# WHY NOT

FEED

MY BABY

PURINA

CREEP CHOW?

Good question, mama!

Most cows can't produce enough milk to satisfy their calf's energy, protein and nutrient requirements. Calves dropped in the fall cannot eat enough hay, nor can spring calves eat enough grass to fill these needs. It takes more than mother's milk plus hay or grass to bring top dollar on today's calf market.

Creep feeding can solve this problem for the cow-calf operator who is after maximum returns from his brood cow herd. Purina Creep Chow provides a palatable and properly balanced ration for the growing calf.

Come in and visit with us about the many advantages of creep feeding your beef calves. We have everything you will need—from highly-fortified, growth-stimulating Chows to free building plans for a practical low-cost feeder.

Mrs. Anthony McClory of Fort Worth was guest speaker for the program. She was introduced by Mrs. O. H. Yarborough who was program director.

Mrs. McClory is an artist and a designer of nationally famous statue. Her ceramic figure, "Our Lady of the Rivers," was chosen as a model for a statue commemorating the subsiding flood waters in Missouri. In the flood of 1951, Portage des Sioux was threatened by the rising river. The people prayed that the

town be spared. At the last minute, the waters subsided. In gratitude, the citizens erected the tall white Madonna which towers 26 feet above a 17-foot pedestal. It is illuminated at night as a guide to river traffic. Pictures of the statue and articles about Mrs. McClory have appeared in the Readers' Digest, Life Magazine and Holiday. She displayed the ceramic Madonna "Our Lady of the Rivers," along with others she has made.

Her talents in art find many different expressions. At present she is designing materials for interior decorations. She displayed a number of her originals in drapery and upholstery fabrics, and explained the method of silk screening prints. She was assisted by Mrs. Green Mankin, who is her sister.

Mrs. J. A. Hester said the invocation. Mrs. Marvin Hodges presided for a brief business session.

Refreshments carrying out a Valentine motif were served to club members and Mrs. T. C. Graves who was a special guest.

A nice crowd was present for the meeting. A number from Brownwood were there, and one lady was present from Bangs.

The cemetery looks very nice just now, but of course the growing season is just ahead and lots of work will be required in the next few months. We have a nice cemetery in Mullin. It is well kept. Let's keep it that way.

Refreshments of cookies and coffee were served to the group. Another meeting is planned for the last Saturday in April. All are invited to attend.

The Singing at Ridge last Friday night was well attended, and was one of the best. Old songs were used, all could sing, and as I have heard Bro. Andy Hudson of De Leon express it,

were recognized as representatives of the Young Homemakers of America. Mrs. McCoy was made an honorary member of the FHA. She has helped the FHA by commenting several of our style shows, by backing us in our projects, and by always being ready and willing to help even on a moment's notice.

Instead of the usual speaker, this year the FHA decided to change the pace and have a "home-talent" program. A skit was put on by several members of the FHA to begin the entertainment. The purpose of the skit, called "Our World A Growing Heritage," was to make people care about our world and the things happening in it.

By a stroke of luck, we were able to sign up the "Famous Three" from Goldthwaite for our banquet. As you have probably heard, the "Famous Three" are Layton Black, spoon-player; and Mr. and Mrs. Thurman Head, guitar and piano player. They led everyone in singing some songs which included our theme, the moon. Much fun and laughter was the result of the songs, our "Famous Three," and the participation of everyone in singing them.

Four members of our chapter will represent Goldthwaite at the area meeting in Stephenville in March by being in the Area FHA Choir. The four girls presented songs for the closing part of the banquet. The girls are Elaine Harper, daughter of Mr. and Mrs. J. D. Harper; Marilyn Roberts, daughter of Mr. and Mrs. Arnold Roberts; Betty Berry, daughter of Mr. and Mrs. J. D. Berry; and Nicola Tully, daughter of Mr. and Mrs. A. J. Tully.

The professional waiters for the banquet were the junior and senior FFA boys. They were appreciated by all.

## Easter Seal Appeal Letters To Be Delivered Here During This Week

Easter Seal Appeal letters are to be delivered this week in Mills County, according to Mr. Glynn Collier, the Easter Seal Representative of the Easter Seal Society for Crippled Children and Adults of Texas. As Representative, Mr. Collier serves as contact representative for disabled persons needing Easter Seal rehabilitation services and

also serves as Treasurer of the Easter Seal Appeal in Mills County.

The Easter Seal Society offers physical and occupational therapy, speech and hearing programs, and special equipment loans to enable disabled persons to make the best use of their abilities to overcome handicaps. These services are financed by the annual Easter Seal Appeal.

The Society also provides for research into the causes and cures of crippling conditions, finances public education programs, and provides scholarships for training of professional personnel to staff rehabilitation centers.

He pointed out that all these programs are important if Texas is going to continue to provide the best in rehabilitation services for its own disabled citizens.

During 1970, the Texas Easter Seal Society provided treatment and services for over 21,000 children and adults who were in need of rehabilitation. These services are available to any disabled person who can benefit from help provided by the Easter Seal Society, Collier added.

The Easter Seal Campaign will run through Easter Sunday, April 11.

The following services are available: Wheelchairs, walkers, hospital beds, crutches, commode chairs, dressings, etc.

## Persons Age 65 Are Urged To Enroll In Medicare's "Doctor Bill"

There may be some people past 65 in this area who have not enrolled in the "doctor bill" part of Medicare and who have only until March 31 to do so. They are the ones who reached 65 sometime during October 1967 through September 1968.

Glen McNatt, in charge of the Brownwood Social Security Office, says it already is too late for people who reached 65 before October 1967 and who did not ever enroll. After March 31, it will be too late for those reaching 65 October 1967 through September 1968.

"Your small red, white, and blue health insurance card shows what kind of protection you have," McNatt added. "It does not show 'medical insurance,' this means you do not have the 'doctor bill' protection under Medicare," he added. "And if you reached 65 in September 1967, you still can enroll during March."

The Brownwood office, at North Center Street, is open Monday through Friday from 8:45 to 5:00 o'clock. The telephone number is 648-7324. A representative of that office comes to Goldthwaite on the other Thursday and can be reached at the courthouse, the Commissioners' court. He will be there again March 11 during the morning.
