NOTICE TO WATER **CUSTOMERS**

In a general reduction of operating expenses of the City it has been necessary to eliminate the services of one clerk in the office. It has been the custom in the past to send out second notices to delinquent water customers each month but owing to this reduction in clerical force this practice will be discontinued after November 1st. All water bills are due on the first and payable by the tenth of the month and if not paid by that time the service is subject to be discontinued at any time without further notice. Cox of Big Sandy, Texas, and one sister, Mrs. T. McIntosh, of Wills Point, Texas. During his long residence here Mr. Cox was one of the leading citizens of the community, taking a leading part in school and clurch work and for everything for the good of the community. He was a charter member of the local Church of Christ, and helped to build the present Church of Christs building in 1896. It has been well said that Uncle Ib was a friend of every person he knew and no one has ever heard anyone speak ill of him. He was known and esteem cd as a citizen and a noble Christ-tian gentleman and numbered his friends by the hundreds. On account of the fact that Mrs. Cox was unable to go to the church a short funeral service was held in the home by Elder Calvin Maddox of Gorman, after which the body was taken to the Chures ites, and many beautiful flowers were in evidence.
