Wool & Lamb Market Development Referendum Set For June 7 Thru 18

A BIG CATCH FOR ELBERT — Pictured above is Elbert Hoffman as he proudly displays the 52 pound yellow catfish he caught last Monday night on his trotline which he had set out in the Colorado River. He was using perch and goldfish for bait.

According to Hoffman it took approximately an hour and a half to get the fish off the trotline and into the boat.

Bennie Schriver, game warden for Mills County, said this is the biggest fish he has ever seen come out of the Colorado River since his six years here in Goldthwaite.

By the way, Hoffman had a little help in holding up the fish in this picture. A rope was tied to the mouth of the fish and ran through the crate in the background.

A producer referendum on the wool and lamb market-development program will be held June 7 through 18 by mail.

"Any wool producer in Mills County who has owned sheep 6 months of age or older for at least 30 consecutive days during 1970 may cast a ballot in the referendum," said Ralph Duren, Chairman of the Mills County Agricultural Stabilization and Conservation Committee.

The mail referendum will be conducted by the ASCS county offices. Ballots may be mailed in or producers may cast their vote by coming into the ASCS county office.

The outcome of the referendum will determine whether or not deductions from wool payments to producers will be continued. The deductions, as authorized in the National Wool Act, would be up to 1½ cents a pound on wool and 7½ cents a hundredweight on unshorn lambs, the rates for the past 5 years.

These deductions are used to enlarge the market for wool and lambs through advertising, merchandising and education. The promotion program is carried out under an agreement made between the Secretary of Agriculture and the American Sheep Producers Council.

Producers have voted four similar agreements into effect since 1955. For the agreement to be extended through 1973, the June referendum must show approval nationally by at least two-thirds of the producers voting, or by producers having at least two-thirds of the volume of wool production represented by the vote.

If a new agreement is not approved by producers, no deductions will be withheld from wool payments on 1971 marketings. The ASPC programs would continue only as long as the present reserve fund permits or until some other agreement might be approved by producers.

The Chairman said that ballots are being mailed to all known wool and lamb producers in the area. Ballots may be mailed to the county ASCS office or delivered in person, as soon as they are received. Ballots must reach the county office no later than close of business on June 18 in order to be counted.

Fire Department Committees Named; Signal Approved For Emergency Use

Committees of Volunteer Firemen have been named and a special siren signal approved for use in case an emergency or disaster should strike the city of Goldthwaite, Max Shephard, fire department reporter, announced this week.

Naming the committees and selecting a special warning signal were discussed at a meeting of city and county officials with members of the volunteer fire department on May 11. Meeting with the firemen at that time were Mayor Ray Duren, County Judge Cecil Egger, Sheriff H. G. Brooks, City Manager W. C. Barnett and Eagle Editor Vic E. Koleber.

As a result of this meeting when suggestions were discussed for handling emergencies Fire Chief Charles Conradt has named the following committees for the various functions:

GAS — L. J. Ward and Eugene Burton

WATER AND ELECTRICITY — G. R. Mullings and James Knight

TRAFFIC — Dwain Cohn, Randal Ratliff, Ronald Cagle, Jack E. Long Jr., Lester Geeslin, and Allen Moreland

TELEPHONE — Houston Duren and Doug Collier

FIRE TRUCK NO. 1 — Chuck Todd, Mike Wright and Hollis Wiggins

FIRE TRUCK NO. 2 — F. W. Lewis, Franklin Rind and Max Shepherd.

FIRE SIREN TO SIGNAL EMERGENCY

The city's siren at the city hall will be sounded more than three times in case of emergency or disaster other than a fire.

Residents are urged to keep this in mind and when they hear the siren sounded more than three times it will be the signal of an emergency, and not a regular fire alarm.

Young Homemakers Honor Senior Of Mills County With A Tea

Centering the table was a bouquet of predominately yellow and white flowers with graduate figures and scroll diplomas with streamers. Guests were seated at individual tables and after all had arrived, Mrs. Layton Black entertained the group with some "Most Embarrassing Moments" that the senior girls had experienced. It might be added that the Young Homemakers went to much trouble (and had a lot of fun) finding out these funny anecdotes and it was hard to determine who laughed hardest — the mothers — or the girls themselves.

Each girl was presented with an individualized laundry bag which the Young Homemakers had made. Each bag had a girl's name boldly splashed in color across the front. The tea was the Young Homemakers' way of saying "Senior girls, we're proud of you. Congratulations!"
