

Water Under  
The Bridge  
By G.F.B.

Received a lot of comment on "Water Under the Bridge" printed in last week's Eagle. Most of it favorable, too, I might add, but favorable comments were not the results that were garnered.

The results should have been everyone's right to their opinion is promised in the Constitution of the United States. Ability of one to speak out, truth or in error, is allowed, long as someone's outright privacy is not disturbed and no personal damages can be assessed.

The problems of Goldthwaite are not unlike those anywhere else; they're more real to us because we live here and we want this to be a good place to rear our children and carry out our meager existences.

Some of the problems mentioned are not intended to be a personal attack. Some of the most serious things that have happened or not happened, are the result of a lack of education of employees by those in positions of knowledge. There is nothing wrong with the mentality of individuals concerned; indeed, they are mostly far above average, but the wrong is that application is not there simply because the parties involved have not informed others of their duties in a manner that will get the job done. And when the job seems government and its policies, a lot of information is to be transferred.

Another thing that was not seen in the intent of the last article is that it is not this space's to carry out this sort of crusading. It's not a nice by a long shot, and the truth is that it is a last resort matter. The ruling bodies of the governments of the world would care of their own, then this is not to be necessary. But that's precisely why those mentioned Constitutional provisions were initiated to stop wrong-doing, as evidenced in Texas a few years ago, with the United States government recently.

Anyway, your comments were appreciated.

A lot of Mills County's tanks are full to overflowing now, following recent deluges of rain. Some tanks that were empty six years old are full for the first time ever, and that's a blessing.

The rainy weather continues over this area of Texas, with forecasts again soon. Most ardent football fans know whenever you play Hamilton there it's going to rain. You know it wasn't so bad there in the press box . . .

The Ladies' Night at the Lions Tuesday night was very enjoyable. The entertainment by Jeanie Bolin was wonderful, as it always is, and the comments by Lions Deputy District Gov. Col. Ray Beggs were appreciated. He mentioned that over Goldthwaite he noticed a dressed man whom he did see at the meeting. He wanted to stage a membership drive. Most of the men here are members, they just don't go.

Mullin Takes Victory Over Santo

In a drizzling rain last Thursday night the Mullin Bulldogs scored a 34-6 victory over Santo. Kevin record for the Bulldogs was 2-0.

Bobby Lindsey received a pass from Phil Hickman for a six-yard run and also made a TD on a pass from Ricky Shelton. Shelton was also credited with a six-yard touchdown play for the Bulldogs.

Tommy King contributed a three-yard run for a Bulldog TD and Bearden drove in from 10 yards out for another six-pointer for the Dogs.

Steve King was credited with an extra point pass from Hickman and Tony King ran for the other extra points.

This Thursday (tonight) at 8 p.m. Mullin will play Gustine. Football action can be seen at Eagle Field.

## Hamilton Overpowers Eagles; Richland Springs Here Friday

If you came ten minutes late to the Hamilton - Goldthwaite football game last Friday night, you missed it, at least as far as Eagle fans were concerned. Hamilton took the game 30 - 7, making the Eagles 1-1 for the season.

The Eagles took the opening kickoff and returned it 60 yards in ten plays for the second touchdown of the season. It looked great, too, with great execution on blocking and ball handling, indicating a poise that wasn't shown in the San Saba game. Halfback Guenaro Siller accounted for 31 yards of the total, making one superb run of 19 yards down to the one-yard line.

From here Mick Simon took home the bacon on a dive over left tackle. Terry McLean kicked the extra point and it was 7 - 0 with only three minutes and thirty seconds time used.

But the power and finesse of the AA Hamilton Bulldogs proved too much for the Eagles, as on the next series the Dogs moved down and scored, and converted for two points after the touchdown. From that time forward it was Hamilton's ball game.

The Eagles lost a couple of fumbles that Hamilton turned into scores in the second and third quarters. Hamilton only scored seven points in the second half.

Considering the size and obvious squad limitations, the Eagles did remarkably well against Hamilton. The Eagles were outweighed at least 10-15 pounds per man and Hamilton fielded nearly three times for the game.

"We were up against a big, strong team Friday night, and playing them on a slick, muddy field made it even tougher. Hamilton scored on two of our fumbles which really hurt us a lot," commented Head Coach Gene Audridge.

"Richland Springs has a bigger team than us, but if we can eliminate a few early season mistakes we made in the game against the Bulldogs, we will put on a good show against them. Richland Springs lost their game last week to Cross Plains 44-0, but score is no indication of how tough a team will be," Audridge observed on the upcoming game.

### Steven Saylor In Eighth Edition Of Who's Who

Steven W. Saylor, a 1974 graduating senior at Goldthwaite High School, was recently notified that he is to be featured in the Eighth Annual Edition of Who's Who Among American High School Students, 1973-74, the largest student award publication in the nation.

Students from over 20,000 public, private and parochial high schools throughout the country are recognized for their leadership in academics, athletics, activities or community service in the books. Less than 3 percent of the junior and senior class students nation-wide are awarded this recognition.

Steven is the son of Mrs. Lucy Saylor of Goldthwaite. He was active in the Goldthwaite Eagle Marching Band, president of the Beta Club, member of the annual staff, and was valedictorian of the 1974 graduating class. He won highest scholastic awards in Spanish II, physics, trigonometry, consumer education and civics economics. Also, he was a National Merit finalist.

Steven is now a freshman at the University of Texas in Austin.

## Rev. Mild Chairman Of Ministerial Ass'n.

The Mills County Ministerial Association met Monday afternoon and elected Rev. Andrew Mild of the Zion Lutheran Church its new chairman. Also elected was Rev. Harvin Tewes of the Star - Center City Methodist Churches as the secretary-treasurer. Discussed were the plans for the Halloween festival to be held this year under the sponsorship of the Ministerial Association and the Annual Thanksgiving service which will be held in the Goldthwaite United Methodist Church this year.

## Mrs. Jene Brownrigg Speaker For Oct 1st Lions Meeting

Mrs. Jene Brownrigg, Executive Director of the American Revolution Bicentennial, is to speak to the Lions Club at 7:30 on Tuesday, October 1, at the high school lunch room. She will outline the plans for organization of Mills County. The City Council asked each club of Mills County to send two representatives to this Bicentennial meeting for some very informative information.

Mrs. Brownrigg is outstanding in this field. We hope each club of the county will have their representatives present.

## 5.31 Inches Of Rain Received Here

According to official report from weatherman Glenn DeWitt, Goldthwaite has received a total of 5.31 inches of rain for the month of September. Four and one-half inches of this total was received Tuesday night.

Commissioner Burthel Roberts stands over washed-out bridge about 6 miles southwest of Goldthwaite Tuesday morning. Rains between 5 and 7 inches caused damage to many such structures over the county, and some houses were completely isolated due to the road and bridge damage.

The Colorado River is on the rise and is higher than it has been in two years. Most of the watershed projects carried on through the Soil Conservation Service are full of water at this time.

**BIRTHDAYS GALORE!**  
From employees to residents! Pictured is Mrs. Era Webster who was surprised with a birthday party in the dining room last Friday, September 13th, by members of the staff and management. Pictured are, left to right, Mrs. Wilma Forrest, Mrs. Era Webster, and Miss Margaret Stanley and Mrs. Elaine Laughlin. Everyone joined in wishing Mrs. Webster a very Happy Birthday and many more for the future!

Second only to Christmas is our monthly Birthday Celebration. Last Tuesday, September 17th, the following residents were honored on this special occasion: Mrs. Winnie Carr, Mrs. Myrtle Neal, Mrs. Sara Watson, Mrs. Lorretta Ingram, Mrs. Nettie Fox, Mrs. Emma Hein, Mrs. Annie McDearmon, Mr. J. G. Boatwright, and Mr. Bud Jones. Also, not to be left out of this list is Mrs. Mary Faulkner who celebrated her birthday this month. She was 102

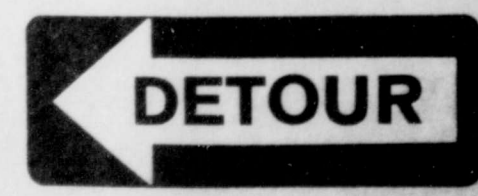

years old and was honored with a large birthday cake and many well-wishing friends and relatives.

On this occasion, the group of women who did so many nice things for our residents was the Zion Lutheran Church of Priddy. To all the many fine people who help with our birthday parties each month, we say a very special "thank you" to each and every one.

The Men's Downtown Bible Class is an inspiration to all our residents. Last Thursday night they again gave of their time and talents for the good of our residents for which Heritage Home is very grateful.

The young people are also to be commended for their devotion to our residents. Among those are Camille Bryant, Cindy Rickel, Frances Williams and Alicia Browning who came on Monday to sing.

Our residents in the hospital this week are Mrs. Viola Warren, Mr. Bill Woody and Mr. Willie Stahnke.

Last Tuesday evening at 8:00 p. m. a group of men met to discuss football and other sports and activities connected with the public school system. An organization was formed, known as The Eagles Club, whose purpose will be to inform the public on football and other activities and to support the school program.

Zion Lutheran Church of Priddy was the scene August 28 of the wedding of Miss Elfa Schrank of Priddy and A. H. Cantrell of Big Spring. The bride is the daughter of Mr. and Mrs. Bruno Schrank of Priddy.

Jack Koen, 22, of Goldthwaite is in critical condition at Brownwood Memorial Hospital after his car turned over on U. S. Hwy. 284 3/4 of a mile south of town. Koen's chest was crushed, with both lungs involved, his collar bone broken and several ribs fractured.

Next Sunday, September 18, the Rev. Joseph L. Emery begins his third year as pastor of the First Baptist Church of Goldthwaite. He has seen a nearly new church building completely destroyed by fire and a new structure rise on the same spot. During his pastorate there have been 75 conversions. Total membership is now 739. Mrs. Emery is pianist and organist for the church.

Judge John L. Patterson has announced his resignation as County Judge, effective Saturday of next week. He has served in the office since the death of his father, Judge L. E. Patterson. He will resume his school work in Haskell County where he has headed the same school seven terms.

Saturday about noon Ray Berry's barn, located at his home about 10 miles east of Goldthwaite on the Moline Rd., was destroyed by fire believed to have been started by lightning. About 700 out of a 1000 bushels of oats was saved, but the corn and hay was a total loss.

Goldthwaite and Mills Co. have been engulfed in sorrow this week because of a terrible accident that befell a number of young people Sunday night when an automobile in which W. F. Brim, Wm. Glenn Yarborough, Chas. Frizzell, Hulon Fletcher, Misses Frances Page and Lucille Bied-

soe were riding was wrecked 16 miles southeast of Waco, near Chilton. All of the occupants were badly hurt and W. F. Brim died Tuesday as a result of his injuries. Frizzell, Fletcher and Page are still in the hospital in Waco, seriously hurt.

The G'waite Eagles have started training for their first game of the season, which will be Sept. 21 with Lometa. Lettermen who reported this year were Rudd, Todd, McDermott, Yarborough, Huddleston and Campbell.

Describing a certain businessman: "If he had been with George Washington, he would have 'double-crossed' the Delaware."

Bumper sticker: "I am neither for nor against apathy."

**Retired Teachers Meet**

The Mills County Retired Teachers had their first meeting of the year at the home of Mrs. A. R. Neely at 4 o'clock on Friday. Thirty members enjoyed games of various kinds or just visiting until six o'clock when a delicious covered dish supper was served.

Later, Mrs. Delton, Barnett presided over the business meeting in which many plans for the year were discussed. The remainder of the evening was spent enjoying slides that Julian Evans had made on the teachers' trips. Especially beautiful were the pictures made of the dancers in "Texas", the flowers, butterflies and sunsets. This group is fortunate in having a good photographer like Julian as a member. It was a most enjoyable meeting.

## Kenneth Wolf Soil Conservation Meeting Speaker

Mr. Kenneth Wolf, an economist with the Texas Agricultural Extension Service will be the featured speaker for the Soil Conservation Society of America Chapter meeting Thursday, September 19th, at 7:30 p. m. at Chisholm's Restaurant in Brownwood.

Wolf is a specialist in agribusiness according to George Crews, president of the local SCSA chapter. He will discuss management skills for owners and managers of agricultural related business.

Wolf holds a masters degree from Texas A&M in Business Management. His work with the Extension Service is to provide training in supervisory management.

The SCSA is a nonprofit scientific and educational organization for the advancement of science use of natural resources. Everyone interested in natural resources and good land use is invited to attend the meeting. For more information, contact Charles F. Studer with the SCS office in Goldthwaite.

## Women's Auxiliary Organized

On Sunday, September 15, 1974, a meeting was held at the American Legion Hall for the purpose of organizing a Women's Auxiliary. District President Edna Tschertart presented Post Adjutant Edwin Rackow with a certificate of achievement for memberships in 1973-74. Refreshments were served following the meeting.

Wives of Legion members who were not present at this meeting would like to join are urged to attend the next meeting to be held October 2, 1974, at 8:00 p. m. at the Friddy American Legion Hall.

**AUSTIN** — Gloomy predictions of increasing natural gas shortages during winter months were made to southern governors at their conference here last week.

Federal Power Commissioner Don S. Smith reported major pipeline operators expect natural gas supplies to fall 9.6 per cent below demand.

Smith forecast gas pipeline curtailments this winter will be 81 per cent greater than last year.

To sustain present levels of gas consumption would require discovery of "a new Alaska every year," the federal agency official told the governors.

FPC, according to Smith, has taken these steps to relieve impact of the shortage:

- Entered an order to allow 2,400 of the 3,900 smaller gas producing companies to sell interstate gas at 63 cents per thousand cubic feet, instead of the 42 cent wellhead rate permitted major producers.

- Reinstated emergency provisions to allow utilities to buy gas through pipelines for 60-day periods at market rates rather than lower, regulated interstate rates.

Texas Gov. Dolph Briscoe said the action would have little effect in Texas, where demands will keep prices far above the 63 cent rate.

**INFORMATION SOUGHT**—A Cleveland firm hired to survey tax values in 35 school districts sought tax appraisal and computer contracts with all 1,100 districts in the state.

Legislative Property Tax Committee Chairman Sen. H. J. Blanchard of Lubbock said the solicitation seemed "inappropriate" to him.

LPTC staff members expressed some concern that the firm would be reporting to the state on data paid for by the district. The firm is being paid \$382,000 by the state for its data on market value of district properties.

Some LPTC members also complained about slowness in getting a redefinition of property tax laws as a guide to legislative improvements.

**CRIME FIGHT MAPPED**—Atty. Gen. John Hill has called for establishment of a statewide grand jury and a central information bank as weapons in the fight on organized crime.

At a law enforcement conference, Hill said state and local law officers must cooperate to combat the increased threat of major crime.

Governor Briscoe, meanwhile, said he plans to propose to the legislature again in 1975 a law to permit wiretapping where ordered by a court to gather evidence of organized crime.

**DEPARTMENT SHAKEN**—Texas Department of Labor and Standards got its third assistant commissioner in a week's time.

Commissioner Jackie W. St. Clair named Kirby Suggs of the Houston regional office after (1) firing Tommy W. Smith and (2) temporarily elevating Bob Hubbard, son of AFL-CIO State President Harry Hubbard, to the post. Hubbard resumed his position as administrative assistant.

A total of 10 of the department's 40 employees were discharged at the same time by St. Clair, who pronounced their job performances "unsatisfactory."

**AG OPINIONS**—The secretary of state may use statistical samplings or other reasonable means of determining adequacy of political party petitions for places on the ballot, Attorney General Hill held.

In other recent opinions, the attorney general concluded:

- Laboratory reports on retail dairy products and ground beef are subject to disclosure.

- An unlicensed person can perform professional nursing, acts under direct control or supervision of a physician.

- Child abuse case records revealing the identity of the complainant are excepted from disclosure requirements.

- A Senate sub-committee (consumer affairs) rule permitting executive sessions to get testimony or evidence or

confer with counsel conflicts with the open meetings law.

- County commissioners may sell land belonging to the permanent school fund and distribute money to county school districts, but the districts may not pay back to the county funds to create a vocational school.

- Counties may contract for minor children's custodial care.

- City councils must call, within 60 days of a valid petition, an election under the firemen's and policemen's civil service act. Actual holding of the election must take place within a reasonable time.

**TEXAS AHEAD** — Texas leads the nation in the percentage increase of new business incorporations.

Secretary of State Mark White Jr. reported the number of business incorporations increased dramatically from 1,569 in May, 1973, to 2,513 in May, 1974. This is a 62 per cent increase for Texas, compared with a five per cent increase for the nation as a whole.

Coupled with the increase, however, is a rise in bankruptcies and business failures. There were 680 bankruptcy petitions filed during 1973 in the U.S. District Courts for the Western District of Texas—and 768 so far this year.

May recorded an alltime peak of business failures—925—nationwide.

**APPOINTMENTS**—Speaker Price Daniel Jr. named Rep. Herman Lauhoff of Houston to House committees on revenue and taxation, natural resources and elections.

Daniel also named Rep. Chris Semos of Dallas to the House committee on appropriations, Rep. Phil Cates of Pampa to the committee on calendars and Rep. Jon Newton of Beeville to the committee on rules.

Susan Longley of Austin will manage Attorney General John Hill's campaign office.

Hill was reappointed chairman of the National Association of Attorneys General Consumer Protection Committee.

**CROPS IMPROVE LITTLE**—September crop predictions improved slightly over August, Agriculture Commissioner John White reported.

Texas cotton production is estimated at 3,180,000 bales, off almost 1.5 million from 1973. The August predictions were 3,050,000 bales. Sorghum production (off 122 million bushels) and soybeans (off two million bushels) remain little changed.

Corn production also remained largely unchanged at 69,750,000 bushels (a nine million bushel decrease). The rice crop looks good, with producers expected to harvest 24,772,000 hundred-weight bags, a five per cent increase. Sugarbeets and sugarcane will also improve.

**SHORT SNORTS**—The Texas National Guard has been requested to take additional steps to increase security of federal arms and ammunition.

Rep. Dan Kubiak of Rockdale reaffirmed his request for investigation into cost of each step in cattle raising.

All voters in the November 5 general election must be registered by October 5. Registrations are valid for three years.

Secretary of State White refused to place the Socialist Workers Party candidates on the November ballot, holding its petition inadequate.

Rep. Bill Clayton of Springlake has added more support for House Speaker in 1975, claiming well over 100 of the 150 votes.

Attorney General Hill has appealed a federal court order that two major state reform schools be closed.

The State Board of Education meets with legislative committees and governor's office aides to discuss steps needed to strengthen school programs for 700,000 Mexican-American students.

The State Supreme Court, via appeal, will have a chance to rule on whether the Texas Railroad Commission has authority to order natural gas taken away from utilities in North Texas and diverted to Central and South Texas.

SERVING MILLS COUNTY OVER 85 YEARS

do you feel young... yet look your age due to excessively dry skin?

**ALO-TRIUMPH**<sup>®</sup>  
over prematurely ageing skin due to excessive dryness.  
... is custom formulated with YOU in mind!

ALO-TRIUMPH. It is formulated with a concentration of "natural moisture" from nature herself... moisture from the fantastic and rare tropical Aloe Vera plant. Not a synthetic substance but a pure crystal-clear 'Gel' extracted from the leaf of the plant that over the years has proven to be one of the most beneficial and effective ingredients ever used in skin care treatment preparations.

ALO-TRIUMPH is truly a triumph over those crepey areas that so often appear on the neck, throat and chest due to neglect and dryness. Unlike most cremes for dry skin, ALO-TRIUMPH is non-greasy, absorbs quickly and leaves the skin radiant and moist looking... just the way nature intended it to look. Lines due to dryness seem to be a thing of the past.

### Letters to the Editor

G. Frank Bridges  
Goldthwaite, Texas

Dear Mr. Bridges:  
Would you please see that my sister's subscription is renewed, Mrs. M. Robertson. Also my subscription, J. Claude Fallon. My sister and my wife and I enjoy reading the Goldthwaite Eagle as we were raised up in Mills County.

Hope the county gets oil in the well that's being drilled there.

Thanks,

### Extension Highlights

BY JUDY BEAVERS  
Mills County Extension Agent

Clothing can be used as a clue to personality. People with certain personality characteristics tend to choose the same kinds of clothing and the same colors. People who are interested in clothes and have lots of them are often more sociable than those who have few clothes and little interest in them.

Warm colors such as red and yellow are often chosen by those who like entertaining and outdoor activities.

The blues and greens are preferred by people who like indoor activities more and enjoy being alone.

Generally, people who like strong, clear colors also like other people around them and are outgoing.

However, many other things besides personality affect clothing choices.

Planning a picnic lunch both nutritious and easy to transport can be a real challenge. Like any other meal, the picnic should furnish about one-third of the day's nutrients, but it also has to be easy to carry and need little refrigeration. To be sure the picnic is nutritionally sound, plan foods from each of the Four Basic Food Groups — meat, milk, fruit and vegetable, bread and cereal.

How about raisin bread to perk up the standard peanut butter and jelly sandwich? Wheat bread adds a different taste to dried beef sandwiches.

Sandwiches provide the essential bread nutrients and can be the traditional white bread or any specialty breads, rolls or biscuits.

Meat group choices need to be ones that do well without refrigeration — cured or smoked ham and meats, peanut butter, or spicy-sweet cold baked beans make good sandwich fillings.

Cheese from the milk group makes a good sandwich filling also, because most cheeses keep well without constant refrigeration.

Fruits and vegetables that come "nature packaged" — apples, oranges, bananas, and cucumbers, celery and carrots — are good additions to the picnic lunch. Their peelings can be eaten or easily removed.

There will be a stated meeting of Goldthwaite Lodge No. 694, A.F. & A.M., Thursday, September 19, 8:00 P.M.

Mr. and Mrs. James Albert Schelhase, Sr. of Gonzales announce the engagement and forthcoming marriage of their daughter, Gladys Kay, to Mr. Mikel Ray Featherston, son of Mr. and Mrs. Alfred Reed Featherston of Corpus Christi.

Miss Schelhase, a 1971 graduate of Gonzales High School, attended Louisiana State University at Baton Rouge where she was a member of Alpha Omicron Pi sorority. She is presently a senior student at the University of Texas at Austin where she is a member of the Union Recreation Committee, Spooks, and Schorettes.

Mr. Featherston is a graduate of Richard King High School in Corpus Christi and attends the University of Texas where he is a junior premedical student and a member of the Longhorn football team.

A November 30th wedding is being planned.

Mr. Featherston is the grandson of Mr. and Mrs. James Walter Featherston of Goldthwaite.

### San Saba Peak

BY: Mrs. Dutch Smith

The Harris children met at the Hancock Park in Lampasas, Sunday, September 15, for their reunion. The following were present: Mr. & Mrs. Foy Taylor of San Angelo; Mrs. Della Leverett of San Saba; Mrs. Annie Peeler, San Antonio; Mr. Bill Harris, San Antonio; Mr. & Mrs. Dutch Smith, Goldthwaite; Mr. & Mrs. Bud Conrad of Lometa; Mr. & Mrs. Joe Harris, Baird; Mrs. Verna Conner, Waco; Mr. & Mrs. A. B. Conrad Jr. and Debra, Lometa; Mrs. Billy Helen Jernigan of Goldthwaite; Mr. & Mrs. Johnnie Smith and Cliff of Burnet and Cliff's friend, Richard Eckleman of Lampasas; Mrs. Irene Holt, Rolly & Jeanie; Margaret Joe Mass and five children of Waco; Janie & Mike and two children of Waco; Jeff and Windy of San Antonio; Orvell Ripple of Oklahoma City; and Mr. and Mrs. Herman Maxwell of Oklahoma. Our oldest sister, Mrs. Frank Day of Okalla, was unable to come.

Everyone brought a basket lunch and we had a wonderful time together.

We hope we can have another reunion next year.

### Singing

A singing will be held at the Center City Baptist Church, Sunday, September 22. The singing will begin at 2 p. m. and last until 4 p. m.

## Star Tigers Roll Past Sidney 45-0

### 74 Tiger Football Squad

Members of the Star Tiger football team are shown above with their coaches. They are, back row left to right, Jeff Key, Charles Goleman, Tommy Hartley, Danny Norwood, Dennis Norwood, James

Geeslin and Coach Grant Tidwell. Middle row, left to right, Bill Brown, Michael Norwood, Johnny Martinez and Jimmy Witty. Bottom row, left to right, Dennis

Newton, Huntis Dittman, Steve Boyd, Harold Frank, David Kincheloe, Richard Witty and Vandell Norwood.

-- Laughlin Studio Photo

Star downed a young Sidney team 45-0 Friday night. In the first quarter Tommy Hartley started the scoring on a 21-yd. pass from Jimmy Witty. The same combination connected for the point after. Later in the first quarter, Bill Brown scored on a short 3-yd. pass from Witty. Dennis Norwood got the extra point on a pass from Witty. Sophomore running back Chuck Goleman left the game with an injured hip on the second TD drive and was not able to return to action.

In the second quarter Sidney was unable to move the ball consistently and Star's offense scored 19 more points. Bill Brown scored twice this quarter on runs of 25 and 50 yds. and threw to Dennis Norwood for a 23-yd. TD. Witty passed to Tommy Hartley for the extra point. The score at halftime was

33-0. Neither team scored the third quarter. Star reserves were able to hold off Sidney, but could not score themselves. Early in the fourth quarter Sidney got off a good punt that gave Star the ball on their 5 yd. line. Star's offensive unit returned to the field and on the second play from scrimmage Bill Brown took a short pass from Jimmy Witty and went 70 yds. for the TD. The extra point failed. With less than 3 minutes to play, sophomore Mike Norwood passed to freshman Steve Boyd for 19 yds. and a TD and ended the game.

Star's defensive team was led by Jimmy Witty and Johnny Martinez. Sidney's big freshman (175 lb.) David Fontenot made quite a bit of yardage and senior Rocky Stewart was a standout for Sidney's defense.

The entire Tiger team played,

with the exception of Danny Norwood and Vandell Norwood. Both boys were recovering from ankle injuries and did not see any action. Star is open this next week and plays Jonesboro at Star on Thursday night, Sept. 26, at 8:00 p. m.

We have had some damp weather. Hugh Nowell received  $\frac{1}{2}$  inch and A. L. Crawford .07. We send congratulations to Mr. L. J. Slaughter who celebrated his 90th birthday. They were former residents of this community and nice neighbors. He was a goat and sheep shearer. My sister, Mrs. Lucy Schindler of Brownwood, celebrated her birthday also on the 15th. I called her Saturday and she seemed to be doing nicely. R. J. Schindler and Joe and Sara of Evant spent the day. She was looking for her daughter, Mrs. Pauline Wilson, and a number of grand children and a big cake on Sunday. She said it is a grand occasion to be in your early 90's. Mrs. Pearl Hickman and Iez Petty surely made some folks happy with the watermelon feast at the Hickman Home. This scribe was present.

Mr. and Mrs. C. V. Whately spent the weekend at home entertaining a bad cold. We wish all the sick folks a speedy recovery.

Mr. and Mrs. W. W. Ratliff visited Mr. and Mrs. Harvey H. Faught of Lometta who are patients in the local hospital and found them to be doing nicely.

Mr. and Mrs. A. L. Crawford visited Miss Lola Stevens Friday.

George Crawford visited Willie Woody at the hospital and a number of old friends at the Heritage Home.

Mr. and Mrs. Louis Stahnke visited at the hospital and also visited Willie Stahnke and Mr. and Mrs. R. F. Daniel and a number of their old neighbors and friends at the Heritage Home Friday.

Mrs. Lem Price and Mrs. V. T. Stevens visited Mrs. Mary Creek, Mrs. Jessie Geeslin and Mrs. Elmer Scooby Sunday afternoon at the hospital.

Mr. and Mrs. Howard Runnels and family and Mr. and Mrs. Stone Shipman spent Sunday with their parents and grandparents, Mr. and Mrs. Pearl Shipman.

There was an old time get-together Sunday at the home of Mr. and Mrs. O. L. Harris. Those present were Mr. and Mrs. Charley Mack Mason of New Mexico; Mr. and Mrs. Johnny Mason of Indiana; Mr. and Mrs. Curtis Koen of Eastland; Mrs. Winnie Mae Brown and Mr. and Mrs. Warren Harris of Goldthwaite. Mr. and Mrs. W. N. Swindle attended the 4-month-old Hopper baby funeral at Pottsville Sunday afternoon. They also reported Dugan Swindle of Hamilton on the sick list. He is a former resident of Priddy.

### Services For Mrs. Stark Held Recently

Funeral services for Mrs. Charlotte Maragrette Stark of Lancaster, California, were held August 31, 1974, in Lancaster. Burial was in the family plot in Joshua Memorial Park in Lancaster.

Mrs. Stark is survived by her husband, Wesley Stark; one brother, Ernest Ince of Goldthwaite; two sisters and three grandchildren.

The Starks are former residents of Mullin. The family will be remembered by many friends here and at Mullin.

### Mullin Senior Citizens Luncheon

Mullin Senior Citizens held their first meeting of the month, Monday, Sept. 9, at the Mullin Community Center. Due to the Labor Day holiday, we had not had a meeting for three weeks. A delicious lunch was served at the noon hour with J. D. Murray giving the Devotion. A short business session was held and plans for the next program were discussed. Various kinds of work was done throughout the day, including stringing beads and making owl earrings and butterflies. Recipes and patterns were also exchanged among the group.

Games were played during the day. Grandprize winners were Miss Martha Caulder, Mrs. Josie Ray and Mrs. Lorene Dumlup.

Visitors were Mr. and Mrs. J. D. Murray of Brownwood, Mr. and Mrs. W. E. Harmon of Carlton, Mrs. Inez Leverett, Mrs. Arkie Long, Mrs. T. A. Casbeer, all of Goldthwaite, and Mrs. Josie Ray of Austin. Also Mrs. Mildred Anderson, 4-county coordinator and Mrs. Elva McNeil, both of Goldthwaite.

The next meeting will be on Monday, September 23, at the Mullin Community Center, with a covered dish luncheon. A new craft will be worked on at that time.

Come join the group for a pleasant day and for games.

## From the County Agent

BY DANNY LONG

MILLS COUNTY EXTENSION AGENT

We are all aware that the time has come when we must all use fertilizers wisely. There are ways that producers can take advantage of the efficiency of the nutrients supplied for small grains. Nitrogen and phosphorus are generally needed by small grains with lesser need for potassium and micronutrients. Phosphorus fertilization is very important since the small grain plant has a great need for this nutrient during seedling development. Without adequate phosphorus, fewer advantageous roots are produced. Optimum rates of phosphorus with or near the seed tends to increase seedling growth and consequently the amount of winter pasture.

Nitrogen is also very important. For top yields, plants should never be allowed to suffer from lack of nitrogen. On the other hand, excess rates of nitrogen should not be used since many

varieties will tend to lodge when high rates are applied. The rate of phosphorus and nitrogen to use is a difficult decision to make. Research seems to indicate that 40 to 60 pounds of P2O5 with the seed will insure adequate amounts of the nutrient. Fertilizers which contain nitrogen should not be planted directly with the seed. Top-dressing is generally considered the best nitrogen application method.

For specific recommendations on amounts and methods of application, producers are encouraged to take a soil sample and follow recommendations of the soil testing lab to maximize nutrient efficiency.

The most difficult part of an undertaking is getting started.

## Fifty-Three Attend G'waite Senior Citizens Meet

The Goldthwaite Senior Citizens met in the Youth Center on Wednesday for a day of fun and fellowship. Fifty-three members were present for the covered dish luncheon. We were happy to have Mr. and Mrs. Nance of Fort Stockton to visit for the day. Also, Mr. Colman Young and his co-worker, Miss Marie Ellis, from the Governor's Committee on Ageing, Belton, visited for several hours.

Several new members came for the first time and we hope they come often. This group meets each Wednesday afternoon, with a covered dish lunch on the 2nd Wednesday of each month. This is for all ages and everyone in Mills County who enjoy games, singing, or just visiting is welcome. See you on Wednesday at the Youth Center!

## Right to Spank

"The right of parents to chastise their children is so necessary to the government of families and to the good order of society that no moralist or lawyer has ever thought of interfering with its existence."

So said the Supreme Court of Tennessee a century ago. And it is still true today that parents have the basic legal right to spank their children.

But if the right itself is still recognized, the extent of the right has been steadily narrowed.

For example, it used to be said that parents could be as brutal as they pleased, so long as their motive was "for the child's own good." But no longer.

Thus, a father was found guilty of assault and battery for beating his 10-year-old daughter with a cane, hard enough to leave permanent scars. The court said it was no excuse that he was trying to teach the child good manners. One parent's harsh views about discipline, said the court, could not outweigh the humanitarian standards of the community.

Not only may an offending parent be punished by the criminal law, but in a growing number of states he may even have to pay damages to the child.

In one case a woman pummeled her small stepson so viciously that he suffered internal injuries. When a damage suit was filed on the boy's behalf (by a guardian), she said it would be "bad for family harmony" to allow lawsuits within the family circle.

But the court held her liable anyhow.

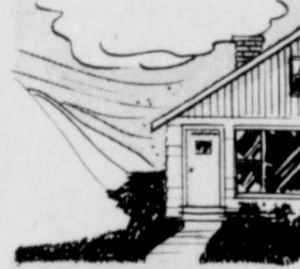

"While it may seem repugnant," said the court, "to allow a (child) to sue his parent, we think it more repugnant to leave a child without redress for the damage he has suffered by reason of his parent's malicious misconduct."

"A child, like every other individual, has a right to freedom from such injury."

## Invisible Fence

Barbed-wire fences may be harder to climb, and wooden fences harder to see through. But for sheer versatility, nothing beats the invisible fence erected around every piece of property by the laws of trespass and nuisance. Consider an example:

The Benson family lived next door to a vacant lot on which the owner kept a large pile of sand. Whenever the wind blew from that direction, sand would seep through the doors and windows of the Benson house.

Finally Benson sued the neighbor on grounds of nuisance. In court, the neighbor argued that he could not be blamed for what the wind did. But the court held it was unlawful a breach of the invisible fence for him to allow his sand to invade the Benson premises.

Other courts have taken a similar attitude toward leaves dropped from an overhanging tree, vines spreading into a lawn, eaves jutting over a boundary line (by a matter of inches), and sound waves from a neighbor's howling dog.

And, of course, the invisible fence also bars anyone from walking across your property without permission.

How high does the fence extend? Courts used to say it extended all the way up to heaven—a theory that, if enforced literally, would make every airplane flying overhead a trespasser.

Nowadays, your invisible fence extends only to a "reasonable" height. But still, your protection goes higher than the average housetop.

In one case a telephone company strung a wire 30 feet above a man's back yard, contending it was using only the "free and open" air. However, a court ordered the wire removed, since space that close to the ground might well be used someday by the owner himself.

"The space occupied by the wire," said the court, "was a part of his land. The law protects it from hostile occupation."

## Jr. 'A' Flys By Bulldogs, Jr. 'B' & Eagle B Downed

Last Thursday night on Eagle Field Goldthwaite's Junior High A and B squad and the Eagle B team played Hamilton on Eagle Field.

Goldthwaite's Junior High B team was defeated by the Bulldogs 14-0. "Our squad experienced a lot of problems in the game Thursday. They are young and new at the sport and need playing experience," commented Coach Danny Spradley.

The Eagle Junior High A squad flew past the Hamilton Bulldogs 34-0. This is their second win of the season.

From fifty yards out in the first quarter of play Jett Johnson made six points for the Eagles. Try for extra point was no good.

Steven Coronado made a sixty-five yard run in the second period for an additional six pointer, but extra point try was still no good.

Ricky Minica contributed a fifteen yard TD in the third quarter, with Jett Johnson making the extra points on a quarterback keeper.

The third period of play was filled with action. Johnson ran from three yards out for another Eagle score, but extra point play was good.

Coronado made an eighty-yard run on a pitch-out for the final Eagle score of the game. Extra point - no good.

The Eagles racked up a total of 327 yds. rushing and 15 yards for passing. One pass (Johnson to Mark Lewis) was completed out of seven attempts. Seventeen first downs were made by the locals. Two penalties for 20 yards were received by the Bulldogs.

Johnson carried the ball 13 times for 107 yards, an average of 8.2 yards per carry; Coronado 7 times for 167 yards, averaging 25.2 yards per carry; Minica 7 times for 33 yards, 4.7 per carry; Jesse Flores 5 for 17 yards, 3.4 yards per carry; Mike McMullen 2 for 10 yards, 5 yards per carry.

Eagle team members making tackles throughout the game were Sammy Padilla, 7; Jimmy Mullings, 7; Standley Odom, 6; Coronado, 6; Dean Humphries, 6; Minica, 6; Jim Smith, 5; Johnny

Duncan, 5; David Livingston, 5; Mark Lewis, 4; Johnson, 4; Carson Padgett, 4; Flores, 4; and Mike Connally, 2.

It was a team effort on the part of the Eagles. Their ball carrying was great, and the hitting was very good. All in all, it was a fantastic game, according to Coach Danny Spradley.

B TEAM

Goldthwaite's B Squad put one TD on the scoreboard in the game

against Hamilton Thursday night. They were defeated by the Bulldogs 28-8. The touchdown play was set up by Arturo Siller. Mike Lee drove the ball over the goal line for the six points and then threw the pigskin to Tommy Collier for the extra points.

"Quite a few improvements were seen in the Eagle Squad Thursday night. We were hurt defensively by the loss of Greg Geeslin; he is out with a foot injury and the defensive unit

has been weakened due to his absence," commented Coach Perry Farley. "The Hamilton team was much stronger than what we had anticipated, but the Eagles did not give the 28-8 victory to them."

This Thursday night the High team and the B Eagles have an open date.

## Law Enforcement Conference Scheduled Sept. 23 In San Angelo

SAC Gordon Shanklin announced today that the Dallas Division will host a law enforcement conference on September 23, 1974, at the Fire Department Training Center, San Angelo, Texas, concerning kidnaping and hostage situations. This conference is part of a nationwide series of conferences being hosted by the FBI for supervisory and command level representatives from the entire law enforcement community to discuss with the FBI preventive and investigative techniques.

This year's topic was selected by FBI Director Clarence M. Kelley as the result of the great successes achieved through seminars regarding kidnaping and hostage situations held at the FBI Academy, Quantico, Virginia, in the past. These seminars, attended by high-ranking police officials from throughout the Nation responsible for decision making in these situations, will continue to be held at the FBI Academy.

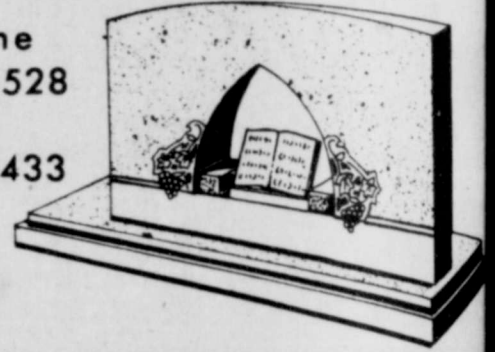

SAC Shanklin advised that the FBI has conducted annual specialized conferences for local law enforcement on a nationwide basis for over twenty-five years. These forums have been utilized to discuss matters of mutual interest and this year's topic is one of paramount importance. He stated that last year's topic for the FBI's annual law enforcement conference was "Extrem-

ists and Terrorism." A total of 284 conferences were held on this subject attended by nearly 25,000 persons representing over 6700 agencies. Those in attendance were law enforcement personnel, prosecutors and members of the judiciary.
