## Girl Scout Cookie Sale Starts Today

"Brownie, Junior, Cadette and Senior Girl Scouts in Goldthwaite will be participating in the 13th Annual Cookie Sale, sponsored by the Heart of Texas Girl Scout Council," Mrs. V. L. Doggett, Girl Scout Council Chairman for Goldthwaite, announced today.

The sale begins today and runs through February 26. The 1966 Council goal is to sell a total of 60,000 boxes of cookies. The quota for Goldthwaite is 750 boxes.

This is a project by and for the Girl Scouts and it affords every Girl Scout an opportunity to assume responsibility while practicing sound business methods. The girls will not only add to their own troop treasury but will aid the Council, of which Goldthwaite is a member, in bringing better camping to more girls.

Funds for the maintenance and development of camping facilities come almost entirely from this annual sale. Council proceeds from this year's sale will be used for further development and maintenance of the camp as well as to help pay for construction of the Council headquarters office recently constructed in Brownwood. Proceeds retained in the troops will be used to buy essential material for troop activities.

Troop leaders have been busy for the past month giving training to all girls in sales techniques, the importance of good grooming, and how to handle simple business transactions. Scout officials, as well as parents, think this is indeed citizenship training in practice.

"With the development and maintenance of a first class girls' camp as a goal toward which to work, I'm sure the Girl Scouts in Goldthwaite will be working hard to sell their share of cookies. We are again asking the support of friends of Girl Scouts," Mrs. Doggett continued, "in making this Annual Sale the best yet."

### EAGLES TOPPLED IN DISTRICT TILT

In the last few seconds two foul shots put the Marble Falls Mustangs on top to clinch the 9A District crown. The score 56-55 showed that this was the closest game yet for the Eagles.

Jim Childress carried the scoring burden with 20 points. John Di Giovanni and Butch Forehand were high for Marble Falls with 16 points each.

The Eagles had a 6 point lead at the half but couldn't hold back the Mustangs as they recovered and took the lead 38-34 at the end of the third quarter.

The Eagles fought back in the fourth quarter but couldn't recover to defeat the Mustangs.

Roy Mayers sank two foul shots with 30 seconds left on the clock but this didn't stop the Eagles. Jimmy Tanner put two more on the board for the Eagles with five seconds left but the clock ran out before the Eagles could get the ball.

This left the Mustangs 8-0 for the season so they represent District 9A next week against Clyde.

## Plans Are Announced For Reunion Of Midway School Exes On June 5

A group of about 25 persons met last Tuesday night at the home of Mrs. Drue (Lindsey) Huckabee at Caradan to discuss plans for reunion of ex-teachers and students of "Midway School."

Officers were elected and committees named for the event.

Mrs. Jessie (Koen) Wicker was named president of the group. Homer Doggett, vice president and Oleta (Horton) Collier is secretary-treasurer.

The reunion is being planned

for June 5, the first Sunday of that month, at the old Midway schoolhouse with a picnic lunch.

Each person was asked to turn in the names and addresses of former teachers and students. Also letters of inquiry are being sent out for that purpose, so that others may be notified. Official notice for names and addresses also appears in this issue of the paper.

Miss Annie Laurie Petsick gave a short "School Day" talk to the group at their organizational meeting.

Those attending included: Miss Petsick, Goldthwaite; Mrs. Odessa (Lindsey) Tubbs, Caradan; Virgie Lee (Koen) Ripley, Goldthwaite; Jessie (Koen) Wicker, Goldthwaite; Oneta (Wicker) Conway, Comanche; Lula Mae (Huffman) Horton, Goldthwaite; Linnie (Covington) Horton, Caradan; Drue (Lindsey) Huckabee, Caradan; Edith Koen, Comanche; Nina (McNeill) Booker, Goldthwaite; Etta Mae (Koen) Lee, Caradan; Ruby Huckabee, Goldthwaite; Homer Doggett, Otto Doggett, Andrew Huckabee, Burnice Wicker, Curtis Ripley and Susan, Goldthwaite; Granville Huckabee, Elam Horton, Robert Lee and Elton Horton, Caradan; Jim Conway, Comanche and Tom Booker, Goldthwaite.

First teacher at the Midway School was Mrs. Dula Payne Leverett, 1913-14 and the last teacher to conduct classes in the school before it was consolidated with Goldthwaite in 1947 was Juanita Gerald Batchelor, the committee reported, in announcing that they have a record of 36 teachers who taught at Midway.

## Loy Long Weighs 56,000 Pounds Of Men And Ladies

Pounds for stamps or stamps for pounds, any way you take it, it comes out with the same answer. The response was great.

Two weeks ago Loy Long announced in his weekly grocery advertisement in the Eagle that he would issue free stamps to the Mills County housewives who would bring their husbands into the store and have them weighed. It called for a 10¢ stamp for each pound weighed. Well, the response was terrific and Mr. Long weighed approximately 165 men for a total of 27,000 pounds during the weekend.

During that time he received some joking comments from the housewives who felt they were discriminated against by not being weighed also.

So, last week Loy Long Grocery announced to the housewives to come in and get weighed also and get their stamp for each pound. "The response this time was even greater and we weighed ladies for a total of 29,000 pounds," Mr. Long commented.

Citizens of the Shaw Bend and Rye Valley communities have subscribed \$1,000 as a contribution to a fund to get a bridge across the Colorado River in that locality. The bridge is badly needed and the liberality of the citizens is to be heartily commended. These communities are peopled with a high class of citizenship and the bridge is a necessity, they offer to pay a part of the expense of building it and the Eagle certainly hopes they will be successful in their effort.

ENGAGEMENT ANNOUNCED—Mr. and Mrs. W. O. Kemp of Goldthwaite have announced the engagement and approaching marriage of their daughter, Miss Billie Gayle Kemp, to Gayland Wayne Schrank, son of Mr. and Mrs. Norman Schrank of Priddy. Miss Kemp is a 1964 graduate of Goldthwaite High School. The prospective bridegroom is a 1963 graduate of Priddy High School. Both are now students at Howard Payne College, Brownwood.

cers were elected for 1966-67; President, Mrs. Norman Duren; vice president, Mrs. John A. Hester; secretary, Mrs. Claude Saylor; treasurer, Mrs. Walter Doggett; reporter, Mrs. Lee Walton; assistant reporter, Mrs. Oran Carothers; and parliamentarian, Mrs. C. A. Keeler.

At the close of the program a delicious refreshment plate was served.

The man suffering "a touch of indigestion" is a full-fledged member of our largest ill-health club. (It's said that possibly 25 percent of our adult population could qualify for membership.)

You will find, too, that he has one outstanding trait: a readiness to try almost any sort of treatment he reads or hears about. And yet, proper treatment of digestive disturbances... whether it be by diet, drugs or other measures... can be given only by a physician after careful diagnosis.

When symptoms occur frequently, it's the better part of wisdom to see your doctor before you try someone's pet remedy. While your trouble may be simply and easily corrected, it could signal peptic ulcer, gall bladder disease, or something much more serious.

A digestive disturbance can easily edge over into the danger zone when you neglect it or try to treat it yourself... while getting prompt and proper medical care may well turn out to be one of the biggest bargains of your life.—Reprinted from a copyrighted advertisement published by Parke, Davis & Company, Detroit 32, Michigan.

Get better wheat crops and earn bigger profits. Topdress your wheat with NIPAK 45 right now—for greater yield and higher protein. NIPAK 45 gives you one third more nitrogen per pound than any other form of solid nitrogen fertilizer—which enables you to handle less fertilizer and cover more ground in less time. NIPAK 45 is uniformly prilled, too. It flows easily, won't

cake, clog—or corrode your equipment. NIPAK also dissolves in the soil moisture and moves quickly to the root zone where it stays put until your crops need it. So for more grow power ask your local NIPAK dealer about NIPAK 45. He can help you plan a complete fertilizer program because he can provide a complete fertilizer service.
