interested persons were present at the Jennie Trent Dew Library Board meeting Tuesday morning at the library. Mills County Judge Cecil Egger presided at the meeting, at

which the future of the facility was discussed.

The present Library needs to be enlarged to accomodate more volumes and the large meeting room which is very seldom used will probably be made smaller to update the library.

Col. M. Y. Stokes proposed that City Manager Don Petty act as chairman of the program with all other members of the board as advisors.

The Library now has approxi-mately \$3000 in a special fund for expansion.

Topics discussed were new books, shelves on rollers, reading tables and chairs, air conditioning and very much needed lighting.

At present many persons give memorial gifts to the library for books. The board suggested that memorials be made to the Library for expansion rather than specifically for books.

The Library was built through in endowment fund set up by the late Jennie Trent Dew and continues to operate under this fund, administered by the City of Gold-

Presiding at the guest register was Miss Pam Day of Golden. Feminine attendants wore identical gowns of blue and white floral Chantilly lace over blue taffeta. They were styled with empire waists, square necklines and short bell sleeves of double lavers of the lace edged with scallops. Their long full skirts were accented at the bottom by a wide, scalloped edged flounce. Each attendant wore a band of yellow and white carnations in her hair and carried an elongated nose gay of the same flowers. Following the ceremony, a re-

Former County Judge John Patterson, Passes Away

Mr. John Luther Patterson, former County Judge of Mills County, passed away Sept. 6, in the Goldthwaite Hospital. He was born February 6, 1902, and was the son of the late L. E. and Mary Lou Graves Patterson. On October 8, 1936. was married to Mary Elizabeth Virden in Llano, Texas. He was born in Goldthwaite and always maintained his home here but much of the time his work carried him to other places. He has been here since retirement in 1967.

Mr. Patterson taught in the public schools seventeen years. He was County Judge twelve years. His last employment was with The Texas State Employr sion. The State retired him at retirement age. He was a man of many capabilities and served his community, county and state well.

John was a friend to people. He always had time to stop, shake hands and speak a cheerful word to those he met. He had a bright outlook on life. He was a faithful member of

the Masonic Lodge for almost fifty years and was a member of the Goldthwaite United Methodist Church. He loved his church and its work. He served in almost every capacity of his church and was a fine lay speak er; he was often invited to speak in different churches. He taught Sunday School classes for man years. Everywhere he lived and worked he was made Sunday School teacher and a member of the official board of the church he

attended. His neighbors often called on him for advice on any problem they might have. School children came for help on outside home work. He was never too busy and he enjoyed helping people. You could say about John, "He Lived By the Side of the Road and Was a Friend to Man."

Mr. Patterson was truly a good Christian man, a good husband, a good brother and a good friend. His place in his home, his pew in

the church, his walking the streets and his visits to neighbors will all be missed. But his

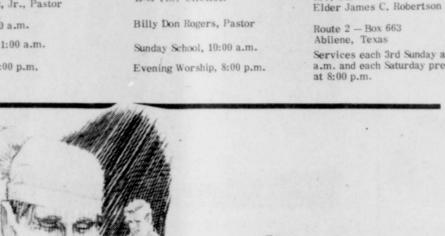

deeds of love and kindness will live on.

CROCHET is the hobby of many of our residents, including Hattie Vann who is shown above busy with needle and thread. Mrs. Vann, who will be one hundred years old in January, is almost totally blind and crochets by feel. We think that is truly remarkable.

WE WELCOME - new residents this week - Mr. and Mrs. Bruce Perry, Mr. and Mrs. Nelson Waggoner, V. T. Stevens and Ethel Holland.

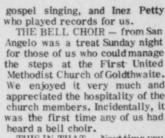

CHILDREN - who came to sing for us September 10th were Ricky Benningfield, Brent Dennis, Randy Perry, Karen Daniel, Marena White, Sheri Pafford, Kelli Connally, Susan Moreland, Sharon Hale, Darryl Schriver, Bill Carothers and Carl Wesson. This is the Childrens' I-B Department of the First Baptist Church of Goldthwaite.

Do you know, when they fin-ished singing for us, they all around and visited and went shook hands with everyone. They were so sweet and friendly. We hope they will come agian soon. SEPTEMBER SURPRISE were the words on the activity calendar announcing an entertainment for September 17th, and we could hardly wait to see what would take place. It was a won-derful surprise - Carrell Holloway, Albert Spinks and Stanley Bessent with banjo, guitar and fiddle. They were great! Frank Langham expressed the way we all felt when he said, "Now, 'that's REAL music! That's the kind we listened to when we were young." Thanks, Albert, Stanley and Carrell. We are looking for-

ward to next month when you ome again - and expect to see B. F. Rainey, too. SEPTEMBER BIRTHDAYS -were celebrated by Annie Long,

Bessie Zieschang, Zelma Hamilton, Jewell Partridge and Maggie Truitt. The women of the Zion Lutheran Church of Priddy were hostesses for our party on the 18th. Sue Schlee, Donna Druecknammer, Yvonne Partin, Bridget Meier, Vickie Limmer and Karen Hohertz, members of the Priddy

High School Junior Class, entertained. These girls can really sing. We were so glad when they consented to come again October

THIS 'N THAT - Next time you come to visit, notice our new bulletin board. It contains snapshots of residents and activities and all kinds of odds and ends. This week there has been some thing on it that has created a lot of interest. It looks like just a long piece of heavy wire but actually is a knitting needle which belonged to Mary Ferguson's grandmother and is over one hundred years old.

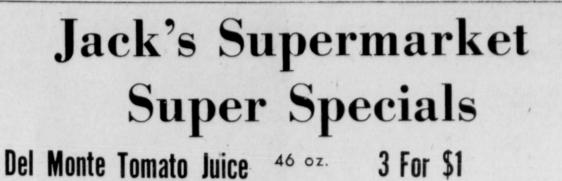

We had so much fun with our guessing game about the knitting needle, we've decided to make a display of old items we have used in the past and see how many the 'young folks'' can identify. If you have anything you would like to place in such a display, we'd be so glad to have it. LOOKING FORWARD -- to sev-

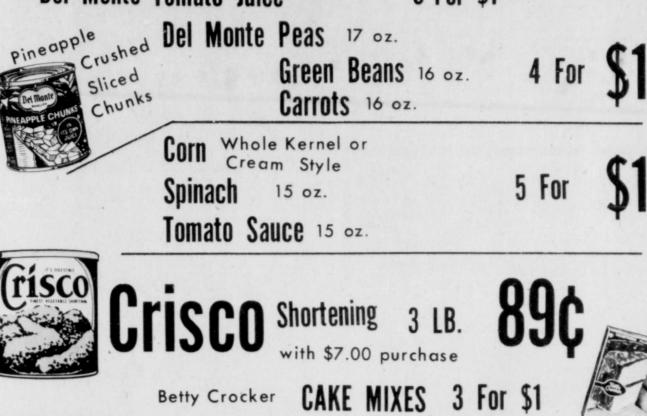

eral very special October events in addition to our other activities. On October 9th the Kitcher Klatter Kombo from Whitneywill entertain at 3:00 p. m. This is the group that entertained at the recent RSVP luncheon and were so enjoyed. We invite residents of Hickman Nursing Home of Brownwood and Heritage Home of Goldthwaite to be our special guests and invite you to come,

Only ghosts and goblins are invited October 31st when we are planning a Halloween party for the children of the Head Start class. It's been a long time since any of us have been to a Halloween party. We think it's gonna be fun.
