ourney Feb. 1 & 3

Goldthwaite "B" Team
ournament will be held Thurs-
day (today) and Saturday at the
School Gym.
Activities will begin at 4:30
and will resume Saturday
morning at 9 a.m. Finals will
be held Saturday afternoon at
10 p.m.
Schools involved in the tourney
besides the host school Gold-
waite will be Richland Springs,
Market, Star (girls) and Mullin
(boys).

Price
Dental Health Week
Emphasizes Plaque

bacterial plaque, the sticky
that forms continuously on
teeth, must be removed daily to
prevent tooth decay and gum
disease.
That's why the slogan "Plaque
is '73" has been chosen
for this year's National Child-
ren's Dental Health Week, Feb.
1-7.
Tooth decay affects about 95
percent of the population. In
addition, almost all adults have
some form of gum disease. And,
bacterial plaque is the chief fac-
tor in both diseases.
Plaque is an almost colorless
film that clings to tooth sur-
faces. The bacteria in plaque
convert certain types of food into
acid-causing acids. Addition-
ally, the bacteria in the gum
irritate the gums and, if pla-
que is not disrupted daily, the
gums become inflamed and
bleed.
The basic steps in an effective
hygiene program designed to
prevent plaque at least once a
day are as follows:
First, chew a disclosing tab-
let which is composed of harm-
less vegetable dyes, to identify
areas of plaque on the teeth.
Then, use a toothbrush with soft,
rounded bristles to gently
brush the accessible surface on
the cheek and tongue sides of
teeth. A more vigorous brush
should be used on the biting
surfaces of the teeth.
Following brushing, the patient

County Residents To Purchase Over 3800 Auto Tags

New 1973 auto license plates go on sale Thursday morning (today) at the county tax office. H. G. Brooks, county tax assessor-collector said county residents are expected to purchase 3,800 sets of new plates this year. The new plates may be purchased anytime after February 1 but must be attached to all motor vehicles by April 1. All automobile owners are

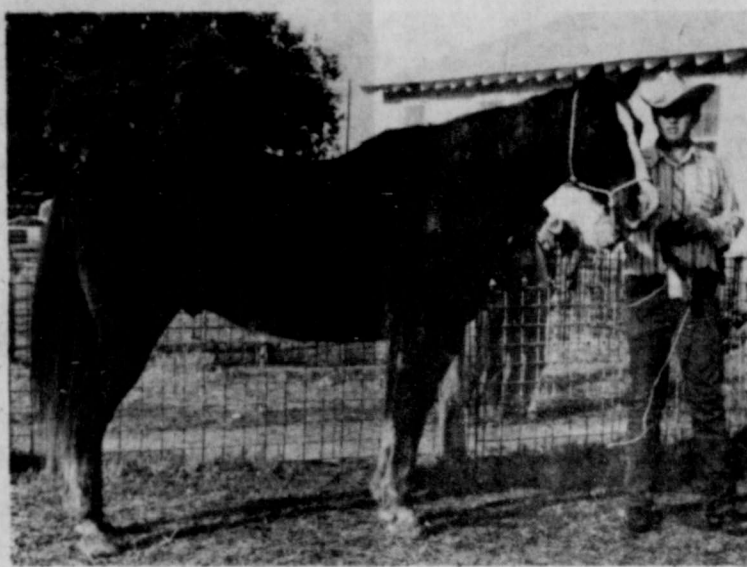

mind to bring the three part license forms which they recently received through the mail from the Texas Highway Department. Brooks advises all car owners who did not receive the proper license forms from the Highway Department to bring the autotitle and current registration receipts.

Other license plates issued throughout Mills County will include a few personalized plates, trailer plates; token trailer; horse trailer and motorcycle. The revenue from the sale of

auto license plates provides the county with one of its major sources of funds, with the largest portion of the money going directly to the four county commissioner precincts.

Retired Teachers To Meet Feb. 2

The Retired Teachers Association will meet February 2, 1973, at 2 p.m. in the Community Room of the Mills County State Bank. Speaker for the event will be Jim Jordan who will present a program on social security. All members and prospective members of the teachers association are invited to attend.

Six MHS Boys To Attend Houston Show

Six Mullin boys will be taking their fat lambs and breeding sheep to the Houston Livestock Show schedule for this weekend. The boys attending the show will be Craig Smith, Danny Whisenant, Bruce Lethco, Colin Barrow, Tony King and Phil Hickman.

Melissa Coats Receives Bond In Sewing Contest

Miss Melissa Coats of Goldthwaite received a \$50 bond from National Hand Knitting Yarn Association, New York, New York, in the Make It Yourself With Wool Contest held in Washington, D. C. on January 23. Miss Coats modeled a two piece hand knitted suit of surf green and winter white. Accessories included a crocheted news boy cap and winter white suede shoes, a ring and a watch. The national finals involved 48 (CQ) contestants representing 44 states who competed at the national level only after winning over thousands of other teenagers at

both district and state levels. Although this was the first year that young men were allowed to enter, only one male entry competed at state level. This year marks the 25th Anniversary of the contest for teenagers who knit, crochet, or sew and model their own fashions of 100 percent American wool. Junior and senior winners' national grand prizes will be an all-expense-paid trip to Europe this summer via KLM Royal Dutch Airlines, using a three-piece set of matched luggage from Samsonte Corporation, Denver. Judging was based on contest-

ant's sewing, knitting or crocheting ability with 100 percent wool, loomed, knitted or spun in America; on making a garment properly coordinated in color, design and texture for the contestant's own figure and coloring; on selecting a fashion suitable to the age and activities; and on modeling the garment submitted. Melissa, daughter of Mr. and Mrs. N. M. Coats, is a junior at Goldthwaite High School. She is talented in several school activities and is involved in hobbies outside of school.

Mullin Sr. Citizens Hold Regular Meet

Mullin Sr. Citizens held their regular meeting Monday, Jan. 29 with approximately 25 attending. Guests at the meeting were Mr. and Mrs. J. D. Denson of Early and Mr. and Mrs. C. C. Wright of Bangs. Mrs. Denson gave the invocation before the lunch hour. Grand prize winners were Mrs. Gerald, Alma Spinks, Pearl Reynolds and Lula Ethridge. The next meeting of the group will be held at the Mullin Community Center on Monday, Feb. 12. A covered dish luncheon will be served.

Army 'War' Stage Set For Central Texas

FT. HOOD, TEXAS — Jan. 16. The deteriorating political situation between the fictitious countries of NATO-allied Ohadi and aggressor Klauzia will result in hostilities next week, according to a test scenario drawn up by MASSTER. The border war between the two phony countries represented on paper as the northern and southern parts of Texas will pit elements of the 1st Bde., 1st Cav. Div., as the friendly forces against elements of the 2nd Bde., 2nd Arm. Div. The field maneuvers will be an examination of the 1st Cav. Div.'s 7th Sdrn., 17th Cav., operating as an "attack helicopter squadron." The week-long pilot test or practice period begins next Monday. The actual test is scheduled for 11 days, beginning Feb. 5 and ending Feb. 15. Details of that deteriorating political situation between the belligerent nations are the handiwork of 1st Lt. Timothy P. Weber of A Co., 163d M. I. Bn. Weber has been on special duty since November with MASSTER's Test Directorate C, writing the intelligence portion of the test scenario. Although the test takes only 11 days of real operations, explained Weber, in the fictional situation developed for the test the war takes 26 days, while the 5-day pilot test theoretically lasts 7 days. The jumps in time to coordinate the fictional situation with actual maneuvers will be explained to participating troops by newsletters similar to those distributed during Gallant Hand. Elements of the 1st Cav. Div's 1st Bde. allied with the 7 17th Cav. will be 3 1st Arm. Cav. Sdrn. and 1 13th Arm. Cav. Sdrn. augmented by a mechanized company provided by the 1 12th Mech. Inf. Aggressor elements from the 2nd Arm. Div.'s 2nd Bde. will be played by 1 50th Mech. Inf., 1 66th Arm. and 2 67th Arm. The test of the 7 17th Cav. will determine if the unit, as an attack helicopter squadron, can successfully conduct operations against tanks and other motorized units. Objectives of the test include refinement of the squadron structure for combat, development of tactics and techniques, identification of combat service and support needs and evaluation of effectiveness against electronic warfare. MASSTER developed the idea and unit configuration for the test, which was approved by Department of the Army. The attack helicopter squadron, authorized more than 1,300 men with 136 aircraft and 170 vehicles, will be the first Army aviation unit to have the ability to perform all unit level repairs on its aircraft. One of the principal causes of tension between those fictitious combatants Ohadi and Klauzia, according to intelligence writer Weber, is the recent annexation by Ohadi of Pretin Province in the Central Texas area including Ft. Hood. Citizens of the province had voted for the annexation following a long, costly battle with Klauzia. The political climate will erupt in hostilities next Monday and again two weeks later when, during winter maneuvers in both countries, combat units of Klauzia violate the political border. Klauzian propaganda will claim that the Klauzian combat units strayed over the border due to navigational errors and were fired on by the NATO forces. The outcome of the conflict will be in favor of the "god guys" as the Klauzian units are referred. Test director for MASSTER is Co. Robert F. Little Jr. Test officer is Lt. Col. Nick J. Prints, Lt. Col. Jimmy D. Weeks is chief controller, assisted by Maj. Randolph D. Clapp. Operations chief is Maj. Paul Johnson. Briefer is Maj. John R. Sutherland Jr. The test was designed by Lt. Col. Dick Robinson, who has since been reassigned to Department of the Army in Washington.

Was Younger**

10 Years Ago —

(Taken From The Eagle Files Of January 24, 1963)

Johnny Vaughan is opening his own barber shop. He has been associated with Shaw's Barber Shop for the past five years.

Dr. M. A. Childress and Maxine Gist were special guests representing Goldthwaite at an open house at the new \$350,000.00 Lampasas Nursing Home last week, and for a meeting of the Tri-County Medical Association. Mr. and Mrs. W. P. Duren, Dr. and Mrs. T. C. Graves and Mrs. Claudia Cokrum attended the Banquet in Austin preceding the inauguration of Governor Connally.

Col. V. Z. Cornelius, Goldthwaite, was re-elected president of the Central Texas Registered Angora Goat Breeders' Association recently.

Mrs. Carl Davis has been employed by the Goldthwaite School Board as a fourth grade teacher replacing Mrs. K. C. Brown who resigned.

Mrs. Norma Fay Collier of Goldthwaite is among 313 students who have applied for bachelor's degrees to be awarded at North Texas State University on January 27.

Mr. and Mrs. Kellis Landrum of Goldthwaite are the parents of a daughter, Stephanie Lynn, born

at Childress and Cruzcosa Clinic and Hospital on January 22. She weighed 8 lbs. and 6 ozs.

In the Nueces County Stock Show at Robstown, Joe Dean Dickerson showed the grand champion sheep in the breeding class, and reserve grand champion in the fat lamb class. He also received Champion Showmanship award over the entire show. Tonitta Dickerson took grand champion in the fat lamb class.

25 Years Ago —

(Taken From The Eagle Files Of January 23, 1948)

On January 4, 1948, a baby girl weighing seven pounds and eight ounces, was born to Mr. and Mrs. A. H. Weathers at the San Saba Hospital. The little lady has been named Marsha Gail.

Mr. and Mrs. Ellis Mahan visited in Brownwood Sunday with his brother, Shirley Mahan and wife.

Miss Ruth Whitt and Louvell Sides were married on January 17 at the Church of Christ minister's home. The couple will reside in Austin.

Mr. and Mrs. Jim Evans received word that their grandson, Charles Cook, was ill in a Abilene Hospital (Chappell Hill News).

Mrs. C. F. Stubblefield and Miss Polly, will hold open house on Sat. Jan. 24th honoring Mr. and Mrs.

Louvell Sides with a miscellaneous wedding shower.

Mr. and Mrs. A. B. Soules are the proud grandparents of a new granddaughter born to Mr. and Mrs. Alton D. Soules of Waco weighing eight and one-half pounds. (Star News)

Mr. and Mrs. Floyd Frazier, Barbara and Barbara Dell Ross of Brownwood visited in the W. C. Frazier Home.

Mrs. Jesse Moreland was the hostess at the Art and Civic Club meeting held Jan. 1. Mrs. Marvin Hodges opened the program by giving several interesting topics about Alaska.

Mr. and Mrs. Horace Brooks of Rock Springs Community visited with Mr. and Mrs. George Brooks one day last week. (Big Valley News)

40 Years Ago —

(Taken From The Eagle Files Of January 20, 1933)

County Clerk Porter has on file an application for marriage license for Darrell Smith and Miss Lennie Hays, both of Mullin.

The local high school athletic association has moved the town a step forward by renting the Harrison building and installing an indoor basketball court.

Lloyd Laughlin School in Stephen Sat. Night with Fleming (Scalorn News)

The two little daughters of Mr. and Mrs. Marvin Rudd celebrated their birthdays last week. Virginia Ruth was eleven on the 11th and Dorothy Nell was six on the 14th.

Mr. Lee White of Mullin and

**Martinez
Completes
Army Training**

FT. POLK, LA. (AHTNC) on December 1 —Private Roberto Martinez, 21, son of Mrs. Beatrice Lara, Goldthwaite, recently completed eight weeks of basic training at the U. S. Army Training Center, Infantry, Ft. Polk, La.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid and army history and traditions.

Pvt. Martinez received the training with Company E, 1st Battalion, 2nd Brigade.

Before entering the army he was employed at Johnson Brothers Texaco, Goldthwaite.

STATE Capital NEWS

By BILL BOYKIN

AUSTIN, TEXAS — This city is a part of its "personality" week. Most Austin Citizens are sophisticated about the fact that President Lyndon Baines Johnson was seen frequently at public events...but his personality gave the entire area a certain glamor that will be lost with his passing.

He had made frequent appearances recently — the Cotton Bowl, the Bill Rights forum, Governor Biscoe's inauguration, and an economic seminar at San Marcos. Yes, Austin and Texas will miss LBJ.

He did not try to dominate the show when he appeared publicly, but not make "news" by voicing opinions on everything, but his influence was felt in many important ways.

During last year's political campaigns in Texas, he was on the phone raising money, offering advice — supporting those who had been loyal to him during his political career.

The Texas Democratic party will miss LBJ.

Although it will not be listed in his biography, Lyndon Baines Johnson was a journalist.

He wrote a book. He helped write and produce several television news specials. Most of the "made" news during his lifetime.

His daughter, Mrs. Luci Nutt, likes to point out that her father was "surrounded by journalists."

"My father had to live with journalists all of his life," she said recently. "My mother was a journalism graduate of the University of Texas. My sister wrote major magazines, and I've enjoyed doing some writing."

Men who influenced him on his major decisions were journalists...Bill Moyers, Geo. Christian, Tom Johnson and many others. He formed in many Texas newspaper editors, Art Swert, Bob Jackson, Bill Hobby and others.

Texas Journalists will miss LBJ.

He refused to let his illness run him down.

His last public appearance was at a tree planting ceremony near home with Lady Bird. He spent an active Christmas holiday with his wife, daughters, and husbands and children.

He attended the funeral of the young people who had been killed in the bus-truck accident at the funeral of President Harry S. Truman less than a month ago.

His family will miss LBJ. President Johnson's political career will continue to be an inspiration to young people interested in government and politics.

He came from a family of public servants, but hundreds of college students in this state look at his career and contemplate "path to the presidency."

He was first a young school teacher, then youth administrator, aide to a Congressman, Congressman, Senator, Vice-President then President of the most powerful nation in the world. Yes, Lyndon Baines Johnson made history interesting for Texas.

Texas will miss LBJ.

ABORTION LAW STRUCK DOWN — The U. S. Supreme Court voted 7-2 to strike down the state's abortion statute. Holding that medical abortion in the first six months of pregnancy should be a private matter between a woman and her physician, the high court ended a controversy begun in 1970 when "Jane Roe" a pregnant, unmarried woman from Dallas took the abortion argument to the federal courts.

Ironically Miss Roe, as she was named to protect her identity, won her case, but had the baby.

Gov. Dolph Briscoe asked Texas Atty. Gen. John Hill for an evaluation of the ruling and for alternatives open to Texas in light of the high court decision. Lt. Gov. Bill Hobby, however, said that "the best solution is one in which the state is neutral on the subject...I believe the medical profession of Texas will respond to the decision and will treat abortion as a medical matter in a responsible way."

ENGINEERS OFFER LEGISLATORS PROFESSIONAL ADVICE — Legislators last week were offered the expertise of a group of engineers on "broadly defined areas of environmental protection" and other areas of public concern.

The Texas Society of Professional Engineers told Texas House and Senate members that 700 members of that association were available for "factual presentations" before committee hearings on air pollution, water pollution, liquid and solid wastes, insecticides and pesticides, health, safety and many other categories.

TOO MANY SCHOOLS? — Texas may be expanding educational facilities to the extent that the quality of education may be diluted, while the taxpayer keeps digging deeper in his pocketbook to pay the bills.

Opinion was expressed here by Wales Madden, an Amarillo attorney, who is a member of the Coordination Board, Texas College and University System. Madden told CB members "educators know that increased funding is dependent upon growing enrollments. With institutions planning independently and on an ad hoc basis for enrolling the same students, and with there being fewer students to spread among the colleges, we may endanger the critical mass of students, faculty, facilities, equipment and libraries established at such high cost and hard effort in our existing institutions."

Madden placed part of the blame on local pressure on state legislators, who feel duty bound to try to create by statute a junior or senior college or technical training facility in their communities. Madden urged CB members to moderate the present expansion trend "until we determine fully what the needs are and where we are going."

JAIL CRITICIZED — Texas Legislative Council urged creation of a commission on county jail standards, terming present laws on the subject "totally unrealistic and meaningless."

The Council's report said only five jails in Texas (those of Andrews, Lynn, Oldham, Smith, Taylor, and Wichita counties) meet health department standards. The State Health Depart-

ment inspects jails but has no authority to compel compliance with its own standards.

T.L.C. said the proposed commission should promulgate realistic standards and regulations and prohibit confinement of prisoners in those which do not measure up to them.

The Council also recommended a work-release program for jail prisoners, allowing inmates to post 10 per cent of their bond on condition it would be refunded when they appear for trial and immediate transfer to the Department of Corrections of inmates convicted of felonies and waiting action on appeal.

COURTS SPEAK — The Court of Criminal Appeals upheld the murder conviction of Walter Lee Morris in the shooting of a Sherman police sergeant.

The same Court affirmed a 2 year probation sentence of a Houston youth for wearing the U. S. flag on the seat of his blue jeans, although it agreed two sections of the law on desecration of the flag are unconstitutional.

In a new ruling on contributory negligence laws, the Supreme Court held damages should be paid to the children of a woman killed in a collision with a negligent driver even if her husband was also partly to blame for the accident.

The High Court ordered a new trial in a suit by the widow of a man killed in a truck-train wreck at Floresville.

SHORT SNORTS — The Legislature was urged by a study committee to regulate overpumpage of groundwater in several parts of Texas, including the San Jacinto Monument-Baytown area, the High Plains and San Antonio area.

An Austin representative introduced a resolution calling for a committee to investigate Rep. John Allen of Longview who paid a fine late last year after pleading guilty to a misdemeanor nepotism charge.

Applications have been filed for new state banks in Vidor and Euless.

Teams Meet

The Mullin B Team boys won over the Goldthwaite team Tuesday night by a 43-33 score. Mullin Jr. High girls lost to Goldthwaite Jr. High girls 21 to 11.

Goldthwaite Junior High A team boys and B team boys lost to the Mullin teams 41-28 and 20-10, respectively.

MELBA LOU SEWARD

Announce Engagement

Mr. and Mrs. John R. Seward of Star announce the engagement and approaching marriage of their daughter, Melba Lou, to Sgt. Thomas L. Robello, presently stationed in Anderson Air

Force Base, Island of Guam, U.S.A.

Tom is the son of Mr. Clement Robello and Mrs. Norma Smiley of California.

The couple plan a June wedding.

Garden Club Elects New Officers At Recent Meet

The Goldthwaite Garden Club met in the home of Mrs. Paul Henderson, Wednesday afternoon, January 17, at 2 o'clock. Roll call was answered with "A Way to Improve Our Environment."

Mrs. Woodrow Boykin, president of the club, presided at the business meeting in which the following slate of officers were elected: President, Mrs. N. M. Coats; 1st Vice-President, Mrs. V. Z. Cornelius; 2nd Vice-President, Mrs. Walton Daniel; 3rd Vice-President, Mrs. W. P. Duren; Recording Secretary, Mrs. Delton Barnett; Corres-

ponding Secretary, Mrs. G. C. Head; Treasurer, Mrs. R. Glynn Raley; Reporter, Mrs. M. F. Horton; Assistant Reporter, Mrs. A. R. Neely and Parliamentarian, Mrs. Woodrow Boykin.

Following the business meeting, Mrs. E. D. Roberson gave a very informative and enlight-

Ridge Singing

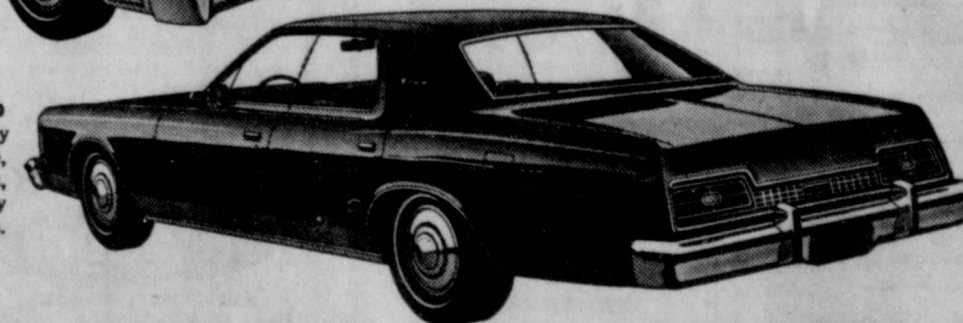

The regular Ridge Singing will be held Sunday, February 4, between 1:30 and 4 p.m. Glenn Nichols is the president and out-of-town singers are expected to be present. Anyone interested is invited to come and join the fun.

If you haven't seen the new Fords, you haven't seen what's new for '73.

Ford LTD Brougham 2-Door Hardtop
Options shown: Power-operated Sunroof, WSW steel-belted radial ply tires, remote control right-hand mirror, front cornering lamps, deluxe bumper group, deluxe wheel covers and vinyl top.

Ford Galaxie 500 4-Door Hardtop
Options shown: Steel-belted radial ply white sidewall tires, bumper group, wheel covers, rocker panel moldings, vinyl top and Ford Motor Company exclusive Power Mini-vent Windows.

The closer you look, the better we look.

Two unbiased panels of auto experts took a close look at all the '73 cars. Tested them thoroughly. Based upon these tests... Ford won "Car of the Year" in Road Test's competition.

Ford LTD won "Full-size Sedan of the Year" in Motor Trend's competition.

A close look shows why restyled Fords (LTD's and Galaxie 500's) won top awards. Motor Trend said, "The clincher was Ford's stock in trade: a super-quiet interior, isolation from noise." Standard luxuries scored big: 351 V-8, automatic transmission, power steering and brakes, power ventilation, bodyside moldings, and more. You'll like the spacious Ford Front Room. Full-length door armrests. Push carpeting.

Optional better ideas: Fingertip Speed Control, Select-Aire Conditioner plus Automatic Temperature Control, AM/FM Stereo Radio with Tape Player and dual speakers front and rear.

More for '73. A glove box bigger than any of Ford's standard-size competitors. Options like a remote control right-hand mirror that's driver adjustable. Power Mini-vents on 4-Door Fords. An improved electric rear window defroster.

For driving peace of mind... optional steel-belted radial ply tires. Standard safety features include side-door Steel Guard Rails, an Energy Absorbing Bumper System, and more. And there's a new optional Anti-theft Alarm System. So much is new we invite your close look. Road Test calls the '73 Ford "the finest family car to be found at its price in showrooms today."

Quiet is the sound of a well-made car.

Cards of Thanks
We wish to extend our sincere appreciation to all who were so thoughtful during the time of our bereavement. The beautiful flowers, the cards, food, memorials and many kind words was a great tribute to our loved one.

We also wish to thank the friends of our mother whose kind words, contributed in making her life a happy one.

The Family of Mrs. W. B. Summy
2-1-1tp

With deepest gratitude I wish to express my sincere thanks and appreciation to my many friends who extended so many kindnesses to me while I was a patient in Childress Hospital.

For the cards, visits, flowers, gifts and food, I am most grateful.
Mrs. David (Frances) Lawrence
2-1-1tc

May I take this method to express my appreciation and gratitude for the countless acts of kindness shown me during my stay in the hospital.

I want to say "thank you" from the depth of my heart for the nice cards, letters, prayers, flowers, visits and each deed of kindness.

Special thanks to the doctors, nurses and entire hospital staff for their kind and attentive care. God bless each of you.
Mrs. Delia Davee 2-1-1tc

We wish to thank all the friends, neighbors and relatives for all the calls, cards, visits, the pretty flowers and most of all the prayers during Bill's stay at the hospital and since coming home.

We also want to extend special thanks to Dr. Dennis, Dr. Childress, the nurses, and complete hospital staff for all their care and attention.

All the many kindnesses are appreciated and acknowledged.

Mullin News-

BY MRS. JOHNNIE HOLLAND

The Class of 1915 of Mullin High School has lost its first member, Mrs. Bob Bowen (Cora Scarborough). She passed away in Willis Point last Thursday and funeral services were conducted Saturday at eleven a.m. Fifty eight years without a death in the class must be a record. The class has been meeting each year for several years for a reunion, but Mrs. Bowen was unable to attend the meeting last summer.

Shorty Pafford is in the hospital in Goldthwaite with a broken leg. He was helping Carl Hohertz load some cattle when he received the injury.

Mr. and Mrs. Bob Parker and Donna Jean of Kermit visited here the past week-end with her parents, Mr. and Mrs. Grady Hancock and at Caradan with his parents, Mr. and Mrs. Pat Parker.

Mrs. Winona Murray has gone to Center, Texas for an extended visit with her sister and other relatives.

Mr. and Mrs. Rex Tullos of Waco, Mr. and Mrs. Arnold Roberts of Goldthwaite, their daughter Marilyn and her friend Renee Gaston from Baylor University in Waco and Mrs. Ruth Tullos of Mullin all spent last Sunday with Mrs. Cleo Hodges and Bud. Connie celebrated her birthday with a pretty white cake and all that goes to make a birthday complete.

Mrs. Richard Shelton has returned home after spending some time in California with her mother who suffered a severe stroke. Her mother passed away and she attended funeral services for her before returning home.

Mrs. Jewell Baskin spent Monday and Monday night in Brownwood with her son, Joe Francis and wife of Dallas.

We had a very nice rain in Mullin the past week. We had some over two inches and it fell so slow - just what we needed.

Mr. and Mrs. Bo Masgrove of Coleman visited here last Monday with her sister, Artie Mosier. Artie is having quite a bit of work done inside her house. It is going to be real nice when it is completed.

Letters to friends in Mullin from Mrs. Vesta McCormick in Houston tells us she is getting bad reports from a doctor that she is seeing there. We all hope the situation will be better for her soon.

Tommy Anderson and Penny Cameron of Plainview visited recently with his grandparents, Mr. and Mrs. W. T. Anderson. They were enroute to Austin to enroll at the University.

Mr. and Mrs. Glenn Nichols opened the doors to their pretty home near Ridge last Friday night, January 26 for the Ridge Runners to have a Sing Song Service.

About fifty were present with each bringing cookies, cakes, and sandwiches. The food was served along with cocoa and coffee at the mid-mark of the singing.

The next singing for the Ridge Runners will be held February 23 at Ridge Community Center. Hostesses will be Mrs. Georgia McCallanhan, Maxie Hodges and Mrs. Verna Lee Long.

Everyone is welcome to attend.

BIRTHS
LTC and Mrs. Charles D. Utzman of Fort Hood proudly announce the birth of a daughter, Suzann Kaye, at 4:28 p.m. on the 16th of January 1973, at the Hilldale Hospital, Killeen, Texas. Suzann weighed 7 pounds, 10 1/2 ounces, and plus Kristy, 13, and Scot, 10.

Paternal grandmother is Mrs. Ruth Utzman of Goldthwaite who was present in Killeen to welcome Suzann home from the hospital.

Maternal grandparents are Mr. and Mrs. Dale Dage of Temple.

Doings by DANIEL

BY LARRY DANIEL
COUNTY AGENT

Five Mills County 4-Hers will participate in the San Antonio Livestock Show next week. The 4-Hers include Brenda Geeslin, Bridget Meier, Debbie Lindsey, Pam Lindsey and Randy Lindsey. These 4-Hers will take their steers to San Antonio on February 7 and show on Saturday February 10.

Texas farmers and ranchers make a number of common mistakes each year that cost them additional dollars at income tax time.

With the deadline for filing farm income tax returns drawing near (March 1), key management decisions can still help reduce the tax load for 1972 by overcoming some common errors.

The major income tax mistakes made by agricultural producers are the following:

1. Letting the tax accountant do it all. Turning your tax records over to an "authority" may not be the best decision. Producers must know tax laws themselves and must "think taxes" with every management decision they make during the year. Be sure the tax accountant selected knows farm tax laws and that he asks you questions about your operations that may affect your taxes.

2. Poor planning. This is a major area with far-reaching effects. Included is the failure to buy or sell before the end of the year and the lack of attention to timing sales and tradings to transform ordinary income into capital gains.

3. Failure to claim investment credit. This also reflects on poor planning since trading an implement too soon will reduce the amount of investment credit that can be claimed. Using the 7-percent investment credit can lighten the tax burden for many farm and ranch operations.

Many times, when purchased new or when bought with a farm, qualify for investment credit. Items often forgotten include tile drains, feeding floors, paved drives, wells, fences and grain storage bins. Investment credit can be carried back three years to retrieve tax money previously paid and may also be carried forward seven years to save on future taxes. Use Form 1040X to claim any refund due for past years.

4. Poor record keeping. To take full advantage of tax credits, good records are a must. A good record-keeping system should meet the needs of production operations and tax record requirements. Often, overhead expenses such as publications, insurance, electricity, telephone, interest, repairs and car and pickup expenses are overlooked.

5. Failure to watch tax changes. Tax laws and court rulings change from year to year. And the agricultural producer must keep abreast of all items that may affect his operation. Of special importance is the Keogh Act which provides for tax-free retirement benefits. The Act allows a deduction of 10 percent of earned income or \$2,500, whichever is less, to be set aside tax free in a qualified retirement plan. Also, up to \$2,050 may be paid to each child annually for farm wages without losing their exemptions and the child owes no tax as well.

6. Failure to use capital gains fully. Capital gains can be a major source of tax savings. Long-term capital gain means that only one-half of the profit is taxed if assets were held for six months or more except for certain classes of livestock which must be held at least 24 months.

The time spent planning the use of capital gains, could be the most profitable hours of the year.

Think taxes, plan taxes and keep good records. This will make income tax time less of a burden and may bring a pleasant surprise in the form of a lighter tax load.

Farmers and ranchers who want additional information on filing income tax returns should obtain a copy of the "1972 Farmer's Tax Guide" which is available at my office.

Priddy Basketball Going Strong

Priddy girls and boys basketball teams won their games over Mullin last Tuesday night. The girls won 73 to 29 and the boys score was 77 to 49.

Scoring for the Priddy girls were Florida Limmer with 25 points; Diana Bufe, 16; Peggy Holmsley, 10; and Donna Drueckhammer, 10.

Boys scoring for the Priddy team were Doug Hopper with 16 points; Dale Selheimer, 14; Danny Marwitz, 14; Doug Feist, 10; Lee Wayne Tiemann, 9; and Alvin Limmer, 9.

Thursday night, January 18, the Priddy Basketball teams won over the Cherokee boys and girls. The girls downed Cherokee by a score of 74 to 15 and the boys took a 59 to 23 win.

Scoring for the girls were Holmsley, 23; Drueckhammer, 22; Tyson, 11; and Limmer, 9. Scoring for the boys were Tiemann, 22; Selheimer, 13; Limmer, 11; Feist, 6; and Marwitz, 2.

Pottsville was downed by their host team Priddy on January 23. Leading the Priddy girls to a 64 to 39 victory was Peggy Holmsley, 30; Donna Drueckhammer, 14 and Flo Limmer, 8.

In the boys game the Pirates took a 75 to 55 win over Pottsville. High Priddy pointers were Dale Selheimer, 27; Alvin Limmer, 18; Danny Marwitz, 12 and Lee Tiemann, 10.

DENTON 90th BIRTHDAY

Mrs. Avie Doggett Denton of Goldthwaite will celebrate her 90th birthday Saturday, February 3, 1973, at the Baptist Youth Center.

She will be honored with a luncheon hosted by her four sons and three daughters. The public is invited to attend between 1:00 and 2:00 p.m.

Dieting has been defined as "the penalty for exceeding the feed limit."

Couple Plan April Wedding

Mr. and Mrs. Gilbert Davis of Goldthwaite announce the engagement and approaching marriage of their daughter, Brenda Lajeau, to Ronald Lee McKinney, son of Mr. and Mrs. Travis McKinney of Pottsville. The bride-elect will be a May graduate of Tarleton State College with a B.S. Degree in Physical Education and Business. Her fiance will graduate from Tarleton State College in August with a B. S. Degree in General Agriculture. The marriage will be solemnized at 7 p.m. on April 21, at the First United Methodist Church in Goldthwaite. Rev. Gordon Talk, pastor, will officiate.

Beef Prices Remain Steady Across Nation

COLLEGE STATION — Beef prices continue steady across the country despite increased production and increased livestock marketing. The main reason is the increased demand for beef due to continued growth in the United States population and rising per capita disposable income, says Dr. Edward Uvacek, livestock marketing specialist for the Texas Agricultural Extension Service. He points out that the U. S. population increased by 2.2 million from July 1, 1970 to July 1, 1971 and that per capita disposable income rose 7 percent during that same period from a year earlier. "This has placed all sorts of demand on the only slightly higher total meat production." Prices for feeder cattle continue up due to good feed grain crops during the past year and the continued expansion of large commercial feedlots in Texas High Plains and in the Midwest. Citing figures from the U. S. Department of Agriculture, Uvacek notes that cattle numbers have changed relatively little from 1966 to 1970. Beef cows and heifers have increased by about 3.5 million while dairy cows and heifers have decreased by some 3 million. The average value per head of all cattle rose from \$133 to \$179. In Texas dairy cow and heifer numbers remained stable during the four-year period while beef cows and heifers increased only about a half million. The average value per head of all cattle in Texas increased from \$115 to \$155. "The real striking statistic as far as beef cattle are concerned is the growth in the cattle feeding industry in Texas," points out Uvacek. "Cattle feeding jumped 58 percent during the short period from 1969 to 1972. "Of course, this phenomenal growth has put Texas in the driver's seat as the nation's top feeding state."

Father watching his daughter select the most expensive wedding gown: "I don't mind giving you away, but must I gift-wrap you?"

Chappell Hill

BY PEARL CRAWFORD

We received some rain, sleet, and snow along with high wind during last week. There was some wind damage at the Jerry Davis place.

We received 1 inch, 7 tenths of moisture. Mr. and Mrs. O. L. Harris visited the Neely sisters, who were sick at the San Saba Hospital. They are at home now and doing nicely.

We wish all the sick folks a speedy recovery. Mrs. W. P. Oxford was on the sick list a few days. Billy of Killien visited a few days. Mrs. F. H. Tiemann extended a helping hand to Mrs. Oxford.

Mr. and Mrs. Howard Runnels and children were Sunday visitors of Mr. and Mrs. Pearl Shipman.

Mr. and Mrs. William Glynn Crawford and Letricia spent the weekend with Mr. and Mrs. A. L. Crawford and Mr. and Mrs. W. A. Bufe.

Mrs. Winnie Mae Kirby and Mrs. Victor Williams were Sunday visitors of Mrs. O. L. Harris. Mr. and Mrs. C. V. Whitley were Sunday visitors of Mrs. Berta White and her room pal, Mrs. Brown.

Mr. and Mrs. Omer Gramms of San Angelo visited Mr. and Mrs. O. H. Porter Saturday and returned home after they heard the weather report.

William Daniel visited his parents, Mr. and Mrs. R. F. Daniel Wednesday at the Heritage Home and found them doing nicely.

Wayne Ratliff visited his parents, Mr. and Mrs. W. W. Ratliff over the weekend.

Mr. and Mrs. Ralph Nowell along with Mark, Mathew, Mary and Micheal of Temple spent Wednesday with Mr. and Mrs. Hugh Nowell.

will be in Austin at the Villa Capri Motel February 5-6, according to John S. Cargile, Association president from San Angelo.

Highlight of the meeting will be a reception and dinner for the Senate and House members. "This is our way of saying 'Thanks' to these fine people for the time they are giving to the affairs of our State", said Cargile. The legislators and their wives will be served barbecued lamb and cabrito with all the trimmings.

Registration will begin at 11:00 a.m. Monday, February 5. Committees will meet from 1:00 to 3:00 p.m., and then TS&GRA members and directors will go to the Capitol to visit with the members of the State Legislature. The general session will be held Tuesday, February 6, from 9:00 to 11:30 a.m. Committee reports will be heard, and in addition, Mr. Horace Wood, who is with the Wool Associates of the New York Cotton Exchange in Boston, Massachusetts, will speak briefly to the group.

Plans are being made for the members of the Woman's Auxiliary to the TS&GRA to tour the LBJ Library in conjunction with their general business meeting.

Cargile urged TS&GRA members and directors to attend this meeting and take advantage of this opportunity to get to know the members of the State Legislature. "Over half of these men are newly elected members of the Legislature, and it is very important that we let them know what we think about matters pertaining to agriculture in our State," said Cargile.

Sunday school teacher to the children: "I want you to be so quiet that you can hear a pin drop!" After a second of stillness, a little boy yelled, "O.K., TEACHER! Let'er drop!"

MRS. DAVID LEE STONE

Carla McCasland, David Stone Exchange Vows In Plainview

Miss Carla Pearlene McCasland, daughter of Mr. and Mrs. George M. McCasland of 2201 Hoyle, and David Lee Stone, son of Mr. and Mrs. Glenn C. Stone, 1115 Houston, exchanged vows at First Christian Church in a ceremony Saturday evening performed by Dr. Frederick G. Klerokoper, minister of Grace Presbyterian Church.

Given in marriage by her father, the bride wore a formal length gown of white silk organza and satin designed with fitted bodice, wedding ring neckline edged in Venice lace and bishop type sleeves finished with wide satin cuffs. The wide flounce on the gathered full skirt, and the yoke of the dress was enhanced with lace trim. Lace also was repeated on the wide satin belt centered in the back with a satin sweetheart bow.

The bride wore a double-tiered silk illusion veil used in two previous weddings by her sisters, Mrs. Steve Johnson of Carlisbad and Mrs. Mike May. Mantilla style, it was edged in wide Chantilly lace. She also wore a diamond necklace borrowed from Mrs. Richard Graves and the traditional "something blue." The bridal bouquet was of white carnations and pink roses in cascade design.

ATTENDANTS
Miss Sondria Luster was maid of honor. She wore a cranberry pink velvet gown with stand-up collar, high waistline and leg-of-mutton sleeves. It was trimmed in white medallion lace embroidered with seed pearls. She carried a nosegay of pink carnations.

Bobby Crump was best man. Brothers-in-law of the bride, Mike May and Steve Johnson, were ushers.

Kathy Brown of Oklahoma City, Okla., niece of the groom, was flower girl. Ring bearer was Grant Anderson of Denison.

cousin of the bride. Candace McCasland, sister of the bride, lighted candles and Nikki Lynn Anderson, bride's cousin, registered wedding guests.

Mrs. Steve Hurt presented organ music and accompanied the soloist, Mrs. Donald Brown of Oklahoma City, sister of the groom.

Vows were repeated before a background of Christmas greenery on arched candelabra.

RECEPTION
The fellowship hall of the church was scene of the reception.

The serving table was covered with a cranberry cloth and lace overlay and was appointed with crystal. Cranberry tapers complemented the candelabrum and bride's bouquet for the centerpiece. The table was lighted with a colonnade three-tiered cake. A silver coffee service graced the groom's linen-covered table which held a chocolate frosted cake.

Rice bags were distributed by twin cousins, Karl and Kathi Anderson of Denison.

After December 27, the couple is at home at 1115 Houston.

The bride is a student at Plainview High School. Bridegroom graduate of PHS, is a junior at West Texas State University.

Nathan Carothers hosted the rehearsal dinner Friday evening at the Alceve Restaurant.

Bride's grandparents are Mr. and Mrs. W. T. Anderson of Mullin.

MARKET REPORT

LOMETA MARKET REPORT

Lometa Commission Co.

Lometa, Texas

BUD HARRELL, Owner

January 26, 1973

RECEIPTS: 238

Light Weight Steer Calves, 60.00-74.00; Medium Weight Steer Calves, 54.00-57.00; Heavy Weight Steer Calves, 53.00-55.00.

Light Weight Heifer Calves, 46.00-50.00; Medium Weight Heifer Calves, 44.00-47.00; Heavy Weight Heifer Calves, 41.00-44.00.

Feeder Heifers — 40.00-44.00

Gatlin Home Site For Self Culture Meet

The Self Culture Club met Thursday afternoon, January 25th in the home of Miss Love Gatlin with Mrs. O. H. Yarbrough and Mrs. Fred Reynolds as co-hostesses. Thirteen members and several guests were present for the very entertaining program.

Mrs. Paul Henderson was program director. Mrs. Alton Keeler gave the invocation. The speaker, Miss Norma Lee Robertson, was introduced by Mrs. Henderson.

Miss Robertson showed slides of her trips to Australia, Alaska and Russia. She was assisted by Julian Evans.

The entire club appreciated Miss Robertson sharing her travels with them.

A delicious tea plate was served by the hostesses.

Mullin Basketball Teams Rally Over Star

Mullin boys and girls basketball teams won their games against Star last week.

The Mullin girls won over Star by a score of 33-29 with Singleton making 16 points for Mullin and Hamilton racking up 14 points for Star.

Mullin boys rallied over the Star boys by a score of 59-36. Whisenhunt scored 31 points for Mullin and Hamilton scored 23 for Star.

Mullin will challenge Priddy at Priddy Friday, February 2. The Mullin girls now stand 2-4 in district play, while the boys are 3-3.

Mullin boys and girls basketball teams were defeated by the Pottsville teams recently.

The Mullin girls were downed by a score of 44-32 while the Mullin boys took a loss of 48-42. High scorer for the Mullin girls was Jones with 16 points. Pottsville high scoring girl was Geordel with 20 points.

Scoring the most points for the Mullin boys' team was King with 21 points and for the Pottsville team was Eilers with 16 points.

Mullin will play against Star at Mullin on Friday Night, Jan. 26.

ddy Johnson
Participate In
Houston Rodeo

ddy Johnson of Goldthwaite school will be participating in the 1973 Houston Livestock and Rodeo calf scramble and the night performance on Thursday, February 27th. The calf scramble began in 1942, and has since then paid over \$1 million for the purchase and development of the calf scramble is to educate and further educate club and FFA boys in the feeding and breeding of quality Texas cattle. Only the 388 boys taking part in the year's scramble will come to the fourth event of each 1973 performance, the calf scramble begins with 24 boys within a square in the arena. After the signal is given, the boys are turned loose nearby. The boy's objective is to place a calf on a square. The 12 boys who manage this feat receive a prize from area business. The purchase of the calf is the choice.

Price, performance and life expectancy all differ among small electrical appliances.

With the vast choices available, here are 8 guides for selecting an appliance.

Consumers should consider the following:

1. A well established manufacturer
2. Meaningful warranty or guarantee
3. Repair service availability
4. UL symbol, which means appliance meets safety standards of Underwriter's Laboratory
5. Type of controls, such as thermostats with off and on switches, heat resistance, clear-

ly marked dials or numbers, temperature control, and number of speeds—in some cases, four speeds do the job of 12.

6. Easy-clean features, such as removable parts

7. Job appliance must do, such as the specific job of a waffle iron or the general job of a blender

8. Amount of storage space required—where it stays affects how much it will be used.

The teenage boy down the block has entered the "difficult stage." He now has to decide whether to give up bubble gum or his attempt to grow a mustache.

THE MILLS MINISTER

BY RUSSELL CROSBY, Pastor of Center City Baptist Church

QUESTIONS AND ANSWERS

A good honest question deserves a good honest answer. So many times our questions are answered with long, wordy, needlessly complicated, unreasonably vague answers. Usually when one receives such a reply, he must assume that the answer has been given in such a manner because the person asked is stupid and doesn't know the correct answer, or he thinks he is so intelligent that he must take each opportunity he has to show how many big words he knows, or perhaps he knows the correct answer, but is deliberately hiding the truth from the inquirer.

Regardless of the reason, it is quite disturbing to receive such an answer when the inquirer is asking a question honestly, directly, and with a strong desire for a simple answer to meet some need for knowledge on the subject.

There is no subject in all the world that needs simple answers to its basic questions than the subject closest to my heart, THE SALVATION OF THE SOUL.

If the inquirer does not receive some basic, simple, uncomplicated answers on this subject, he is in real spiritual trouble. Needless to say, this is an age of religious confusion. People marching under all kinds of banners, subscribing to all kinds of theological thought, and ready to answer every question with complicated, confusing and vague statements, are all around us.

1. The more intelligent one is, the more dedicated one is, the more Godly one is, the more he will realize that basic spiritual needs must be met with basic spiritual answers.

2. God's answers are simple answers. The Lord has no need to complicate things. He knows our frame; He remembers that we are dust. God knows that human beings are found on every level of intelligence. God's answers are simple so even a child can understand. God is not the author of confusion. If the answers you have been receiving to your questions on spiritual things have confused you, you are receiving your answers from the wrong place.

3. Consider God's answers to these three basic spiritual questions found in the Bible:

A. "Now when they heard this, they were pricked in their heart, and said unto the rest of the apostles, 'Men and brethren, 'What shall we do?'"

GOD'S ANSWER: "Repent and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost." (Acts 2:37,38)

B. "What doth hinder me to be baptized?"

GOD'S ANSWER: "If thou believest with all thine heart, thou mayest." (Acts 8:36,37)

C. "Sirs, what must I do to be saved?"

GOD'S ANSWER: "Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house." (Acts 16:30,31)

I love these simple direct answers to the basic needs expressed by these inquiring souls. You will find, if you will read the Bible, that GOD'S ANSWERS are simple answers. When I read the Bible, I am not confused. When I listen to the voices of self-styled interpreters of Scripture, I am very confused. Let us listen rather to the voice of God. Let us take His Word and accept His answers to our basic spiritual needs.

BY HARRY MATHEWS, Minister of Music and Youth, First Baptist Church, Goldthwaite, Texas

In the world today, there are many types of people. There are also many colors, religions, sects and cultures. With this vast array of people, there are millions of types of people. To use a slang term, there are many "molds." We are fortunate that everyone is not the same shape, size, has the same talents, likes the same food, has the same favorite color, or any number of possibilities. This brings us to the point that not only people are different, but also viewpoints are different. The old saying, "There's more than one way to skin a cat," illustrates the point very good.

The young people of today have many new and innovative ideas that might not be what we have been used to, however that is not saying that they are wrong. On the other hand, that is not saying that the wild ideas that some of our youth come up with are all right either. This is simply saying that we are all equal in the sight of God, and that we need to treat all as equals in body and ideas.

To illustrate the point lets take a typical Young Teenager. Lets call him Obadiah. Right off the bat, we see that the kids might give him a little ribbing about his name. Lets say that Obadiah is an active member of his church and school with many "New" ideas. Obadiah has also been kidded about his long hair and his far out ideas. Because of his appearance and ideas he is dropped by his friends. His peers have labeled him a freck and the Adults in Ourtown, U.S.A. have written him off as a mixed up, hardheaded, rebellious, young hooligan. Because of the open distrust by his peers and the adults in the community, his rebellion even takes a greater place in his life. With out taking this story any further, even though fictitious, you can see that it could have a very bad ending.

You heard it said that love makes the world go 'round and this case love could have made the difference in that individual's life. We never know when the love that we show will make the difference in a persons life. Young people are going through a very hard part of life and need all the love we can give as individuals, schools and churches.

In Johns 13:34 we read, "A commandment, I give to you That ye love one another; as I have loved you, that ye also love one another." Those are pretty strong words. The word "command" tells us that Christ is giving us an order. He is not telling us if we have time, or if we think about it but He is telling us to LOVE.

Yes love does make the world go around, but it is the love that Christ has given us so that we can love others. Smile God Loves You and So Do I.

1973 Food, Clothing Winners Listed

STOCK SHOW RESULTS

Winners in the Foods Division of the 4-H and FHA Show held last weekend were as follows:

PRE-TEEN DIVISION
Cornbread — 1st, Sunny Lynn Sims; 2nd, Kathryn Lewis; 3rd, Marilyn Tiemann.
