Council Tables Rate Hike; Calls Sales Tax Election

Representatives of Lone Star Gas Company were at the regular meeting of the Goldthwaite City Council Monday to ask for a general rate increase for the customers in Goldthwaite.

Wedge Turner and L. J. Ward, local Lone Star Gas representative, told the council that they needed approximately a 3% increase in rates to justify earnings.

Turner said the additional revenue would "put ourselves in a better position to bargain for a new-found gas against Northern Gas Transmission Company."

The present minimum rate is \$1.86 for the first 800 cubic feet. The new minimum as proposed by the utility company would be \$2.20 for the first 1000 cubic feet. Quantity rates are also ad-

justed in the new schedule. The Councilmen voted to table the proposal pending further study. The City of Goldthwaite granted an increase to Lone Star Gas in 1967 and 1969.

Official action on the increase will most likely be taken at the July 3rd meeting of the Council.

SALES TAX ELECTION

The Council adopted an ordinance calling for a special election on June 27, 1972, for the purpose of voting on a 1% city sales tax.

It was pointed out by City Manager W. C. Barnett, that the city has not asked for this additional money before because it was not needed. However the proposal on a new sewer treatment facility necessitates additional finances and a sales tax would be the fairest means to get the money, Barnett said.

The motion to adjust the ordinance was made by Councilman Hollis Wiggins and seconded by Lester Geeslin.

It passed by a unanimous vote. A special called meeting of the council will be on June 12 to act upon an ordinance calling for a special election to sell bonds to finance the new sewer facility for Goldthwaite. The sales tax election and the bond election, if okayed by the council, will be on the same day.

Darrell Johnson, a representative of the Rady and Associates of Fort Worth, an engineering firm, gave a brief report on the sewer plant. He said that all was going well and that the application had been given a number by the Texas Water Quality Board.

The council unanimously approved the retirement of all the city's bond indebtedness in order that the city would have a

clean slate because of the approaching sales tax and sewer bond election. The city owed only \$3090 on a 1949 issue.

Members of the council again voiced opinions concerning zoning laws for the city of Goldthwaite. Residences that have a number of old junk cars nearby and other items were discussed.

CM Barnett gave a report on the progress of the paving project. He said all was going well and that the summer should end with many blocks of Goldthwaite streets being paved.

Dale Allen was appointed Fire Marshal for the city following the resignation of Jesse Moreland.

All Councilmen, Anle Morgan, Donald Padgett, Hollis Wiggins, Lester Geeslin and Jim Smith were in attendance as well as Mayor Ray Duren, city manager, W. C. Barnett, city secretary, Glynn Collier, attorney Clyde Cockrum and Eagle Editor Frank Bridges.

Henry Venables Visits Maryland And Washington

Mr. and Mrs. Henry Venable returned home May 31 from a trip which took them to Maryland and Washington. They made the trip via airplane.

They visited with their daughter and her family, Mr. and

Mrs. F. M. Phillips, of Amber Meadows Bowie, Maryland and also with one of Mr. Venable's old school friends, Major General Thomas R. Hampy of the Virginia suburbs near Washington D. C. Major General Rampy was promoted to the rank of Major General after serving on-

ly sixteen years in the United States Air Force. This is quite an accomplishment.

While visiting their daughter, they had the misfortune of being in a two car accident. Mrs. Venable spent five days in a hospital recovering from injuries.

MRS. BRUCE DOUGLAS MCKENZIE

**Rebecca Jo Berry, Bruce Douglas
McKenzie United In Marriage June 3**

Rebecca Jo Berry and Bruce Douglas McKenzie were united in marriage Saturday, June 3, at 8 p.m. in the First Baptist Church of Goldthwaite.

The bride, daughter of Mr. and Mrs. J. D. Berry of Goldthwaite, is a senior at Baylor University School of Nursing in Dallas. The bridegroom, son of Mr. and Mrs. Floyd McKenzie of Kenedy, attended Southwest Texas State University and is currently employed in the accounting department of Continental Trailways in Dallas.

DOUBLE RING CEREMONY

Rev. Alfred McCurdy, of Carthage, officiated for the double ring ceremony which was performed before the altar, decorated with a white Grecian column topped with an arrangement of white gladioli and yellow and white daisies. Flanking the altar were spiral wrought-iron candelabras with white votive lights against a background of Kentia palms. The altar arrangement was centered with a kneeling bench. Daisies, greenery and satin ribbon marked the pews.

ORGAN MUSIC

A prelude of organ music was presented by Miss Elaine Harper of Goldthwaite. For the processional, Lohengrin's "Bridal Chorus" was played and the recessional was "Wedding March" from Midsommer Night's Dream. Mrs. Danny Spradley of Stephenville and Miss Kathi Head of Goldthwaite sang "One Hand, One Heart" as the wedding began. After a prayer of dedication, Mrs. Spradley and Miss Head sang "The Wedding Prayer".

BRIDE'S ATTIRE

The bride, given in marriage by her father, wore an empire floor-length white gown of silk organza accented on the bodice, with pearl encrusted Alencon skirt, and Watteau chapel train lace medallions. The high sheer neckline was formed of pearl encrusted Alencon lace over silk organza. Long full sleeves were fitted at the wrist with matching cuffs.

The full length skirt fell from an empire waistline which was belted with white satin. The Watteau chapel length train was attached under the satin belted bow. An illusion of sheer Veillette formed the four tiered fingertip bridal veil which was attached to a bridal headpiece of Alencon lace flowers outlined in pearls.

The bridal bouquet lay on a white Bible, which the bride received of her Queen Regent-in-Service step in Girl's Auxiliary. The bouquet was centered with a white orchid surrounded with white daisies, yellow sweetheart roses and showers of lover's knots. The bride's only jewelry was a gold wedding band that belonged to her grandmother.

MATRON OF HONOR

Mrs. Knox Pittard of Hurst, sister of the bride, served as matron-of-honor. Miss Neta Berry of Goldthwaite, also a sister of the bride, was maid-of-

honor. Bridesmaids were Mrs. Lonnie Hodgin of Canyon, Miss Monica Lukachek of Dallas, and Miss Terri Brisendine of Chicago, Illinois.

The attendants were attired in identical full length yellow gowns of mira mist overlying peau de satin. The sheer high necklines, long full sleeves and empire waistlines were accented with white ruffled lace. They wore matching white wide-brimmed picture hats trimmed with yellow ribbon and carried white Madeira baskets filled with yellow and white daisies.

BEST MAN

Byran McKenzie, of Kenedy, brother of the groom, served as the best man. Groomsman included Robert McKenzie of Burke, Virginia, cousin of the groom, Knox Pittard of Hurst, brother-in-law of the bride, Johnny Morgan of Kenedy, and Clark Robertson of Dallas. Steven Pittard of Hurst, nephew of the bride, served as ring bearer.

For her daughter's wedding Mrs. Berry chose a dress of yellow Saki linen accented on the collar and cuffs with gold trim. Beige accessories complemented the dress. Mrs. McKenzie wore a yellow dress of chiffon over silk accented on the bodice with Venetian lace. Matching accessories were worn. The ensembles were completed with corsages of Gaphet orchids.

RECEPTION

A reception, immediately following the ceremony, was held in the church banquet room. Mrs. Benny Humphries of Goldthwaite, sister of the bride, registered guests at the bride's book. The bride's table featured

a white three tiered wedding cake decorated with clusters of yellow flowers, confections of wedding bells and draped garlands of icing. Dividing the tiers were white columns centered with wedding bells. The table, laid with a cloth of white satin and net, was trimmed in yellow satin ribbon, bows and daisies.

Those assisting in the houseparty were Miss Roberta Childress of Galveston, Mrs. Robert Presley and Mrs. Mark Day of Waco, and Mrs. Larry Alexander and Mrs. Ronnie Beard of Stephenville.

Following the reception, the couple left for their wedding trip. The bride was attired in a blue and beige suit with beige suede accessories. Her corsage was the orchid from her bridal bouquet. The couple will be at home at 4725 Junius in Dallas.

A rehearsal dinner honoring the bride and groom and their attendants was given by the bridegroom's parents, Mr. and Mrs. Floyd McKenzie on June 2. The dinner was held in the Holiday Room at the Holiday Inn in Brownwood. Gifts were presented by the bride and the groom to their attendants and the bride and groom exchanged their wedding gifts.

On the day of the wedding, Mrs. Delton Barnett, Mrs. Oleta Daniels, Mrs. Hawley Jernigan, and Mrs. Billy Hale were hostesses for a bridesmaid's luncheon held in the home of the Barnett's.

Community News From Mullin

By MRS. JOHNNIE HOLLAND

Mullin Cemetery Association would like to report that permanent fund now totals \$800 with additional pledges of \$7,120.00 to be paid over a period of a few years. The day dinner and donated yielded \$325.20 to be for current expenditures. French family met for a reunion in the home of Mr. and Mrs. L. French. Thirty-two present. All of the French were present except 1 Mrs. Elmer (Ethel) Metz. There are three boys and two girls in the family. Besides the French were Mr. and Mrs. Vee of the Democrat Community and Mrs. Norma Heffner of Brownwood. Mrs. Ross of Brownwood, all of the A. L. French and grandchildren present.

Miss Artie Mosier is visiting a few days this week in Coleman with Mr. and Mrs. B. O. Musgrove.

Mrs. Fisher Wigley and Mr. Walker Wigley visited an afternoon last week in Mullin with Mr. Dick Kemp.

Mr. and Mrs. Gilbert Chancellor are leaving this week for their new home in Ruidosa, N. M. We will all miss them, but we wish them well in their new home.

Mrs. Lonnie Muriel Gilbreath remains critically ill in the hospital at Goldthwaite. She is in intensive care at this time. Her son, Ansel, of Arlington visited with her Sunday.

Mrs. Elbert Phillips is home from the hospital in Hamilton. She is recovering from wounds she received when a limb pulled her off a horse she was riding. She fell into a deep narrow ditch. The horse fell back into the ditch too, but as I understand this the ditch was too narrow for the horse to fall completely to the bottom, therefore her injuries weren't so bad.

Dusty Durst is also recovering from a fall from a horse.

Mrs. Earl Ethridge has been in the hospital at Goldthwaite, but she is home now and doing better.

Doings by DANIEL

COUNTY AGENT

A 4-H Record Book Workshop will be Thursday, June 8, at 8:00 p.m. in the Mills County State Bank Meeting Room. The workshop is open to all 4-H'ers in the county for the purpose of assisting everyone in completing a record book.

Record books play a vital part in the 4-H organization. Nearly all 4-H'ers have some type of project which requires record keeping. By completing record books, a 4-H'er not only learns to manage books, but also competes for many medals, scholarships, and other awards.

Brush control is a major concern of landowners and/or operators in Mills County. Many thousands of acres are not productive because of the very thick brush covering. Without this brush, less acreage would be required to run an animal unit; which in turn would mean a larger return to a producer per acre of land.

Many producers in the county have done a tremendous job in eliminating their brush problems. Some have tried and not been successful. Others have not tried because of the enormous costs.

The Texas Agricultural Extension Service is working very hard to aid producers in this problem as are other organizations. The Extension Service is

offering a special program on this problem. I will be glad to explain this program to anyone interested.

G'waite Eastern Star To Install Officers Saturday June 20

Installing officers will be Mrs. Charley Sheldon, Mrs. Woodson Clary, Mrs. Doyle Miles, and Mrs. Shelby Hawkins. Rev. E. C. Young will give the invocation and benediction.

The Mills County 4-H Dress Revue will be held Monday, June 12, at 7:30 in the Fellowship Hall of First Methodist Church. Girls from all 4-H Clubs in the county will participate.

Everyone is invited to come see the girls model and receive the awards they have earned in their clothing projects.

The date for the 4-H County Camp has been changed to June 26. The camp will be held at Lake Merritt as originally planned and there will be a covered dish supper for families beginning at 8:00 p.m. All Mills County residents who are interested in joining 4-H or working with 4-H members as a adult leader are invited to attend this camp.

With warmer weather at hand and much activity causing summer appetites to grow, we can squelch them with cool, convenient summer salads.

When making your selection, gently squeeze the lettuce head and feel if it springs back. When lettuce is harvested for quality and flavor, it's cut while there are still air pockets between the leaves. That's why it will give when squeezed.

Compact heads of lettuce that don't bounce back may be bitter, feel tough to the tongue and have leaves that are difficult to separate.

Many of us are finding rust colored spots on inner leaves of lettuce these days. These result from poor growing conditions such as sunburn or frost while the lettuce matures. There is no way to detect these spots without cutting or splitting the head.

Lettuce doesn't keep its good

A "hope-chest" in England is known as a "bottom drawer."

eating quality for much more than a week. It physically changes from the time its harvested until it's eaten.

Salad greens require cold, moist surroundings. If you plan to use the lettuce within a day or so, knock out the core by hitting against the edge of the sink. Then run a heavy stream of water into the center of the head. Turn it upside down and drain thoroughly before putting into a plastic bag or vacuum sealed crisper. If you use a bag, store in the hydrator of the refrigerator.
