C. Q. Smith, presiding elder, will conduct the session.

The W. M. S. will furnish the banquet, and the president, Mrs. J. E. Hickman, appointed Mrs. B. E. McGlamery as general chairman for all arrangements.

Mrs. J. E. Hickman presided at the meeting which opened with the hymns, "I Must Tell Jesus" and "Have Thine Own Way Lord."

The devotional was presented by Mrs. McGlamery, from the second chapter of Philippians, and the theme was "Love, the Law of Life."

The program opened with the subject, "Winning Young Japan," a talk by Mrs. W. K. Kelly.

"Golden Tidbits," by Mrs. Garner Kinnard, brought some interesting reports of old gold trinkets given for sale toward the fund for mission work abroad, and among gifts an old gold watch owned by Miss Belle Bennett, a noted missionary.

SUIT IS FILED TO PREVENT GATE RATE CUT

AUSTIN, Oct. 5.—A suit to enforce the commission's reduction of Lone Star Gas company's gate rates was filed in 53rd district court here today by Assistant Attorney General Elbert Hooper.

The commission ordered the gate rate reduced from 40 cents to 32 cents a 1,000 cubic feet Sept. 13. Nine days later the Lone Star company filed a bill of complaint in federal district court here and obtained a temporary restraining order against enforcement of the reduction.

Today's suit asks a stay of any further proceedings in federal district court. District Judge Wheeler signed an order staying enforcement of the commission order pending a final determination of the suit.

In effect, the suit also seeks to remove the rate dispute from the federal court to the state court.

BULLDOGS WILL BE OUTWEIGHED BY OPPONENTS

RANGER, Texas, Oct. 5.—The big home game of the season, the annual clash between the Central High School Panthers of Fort Worth and the Ranger Bulldogs, will be played at Lillard field Friday afternoon, beginning promptly at 3:15. Both teams have been pointing for this affair since their games of last week when Central won a close contest from Mineral Wells by a score of 7 to 6 and Ranger was nosed out in the last minute and a half of play by Lubbock by a score of 26 to 21. The two teams have been playing annually during the first part of the season for a number of years, the honors being about evenly divided in spite of the fact that Central has won its games for the past two years. Back in 1931 Central defeated Ranger on Lillard field by a score of 24 to 13 and last year the Bulldogs went to Fort Worth pretty badly crippled from an automobile accident in which several members of the team were hurt, to lose a close contest to the Panthers by a score of 6 to 0 that would probably have been a victory for the Bulldogs had they been in better shape. The rivalry between the two teams will be unusually keen this year, because Central will be trying to make it three in a row and the Bulldogs will be trying to break the winning streak of the Panthers. The locals will be outweighed nearly five pounds to the man, while the Ranger line, if it goes into the game intact, will be outweighed almost 14 pounds to the man. The Ranger backfield, which averages heavier than the line, will outweigh the Central backfield which will be outweighed by the Bulldog backs almost six pounds per man. The largest man in the Panther backfield weighs 174, while two Ranger backs, Anderson and Britt, weigh 180 and over. Central's chief bid for the game will be in its heavy line and its reserve strength, which can be thrown into the game at any time, while the Bulldogs will probably rely on the power of their backfield drive and the ability of their lighter line to hold the heavier opponents. The probable starting lineup for Central will be: Pos. No. 160 Hill T 48 162 Bryan T 34 180 Jacoby E 72 145 Walsh E 28 150 White E 58 130 Westbrook E 55 180 Anderson B 66 148 Cole B 28 183 Britt B 68 155 Briley B 32 138 Gray B 33 140 Bray T 38 150 Todd T 74 140 Wheeler T 41 140 Agnew G 24 135 Bruce G 62 Officials for the game will be: Abb Curtis (Texas), referee; Lee Lignar (Texas), umpire; Brothers, head linesman.

FOOTBALL IN THE OILBELT

By J. C. ALLISON Last week-end engagements by football teams of the Oil Belt District did not give much insight into the comparative strength of the squads that will begin to close grips next week in the struggle for the honors of the contest this season. All of our representatives who met class A teams of other districts were defeated and those who engaged class B teams did not make a brilliant showing. However, if an analysis of last week's work would give an advantage to any one team, that advantage would necessarily go to Ranger. Making an overland trip to Lubbock and then meeting an aggregation that could not be classed any less than their equal, the Bulldogs held that crew to a score of 6 to 21. That is not a bad showing for the Bulldogs; no better could have really been expected, and from this view of the outlay, it puts Ranger out in front of the other contestants. Cisco's journey to San Angelo, in a way, cleared up the Loboes' prospective standing as a contestant for Oil Belt honors. No one seemed to doubt the results of the Loboes' bout with Gorman as indicating strength, but, when the Loboes romped away with the big end of a 26 to 6 score, it made the Loboes look as if they had given Gorman about the best they had the previous week. If comparative scores mean anything, Cisco and Brownwood are now on a parity, because San Angelo trounced each of them by the same score with only a week's difference in time. While the Mavericks won their battle against the Dublin Lions by what appears on paper, 19 to 6, to be a safe margin, yet a view of the game itself showed that the Eastland entry has some distance yet to travel before they become real title contenders. There were some features of the game that showed promise of the Mavericks being able to come out in front. The outstanding one, as compared to their performance in past years, was that they were able to go the whole distance and put on a "Marathon finish." They also showed some improvement in a style of play being used by Coach Petty, which, if ever developed to a semblance of perfection, will make them dangerous contestants against anybody's team. The Oil Belt fans will sit up and take notice of the Mavericks further down the line. Abilene lost to Sweetwater Friday by a score of 19 to 0. It is difficult to predict just what this means. MAVERICKS IN LATE RALLY TO WIN 19 TO 6

By J. C. ALLISON

Snapping out of a lethargy which had enveloped the team for more than three quarters, the Mavericks put across two touchdowns in the last five minutes of play to break a six-all tie and win by a score of 19 to 6 in the game here Friday afternoon between the Eastland Mavericks and the Dublin Lions.

The game was played, for the most part, in Lion's territory and the Eastland goal was never seriously threatened except for the one time late in the third quarter when Adams, fullback for Dublin, and the second game in which he had ever played, broke through the Maverick defense on the Lion's 36 yard line and reared 64 yards, shaking off almost every Eastland player on the way, for the counter. The Mavericks blocked the kick for the extra point.

To begin the game Eastland kicked off to Dublin, Pilgrim taking the ball on the 20 yard line and running it back to the 43 yard line before being downed. On the second play Wilkerson shot a pass for a thirty yard gain, but the Lions were unable to continue the drive further.

After an exchange of punts Eastland started a drive on her own 40 yard line and, with Garrison and Tulley alternately carrying the ball, advanced to the opponent's 20 yard line. Here the Lion defense stiffened and the ball went over on downs. No further threats were made by either team and the quarter closed with the ball in Eastland's possession on the Lion's 40 yard line.

The drive that netted the Mavericks first touchdown started early in the second quarter, when Garrison took a punt on his own 45 yard line and returned 25 yards, Garrison went through right tackle for four yards; Garrison through right tackle for three yards; Garrison through right tackle for 4 yards and first down. Tulley hit the line for no gain; Garrison 3 yards through tackle; Garrison one yard through the same place; Garrison through the line for the remaining distance. Tulley failed on a place kick for the extra point.

As the first half closed the Mavericks were well on their way towards another counter. Garrison had taken a punt on Eastland's 40 yard line and returned eight yards. Tulley picked up six through the line and Garrison added seven more off right tackle. He shot a pass for another 25 yard gain as the half closed, leaving the ball in Eastland's possession on the 10 yard line.

The third quarter produced no thrills nor so spectacular football except the 64 yard gallop by Adams for the Lion's lone score. During most of the fourth quarter it looked as if the game must close in a six-all tie when Garrison opened up a passing attack that brought the fans to their feet. From his own 26 yard line he made good a pass to Simmons for 30 yards, lost 10 on the next play when he was smothered by Lions while attempting to pass, but made good his next try to Simmons for 30 yards. Further efforts were futile and he ball went over.

The Mavericks got a break when the Lions fumbled and Thornton, end, covered the ball on the opposition 35 yard line. A pass netted 15 yards. Garrison picked up 7 yards through right tackle, made it one more through the same spot and then went the same route for the touchdown. Tulley's toe added the other point, making the score 13 to 6.

A moment later Maxwell intercepted a pass and galloped 35 yards for the last counter. Tulley failed to convert for the extra point and the game closed, Eastland 19, Dublin 6.
