## Levy And Budget Approved By City Council

Goldthwaite City Council met in regular session Monday night in the City Hall and approved a budget for the new year and passed an ordinance to raise taxes for the governmental operations of the city's operation.

The city budget, covering utilities and tax supported governmental operations, amounts to \$755,000, according to announcement by W. C. Barnett, city manager. This covers all payments of the city owned utilities and the tax supported programs which account for a small part of the overall budget.

The tax rate of \$1.50 per \$100 valuation was approved. This is the same as last year with \$1.40 for the general and street and 10 cents to the sinking fund.

Barnett also presented monthly operating reports of departments and expenditures for various departments.

## Reach Park Maintenance Fund Goal, 10 More Boosters Are Needed

W. P. Duren, chairman of the committee, announced Monday that 10 more boosters are needed for the Mills County Park Maintenance Fund honor roll in order to reach the goal of 100 for 1970.

Last week the committee issued what they hoped to be their final call for financial support for this year, but the response fell a little short.

Some who have been boosters in the past have overlooked getting their checks in for this year, stated Duren in commenting on the need for a few additional contributors.

The drive can be completed if the goal of 100 boosters can be reached if a few more donations are made this week.

In order to insure a park staker for the year a minimum goal of \$1,200.00 is needed. The past several years the committee has been conducting a voluntary contribution drive to provide money for the park.

When the plan was first adopted it called for enlisting 100 names to give \$12.00, or more, to the park maintenance fund each year to take care of the park. This amounts to only \$1.00 a month for each contributor.

## Goldthwaite City Council

A number have given more than the suggested \$12 during the past several years which has been a big help to the committee in reaching the goal without personal solicitation campaign.

The appeal this week serves to remind those who have overlooked it, and others interested in the park, to get their checks turned in this week.

In the next few days the park fund honor roll of boosters will be brought up to date and a list of all who have supported the project for 1970 will be published in the Eagle.

Checks should be made out to the Park Fund and turned in at Mills County State Bank or any member of the park committee. Members of the committee are: W. P. Duren, Charles Conradt, Lee Roy Stacy, Lewis T. Hudson, Harold Yarborough, Houston Duren, and Ed Thornton.

## Street Paving By City Crews In Full Swing

The summer street paving program being conducted by city crews continues in full swing. It was reported to the City Council meeting in regular session Monday night.

City Manager W. C. Barnett reported that five blocks on East Front Street have been completed along with several blocks of seal coating.

Paving one block on East 5th Street is now in progress and two new projects are coming up for paving where property owners have signed up and requested the paving on a cost-share basis with the city.

The two projects where sign-ups have been, or are being, completed, are South end of Cline Street and several blocks on West Front Street, according to Barnett's report.

Street work and paving have been the major part of the city's work during the summer season. The sewer improvement project has been stopped until the fall and winter season when city crews will again direct their attention to the project, he stated.

## Community News From Mullin

By MRS. JOHNNIE HOLLAND

I had hopes of our getting some rain from the hurricane on the Coast. I'm still keeping my fingers crossed. Maybe we will get some yet.

I visited in De Leon last Friday and found my mother and my brother both doing quite well. My brother is back at work. This is the week of the Peach and Melon Festival in De Leon. They always have big crowds in attendance. More people attend who live away from De Leon than those who live there. Guess they are used to it.

Mrs. Dan Woods (Aubrey Jones) and two grandchildren of Fort Worth, and Mrs. Opal (Jones) Brewster, her daughter, Carmaleta and two children of Arlington, Virginia, visited here with Mrs. W. H. Baskin and at the Hickman Nursing Home with Mrs. L. J. Vann and Dick Kemp.

Mrs. John Boland of Houston is here visiting with Mr. and Mrs. Bert Lockett, Mr. and Mrs. Autry Keating and other relatives and friends. Also Mr. and Mrs. Carroll Lockett and Leighton of Lubbock have been here visiting with his parents, the Bert Locketts. Mrs. Callie Nelson, the mother of Mrs. Carroll Lockett, fell recently, breaking one of her arms in two places. Oh! these broken bones.

Mr. and Mrs. B. E. Hutton,

Amy and Bonnie of Lake Jackson, visited here recently with Mr. and Mrs. G. W. Chancellor and Mrs. W. H. Baskin. They were en route home from Colorado where they had been visiting with relatives.

Mrs. Jim Tullos is home after having spent two pleasant weeks in Waco visiting with her grandson, Jimmy Rex Tullos and family.

Mr. and Mrs. G. H. Locke spent the weekend in Midland where they attended the Golden Wedding anniversary of Mr. and Mrs. Earl Horton. Mrs. Horton is Mrs. Locke's sister. They at one time lived in Mullin, and he worked in the Dave Eaton Barber Shop.

Mr. Walter Sanders and Mrs. Ray Garren of San Antonio; also Mr. and Mrs. Prentice Sanders of Austin and Mr. and Mrs. Jack Sanders of Odessa were visitors in the Will Sanders home the past weekend.

Mr. and Mrs. Elbert Phillips, Autry Keating and other relatives and friends. Also Mr. and Mrs. Carroll Lockett and Leighton of Lubbock have been here visiting with his parents, the Bert Locketts. Mrs. Callie Nelson, the mother of Mrs. Carroll Lockett, fell recently, breaking one of her arms in two places. Oh! these broken bones.

Mr. and Mrs. Wyatt Hart of Lafayette, Louisiana, visited here a few days last week, with his mother, Mrs. Emma Hart, and J. T. and Mrs. Virgie Hancock of Gatesville; also Mr. and Mrs. John Hart of Brownwood were visitors here in the Hart home.

Mr. and Mrs. Darrell Creek and Stephen of Austin visited here last weekend with Mr. and Mrs. Lynn Roberts, and Mr. and Mrs. Bill Creek.

Mr. and Mrs. Jake Burkett and family from New York are here visiting with his father, Mr. Edgar Burkett.

### Center City News

By MRS. JOE GREEN

This is Monday and it's still hot and dry out this way. I was hoping we would have had a rain before now, but maybe we will soon.

Brother Crosby preached at the Baptist Church Sunday and Sunday night with a good attendance at both services.

The Crosby Brothers attended the Camp at Brownwood last week. They all said they sure enjoyed the Camp. As you all know the Crosby Brothers have made a record album of religious songs which I think everyone would enjoy. They are on sale now.

Mrs. Ethel Parker has not been doing so well since her surgery, but Arnold and Lillie went down there yesterday and they think she is some better. We all hope she continues to do better.

Mrs. Wright, Jimmie Wright's mother, passed away and was buried at Corpus Christi last Friday. Mrs. Wright has been in bad health for several years. We want to send our deepest sympathy to Mr. and Mrs. Jimmie Wright in their loss.

Rev. Crosby and family are leaving for Pennsylvania today. He and Tim, his son, will be doing some preaching while they are gone. The Quartet is going to put on some concerts. Rev. Crosby and Mrs. Crosby's families live in Pennsylvania.

Mr. and Mrs. Bill Eckert visited us Saturday evening. Buddy Marler and Mr. Luther Brock visited us awhile Saturday also. Buddy told us that Donnie Marler, his son, is in Vietnam. I just can't realize that Donnie is that grown up. He used to come down here and stay with his grandmother, Mrs. J. F. Marler and the late Mr. Marler. He would ride his bicycle down here to see us. Time sure does fly.

Mrs. Marler lost a son. John mother passed away and was son, Frank, who is in the hospital and has had surgery. We all hope he gets better soon.

Mrs. Millard Meek has been on the sick list. She has been going to a doctor in Gatesville. So has Mrs. Roy Hollum. We hope they both get to feeling better.

Mrs. W. T. Alexander called me last night. She had been to Odessa to visit with her son and family. She also visited my mother and sister while out there. She said they were doing very well. I was so proud she got to visit them.

Sharon Griffin didn't get to come home this week. She is having tests this week so she stayed to study and get ready for her tests.

Joe Kemp wasn't feeling good yesterday. He was unable to make it to church. We all hope he gets to feeling better soon.

## Center City News

By MRS. JOE GREEN  
(Delayed)

This is Monday morning and I will try to send in some news from out this way. We are sure needing some rain out this way. It's sure hot and dry.

There was church at both churches Sunday and singing at the Baptist Church Sunday afternoon. There was a good crowd and real good singing. I attended church Sunday morning and also singing Sunday afternoon.

We think the Crosby Quartet is good and also the family singing together is sure good. The Vacation Bible School was a great success out here. The attendance was good. Everyone seemed to enjoy themselves.

There was a Methodist meeting last week which I attended. There was a good crowd and we all heard some good preaching. I sure did enjoy it.

Sharon Griffin was at home over the weekend. She sure likes school and her roommate. She says she gets homesick but that is to be expected.

Our pastor visited Mrs. Ethel Parker in the Scott and White Hospital since she had surgery and reported she is doing very well.

We were all so sorry to hear about Mrs. Ida Sevier's death. We want to send our deepest sympathy to her family in their loss. May God be with them all in their sorrow.

Mr. and Mrs. Bill Eckert of Goldthwaite visited us Sunday. Jim Green, Billy Green, Billy Joe Green and James Albert Green visited us last Thursday afternoon.

O. B. Hill called me last night and said Myrtle and Gladys are doing better. They are at the Hickman Nursing Home. Anybody out this way can drop by and see them. I know they would be proud to see their neighbors and friends.

I didn't hear from my sick folks this morning. I thought sure I would. Maybe I will tomorrow.

Mr. and Mrs. Millard Meed, Mildred Cole and children were visitors in Dallas one day last week.

Mr. and Mrs. Slick Vines and

Brad visited us one day last week. Brad seems to be doing good. He told me he weighed 74 pounds when he came out of the hospital and now he weighs 109. He sure looks good and says he feels good.

Larry Karnes visited Mr. and Mrs. Z. Karnes one night last week.

Mrs. Emma Whitlock from California is visiting Mr. and Mrs. Hardy Collier and other relatives. She attended church here this past week and was also at the Baptist Church Sunday.

Mrs. Geraldine Geeslin is doing a lot better. She is able to drive her car.

## PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT  
NUMBER ONE ON THE BALLOT (HJR30)  
General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Subsections (5), (6), (7), (8), (9), (11), (12), and (13), Section 1-a, Article V, Constitution of the State of Texas, be amended to read as follows: "(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceedings shall be by majority vote of those present, except that recommendations for retirement, censure, or removal of any person holding an office named in Paragraph A of Subsection (6) of this Section shall be by affirmative vote of at least five (5) members.

"(6) A. Any Justice or Judge of the Appellate Courts and District and Criminal District Courts, any County Judge, and any Judge of a County Court at Law, a Court of Domestic Relations, a Juvenile Court, a Probate Court, or a Corporation or Municipal Court, and any Justice of the Peace, and any Judge or presiding officer of any special court created by the Legislature as provided in Section 1, Article V, of this Constitution, may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any person holding such office may be censured, in lieu of removal from office, under procedures provided for by the Legislature.

"B. Any person holding an office named in Paragraph A of this subsection who is eligible for retirement benefits under the laws of this state providing for judicial retirement may be involuntarily retired, and any person holding an office named in that paragraph who is not eligible for retirement benefits under such laws may be removed from office, for disability seriously interfering with the performance of his duties; which is, or is likely to become, permanent in nature.

"(7) The Commission shall keep itself informed as fully as may be of circumstances relating to the misconduct or disability of particular persons holding an office named in Paragraph A of Subsection (6) of this Section, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.

"(8) After such investigation as it deems necessary, the Commission may in its discretion issue a private reprimand, or if the Commission determines that the situation merits such action, it may order a hearing to be held before it concerning the removal or retirement of a person holding an office named in Paragraph A of Subsection (6) of this Section, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefor, it shall issue an order of public censure or it shall recommend to the Supreme Court the removal, or retirement, as the case may be, of the person in question holding an office named in Paragraph A of Subsection (6) of this Section and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.

"(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order public censure, retirement or removal, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary."

"(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any person holding an office named in Paragraph A of Subsection (6) of this Section, against whom a proceeding is instituted to cause his retirement or removal, due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the person holding an office named in Paragraph A of Subsection (6) of this Section in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed.

"(12) No person holding an office named in Paragraph A of Subsection (6) of this Section shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.

"(13) This Section 1-a is alternative to and cumulative of the methods of removal of persons holding an office named in Paragraph A of Subsection (6) of this Section provided elsewhere in this Constitution."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment relating to the removal, retirement, or censure of Justices, Judges, and Justices of Peace under prescribed circumstances."

Today's Oldsmobile:  
**The year-end buy that pays off three ways.**

1. You save big money when you buy it. The 4th Annual Year-End Sale is on now at your Oldsmobile dealer's—and the savings are substantial on every new Olds in his stock!

2. You save even more money as you drive it. Olds is famous for features that help keep costs down. Like Positive Valve Rotators in every V-8 for peak performance thousands of miles longer... rustproof inner fenders... aluminum exhaust system... bias-belted tires... many more!

3. You get a nice bonus at trade-in time. An Olds is a good investment—traditionally you get more of your dollars back when you're ready to trade the next time around.

If you think you can't afford an Oldsmobile...it's time to think again.
