

Water Under The Bridge

By G.F.B.

The other night several of what reportedly was a group of our younger generation painted and opened windows in beautiful downtown Goldthwaite.

The youth not only desecrated the personal property of others in their "Fun", but also their own morals.

Of course, there isn't much for a youngster with excess energy to do in Goldthwaite, and that probably is a good reason why this kind of stuff happens, but when things like this happen in the big city too, where there's plenty to do all the time.

It's another in the series of events of recent years that depict the decline of the attitudes and morals of a lot of our younger people. It would be great if you could legislate laws to let the younger ones make their own decisions, but history has already proven that many of these people are not capable of making fair and honest decisions on an issue. They just don't have the experience, and that's a fact. It's cold and possibly a little judgmental, but a lot of the permissiveness given our young people of late has hurt them, not helped. Dr. Rock and his cohorts are ruining the American home and the products thereof . . .

With high prices the way they are these days, you can never be sure. It is certainly unwise to pay too much, but it is worse to pay too little. . . . When you pay too much, you lose a little money, but when you pay too little, you sometimes lose everything, because the thing you bought was incapable of doing that it was supposed to do. One of the first laws of business is that you can't pay a title and receive a lot. It just can't be done. If you deal with the lowest bidder you will have to add a little something for the risks involved. . . . and if you do that, you will have enough to pay for something better!

KENNETH ROBERTS

Kenneth Roberts Candidate For Goldthwaite Board

Kenneth Roberts, am a candidate for the Goldthwaite Independent School District board of trustees. Your vote and support at the April 6th election will be greatly appreciated.

I have been a resident of Goldthwaite since 1953 and attended Goldthwaite Public Schools. I served my country for four years in the U. S. Navy. During that period I served time in Vietnam and Europe.

At present, I am a student at Howard Payne College majoring in Bible Ministry.

I feel the zeal of immature youth can be balanced by the steadfastness of mature adults. However, resistance to change is usually very strong. Some news, however, work in favor of needed change.

I know most adults will admit they do not live in a perfect society. They will admit that some changes are needed. This an serve as a means of initiating needed change.

Adult leaders who are willing to serve as agents of change can utilize the zeal of youth for change. Their admissions that some changes are needed can serve as a means of bringing about changes which are vital to our education process. Elect me and I will work with the other members of the board for the needed changes in our educational system.

Council Discusses Cost Of Local Police Department

In a called meeting Monday night, March 25th, the Goldthwaite City Council discussed the estimated cost of establishing and operating a police department for the City of Goldthwaite. Based on cost figures from other area towns, the Council determined it would require approximately

\$12,000.00 per year for Goldthwaite to maintain a police department.

Increased property taxes would be the only way to finance this program since all other monies are obligated to the operation of other departments.

To provide the \$12,000.00 yearly expense, there would need to be a 70 percent increase in total city taxes collected above our current tax roll. The only way this could be done would be to have a complete revaluation of all city tax renditions, because for General Law Cities of under 5,000 population, the maximum rate allowed is \$1.50 per \$100.00 valuation, which is our current rate.

Present at the meeting were City Manager Don Petty, Mayor Ray Daren, City Secretary Glynn Collier, councilmen Jimmy Smith, Ancle Morgan, Lester Geeslin and Donald Padgett.

Mullin Man Found Dead From Gunshot

Harry Logston Warren, 52, was found dead at his residence in Mullin around 3:30 p. m. Sunday from gunshot wounds in the head. A .38 pistol was found at the scene according to Mills County Sheriff Horace G. Brooks. The case was ruled as suicide.

According to Justice of the Peace E. H. Thorne, death occurred between midnight Saturday and the early morning hours Sunday.

Services for Warren were conducted Tuesday, March 26, 1974 at 4 p. m. in the Wilkins Funeral Chapel with interment in the Duren Cemetery. Rev. Ernest Roper officiated. Arrangements were under the direction of Wilkins Funeral Home.

Mr. Warren, born May 21, 1921 in Ranger, Texas, was the son of Cleveland Ashley Warren and Bertha Mae Harrington Warren. He was married to Violet Jane Cowan in Mullin.

A member of the Methodist Church, he is survived by two daughters, Mrs. Patricia Allison and Mrs. Kathy Boyd, both of Kerrville; one son, Larry Warren of Ingram; four grandchildren; his father, Cleve A. Warren of Mullin; two sisters, Mrs. Jack Owens, Waco; Mrs. Gladys Peters, Houston; and one brother Charles Grant Scoggins of Superior Arizona.

Pallbearers were Houston Duren, Buster Warren, John Smith, Richard Shelton, Sammy Smith, and Bill Murray.

Three Accidents Investigated Here Saturday

Saturday morning at 9:40 a. m. a minor accident occurred in Goldthwaite involving a 1970 Ford pickup and a 1966 Ford pickup.

The '70 pickup, driven by G. L. Kemp, pulled out from his private drive into the front of the '66 pickup driven by Robin Reid. No injuries were sustained and the vehicles received only minor damage. Highway Patrolman Bobby Wilcox investigated the accident.

Around 4:05 p. m. Saturday, a 1971 Oldsmobile was in collision with a 1968 Ford at the intersection of F.M. 574 and Trent Street in Goldthwaite.

The '68 Ford driven by Harold Lynn Knight, was traveling east on F.M. 574. Jennie Vee Wallace Hancock of Mullin, driver of the other vehicle, was attempting to make a left turn onto Trent Street from F.M. 574 when the accident occurred.

No injuries were reported and the vehicles received only minor damage. Wilcox investigated the accident.

A 1973 Ford driven by Carl May of Route 3, Goldthwaite, was severely damaged Saturday night around 10:30 p. m. as the result of a one-vehicle accident.

May was traveling south on F.M. 1047 about 5.5 miles south of Star when he apparently lost control of the automobile on a curve and rolled the vehicle.

The driver received only minor injuries. Investigating officer was Bobby Wilcox.

Deadline For Purchasing 1974 License Plates Near

"Residents of Mills County have only two more days left in which to purchase their 1974 license plates," according to announcement by H. G. Brooks, county tax assessor-collector. Deadline for the purchasing of the new tags is Monday, April 1.

With only two more days left to purchase the tags the annual last minute rush has hit the county tax office.

Persons wishing to purchase license plates should bring the proper forms with them to the tax office. All that is needed to purchase the plates is the special three-part license form which all vehicle owners should have received through the mail from the Texas Highway Department.

All vehicle owners who did not receive the proper licensing forms from the highway department are advised to bring the auto title papers and current registration receipts with them when they purchase their plates. The county tax assessor-

collector office is open each weekday from 8 a. m. until 5 p. m.

Residents of Mills County are expected to purchase over 3870 sets of new vehicle plates this year.

Methodist Church

Host Singing Sunday, March 31

The Goldthwaite United Methodist Church is hosting the First Baptist Church and the Downtown Bible Class at a singing this Sunday evening at 7:00.

Mr. Glynn Collier, chairman, reports there will be several special singing groups present to lead in the singing. He noted the interest this type of worship through music has aroused in the community in the past and extends a hearty invitation to everyone in the community to come and share in this singing.

A nursery will be provided.

Poage Schedules

Visit April 4

Thursday, April 4, Congressman W. R. "Bob" Poage will be in Goldthwaite to hold a rap session at the Mills County State Bank Community Room.

The session will begin at 9 a. m. Congressman Poage will be available to answer questions on current problems of today (diesel fuel allocation, coyote predator program, etc.).

ATTEND CONFERENCE --

County Judge Cecil Egger and Commissioner Ray Lindsay and their wives attended the West Texas County Judges' and Commissioners' Convention in El Paso last Monday and Tuesday.

IN APPRECIATION

We would like to express our appreciation to all who helped in the track meet Saturday.

First, we thank the Lions Club for sponsoring the meet; for the members who worked with the meet; and for the beautiful trophies they provided. It is this organization that makes the Eagle Relays possible each year.

We thank all of the men who served as field event workers, timers, catchers, announcer, and score-keeper.

We also thank those high school, junior high, and elementary students who had a part in the track meet.

Last, but certainly not least, we thank the members of the Eagle track team for winning the meet.

It is all of these and more that helped make the 1974 Eagle Relays a success.

We appreciate all of you very much.

Governor Briscoe Awards Grants To CTC Of G

Governor Dolph Briscoe today awarded two criminal-justice action grants totaling \$26,112 to the area served by the Belton-based Central Texas Council of Governments.

The Temple Police Department has been awarded \$16,188 to establish a two-man juvenile squad. The project's functions include handling juvenile problems, preventing juvenile crimes, enhancing liaison between police and county juvenile agencies and keeping the public informed on efforts of the police department.

CTCOG will receive \$9,924 for a Drug Council to provide planning, resource development, coordination, training, education

and information on drug abuse activities in the area. Counties to be served by the council include Bell, Coryell, Hamilton, Lampasas, Milam, Mills and San Saba.

In other action, the Governor approved a \$2,400 planning grant for CTCOG.

Money for the awards comes from the Criminal Justice Division of the Governor's office. CJD administers the state's block grant from the Law Enforcement Assistance Administration under the Crime Control Act of 1973.

The local grants were among 36 action and 30 planning grants, for a total of \$2,309,493, which the governor approved.

Today's Health News

Beauty you can buy, but maybe shouldn't . . . Semi-permanent false eyelashes may give your eyes the best batting average on the block, but there are some drawbacks you should know about, before you dash to your local beauty salon. The lashes, which are individually applied for that coveted natural look, are expensive, probably will not last as long as implied, and can cause medical problems.

If hypoallergenic surgical adhesive is used to attach the lashes (they're glued directly to one's own eyelashes, eliminating the eyelid band), there shouldn't be any problem. Sometimes, however,

epoxy glue is used because it holds better — and epoxy glue is too strong and dangerous for the eye area. The danger is that it can easily get onto the surrounding skin, and even into the eye.

Nor are the lashes as permanent as the manufacturers want you to believe. In fact, they shouldn't be expected to last more than two or three weeks. And each time they fall out, they have to be replaced, at additional cost. Also, they may be stiffer or longer than natural lashes and will cause even more irritation if they fall into the eye. If you wear contact lens, the new lashes are definitely not recommended.

Sheryl Boykin, Richard Frydenberg Unite In Marriage

Residing at 2702 Holiday in Arlington following their February 23, 1974, wedding are Richard Lee Frydenberg and his bride the former Miss Sheryl Ozina Boykin.

First Presbyterian Church was the scene of the afternoon ceremony when Rev. Warren Neal officiated.

Parents of the couple, both Sam Houston High School graduates, are Mr. and Mrs. Johnnie Boykin, 405 Joyce, and Mr. and Mrs. R. L. Frydenberg, 2131 Miriam, of Arlington.

Attending the bride were Mrs. Suzanne Boykin, matron of honor; Mrs. Paula Boykin, Misses Maria Wallace, Linda Frydenberg and Cheryl Frydenberg were bridesmaids. They wore gowns of lace and orchid chiffon over satin with pearl accents, and headpieces of lace and pearls. Their flowers were white roses and forget-me-nots.

Little Darla Emdy of Star was flower girl and John Boykin of Denton carried the rings.

Serving as best man was Blain Burge and groomsmen included Mark Frydenberg, Charles Boykin, Howard Boykin and Gary Frydenberg.

Ushers were Eddie Gilcrease and John Hullum. Candlelighters were Jerry Boykin and Buddy Strange.

Given in marriage by her father the bride wore a gown of miramist and satin. The bias turn-over collar and empire waistline were outlined with tear-drops and pearls, with long set-in sleeves gathered to wide, buttoned cuffs. Her chapel length train featured Venice lace and pearl panels and her full length mantilla was edged in Venice lace.

Mullin Community News

BY: Lorene Holland

We have had a nice rain in Mullin, plus plenty of ice and sleet. Some people lost parts of their gardens, and I imagine the fruit is all killed. My fruit all got killed the last freeze we had. I have heard others say theirs did, too. Mine was in the bud, and I'm told that it is easier to kill then than anytime. Thanks for the moisture. We needed it badly.

I've just heard that Harry Warren, son of Mr. Cleve Warren and the late Mrs. Bertha Warren, was found dead at his home near Mullin. He was staying here with his father, and trying to take care of him. I do not know any of the arrangements at this time.

Mrs. Daisy Wrinkle of Comanche is here visiting with her friend, Mrs. Lillian Plummer.

Mrs. Wrinkle and Mrs. Plummer lived neighbors several years ago.

Mr. and Mrs. W. H. B. and girls of Austin, attended a birthday celebration for her father Sunday. Her father is Walter Hamilton of Goldthwaite. W. H. and girls visited the afternoon in Mullin with mother, Mrs. Elvie Simpson.

Mr. and Mrs. Larry Star were visitors here with his mother, Mrs. Elvie Simpson. Mr. and Mrs. Kyle Smith, Craig, also, Mitzie Gilchrist. Star was a visitor in the home. Mrs. Larry's mother is critically ill at Temple hospital.

David and Mandy Brownwood visited here over the weekend with their grandparents, Mr. and Mrs. Dew Shelton.

Douglas Perkins visited Monday with his aunt, Mrs. Mosler. He also visited with Tip Carlisle and his daughter, Mable.

There will be church service each night at the Methodist Church in Mullin starting 7th and continuing through 14. The Rev. Guy Purdy will be doing the preaching. One is invited to attend.

Priddy 4-H Holds Meeting

The Priddy 4-H meeting was brought to order by Bridget Meier on March 18, 1974, at 7:00 p. m. in the Baptist Church.

The following were present: Dana Schoen, Marcia Schrank, Rita Williams, Pat Wells, DeAnn Bosse, Rosemarie Tiemann, Marilyn Tiemann, Troy Geordel, Junior Tiemann, Travis Tiemann, Steve Tiemann, Dale Partin, Yvonne Partin and Bridget Meier.

The adult leaders, Judy Beavers and Danny Long, gave the program. Mrs. Partin was present also. Mrs. Weldon Tiemann served refreshments. The meeting was adjourned by Bridget Meier.

Local Secretaries

Old Meeting

The regular monthly meeting of the Brownwood Association of Secretaries was held February 11, 1974, at 6:30 p. m. at the Golden Bull Restaurant. Present were Mrs. Shirley Boos, president, Shirley Boos, brought the meeting to order. Program was presented by Mrs. W. H. St. Austin, the guest speaker, W. R. Austin, the president of the Texas Association of Secretaries, who presented the program. An interesting presentation concerning wire-tapping was given by Mrs. Wanda Smith. The meeting was adjourned with the reading of the minutes was read and the new business was discussed. Among the topics discussed at the meeting was the appointment of the new secretary, Mrs. Wanda Smith read a letter from Mrs. Dorothy Magnum which contained several proposed amendments to the National Charter of Secretaries. Such amendments were discussed and upon the members' approval by acclamation to the meeting and Means Committee as alternatives were elected to the May 74 TALS conference in Beaumont, Texas. Delegates elected by acclamation were Shirley Boos, Cheryl Smith, and Juanita Cox. Those elected by acclamation were Linda Davis, Betty Crowder, and Treva Mattael. The next monthly meeting will be held at 1906 Austin Avenue, (Lucie Bell's residence) at 6:30 p. m. on the 1st day of April, 74. Refreshments will be brought and a revealing of secret Pals and a party will be held. All interested are welcome to attend. Members attending were Wanda Smith, Mary Bloodworth, Lucie Bell, Linda Davis from Goldthwaite, Shirley Boos, Cheryl Smith, Debbie Gwathmey and Juanita Cox. Guests attending were Alice Valdez and Melissa Campbell.

More than 1,100 safety rest areas, roadside parks and scenic viewpoints are located along the Texas highway system. There are no toll facilities on any Texas State-maintained highway. There are more than 20 thousand bridges on the Texas highway system. Highway field operations under the direction of 25 district engineers and an engineering manager of Houston urban projects.

--Hickman Notes--

WE ENVY - Pearl Holland who shows the exercise class how it's done and so effortlessly touches her toes while Luciele Karnes watches. Alice Waggoner, Ruby Kattes, Maggie Lucas and Ethel Holland can do it, too!

MARCH BIRTHDAY PARTY - was given Tuesday afternoon by the First Baptist Church WMU when honorees were Annie Brim, Zora Roberts, Pearl McCasland and Luciele Karnes. Entertainment was provided by the Hickman Nursing Home Choir with Edith Smith at the piano.

OVERHEARD - at the last painting class - One lady viewed her painting critically and commented, "I don't think I was cut out for this." Maggie Lucas replied, "Oh, I was cut out for a lotta things. I just wasn't sewed up right!"

THE FIRST DAY OF SPRING we chose to celebrate spring's chilly arrival by staying in our cozy living room and having a party. Alice Waggoner and J. C. Long assisted with entertainment and were callers for bingo games. Winners were Mary Garza, Luciele Karnes, Lottie

Rudd, Maggie Lucas, Pearl Holland, Vida Johnson, Ethel Holland and Lou Rothwell. Cherry punch and home-made cookies were served.

DID YOU EVER HEAR - of anyone shooting a bloomin' red-bud tree? That's what Bryan Oglesby was doing when seen a couple of weeks ago on the Moline road. Heavily armed (with camera), he was obviously "hunting" nature's beauty spots. Makes us realize how much time, awareness and skill are involved in producing the many slides Mr. Oglesby shares with us as he did again Friday evening.

MONDAY NIGHT AT THE MOVIES - On Channel JAYCEE, sponsored by the Aging Committee without station breaks, with the Big Valley Home Demonstration Club, represented this week by W. L., Ruth and Shawn Sides, serving popcorn. Now, you just cannot beat entertainment like that. The film, shown by Jaycees Alfred Starks and Owen Yarborough, was entitled "Fun In The Hills;" and indeed, the entire evening was just that - FUN! Our many thanks to these wonderful people and to Judy Beavers for such a good time.

SUNDAY DEVOTIONALS - begin with Sunday School at 8:30 a. m. with services at 3:00 p. m. by all churches of the county, and conclude with Bro. Cancino at 5:30 p. m. Afternoon services on March 31st will be conducted by the Mullin Baptist Church.

We invite you to worship with us.

From the County Agent

BY DANNY LONG
MILLS COUNTY EXTENSION AGENT

Stockmen should be on the alert for sand oak poisoning in their livestock, points out Danny Long, County Agent for the Texas Agricultural Extension Service.

Sand shin oak is toxic to livestock when the plant first buds in the spring. And, with the plant beginning to bud, stockmen should keep livestock out of pastures where sand shin oak is abundant, or they should take other steps to reduce losses from possible poisoning.

One such measure is to provide a good supplementary feed. A feed containing calcium hydroxide is more effective. Studies have shown that a feed containing 10 percent calcium hydroxide (by weight) protects calves fed post oak free-choice. Post oak has toxins similar to shin oak.

The Texas Agricultural Experiment Station has developed a ration that has proved effective in warding off sand shin oak poisoning. It contains 600 lbs. of ground alfalfa, 1080 lbs. of 41 percent cottonseed meal, 120 lbs. of vegetable oil and 200 lbs.

of calcium hydroxide. The ration should be creep fed to calves, and cows should receive about four pounds a day.

Sand shin oak poisoning can be very serious in livestock if left uncontrolled. Annual losses in Texas have been estimated at more than \$10 million. And, with grazing conditions short in many counties this spring, livestock will be more prone to graze the toxic sand shin oak. So, be on the alert.

Local's
Granddaughter
Wins Spelling Bee

Mona Crawford, 12, a sixth grader at Rex Reeves Elementary School in Canyon, spelled her way through a total of 43 rounds of competition Wednesday to win both junior and senior titles in the Randall County Spelling Bee.

Mona, daughter of Mr. and Mrs. Otho Crawford of 1910 10th Ave. in Canyon, and granddaughter of Minnie Crawford of Goldthwaite, won a \$25 U.S. Savings Bond for placing first in the junior bee, and a \$75 bond for winning the senior bee. She will represent Randall County in the regional contest on April 27 in Amarillo, and has a chance to win a trip to Washington, D.C. for the national bee.

Hervictories Wednesday afternoon in the contest at Canyon Junior High School were her first in county competition.

The winning word in the senior bee was "swarthy" spelled by Mona after she had spelled "superintendent", the word missed by the runner-up. Nineteen youngsters competed in the junior bee and 10 in the senior contest.

Each Texas Highway Department district includes about 10 counties and about 2,600 miles of highway.

Keeping Texas roadsides free of litter costs about \$1.5 million a year.

There are nearly 700 thousand signs on the State-maintained highway system.

Maintenance of all highway systems in Texas is the sole responsibility of the Texas Highway Department.

Receiving Stolen Property

Myrtle bought a transistor radio from the "nice young man" who came knocking at her door. He said he was the salesman for a local distributor. But in truth, he was a thief who had stolen a dozen radios from a warehouse the night before.

On these facts, could Myrtle be found guilty of "receiving stolen property"?

Hardly. One key element of guilt is missing: some reason for her to believe the radio was stolen. Generally speaking, it is no crime to buy stolen merchandise with an innocent mind.

However, a buyer's protestations of innocence may not always be convincing. Consider the case of a farmer who bought 24 chickens from a teenager who called him his farmhouse.

In this case, the youth approached the farmhouse furtively by way of a back road. The price he asked was less than one-third of what the farmer was used to paying. And the hour was shortly past midnight.

Although the farmer insisted afterward that he was "totally surprised" to learn the chickens had been stolen, a court chose not to believe him.

Result: he was found guilty of receiving stolen property. The court observed that the sale was made "at an hour unusual for honest transactions."

Of course, the major problem in this area is not the occasional purchaser but the professional "fence" who, by providing a regular outlet for stolen merchandise, encourages the thievery in the first place.

Accordingly, most states impose an extra responsibility on businessmen who regularly buy and sell merchandise to watch out for certain suspicious circumstances. Thus a junk dealer, when offered an unusual bargain, may be required to ask more questions about the merchandise than a one-time buyer.

"The duty of diligent inquiry before purchasing," said one court, "protects the junk dealers who buy in good faith and provides punishment for those who do not."

Mullin Senior Citizens News

The Mullin Senior Citizens held their regular meeting at the Community Center Monday, March 18, with a large number attending. Visitors included Mr. and Mrs. Geo. French of Sidney, and Mr. and Mrs. Morgan McNeil of Goldthwaite.

Mrs. McNeil, better known as Elva, will be our new Citizens maid or leader. She is well known here by some as she attended school here when her aunt, Miss Laura Petick, taught school here at Mullin for two years. We welcome Elva back to Mullin to help in the Citizens Program from time to time. Mrs. Gladys Cockrum has been transferred to other places and she will be greatly missed by all the group but we hope she will be pleased with her new place of work.

The work period included crocheting flay-swatter faces, and finger painting of plaques. Games were also played. In Bingo those winning grand prizes were Miss Martha Caulder, who won two, Mrs. Lorene Dunlap, Mrs. Pearly Jenkins and Fred Pafford. A delicious lunch was served at the noon hour with Mr. McNeil giving the devotion. There were no birthdays for the month of March.

A singing period was held about 3 o'clock which was enjoyed by all.

Next meeting will be held at the same place on Monday, April 1. Everyone is invited to come and bring a covered dish at the next meeting.

Book Review Presented To Culture Club

Miss Norma Lee Robertson and Mrs. Green Mankin were hostesses to the Self-Culture Club, March 14.

The Club met in the home of Miss Robertson. A delicious refreshment plate was served to members and guests.

Mrs. John Patterson, president, presided. Mrs. A. R. Neely and Miss Marie Wallace were welcomed into the club as new members. Mrs. Paul Henderson gave the invocation.

Mrs. Lou Collier was program director and read a poem in memory of Mrs. Mable Doggett, our beloved member of long standing.

She introduced Mrs. Robert McCoy, our guest reviewer of the day. Mrs. McCoy brought to us a delightful book, "You and I and Yesterday." The author is Marjorie Holmes, and the book includes reminiscences of a small-town childhood. It was humorous and very entertaining.

cake was in the shape of two bells topped with blue and yellow roses. A silver coffee service was used.

Dale Berry of Brownwood and Roy Watters of Stephenville, cousins of the bride, registered the guests as they were coming out of the church.

Linda Davis of Goldthwaite, Betty Oswood of Brownwood, and Patsy Williams of Brownwood served at the bride's table. Judy Taylor of Bangs and Donna Hill of Comanche, sisters of the groom, served at the groom's table. Marilyn Roberts and Joyce Robertson of Goldthwaite served in the house party. Renee Berry and Garl Day handed out rice bags.

After a short wedding trip, the couple will reside at Lake Brownwood.

The bride is a graduate of Goldthwaite High School and Central Texas Commercial College of Brownwood. She is presently employed in the X-Ray Department at the Brownwood Community Hospital.

The groom is a graduate of Bangs High School and Tarleton State University. He is presently employed by the Santa Fe Railroad.

The bride was honored with a gift tea in the Fellowship Hall at the First Methodist Church in Goldthwaite, Saturday, February 2, by hostesses from Goldthwaite.

The bride was also given a gift tea in Bangs at the home of Mrs. Pete Levisay on Saturday, February 9, by hostesses from Bangs and Lake Brownwood.

On the day of the wedding, a bridal luncheon was given in the home of Mrs. Gilbert Davis. The groom's parents hosted the rehearsal dinner at Chisholm's restaurant in Brownwood on Friday, March 22.

Out-of-town guests at the wedding were from Brownwood, San Marcos, Dallas, Mesquite, Ft. Worth, Hamilton, Robert Lee, Stephenville, Comanche, Bangs, Slaton, Lubbock, Bryan, Houston, Hempstead, Santa Anna, Marshall and May.

MRS. MICHAEL SCOTT PRUETT

Chris Berry, Michael Pruett Exchange Wedding Vows

Chris Leah Berry, daughter of Mr. and Mrs. Hubert L. Berry of Goldthwaite, became the bride of Michael Scott Pruett, son of Mr. and Mrs. Vernon Pruett of Lake Brownwood, Saturday, March 23, at 7:30 p. m. in the First Baptist Church of Goldthwaite with Rev. Bill Johnson performing the double ring ceremony.

The altar was centered with a marble table which held a white wedding unity candle. The candle was lit by the couple after nuptial vows were said. The table was flanked on either side by two arch candelabras and two tree candelabras. Blue bows and white net hung from each candelabra draped also with asparagus plumosis greenery. Blue iris, yellow roses, white stock and baby's breath were arranged among the candles in the two tree candelabras. Baskets of Commodore fern were placed atop the choir bannister and on either side of the altar. Down each aisle were candle isle markers and blue bows marked the family pews.

Mrs. Charies Sherwood, organist, accompanied Cindy Johnson, Carolyn Schwartz, Camille Bryant, and Melissa Coats, all of Goldthwaite, as they sang "The Wedding Song", "The Twelfth of Never", and a choral amen after the last prayer.

The bride, given in marriage by her father, wore a floor length gown of double chiffon slightly gathered over taffeta. The fitted bodice of Venise lace over taffeta was beaded with seed pearls and featured a square neckline with satin covered buttons down the back. The bishop sleeves of chiffon featured wide cuffs of Venise lace beaded with seed pearls and covered satin buttons. Her two-tiered veil of bridal illusion fell to a chapel train edged in Venise lace and seed pearls. She carried a bouquet of white roses and baby's breath centered with a white orchid, all of which was trimmed in white satin ribbon.

The groom wore a tuxedo with a white coat trimmed in black, blue ruffled shirt, and black flare-leg pants. He wore a yellow rose boutonniere.

Gall Berry of Goldthwaite, sister of the bride, served as maid of honor. Bridesmaids were Cheryl Wilkerson of Brownwood, Marilyn Poir of Brownwood, Judy Crane of Brownwood, and Barbara Luker of Stephenville. Miss Becky Taylor of Bangs, niece of the groom, was junior bridesmaid. They were attired in floor length dresses of pastel

blue and yellow floral chiffon with pastel blue bows tied to the back and short puff sleeves. They wore short white gloves and carried two long-stemmed yellow roses tied with blue bows.

Tera Jan Berry, sister of the bride, was flower girl. Her dress was fashioned after those of the bridesmaids. Zane Taylor of Bangs, nephew of the groom, was ring bearer. He wore a tuxedo identical to those of the grooms-men.

Serving as best man was Mike Stephens of Bangs. Grooms-men were Bobby Stephens of Bangs, Lynn Berry of San Marcos, brother of the bride, Emmett Mathews of Bangs, and Walter Tinkler of Robert Lee. Allen Sheppard of Bangs was junior groomsman. The grooms-men wore tuxedos with blue coats trimmed in black, blue ruffled shirts, and black flare-leg pants. They wore white rose boutonnieres. Ushers were Kenny Day and Monty Day of Bangs and Bubba Duncan of San Angelo.

For her daughter's wedding, Mrs. Berry chose a floor length dress of blue crepe with a lace bodice and sleeves and a pleated skirt. Her accessories were silver. She wore a white orchid corsage. Mrs. Pruett chose a floor length dress of orchid which featured an empire waistline, long sheer sleeves, and a ruffle around the neck. She wore an orchid corsage. Her accessories were orchid.

The fathers of the bride and groom wore dark grey tuxedos with blue ruffled shirts and white rose boutonnieres.

For going away, the bride wore a green and white plaid double-knit dress with a pleated skirt and white long sleeves with a ruffle and white accessories. She wore a white orchid corsage taken from her bridal bouquet. After the ceremony, a reception was held in the Banquet Room. The bride's table was draped with white net and satin overskirt scalloped in gold and held a candelabra entwined with blue iris, yellow roses, white stock, and baby's breath. The three-tiered wedding cake was draped with blue roses on each tier and white wedding bells. The cake was topped with a bride and groom standing in front of a gold ornate cross.

Yellow pineapple punch, nuts and blue and yellow mints were served from appointments of silver. The groom's table was laid with a yellow satin cloth overlaid with yellow net centered with a silver candelabra entwined with greenery. The chocolate

Quail Population Loses 80% Every Year

Like it or not, it's a fact of life that some 80 percent of all quail in a given area die in a year's time.

Predation, hunting, exposure, disease and starvation all take their toll of these ground-dwelling birds. And this mortality figure is virtually inflexible. It is not the job of a quail manager to reduce the 80 percent figure but to increase the total number of birds which his particular area will carry. Closing seasons, killing predators, artificial feeding and stocking have all been tried and they don't work.

The key to more quail and more quail hunting is proper management. This is generally

done by providing adequate food and cover during the most critical time of the year for quail -- winter.

Bobwhites need four types of cover: screening overhead cover for security while feeding and traveling, woody "tangled" cover for immediate escape, "living room" cover for dusting and resting and a place to nest.

In a place as big and varied as Texas it's difficult to describe the best quail cover. But everywhere in Texas, the demand for more agricultural land and the steady press of subdivisions is destroying brush and other vegetation which shelter quail.

Almost any type of soil dis-

turbance results in the growth of weeds which produce quail food. Controlled burning, discing, fallowing or conservative grazing stimulates the growth of ragweed, doveweed and other seed-producing plants. Ripe seeds and plentiful insects during the spring and summer provide the quail's easiest living.

Two publications are available from the Texas Parks and Wildlife Department which better spell out specific food and cover requirements.

Bulletin No. 48, Quail Management Handbook for West Texas Rolling Plains costs 35 cents plus 2 cents tax.

Prices include postage. Send check, cash or money order to the Texas Parks and Wildlife Dept., John H. Reagan Building, Austin, Texas, 78701.

Garden Club Members Attend District Convention

District V of Texas Garden Clubs Inc., held their spring meeting at Cameron, March 20.

Those attending from the Goldthwaite Club were Meses. Roy Wilkins, Robert McCoy, V. Z. Cornelius, and local president Mrs. N. M. Coats; also, Mrs. George Weddel of Lometa.

The Goldthwaite Garden Club won three awards: first place scrapbook, Mrs. N. M. Coats, chairman; first place on President's Book; and third place in Environmental Improvement Program.

Mrs. Robert McCoy will be new District V Director to take office in the spring of 1975. Mrs. N. M. Coats will be her corresponding secretary.

Pictured above are, left to right, Mrs. O. Lewis, Mrs. Florence Lasley, and F. D. Spradley, Sr. as they enjoy cake and punch at the March Birthday Party given at the Heritage Nursing Home recently.

"HAPPENINGS"

Happy Birthday! Cake and punch anyone? And nice gifts on the side helped to make our Birthday Party an enjoyable and festive time! Mrs. Lena Epperson, Mrs. Susan Gay, Mrs. Mary Downey, Mrs. Florence Lasley, Mrs. Rosie Gibbard, Mrs. Maxie Lawson, P. L. Cornelius and Willie Stahnke were the honorees with the Goldthwaite Baptist Women as co-hosts. These people are quite good at hosting parties (maybe we can coax them into other parties before long!).

Keeping our minds on Spring, Brian Oglesby visited with us Friday afternoon and showed slides of local wild flowers. The

bluebonnets were out of the world! Such vivid colors and variety of flowers! We understand that the bluebonnets are beginning to start blooming and we are already looking forward to our bus trip to the country next month to see the spring flowers and bright green country. Will it be Mullin, Star, Priddy, Regency, Valley, Or? on our next trip. Our curiosities are running but only time will tell.

Something new was added to our entertainment this week. Through the combined efforts of several groups, we had an old-fashioned movie (better known as "picture-show" in the general area) Wednesday night. We even had popcorn and soft drinks to make it really authentic. Anyone remember the old Main Theater? It really brought back memories. The Jaycees, Home Demonstration Clubs and the Home will tri-host this activity for us at least once a month. Maybe they will show us a "shoot 'em up" next time!

With all the different activities going on each day, Dale Walls, the supervisor of maintenance, hardly gets the extra chairs and tables put away until someone asks for them again. Someone suggested we buy him a nice big tube of Ben-Gal for his sore muscles! He's always handy and ready to help in every way.

The following residents on patients in the local hospital: Mrs. Rosie Gibbard, Mrs. Lena Barton, and Mrs. Mary Fahnner. Mrs. Bertha Rost is a patient at Scott and White Hospital in Temple.

Can religion solve all the problems of the world?

Can religion solve any of them?

There are people who say "religion" is as out of touch with the times as the dinosaur. And about as useful.

After all, how has "religion" solved the problems of our cities, the agony of war, our racial strife, the seeming chasm between the young and the old? Indeed, what *should* we expect "religion" to be able to do in solving the very real problems of our time?

To take just the example of our troubled cities—churches and synagogues have not a fraction of the material resources needed to heal the wounds.

It's as simple as that.

But have they failed, if they point the moral way, provide the moral resolve, and, of course, assist materially to the limit of their resources?

"Religion," indeed, cannot fail—nor, for that matter, succeed—because "religion" is merely a word. What gives "religion" meaning and force is you. And everyone who cares enough for God to show God's love in the world. Every day. Everywhere.

For the problems that beset our world are not proof that God has failed Man.

But just the opposite.

Governor Briscoe Proclaims Senior Citizens Month

Governor Dolph Briscoe has proclaimed May "Senior Citizens Month", calling older people "one of Texas' finest resources."
"Older people throughout the State make many valuable contributions to their communities through volunteer roles, active participation in local and State government and by being involved," he said.
He urged "all communities, large and small, to provide opportunities for older people to continue to use their talents and abilities. For we all stand to gain from this natural resource - older people who have the wisdom of years, the experience of living, and the time to give of themselves."

The Governor urged "all Texans to join in honoring their fellow citizens who have reached a status of seniority and respect."
Local celebrations and activities are being planned throughout the State. Many communities take the opportunity of Senior Citizens Month to select an outstanding older person and present him or her with a Certificate of Recognition signed by the Governor and by William T. Keenan, Executive Director of the Governor's Committee on Aging.

In Mills County, the following is being planned to honor older people and to celebrate Senior Citizens Month:
On May 4th the Mills County Fair and Bazaar will be held, and at this time an outstanding Senior Citizen will be selected. Mills County has so many people who need to be honored, so please get in your nominations for Senior Citizen.

Regency Cemetery Working April 6

There will be an all day cemetery working April 6th at the Regency Cemetery. Anyone interested in the upkeep of the cemetery is urged to attend.

Letters to the Editor

To The Goldthwaite Eagle:
I thought this explanation of how San Saba Peak happened to be in Mills County might interest some of your readers, especially the younger ones...

(Taken From The March 21, 1974 Issue of The San Saba News)

To The News & Star:
In regard to your story March 7, about the mythical Bowie Mine. The Germans who settled Fredricksburg were on their way to the San Saba Valley, but the Indians became so numerous they were afraid to go further, so they settled in Fredricksburg.

After several years, when they thought they understood the Indians well enough for it to be safe, they sent an expedition to investigate the Bowie Mine.
They had a geologist along and I have a translation by the late Mrs. Cowan who could speak fluent German, of his report.

He told of passing over several formations but when he got to the Bowie Mine Country he said it was all a sedimentary formation and the possibilities of there being any gold or silver there was too remote for serious consideration.

Most of the formations in Llano County were formed as the earth cooled and hardened, and while it was too hot for any plant or animal life to exist so there are very little possibilities of any oil there, but there might be some gold or silver in the seams of quartz.

From about Cherokee north, San Saba County is a sedimentary formation deposited by the sea and there might be a little oil but no gold or silver.

A large scope of country north of San Antonio, which included the San Saba Valley, was once known as "The San Saba Country" when it was divided into counties. The San Saba Mission fell in Menard County, Camp San Saba in McCulloch County, San Saba in San Saba County and San Saba Peak eight miles south of Goldthwaite, in Mills County.

A visit to San Saba Peak would be a worthwhile trip for a troop of Boy Scouts or anyone interested in geology. I have some sea shells I picked up on top of it. A good place to get on top of the thick limestone cap rock is on the side toward San Saba. E. Guy Risien

Thoughts

From the Living Bible

"Rejoice greatly, O my people! Shout with joy! For look—your King is coming! He is the Righteous One, the Victor! Yet he is lowly, riding on a donkey's colt! I will disarm all peoples of the earth, including my people in Israel, and he shall bring peace among the nations. His realm shall stretch from sea to sea,

from the river to the ends of the earth. I have delivered you from death in a waterless pit because of the covenant I made with you, sealed with blood. Come to the place of safety, all you prisoners, for there is yet hope! I promise right now, I will repay you two mercies for each of your woes!

Down, Down, Down... Broilers Not Chicken Feed...

For the 17th consecutive month, milk production has shown a decline. In Texas, milk production during February dropped four per cent below a year ago, and seven per cent under a month ago. Milk production in Texas during February totaled 244,000,000 pounds.

Milk production per cow averaged 700 pounds during February. This is 10 pounds below last year and 50 pounds below the previous month.

Nationwide, milk production during February showed a three per cent decline. Production during the first two months of 1974 was three per cent below the corresponding period a year ago.

Milk production per cow on a nationwide basis stabilized during February. Production per cow was 776 pounds; this is the same as a year ago. But it is six per cent below January of this year.

Milk cows on farms during February totaled 11,227,000 head. This is down three per cent from the same month a year ago.

Meanwhile, dairy price supports to become effective April 1 will be at the lowest level permitted by law—80 per cent.

Continued high cost of production is the main reason for a continuing decline in milk production.

For example, Texas dairymen paid an average of \$137 per ton for mixed dairy feed (16 per cent protein) in January compared to \$105 per ton in February of 1973.

Texas dairymen paid an average of \$86 per ton in February for baled alfalfa hay compared to \$71 per ton in February of 1973.

THE BROILER business in Texas is not chicken feed, according to a summary from the Texas Crop and Livestock Reporting Service.

Gross income from broilers in Texas during 1973 totaled \$146,221,000. This is an increase of more than \$50,000,000 over 1972.

Average price received for 1973 was 22.8 cents per pound liveweight. This is the highest average price since 1955 when it was 25.5 cents per pound. The 1973 average price was 8.6 cents per pound higher than in 1972.

Texas is in seventh place in the nation in the number of broiler chicks placed in 1973. Commercial broilers placed in the state last year totaled 178,991,000. This is a three per cent decrease from 1972.

Robert Hunt Student Teaching

Robert Hunt is one of 54 Howard Payne College student teachers who are now practicing their future professions in Brownwood area elementary, junior high and senior high schools.

According to Dr. Gene Johnson, director of teacher education and certification, most of the would-be teachers began their assignments March 4 and will continue their full-day schedules until May 3.

In addition to working with full-time certified teachers in the area during a normal work-day, the student teachers are encouraged to participate in various school activities.

Mr. Hunt, who is student teaching in the field of physical education and history, is the son of Mr. and Mrs. J. D. Hunt, Moline Route, Goldthwaite, Tex.

Pork Referendum and Producer Board Election

Being certified by the Commissioner of Agriculture of the State of Texas for this purpose, the Texas Pork Producers Association, 2422 Tabo, Sherman, Texas 75090, proposes a referendum election on May 14, 1974 under provision of Article 55c, Vernon's Civil Statutes, on the proposition of whether or not the pork producers in the State of Texas shall assess themselves a maximum amount of 10 cents per head on all slaughter animals to be collected at the point of first processing or sale and to elect members of a 15 member commodity producers board to administer proceeds of such assessment to be used for research, predator control, disease and insect control, education, and promotion designed to encourage the production, marketing, and use of pork.

The referendum and election will be held by mail ballot which will be provided to all eligible voters not later than 15 days prior to the election. Ballots must be mailed to the polling place at Sherman, Texas before midnight on the date of the election.

Any person within this state engaged in the business of producing, or causing to be produced, slaughter hogs for commercial purposes is eligible to vote, including owners of farms and their tenants and sharecroppers, if such person would be required to pay the assessment proposed.

Any person qualified to vote at the referendum may place his name in nomination for membership on the proposed commodity producers board by application to the above organization signed by himself and at least ten other persons eligible to vote in the referendum. Such applications must be filed at least 30 days prior to the election date.

Any person qualified to vote who does not receive a ballot prior to April 30, 1974 may obtain one at his local County Agent's Office.
