

Water Under  
The Bridge  
by G.F.B.

A small group of Goldthwaite men were treated last week to some of the new "Army hospitality."

Don Petty, Ira Lethco, Otto Singleton, LeeRoy Stacy, Ricky Stacy, W. P. Duren, Cecil Egger, and yours truly were transported to Fort Hood by helicopter for a day's entertainment. There's a much similarity between today's Army and the Army of yesterday.

The pay scale has been completely adjusted and when one considers food, clothing, lodging, medical needs and other necessities the Army's pay compares in many jobs outside the Armed Forces.

A brief but exciting fire power demonstration was conducted in the afternoon and the use of helicopters as a method of attack was demonstrated very efficiently.

Even the Army prepared food and the group ate at lunch was good.

The annual Eagle Relays coming up Saturday should be considered as a good spectator sport for Goldthwaite and Mills County citizens. From one seat you can view the entire action and see sport's competition at its best. The Lions Club will have a concession stand open all day with eats and drinks so you can come early and stay late.

Congratulations to Sara Jane Rudd and Janell Sherwood on their winning the natural fibers competition.

The return to natural fibers is a course to be the salvation of the Mills County and Central Texas wool and mohair market.

### Absentee Voting

### Opens This Week

Absentee voting opens this week for elections to be held April 7.

Persons wishing to vote absentee in the city of Goldthwaite should go by city hall and those wishing to vote in the school trustee election should contact the County Judge's office in Mills County courthouse. The absentee voting will close on April 4.

### Immunization

### Clinic Open Today

Parents are urged to take their children to the immunization clinic Thursday (today) from 1 p.m. until 3 p.m. at the Goldthwaite Elementary School Cafeteria. The clinic is being held for children of all ages.

Immunizations for diphtheria, scarus, pertussis, polio, measles and rubella will be given this free clinic.

From left to right, they are Bonita Watson, daughter of Mr. and Mrs. Elmo Watson; Nancy Gist, daughter of Dr. and Mrs. M. A. Childress; and Jana Duncan, daughter of Mr. and Mrs. Doyle "uncan." The girls will be responsible for handing trophies at the Lions sponsored track meet.

## Blood Donors Needed For Mrs. Bill Bishop

A mobil blood donation unit will be in Goldthwaite on April 7, election day, at noon to receive donations of blood for Mrs. Bill (Pat) Bishop.

Anyone interested in donating blood at this time for Mrs. Bishop is urged to contact Charles Studer at the Soil Conservation Service Office in Goldthwaite.

## Priddy Legion Post #487 Praised

Leaders of four of Mills County's best known fund raising organizations have complimented the Priddy American Legion Post No. 487 for its donations to funds.

Heart Fund chairman, Glynn Collier, Salvation Army chairman, Loy Long; March of Dimes chairman, Warren Duren and Cancer Crusade chairman, L. B. Burnham thanked the post for its concern over the past years.

This year the post donated \$75 to each group.

## School Board Trustee Candidates

A number of interested persons filed with County Judge Cecil Egger for the school board trustee election scheduled for Saturday, April 7.

Clarence E. Miller, Johnny Truitt, James B. Reese, Ray Standley and Elmo Watson have filed for the positions on the Goldthwaite School Board. Elmo Watson filed again since his position was one of those expiring this year. Lee Roy Stacy's term also expired this year.

Ralph Hasley, Dale Mosier, and Wallace Hickman have filed for the terms left open on the Mullin School Board. Wayne King, whose term expired this year, has re-filed for the position. G. I. Alldredge's term also expires at Mullin this year.

Ryan Rodriguez Cabrillo, Spanish explorer, was probably the first white man to see California in 1542.

## Henry Is Mayor Write-In Candidate

W. D. Henry has authorized the Eagle this week to announce that he is available as a write-in candidate for mayor in the city election on April 7.

In order for Henry to receive votes, voters must write his name in on the ballot in the proper position.

Henry is owner and operator of Henry's Welding Shop on the San Sabs Highway in Goldthwaite and has lived in Goldthwaite for the past 12 years. He and his wife, the former Wanda Kirby, have four children and he is a deacon in the Church of Christ.

Henry asks for the support and consideration of the citizens of Goldthwaite.

**STATE CAPITAL  
Highlights  
AND  
Sidelights**  
by Bill Boykin  
TEXAS PRESS ASSOCIATION

**AUSTIN, TEXAS** — Early senate approval was forecast by Lt. Gov. Bill Hobby for HB 3 to strengthen the open meetings law.

The bill was cleared by a criminal matters sub-committee of the Jurisprudence Committee last week.

The shield bill (HB 10) to protect newsmen from forced disclosure of information sources was due consideration in the criminal matters sub-committee this week. It will be expanded to include definitions contained in a U. S. Senate bill and probably amended to provide for a State Supreme Court mandamus proceeding to compel disclosure of information sources under certain cases, according to Senate sponsor, Sen. Chet Brooks of Pasadena.

Hearing was delayed until April 10 on HB 6 to broaden accessibility of information on government records pending a Legislative Budget Board estimate on the cost of the act to the state.

**TAX BILL SEEN** — Legislators will be forced to write a new tax bill due to demands of higher education and welfare, the chairman of an interim House Revenue and Tax Committee maintain.

If the regular session manages to get by with no tax bill, lawmakers will be called into special session to pass one, predicted Rep. Don Cavness of Austin. Rep. Joe Wyatt of Bloomington, co-chairman of the Committee, shared the gloomy forecast, adding that federal welfare guidelines will cost the state an extra \$100 million a year.

Cavness also cited the estimated \$28 million a year cost of an adult education bill and a \$13 million-cost measure to insure teachers a duty-free lunch hour, plus the multi-million-dollar bilingual education bill.

Both lawmakers also referred to the federal case involving validity of the state's method of financing public school education.

Texas, the Committee found, ranks 40th among 50 states in tax load but has among the most regressive tax systems. The Committee recommended a permanent revenue and tax staff, increased use of bond income for appropriation, use of private collection attorneys and a monthly reporting option.

**18-YEAR-OLD RIGHTS** — Full rights of maturity for 18-to-20 olds received tentative senate approval by a 19-11 vote.

The Senate also passed legislation to slow creation of new state-supported colleges by requiring prior approval of the Coordinating Board, Texas College and University System.

Still, later, senators voted to extend collective bargaining rights (but not the right to strike) to policemen and firemen. Local governing bodies would have an option to grant the rights or order elections on the issue.

**CRIME RATE DOWN** — Major crimes are on the decline in Texas, according to a new Department of Public Safety report.

Col. Wilson E. Speir, DPS director, said the number of crimes last year was 2.2 per cent below 1971 — the first measurable decline since 1954.

Translated into crime rates, the 1972 figure was six per cent below the 1971 rate per 100,000 population.

The decrease, Speir said, was only the fourth since DPS began compiling its Texas Crime Report 30 years ago.

Decreases were noted in murders, aggravated assaults and thefts. Small increases were observed in rapes, robberies and auto thefts — with a larger increase in the burglary category.

The urban crime rate overall

was down 5.7 per cent, with the rural rate off 5.8 per cent.

Crime clearance rates remained at 26 per cent. Clearance rate for murder improved from 36 per cent to 89 per cent, with further improvements noted in robberies, aggravated assaults and thefts.

Many factors are responsible, said Speir.

The DPS chief cited improved law enforcement effectiveness through training, education, more personnel and better facilities, as well as improvements in other parts of the criminal justice system and "a growing awareness and concern on the part of the public that crime must be impeded."

The crime statistics break down to one major crime every minute, a murder every five and a quarter hours, a rape every three hours and 45 minutes and a robbery every half hour.

**AG OPINIONS** — Atty. Gen. John Hill held key parts of the House-passed lobby control bill constitutional, but said some provisions are not.

For example, said the Attorney General, a section that attempts to force registration of those who

make expenditures to solicit other persons by advertising to communicate with legislators goes too far. Lobbyists opposing the bill before the Senate Jurisprudence Committee said it abridges rights of citizens to communicate with their legislators.

In other opinions, Hill held: + Federal and other police agencies cannot be told about arrests of juveniles which have been removed from official records.

+ Andrews Co. commissioners are without authority to lease part of a county hospital for private medical offices.

**COURTS SPEAK** — Court of Criminal Appeals overturned a 300-year sentence in a Wichita County murder case on grounds that a statement by a man in a prison cell must meet standard requirements.

The Court, in another case, held identity of narcotics informers can be ordered divulged if that is important to the trial.

A state law making it a felony to steal meat was upheld by the Court of Criminal Appeals.

The State Supreme Court concluded marriage of a cancer patient could not be annulled on grounds witnesses did not hear her words at a wedding ceremony.

**APPOINTMENTS** — Former State Rep. Bill Bass of Canton was named to the new State Constitutional Revision Commission to replace Arlington Mayor Tom Vandergriff. A second vacancy occurred when Dallas attorney-banker Harry Shuford resigned.

Lt. Governor Hobby named Ms. Madeline Olds of Corpus Christi vice-chairperson of his March 20-

21 Citizens Conference on Ethics in Government.

The new Texas Offshore Terminal Commission named Robert J. Nelson its acting executive director and Larry Teaver, former aide to ex-Gov. Preston Smith, a temporary consultant.

**SHORT SNORTS**  
Gov. Dolph Briscoe submitted as emergencies 14 bills dealing with creation of water districts and their operations.

The House passed 138-0 a bill to restrict influence on speaker-ship elections.

The House appropriations committee chairman has proposed a four-months' welfare budget until uncertain cost factors are decided.

A House-passed comparative negligence bill has received approval of the Senate Jurisprudence Committee.

The Court of Criminal Appeals says it has the heaviest work load of any appellate court in the U. S. and is eight to nine months behind in its docket.

Medical facilities at Lubbock, Eastland, Temple, Rockdale, El Paso and Houston received \$2.2 million in loans and grants approved by the State Board of Health.

The Governor's mansion will be open to visitors on Saturdays and Sundays in addition to the weekdays.

Hearings are scheduled over the state next week on changes in laws affecting fish, game animals and fur-bearing animals.

Brazil was discovered in 1500 by the Portuguese admiral, Pedro Alvares Cabral.

WEALTH OF EXPERIENCE USED

RSVP Gives Oldsters  
Chance to Aid Community

SERVICE VOLUNTEER — Mrs. A. R. Neely, a retired school teacher, has many hobbies that add up to service to many people. She is shown with articles of clothing she and Mrs. Laura Broyles made from scrap mat-

terial for children who need it. She buys and wraps the birthday gifts each month for parties at both rest homes. She has given her time and effort as well to a number of other projects.

"Sunssets can be lovelier than the dawn" is the theory that the later years in life can be more productive than the early years. An organization, Retired Senior Volunteer Program, (RSVP) has quietly come into being in Mills County and surrounding areas for retired persons of 60 or over, who still want to serve rather than be served.

Mills County's RSVP with San Saba and Hamilton counties form the Tri-County RSVP. Mrs. Opaline Hardman of San Saba is the program director, with three coordinators. They are Mrs. Cornelia Boykin of Mills County, Mrs. Marthugon Jones of San Saba County and Mrs. Cleone Koen, Hamilton County.

Each of the three counties has a Policy Advisory Committee (PAC) that helps set policies. The local PAC includes Mrs. W. W. Boykin, Mr. John Patterson,

Mrs. Robert Long, Mrs. Abbie Boatwright, Mr. Ray Lindsey, Mr. Homer Beard, Mr. Fred Pafford, Mr. Julian Evans, Rev. Gordon Talk, Mrs. Herman Kopp, Mr. Ancil Morgan. This county committee meets monthly, while the Tri-County Board meets each quarter. The advisory committee guides the early and subsequent development of the program.

Any person, 60 years of age or older, is eligible to participate in this program. There are no income, education or experience requirements.

RSVP's only requirement is the desire to be of service to those who are in need.

In discussing the local program, Mrs. Boykin, the local coordinator said, "We find it deeply gratifying that so many people who are willing and anxious to help. I have talked with a number of volunteers who have told me they have received as

much good themselves as the ones they have helped."

Volunteers are currently contributing their services such as buddy-system telephoning, tutoring, reading groups and showing films in rest homes, friendly visitations, transportation, working with the senior center, making clothing for children, assisting with the birthday parties at the rest homes.

RSVP is just beginning. Volunteers make the world go round but the volunteer's ultimate reward is the knowledge of an important job well done . . . the smile of a sick child . . . the gratitude of a weary mother . . . the happiness of a lonely man. let them know you care. The opportunities are endless. The rewards infinite!

Square Dealers  
March Of Dimes  
Dance

The Square Dealers' Club of Goldthwaite will host a street square dance at 8 p.m., March 30, 1973 on the courthouse square. All proceeds from the dancers and the audience will go to benefit the local March of Dimes drive.

Mrs. Robbie Kerby, Campaign Chairman, has arranged to have eight callers participate in this event, and dancers from other clubs in the area are expected. All callers are donating their time to this cause.

It is hoped that everyone around will come to watch some good square dancing, drop some money in the hat for a good cause and have a good time in general. If the weather is bad, the dance will be held in the Legion Hall, with spectators welcome there also.

Ridge Singing

A singing will be conducted at the Ridge Schoolhouse Friday night, March 23 beginning at 6 o'clock. The public is invited to attend.

Drinks will be furnished by the host, Mr. and Mrs. Carl Featherston and Mr. and Mrs. Glenn Bowden all of Brownwood. Persons attending should bring either cookies or sandwiches and a good program has been planned for the evening.

Ewe Fleece

John Priddy received a first place ribbon on a Rambouillet Ewe fleece shown at the National Western Wool Show in Denver, Colorado, January 12-20, 1973. This registered ewe fleece weighed 17.8 lbs.

The fleece had been shown in the Sonora Wool Show June 13-15, 1972, and was sent from there to the National Wool Show by Mr. Fred Combell and Mr. Bud Smith of Sonora, who thought it was good enough for entry in the National Show.

John is a sophomore FFA student at Priddy High School under the supervision of agriculture teacher Melvin Eilers. He is the son of Mr. and Mrs. Ewell Priddy of Priddy.

93 Year Old Doesn't Act His Age

At the ripe age of 93 years, Mr. D. O. Simpson, a former resident of Mills County, is still turning out approximately half a million components a year for the J. Y. Taylor Manufacturing Company in Garland.

Mr. Simpson, who was born in Mills County in 1875, has been turning out approximately 2000 gauge indicators a day for the past two years for his son's-in-law business.

He was in Mills County before

the railroad and recalls what a big event it was when the railroad came to town. Mr. Simpson has a number of relatives living in Mills County.

Pasture weeds are expensive as they reduce grazing and lower forage quality. Weeds rob pasture grasses of valuable moisture and nutrients.

ing the spraying schedule on fruit trees for control of several insects including the plum curculio, which causes much damage to peaches each year.

Weedy pastures are a sign of inadequate amounts of fertilization. Weeds have a better ability than grasses to obtain nutrients and moisture. Consequently, when there are not enough plant nutrients to support a dense stand of grasses, weeds get first choice of nutrients and moisture. Two to three times more grass can be grown on the same pasture acre when weeds are controlled.

The spraying schedule was in last week's edition of the Eagle. If it is not available, contact my office for the schedule.

Chemicals usually offer the most effective weed control and several are available and safe to use in pastures. These chemicals should be applied when weeds are young and actively growing. A few weed varieties and their control are as follows: Lindweed, cocklebur, Canada thistle, ragweed, bitterweed, sneeeweed, pigweed, dandelion — use 2,4-D Amine. Also Banvel (Dicamba) can be used for many annual and perennial broadleaved weeds, including Russian thistle, Canada thistle, field lindweed.

## Mullin Community News

BY MRS. JOHNNIE HOLLAND

We are having March winds but so far no bad sandstorms. I hope they all miss us, but likely we will get one before March is over.

I've had my hoe, sling hoe, saw and my ax (believe it or not) all sharpened. I hope to stay ahead of the weeds around my place, but I probably won't be able to get the job done, but I'll try. They are really growing now.

Most people are trying to get their gardens planted in Mullin. It has been so wet until they haven't been able to plant them just when they wanted to. My fruit trees are all loaded with fruit. What is the old saying, "If it thunders in February it will frost in April." I've seen it frost in April, but I don't know if the thunder in February had anything to do with it.

Mrs. Jewell Baskin is in the Methodist Hospital in Dallas where she is having a medical check-up.

Mrs. Winona Murray has returned to her home in Mullin after spending four weeks in Brownwood with an elderly couple.

Mr. and Mrs. Gilbert Chancellor are returning this week to their home in Truth or Consequences, N. M., after spending several days here in the Dick Kemp home.

Mr. and Mrs. Herman Carlisle are visiting in Las Vegas, Nevada in the home of one of his daughters and her family. Herman recently lost 2 nice cows that were on his father's place north of Mullin. They were just a few steps apart, so they have decided that lightning must have struck them.

Mrs. Bessie (Perkins) Davis of Guadalupe Valley, also Mr. and Mrs. Sam Magliola and three little daughters, Yvonne, Tracy and Reva of Houston have been here visiting with Mrs. Davises sisters, Ruth Tallos, Lula Ethridge, Jewell Chessner and Addie Hart of Brownwood.

Funeral services were con-

ducted Wednesday afternoon at 2 o'clock from the Methodist Church in Mullin for Mrs. Carrie Vaughan. Mrs. Vaughan was living with her daughter, Mrs. Reva Tesson of San Antonio at the time of her death. She passed away suddenly. Interment was in the Oakview Cemetery at Mullin.

Mrs. Juanita Hart, Lisa, Wanda and Tim visited Sunday at Gatesville with Mrs. Emma Hart and Mrs. Virgie Hancock.

Miss Lucy Wilson of Brownwood visited here last Saturday with Mrs. Lillian Plummer and other relatives.

Also Mrs. Leta Smith of Brownwood visited here Saturday with friends and relatives.

## Major Crimes In Texas Going Down

AUSTIN — Colonel Wilson E. Speir, director of the Texas Department of Public Safety, announced today that the total number of major crimes committed in Texas last year was 2.2 per cent under the number recorded for 1971.

He said the decrease in estimated offenses from 482,389 to 472,011 marks only the fourth time total offenses declined from one year to the next since the DPS began publishing the Texas Crime Report in the mid-forties.

Previous declines in numbers of major crimes occurred in 1954, 1948 and 1947.

"Based on information furnished by local law enforcement agencies throughout the state, decreases were noted in the number of murders, aggravated assaults and thefts. Small increases were observed in numbers of rapes, robberies and auto thefts, with a larger increase in the burglary category," Speir said.

Translated into crime rates, Speir said the 1972 rate for all major offenses was 4051.9 per 100,000 population, a 6.0 per cent decrease in the rate of 4308.3 noted in 1971.

He said the relatively large rate reduction is attributable to the decrease in numbers of crimes and adjustments for population from estimates compiled by the Census Bureau.

The only crime category which posted a statewide rate increase last year was burglary, up 1.8 per cent.

Speir said total numbers of estimated crimes declined during 1972 in both urban and rural areas. The urban crime rate overall was down 5.7 per cent with the rural rate down 5.8 per cent.

Looking at urban population groups, all except the smallest cities noted decreases in both numbers of crimes and crime rates. The actual rate decreases were as follows:

Cities over 100,000 population, down 6.5 per cent.

Cities between 50,000 and 100,000 population, down 5.3 per cent.

Cities between 25,000 and 50,000 population, down 5.3 per cent.

Cities between 10,000 and 25,000 population, down 6.6 per cent.

Cities between 5,000 and 10,000 population, up 2.4 per cent.

Speir said overall crime clearances for the state remained steady at 26 per cent last year. But the clearance rate for murder improved from 86 per cent to 89 per cent, and improvements were noted in clearances for robberies, aggravated assaults and thefts.

The clearance rate for rape declined from 64 per cent to 63 per cent and for burglary from 20 per cent to 19 per cent. He said the overall urban crime clearance rate increased from 25 per cent in 1971 to 26 per cent in 1972, but rural clearances decreased from 38 per cent to 32 per cent.

Speir said the crime figures break down to one major crime every minute, a murder every 5 1/4 hours, a rape every 2 3/4 hours, and a robbery every half hour. There is one burglary in Texas every 3 3/4 minutes, an aggravated assault every 15 1/4 minutes, a theft every 2 1/4 minutes and an auto theft every 13 minutes.

## Methodist Church To Sponsor 'New Life' Mission

The United Methodist Church will begin a weeklong "New Life Mission" the 1st of April, continuing through the 6th. Rev. Homer Wymer is to be the leader.

The New Life Mission is a contemporary program of evangelism that is designed to awaken faith in persons and renew churches for mission. It combines preaching, teaching, reaching and sharing approaches to communicating the gospel for response.

The local general chairman of this new type of revival is Mrs. V. A. Hudson. Others serving with her are Faith Alive, Mrs. Charles Sherwood; Prayer groups, Mrs. R. L. Flowers; Youth committee, Blake English; worship and music, Mrs. Malcolm Jernigan; Finance committee, Dr. M. O. Childress; and the Arrangements committee is under the direction of Mr. and Mrs. Dale Allen.

In preparation for this event, prayer groups are meeting each Thursday afternoon in various sections of the city. The Sunday evening services are devoted to a lecture and discussion groups of a text, "Evangelism in the Wesleyan Spirit," by Albert Outler. This will continue for the month preceding the New Life Mission.

The Jaycees have initiated plans for the summer baseball program in Goldthwaite. It is the desire of the Jaycees that all boys interested in playing Little League (age 8-12) contact Johnny Vaughan, Owen Varborough or Blake English as soon as possible. It is hoped that if enough interest is shown, and enough boys are interested that four teams could be formed for a city league. It would be very desirable if boys from outlying communities such as Star, Mullin and Priddy would be able to participate. The Jaycees feel that a city league would allow more boys to participate and eliminate travel to San Saba and Lometa.

In addition to the need for as many boys as possible to indicate their desire to play baseball, additional team managers and coaches are needed as well. The success of last year's program is owed in large part to the outstanding leadership furnished by these team managers and the good equipment furnished by the Jaycees. While we are on this subject, last year's baseball program director, Ronald

Agie, did an outstanding job in coordinating activities. This is a thankless job which requires a lot of personal time and stress. While 1973's director has not been selected to date, we extend an urgent appeal to anyone interested in the baseball program to aid and support Little League activities, the managers and the director in making 1973 the best baseball year ever in Goldthwaite.

Boys interested in playing Jr. Teenage League baseball should contact either Gerry Head or Tom Cody Graves. The age group involved is thirteen, fourteen, and fifteen years olds. The league will be composed of teams from Goldthwaite, Hamilton, Hico and Comanche. Team manager Gerry Head has indicated that workouts will begin shortly for his team.

Any managers of previous years teams who have any equipment on hand are urged to contact a Jaycee and return the equipment. It is estimated that even with last year's expenditures of about \$600 for equipment, it is estimated that '73 equipment expenditures would likely approach \$400.

We sold 1064 cattle for the total amount of \$251,201.03, an average of \$236.09 per animal. Our commission and yardage added together was \$3575.60. This was an average of \$3.36 per head. At 3 per cent the commission would have been \$7.08 per head. The savings would be \$3.72 per head. Would you like to save this amount on every animal you sell?

## 30 Mayors For Economical Electric Rates

Mayors from most of thirty Central Texas cities served by the Lower Colorado River Authority have joined together to resist efforts by the LCRA to raise electrical rates to the cities it serves.

LCRA officials contend that an increase is necessary January 1, 1974, to build additional generating plants to meet the growing needs of the municipalities and electrical cooperatives it serves.

"The LCRA has suggested an average cost of one cent per kilowatt hour, or what they figure is a 50 per cent across-the-board increase," Duren said. "Our experts tell us that applying that rate to our last year's electrical usage would result in an actual increase of between 66 and 70 per cent. It appears that LCRA's 50 per cent figure was arrived at as a fishing exhibition."

"What we're doing now is trying to dig out all the facts," he continued. "Naturally we are determined to have sufficient electricity for our cities and towns but we are also very concerned about keeping the rates and charges for this service at the very minimum level to our citizens."

"The LCRA has agreed to meet with us during this fact-finding phase, and we are certainly willing to sit down with them and work this thing out," said Duren.

During the meeting, the group agreed to hire analytical rate and power engineering consultants to do their own study of LCRA's rate needs, power requirements and future capabilities.

Cities who are wholesale consumers that would be affected by the increase are: Bastrop, Bellville, Boerne, Brenham, Burnet, Cuero, Flatonia, Fredericksburg, Georgetown, Giddings, Goldthwaite, Gonzales, Hallettsville, Hempstead and LaGrange. Also Lampasas, Lexington Liano, Lockhart, Luling, Mason, Moulton, New Braunfels, Schulenburg, Seguin, Shiner, Smithville, Waelder, Wetmar and Yoakum. Electrical cooperatives served

by the LCRA are: Hamilton, Guadalupe Valley, Bandera, Pedernales, Bluebonnet, San Bernard, Fayette, Dewitt County, Central Texas, Kimble and Culcho.
