Established Nov. 1, 1887

Entered as second-class matter at the postoffice at Eastland, Texas, under Act of March, 1879

Published Every Friday Office of Publication: 106 East Plummer Street. Phone 601

NOTICE TO THE PUBLIC

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation, which may appear in the columns of this paper, will be gladly corrected upon being brought to the attention of the publisher.

Obituaries, cards of thanks, notices of lodge meetings, etc., are charged for at the regular advertising rates, which will be furnished upon application.

Central West Texas Oil Field

Millsap Man to Drill Application has been filed at the Texas railroad commission office in Eastland by R. M. Tierce of Millsap to drill No. 1 M. L. Byrd, W. C. McGough survey, Farker

county. Further designation of location was not given. Operator intends to drill to 1,000 feet, according to application.

Gowan Drilling Resumes GORMAN—Eight-inch casing was set in the Gowan well of Kirk et al., and drilling resumed immediately. They are down past 1,800 feet. Six-inch casing will not be set until they near the pay depth as the well has logged like many others in this part.

Moore Plugs No. 3 Johnson Application has been filed in the TRC office at Eastland by N. A. Moore of Eastland to plug No. 3 Johnson, T. & T. C. Ry. survey, section 11, block 4, Eastland county.

S. S. Magnolia to Sail the Seas

Magnolia, the Southwest's first great petroleum company, is now represented on the high seas by the "Magnolia," a \$2,000,000 super tanker of the Socony-Vacuum Oil Company. Pictured are participants at the launching ceremonies in New York (left to right), Mrs. E. R. Brown of Dallas, Texas; Mr. Brown, Magnolia's chairman, who built the Southwest's first refinery; Mrs. J. A. Brown of New York, and Mr. Brown, chairman of the Executive Committee of Socony-Vacuum.

Well Near Abilene Taps Pay ABILENE—The Condor Petroleum company No. 4 Henry Sayles, about eight miles north of Abilene, tapped pay sand Friday night and the eight-inch hole filled 125 feet within an hour. It is bottomed in the Cook sand, about 1,900 feet, with an eight-foot higher elevation than the No. 2 Sayles which is the best producer of the pool. The well will be the sixth producer in the near vicinity. Location for the Condor No. 4 Henry Sayles is 660 feet from the north line and 330 feet from the west line of section 3, block 20, T. & P. Railway survey, Jones county.

Ship Will Carry Magnolia Fame To Entire World

DALLAS, April 13.—"Magnolia," fragrant blossom of the southland that gave its name to the south's pioneer oil refinery, will become widely known throughout the world since the launching of the "Magnolia," ocean-going petroleum tanker of the Socony-Vacuum Oil Company, Inc. E. R. Brown, chairman of the board of directors of the Magnolia Petroleum company, Dallas, and builder of the first oil refinery in the southwest, at Corsicana, Texas, and Mrs. Brown participated in the christening of the "Magnolia" at the yards of the New York Ship Building corporation.

Launching of the \$2,000,000 tanker "Magnolia" marks the completion of the largest ship building program in the American merchant marine at the present time and is the fifth ship launched by Socony-Vacuum since June of last year. These and other tankers in the fleet call frequently at the docks of Magnolia's largest refinery at Beaumont, Texas, for cargoes of southwestern petroleum products destined to every portion of the globe.

The ship was christened by Mrs. J. A. Brown, wife of the chairman of the executive committee of Socony-Vacuum with which Magnolia is affiliated. Other guests H. Kinsloe, vice president and general manager of the Magnolia Petroleum company, Dallas.

The "Magnolia" is said to be the last word in tanker construction. It is 500 feet long, has a cargo capacity of 5,330,000 gallons. The craft is equipped with the latest aids to navigation, including Speri gyro compass and pilot, radio direction finder, short and long wave radio communication, Pathometer, and numerous safety devices in connection with the high-pressure super-heated power plant for propelling machinery.

The construction of the tanker required a total of 1,200,000 man-hours of productive labor at the shipyard. The machinery, pumps, boilers and auxiliaries purchased by the shipyard from outside con-

MISERABLE...WEAK?

If your day begins with backache, headache, or periodic pains, you need a tonic like Dr. Pierce's Favorite Prescription. Mrs. H. W. Currier of 1117 Geyer St., Little Rock, Ark., said: "I was in a run-down condition and had headache day after day. I had barely enough strength to do my housework. One bottle of Dr. Pierce's Favorite Prescription helped me wonderfully. I felt stronger and better and was relieved of the headache. The pains in my back left me, too."

A man who visited a Chesterfield factory recently, said: "Now that I have seen Chesterfields made, I understand better than ever why people say Chesterfields are milder and have a better taste."

If you too could visit our factories you could see the clean, airy surroundings; the employees in their spotless uniforms, and the modern cigarette making machinery. You could notice how carefully each Chesterfield cigarette is inspected and see also how Chesterfields are practically untouched by human hands. Whenever you happen to be in Richmond, Va., Durham, N. C., or San Francisco, California, we invite you to stop at the Liggett & Myers plants and see how Chesterfields are made.

NEWS
 Senior track team
 e A. C. C. invita-

tion track meet last Saturday at Abilene and brought home the honor of third place in the half mile run. This was won by A. C. Gibson, a Senior.

The boys witnessed one of the fastest high school track meets ever held in the State of Texas. Our boys made better time in the races they entered than was made in the county meet.

The boys from Olden competing in the meet were A. C. Gibson, Charlie Butler, G. W. Curry, Max Anderson, Johnny Garrett, Howard Young, Lemar Whisenant, and Vernon Patterson.

The good showing made by our boys this year was due to the honest cooperation of the boys with our coach, Mr. H. C. Scruggs. The boys are working hard to get in shape for the State meet to be held in Denton, May 23rd and 24th.

RUPTURE SHIELD EXPERT HERE
 H. M. SHEVNAN, widely known expert of Chicago, will personally be at the Connellee Hotel, Eastland, Thursday and Friday only April 25 and 26, from 9 a. m. to 4 p. m.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly but increase the circulation, strengthens the weakened parts, thereby closes the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume no matter the size or location. A nationally known scientific method. No under straps or cumbersome arrangements and absolute ly no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge or fee them if desired.

Add. 6538 N. TALMAN AVE. Chicago.
 For 15 years assistant to F. H. Seeley, famous rupture expert of Chicago.

Admission, 15c, 20c, 25c, reserved seats.

GOSSIP
 One of our favorite stooges tells us that a senior and a sophomore were seen playing with wooden blocks last Friday night. The stooge has made us a poem from this material:

A senior and a sophomore were seen, with wooden blocks a playing; Ah! to the pool of youth they've been, and now, "Goo Goo" they're saying.

We heard that Ruth Hunt was planning to go to Mineral Wells Tuesday night. Did you have a good time, Ruth?

Why did Lena seem so happy Tuesday morning? She was going about singing and looking about her in a sort of dazed, happy way. It must be love!

It seems that Valeta is back in circulation again. Step right up, boys, there's nothing to hinder now if you step lively.

Wonder why Betty seemed to try to get rid of the boy friend when she saw us walking behind her? Not afraid of the dope editor are you Betty?

I would like to make out a complaint against two nosy dope editors.—Betty. P. S. Their names are Frances and El Merle.

And was Beatrice disappointed Saturday night? You'd better stay up later next time, Bea, he might

Acting Governor's Term Very Short
 AUSTIN, April 18.—The reign of Ken Regan, 43, business man and State Senator from Pecos, as acting governor, began today.

He succeeded to the governorship by virtue of being president pro tem of the senate and the absence of acting Governor Walter Woodul in Oklahoma and Gov. James Allred in Washington.

His administration will end this

afternoon when Lt. Gov. Woodul returns to Texas from Oklahoma.

Gov. Regan was "inaugurated" at a breakfast given by senators. At the executive office he signed an act to make it law, sent a message to the legislature, appointed seven more colonels on the governor's staff and checked prisoner's clemency appeals.

Reilly said he felt immediate action was necessary to insure Hauptmann a full hearing on appeal, that he feared a scandal when details of alleged unethical conduct on the part of Fisher be-

came known and he desired to withdraw from the case.

Mrs. Anna Hauptmann dismissed Reilly because of his request for a \$25,000 fee.

A French writer reveals that go-

rillas are not ferocious. Nothing remains for those big game hunters, who like to risk life and limb, but to insult traffic cops.

People as a rule have greater yearning than earning capacity.

Reilly Asks Probe Associate Counsel
 NEW YORK, April 18.—Edward J. Reilly, chief defense counsel for Hauptmann, has asked the New Jersey state bar association to investigate the conduct of C. Lloyd Fisher, associate counsel, it

EASTLAND

Elected to C. I. A. "Who's Who"

of the board are Buford Parker, T. A. Thompson, Clayton Cook and Lee Kirk.

DeLEON—In the annual election of trustees for DeLeon independent school district, J. W. Shook, E. L. Locke and T. H. Nance were victorious. Other members of the board are E. H. Butler, G. W. Rollins, C. H. Sharp, Feltz L. Terrill.

RISING STAR—With only two opposing votes being cast, George T. Barnes and Tom Butler Jr. were re-elected to their places on the local school board in the annual election.

That book, "Prince and the Pauper," probably deals with the life of a royal scion before and after his marriage to an American heiress.

KEEL GETS TWO YEARS MONDAY, PLEADS GUILTY

L. C. Keel, formerly of Ranger, pleading guilty to three theft and two conspiracy to rob charges in 91st district court, was assessed two years on each count, concurrent, Monday morning. Judge B. W. Patterson presided. He was given 20 years in Palo Pinto district court and 10 at Breckenridge. Cases on which Keel was sentenced included theft of a Ranger and Olden man's auto.

Eastland Man Named on Ex-Student Body

AUSTIN, April 15.—John W. Turner, attorney of Eastland, has been elected as a representative to the executive council of the Ex-Students' association of the University of Texas from Ex-Student district No. 15.

The district includes the counties of Scurry, Fisher, Jones, Shackelford, Stephens, Mitchell, Nolan, Taylor, Callahan, Eastland, Sterling, Coke, Runnels, Coleman, Brown, Comanche, Irion, Tom Green, Concho, McCulloch, San Saba, Mills, Schleicher, Menard, Mason, Sutton and Kimble.

Mr. Turner was a student in the school of law at the university and received his LL.B. degree in 1910.

The executive council, which will hold a meeting in Austin April 27, is the governing body of the Ex-Students' association, a volunteer organization of alumni and ex-students of the University of Texas, banded together for the purpose of serving the best interests of the school.

The association has been active in university affairs since its organization in 1885.

Economy that amazes even owners of smaller cars!

A General Motors Value

Owners first won by Pontiac's beauty soon discovered that the 1935 Pontiac is one of the most economical cars on the road today! Not merely remarkably free from the need for repairs, but so saving on gas and oil that it amazes even those used to driving smaller, lighter cars.

Since the 1935 Pontiac is a big, full-weight car such economy may sound incredible. But the report comes straight from owners. We do not quote sensational figures because such figures are usually obtained under special conditions. But if you want PROOF of Pontiac's economy, we are ready to supply it. Come in—and get the facts!

HUMBLE PRODUCTS are Public Tested

What Does This Mean to You?

Only on the proving ground of public opinion can the true worth of a product be established. So for the past several years it has been Humble policy to ask the Texas public to test Humble products in their own automobiles. The results of these tests have been reported on thousands of check cards which are in our files. These test reports have guided us in building products to fit the public need.

By having our products thus public-tested we are able completely to carry through our policy of providing the right product at the right price with the right kind of service.

You can be sure that any Humble product is not only technically correct but that it has proved itself in actual use in thousands of cars like yours, driven by motorists like you, under the same driving conditions that confront you.

Public approval by public-test makes us confident that you, too, will like Humble products. Find out for yourself by testing for yourself.

National Jamboree
The members of the Comanche Trail council jamboree committee state that there may be some vacancies in the National Jamboree troop. Should there be any vacancies, scouts who want to go and can finance their way should put in their applications at once. A number of applications with fees attached have already been received at the office. This will certainly be a wonderful experience for scouts who are fortunate enough to have an opportunity to attend and will mean so much to the troops who are taking care of delegates' expenses. Each scout, who has had a part in sending a representative from his troop should be commended for the part he has played.

There will be some 30,000 scouts and 5,000 or 6,000 leaders—a tented city of 35,000 population. What a camp!

I think that it is understood that each scout who goes as a delegate will have the responsibility of bringing the jamboree back to his own troop as nearly as it is possible for him to do so.

Camp Billy Gibbons

The folder and registration blank for Camp Billy Gibbons is now being printed, and will be sent out to all scouts in a few days. Council officials feel that this will be the greatest camp in the history of Comanche Trail council. Instruction in water activities, and handicraft, including archery, leathercraft, silversmith, horncraft, headwork, airplane building, etc., will be offered. Also hiking, cooking, and other outdoor merit badge tests will be given. Of course the camp paper, "The Daily Bugle Call," is to be in full swing again, giving the daily results of contests, comical incidents, and all other happenings in camp.

Discharge Cisco Man as Executor McMurray Estate

Discharge of P. R. Warwick of Cisco as executor of the estate of James Lindsey McMurray, who died Oct. 3, 1934, has been made by the county court, papers on file Thursday in the county clerk's office showed. The discharge had been requested after estate papers had been filed.

Since he had charge of the estate, Warwick's papers showed, \$35,055.72 had come into the estate while estate debts were paid out in the sum of \$27,217.75. Other money paid out totaled \$1,469.73.

There remained a bank balance of \$5,928.29, the papers stated.

Disposition of the estate was as follows: Mrs. Gladys Hughes McMurray, widow, one-half; Tom McMurray, Oklahoma City, brother, one-tenth; Jack McMurray, Norman, Okla., brother, one-tenth; Douglas McMurray, Norman, Okla., brother, one-tenth; Mrs. Jeanette Alessandri, Norman, Okla., sister, one-tenth; Mrs. Patricia Butte, San Juan, Puerto Rico, sister, one-tenth.

FIRST PRESBYTERIAN CHURCH

Charles W. Estes, Minister
We are in line this week observing the period leading up to Easter. The several important Bible lessons are being considered each evening this week at 7:30 o'clock, at the church. Services each evening this week.

Friday evening we shall study the record of the Death of Jesus; Saturday evening the period between the time of His death and the Resurrection.

Sunday morning at 6:15 the pastor will speak at a community program at the Country club, Ranger, sunrise service. Returning to Eastland for Sunday school with large attendance. Men, welcome on this day.

Morning worship, 11 o'clock. Subject, "Lessons from the Resurrection."

At 6:30 p. m., business meeting to begin organization for young people's work. We shall have with us at this time representative people of the Presbyterian of Abilene Presbytery, to aid in this good work for primary, juniors, intermediates, and senior young people, following the special program of the Presbyterian church in Christian education.

Evening service, 7:30 o'clock. At this hour a special message by the pastor appreciate to the season. Opportunity for those wishing to unite with this church to be given at both services.

ST. FRANCIS XAVIER CHURCH

Mass will be at 8 a. m. on Sunday by Rev. J. Fernandez. Sunday will be Easter Sunday. The Epistle is from the First Epistle to the Corinthians V. 7-8; the gospel is from St. Mark XVI:7. Easter Sunday is the greatest and most important feast in the Christian Church because in the words of St. Paul if Christ be not risen from the dead then: "vain is our faith and vain is our preaching."

House-to-House Peddler Forces Way Into Home

(Minneapolis Daily Star) ... A house-to-house canvasser who insisted on smoking a cigarette before he left the house today gave Mrs. L. H. Peterson, 2516 Thirty-Seventh avenue, S., one of the most unpleasant experiences of her life, she said, after she finally got rid of him.

Versed in all the tricks of the trade, the salesman came into the house uninvited, and proceeded to make himself at home. She was in the basement attending to her household duties when the front doorbell rang. Hurrying up to open the door, Mrs. Peterson was confronted by a man who insisted on presenting her free of charge one of the articles he was selling.

"I don't want it," Mrs. Peterson told him. "I won't give you an order anyway, as I don't need a thing."

"Just let me give you this," the man insisted. You needn't give me an order. We want you to try our article and see how you like it, etc. etc."

Mrs. Peterson neither needed nor wanted the article, she said, but was anxious to return to her work. Believing the only way to get rid of the man was to accept the proffered goods, she consented to take it. Besides it was cold and decidedly uncomfortable standing in the open doorway.

Evidently the canvasser thought so too, for when she opened the storm door to receive the article, he produced the oldest trick known to canvassers and stuck his foot in the door. Before Mrs. Peterson was inside the house, had his case opened on the living room table and was displaying his wares. Mrs. Peterson felt somewhat frightened she later confessed.

"I don't want anything," she told him over and over, but the salesman was undaunted. In fact, when she turned her back for a moment, he doffed his overcoat and lit a cigarette. Nor would he leave the house until he had finished his smoke, in the meantime flicking his ashes into the fire-

place and rattling off his sales talk.

"May I leave my case here, madam, for about an hour?" the man wanted to know when he was finally ready to leave.

"I should say not," Mrs. Peterson, thoroughly exasperated, told him. "I won't be here and couldn't give it to you anyway."

"Well, maybe I can leave it next door," the canvasser said, threw his cigarette end into the fireplace, put on his overcoat and left.

H.H. Corley Sells Interest In Store To Stamford Man

H. H. Corley announced today that he had sold his interest in the Eastland Furniture Store on the East side of the square to Mr. W. N. Kinney of Stamford. Mr. Corley will continue to conduct his furniture store at Stamford and he states that he is appreciative of the many friends he made while here.

Mr. Kinney is in a way coming back home as he was born and reared at Gorman. During the past thirteen years he was in the furniture business at Stamford. Mr. Kinney will move his family to Eastland and make this city his permanent home. The name of the store will be changed to Kinney Furniture Company.

Mr. Kinney states that he will continue to add new lines of furniture to his store and have one of the best furniture stores in this section.

Penney Receives Largest Shipment Of Spring Hats

Inspired by the beautiful models and colors of the new spring hats, Mr. G. H. Hipp, manager of the J. C. Penney store in Eastland, has brought the largest and most complete assembly of women's hats in the history of the store for a special pre-Easter hat selling event.

Mr. Hipp states that such a large shipment was received that it was necessary to use a special counter half the length of the store on the lower floor to display them.

"I am convinced that the women of this entire community will appreciate this special effort we have made to bring hundreds of hats in every conceivable style just for the Easter season, Mr. Hipp added.

Flyer Lands At Eastland, Visits In Rising Star

Lieutenant Schmick, nephew of "Uncle Henry" Schmick of Eastland, first sheriff of Eastland county, left Sunday afternoon for the 20th Pursuit Squadron headquarters in Shreveport, La.

Flying a Curtis A-8 attack-type ship he is in company with Lieutenant Williams of the same field, arrived at Eastland airport in Eastland Saturday.

Lieutenant Schmick visited his wife's relatives, the former Miss Mary Smith, in Rising Star.

Schmick has been with the squadron since he was graduated from Brooks Field at San Antonio.

HOFFMANN, SATTERWHITE AND JOHNSON ISSUE STATEMENT

Regarding the city election held April 2, 1935, in which election W. Hoffmann, Satterwhite and C. W. Johnson, were candidates on the Citizens Ticket along with "Uncle Tom" Johnson and opposing D. L. Kinnaird and J. M. Sherrill, which election upon the returns after the closing of the polls showed that "Uncle Tom" Johnson, H. O. Satterwhite, and C. W. Hoffmann received the largest number of votes, therefore, defeating D. L. Kinnaird and J. M. Sherrill.

It is only fair to the citizens of Eastland and the election board that we issue the following statement:

The election board, which held the above stated election, consisting of L. A. Hightower, presiding judge; J. H. Cheatham and Sam Comer, assisting judges; Oscar Wilson, Ed. T. Cox, Geo. Parvin, and Tom Harris, as clerks, were appointed by the City Commission, and we, the citizens candidates Hoffman, Johnson and Satterwhite, have had and do still have every reason to believe that the election board consisted of true and honest men that can be depended on to do their duty in an honest and unbiased manner, never questioning the honesty or faithful performance of their duties.

On Monday, April 15, 1935, D. L. Kinnaird's attorney called C. W. Hoffmann's attorney, advising him that the new candidates, Satterwhite and Hoffman, would be installed in office the first Monday in May (May 6, 1935).

On Tuesday, April 16, 1935, at about 8 o'clock a. m., the city chief of police served the following paper on H. O. Satterwhite and C. W. Hoffmann:

THE STATE OF TEXAS,
County of Eastland.

CALL SESSION OF CITY COMMISSION OF CITY OF EASTLAND, HELD AT CITY HALL ON APRIL 15, 1935.

At a call session of City Commission held at the City Hall on April 15, 1935, the following members were present: D. L. Kinnaird, O. E. Harvey, B. F. Pryor and J. M. Sherrill among other business the following resolution was passed:

WHEREAS on April 2, 1935, there was held in the City of Eastland an election to elect two members of the City Commission to fill the place of D. L. Kinnaird and J. M. Sherrill, and

Whereas there has been filed with the City Commission a petition of J. M. Sherrill and D. L. Kinnaird asking that before the canvassing of the returns of the election that they be granted a recount, in which they believe that certain votes were counted for C. W. Hoffmann and H. O. Satterwhite which were in fact cast for J. M. Sherrill and D. L. Kinnaird, that certain votes were cast in said election which were not duly qualified voters.

NOW THEREFORE we the City Commission of the City of Eastland will on April 17, 1935, at 2 o'clock p. m., at the City Hall recount all of said ballots cast at

said election and determine the legal and qualified voters entitled to vote at said election.

Passed this 15th day of April, A. D. 1935.

D. L. KINNAIRD,
Chairman of the Board.

WALTER GRAY,
City Secretary.

The above and foregoing is a true and correct copy of resolution spread upon the minutes, (seal) WALTER GRAY, City Secretary.

In the above paper it will be noted that D. L. Kinnaird and J. M. Sherrill allege that they believe certain votes were counted for C. W. Hoffmann and H. O. Satterwhite, which were, in fact, cast for J. M. Sherrill and D. L. Kinnaird, which allegation directly or indirectly attacks the honesty of the election board.

The citizens' candidates, Johnson, Satterwhite, and Hoffman, cannot and will not let this go unchallenged.

We, Johnson, Satterwhite, and Hoffman, believe the election board to be absolutely honest, not taking or giving a single vote to any one of the five candidates, other than shown by the ballots upon counting and being placed in the election box, in which box they and supposed to be securely kept and no one is supposed to have any access to.

We, Johnson, Satterwhite, and Hoffman, also want to state that we are now and always have been opposed to any unfairness and would much prefer to be honestly defeated than intentionally or unintentionally dishonestly elected.

We, Hoffmann, Johnson and Satterwhite, also have heretofore and do now understand that the office in question does not pay any compensation for our time, and we wish to again thank our many supporters and friends for their loyal support shown before and since the election, and should we be permitted to serve you as your City Commissioners, we wish it plainly understood that at all times the meetings of your City Commission will welcome any and all of the citizens of Eastland and help us give the very best administration of the city affairs possible, and that the books of the city and the minutes of the City Commission are your property and you will be very welcome to come to the city hall and inspect them at any and all times.

T. M. JOHNSON,
H. O. SATTERWHITE,
C. W. HOFFMANN.

About this time, the average office boy is wondering if the boss remembers whose funeral he attended a year ago.

SHERRILL AND KINNAIRD ISSUE STATEMENT THURSDAY

In order to make plain to the citizens of Eastland our position regarding a re-count of the votes cast in the recent city election, we wish to state that our application was a request for a re-count of the votes and without any intention to reflect upon the integrity or fairness of anyone conducting the election. Due simply to the narrow margin between the elected candidates and ourselves and to the possibility of error in the handling of the large number of votes cast, we were prevailed upon to ask that the votes be recounted.

A meeting was arranged with Mr. Hoffmann, attended by Mr. Satterwhite and his attorneys and Karl Page, for the purpose of endeavoring to arrive at an amicable arrangement for the recounting of the votes in the recent election. We favored an agreed recount, believing that this would mean a having of both time and expense and would reduce to a minimum the misunderstandings which grow out of contested elections. In this meeting we proposed that the votes be recounted under the supervision of representatives of ourselves and of Messrs. Hoffmann and Satterwhite. Mr. Hoffmann flatly refused, joined by Mr. Satterwhite.

Having thus failed to accomplish under the above terms an arrangement for recounting and Mr. Hoffmann's reaction was that the matter would be carried to the court, we asked that a resolution be passed authorizing a recount of the ballots, which was approved by the City Commission and upon which resolution we did not vote for the reason that we felt disqualified to act by reason of our interest in the election.

Since our record in office has been attacked, we invite you to investigate the public records which reveal our acts in office the past two years and which we believe fully defend themselves, irrespective of the charges which have been made.

Respectfully submitted,
D. L. KINNAIRD,
J. M. SHERRILL.

Tests Prove Cost Low in Operation G-E Refrigerators

"Uncle Sam" is getting mighty particular when it comes to buying electric refrigeration, and is calling for specifications that must be lived up before the contracts are awarded. General Electric refrigerators in recent comparison for kilowatt hours consumed per 24 hours under test conditions was lower over competition in each of the five requirements of different models. It was 29 points lower in first model, 45 points lower than second model, 48 points lower in third model, 22 points lower in fourth and 34 points lower in fifth model test. For 10 years under same temperature, same load, same room and same everything as specified.

Mr. George Harper, of the Harper Music company, local dealers in General Electric refrigerators, has received the above figures through the research department of the General Electric Refrigerator company and states that these records are kept in constant order so that users of the General Electric refrigerators can be kept posted on the economy of the operation of their General Electric.

Mr. Harper states that other requirements such as the general manufacture and endurance of electric refrigeration are required by the government in which General Electric have met all requirements specified. Mr. Harper states that his sales are increasing greatly over last year and that when the summer season opens that more users of electric refrigeration will be added than any previous year.

THE HOLY SCRIPTURES

Text: Psalm 10:7-14; II Timothy 3:14-17

The International Uniform Sunday School Lesson for April 28.

BY WM. E. GILROY, D. D.
Editor of Advance

THE modern Christian has a Bible that the early Christian did not have. The early Christian had the Old Testament, but the New Testament was in the process of developing.

Old Testament writers could speak of their sacred writings as the verses from Psalm 19 in which the lesson indicate, or as Paul writing to Timothy could commend them, how much more should these words apply to the Holy Bible as we have it today, in the language of the people, so that all may read!

Few things are more remarkable than the way in which, despite all the world's evil and all its problems, the Bible continues to be the best seller among books. Through the agency of the great Bible societies, it has found its way into practically every language; and even in the dialects it has been made available.

It is, of course, one thing to have the Bible in our homes, on our library shelves, and on our living room tables, though possibly it is not always in so conspicuous a place; but it is quite another thing to have the Bible in our hearts and lives.

The Psalmist loved the Scriptures because they expressed to him the law of God, which was perfect, converting or restoring the soul. He found here the precepts of the Lord which rejoiced the heart and the commandments which enlightened the eyes.

It is a beautiful picture that he gives of the heart of a man attuned to beauty and honor, whose life is based upon simple principles and who finds in the words of truth something that is more valuable than gold. Such a man concerned not only to keep his feet in the upward and right way, but he is concerned, also, to purge his life from all error and fault.

It is in keeping the words of his heart so that they may be acceptable in the eyes of his Maker that he finds the highest ideal.

WHAT Paul wrote to Timothy concerning the Scriptures was, of course, based upon all that he had learned from these Scriptures himself. He must have known by heart these intense and glowing words of the Psalmist.

To him the Scriptures had ceased to be merely formal writings; they were living documents enforced and made incarnate by the One whom he had discovered—Jesus Christ—and in whom he found their fulfillment.

To Timothy, as a young man, he commends these Scriptures as providing the complete equipment of the workman who would be furnished to do everything well. "Study to show thyself a workman approved unto God," wrote Paul to Timothy, "rightly dividing the word of truth."

Every young man who receives that exhortation could not find a better means of fulfilling it than by immersing his life in the Scriptures, and making them the motive power of his life. Of course, one cannot do that without coming, above all things, to know the Christ of the Scriptures. He is the Word of Truth.
