Every route is being explored by the American Sheep Producers Council to help give some relief to the current wool situation that finds itself woven into a general textile recession that reaches into many countries.

In a special session called by President Henry Hibbard of Helena, Montana, the Council's Executive and Wool Advisory Committee along with staff members met to study the present condition of wool and to intensify action in the area of promotion to help relieve the situation.

Robert Thurman of Tipp City, Ohio, chairman of the wool committee, said the world wool situation is in many cases in serious straits, with the United States being particularly hard hit in the textile industry. He cited three reasons for the stagnant condition of the wool market: 1) a general business recession, 2) the uncertainty of the fashion picture the past year and a switch to knits, and 3) the policy of the mills to avoid high inventory of goods at high interest rates.

A slight easing of the situation is expected within the next few months. The most critical area is the high inventory of wool in warehouses in the U. S.

The Council is launching immediately a trade promotion to encourage mills and manufacturers to purchase wool from current stocks for the fall of 1972. Designers and clothing manufacturers will be buying shortly for the next year's fall market, working well in advance of actual fashion seasons. In addition, representatives of the executive and wool advisory committees, and a staff member will make calls on all the key mills that use wool. Thurman said, "Sheep producers themselves must be first-rate promoters of their products."

is no picnic.

Get central gas air conditioning and bring back meat and potatoes.

With central gas air conditioning, it only costs a little to add a lot to your living.

we give you a special low rate for central gas air conditioning during those sweltering summer months. When you need central air cooling the most. So go ahead. Have central gas cooling installed. And save the picnic food for the great outdoors. First of all, you'll save in installation costs. Because you just add a cooling unit to your existing central gas heating system. But that's just part of the savings. Gas costs less to use than electricity. And

San Saba Peak

By MRS. DUTCH SMITH
(Delayed)

It has been some time since I have written but with so many people dying and company and I have been in the hospital also.

I guess you would say I have had a legal excuse.

We had all our children home for Mother's Day. And all our grandchildren except Jimmy and Melody but they came Saturday night.

Mr. and Mrs. Owen Smith also were here. We enjoyed them so much.

Dutch's sister and husband, Mr. and Mrs. J. B. Barfield, visited us Saturday evening.

We attended the wedding of Jana Petty and Bobby Rountree Saturday night. It was a real pretty wedding and the two nicest kids who were married. We were so happy those two married for we can keep up with them. They will come back to Goldthwaite.

As I told them it won't always be a bed of roses but a marriage is fifty per cent deal. It's what you make it. Any way, congratulations, and best wishes.

Dutch and I visited in the Rahl home Saturday night. Others who visited them were Mr. and Mrs. Marvin Laughlin; Mrs. Lila Ward, Mrs. Carrie Hereford, Mrs. Bryan Oglesby, and Mrs. Lela Burnett. We play-

ed Skip Bo.
Mrs. Bill Lewis' mother San Saba visited her night while her husband Wyoming.

I visited Mr. and Mrs. Kirby a while yesterday. They were doing very well.

Miss Flossy Jordon of Denver spent the weekend her parents, Mr. and Mrs. Jordon.

We were so happy when pastor announced Sammy had come home.

He also said our own Stephanie Taylor is home. The whole of Mullin City will rejoice to know that hope she won't have to go back to the hospital but we be glad she is coming home.

Mr. and Mrs. Johnnie and Cliff visited us Sunday night for a while.

Oh yes, we had a wonderful rain and no hail. We were sorry about the storm in Goldthwaite.

I tell you most all people Goldthwaite mean so much to me.

They are always there when we need them and it seems we need them all the time.

The Class of 1915 will have their annual meeting on Saturday night and Sunday, June 5th and 6th. They will meet in the home of Mr. and Mrs. Gilbert Chancellor.

Mr. and Mrs. G. Earl Hutchings and Miss Katherine Kemp of Truth Or Consequences, New Mexico, are here for an extended visit with Ernest Kemp, Mr. and Mrs. G. W. Chancellor and friends.

Mr. and Mrs. Buddy Womack and Mr. and Mrs. Raymond Burdett are home from a vacation which took them through Oklahoma, into Kansas and back through Arkansas. They visited in Arkansas with Mr. and Mrs. George Ellis, former Mullin people. They visited the Hall of Fame in Oklahoma City, which proved to be very interesting. Mrs. Womack said she never saw so much pretty wheat as she saw in Oklahoma.

Mrs. S. B. Bean and F. H. Carlisle of Blanket visited Sunday with their father, Mr. Tip Carlisle and sister, Mable.

MRS. LARRY BURNS

Shari Kilgore, Larry Burns Repeat Vows In Candle Light Ceremony

Miss Shari Micaela Kilgore became the bride of Larry Burns Saturday evening, May 22, 1971 in a candle light ceremony at the First United Methodist Church of Sherman. The Reverend H. Noel Bryant of Wichita Falls officiated.

The bride is the daughter of Mr. and Mrs. Harry Dobbs Kilgore of Sherman. Her grandparents are Mr. and Mrs. C. A. Keeler of Goldthwaite and Mrs. C. M. Kilgore of Brownwood. The groom is the son of Mrs. Marrie B. Burns, Terrell, and the late Mr. Burns.

GIVEN IN MARRIAGE

The bride, given in marriage by her father, wore a formal length gown of bridal satin which was shirred high at the waist and fell in a chapel train. It was highlighted with lace roses reembroidered with seed

pearls. The scooped bodice of pearl embroidered lace over cat-in featured scallops at the neckline. Tiny covered buttons extended down the back of the bodice onto the skirt and also fastened the close-fitting lace cuffs of the lantern sleeves. Her shoulder length veil of imported silk illusion was attached to a small halo crown of white floral embroidery and seed pearls. She carried a cascade bouquet of white roses and stephanotis and an embroidered linenhandkerchief which had belonged to her late maternal great-grandmother, Mrs. Mary Stone Keeler.

Miss Ann Bostick of Odessa was maid of honor and Miss Tracy Hughes of Dallas was bridesmaid. They wore identical full length empire styled gowns of buttercup organza over pale yellow. The gowns featured puffed sleeves of organza. Each carried a hand bouquet of white Marguerite daisies and wore a matching daisy cluster in her hair.

Dicki Rigney of Terrell was best man. Danny Green, also of Terrell, was groomsman. Ushers were Gib Blackman of Austin, Earl Crews of Wichita Falls, and Don Lasseter of Lubbock.

Mrs. Burns is a graduate of Sherman High School and is a senior at Texas Tech University. Mr. Burns is a graduate of Terrell High School and is also attending Texas Tech.

Following a wedding trip the couple will be at home in Lubbock where they will resume their studies.

Center City News

By MRS. JOE GREEN
(Delayed)

This is old blue Monday again and I will try to send out some news from Center City.

There was church at the Baptist Church Sunday with a good crowd.

Brother Crosby preached the Baccalaureate sermon for the Star Seniors Sunday night.

We were all proud to see Becky Crosby at church Sunday morning. She has been in Scott and White Hospital at Temple.

Joe Deats and Julie Mae Bidie came by and visited one day last week. Also visiting in our home last week were Joe Drake Carter, Mrs. Millard Meek, and Mr. and Mrs. Fred Register.

We ate dinner with Mr. and Mrs. Fred Register Sunday.

I had a letter from my sister Friday. She is doing very well. My mother is about the same.

We were sorry to hear about the death of Mr. Lawrence Kelly. It seems like every time we hear there is someone in the funeral home. We want to send our deepest sympathy to his family and loved ones in their time of sorrow.

Mrs. Alvin Kemp and Mrs. Inez Gilbreath of Star visited

Two Good Reasons for Feeding Creep Chow

The calf, of course, gets the benefit of the extra energy protein and other nutrients in Purina Creep Chow. He needs them if he is going to reach market weight quickly and bring top price. Purina research shows that creep-fed calves average 40 to 60 pounds heavier at weaning.

But mother cow also benefits from creep feeding. She isn't "suckled down" as heavily by a creep-fed calf. In the fore, she is in better condition during the breeding season. Creep feeding can make a dollar and cents difference in the conception rate of your brood cows.

To learn more about how Purina Creep Chow can help you increase your herd production, drop in. We're at the store with the Checkerboard sign.
