Un-Sung Heroes Are Polishing Up To Meet Marble Falls Friday Night

Coach Jackie Williams' fighting Eagles are polishing up for the final 1965 district 9-A game to be played here this Friday night against the Marble Falls Mustangs, and the un-sung heroes will be out in full force to take their place as they have done all season.

"One Game At A Time" is still the theme song of the Eagles under able direction of head coach Williams and line coach Russell Nalley.

Coach Williams said Tuesday that the Eagles are in perfect shape. "This is the first time since twice-a-day workouts started this season that all of them are well and nobody is on the injured list," he commented.

From one to seven of the Eagles have been out all season until this week when they will all be suited out for the battle with the Mustangs for the district championship.

The Eagles must first defeat the Marble Falls Mustangs Friday night to win the district 9-A title before they can play bi-district.

They have won eight games with no losses so far this season and scored 370 points for an average of 46 points. Their opponents have scored 57 points or an average of 7 points per game.

In district play the Eagles have won three and lost none and scored 183 points to their opponents' 14 points.

They have defeated some district championship teams this season. In their second game they defeated the De Leon Bearcats which since have taken their district title. Their third game they beat the Johnson City Eagles which have won their district and they also beat the Llano Yellowjackets which are tied with the Fredericksburg "Billies" in that district. They will play this Friday night and if Llano wins that battle the Eagles will have defeated three district championship teams this season.

UN-SUNG HEROES

Among Coach Williams' Eagle squad there are a number of un-sung heroes that have performed in a remarkable manner this season. While those making the scoreboard light up have been in the lime-light it must not be overlooked that someone helped to make that scoreboard light possible.

Ends Del Sears and Owen Yarborough have demonstrated outstanding effort on both offense and defense and Sam Hudson as defensive end.

Guards Kenneth Kelly, Randy Holland and Ronnie Hill have been there and carried their load. Hill had surgery at the first of the season and was out some time. Kelly started for several games until he was knocked out for a while because of an injury. Holland has given good account of himself a number of times when he would plow through the line and clobber the passer for eight to 12 yard losses. All three of these guards could start on any team in the area, according to Coach Williams.

Half-back and line backer James Cook has done a good job with little credit. Williams said he is a real "hoss" and one of the best and a fine college prospect.

Bobby Rountree is little but he has been mighty on defense. Several times he saved the day when he came sailing out of thin air to put the skids to a touchdown run that was well on the way with nothing between.

Kenneth Thomas, tackle on both offense and defense has let the opposition know he was an Eagle to contend with.

First year quarterback Tommy Hudson started out the season with some big worries and now he looks like he had been quarterbacking all his life. He is a little injury-prone and now the problem is to keep him well and rolling, according to the coach.

Tom Duren, defensive guard and tackle on offense, gives good account of himself. In commenting on this player Coach Williams said: "You can't realize how much he does until you see some of the films. He is everywhere and is not only big, but has the speed to go with it."

Capable center Jimmy Carter, after four games, was knocked out in the first district game at Early and just returned for some play last Friday night against Burnet. While he has been out Ed Thornton has filled that spot in most of the three district games and has done it well.

LeRoy Wernette was out because of injuries and will start this week in the offensive tackle spot.

Jerry Rountree, defensive halfback, while suffering from some injuries, has done a very good job for the season.

MULLIN HIGH SCHOOL HARVEST FESTIVAL QUEEN AND KING—Miss Vicki Mosier and Donald Whisenhunt were named Queen and King of Mullin High School at the Harvest Festival, held recently, before a large number of students, parents and friends. They were crowned by John Smith, president of the Mullin School Board. Miss Mosier is the daughter of Mr. and Mrs. N. L. Mosier and Donald is the son of Mr. and Mrs. Argie Whisenhunt. They are freshmen students in Mullin High School.

Fighting Eagles To Host Mustangs For District 9-A Title Friday Night

By JERRY GHOLSON

"District Championship Here We Come!" was the cry of the BLACK AND GOLD EAGLES of Goldthwaite as they beat the Burnet Bulldogs Friday night on Eagle field, 70-0. The Bulldogs have a 3-1 tally with a 5-5 for the year, with Goldthwaite having a 3-0 district tally and a 8-0 for the year. Compared with last year the Eagles had a four to four tally at this time.

There were ten touchdowns for the Eagles with Jim Childress, Jerry Rountree, Charles Blackburn, Tommy Hudson, James Cook, Gary Warlick, Bobby Rountree, and Emmett Miller making the touchdowns and extra points for the evening. A lot of the credit goes to the other boys as they guarded and blocked for the touchdowners.

On both sides of the field there were no serious injuries for the evening. Several of the Bulldogs were hurt but not seriously.

In the first quarter Jim Childress was the lone touchdowner for the Eagles with a 20 yard run, on a long drive play. Miller kicked for the extra point and it was good! The score in the first quarter being 7-0.

It was a different story in the second quarter for the Eagles as Jim Childress ran 3 yards on a straight dive play, up the middle, Miller's kick again was good for a score of 14-0. Jerry Rountree made a 70 yard dash on a double reverse play. The

try for the extra point failed this time as Miller kicked, but the touchdown for the Eagles brought the score to 20-0. Blackburn got into the game this time with a 45 yard romp for the fourth touchdown of the evening. Halfback Bobby Rountree with Jim Childress made the two extra points on a pass play, bringing the score to 28-0. Jim Childress scampered 23 yards on a pitchback to the fullback play for another touchdown. Miller's kick this time was good, boosting the score seven more points for a total of 35-0. To put the ball back in play Miller kicked 55 yards to Joey Cox. Richards of the Bulldogs punted 30 yards with Bobby Rountree catching for the Eagles. For the sixth touchdown Tommy Hudson passed to Blackburn for a scamper of 44 yards. Miller again accounted for the extra point, thus bringing the score at the half-time to 42-0.

Tommy Hudson started the touchdown binge for the EAGLES again in the third quarter with an 8 yard run. For the extra points Quarterback Tommy Hudson passed the ball to Childress for the two extra points on a quarterback sweep. The score rising 8 more points to 50-0. This was the only touchdown in the third quarter.

James Cook made the next touchdown in the fourth quarter and Miller kicked for the extra point, and a score of 57-0. The second touchdown in the fourth quarter was made by Gary Warlick on a 50 yard run. Miller's try for extra point was successful, as the score went up seven more points to a 64-0 score. For the final touchdown Bobby Rountree flew 55 yards. Extra points for the Eagles failed. But the final score for the game with the Burnet Bulldogs was 70-0.

The statistics for the Eagles last year against the Bulldogs are as follows: 16 first downs on 252 yards rushing and 13 through the air. Burnet managed only 6 first downs by gathering 43 yards on the ground and 34 through the air.

Following is the record for this year:

The Indian Summer weather we are having is ideal. The sun is at its lovely peak and the Spanish Oaks are beginning to show the beauty of their different colored foliage.

Several from here attended the open house at Geeslin's Feed & Supply House Saturday afternoon, in Goldthwaite. As the gifts were handed out to lucky winners it reminded me of Santa Claus at Christmas handing out the gifts. Had you noticed, the Christmas Holidays are less than two months away.

Mrs. W. H. Simpson Sr., of Mullin was honored with a surprise birthday party in her home on October 31st. All of Mr. and Mrs. Simpson's children, all of their grandchildren, and all of Mrs. Simpson's brothers and sisters were present.

All guests arrived on Sunday morning except Mr. and Mrs. Neal Hamilton (Frances Simpson) and their family of Roscoe, who arrived on Saturday.

Mrs. Charles Bode (Elaine Simpson) was hostess for the event. Thirty-seven guests were served luncheon, followed by birthday cake and punch. Table

decorations were in fall colors of pale yellow, green and gold, with a floral arrangement of chrysanthemums centering the table.

Children and grandchildren who attended were: Mr. and Mrs. Charles Bode, Ileta, Mike and Ivan of Breckenridge; Mrs. Gene Thomas, Weldon, Gary, Donna and Brenda of Odessa; Mr. and Mrs. Neal Hamilton, Jeffery, Phyllis, and Ginger of Roscoe; Mr. and Mrs. W. H. Simpson Jr., Dianne and Judy of Austin; and Mr. and Mrs. Leslie C. Simpson of Odessa.

Brothers and sisters attending were Ruben Henry, Iva Henry, Mr. and Mrs. Raymond Henry, and Mr. and Mrs. A. D. Ketchum, all of San Angelo.

Mrs. Simpson said it was a day long to be remembered by both she and Mr. Simpson. Many more happy birthdays, Mrs. Simpson!

BILL COOKSEY IMPROVING

I guess most people in Mullin have heard of the serious injury of Bill Cooksey, youngest son of Mr. and Mrs. Tom Cooksey Sr. of Mullin, but for the benefit of Mullin people away from here, Bill was shot twice by a Mexican while in the line of duty. Bill is sheriff of Terrell County, down near the Rio Grande. His injury was very serious, but I understand that he is improving now. He is in a Del Rio hospital.

Johnnie and I enjoyed a big mess of fish Sunday at the noon hour. Whitt Hodges caught a 21 pound yellow cat, and he brought us part of it. It was all fish—no bones. We really enjoyed it. Nothing better than fried fish.

Mullin has had a wonderful rain last night and today (Monday). I imagine we have had four or five inches in all. Last account I had we had 3½ inches and it has rained quite a bit since then. No complaints from me. We needed it.

Mrs. Irene Talley of San Antonio, Mrs. Emmett Roscoe and Mrs. Elva Lockett of Granbury, were dinner guests a day last week with Mr. and Mrs. Bert Lockett. They also visited in the afternoon with Mrs. Vesta McCormick. Mrs. Talley is a cousin of Mrs. McCormick's. They had not seen each other in about forty years, so it was a nice visit for both of them.

Mr. and Mrs. Bob Parker and Donna Jean of Kermit visited here last weekend with her parents, Mr. and Mrs. Grady Hancock. They also visited at Caradan with his parents, Mr. and Mrs. Pat Parker.

DON'T CLIMB WITH GUN

The Texas Safety Association reminds hunters to never climb or jump with a loaded gun. Never pull a gun toward you muzzle first. When going through fences, push your gun on ahead, or hand it to a companion with the breech open. And, don't set your gun against a tree or fence. It could fall and discharge.

She became a member of the Church of Christ at an early age and was faithful in her attendance as long as her health permitted. She was married to E. G. Hawkins in 1911 and to this union a son, Shelby Hawkins, was born.

Garrett of Phoenix, Arizona and Alfred Garrett of Port Huemene, California; other relatives and a host of friends.

I visited my sister in San Antonio recently. Our son, Johnnie Smith, attended School Principals' Convention and he asked me to go with him and I did. So I visited my sister while he attended the convention, and did we have a wonderful time together.

Well I celebrated my birthday November 1, just as 39 years ago. That seems like a ripe old age, doesn't it?

Our nephew, Owen of Arlington came and he and Dutch went fishing. I came home from town and was doing the chores and had begun to brush and comb the club calf when I got sick. Believe you me I was sick, all that kept me from dying I had to get better fast.

I came to the house and took some medicine and tried to call my daughter, but could not get her. I then tried the neighbors and no answer. I finally got Billie Helen and she came and took me to the hospital, and then I went home with her and stayed until Sunday evening, and Dutch came for me.

I visited a little while with Mrs. Eula Nickols. She was going home with her daughter, Mary, who lives in Baird.

Jimmy Ball was in from college over the weekend.

Jesse visited us Wednesday after school. Their visit pertained to his club calf, "Fire Baby."

some time ago. He visited me so much when I was in the hospital and I really think you find out who your friends really are.

There are so many I will always remember. There is Nina Booker and also Bill Fox. I will never forget them. But I can't tell you why, but it is worthwhile to cultivate friends like them and I mean it.

Patrons Urged By Postmaster To Mail Early

It is time to get your Christmas packages mailed to members of the Armed Forces overseas. For airmail parcels the period is December 1 to December 10.

Greeting cards for the Armed Forces overseas should be mailed within the periods designated for parcels if they are to have a reasonable expectation of delivery prior to Christmas, it was announced this week by Acting Postmaster Ray Duren.

All packages should be securely wrapped and tied with strong cord for overseas mailing.

The postoffice department urges each postal patron to tie local and out of town Christmas cards in separate bundles. When possible use ZIP Code on the mailing address and your ZIP Code number after your return address. This cooperation will speed up the delivery of your Christmas mail.

Goldthwaite's ZIP Code is 76844, Route 1, Route 2, Route 3, and Goldthwaite Star Route have the same ZIP Code as Goldthwaite.

The school, Tuesday, Wednesday and Thursday, is being conducted at the Bar-K Guest Ranch near Austin.

Mr. and Mrs. Smith will return to Goldthwaite on Friday.

The 1965 Deer season will officially open this week Saturday, November 13, in a large number of counties including Mills County.

Hunters should consult their Texas Hunting Guide for information regarding counties effected in the various season open dates which started as early as November 1, in some counties this year.

The Post Office will be on regular holiday schedule Thursday, (today) November 11, in observance of Veteran's Day.

Newspapers Still Ahead

Newspapers continue to reach the greatest number of Americans with news, according to the latest Gallup Poll, conducted by the American Institute of Public Opinion. Poll shows that newspapers report to more millions than either radio or TV.

Basis for this conclusion is that 71 per cent said they "read a newspaper yesterday" as compared to 58 per cent that listened to news on radio and 55 per cent that looked at news on television.

"Analysis of the figures by groups reveals even greater advantages in terms of actual coverage of the newspaper in reaching the better educated and higher income groups," the report states.

First poll on the subject was conducted in 1957 to appraise the place of the newspaper in American life. Dr. George Gallup said. Second was made in 1961 and the latest was completed after another four-year interval.

During this eight year period, percentage of adults getting a daily newspaper "regularly" has risen from 78 per cent to 81 per cent. Ownership of radios has risen from 94 per cent to 96 per cent of all homes and television set ownership has increased from 83 per cent to 95 per cent.

MAKE SURE YOUNGSTERS KNOW THEIR GUNS
The Texas Safety Association urges parents to make certain young hunters have a thorough working knowledge of guns before allowing them to take to the field. See that proper clothing is worn for visibility and see that youngsters have formed safe attitudes and habits in carrying and handling firearms.
