

Including Tax Relief —

Nine Amendments On November 7th Ballot

When Mills County residents join with their counterparts from all over Texas to select a new governor and other elected officials on November 7, they will also be making their choices known on nine constitutional amendments — one of which deals with tax relief.

THE 1977 SESSION of the Texas Legislature approved the submission of 15 constitutional amendments to the voters and seven of those were voted upon last November with five being approved by the electorate. The other eight of that original 15 are on this year's ballot along with another proposition dealing with tax relief which was approved for submission to the voters by the Second Called Session of the 65th Texas Legislature.

Along with the tax relief proposal, Texans also will be voting on exempting certain products manufactured by handicapped persons from requirements that purchas-

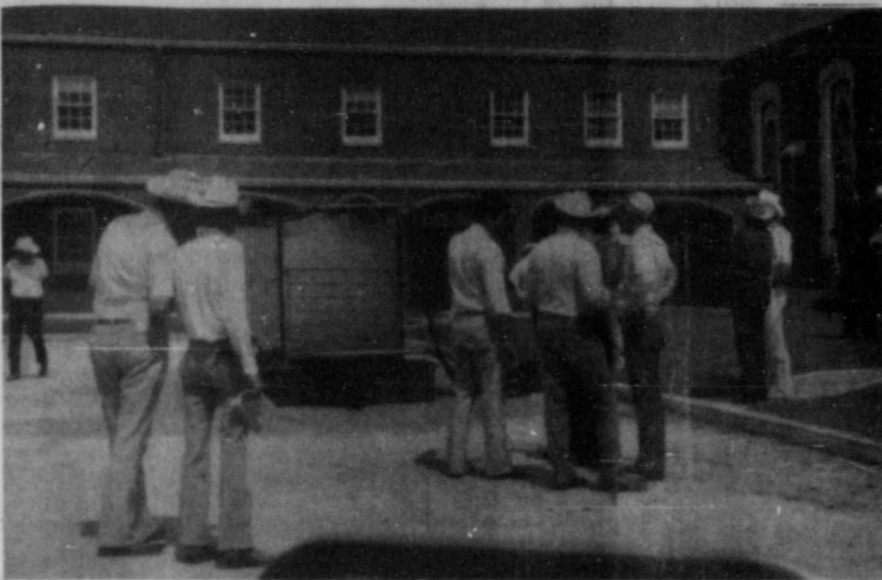

ing by state agencies be done by competitive bidding; a provision that the legislature may permit political subdivisions to issue revenue bonds to develop employment opportunities, and a provision to grant the legislature power to authorize cities and towns to issue increment bonds to finance redevelopment of a blighted area.

ALSO ON THE ballot will be constitutional amendments to authorize the legislature to exempt from taxation solar or wind-powered energy devices; a provision to expand jurisdiction of justices of the peace in civil cases; a provision to authorize the legislature to increase the number of associate justices on a court of civil appeals and permit a court of civil appeals to sit in sections.

The final two amendments facing voters include one for abolishing the constitutional authority for the State Building Commission and the State Building Fund, and to authorize water districts to engage in fire-fighting activities and to issue bonds and lend their credit for fire-fighting purposes.

The nine amendments to be voted upon bring the number of proposed amendments to 367 which have been submitted for voter approval since the Texas

Constitution was adopted in 1876, and 226 have been approved by the state's electorate.

Angora Seminar

Part of the contingent of area mohair ranchers were snapped Tuesday morning viewing a sprayer demonstration. The meeting was held at the First Baptist Church Youth

Center in Goldthwaite. Production management and predator control were the main topics discussed at the meeting. The session was part of a five-part symposium

on Angora goat production, and was sponsored by the Texas Agricultural Extension Service and the Mohair Council of America. (EaglePhoto)

Friday night, Hico racked up over 300 yards of rushing in the contest. The Eagles host the Hamilton Bulldogs this

Friday night at 8 o'clock for the home opener for the Fighting Eagles. (Laughlin Studio Photo)

Hamilton Here Friday — Eagles Shut-Out By Hico, 33-0

The Goldthwaite Eagles 1978 debut came up short last Friday night, as the local eleven fell to a strong Hico team 33-0.

Coach Joe Winchell's Eagles couldn't budge the stalwart Hico Tiger defensive line, and managed only a few scattered plays of any magnitude. The passing of the quarterback Jett Johnson was also unsuccessful, due to fine coverage by the Tiger secondary.

The Eagles moved down the field in the second quarter on two different occasions, but interceptions by Hico thwarted the drives, and gave the Tigers the losses they needed for the zeroes. The Hico team led 1-0 at intermission. Late in the game the Eagles drove the ball down the Hico 25 yard line, aided

by fine gains by fullback David Livingston and one pass completion from Johnson to Ted Tucker. However, with first and ten from that point the Eagles fumbled and the Tigers recovered to put a damper on the Eagle's deepest penetration of the evening.

Defensive tackle Kenny Saathoff, and linebackers Carson Padgett and Livingston led the battle in the trenches in the number of tackles department.

GAME AT A GLANCE	
Eagles	Hico
8 First Downs	22
93 Rushing Yardage	312
19 Passing Yardage	27

4-29 Penalties	7-95

HAMILTON HERE FRIDAY NIGHT

The Goldthwaite Eagles annual battle with Hamilton's Bulldogs is set for Eagle Field this Friday night at 8 o'clock.

Hamilton was defeated by a strong Glen Rose team last week in their season opener. Hamilton was lowered from AA ranks into Class A by the Inter-scholastic League this year.

BAND, TWIRLERS AND DRILL TEAM EXCEL

The halftime activities of the Goldthwaite-Hico game last Friday were highlighted by a fine year-opening performance by the Eagles marching band, the precision drill team and the Eagle twirlers.

"No Man's Land" 2nd Printing Almost Ready

Persons who have sent in orders for the reprint of "A No Man's Land Becomes a County" will be pleased to note that the book will go to the bindery for final preparation in the next couple of weeks.

The second printing will be as close to the original as possible, using modern methods of reproduction and binding. The original manuscript was not changed in any way and all illustrations and pictures are intact.

Members of the Historical Commission of Mills County are sponsoring the reprinting, and are in charge of the sale. Proceeds will benefit the Commission's museum expenses.

Approximately 600 copies of the book will be available to those who have entered their orders. Mrs. Hartal Blackwell has been in charge of the book selling project for the Historical Commission.

Purchase price of the books will be made available to the persons who have ordered the books, at the time they will be received, and persons will be notified as to the time and place where the books can be picked up.

Football Contest!

Area football fans are reminded to enter the weekly Goldthwaite Eagle football contest. The form on page 6 of today's Eagle may be used, or entries may be made on a plain piece of paper. Interest in the contest seems to be high, as a large number of entries were received in the opening week of competition. Wanda Allen of

Goldthwaite was the recipient of the \$25 prize for the Hico game. She picked the final outcome as 28-6, and was closest to the 33-0 actual tally.

Local fans are urged to read the entry instructions on Page 6 and have their entry into the Eagle Office no later than 5:00 p.m. Friday afternoon.

Water Approval Sought By City

From Dept. of Health

The Goldthwaite City Council met in regular session last Thursday night, and is nearing completion of a long-time goal of receiving Texas Department of Health official approval of the city's water system and supply.

City Manager Dale Allen reported that only two obstacles are in the way at the present time stopping the approval.

The first is the fact that non-chlorinated water is being sold to Landrum Ford and the Dairy Queen just north of town along the water line from the city's two wells. The businesses take the water directly off the line before it reaches the chlorinator. The water will have to be chlorinated at the individual establishments by November 1, according to the council, or the firms will have to seek water elsewhere.

The second holdback in receiving the permit is the in-line booster pump serving four customers in Chaparral Estates Addition, in the eastern part of the city. A booster pump station, maintained by James Boykin is installed to the city water line to improve the pressure in the line at the top of the hill. The state requirements state that a minimum of 20 pounds per square inch must be maintained at the entrance of a pump such as the one in this case. An automatic cutoff has to be installed at the point of the entrance of the water into the pump. The pressure at the pump entrance is presently not at the 20 pound level.

City Manager Allen stated several alternatives to the situation. The pump may be moved to a lower location in order to reach the minimum pressure at the beginning. This would involve installation of new electric lines to the spot. Since the city already serves the customers on the opposite end of the pump station the water supply must be maintained, under state law.

Mayor J. D. Harper suggested that the council confer with Boykin at the October session on the matter and discuss the alternatives. The council approved this suggestion.

After these two items are dealt with, the City would be eligible for a permit from the State.

1% SALES TAX RETAINED

The council voted unanimously to retain the 1% city share of the sales tax on utilities (electricity and gas). The other 4% has been dropped following action by the State Legislature. The money derived from this 1% tax amounts to approximately \$3000 annually that is returned to the city.

Mrs. Iris Rudiseal of Brownwood, City Auditor, outlined the audit of the city's departments that her office just completed. She commented that she found no discrepancies in the reporting of the funds, and that all accounts balance with cash figures. The audit,

prepared every two years, covers the full spectrum of city financial matters. Each department was reviewed briefly and following some discussion, the council adopted the audit with unanimous vote.

The council approved the tax roll for 1978 as submitted to the Board of Equalization. Total real and personal property on the tax roll was set at \$19,860,348. This figure, when coupled with the 20 cents per \$100 tax rate, results in the city anticipating \$39,720.86 in taxes. The city usually collects 95-97% of the taxes annually.

The Mills County Fresh Water Supply District No. 1 taxes added to the city amount, make the total \$53,609.11 that city and water district residents will pay in taxes this year.

City and water district taxes are figured on the basis of 100% of fair market value, as established by the Board of Equalization.

In other tax matters, the council set a figure of \$2400 as the fee for collecting the water district taxes.

NEW ADDITION

Mr. and Mrs. Parker Shaw were in attendance to present their plat of a new addition to the city, Pecan Ridge Estates. It is located in the southwest part of the city. Seven lots were presented in the first stage of the addition, with several more to be presented at another time, pending sewer line changes.

The council unanimously approved the addition into the city, and also okayed the construction of street and a water line to serve the addition.

Mills County Commission Co., owner June Clifton, was also in attendance at the meeting. His firm leases 12 acres of land adjacent to Highway 16 from the city which houses the local auction facility. His ten year lease was unanimously approved at an annual lease of \$540.

Clifton stated that he planned extensive improvements to the property and would like to have a broader agreement with the city, encompassing a longer term or purchase.

Mayor Harper concluded that the city attorney will be contacted concerning the implementation of a better agreement to the satisfaction of Mr. Clifton and the council. The mayor added that the commission is a fine asset to Mills County and the city, and that he wanted to see all parties involved treated well.

LANDFILL FACES BURNING PROBLEMS

The city landfill, located out Farm to Market Road 574, was denied a permit to burn garbage by the state. The close proximity of residences (two within one mile) was the primary reason for the denial. The city will apply for a

temporary permit if certain guidelines can be met. If the residences involved have no objection, and if necessity can be shown, the city may be able to burn, on a controlled basis, at the landfill site.

If burning is not done at the landfill, a covering of dirt will have to be placed over the garbage every week, and the odors and flies could be a problem.

In other council matters, the second reading of a rate request by Cable Vision was tabled. Representatives from the company will be asked to attend the next meeting to discuss problems with the system.

CITY MANAGER'S REPORT

City Manager Allen gave his monthly report to the city council. He reported: •Wholesale power customers of LCRA are organizing to better handle any unnecessary rate increases of electricity. The city will join this group.

•Charges of criminal mischief were filed against a former city employee last week. The man allegedly poured sand into the crankcase of one of the city dump trucks. The damages could reach \$1400 and probably will be paid by insurance on a vandalism claim.

•The other city dump truck, an older model, suffered minor damages when it rolled over onto its side following the breaking of a wheel. City employee Victor Jalufka was driving the truck, and suffered no injuries. The truck will be repaired and put back into service.

•The Step 3 part of the city sewer project should begin in October. Phase 3 is the design and specification portion of the project. The funds for the project will come from a federal grant and local bonds voted several years ago. Actual construction on the main line extension, line repairs, and treatment plant is expected to begin later in the year.

•A parking lot at the senior citizens building has been paved.

•The city handled 71 connects, 61 work tickets for the month and completed the paving of 61 blocks of streets for the summer. Nearly all of the paving was seal-coating of existing pavement.

•A street, located adjacent to the Eagle track, will be opened soon, as per the request of Charley McLean owner of the addition in that area.

Aldermen Charles Conradt, Tom Cody Graves, Charles Childress, Frank Bridges, and Allen Moreland were present at the meeting. Also Mayor Harper, city employee James Knight, and city secretary Mildred Taylor were in attendance. Other guest at the meeting, other than those already listed, was Lester Geeslin.

Mills County Extension Highlights

The Texas Agricultural Extension Service is cooperating with the Internal Revenue Service in offering 31 Tax Practitioner Workshops across the state reports Danny W. Long, County Extension Agent.

The nearest workshop to our area will be held in Stephenville on the 18th and 19th of December, 1978.

These two day workshops are specifically designed for tax practitioners who work extensively with farmers and

ranchers. Topics to be covered include Schedule C & F, Employment and Social Security Taxes, IRA and Keough Plans are among other topics.

This year three advanced programs will be offered in Houston and San Antonio stressing tax preparation for small businesses also.

For additional information, please contact our office for a brochure explaining more about the program and registration information.

Calendar for the Week:
Sept. 15, Meal at 11:45
Sept. 18, Social Security Representative at Center; Ceramics Class, 10:00 a.m., at Center.

Sept. 19, Veterans Admn. Officer at Center; 9:30 Band leaves for Brownwood; 10:30 Exercise class; 11:45 Meal; 1:00 p.m., Bingo.

Sept. 20, 42 Play-Off, Goldthwaite Center, Games
Sept. 21, Priddy Center, Lunch, Games; 10:30 Exer-

cise at G'waite Center; 11:45 Meal.

Menu for the Week:
Friday, Sept. 15
Swiss Steak
Pinto Beans - Turnip Greens
Cornbread - Gingerbread

Tuesday, Sept. 19
Meat Balls & Tomato Sauce
Spaghetti
Spinach - Cornbread
Cream Pudding

Thursday, Sept. 21
Pork Cutlets
Buttered Squash
Potatoes au gratin
Glazed Carrots
Roll - Frozen Mixed Fruit

The menu is subject to change without notice. Don't forget to come join the Exercise group each Tuesday, Thursday and Friday at 10:30.

Friday, September 15, at

2:00 p.m., there will be a party honoring Gerry Whitlock, who has left the Center to return to school. We will miss you Gerry, but hope for you the best in the future.

September 19th the Klitter Klatter Kombo plays at Cross Country Care Center and Brownwood Care Center. They will have lunch at the Senior Center in Camp Bowie.

All 42 players are reminded to be sure and sign up for the 42 Tournament to be held September 21st.

Make reservations for a good meal with us and enjoy your favorite game before an after lunch.

Furniture Refinishing Workshop Set Next Week

A county-wide furniture refinishing workshop will be held during the week of September 18-21 at the courthouse in Goldthwaite. Participants will have a choice of attending in the mornings from 9 - 11:30 a.m. OR in the evenings from 6:30 - 9:00 p.m. Those who are interested should make reservations by September 14 by calling the Extension Office, 648-2650, during office hours from 8-5. Equipment needed will be:

paint and varnish remover, putty knife, paint brush, twine, old tooth brush, steel wool 2/0 and 4/0, old clothes, newspapers, rubber gloves, 240A or 280A silicon carbide finishing paper, denatured alcohol, stain (if desired), sealer such as a liquid plastic, and a piece of furniture.

Some of the equipment such as the finishing paper, stain and sealer, will not be necessary for the first meeting. Participants may want to share some of the materials suggested.

Participants may use the afternoons as a work session. The workshop will be held on third floor and time is limited so small pieces of furniture are suggested.

All persons are invited to participate regardless of race, color, sex, religion or national origin.

This activity is planned and sponsored by the Mills County Family Living Committee and Texas Agricultural Extension Service.

Mr. & Mrs. Gardinier nee Carol Conner

Carol Conner, Kevin Gardinier United In Marriage August 26

Carol Jean Conner became the bride of Kevin Donald Gardinier, August 26, 1978, at 3:00 p.m. in the Belmont Baptist Church, Pueblo, Colorado.

Parents of the couple are Mr. and Mrs. Neal Conner,

1521 Alexander Circle, Pueblo, Colo., and Mr. and Mrs. Max Gardinier, 1005 Ossa St., Chula Vista, California. Grandparents of the bride are Mr. and Mrs. W. L. Conner and George Brown, all of Goldthwaite.

The Rev. Ralph Moyer officiated for the ceremony. The bride was given in marriage by her father.

The bride had the traditional something old (a handkerchief belonging to her great grandmother), something new, something borrowed (a gold wedding band used in the marriage of both her mother and grandmother), a blue garter, and a penny in her shoe.

Denise Conner was her sister's maid of honor. Wes Conner, brother of the bride, attended the groom as best man.

The bride is a 1978 graduate of East High School, Pueblo, CO. The groom is now in the U. S. Navy, stationed in San Diego, CA., where the couple will make their home.

Mills County United Fund Drive Discussed At Lions Club Meeting

The Goldthwaite Lions Club met for its regular meeting at the Goldthwaite High School Cafeteria last Tuesday night.

Regular program for the evening was introduced by Gene Auldridge, who presented Tom Cody Graves and Del Barnett. They presented a discussion program on the Mills County United Fund drive and the program in general.

Graves presented the two reasons for having a single fund drive for the county. First, he said, the number of drives held here was getting out of hand. Second, the accountability of the money

collected was posing another problem. The United Fund Board of Directors follow up the collections and tries to get as much as possible used directly in Mills County.

The 1977 Fund Drive netted over \$10,000 for the different organizations represented. The county rated high in the per capita giving category.

The 1978 drive is scheduled for the first couple of weeks in October, Graves said.

Lions President Troy Berry reminded the club that the next regular meeting, September 19, would be Teacher Appreciation Night. The teachers of Goldthwaite schools, and their spouses, would be guests at the meeting and are sincerely urged to attend. It will also be a regularly scheduled

Ladies Night, as all Lions wives are expected to attend with their husbands.

State Representative Stan Schlueter of Salado will be the guest speaker for the event.

In other Lions Club matters, President Berry presented the calendar of events for the coming year of the club. It was unanimously approved by the members present.

Berry reminded the members present that October is membership month and that Lion Ray Duren is membership Chairman. All members are asked to help in an effort to increase membership and also increase attendance at the twice monthly meetings.

The Lions Club meets the first and third Tuesday of each month at the High School Cafeteria at 7:00 p.m. The Board of Directors meets at 6:30 p.m. prior to the first meeting each month.

PUBLIC NOTICE SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOV. 7, 1978

"The Tax Relief Amendment" (H.J.R. 1)

H.J.R. 1 proposes an amendment to the Texas Constitution allowing the legislature to exempt intangible personal property, requiring the legislature to exempt certain household goods and personal effects, and allowing the legislature to exempt all or part of the personal property homestead from state and local property taxation.

The amendment requires the legislature to provide for the taxation of farm and ranch land on the basis of its productive capacity instead of its market value and allows the legislature to provide for the taxation of timber land on its productive capacity.

The amendment permits local governments to extend the present exemption of not less than \$3,000 of the residence homestead of persons 65 and older to include certain disabled persons.

The amendment grants an exemption from public school property taxes of \$5,000 of the residence homestead. It authorizes the legislature to grant an additional exemption from public school property taxes of an amount not to exceed \$10,000 of the market value of the residence homesteads of persons 65 years of age or older and certain disabled persons. If a person 65 years of age or older qualifies for this exemption, the total amount of public school taxes imposed on that person's homestead may not be increased.

The amendment prevents local governments from increasing property taxes unless the governing body provides public notice and conducts a public hearing. The amendment requires the legislature to provide by law for each property owner to receive notice of the revaluation of his property and the amount taxes will be increased.

The amendment limits appropriations from state tax revenue to an amount not to exceed Texas' estimated economic growth rate, with the legislature authorized to make exceptions for emergencies.

The amendment prohibits the statewide appraisal of real property for property tax purposes. Enforcement of uniform standards and procedures for appraisal of property for property tax purposes is required to originate in the taxing

authority where the property tax is imposed. The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment providing for tax relief for residential homesteads, elderly persons, disabled persons, and agricultural land; for personal property exemptions; for truth in taxation procedures, including citizen involvement; for a redefinition of the tax base; for limitations on state spending; and for property tax administration."

NUMBER ONE (S.J.R. 50)

S.J.R. 50 proposes an amendment to the Texas Constitution to delete an archaic reference to the "Deaf and Dumb Asylum." The amendment would allow the State of Texas to purchase products and services done by handicapped individuals in nonprofit rehabilitation facilities without complying with bid requirements applicable to other state contracts. The amendment also would eliminate the formality of the approval of certain state contracts by the Governor, the Secretary of State and the Comptroller of Public Accounts.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment deleting the archaic reference to the 'Deaf and Dumb Asylum,' allowing certain products and services of handicapped individuals to be used by agencies and departments of state government, requiring the procurement of other products and services required in the operation of state government to be made under bids awarded to the lowest responsible bidder, making all such procurement processes subject to laws enacted by the legislature, and eliminating the requirement that the Governor, the Secretary of State, and the Comptroller of Public Accounts of Texas be personally involved with such transactions."

NUMBER TWO (S.J.R. 55)

S.J.R. 55 proposes an amendment to the Texas Constitution to permit local governments to issue bonds for the reconstruction or acquisition of facilities (land, equipment and improvements) designed to develop employment opportunities. These

CORRECTION-

The bridal shower invitations sent out last week were incorrectly submitted to the Eagle Office for printing. They should have read 'Patti Patrick Harris' as honoree.

bonds would be payable solely from the revenue from the sale or lease of these facilities. The building or acquisition of such facilities must be determined by the local government to be necessary to develop employment opportunities.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide that the legislature may permit political subdivisions to issue revenue bonds to develop employment opportunities for its citizens."

NUMBER THREE (S.J.R. 44)

S.J.R. 44 proposes an amendment to the Texas Constitution which would allow the legislature to authorize cities and towns to issue tax increment bonds to finance the redevelopment of blighted areas. The bonds are to be paid solely from revenue from municipal tax increments. Payment cannot be made from the revenue of municipal taxes, utilities, or other services.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to give the legislature the power to authorize cities and towns to issue bonds to finance the redevelopment of blighted areas and prohibiting any city or town from granting its money or lending its credit for such purposes."

NUMBER FOUR (S.J.R. 53)

S.J.R. 53 proposes an amendment to the Texas Constitution to allow the legislature to exempt from taxation solar or wind-powered energy devices.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the legislature to exempt from taxation solar and wind-powered energy devices."

NUMBER FIVE (H.J.R. 37)

H.J.R. 37 proposes an amendment to the Texas Constitution to grant exclusive jurisdiction to justices of the peace in civil cases where the amount in controversy does not exceed \$200, except where the legislature gives exclusive jurisdiction to another court.

The amendment grants justices of the peace concurrent jurisdiction with county courts where the amount in controversy is between \$200 and \$500, except where the legislature gives the county court exclusive jurisdiction.

The amendment also grants justices of the peace concurrent jurisdiction

with both county and district courts where the amount in controversy is between \$500 and \$1,000, except where the legislature gives the county or district court exclusive jurisdiction.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to extend the jurisdiction of justices of the peace in civil cases."

NUMBER SIX (S.J.R. 45)

S.J.R. 45 proposes an amendment to the Texas Constitution to allow the legislature to expand the number of judges on any court of civil appeals. Presently courts of civil appeals are limited to a chief justice and two associate justices. The amendment also would allow the courts to sit in sections, with the concurrence of a majority of the judges sitting in the section necessary to decide a case.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment permitting the legislature to increase the number of justices on a court of civil appeals, permitting a court of civil appeals to sit in sections, and requiring a concurrence of a majority of justices to decide a case."

NUMBER SEVEN (S.J.R. 48)

S.J.R. 48 proposes an amendment to the Texas Constitution eliminating the State Building Commission and the State Building Fund. The authority of the State Building Commission has been transferred by law to the State Board of Control.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to repeal the constitutional authority for the State Building Commission and the State Building Fund."

NUMBER EIGHT (H.J.R. 42)

H.J.R. 42 proposes an amendment to the Texas Constitution allowing certain political subdivisions or districts in the state that can presently issue bonds or otherwise lend its credit to engage in fire-fighting activities and to issue bonds or otherwise lend its credit to support such activities.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendments authorizing certain districts to engage in fire-fighting activities and to issue bonds or other indebtedness or to issue bonds or otherwise lend their credit for fire-fighting purposes."

Hillview Highlights

We enjoyed having Dr. Koli come to visit and we welcome him to our community.

Reading provides many moments of pleasure at Hillview, so we especially appreciate having the large print 'Upper Room' daily devotional books provided by Belle Collier and Minnie Graves. And also the large print 'Reader's Digests' brought by Emma Whitlock.

It is to Mills County State Bank that we owe our thanks for the daily newspapers. And, of course, when our own eyes get tired we have those wonderful people who read aloud - Velma Summy, Yvonne Bruce, and Robbie Robertson.

We are told there will be a Tacky Party this Friday night. Now this sounds like fun, and we are busy searching our wardrobes for just the WRONG dress. If you think you can look any tackier than we can, come on up and prove it.

ASCS NEWS

Mills County farmers and ranchers who are interested in agricultural loans at 3% interest to help alleviate effects of the drought are reminded that applications must be filed by October 11, 1978, for losses which occurred in 1977.

Applications are available at the Taylor County Judge's Office, 300 Oak St., Abilene, or Dallas County Judge's Office, 1100 Commerce St., Dallas, Texas.

HIGH SCHOOL ELECTS OFFICERS

This week the Star High School classes chose officers and the classes were appointed sponsors.

The Seniors chose Ray Owens, President; Cindy Channell, Secretary; and Michelle Whitlock, Treasurer. The Senior class sponsors are Mrs. Satterfield and Leonard Bufe.

The Junior Class chose Lyle Whitlock, President; Glen Rhoades, Vice President; Ramona Tidwell, Secretary; and James Griffin, Treasurer. Their class sponsors are Mrs. Harper and Mrs. Gault.

The Sophomores chose Kelly Whitlock, President; Bruce Boyd, Vice President; and Dixie Clary, Secretary. The sophomore sponsors are Mrs. Spense and Mrs. McCasland.

The Freshman sponsors are Mr. Ethridge and Mrs. Wachell.

FB SEASON OFFICIALLY OPENED

On Friday evening the Star Tigers, Cheerleaders, Pep Squad and fans traveled to Buckhols for the season opener. Leading the cheers were the Tigers this year will be Ramona Tidwell, Martha Hamilton, and Natalie Whitlock. The Cheerleaders were very attractive in their pep rally uniforms as their gear suits have not arrived. This year's pep squad looks pretty sharp in red cowl neck sweaters and black slacks. Those in the pep squad this year are Kelly Whitlock, Dixie Clary, Joyce Miles, Judith Stark, Paula Lee, Cindy Channell, Glenda Rhoades, Sharon Hurst and Kelly McMullin. The pep squad sponsor is Donna Jones.

STAR TIGERS BIG IN SPIRIT

The Star Tigers are out in number this year. They aren't large in size but they have lots of spirit and determination. This year's squad consists of the following:

Seniors - Lee Owens, Dana Burton, and Chuck Boyd; Sophomores - James Griffin, Luke Whitlock, Phillip Hartley, and Glen Rhoades; Sophomores - Bruce Boyd and Albert Maldonado; Freshman - Alfred Maldonado, Jamie Tidwell, Charles Hartley, Jeff, Gene & Carl Greenwood, Darryl Newton, and Jones and Chris Miles. Coaching the Tigers this year are Coach Grant Tidwell and Coach Leonard Bufe.

STAR vs BUCKHOLTZ

The Tigers played a good game against Buckholtz and some things very well but they also fumbled a number of times. Lee Owens, Phillip Hartley and Jamie Tidwell earned the ball for Star and earned yardage for the Tigers. Glen Rhoades, Dana Burton and Phillip Hartley were down on the field as the result of some hard hits on the part which stopped the Tigers in their tracks. One interception was made during the game by Luke Whitlock. Luke made the game points after each successful touchdown. Hart made two TDs and one

was made by Jamie Tidwell. It was an exciting game and if you missed it you should plan to be present for the next game, here, Friday night, against Jonesboro.

CAR ACCIDENT NO INJURIES

On the way home after the game, the Whitlock's car had a mechanical failure which caused a good bit of damage to the car and the roadside. Fortunately neither Kelly nor Gerry were injured. The mishap took place just south of The Groves on Highway 36.

The rain this week was a welcome sight. My gauge had a total of 1 1/4 inches for the week. It's nice to see some green in the fields again.

Regency News

by Mrs. Alton Jones

(Too late for last week) Mr. and Mrs. G. W. Newsom, Mrs. Ada Stewart, Mrs. Oma Hamrick, and Mrs. Bill Stewart, all of San Angelo, came for the funeral of our uncle George Churchwell. On their way home they had a car wreck that put Mr. and Mrs. Newsom and Mrs. Stewart in the hospital. Up to now they are not doing very well.

Mr. and Mrs. Larry Nelms and daughter of Palestine spent the weekend with Jerry and Jeanette Cooper. On Thursday night the Coopers had a fine boy, so Granny is staying with them caring for the new baby. I never say such a happy couple. This is their first child and he is a cutie.

Clayton and Randy Phillips of Ft. Worth spent the weekend with us.

Alva Newsom, Ada Stewart, Oma Hamrick, Bill Stewart, Kay and I visited our Uncle Jack Whitley and Bonnie at Spring Creek Tuesday morning.

All of the neighbors met at our house Monday afternoon for a hamburger and ice cream supper. The celebration was also a shower for the Coopers new baby, a birthday party for Kay. Jerry and Jeanette got to meet all the people here in this little community, which they were proud to do, and Kay got nice birthday presents, and all enjoyed the burgers and ice cream.

Mr. and Mrs. Marshall Hodges of Palestine came Friday. He brought a bunch of men to hunt dove. Mrs. Hodges came to be with her daughter, Jeanette, and tend to the new baby.

Mrs. Larry Nelms and daughter Leslie, Mrs. Dennis McCarty and Mrs. Harris Lohnmeyer, all of Palestine, visited Monday and Tuesday with Jerry and Jeannette Cooper.

Eska Bell, Lizzie Roberts and Violet Williams visited us Tuesday morning.

<h3>Contest Rules</h3> <p>CONTEST RULES: On a separate sheet of paper or the Entry Form (lower right corner) write the score of the Goldthwaite Eagle game. Then write the score you think it will be at half-time. It must be written in this order; final score and half-time score. If you are the only one to select the correct final score, you win. If several pick the right score, the half-time score will be used to break the tie. If no one picks the final or half-time score correctly, the person missing the final score by the fewest points wins. You must pick the winner. Print name and address plainly. Your entry must be in the Eagle Office no later than 5:00 p.m. on Friday of the game. Later entries not eligible. Contest winners will be announced each Thursday in the Eagle. The newspaper employees and their families are not eligible. Only one entry per person per week is allowed.</p>

5 Years Ago

Taken from the Eagle files
 of September 12, 1973.

James Steen of Marfa,
 grandson of Mr. and Mrs.
 Bob Steen of Goldthwaite,
 recently racked up second
 place in the National Show-
 manship Contest at the
 recent All-American Junior
 Hereford Field Day at
 Wyoming Hereford Ranch in
 Cheyenne, Wyoming.

Priddy, Mullin, Star,
 Goldthwaite, and Lometa
 school districts are cooper-
 ating in a student enrichment
 program that is administered
 by the Educational Service
 Center, Region XII, in Waco
 and funded through Title I.
 This program is designed to
 meet the needs of the pupil
 who has moved with his
 family from school to school
 in order that his parents
 could find agriculturally
 related work. Marge Studer
 has been hired to fill the
 position of the migrant
 teacher.

15 Years Ago

Taken from the Eagle files
 of September 12, 1963

The Goldthwaite Eagles,
 playing their first football
 game of the season, got off to
 a good start Friday night by
 defeating the San Saba
 Armadillos for the first time
 in a number of years. The
 final score was 26-20.

 house this week after
 completing a remodeling job
 that has been in process for

25 Years Ago

Taken from the Eagle files
 of September 10, 1953.

Mr. and Mrs. Y. B.
 Johnson, Jr. are the proud
 parents of a son born
 Monday, September 7, at
 1:00 p. m. at San Saba
 Memorial Hospital. The
 young man has been named
 Johnny.

Goldthwaite Independent
 School District has entered
 into contract for the purchase
 of the L. J. Gartman property
 consisting of 75.5 acres, at
 the Northwest edge of the
 city. The next matter to come
 up for discussion by the
 school board is to select an
 architect for construction of
 the new building.

A/1c Walter M. Leonhard,
 son of Mr. and Mrs. H. J.
 Leonhard, has recently gradu-
 ated from the Air Force's
 Administrative School at F.
 E. Warren Air Force Base,
 Cheyenne, Wyoming, with
 the third highest average in
 the school.

30 Yrs. Ago [9-10-48]

Wednesday morning's Ft.
 Worth Star-Telegram carried
 a wire-photo of Grady
 Carothers and his son John,
 both of Goldthwaite, who
 have just arrived back in the
 States from Canada bringing
 two reindeer to be trained for
 department store displays.

**Griffin Family Reunion
 Held Labor Day Weekend**

The descendants of Rich-
 ard Emily and Ada Mae
 Atchison Griffin and those of
 Travis I. and Ethel Covington
 Griffin met at the lake
 cottage of Mr. and Mrs.
 Thurman Head, Lake Mer-
 ritt, Goldthwaite, for the
 Labor Day weekend. Some 62
 brothers, sisters, nieces,
 nephews, cousins, and
 friends enjoyed a delicious
 covered dish dinner with
 barbecue prepared by Thur-
 man and Sybil Head.
 During a business meet-
 ing, Buster Hall was elected
 president for the ensuing
 year and Mrs. C. D. Griffin
 will serve as secretary. The
 Labor Day weekend was
 chosen for next year's
 meeting at the same place.

Those in attendance were:
 From Goldthwaite - Mr. &
 Mrs. R. C. Miller; Mrs. Ora
 Mae Hanks; Mr. and Mrs.
 Thurman Head; Mr. and
 Mrs. Tommy Head, Karl &
 Melanie; Mr. & Mrs. Buster
 Hall; Owen Hall; William &
 Sarah Hall Ray Hall; Danita

 Mrs. James Hall & Mary
 Ann; Mr. & Mrs. Jerome
 Hall & Patrick; Mr. and Mrs.
 Dorman Hanks, Brent and
 Berva Dawn.
 From Joshua - Mr. & Mrs.

Heritage Happenings

Fall is once again making
 its appearance and somehow
 we are looking forward to it.
 It is a feeling of settling
 down, getting things back to
 normal. We hope to do some
 things we haven't done
 before in our crafts, perhaps
 some new programs, and
 maybe dress up some of the
 old ones.
 It really doesn't matter
 what season of the year it is,
 our volunteers are always
 here willing and ready to do
 their part. May I say, we
 have the best people in the
 world right here in Mills
 County. Without you, we
 here at the Heritage Home
 would be a group of sad
 people. We sincerely thank
 each one of you for the time
 you spend with us.
 The employees of the
 Heritage Home enjoyed an
 old fashioned Bar-B-Q supper
 and visitation, hosted by
 O'Donnell and Sue Newton

and A. K. Arnold. We thank
 you for a grand evening.
**WE ARE LOOKING FOR-
 WARD TO -** The Men's
 Downtown Bible Class Sing-
 ing this Thursday night, the
 14th, at 7:00 p.m.; Mr.
 Singleton's Birthday Party
 the 15th; the East Side

The Social Security representative from the Brownwood office will be in Goldthwaite, at the Senior Citizens Center, every Monday, at 10:00 a.m., except October 9th and December 25th.

If you cannot meet with the representative on the schedule above, you may wish to come to the Brownwood Office, open 9:00 a.m. to 4:30 p.m., Monday through Friday each week, except National Holidays. Phone number is (915) 646-7533, located at 300 N. Main Building, and there is plenty of parking space and no steps to climb.

Our agency administers Social Security, Medicare, and Supplemental Security Income Program for people with low income and limited resources.

Three Mills County Families Qualify For Heritage Program

The Mills County Historical Commission is pleased to announce that three families of Mills County have qualified for the Texas Family Land Heritage Program, sponsored by the Texas Department of Agriculture. Mrs. Jessie Hunt Duncan (Mrs. T.E. Duncan) of the Star-Center City community, Mrs. Amy Warren Duren (Mrs. Ernest Duren) of Goldthwaite, and Ralph Duren of Mullin have had letters of congratulations from Reagan V. Brown, Commissioner, and have been notified that they will receive Certificates of Honor to be awarded at special ceremonies this fall.

The 1978 Texas Family Land Heritage Program represents the fifth year of searching for those farms and ranches with continuous productive family histories dating back 100 years or more.

In founding our great agricultural heritage, the settlers who came to Texas a century or more ago had to endure the dangers and inconveniences of the frontier. Although today's farmers and ranchers no longer have to worry about Indian raids and marauders, economic stress has driven many families from the land and those who stay are finding it far more complex and often frustrating. The same pioneer spirit still remains and we can hope that future generations will have the same dedication. It is these families that the Family Land Heritage Program was designed to honor.

Mrs. Duncan's land came from an original Railroad Survey and was purchased in 1860 by Brazilla Payn, who came from Indiana. Mr. Payn was killed by the Indians in 1863. His daughter, Mary Jane Jenkins, bought out the

sisters and brothers. She was married to R. T. Jenkins, who established the first post office at Payne Gap. Mrs. Jenkin's daughter, Mary Evelyn Hunt, then bought the land from her sisters and brothers. Mrs. Hunt was the mother of Jessie Hunt Duncan, who bought the land from her sisters and a brother. Mrs. Duncan's children are Troy Duncan of Lometa, Texas; Mrs. Dorothy Elliot of Alabama; Doyle Duncan of Andrews, Texas;

and Mrs. Opal Prachyl, who is deceased.

Mrs. Duren's and Ralph Duren's land is composed of two portions of land from that which was purchased by Philip David Duren from the State of Texas and known as Hays County School Land. Mr. Duren had come to Williams Ranch in 1876 from Houston County and purchased the land in 1878. Taxes were paid in Comanche County and Brown County before they were paid in Mills County in 1887, and

the family had lived in three different counties without moving from the one location.

Mrs. Duren has that portion of the Phil Duren land acquired by Ernest, a son of Phil Duren. She has six children - Warren Duren of Goldthwaite; Catherine Arendell of Stephenville, Texas; Houston Duren of Goldthwaite; Francis Duren of Carlsbad, N. M.; Roddy Duren of Odessa, Texas; Estelle Pryor of Lake Charles, Louisiana; and two deceased sons, Melvin and Winnerfred. Ralph Duren of the Mullin community has a part of the land which R. C. Duren, also a son of Phil Duren, acquired from the Hays County school land. Mr. and Mrs. Ralph Duren have four children - Eugene Duren of Missouri; Brady Wayne, a missionary in South America; Nelma Tucker of Fort Hood; and Bobby Zane of the Mullin community.

Mrs. M. A. Campbell, Chairman of the Mills County Historical Commission, asks that those who are interested in the Family Land Heritage Program of 1979 please contact the Commission so that Mills County can have other farms or ranches listed in the Register in the future.

Mills County Farm Bureau Newsletter

The annual Mills County Farm Bureau membership barbecue held recently was well attended. The feature speaker was Mr. Pat Smith, Texas Farm Bureau Legislative Director of State Affairs at Austin, Texas, who gave an excellent report on the activities of the recent special session of the Texas legislature.

Smith reported that one accomplishment of this session was the increasing of Inheritance Tax Exemption from \$25,000 per relative to \$200,000 per estate until August 1982. From August 1982 to August 1985, the exemption will be \$250,000 and after August 1985 the exemption will be \$300,000 per estate.

Another very important action taken by the Legislature was the passage of HJR1, which deals with Taxing Agricultural Land/Property Tax Relief. This resolution will now appear on

the November 7, 1978 ballot as Proposition 1. Smith encourages every citizen of Central Texas to vote for this proposition and get everyone we know to vote Yes also. This may be the last chance we have to get tax relief for the rural areas of Texas. There will be a re-districting of the Legislative areas in Texas before another election, at which time more of the lawmakers will come from the cities.

Because of her, I am important; she needs me. She believes in me, and I am her comfort and security. When I am impatient and irritable with her, she readily forgives me. For she is innocent and knows no alternatives.

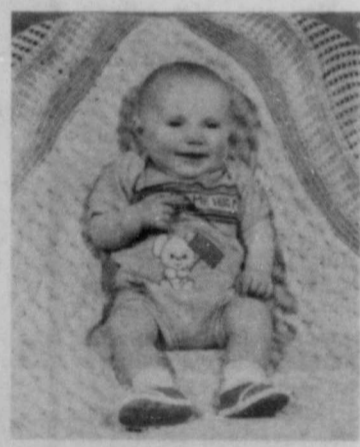

With her, I can be myself; she accepts me exactly as I am and loves me for what I am. For she is too young to know I could be any different --- or any better.

Babies exhibit a love that is pure and innocent and fine. These babies were born in 1977-78. They represent our future. What a bright future it will be if they can grow up never losing their wonderful, natural ability to love.

The Moline Menace

Bob Altenloh

The other night I watched a movie on TV. The story was about a young man who tried out for the Big Ball Team. He failed. One player named Gresham was lauded as a promising star. The protagonist on the other hand was told, "You're no good!"

He became so emotionally upset about it he decided to command attention to himself in some spirit of vengeance against both society and his peers. He kidnapped a girl whom he thought was Hero Gresham's wife. Learning in the hide-out that she was not the man's wife, he lowered his demands to fifty thousand. During the drop move he lost his keys preventing him from getting into a planted car containing the money. He lost more time being questioned by the law while trying to get into the car. He proved he had rented it. He went back to the van where he had the girl tied up with a dynamite bomb in a cabinet. He arrived too late, and saw the van blow up. This placed him in the super-baddie class and as you might know, he was caught in the end.

This caused me to ponder the question, "What was he so shook up about?" During my entire life I have been told, "You're not worth a tinker's damn."

I had been told this, and often in a variety of colorful exordiums, in a circus where I sold wax mice, in pool rooms where I enjoyed hustling my art after having

received a "call to the cloth,--the green cloth." Even for years spent on a railroad I was often informed "You're about as useless as screens on a submarine."

Professional men, music students, PhD's, medical men, psychiatrists, police, early teachers, have all told me the same thing in enormous rainbows of colorful or technical terms, and I haven't been "shook up" yet. I feel I have a record of which I can be proud. Not many men can boast a thousand failures. Few living have avoided work, even the very use of the word with greater skill. If I had been in the position of the failing ball player I would have departed and begun an intensive program of ping pong practice, juggling, or deep sea diving.

Too much pressure is exerted on youngsters to be successes. How many times have you seen a stray uncle bend over a child, stuff gum in his mouth and ask him, "What are you going to be when you grow up?"

The child really hadn't thought of it before Uncle Newt blathered on the subject. The truth is that we should not ever have to BE anything.

To live one's life trying to observe "do unto others," to be one's self, to admit it when one is wrong, to try to do what we can with what we are born with, and to take pride in whatever we do even though it is not great nor

financially rewarding ... this is the only way.

I have gone around the sun many times now and know that I have but to plan on being buried in Payne's Gap, probably to begin to be forgotten within minutes after the last shovel is tamped on me. I plan on being planted high on a hill there. (I don't want everyone else's dribblings). But until then I shall try to pass on this enlightened encouragement. That I never accomplished anything doesn't in the slightest leave me "shook up." To have been the president of General Motors is hardly any more important than to have been the first human being to have eaten a banana under water. The universe is a giant engine that will go on doing whatever it is doing as it did before me, and I am sure will go on doing so after me.

Today's gems in parting thought: A genius is someone who grows flowers in a garden just like the pictures in the seed catalogues. And -- you can always tell a Texan --but you can't tell him much.

Hospital Report

September 5 -

Admitted: Maude Irene Hill of Mullin; Elta Britton and Leroy Miller of Goldthwaite.

Discharged: Connie Mae Williams, Laura Nelson, Walter Hamilton, Lois Richardson, and Jim Weatherly.

September 6 -

Admitted: Lois Richardson of Goldthwaite.

September 11 -

Admitted: Grover Dalton of Goldthwaite.

Discharged: Lowell Bobby Watson.

The new sheet-metal covering of the stands at Eagle Field in Goldthwaite may not be needed this Friday against Hamilton, but a little later in

the season, they will be as welcome as an electric blanket. The old "hedge row" was destroyed and cleaned up and further chain

link fencing was installed in the area in an effort to keep the field in good condition, according to school officials. (EaglePhoto)

Priddy Lutheran Church Readies For Intern Pastor

Intern George Qualley will preach his first sermon at Zion Lutheran Church this Sunday, September 17, 1978, at 10:30 a.m. Mr. Qualley is the guest of Hope Lutheran Church, Comanche and Zion Lutheran Church, Priddy, for one year.

He is a graduate of the University of Wisconsin, River Falls, Wisconsin. He holds the Bachelor of Science in Secondary Education with a major in English and a minor in German. He completed two years at Trinity Lutheran Seminary,

Columbus, Ohio. This summer he spent three months in Clinical Pastoral Education at St. Luke's Hospitals in Fargo,

North Dakota. The purpose of the internship, a "learner-server" program, is to give Intern George experience in the parish setting. Hope and Zion Lutheran Churches are acting as an extension of the Seminary in its program to train pastors. After one year of experience in all areas of parish life and ministry, George will return for his fourth year of Seminary.

Don Vlasak, Pastor of Hope and Zion Churches, has been trained by Trinity Lutheran Seminary to supervise the Intern's work.
