Today, Good One

After an absence of more than five years from Texas, "Square-shooter" Ted Hinton returns to Eastland to promote high class wrestling shows at the Connellee

Mr. Hinton brings to Eastiand on his All-Star wrestling card four of the outstanding grapplers in the light-heavyweight division, viz: "Almighty" Jack Callahan, 175 lb. bruiser of Chicago who will meet Billy Hassan in the main event of best two falls out of three, with a two-hour time limit, and under strict National Wrestling Association rules, while the semi-fnal event which will be under Australian rules, brings together Nicks Bozinis, 176 pounder of El Mira. New York, against Ernie Glover, 181 pounds of Dallas.

In addition to the above contests Mr. Hinton has arranged other good, surprising preliminaries which he refused to divulge to the members of the American Legion at its meeting last night. However Mr. Hinton states that the patrons of the member the many pleasant surprises that he presented while

A percent of the proceeds will be given to the Dulin-Daniels Post of the American Legion for their extensive veterans relief work.

Grand Jury Ordered By Judge to Recess

The grand jury which was empanneled Monday morning by Judge George L. Davenport of the 91st district court made a report to the court Wednesday afternoon and were instructed to recess until further notice. fected by the economic conditions of that country, Judge George L. Davenport of the 91st district full. Davenport of the 91st district court told his grand jury in empanneling that body Monday. He pointed out that during the boom days when money was plentiful crime was not so rampant, but that with the coming of the depression crime of all kinds became more prevalent.

Judge Davenport expressed gratitude for the services of the men making up his grand jury. "You have important functions to perform and I appreciate the fact

TO HOLD 10TH ANNUAL MEET AT CITY PARK

Full Program Arranged For Today and Saturday. Good Attendance Expected

Eastland will be host today and Saturday to the 10th annual boys and girls 4-H club encampment.

The program will open at 10 o'clock Friday morning at the City Park where all sessions will be held. The morning of opening day held. The morning of opening day will be given over largely to registrations and assembling of camp outfits. Each boy and girl will bring their own bedding and food and will camp at the City Park. Miss Ruth Ramey, County Agent J. C. Patterson and the 10 adult leaders of the clubs will be present at all times at the park. Between 150 and 200 of the 300 members of the clubs of the county are expected.

ty are expected. Friday afternoon will be devoted to the various contests in which

ed to the various contests in which the club members are competing. In the case of the girls these will be principally records on the various projects that they are working on. Grain judging will be the work of the boys.

Mrs. J. E. Hickman will have charge of the games Friday night and Saturday and will be assisted by Miss Rosalie Leslie, Miss Loraine Taylor and Robert McGlamery. Mrs. B. E. McGlamery will assist with the programs.

Prizes will be awarded the winners in these contests where the clubs have provided funds for this purpose. The main object of the contestants is to win a free trip to the A. & M. short course at College Station.

Friday night the program will consist mostly of stunts in which the boys and girls will take part.

Saturday morning the program will be made up of recreational games. At 2 o'clock Saturday afternoon the program closes and preparations for the trip home will be begun.

The complete program, which has not been given out for hub-

By JOSEPH L. WYLER Business research of the Universi-United Press Staff Correspondent ty of Texas.

DALLAS, Tex.—With its position greatly strengthened on practically all business and industrial fronts, Texas is entering the summer season with the forces of pros-perity holding the upper hand in the battle against the depression, a United Press summary indicated teday.

The month of May was particularly encouraging. New industries, rising commodity prices, increased sales and salary and wage hikes stimulated observers.

ment and wages, industrial and building news from various Texas cities follows:

DALLAS—May bank clearings reached \$102,218,071.83, as compared with \$93,867,545.87 for reased sales and salary and wage ikes stimulated observers.

It has been estimated the total alue of Texas commodities to the salary and wage are ached \$102,218,071.83, as compared with \$93,867,545.87 for alue of Texas commodities.

value of Texas commodities going on or ready for the market has been increased more than \$100.

000,000 during the past two months by rising prices, the increase itself amounting to nearly crease itself amounting to nearly crease itself amounting to mearly crease itself amounting to meanly crease itself amounting to mearly crease itself amounting to mearly crease itself amounting to meanly crease itself amounting to mearly crease itself amounting to meanly crease itself amounti one-fourth the total value of products marketed in 1932.

one-fourth the total value of products marketed in 1932.

The present wealth represented by crops, wool, mohair and livestock was estimated at \$225,000.000, as compared to \$175,000,000 during the darkest days of 1932.

Industrial and business news was equally bright. Their spirits raised by efforts of the national administration and cheered by trade have found an outlet for their money in scores of new industries, expanded operations of already established factories and businesses, and in construction enterprises.

May postal receipts jumped 16.37 per cent, the biggest monthly gain in several years, over May 1932, to \$268,772.77.

WACO—The Crawford - Austin company is manufacturing 25,000 to 30,000 cots for immediate delivery to civilian conservation and additional 350 men and are running full time at full capacity. The Waco plant of the Texas Textile mills has resumed operation, employing 200 persons.

ITASCA—The Itasca Cotton Manufacturing companys' mill is

reprises.

So sharp was the business upturn which started during the third week of March that Dr. J. C.
Dolley of the University of Texas, analyzing the financial situation for the Texas Business Review, predicted a still further upward trend extending into the snmmer season when normally a slump in trade and industrial activity is expected.

ITASCA—The Itasca Cotton Manufacturinf companys' mill is running again with more than 209 employes fulfilling a large stack of orders.

FORT WORTH.—The Fort Worth office of the West Texas towns offering the industrial opportunies. They are seeking every thing from rope factories to wool scouring and yarn

Home From Austin How Much To See The World Fair?

You Can Have a Week in Chicago for Less Than \$50 and See Almost Everything the Exposition Offers; Economies Will Cut That Budget.

By ELIZABETH WALKER EA Service Special Writer ICAGO. — Thousands are

The answer depends of course on how far the visitor travels, how

However, it has been estimated that an individual can spend a week taking in the sights at A Century of Progress, seeing 90 per Century of Progress, seeing 90 per cent of all there is to see, and

stopping at a good hotel, for well

This figure would include: Room with bath, five days,

Meals for seven days, \$14. Admission to the fair, six days,

Admission to Chinese Temple Streets of Paris, Belgian and ental Villages, South Pole Ship, Fort Dearborn and Lincoln group,

exhibits at Art Institute. Field Museum, Shedd Aqua Adler Planetarium, \$1. Shedd Aquarium

Miscellaneous sideshows, includ-ing Spectaculum, 75 cents. Local transportation in Chicago, \$1.20.

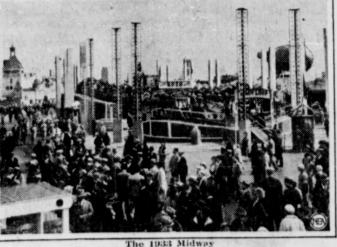

This totals \$38.55. The figures allow for little but essentials and numerous concessions for which obviously may be contracted or admission is charged, which would expanded the visitor wishes. Transportation by train or auto will be added expense

Many Exhibits Free Whether a person stays within his budget depends largely on how much he spends on that boulevard

of ballyhoo, the Midway, where amusement concessions are located. It derives its name as well as its scale of prices from Chicago's first fair in 1893. Most of the fair exhibits are

free, and among them is the En-chanted Isle for children, where sight-seeing parents may check their off-spring while they see the

However, the children themsel-

penny to 15 cents to explore the Magic Mountain, or ride on the miniature railroad, or be amused by any one of a score of attractions designed for children only. Rooms From \$1 Up

The visitor may see 12,000 free exhibits. It is estimated that the fair's winding aisles and corridors, if placed together, would extend more than 82 miles. Also there are total perhaps \$75, with the added luxury of a ricksha, a boardwalk

chair, or a gondola.

If pennies must be watched, cost can be cut by staying in a private home or apartment. A recent survey showed that the city has 400, 000 rooms avaiable, ranging in price from \$1 a day in private homes to \$25 a day for de uxe suites iln Michigan boulevard ho-

fare for a round-trip ticket good for 16 days; 30-day tickets are obtainable for 1 1-3 the usual Railroads have established uniform rates. Cost of eating will depend large-

ly on taste. Meals at hotels run from 50 cents upwards. Sandwiches may be had on the fair grounds for 5 and 10 cents.

One of the boasts of those responsibe for the exposition is that sponsible for the exposition is that 85 per cent of the \$25,000,000's worth of attractions, condensed within its 424 acres of grounds, are available for the general admission charge of 50 cents for adults and 25 cents for children.

There's Much to See

Chief among the 85 buildings hose exhibits are wide open to visitors within the exposition gates are: the Hall of Science, the Agricultural and Dairy buildings, the General Exhibits group, the Federal building and Hall of States, the Electrical group, Hall of Religion and the vast Travel and Transport building.

General admission tickets are also passports to such specific places of pleasure as the picturesque Japanese and Italian, Czecho-Slovakian, Polish and Egyptian pavilions, the Moroccan \$363. are: the Hall of Science, the Agri-

Egyptian pavilions, the Moroccan Village and Maya Temple, Home Planning Hall and the colony of Stamp Close by Grant Park, site of the exposition, are several first-class hotels which are offering double rooms without bath for \$3 a day, farm where prize-winning hens from all over the world are now

NOW WITH

Eastland Gasoline Company

SELLING

Texaco Products

GASOLINE . . . OIL . . . AND LUBRICATION

Firestone Tires

Tubes . . . Accessories and Batteries

WHAT IS A CERTIFIED LUBRICATION EXPERT?

I will be glad to see my old friends and hope to cultivate new ones at my new location. I can recommend Texaco Products and Firestone Tires, Tubes and Batteries to the most discriminate because I KNOW their fine quality. I never have to apologize to a customer when I sell these products. I KNOW THEY ARE

There are from 21 to 73 points on the cars now in service which must have regular lubrication, and anywhere from 6 to 9 different types of lubricants are needed for their protection. No one service man can be expected to remember all these various points for every car. Texaco certified lubrication does not depend upon memory. The Texaco Chek-Chart is the answer to perfect lubrication. The operator with the Texaco Chek-Chart goes over your car point by point. It is exact, money saving car protection, certified by the man who does the work. The Eastland Gasoline Company is the only certified lubrication station in Eastland. Guy Patterson is a certified lubrication expert.

Young Artist Presented In

Big Spring
Alma Williamson, the talented
young violinist, daughter of Mrs.
Dixie Williamson of this city, was
presented in a recital, in two groups of violin numbers on Fri-day night, on the program given by Mrs. E. A. Houser, a promi-nent piano teacher of Big Spring, who presented her studio, and lit-tle Miss Alma Williamson, to a

The society will have a Bible study conducted by Rev. O. B. Darby at their meeting next Mon-

Darby at their meeting next and day.

Mrs. Green G. Hazel, of Sudan, a guest and former member, was warmly welcomed by Mmes. O. B. Darby, R. L. Young, Hugh Owen, Marvin Hood, Hannah Lindsey, Russell, Jess Seibert, A. J. Campbell, J. P. Truly, Frank Lovett, O. A. Cook, V. E. Vessel, W. D. R. Owen, J. B. Overton, Carl Springer, F. V. Williams, L. J. Lambert and Rev. O. B. Darby.

tle Miss Alma Williamson, to a big and crowded auditorium.

Miss Wilda Dragoo, the piano accompanist for Alma, the young artist's mother, Mrs. Dixie Williamson, and Mrs. J. B. Leonard left early Friday for Big Spring, Mrs. Leonard stopping with her brother and his wife, Mr and Mrs. Matt Schick and Mrs. Dixie Williamson and daughter with the late Mr. Williamson's sister and husbond, Mr. and Mrs. Marion Edhusbond, Mr. and Mrs. Marion Edwards.

On the first half of program Alma Gave, (a) Souvenir de Wie-nesky by Haeschi; (b) Rondo

The second half of program, the little violinist presented (a) Pizzicati (Delibes); (b) Allegro, ninth concerto de Beriot.

The Williamson's formerly lived in Big Spring, and have a host of friends there, who were delighted with the young artist, whom they had not heard for two years, and who received an overwhelming ovation, a just recognition of her unusual talent and execution.

Martha Dorcas Class

Has Good Session Mrs. W. H. Mullings, assistant teacher of the Martha Dorcas Sun-

teacher of the Martha Dorcas Sunday school class, presided over the meeting of the class Sunday.

J. Frank Sparks spoke on "Fellowship of Christ." This talk was much appreciated by the class.

Mrs. C. C. Ligon joined the class and visitors included Mrs. F.
W. Rensow, and Misses Loretta Morris, Juanita Harper and Louise Rush.

Rush.
Those attending: Mrs. George
