and Mrs. Nathan Allen and children of Abilene spent the weekend with Mrs. Allen's parents, Mr. and Mrs. Butch Rowlett.

Monday morning, hot and dry. I have been thinking the last few days what I heard a Negro man say at Marlin one time. He said "we need rain as bad as a dead man needs a coffin," now that is getting dry, isn't it?

Mrs. Leman Teal spent last week in Lubbock with her daughter, Judy, who is attending summer school there.

Mr. and Mrs. Willard Edington took their daughter, Marsha to Abilene Saturday, to register for school at McMurray College. Jerry Egger will attend Abilene Christian College.

Mr. and Mrs. Hubert Teal of Oklahoma spent Wednesday night and Thursday with Mr. and Mrs. Leman Teal and the

Ish Tanners.

Mrs. Neva Coffee Woodsbury paid us a short visit one day this week. She is the daughter of Mrs. Dona Taylor of Goldthwaite.

Mr. and Mrs. Ernest Martin of Odessa and Mr. and Mrs. E. J. Martin of Clute visited Mrs. Mae Egger over the weekend.

Phill Tanner is visiting his uncle and aunt, Mr. and Mrs. Ray Cacougher and Luther Teal of Lubbock this week.

Weekend visitors with us were Mr. and Mrs. G. W. Newsom and Mr. and Mrs. Arnold Stovall and children, all of San Angelo. Mrs. Irene Whitley of San Saba ate dinner with us Sunday.

Mr. and Mrs. Bill Belich of El Paso spent the weekend with Mrs. Belich's parents, Mr. and Mrs. John Briley of Ebony.

Mrs. Austin Cawyer and Mrs. Edna Dwyer of Victoria are spending a month at the home of Mrs. Dwyer at Ebony.

Mrs. Junior Whitley and children of Odessa are visiting Mr. and Mrs. Billy Hale this week.

Personals

Mrs. Herbert Hilbert of Abilene and Mrs. B. C. Hilbert of Waco were visiting Mr. and Mrs. Dan Covington Monday at Childress and Cruzcoza Clinic and Hospital, where Mr. Covington is a patient.

Mrs. Royce Wheat and daughter, Belinda, of Corpus Christi were recent guests of parents, Mr. and Mrs. Roy McEll, Her son, Royce Jr., returned home with them after spending a month with his grandparents.

Judge and Mrs. Cecil have their little granddaughters, Donna Goodwin of San Antonio with them at the present time.

Mr. and Mrs. Clayton and children of Brownwood visited us awhile Sunday afternoon.

Mrs. M. C. Partridge and by a few minutes to see a day morning. She had her Locker to get peaches.

HD CLUBS PICNIC SCHEDULED AUGUST 15

The county wide Home Demonstration Clubs annual Family Picnic has been set for August 15 at 6:00 p. m., at the Mullin Park on Highway 84. Everyone is invited to bring their family and a picnic supper and enjoy the fun and fellowship, according to Martha J. Moody, agent.

Proud Of First Shot
First shot of the Texas revolution was followed by the cry of "Come and take it."

This was the response from a small band of Texans in answer to the Mexican Government's demand to surrender the now famous cannon of Gonzales.

Although the cannon was small and was loaded with chains and scrap iron, its mighty shot started the war that resulted in adding more territory to the United States than was acquired in the American Revolution.

Gonzales rightfully is proud of this moment in its history.

This is evident by the fact that any resident of this Central South Texas town gladly will tell you all about its historic past.

And you hardly can miss the city's imposing monuments erected in commemoration of this great moment in history.

Best Known Town In Texas
How can a town of only 3,000 or so population become world renowned?

Even if it is unique or has a lot to offer, 3,000 people aren't many to spread the word so far and wide.

Yet, Decatur, Texas, in the northern part of the state, has done just that.

It was through gaming circles that the saying of "eighter Decatur, county seat of Wise," rapidly spread throughout the country.

Nobody seems to know how it happened, but it sure didn't hurt for Decatur to be on the Butterfield Overland Stage Line back around 1860. This was a semi-weekly stage and mail route connecting St. Louis and San Francisco, stretching some 2,795 miles.

Buried City Found In Texas
It is said that Texas has most everything under the sun. And it appears to have quite a bit under the earth, too.

Besides oil and other natural resources, Texans have uncovered a city that was buried beneath its soil.

This buried city, the Pueblo ruins, was discovered by archaeologists in 1907.

Located about 18 miles southeast of Perryton in the Panhandle's Ochiltree County, the ruins were those of the Panhandle Pueblo Indians. These Indians were agriculturists, stone house builders, pottery and basket makers.

It is believed that these stone

houses were in ruins even when the great explorer Coronado was in this area around 1541.

Living In Borger
Your life will be safer when you visit Borger, Texas. But there was a time when this Panhandle town was as notorious as the gun slingers who walked its streets.

They used to say that you hadn't really lived until you spent a night in the oil town of Borger. Yet many who tried - didn't.

This colorful city still attracts many visitors each year. But the climate is much healthier now.

The President Slept Here
Texas, long known for its accommodating nature, also has

been famous for its fine hotel accommodations.

Certainly among the latter you would have to include the old Excelsior Hotel, located at Jefferson, in Northeast Texas near the Louisiana border.

The Excelsior is not just a memory. It still stands today, equipped with its original furniture dating back to the mid-1800's.

Many tourists marvel at the original hotel register which includes such names as President Hays and Jay Gould.

Y'all Come
Come on out and use my 1,123 acre East Texas Ranch just anytime you want to, pardner.

Yep, it's just six miles south of Huntsville in Walker County. Lots of people camp out here and use my picnic grounds. There's more'n enough room for all. Got a lunch counter, bait house for you fishermen, swimmin' hole, playground equipment and a nice dance terrace where you can kick up yer heels

too.
This one's known as Huntsville State Park.

By MRS. ORA BLACK

BARBECUE SUPPER

A barbecue supper honoring C. H. Black on his birthday will be served at the home of his mother, Mrs. Ora Black, August 17th, at seven o'clock. Friends are welcome.

After the feast games of "42" and canasta will be played, accompanied by an old fashioned singing. Please bring your card tables.

Weather conditions are hot and dry. Fortunately the latter part of the nights are cool and pleasant.

Mr. and Mrs. Dick Hughes arrived here last week from Arkansas and visited with the C. H. Blacks. On Monday they left for Arkansas to return by the middle of the week with their household furnishings to be placed at 805 Parker Street in Goldthwaite, where they will be located for the time being.

The Hughes purchased a tract of land from the Van Straley heirs located seven miles south of Goldthwaite on the Goldthwaite-Lometa highway. As soon as plans are worked out the Hughes will have their new home under construction.

We welcome these fine neighbors back in our community. They were the original owners of Shady Oak Ranch.

Mrs. Carrie Hereford and Mrs. Lila Ward of Goldthwaite were visitors in the Evans home Tuesday.

Sunday we had as our guests Mr. and Mrs. Charles Wright of Mullin, their granddaughter, Barbara Bryson of Coleman, and Mr. and Mrs. Earl Blake.

Mr. and Mrs. Virgil Evans and twin baby daughters of Mineral Wells were guests of his father, Ed Evans, and aunt, Mrs. Lora Maund, Sunday.

Friends and relatives met at the Ben Leach home Sunday for a family reunion. A barbecue with all the trimmings was

served at the noon hour. Mrs. Huntis Black visited recently in Star with her parents, Mr. and Mrs. Sheldon.

Mr. and Mrs. Dean Burk and family came over from San Angelo the first of the week to help celebrate the birthday of their mother and grandmother, Mrs. Silas Burk.

While on their way from Goldthwaite to their home in Alice Mr. and Mrs. Cecil Bradley came by our place Tuesday morning for a visit with their uncle, H. B. Bradley of Mineral Wells and their two aunts, Mrs. Vida Black of Brownwood and Mrs. Ora Black.

Mr. and Mrs. Bradley came for the Laughlin reunion which was held at the American Legion Hall in Goldthwaite and to visit his mother, Mrs. Lina McLean. Mary, their daughter, remained with her grandmother for a longer visit.

Mrs. Layton Black came in from Navasota Friday and spent the weekend with her parents, the Clyde Gilms of Lometa and the C. H. Blacks.

Mrs. Black's school will close August 5. After two years of teaching at Navasota the Layton Blacks will make their home in Goldthwaite. Mr. Black will assume his duties as vocational agriculture teacher in the Goldthwaite school and Mrs. Black will teach in the Priddy school.

Mr. and Mrs. Wayne Henry visited Thursday in Lometa with her parents, the Arlie O'Bannons.

Guests in our home last week were our brother, H. B. Bradley of Mineral Wells and our sister, Mrs. Vida Black of Brownwood.

Other visitors were Mr. and Mrs. Charles Wright of Mullin, Mr. and Mrs. Earl Blake and Mrs. Norma Riker of Brownwood.

Dr. James A. Turman and family of Austin spent Sunday here with the C. H. Blacks.

Mr. and Mrs. Herman John-

son and children of Silas Burk visited this week with Mr. and Mrs. Leon Johnson.

Mr. and Mrs. Wayne Henry attended the O'Bannon reunion held in Brady Sunday. Rev. Ray Rogers and family were luncheon guests of Mr. and Mrs. Bill Bishop and family Sunday.

Mr. and Mrs. Boyd Jackson and family of Austin and Walter Henry of Lampasas were guests of the Wayne Henry Tuesday.

Mrs. Kate Sykes was a guest of Mrs. Annie Miller Sunday.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford
TEXAS PRESS ASSOCIATION

Meeting Suit Set of a special legislative court in Harris County set a September 23 hearing of a Republican - sponsored congress-

ional redistricting lawsuit. Texas' 58th Legislature tried to set a formula for congressional redistricting. But a token bill died in the final minutes of the session. Some who opposed it said they would rather let the federal courts settle the matter. Others said they would rather meet in a special session than leave it to federal judges. State Democratic Chairman Eugene Locke of Austin has asked the court to dismiss the G. O. P. suit.

Tight Little Island
State Highway Department has discovered an island of Mexico in the heart of El Paso. Highway department claims that there is a quarter-mile section on U. S. Highway 80 in El Paso where you can drive through Texas and see Old Mexico with one eye and New Mexico with the other eye. Department says Cordova Island became a Mexican oasis in the Texas city of El Paso under the Guadalupe Hidalgo Treaty of 1848. Treaty provided that

artificial changes in the Rio Grande's course would not affect Cordova Island's boundary. Now that the meandering river has changed its course the Island is surrounded by American soil.

Migrant School Experiment
Five school districts will be able to take part in a pilot program of six-month school sessions for the children of migrant workers during the 1963-64 school year. That is if the Texas Education Agency can find five districts that can handle the program.

San Benito and Edinburg school districts are ready to participate. McAllen and Pharr-San Juan-Alamo districts are readying proposals to submit to the State Board of Education. Pilot program would be an experiment. Hope is to solve the problem of educating children of migrant laborers who are on the move so much that their youngsters miss almost as much school as they attend.

legal, can look to one bright side of a law that will become effective on August 23.

City governments then will be able to set curfews because on that date the pool halls will become legal operations in Texas.

Citizens Committees Come To End

A legislative "rider" in the 1964-65 state budget bill prohibits payment of travel expenses to members of the citizens' advisory committee which meets with the State Board of Education.

This has caused the board to bid goodbye to the system which Herbert O. Willborn of Amarillo calls "one of the strengths of this administration." Rider approved expenses of advisory committees on textbooks and teachers examiners, but cut out all others.

Commissioner of Education J. W. Edgar remarked that the practice of using "grassroots" committees of citizens interested in education "has been the lifeblood of this agency." But he discouraged suggestions that volunteer help be used if committeemen were willing to pay their own travel expenses. He said such a practice would go against the Legislature's intent and cause committees to be dominated by special-interest groups.

Riders on appropriations bills are written at the bottom of budgets for individual state agencies. It is not unusual for such riders to go unnoticed, by the lawmakers, especially when voting on bulky budget bills.

Another Junior College?

Board of Education has authorized a Travis County junior college election. But it turned down an application for a Scary - Fisher County junior college. Turn-down came after a committee said the oil-rich area could afford a college, but could not dig up enough students to meet state board requirements. In its refusal report the committee, headed by former State Senator Penrose Metcalfe of San Angelo, implied that the board may change its criteria for establishing junior colleges after the Governor's Committee

Stock Sales Granted
State Securities Commissioner William M. King announced a sharp rise in the number of companies registering stocks with his board in April. Sixty-three companies — 21 Texas firms included — were granted permits to issue \$22,634,384 worth of securities in the state.

Highway Contracts Record Set
A \$5,200,000 contract for construction of a 12-mile stretch of Interstate Highway 20 in Kaufman County broke all records for the State Highway Department.

Contract was one of 64, representing \$33,000,000 worth of road improvements, let by the State Highway Commission on May 27.

Unemployment Down
Economic pictures drawn by state agencies this week began to look like "Texas Brags." Texas Employment Commission also had a glowing report. It announced that the number of job-seekers dropped from 191,000 in March to 171,500 in April. Number of employed was 3,543,100—56,100 more than the March figure.

Perhaps the most popular fish in Texas is the perch. This little bluegill or bream—or whatever you prefer to call the scraggy little fellow—infests every fishing water of the state.

The art of perch fishing has been lost to many. This, despite the fact that they can be caught almost any place water is found in the state.

There are many different kinds of perch. And each has its own way of being playful. But one thing for sure, a frypan filled with perch—the size of your hand—is a delicacy no one should pass up.

So many, many of us nowadays go out with casting or spinning tackle and artificial lures that we have just about forgotten this great fun-fishing, perch-catching game. Even a great many youngsters have missed the thrill of perch fishing.

Worm Fishing Popular Best bait for perch fishing is the garden worm. Probably more perch have been caught on worms than on all other baits combined.

Next most successful bait is a light spinner or a small bug-like lure cast out either on a fly rod or on ultra-light spinning equipment. Occasionally a perch is caught on a plug. In most waters they'll follow a plug all the way to the boat.

Use Large Fresh Worms Be sure your supply of worms is fresh and that they are not so small they can't be threaded on a hook. Occasionally a perch will grab a whole mouthful of worm at one gulp.

Then all at once he'll take it. Usually the bigger perch are deeper down. In the early morning or late evening they'll be working along the banks, especially around tree tops and in the shade of high cliffs.

In the lakes of East Texas fishermen in flatbottom boats scull their way around from one old stump to another hunting perch. Some use crickets for bait. They drop their baited hook down beside a tree trunk protruding from the water.

Others use fish baskets, or perhaps even a gunnysack, hanging over the side of the boat. Perch can be kept alive in this manner long after they are caught, unless of course they've been injured badly by hook removal.

Perch don't string too well. Furthermore, around good perch holes there always are a few water snakes. And snakes like perch.

There is no creel limit on perch. Biologists like to see many of them caught because too many perch in an impoundment are harmful to the largemouth bass population, and to catching bass.

If you want to go fishing and really catch something useful and good to eat, try perch.

ference about the line. It can be monofilament or braided.

Live Bait Wells Popular

Real perch fishermen have live wells in their boats and just toss the fish into these wells.

Where To Find Perch Perch can be caught from a boat, a dock, the bank or by wading.

Like all other fish there are certain hot spots for perch and fishing is best at certain times of the day.

My own favorite spot to catch perch is along some high cliff, where a few old trees have fallen into the water.

There isn't much to rigging up for perch fishing. A cane pole of medium length is ideal for the purpose.

Questions and Answers Concerning WATER

The following questions are some more frequently asked by interested citizens about the proposed water improvement program. Answers to these questions are presented by the water improvement committee based on facts and information gathered from past experience of the city and official engineering surveys and reports.

- QUESTION: What will the water improvement project cost?**
ANSWER: The overall cost will be \$425,000.00.
- QUESTION: How will this be financed?**
ANSWER: \$200,000.00 will be financed through City Utilities Revenue Bonds and \$225,000.00 will be financed through Water District Tax Bonds.
- QUESTION: How will the city revenue bonds be paid?**
ANSWER: This will be paid from the net revenues from the City Water, Sewer and Electric Utilities departments. The city's audit reports show ample operating profit over a period of years at the existing rates to retire these bonds which will amount to approximately \$12,000.00 per year. No tax will be paid to support this portion of the project.
- QUESTION: How will the water district tax bonds be paid?**
ANSWER: This will be paid from a water dis-

- QUESTION: Will Water rates be raised?**
ANSWER: No, because the city's audit reports show that it will not be necessary to raise the present rate.
- QUESTION: Who will buy the bonds and what will the interest rate be?**
ANSWER: Bonds will be sold to private investment bidders, at the prevailing rate for similar bonds at the time of sale with the rate not to exceed four and one-half per cent. There is a good chance that the rate may be considerably less.

If you have a question that is unanswered in your own mind about the proposed water project you are invited to contact any member of the water improvement committee and they will be glad to talk to you about it. The committee invites and will welcome questions from any interested citizen.

More questions and answers will be presented next week.

Here I am once again back home and I hope I don't have to leave again so sudden like. We spent two weeks in California visiting with our friends, the Velmer Gages and our niece and family, the Charles Hamricks. We had a wonderful time. While in California we spent two days with our son, Chilli and family.

There is where I hurt my foot. I stepped up on the curb and my foot slipped off and I hit across my instep. I thought for sure I had broke my foot, but it was just a bad bruise which became infected and then the infection got in the blood stream. I was really sick and all that kept me from dying, I was too sick to die. No fooling, I was glad to be home having spent three weeks and one day in the hospital.

But I just wonder if we appreciate our good doctors and nurses like we should, not to say anything about the hospital. I have been in several hospitals but I had the best care I ever had. Those nurses and Blue Bonnet girls are really on the job, day and night.

I am sure I will be more thoughtful of other sick people

Hermann Sons Begin Team-Action Membership Drive

A "Team-Action" membership drive involving the 165 Hermann Sons lodges across the state will be held August 1-October 31, according to Fritz Schillo, Grand President of the Order of the Sons of Hermann in Texas.

Special awards will go to members who successfully recommend men, women and children during the three-month period. Its first lodge was established in San Antonio 102 years ago by German pioneers, the order is now the largest fraternal benefit society in Texas, with more than 56,000 members.

Efforts will be made to push this to the 60,000-member mark by the 165 Texas Lodges in the next 90 days.

The order operates a youth summer camp and a home for its aged, both at Comfort.

Among the 165 lodges in Texas is Priddy Hermann Sons Lodge No. 279, Priddy, with Willie Marwitz, Route 4, Comanche, as membership representative.

WATER NOTICE

With all pumps running around the clock, as you know, we have been unable to supply the demand for water in Goldthwaite.

With no relief in sight it is evident that further reduction in water use is necessary.

- 1 That We May Have Fire Protection
- 2 That Schools May Be Able To Open
- 3 As A Safeguard To Health

Therefore, we urgently ask that all citizens reduce water use to necessary household and commercial purposes, until such time as the condition is improved.

Your cooperation is appreciated.
