

Plans Are Being Made For P-TA Harvest Festival Friday, Oct. 22

The middle of October each year is a time when community attention is focused on two programs of the PTA as it works for the children and youth in the schools.

Currently the membership committee, under the leadership of Mrs. Bobby Wilcox, is busy completing the membership roll and collecting dues. Those who have not already joined, are urged to see that Mrs. Wilcox receives their dues. The classroom which first reports one hundred per cent membership will receive a prize of ten dollars at the Harvest Festival. A second prize of five dollars will also be given.

The annual Harvest Festival, which will be held Friday, October 22, at 7:30 p. m., in the High School Gym, promises to be an evening full of entertainment and some delightful surprises. The program will include everything from impressive

royalty to intricate rhythms and hilarious melodrama.

NATIONAL SCHOOL LUNCH WEEK OCTOBER 10-16. In the current school year about 18 million children will be served nutritious noonday meals under the National School Lunch Program. It is administered by the U.S. Department of Agriculture's Consumer and Marketing Service, which provides about a fifth of the total cost in cash and food. This program makes it possible for children to enjoy a complete lunch for an average payment of only 27 cents. A tenth of the nearly 3 billion lunches consumed last year were served free or at reduced prices to youngsters who could not afford the full price. About 71,000 public and non-profit private schools are expected to take part in the program this year.

USDA School Lunch Program Serves 33.1 Per Cent Of Texas Students

What kind of lunch does your child have at school?

Around 30 per cent—31.1 per cent — of all students enrolled in Texas public schools eat in lunchrooms operating under the national school lunch program of the U. S. Department of Agriculture.

This means your child has a wholesome and nutritious meal of meat, poultry or fish or other high protein food; fruits or vegetables; enriched bread, usually baked in the lunchroom; butter or margarine and a half-pint of whole milk.

To call attention to the value and achievements of this program, the President of the United States has proclaimed Oct.

10-16 as National School Lunch Week.

The President cited the national school lunch program as "an outstanding example of a local-state-federal partnership to protect the health and well-being of the nation's children."

About 3,415 Texas public and private schools are operating under the national school lunch program, which provides federal funds, foods and technical assistance to help keep the price of meals low to students.

Texas students pay an average of 31 cents per lunch, according to Mr. Charles Hicks, chief consultant, school lunch program, Texas Education Agency.

USDA-donated foods are distributed to schools by the Texas Department of Public Welfare.

The school lunch program is handled at the federal level by USDA's Consumer and Marketing Service.

Last year, Texas schools received about \$6,660,000 in federal funds and 50,796,583 pounds of USDA-donated foods, according to John J. Slaughter, southwest area director, food distribution programs, C&MS, Dallas.

State Ratings For GHS Eagles

Ratings for the Goldthwaite Eagles in Class A schoolboy football for the state should improve after last Friday night's game when they defeated the Class AA Llano Yellowjackets 42 to 14.

Before the game last Friday night the Eagles were rated in number one place by the UPI and the Fort Worth Star-Telegram.

Dallas Morning News, the Harris Rating, had the Eagles listed in second place for statewide.

The Abilene Reporter-News listed the Eagles in second place for the West Texas area and the Houston Chronicle placed them in third place on a state basis.

Three teams remain undefeated in the West Texas area. They are Goldthwaite, Sonora and Coahoma. In Central Texas area Goldthwaite is the only one that remains undefeated.

SMU senior, Janell Jernigan of Goldthwaite, took the spotlight as Miss Mohair for an honor guest presentation opening day of the State Fair of Texas, Saturday, at the free fashion shows in the Women's Building auditorium.

The "Fall Fashion Fiesta," 1965 version of a popular annual feature of the State Fair Women's Department, scheduled a Fair celebrity to be spotlighted at nearly all the 2 and 4 p. m. daily performances during the entire run of the Fair, October 9 through 24.

Miss Jernigan, one of the first of the fashion show honor guests to make an appearance, wore one of the lovely costumes from her mohair wardrobe designed by Charles Dickey of Dallas.

Earlier in the day Janell was given special recognition at the Angora Goat judging in the Pan American Arena.

The Texas Angora Goat Raisers' Association sponsors the Miss Mohair project. As their goodwill ambassador she represents them at many events here and abroad.

Longhorns Dehorned By Eagles 57-0; Open Date Is Observed This Week

Last Friday night was the de-
horning of the Early Longhorns
when the Goldthwaite Eagles
beat them 57-0. This was the
sixth straight win for the Eg-
les, and their first conference
game.

The Eagles and Longhorns
both had a slight upset when
Sammy Hudson and Richard
Davis were hurt during the
game. Hudson played in the
next play but Davis was carried
off the field in pretty bad shape
and did not play the rest of
the game.

On the third play of the eve-
ning Owen Yarborough recover-
ed a Longhorn fumble on their
20 yard line and the Eagles took
over.

With only 154 gone in the
first quarter Jim Childress put
the first tally on the scoreboard
with Emmett Miller adding the
extra point. The score was 7-0.
Jerry Rountree ran 33 yards for
the Eagles' second touchdown
and Bobby Rountree ran the
ball over for the 2 extra points,
raising the score to 15-0. Jerry

took off again and ran 59 yards
for a touchdown with Miller
kicking for the extra point for
a 22-0 score as the first quarter
ended.

In the second quarter Jerry
Rountree got a hold of the ball
and scored another touchdown
on a seven yard run. This time
Bobby Rountree and Miller
faked a kick for extra point at-
tempt and ran the ball over, for
two points, making the score
30-0. Jim Childress came back
for the fifth touchdown and ran
the ball over the goal line for
the extra points and a 38-0 lead
for the Eagles at halftime.

Early in the third quarter
Charles Blackburn ran 15 yards
for a touchdown with Miller
kicking for a score of 45-0. Mil-
ler took over for a 35 yard run
and ended with a touchdown.
He kicked for the extra point
but failed. The score at the end
of the third quarter was 51-0.

In the fourth quarter Bobby
Rountree made the final touch-
down for the Eagles. Mike Con-
radt's pass to Bobby Rountree

was a futile attempt. This end-
ed the game 57-0 and gave the
Eagles their first conference
game victory this season.

Thieves stole 300 or 400 pounds of seed cotton from Pat Williams' fields, in Hanna Val-

Beneath the formal styling elegance that sets the Custom Coupe apart, for instance, you'll find thick wall-to-wall carpeting, comfort-contoured seats and the look of hand-rubbed walnut on the instrument panel, glove compartment and inside door panels. You can order a finely instrumented console, together with new Strato-bucket front seats.

In the Custom Sedan, a new Strato-back front seat is available with bucket-type contours separated by a fold-down

Self Culture Club Hears Resume Of Past Sixty Years Activities

The Self Culture Club met Thursday afternoon, October 14th, in the home of Miss Annie Laurie Petsick with Mrs. Tom Collier co-hostess.

Mrs. Velma Summy was director for an interesting program. Mrs. J. C. Evans gave the invocation. The program consisted of a panel of five Self Culture members who gave some of the highlights of the Self Culture Club the past 60 years.

Mrs. J. M. Campbell, who became a member of the club in 1914, gave the early history of the club, telling that for a number of years the club met in the Commissioners' Courtroom and the members of the club bought chairs and rugs for the courtroom. The club project was the beautifying of the courtroom lawn and its up-keep.

Mrs. J. A. Hester, a member of the club since 1906, gave a part of a program that she had given in the club in the year 1906, entitled "What Is Wit and

What Is Humor." Mrs. Hester's mother, Mrs. L. B. Walters, was the founder of the Self Culture Club.

Mrs. Claude Saylor became an active member of the club in 1923. She stated that the theme for that year's work was "North America and Issues Pertaining to that Day." She stated that since the organization of the club that it had always stood for improvement and betterment of the town and community. She gave a number of outstanding things that the club has done through the years.

Mrs. O. H. Yarborough became an Associate member of the club in 1907 and an active member in about 1912. She gave some highlights of some of the programs from about 1912 to present date. In 1917 the club had Roll Call on war notes. At that time the club had only 20 members. The club bought War Bonds during the Second World War. Mrs. Yarborough said that in about 1927 she gave a program on the "History of Thanksgiving."

Mrs. Sam Sullivan had the concluding part on the panel. She showed the present members some pictures taken at the Jubilee Tea. Then she took the "In Memoriam" list and had various club members present to take the name of some person listed on the Memoriam list and tell about her outstanding contribution to the club and town.

This was a very enjoyable meeting and recalled many pleasant memories of the club. The Self Culture Club has taken great pride in its works and contributions to Culture since the organization in September, 1905.

A delicious refreshment plate was served to a number of members and one guest.

A GOOD NAME is the FINEST ENDORSEMENT

Almost daily, new drugs appear which we are urged to offer. To reject the unproved products is just as important to this pharmacy as is the service of being alert to provide the newest and the best.

There are certain helpful guides on which we rely. Reliable pharmaceutical manufacturers, such as Parke, Davis & Company, establish quality and effectiveness with exhaustive clinical tests before a product is announced. Your Doctor is then given facts, and on his judgment we rely in making our decision.

Thus, if a preparation is in our stock, you are assured of its reliability.

Looked in the telephone book and saw Ruby Cave's name, also another classmate. She had us for breakfast.

Called on Georgia Frizzelle; also saw and talked to Alta Frizzelle—so much fun.

Then as we were leaving and stopped to eat downtown—I saw another very sweet lady—Mrs. Dr. Campbell. I just knew that was when my husband would say—"She looks so much younger than you." I told her I knew she had to be older than I by some years but she looked so young.

My mother, a sister of Joe Curtis, now deceased, saw the town of Goldthwaite laid out. She and my father, George Seabourne, were both raised near there. I started to school there. It was in a way sad to see the old school house gone. But after all, time marches on. So you see I have fond memories of Goldthwaite.

My very best and fondest good wishes to my old friends and relatives.

Sincerely,

Mrs. S. C. McFarland.

Some battery clamps already have a hole bored in the handle. Use the strong jaws of the clamp to hold fish's tail while you clean.

Free Hunt Deadline Is Next Monday

The public drawing to determine 2,680 participants in the free hunts on wildlife management areas will be held possibly by October 28 at Texas Parks and Wildlife Department headquarters in Austin.

It is hoped to notify the successful applicants within several days after that, with the first permits probably being mailed by the next day.

This is expected to give hunters ample time to plan for the hunts which will open in some areas November 13.

The deadline for receiving applications at Austin headquarters is 5 p. m., October 25. Each applicant receives a description of the areas to be hunted.

The hunts are arranged to harvest surplus game on the areas and to provide biological data for the biologists who inspect each carcass before it leaves the area.

Staffers report continued difficulty in applicants providing names and addresses. Recent instances include a man's name with no local address, not even a home town. The situation was aggravated because the letter did not bear a postmark.

Another man forwarded an application in an envelope post-marked Houston and got his application because his name was in the phone book.

PTA Renews Invitation: Join Now!

As 50,000,000 American children move forward in the current school year, their parents and teachers will receive an invitation, issued to the nation, to join the PTA.

The National Congress of Parents and Teachers now has under way its annual membership enrollment, aiming to add new members as it tackles 11 "critical issues" that affect children today — issues such as financing public education, educating for a changing society, helping disadvantaged children, waging the peace and opening with the responsibility of parenthood, including sex education.

This undertaking, to be carried out in a three-year action program, "will tax PTA resources to the utmost," says National PTA President Mrs. Jennelle Moorhead. "It is not too much to say that the outcomes of these issues will have far-reaching, far-reaching consequences for our nation and its children."

A sample of the PTA's effectiveness in action—specifically, action to help disadvantaged children—was its Books for AP-

The PTA's official magazine also provides regular services to thoughtful parents: previews of motion pictures—graded for children, adolescents and adults; reviews of television programs along with names of their sponsors; regular reports on "what's happening in education" and news of medical developments that affect children's health.

All is information that will be used by PTA's as they program their current attack on critical issues. Other matters on that action calendar are equalizing educational opportunity; clarifying the responsibilities for educational decision-making; extending and strengthening community services;

While children in school are the focus of all PTA activity, the National Congress of Parents and Teachers works equally hard to keep parents and teachers learning, too, about children.

Modern State Parks

Texas Parks and Wildlife Department has released a full color film, available to clubs and various other groups, depicting the step-by-step conversion of areas into public recreation parks.

Film shows how state funds have been put to use in modernizing state parks all across Texas.

Ag Rules

Atty. Gen. Waggoner Carr has ruled a Commissioners Court may not lease a county hospital if the lease allows the lessee to encumber the land, buildings and equipment. The court may not create debts in any manner other than time warrants or bonds voted upon by the property holders of the county.

In other rulings, Carr said: Commission for Indian Affairs may execute long-term leases with federal agency for public housing on tribal land—but only with approval of a majority of Indians on Alabama-Coushatta Reservation.

tion in determining value of bank stock for ad valorem tax purposes.

Parks and Wildlife Department is authorized to participate in Land and Water Conservation Fund Act and receive federal grants-in-aid.

Draft Talk

Young men who married before August 27 may be called for physical-mental examinations by some Texas draft boards in November. This, to help fill the Texas quota of more than 6,000 men.

Col. Morris S. Schwartz, state Selective Service director, said the decision was made because some local draft boards may not have enough men otherwise.

Order doesn't pertain to married men with children. Draft-age men are warned by Selective Service that it's a criminal offense to mutilate draft cards and subjects draftee to five years imprisonment, a fine of \$10,000, or both. Destroying a card can speed up induction, warning said.

Appointments Announced

House Speaker Ben Barnes named Rep. Steve Burgess of Nacogdoches to South Central Interstate Forest Fire Protection Compact Advisory Committee.

He designated Reps. Neil Caldwell of Angleton, L. DeWitt Hale of Corpus Christi and Renal B. Rosson of Snyder as delegates to conference on workmen's compensation and rehabilitation in Oklahoma City this week.

Barnes appointed Reps. W. T. Dungan of McKinney, John Ray Harrison of Pasadena, Alonzo W. Jamison Jr. of Denton, George H. Richards of Huntsville, and Vernon J. Stewart of Wichita Falls to the House Interim Committee on Juvenile Crime.

State Securities Commissioner William M. King announced addition of J. Alan St. John to his staff as securities analyst. Other additions announced by King: attorneys Dain Whitworth, J. E. DeVilbiss and Hugh Wright; and securities analyst Lewis Keith.

Textbook Protest

A total of 324 textbooks are being studied by the State Textbook Committee for possible adoption in Texas public schools, but five are being protested.

All of the books protested deal with economics, and all of the publishing houses involved have filed answers to the protestants, Mr. and Mrs. M. G. Gabler of Longview.

Mental Retardation

First Governor's Conference of Mental Retardation, climaxing a two-year statewide study of the problem, will be held March 17-19 in Austin.

Conference will be charged with the task of providing recommendations on how to provide a better life for the mentally retarded.

Twelve task forces developing a tentative state plan to combat the problem have slated October 16-17 meeting in Austin.

We thank you so much for all your help, flowers, and cards. I was in isolation. As for the doctors, in our opinion they cannot be surpassed anywhere, and that is no joke. MULLIN GETS RAIN

The best news to report from Mullin this week is that we have had a very nice rain, more than two inches in all. It fell nicely, and those who have their grain sowed are really happy over the rain. It looks like it may rain some more before it clears. No complaints from me.

My husband had a very pleasant visit one morning last week from Mr. A. H. Daniels of Waco. Mr. Daniels was superintendent of the Mullin School when Johnnie was a high school student. We both enjoyed his visit very much. Mr. Daniels was in the drug store business in Mullin several years after he quit teaching.

Mr. and Mrs. Justin Baird and family of Colorado City, Colorado, were recent visitors here with Mr. and Mrs. W. L. Barker. Mr. Baird is a nephew of Mr. Barker. Mr. Barker did not see his nephew in 37 years, so it must have been a pleasant surprise for him. The Baird family had attended the funeral of Mrs. Baird's father at Marble Falls, and were on their way home.

Mrs. Oscar Cooksey has had surgery in a Houston hospital. She is recovering nicely, and is at the home of her daughter, Mrs. Maxey in Houston.

Mrs. Delbert Lindsey and Mrs. doing nicely.

Mr. and Mrs. O. A. Evans visited Aunt Jennie Burnett at the Heritage Home Thursday and found her doing nicely. They also visited Florence and Gordon Jones.

W. A. Berry's dog bayed a rattlesnake at the Berry home Monday morning at 2:00 o'clock. Mr. Berry killed the snake which was almost six feet long and had six rattlers.

Mr. and Mrs. Weldon Karnes of Brownwood visited Mr. and Mrs. C. A. Karnes Wednesday afternoon.

Miss Jeanie Stewart, Mr. and Mrs. W. W. Ratliff and Ronald visited Mrs. G. J. Ratliff at San Saba and with friends and relatives at Mason during the weekend.

Mrs. Gene Allen and son, Travis, of Santa Anna were guests Wednesday of Mr. and Mrs. W. W. Ratliff and Ronald. Wayne Ratliff visited them Sunday.

Mrs. Glynn Lewis visited W. W. Perkins at the local hospital Thursday afternoon. We are sorry to hear of Mr. Perkins' illness and we all hope him a speedy recovery.

I enjoyed seeing Mr. and Mrs. Rynard Bufe from over Fort Worth way. Mrs. Bufe reported they had had some hot and dry weather, but it did not hurt things as bad there as it did here.

Flowers Walker of Junction have been visiting here with Mrs. Swan Roberts. They also visited with Mr. and Mrs. Glynn Nickols and Mrs. Ashley in the Ridge community.

Mr. and Mrs. L. S. McCormick Jr. and family and Larry Baker, all of Fort Worth, and Mr. and Mrs. Jerry Belh and family of Brownwood visited the past weekend in Mullin with Mrs. Vesta McCormick.

Mr. and Mrs. Jake May of Chicago paid a surprise visit here with Mrs. May's sisters, Mrs. Jim Tullos, Mrs. Ernest Chesser and Mrs. Fred Ethridge. Mr. and Mrs. Mays and Mr. and Mrs. Chesser were dinner guests of Mr. and Mrs. Ethridge last Thursday. They picked up pecans in the afternoon. Mrs. May is the former Grace Perkins.
