

Saturday Is Santa Claus Day In Goldthwaite

COME TO SEE THE PARADE AT 2 P. M. — Santa Claus will arrive in Goldthwaite this Saturday afternoon, December 13, to visit with all the girls and boys from this city and the surrounding area. He will ride the city's big red fire truck down Fisher Street and around the courthouse square before stopping at the courthouse for his official visit.

Santa's visit is scheduled for 2 p. m. and is sponsored by the Goldthwaite Lions Club. All the girls and boys from Goldthwaite and the entire Mills County trade area are invited to come and visit with Santa Claus and talk to him about what all they would like for Christmas. There will also be free candy treats for all the children who visit with Santa. The Goldthwaite High School Band and the fifth and sixth grade band will march in the parade at 2 p. m. The band will also play a selection of Christmas carols on the courthouse lawn following the parade, according to band director Don A. Elliott.

Christmas Lighting Contest To Be Sponsored Again By Garden Club

The Goldthwaite Garden Club will have their annual Christmas lighting contest again this year. Judging will be December 22, 23 and 24, according to Mrs. Warren Duren, Christmas lighting committee chairman. This year luminarias lighting will be used along with other decorations and recognition will be given for the three most outstanding homes, business houses, churches and schools, and one rural home. The Christmas lighting committee of the Garden Club is asking that everyone help in outlining the courthouse grounds and the church lawns as well as their homes.

SACKS STILL NEEDED BY LIGHTING COMMITTEE
The committee that is planning the lighting of the courthouse lawn is requesting every family in Mills County to bring one or two No. 10 brown paper sacks with 2 inches of sand in the bottom and leave them on the courthouse lawn any time before December 20. After you see this you will be happy that you had a part in this project, stated Mrs. Duren.

He was accompanied on the trip by Lamar Griffin, Howard Glass and Bill Baker, all of Dallas. They reported one of the best hunts with the best weather they have ever had. Auldridge and Griffin each bagged a 10 pointer.

Eddie Thornton, son of Mr. and Mrs. S. E. Thornton, bagged a 14 point Buck Deer Sunday on the Wylie Ranch in the western part of Mills County. The white tail buck field dressed 125 pounds. This may well be the kill to take the prize for Mills County this year, unless someone comes up with report that tops this one.

RANDY COBB GETS THREE POINT BUCK

Randy Cobb, son of Mrs. Nina Cobb, bagged a three point Buck Sunday also on the Wylie Ranch. He was accompanied on his hunting trip by Gene Auldridge. New On-The-Job Training Program Being Offered To Business Firms

Employers who are hard-pressed to get qualified help might consider a new On-the-Job training program for the disadvantaged now being offered by the U. S. Department of Labor through the Texas Employment Commission. Costs of training, instruction

and materials may be paid to the employer under this program.

"The Employment Commission is now working with employers who are interested in this method of obtaining trainees. The trainees are hired by the employer and they learn by doing," says Ed Miller, manager of the Killeen TEC office.

The Employment Commission assists the employer under this program by recruiting and counseling workers and provides technical assistance to the employer on his training program. The Commission also certifies to the need for training workers and to the eligibility and qualifications of prospective trainees. Miller points out that this program has been very effective in assisting employers in strengthening their work force bringing many of these untrained workers into jobs requiring much higher skills.

Under the program, an applicant is hired by the employer and is under the complete jurisdiction of the employer. The employer agrees to follow the training outline developed while the Department of Labor agrees to reimburse the employer for such items as instructor fees, training materials or supplies and other incidentals.

Since the Employment Commission presently has the authority to allocate these training slots to employers in the Mills County area, Miller requests that employers interested in this program, contact him in the very near future. Additional information may be obtained without obligation from Mr. Miller at 410 West Highway 190, Killeen or telephone number ME 4-2198.

Everyone is urged to attend the field day program and bring others who might have an interest in planting, management and growing grass.

COMMUNITY PARTY
There will be a benefit Community Christmas party held at the Community Center on Saturday, December 13 at 7:30 p. m., with proceeds to be used for a hot water heater, heating system and other needed repairs. Everyone in the community is invited to come out and help out in this good work.

Also a Christmas lighting contest will be held in the Mullin Community with a deadline of December 20th for having up decorations. Judging will be held on December 23rd. Those interested in having homes or places of business judged call 985-2790 before deadline date. Everyone is invited to partici-

pate and help brighten up our town.

I might also remind the Senior Citizens of their Christmas party next Friday, December 12th at 1:00 o'clock at the Community Center. You all Come! Mr. and Mrs. Claude Kaylor have returned to their home in Carlsbad, New Mexico, after spending a few days in Mullin with relatives.

Funeral services were conducted last Saturday afternoon in De Leon for a very dear aunt of mine. She was my mother's sister. Had she lived until February she would have been 96 years of age. She was a Charter member of the New Hope Methodist Church, which was one of (if not the first) Methodist Churches in that area. Her father donated the land for the church, and also a two teacher school. This little school was the first school I attended. They are gone now, but they served the New Hope community for a long! long! time.

Mr. Oscar Cooksey has been very ill and remains in the hospital in Goldthwaite.

Also Mr. Dick Kemp is in Scott & White Hospital at Temple, and Mr. W. H. Simpson is in the Veterans Hospital at Temple.

Mr. and Mrs. Riley Phillips and family of Fort Worth were all visitors here the past weekend in the Elbert Phillips home.

Mullin 4-H Club will have their Christmas party this Friday night at 7 p. m. at the Mullin Community Center.

Priddy 4-H Club will have their Christmas party at the regular meeting time, 7:00 p. m., on Monday, December 15 at the Priddy High School.

Those 4-H girls who are planning to enter the Mills County Livestock Show Dress Revue should turn their commentary cards in to the Home Demonstration Agent's office by Friday, December 12. The recipes for the foods division will be available at that time.

WILD GAME CARE AND COOKING

Many hunters have brought home venison in the last few days and some may be looking for recipe ideas. Here are two recipes from Extension Bulletin Number B-987, "Wild Game Care and Cooking," available in the home demonstration agent's office:

BARBECUED VENISON ROAST
4 pound venison roast
Salt and pepper
2 cloves garlic, chopped

Menard last Sunday, where he did the preaching in the morning services.

Mr. and Mrs. Gerald Davis of Comanche spent Friday night and Saturday in the Jay Weeks home.

Mr. and Mrs. Bert Lockett returned home with their son, Carrol and family during the Thanksgiving holidays, and they plan to stay in Lubbock until the Christmas holidays.

Mr. and Mrs. Oran Coor of Van Court and Hollis Wallace of Kermit spent two days here last week with Mrs. Vesta McCormick. Mrs. McCormick returned home with her son Bobby, Sunday, and she plans to stay in Dallas through the winter months. She is really going to be missed by me as well as others.

Mr. and Mrs. Claude Kaylor, Mrs. Fred Mosier and Artie Mosier visited last Sunday afternoon with Mr. Milton Carlisle in the Bill Reed home at Blanket.

3 tablespoons fat
6 tablespoons vinegar
3 tablespoons catsup
3 tablespoons Worcestershire sauce
1 stalk celery
Season roast with salt and pepper. Melt fat in heavy pan; add roast and brown slowly on all sides. Add garlic and celery. Combine vinegar, catsup, and Worcestershire sauce in a 1-cup measure. Add water to make 1 cup of liquid. Pour over roast; cover and cook slowly about 3 hours or until tender. Remove roast and add flour and water paste to liquid to make gravy. Serves 6.

An interesting way to fix the less tender portions is to make venison sausage.

VENISON SAUSAGE
30 pounds venison, cut
20 pounds pork (50 to 60 per cent lean) cut
1 pound salt
3 ounces black pepper
2 ounces sage, optional
1 ounce red pepper, optional
Sprinkle seasonings over meat. Grind through coarse chili plate. Re-grind through sausage plate. If sausage is to be frozen, season only half the total amount. Wrap sausage, in sizes needed for a meal, in moisture-vapor-proof paper. Thaw and cook unseasoned sausage just before using. Unseasoned sausage will keep fresh 5 or 6 months, while seasoned sausage will turn flat and rancid after three months.

HAND MADE GIFTS
With Christmas coming on some may be looking for something different in hand-made gifts. Try easy to make shoe bags and pads for women's shoes. Draw and cut out a newspaper pattern large enough to allow for different shoe styles. Using machine washable printed cotton, cut and stitch the bag on two sides. Make a hem at the top and insert washable ribbon for a drawstring closure. When stitching the matching pads for the shoes, leave a 1-inch opening. Stuff the pads with old nylon stockings, lightly scented with perfume; sew closed.

San Saba Peak

By MRS. DUTCH SMITH (Delayed)

Well, Christmas is just around the corner and so much to do you hardly know where to turn.

We talked to our children at Tulla and they won't be home for Christmas. We will have to go out there before Christmas.

We have had a death in our family since I have written. Dutch's sister, Mary Allison of Clifton, passed away.

Mrs. Willie Casbeer attended a funeral for one of our cousins in San Saba yesterday.

We have had so many very dear friends to pass away. Mrs. Blackwell was one in a million. I wish more of us could be more like her and now we know what Paul meant when he said he fought a good fight and he finished his course and is now laid up a crown in heaven. We know that Mama Blackwell did just that. I can truthfully say that I know how to sympathize with her children. For I can feel their sorrow too as I loved her too but our loss is heaven's gain. May God bless you and comfort you in your loss.

Our children, the Johnnie Smiths of Burnet and Mr. and Mrs. Charles Brown of Temple visited us Friday night.

Dutch and I attended the Thanksgiving supper in the Glynn Nickols home. There were forty guests there that I counted. I don't know how many I missed. It really was a feast fit for a king. Turkey with all the things that go with it. After supper we had a singing which was enjoyed by all.

Dutch's sister and husband, Mr. and Mrs. J. B. Barfield of Lometa visited me Saturday

DPS Director Speir Announces Motor Vehicle Inspections Slow

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, said today that motor vehicle inspections in Texas are running almost 30% behind the inspection rate at this time last year.

"Unless the inspection rate increases, there are going to be some awfully long lines at inspection stations prior to the April 15 deadline," Speir said.

During the year which ended August 31, some 6.3 million vehicles were inspected in Texas. Since September 1, only 538,000 have received the required inspection.

The State Motor Vehicle Inspection Act was amended by the Legislature to provide that

evening while Dutch was in town.

Mr. and Mrs. Joe Cummins and Cheryl of Odessa visited Mr. and Mrs. P. R. Jordan over the weekend.

Mrs. Lina McLean came by and visited me awhile last week and brought me a pretty cook apron. She spent the night with her sister who had been in the hospital in San Saba.

We were shocked to hear of Mr. Fisher Wigley's death. May God bless his family.

After TOPS Club last night I went on to the schoolhouse to see our kids play basketball. "B" string boys won and the "A" string girls lost and the "A" string boys won. I wish more people would support our school. Our boys and girls put forth an effort to play basketball. If you don't think its hard work, try it. Let's support them with our presence at least.

CHRISTMAS IN TEXAS

Away down here in Texas Beneath the Lone Star Banner Santa Claus comes in a different manner.

On a great roan stallion Instead of a sleigh He comes gallopin' in With a yodel-de-ay.

He wears spurs on his boots And a bright red Stetson; And callouses on The place that he sets on.

He sports padded trousers He's taking no chances On spendin' New Year's Pickin' cactus from pants.

When the kids go to bed (You may find this shockin') They don't even bother To hang up a stockin'.

Instead by the fireplace All lined in a row Are ten-gallon hats. (They hold more, you know)

He checks off his memos As he visits each pad; A mink coat for Mama, And a caddy for Dad.

An oil-well for Junior, And what's this for Sister? A gem studded lasso To rope her a mister.

With a clatter of hooves And a twirl of his lasso He's off in the night, You can hear his deep bass.

"I'm a ding-dong Santa, And I've made a long haul; A Happy Texas Christmas To each one of ya'll."
