

THE WEEKLY CHRONICLE

Eastland County's Own Progressive Publication For All The People

The Chronicle is the only weekly newspaper in Eastland having a paid subscription list

(Established November, 1887)

EASTLAND, TEXAS, FRIDAY, JULY 26, 1935

NUMBER 38

Doubtful Glance Cast As Youths Say 'Truckdriver'

They say they're truck drivers but Criger Paschall, assistant district national re-employment service manager, believes they are delivery boys.

In conducting the recent county-wide unemployed employables registration many youths would state their occupation as truck drivers and cite their experience as maneuvering grocery and bakery trucks.

Knowing well that they would not be capable of handling dual wheel hydraulic and heavy trucks, they were given other classifications.

The registration, tantamount to employment in the coming works program, is 98 per cent completed, Paschall stated Tuesday.

Initial estimate of employables remains at 5,500. Of the number about 500 are women and 1,200 "white collar" workers.

Office records show some have been unemployed for over four years, yet have not accepted relief.

Unemployed employables may still register at the office located in the courthouse basement at Eastland. Registration at Rising Star, Gorman, Ranger, Carbon and Cisco offices closed last week.

BUFFALO GAP SELECTED AS ELEVEN CAMP

Buffalo Gap has been selected as the encampment site for the Eastland Mavericks, C. A. Hertig, school business manager, announced Wednesday, following his return from the camp.

Definite date has not been set for the encampment but it will be held the latter part of August, the school business manager indicated.

Hertig, with Rev. Charles W. Estes, inspected the site Tuesday and was accompanied by Rev. E. B. Surface of Abilene.

The first encampment of any Eastland football team, as far as could be recalled by school officials, was made possible by the Eastland Athletic association, the Chamber of Commerce, and football fans.

First assurance that the grid-ironers would have an encampment was seen Saturday when receipts of a benefit minstrel showed over \$150 netted.

Thirty boys will go on the encampment with their coach, Johnny Kitchen, and stay from one week to 10 days.

Ranger Man Wants Registered Cattle Group In County

G. C. (Lum) Love of Ranger is interested in formation of a county-wide registered cattle association which would be of benefit because a which is believed would be of much benefit to the owners of fine cows throughout the county.

According to Love the organization would be of benefit because a county president and secretary could be elected and registered cows or bulls that were for sale could be listed with the secretary and by this means contacts could be made with other counties having associations and sales could often be made.

The county organization could be affiliated, Love said, with state and national organizations and would, no doubt, prove of much benefit to the entire county.

If such an organization is formed and the standard of the dairy cattle of the entire county raised, it was said, it is possible that some of the large butter, cheese or milk companies might be induced to establish a milk route through the county or even establish a factory which would provide an outlet for excess milk and butterfat.

Cisco Man's Bond Is Pared by Court

Upon hearing for habeas corpus this week Earl Free, his bond was reduced by 91st district court from \$750 to \$500.

Free of Cisco is charged in connection with an alleged auto theft in 1931.

CASE DISMISSED

On motion of plaintiff, 91st district court Saturday dismissed case of R. W. Mancill vs. Continental Southland Savings & Loan association, assessing court costs to the plaintiff.

OIL WELLS NEAR GORMAN MAKE GOOD SHOWING

GORMAN, Texas, July 20.—The Thompson well, located south-east of here, and the Gowan well, north of town, are in the pay level with good showings, it was reported here today.

The Gorman well is considered good for 20 barrels in its present production but it will be drilled deeper when 10-inch casing is taken from the hole. The well is making considerable gas and flows occasionally by heaves.

Reports indicate the Thompson well is good for over a million feet of gas. Operators intend to drill 100 feet farther to reach a deeper oil structure.

Several are at work on a block of acreage in another part of the section that will open up new territory.

Storage facilities have been erected at both wells.

BRECKENRIDGE, July 24.—A premature explosion in the Pitzer & West well on the George DeLaFosse ranch, around which had revolved high hope for a new oil field in this section, ruined the well and the hole will be plugged.

This was the unfortunate circumstance surrounding the bringing in of the well reported this afternoon by C. K. West of local firm of operators.

Mr. West said that one shell had been run into the hole Monday when the 20 quarts of nitro-glycerin exploded about 1,200 feet off bottom in the 445-foot hole.

The theory, he said, was that the latch failed to trip and the shell started back and fired by friction.

Whether another hole will be sunk on the company 5,400-acre lease remains a matter yet to be decided, Mr. West said. "We just cannot say anything about that at this time," he added.

Work Starts On New Station In Eastland Today

Preliminary work will be begun today on a \$4,000 filling station on the lot west of Mickle Hardware company, W. T. Hittson of Mineral Wells, announced Thursday after purchasing the land from D. S. Moore of the same city.

Hittson, acting for the Sinclair Refining company, which is building the company station, stated the building would be a tile structure.

The station, to have three pumps, will occupy all of the West Main lot, Hittson said. Completion of the job in 45 to 60 days was predicted.

Judgment Rendered For Cisco Company

Clyde L. Garrett, judge of the county court, has rendered judgment in favor of Cisco Mortgage Loan company for \$459.18 in suit against Cecil Couch. The judgment was to bear interest at 10 per cent. The defendant defaulted and did not appear at the proceedings, according to the court's records.

The court has granted Lake Cisco Amusement company privilege of retailing beer, authorizing a license be issued by the tax collector's department.

Case of O. D. Dillingham vs. Z. B. Morgan has been dismissed for want of prosecution. Court costs were assessed the plaintiff. Cross action of Morgan was also dismissed because of want of prosecution.

\$3,436.02 Judgment Rendered by Court

Judgment for Eureka Tool company from Mook Texas Oil company for \$3,436.04 was rendered by 91st district court this week, an order on file in district clerk's offices howed Saturday.

The judgment represented the amount due on the note, including interest and attorneys fees. Eight per cent interest was to accrue from date of the judgment, according to the court order.

To Take Federal Prisoners for Jail

WASHINGTON, July 24.—The federal bureau of prisons today ordered all federal prisoners removed from Lubbock county jail, the department of justice said. The action was taken "upon receipt of information a federal prisoner had been permitted to leave the jail.

Scout Tent City To Be Raised at National Jamboree

NEW YORK, July 20.—A complete city within a city will spring up almost overnight when upward of 30,000 Boy Scouts converge upon Washington for the National Jamboree celebrating the twenty-fifth anniversary of the founding of scouting in America.

The Jamboree will open Aug. 21 and continue through Aug. 30. It will be a world's fair of scouting drawing contingents from every continent. Delegations are expected from Great Britain, Canada, Cuba, France, Rumania, Hungary, China, Mexico, and the Soviet Union. Other countries promoting Jamboree contingents are Australia, British Guiana, South Africa, Haiti, Poland, Argentina, Belgium and the Scandinavian countries.

The scout city in Washington has been planned in complete detail by national headquarters here. It will have its own water supply, communication and transportation systems, and even a daily newspaper. Thousands of tents will be pitched on Columbia Island, within sight of the Washington Monument and the Lincoln Memorial.

Resources of the army and navy have been placed at the disposal of scout leaders. District of Columbia Scouts will serve as guides on numerous hikes to historic spots of Virginia. A special contingent of 1,260 boys from scout ranks will do police work for the camp. They will be divided into three groups, traffic guards, camp patrols and night guards.

Food for the encampment for one day will total 250 tons. The estimated water supply will be 1,000,000 gallons daily. Special equipment has been bought to meet every need of this scout city. Included are small dry ice boxes for each troop, patrol tables and shower bath houses.

A review will feature the first day of the jamboree. The line of review will be along Constitution avenue, with President Roosevelt scheduled to pass through in a white house car. Later the scouts will march to the Ellipse for a formal welcome to the nation's capital.

Probably the most colorful event of the encampment will be the national grand pageant. It will be divided into four parts: "The Past of America," an Indian episode.

"The Building of America," historical episode.

"The Youth of America," scout-craft episode.

"The Future of America," citizenship induction ceremony.

The forthcoming jamboree will be the largest peace-time assemblage of youth in this country, according to headquarters here. The encampment will cover more than 400 acres and will include the most modern equipment of its kind.

In addition to the camp life, regional displays and friendship meetings, the scouts will go on extensive sight-seeing expeditions. First will be a thorough bus tour of the national capital, then a trip to historic Mount Vernon with many other hikes arranged by scout officials. Washington has been divided into four zones for hikes and a tour of each of these is on the program.

Scouts from every state will attend the jamboree. A section will be set aside for Sea Scouts and in addition to the regular program these youths will have an opportunity to cruise on the Potomac through the co-operation of the navy department and the coast guard.

Fans to Inspect Maverick's Field Sunday Afternoon

Inspection day at the Eastland football field will be held Sunday afternoon, C. A. Hertig, school business manager, announced Wednesday.

The field was recently completed by relief labor under sponsorship of the Eastland independent school district. The field is located on the Eastland-Ranger highway.

206 Counties Have Completed Contracts

COLLEGE STATION, Texas.—A total of 206 cotton counties in Texas have completed their supplementary cotton contracts for 1935, George Adams, assistant state agent of the Texas Extension Service has announced.

In 166 cotton counties in the state, 47,255 cotton farmers signed applications this year who did not have contracts in 1934.

Sheriff Foster Is Witness in Clyde Thompson's Trial

Sheriff Virge Foster left Saturday for Angleton, Brazoria county, where he will be a witness in the trial of Clyde Thompson, alleged slayer of a prison inmate recently.

Thompson, slayer of the Shook brothers near Eastland "to see them kick" was tried in Eastland in 1928, sentenced to death. The court of criminal appeals reversed the case and at the second trial in Eastland in 1929 was again given the death penalty.

The governor of Texas, after Thompson was taken to prison, commuted the death sentence to a life imprisonment.

It was the understanding of Steele Hill and other Eastland county officers that the state would attempt to convict him as a "habitual criminal" at the trial to start Monday.

FORMER MAYOR C. T. LUCAS IN CITY ELECTION

Donald Kinnaird, former mayor of Eastland and one of the contestants in the recent voting controversy, and C. T. Lucas filed their candidacy in the city election Thursday afternoon. Thursday at 5 o'clock was final date for the filing.

Lucas filed at 4:55 p. m. and Kinnaird at 3:15 p. m. City Clerk Kelly stated.

The election was called by commissioners last week to fill the vacancy occasion by the resignation of O. E. Harvey June 5.

Presiding judge will be J. H. Cheatham with the following to assist: Oscar Wilson, J. F. McWilliams, O. A. Cook, Frank Lovett and W. K. Jackson.

Series of Skeet Contests Planned

Initiations of a series of skeet team contests to run 10 weeks is planned next Sunday at the Oil Belt Gun Club, officials announced Monday.

In a skeet team contest Sunday a Breckenridge team won by 213x250. Eastland was second with 208x250. The Arab team was third with 197x250.

After the Sunday shoot next week Breckenridge members of the preferred stockholders group will entertain others at the clubhouse. Time for the affair has been set for 7:30 p. m.

Scores in last Sunday's shoot:

Skeet
P. J. Knight, 91x100; Ross Brewer, 84x100; G. W. Ewing, 79x100; A. H. Rhodes, 72x100; James Horton, 69x75; J. H. Cheatham Jr., 69x75; Mrs. J. O. Matheny, 62x75; Mrs. James Horton, 62x100; D. Fox, 59x75; John Hume, 58x75; John W. Turner, 50x75; J. T. Hughes, 44x50; W. J. Peters, 40x50; Samuel Butler, 38x50; R. L. Allen, 38x50; Gene Rhodes, 27x50; R. G. Camp, 22x50; S. W. Whitley, 20x25; Jack Lewis Jr., 18x25; Jake Garrison, 16x25; L. Stallings, 16x25; Frank Dwyer, 14x25; S. L. Whitley, 13x25; J. D. Blankenship, 11x25; L. Mendenhall, 11x25.

Pistol
E. F. Latham, 98x100; L. D. Brown, 97x100; Moore, 97x100; N. Swanson, 95x100; Jack Roach, 94x100; L. D. Brown, 94x100; R. E. Dye, 94x100; L. Stillwell, 91x100; R. G. Camp, 91x100.

Small Bore Rifle
E. F. Latham, 98x100; Jack Roach, 97x100; L. D. Brown, 96x100; N. Swanson, 95x100; R. E. Dye, 94x100; L. Stillwell, 91x100; R. G. Camp, 91x100.

Big Bore Rifle
E. F. Latham, 50x50; L. Stillwell, 48x50; Jack Roach, 46x50; L. D. Brown, 46x50; R. G. Camp, 41x50; Dr. W. S. Poe, 41x50; R. E. Dye, 40x50; L. D. Brown, 40x50.

Group Equalizing Taxes For Year

County commissioners were in session Wednesday with Judge Clyde L. Garrett, equalizing state and county taxes.

The body hopes to maintain the same values of 1934, Judge Garrett has stated.

The equalization board is composed of Judge Clyde L. Garrett, H. V. Davenport, Ranger, Arch Bint, Cisco; R. O. Jacobs, Rising Star; and N. C. Crawley, Gorman.

COUNTY WORKS MANAGER GETS WPA POSITION

County Works Manager R. F. Boston has been appointed to the state staff of the Works Progress Administration to act in the capacity of district field supervisor of 13 counties in the eighteenth district, Administrator H. E. Driscoll announced Saturday.

Mr. Boston will assume his new duties Monday with headquarters at Big Spring.

Mr. Boston entered Eastland county as county works supervisor March 18 and during his tenure of office worked to completion many of the projects existing at that time and several later ones drawn up," Administrator Driscoll stated.

Administrator Driscoll stated that Mr. Boston's departure from the Eastland County Relief Board would be a distinct loss but he rejoiced in the "well merited promotion Mr. Boston has rightfully earned."

It was not known Saturday who would succeed Mr. Boston.

Fire Ruins Auto of Eastlandites on Way to Calif.

En route to Los Angeles and San Diego, a party of Eastland residents and others were temporarily halted Friday night when their automobile—recently purchased—was completely destroyed by fire on a road in California desert near Blythe.

Mrs. Vera McLeroy of Eastland, driver of her automobile, telephoned L. R. Burnside, a brother at Eastland, Friday night, telling him of the accident and that none was injured.

Cause of the accident, messages received by Burnside Saturday stated, was from the exhaust of the automobile. Other than the source of start of the fire messages did not give other details.

In the party were Mrs. McLeroy and her cousin, Clyde Bonnett, of Lubbock; Mrs. Joe Neal of Eastland and daughter, Mrs. James of Weatherford. Mrs. Neal and daughter continued to Los Angeles while Mrs. McLeroy and cousin went on to San Diego, where they will attend the Pacific Exposition.

Eastland Angler Loses One, Gets Another Next Try

"If you don't succeed at first, try, try again."

Ed M. Sparr, Eastland fireman, found an application of that axiom while fishing at Lake Ringling near Eastland Friday afternoon.

While attempting to bring in what appeared a five pound bass at Ringling Lake his 18-pound test line, straining under the load, broke, leaving him minus the prospective catch.

Hurrying to an Eastland hardware store, Sparr purchased a 24-pound test line, then went to the same spot, later catching a three and one-half pound bass.

A five and one-half pound bass was reported caught at the same lake by Howard McDonald of Eastland earlier in the week.

Corn-Hog Pacts Are Prepared for Trip To the State Board

Corn-hog contracts were being prepared for transmission to College Station Saturday by E. F. Alton, compliance supervisor, and Miss Tillie Pentecost, secretary-treasurer of the corn-hog association.

At College Station the contracts will be reviewed by the state board and sent to Washington.

This year 187 contracts were renewed, 41 resigned but with changes and 55 producers signed for the first time.

Note Sale Approved By District Court

Sale of a \$350 note made by Guy Webb, previous to close of the Texas State Bank in Eastland, to a co-signer, E. H. Webb for \$280 by E. C. Brand, banking commissioner, was approved by 91st district court this week. The note, balance on which \$221 was due, bore interest at 10 per cent.

Former Eastland Resident, G. S. Stire, Is Dead

Death of a former Eastland resident, G. L. Stire, about 47, at his home in Pleasantville, Iowa, was learned by friends in Eastland Wednesday.

The former Eastland Penney store manager experienced a heart attack, according to messages received.

Mr. Stire was manager of the Eastland Penney store when it opened in 1929. He left, coming back in the same position in 1932, leaving again in 1933.

In the Iowa town he was floor walker for a dry goods store, friends at Eastland said.

Survivors include his widow and two children, Betty and Bob.

EASTLAND MAN MADE DIRECTOR OF AN AIRLINE

Organization of the recently chartered Mid-Continent Airlines is completed, Hamilton, McRae, president of the Eastland Chamber of Commerce announced Saturday in Eastland following return from a stockholders meeting held in Fort Worth, where he was elected a director.

McRae, with O. E. Harvey and C. J. Rhodes, attended the meeting when R. H. Clement of Fort Worth and John Grimmett of the same city were elected president and vice president in charge of operation, respectively.

H. E. Edwards was elected secretary. He is a member of a Fort Worth law firm, Trammell, Chizum, Estes and Edwards. The board of directors will include Clement, Grimmett, Edwards and McRae, and President of the Sweetwater Board of Development Manroe.

Clement until recently was assistant supervisor of air commerce for the Department of Commerce in this section.

Grimmett has been private pilot for Lew Wentz, Tulsa oil millionaire; done flying for oil companies in West Texas and had charge of a fleet of planes for the Continental Oil Company at Ponca City, Okla.

Decision was made by the stockholders that Dallas would be headquarters and Braniff Airlines company in that city handle their ticket sales. Head offices of the company, however, will be in Fort Worth.

Tentative plans call for operation of the service, due before August 1, between Midland and Marshall.

Heads of the Mid-Continent Airlines arrived in Eastland Saturday afternoon in one of the tri-motored 10-passenger Stinson model U planes which they propose to operate on their route.

R. H. Clement and John Grimmett, president and vice president in charge of operation, respectively, led the arrivals. They were accompanied by Jack Ewing, associate pilot, and Ralph Botter, traffic manager and in charge of public relations. All are of Fort Worth.

Gulf Coast Well Is Producing Much Oil

LIBERTY, Texas, July 24.—Another Gulf Coast oil pool was opened today by a wildcat well drilled 15 miles north of here by Jack Frazier, Houston operator.

The well was the second major oil strike for the week for the coastal region. The well cleaned itself last night and early today. It was estimated at noon to be flowing 1,000 barrels daily.

DISMISS OLD CASE

Remaining on records for 14 years without prosecution, case of State Guaranty Bank vs. H. L. Owens et al. has been dismissed by 88th district court, an order on file in district clerk's office showed Tuesday.

DIVORCE GRANTED

Divorce to C. A. Van Horn from Lucille Van Horn was granted this week in 91st district court, an order in District Clerk P. L. Crossley's office showed Wednesday. Defendant's maiden name, Lucille Clements, was restored.

Rites Said Saturday For Brother-in-Law Of Mrs. W. H. Groves

Funeral services for Grady Johnson, brother-in-law of Mrs. W. H. Groves of Olden, who was fatally injured in an automobile accident near Duncan, Okla., on Thursday, were held from that city Saturday afternoon.

COUNTIES MAY NOT HAVE ANY LOCAL HEADS

AUSTIN, July 24.—Reorganization of the Texas relief setup under 38 rather than 264 local administrators will be considered by the state board of control next week.

Plans for the new organization have been drawn by K. S. Wendler, field supervisor for Texas relief commission. A map of the new districts show the 20 districts of WPA in Texas are subdivided except in two areas.

Under the present system each county has its own administrator. They would be substituted by a district office and subordinate forces of four to six employes in each county.

Shift of the employable relief burden from the state to WPA is responsible for the reorganization plan. Last check on employables who will be left for the state to support, according to the latest Washington reports, showed 55,880 cases of more than 250,000 persons.

Relief was granted to nearly 950,000 Texans last month, however. There were 97,328 direct relief families, some of whom had employable members.

Petit Juries Are Ordered by Court For Sept. Cases

Preparatory to opening of the August term on the first Monday in that month, 91st district court has instructed jury commissioners to draw petit jurors for two weeks of civil and criminal cases.

The group was instructed to draw 40 names for service the sixth week of the term beginning Sept. 9 and a similar number for the seventh week beginning Sept. 16.

The jury commission is composed of F. P. Brashier, Ranger; T. L. Cooper and R. L. Davenport, Eastland.

Morton Valley to Present Athletic Club Benefit Play

For benefit of their athletic club fund, teachers and patrons of the Morton Valley school will present a play, "The Scare Crow Creeps," tonight at 8 o'clock.

Sam Jones, principal of the school, is director for the play.

The cast is composed of Supt. Lewis Smith, Sam Jones, N. A. Smith, Inez Pickett, Till Harbin, Luke Weems, Chloe Weems, Margaret Tow, Mary Hogan, Lucille Johnston.

Aunt of Strawn Men Is Buried at Brownwood Tues.

Funeral services for Mrs. Lillie Foster, 80, aunt of Bean and Guy Robinson of Strawn, were conducted from the White & London Funeral home, Brownwood, at 10 o'clock Tuesday morning, with interment in the Evergreen cemetery following the services at the chapel. The services were conducted by Rev. Karl Moore, pastor of the First Baptist church of Brownwood.

The decedent was born at Pleasant Hill, Ala., Nov. 24, 1854, and died at her residence, 1500 Fisk street, Brownwood, Monday morning at 6 o'clock. She had been a member of the First Baptist church of Brownwood for many years.

Pallbearers were Cecil Davis, Conner Scott, Ben Bell, A. N. Thompson, Joe Turner and Bob Bell.

Short Course To Attract Over 30

Thirty Eastland county clubwomen and others have signified their intention to leave Sunday for the farmers' annual short course at College Station, Miss Ruth Ramey, county home demonstration agent, stated Tuesday.

The group will leave in the Pioneer school bus.

Possibility of three others additional to the 30 attending the course was expressed by Miss Ramey.

THE WEEKLY CHRONICLE

Established Nov. 1, 1887

Entered as second-class matter at the postoffice at Eastland, Texas, under Act of March, 1879

Published Every Friday
Office of Publication: 106 East Plummer Street. Phone 601

NOTICE TO THE PUBLIC

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation, which may appear in the columns of this paper, will be gladly corrected upon being brought to the attention of the publisher.

Obituaries, cards of thanks, notices of lodge meetings, etc., are charged for at the regular advertising rates, which will be furnished upon application.

Rabbit Fever Is Reported In State

AUSTIN.—A number of cases of tularemia, sometimes called Rabbit Fever, have been reported to the State Department of Health, according to John W. Brown, State Health Officer. The disease is usually transmitted during the hunting season by the handling of infected rabbits when there is a break in the skin. The cases now being reported are probably due to the bite of the wood tick.

The disease is known to be caused by a minute germ which infects a small percentage of rabbit, and in addition, a variety of other animals. The germ is spread among animals by blood sucking flies, or ticks which draw blood from an infected rabbit and later carry infection to other animals. A rabbit that is slow and fails to get off to a good start is apt to be infected.

The disease usually starts with symptoms that resemble grippe or influenza. It has often been mistaken for typhoid fever. In many cases an ulcer develops at the site of the infection. Whatever form it takes, means a long, serious illness. The family doctor should be sent for without delay whenever symptoms develop that suggest rabbit fever. To assist in the diagnosis of the disease, blood tests for the presence of the infection will be made by the State Laboratories, at the request of the city or county physician, for any case in the county.

Register Kept Of Ex-Convicts

BIRMINGHAM, Ala.—Birmingham police are going to keep in close contact with all ex-convicts in this district.

Failure of a person convicted of a felony within the last five years in any state in the Union to register with the identification bureau of the local police department will subject that person to a six month's term in the city jail and a fine of \$100.

Grover C. Giles, chief of Birmingham detectives, decided that too many convicts were being paroled, not only from Alabama prisons, but all prisons. He explained the situation to the city council and offered a plan. The city council passed an ordinance.

That ordinance requires all former felons living in Birmingham to register with the police. Transient felons must register if they are to be in Birmingham for as long as 25 hours.

Giles declared there was no possible way to check on a man as long as he remained in the city and his activities were not brought to the attention of the authorities. But if he has been convicted and the police are "tipped" as to his status, or if he is seen with questionable characters he

may then be placed under arrest and is subject to fine.

"It is not our purpose to 'hound' anyone," Giles said. "This is merely a way of keeping tabs on those who are liable to give us trouble."

The police department holds as confidential all registrations made by ex-convicts who are "going straight." Approximately 125 had registered a week after the ordinance was passed.

Giles said he knew of only one other city, Miami, Fla., which had such a law; but declared that he thought it would be only a question of time until every municipality passed some similar law.

College Head Speaks At 9:49 Bible Class

Members of the 9:45 Bible class heard Dr. C. Q. Smith, president of McMurry college in Abilene, at their session held Sunday in the Methodist church.

Miss Virgie Sue Wyatt of Olden played a xylophone solo.

Seventy-three attended including the following visitors: Mrs. W. E. Mitchell, Ranger; W. M. Buckley, San Antonio; F. W. H. Wehner, Del Rio.

Plowboy Schedule Is Announced

STEPHENVILLE.—Fall schedule for the John Tarleton Plowboys has been announced by W. J. Wisdom, head coach.

They will play 10 games in the Central Texas Junior College conference, five of them being home games.

The schedule follows: Clifton College at Clifton, Sept. 20; Hillsboro Junior College, at Stephenville, Sept. 27; Daniel Baker at Brownwood, Oct. 5; Decatur College, at Decatur, Oct. 12; Hillsboro Junior College at Stephenville, Oct. 26; Texas Wesleyan college at Stephenville, Nov. 2; Weatherford College at Stephenville, Nov. 9; Texas Military College at Stephenville, Nov. 16; Ranger College at Ranger, Nov. 23.

Contented Life Is Girls' Big Problem

BOSTON.—Contentment represents nine-tenths and financial return only one-tenth of a girl's vocational problem, according to Dean T. Lawrence Davis of Boston university's college of practical arts and letters.

"When a young woman, doubtful about the occupation in which she should engage, seeks advice from a competent counselor," Davis said, "the first question which she is likely to be asked is, 'What would you like to do best of all, provided a way could be found for you to do exactly that work?'"

"The counselor knows that in the answer to this question lies the secret of a happy, contented life, a life filled with congenial activities."

In illustration of his remarks, Davis pointed out that an interest in art may lead to commercial art, costume design, fashion, fine arts, illustration and interior decorating.

Oil Allowable of District Reduced

Revised oil allowable for this section for the remainder of July and through August has been announced by the Texas Railroad commission.

Eastland county's daily allowable has been reduced to 3280, a decrease of 197 barrels from a former figure.

New daily allowables for this section and the increase or decrease of increases are as follows: Brown, 1859, 41 decrease; Callahan, 1621; 79 decrease; Coleman 1256, 89 decrease; Comanche 85, decrease 13; Fisher 6398, 281 increase; Haskell 17, decrease 3; Jones 1719, 210 decrease; Palo Pinto 417, 49 decrease; Shackelford 5912; 121 decrease; Stephens 5079, 176 decrease; Taylor 130, 19 decrease.

Annual Bridge Classic Planned

HOUSTON.—Bridge addicts of the state have been invited to attend the third annual "classic" of the Texas Contract Bridge League to be held here Oct. 25, 26 and 27.

Bradley Alley, league secretary, announced that the tournament, which will carry a first prize of \$125, will be held at the Houston Bridge Club.

Alley said that Victor Emanuel has been named chairman of the special tournament committee which includes Eileen Stewart Langham, co-chairman; Gus Wortham, M. O. McDonald, Mrs. A. S. Vandervoort Jr., Mrs. Sidney Strauss and George Rotan.

Entrants from every large city of the state will vie with more than 50 local entrants, according to plans, and nationally known

players have been invited to attend. Jack Rose will direct tournaments in the various cities to qualify winners for the finals in Houston. Trophies will be awarded in the men's pair, women's pair, mixed pair and team-of-fours, Alley said.

Eastland Personals

Claude Vance Kincaid has returned to his home in Mineral Wells after a nine weeks visit with friends and relatives in Eastland and Ranger.

Mr. and Mrs. Earl Montgomery of Oklahoma City, Okla., nephew and niece of Judge Clyde L. Garrett, returned home after a visit.

Miss Virginia Neil Little, daughter of Mr. and Mrs. J. F. Little, is home after a six weeks course at Texas Tech, Lubbock, and visited in Amarillo en route to Eastland.

Mr. and Mrs. Joe Nelson and Mr. and Mrs. Vernon Nelson, who

have been visiting Mr. and Mrs. C. A. Byars, left Wednesday for their home in Mineral Wells.

Mrs. Lula Montgomery of Oklahoma City, sister of Judge Clyde L. Garrett, was his guest the first of the week.

Mrs. Nolan Butts of San Angelo arrived Monday with her mother, Elizabeth G. Lindsey.

We can repair your tire at a reasonable price... and the work stands up, too!

If you have hard luck with a Seiberling we repair free or replace on a monthly basis instantly—no waiting.

He's a Broadway Gondolier

He drove a taxi and was thrown out of radio stations. But when he paddled a gondola, radio begged for his favor. He's Dick Powell, singing new song hits in Warner Bros.' "Broadway Gondolier", the highly amusing film opening at the Lyric Theatre on Monday.

What is the yardstick for a cigarette...

Take mildness for one thing—how does it measure up for mildness?

Chesterfields are *milder*—not flat or insipid, of course, but with a pleasing flavor.

Then take taste for another thing—does it have *plenty* of taste?

Chesterfields taste *better*—not strong but just right.

In other words, They Satisfy—
that's my yardstick for a cigarette.

Chesterfield... the cigarette that's *MILDER*
Chesterfield... the cigarette that *TASTES BETTER*

ects Bridegroom in Barbaric Region Forgotten By Explorers

it part of their job to supply wood for fires. Usually they have only one wife, the anthropologist explained, although there appeared no reason except the practical one of sharing a husband to prevent polygamy.

Rackets Are Bared In "Ruff Sheets"

ST. LOUIS, Mo.—Business men are being victimized by "puff sheets" — fly-right, wit-o'-news magazines without legitimate circulation which peddle praise for profit, the Better Business Bureau advises.

men who similarly fell for the racket. The Better Business Bureau has circulated its entire membership against the "puff sheets," naming many of them. Publication of the titles, however, would do little good, for their names are changed over night.

Ancient Spanish Documents Tell Of Early History

SAN AUGUSTINE, Texas.—Sidelights on the military and civil life of persons living in the Spanish province of Texas in 1804 are reflected in translations of the Bexar county archives received recently by County Clerk B. L. Landon.

Two Victims Tell Of Weird Torture Cult in Canada

VICTORIA, B. C.—Three young Vancouver Island men, members of a strange "torture cult" known as the "United Order of Nails," are awaiting trial here on a charge of assault on two youths during a brutal "initiation ceremony" in a deserted barn.

found when he was captured, and his explanation was that he lost them, horse and all, while swimming across a river. The king, however, was disposed to show mercy upon deserters. In a decree from Madrid published in Bexar April 15, 1805, was the following:

Two Victims Tell Of Weird Torture Cult in Canada

VICTORIA, B. C.—Three young Vancouver Island men, members of a strange "torture cult" known as the "United Order of Nails," are awaiting trial here on a charge of assault on two youths during a brutal "initiation ceremony" in a deserted barn.

ment by the cult, whose practices appear to resemble rituals staged by barbarians. Hired as Musicians Lindstrom and Share, who are musicians, said they had been engaged to provide music at an event described as "A Midsummer Night's Dream and Masquerade Dance."

Joan. "Except that Franchot's laugh is the most infectious in the world." The discussion began on the "No More Ladies" set at Metro-Goldwyn-Mayer, when the star's new picture was being filmed, with Montgomery, Tone, Edna May Oliver, Charlie Ruggles and others.

JOAN CRAWFORD NAMES SCREEN LOVERS WITH PLEASANTEST SMILES

Robert Montgomery . . . Franchot Tone . . . Clark Gable . . . Ronald Colman—these are the men selected by Joan Crawford as having the most "charming smiles on the screen."

put on gaiters in which tacks had been driven so that their legs were gashed when they walked. They were pushed in their bare feet across a floor littered with tacks. Finally, they were gagged, dressed in old clothes and thrown into a lake, from which they extricated themselves with difficulty.

MOVIE PRODUCTION STOPPED TO HEAR MILLS BROS. SING

Four radio singers almost brought production to a complete standstill at Warner Bros. studio recently. The quartette that almost disrupted the filming schedule for

the day was the Four Mills Bros., nationally famed as "Four Boys and a Guitar" on the stage and radio. They were working in "Broadway Gondolier," which comes to the Lyric theatre on Monday.

Music and lyrics are by Harry Warren and Al Dubin. Lloyd Bacon directed the picture from the screen play by Warren Duff and Sig Herzig, based on the story by E. Y. Harburg, Sig Herzig and Hans Kraly.

They were working in "Broadway Gondolier," which comes to the Lyric theatre on Monday. When news spread among the workers on the lot to the effect that the Mills Bros. were singing on one of the sound stages, all roads automatically led there.

They recorded five songs, three of which were written by Harry Warren and Al Dubin. "Sweet and Slow," "Lulu's Back in Town" and "Latin From Manhattan," the latter being one of the hit songs in the Al Jolson-Ruby Keeler picture, "Go Into Your Dance."

Directed by Edward H. Griffith, and produced by Irving Thalberg, "No More Ladies" opens today at the Lyric theatre.

Music and lyrics are by Harry Warren and Al Dubin. Lloyd Bacon directed the picture from the screen play by Warren Duff and Sig Herzig, based on the story by E. Y. Harburg, Sig Herzig and Hans Kraly.

Like a proud father, Premier Benito Mussolini (left) relaxed his usually stern features to smile happily upon massed Black Shirt troops as they cheered him to the echo for his stand committing Italy to war on Abyssinia. Bound for service in Africa, the Italian troops at right carry full tropical kits as they board a transport at Eboli, near Salerno.

Penn Students Get Aid from FERA

PHILADELPHIA — University of Pennsylvania students who worked part time under the FERA during the past 13 months, have earned \$95,180, the university announced.

During this period the students worked a total of 217,979 hours earning an average of slightly more than 43 cents an hour. The average earnings per month per student, however, were limited by the government to \$15.

WILL BE STOP EASTLAND MEN MONDAY MORNING

the Chamber of Commerce building. R. H. Clement, president of the airline, told of queries by Breckenridge business men and their eagerness to buy the stock which would assure them speedy connections east and west. Motion for Breckenridge to be on the airline was made by Karl F. Page and seconded by J. E. Lewis. Increased revenues to stockholders will come by the move, Clement predicted. Express carriage in to Breckenridge will alone pay for

the 18-mile "jog" in the line, he indicated. Logic of Breckenridge being on the line was presented by J. T. Cottingham, who stated that there was possibility of a paralleling and competitive line being formed in the future. "If we can hold this line for the critical six months, we've got something," the airline head stated. Mail contracts will be eligible for the line then, he stated. Organization of the company was completed last week when Clement, former department of commerce official, and John Grimmett, airman of wide experience, were elected president and vice president in charge of operation, respectively. Hamilton McRae, president of the Eastland Chamber of Commerce, was elected a director. The company heads and Jack Ewing, associate pilot, and Ralph Botter, traffic manager and pub-

licity man, spent the week-end in Eastland. They arrived Saturday in a 10-passenger tri-motored Stinson Model U plane. Stockholders at the meeting were McRae, J. E. Lewis, C. J. Rhodes, Ben Hamner, Albert Taylor, W. H. McDonald, Earl Bender, Ben Scott, J. T. Cottingham, O. E. Harvey, K. F. Page. Two stockholders, M. L. Keasler and A. H. Rhodes, were absent. Also attending the meeting were John Grimmett, Jack Ewing, and H. C. Davis, Eastland Chamber of Commerce secretary.

Two-Minute Talks, Orchestra Heard At Rotary Meet

Two minute talks by six members of the Rotary club and delivery of three numbers by an orchestra composed of Eastland youths were program features at the organization's meeting Monday.

"How to Obtain the Greatest Benefit from Rotary," was the subject of Dr. J. H. Caton. "Visiting Rotarians" was discussed by B. M. Collie. "How Rotarians Can Help Athletics," was told by C. A. Hertig. James Horton told "How to Make Our Town a Better Place to Live In." J. E. Lewis told his observation of the usefulness of the Eastland Rotary club and S. M. Gamble corroborated the impression.

The orchestra was composed of Junior Lovett, Jack Brown, Rex Gray, Leslie Cook, Milan Williams and Misses Jane Ferguson, Alma Williamson and Clara June Kimble.

Program committeemen were T. E. Richardson and Carl Johnson. President Ben Hamner announced district Rotary Governor Jim Wilson of Floydada would speak at next week's meet.

T. E. Richardson reported on a trip of an Eastland group to the Denton Jersey Cattle club's annual picnic.

Visitors were W. L. Brown of McKinney, guest of F. V. Williams; Capt. Penick of Booneville, Mo., guest of James Horton, and F. P. Mundy, guest of B. M. Collie.

Minstrel Assures Football Boys of Encampment Trip

With assurance that the football boys will have an encampment in August, H. C. Davis, chairman of the benefit minstrel presented Friday night at the Connellee theatre, announced Saturday that over \$150 was cleared.

Over 300 attended the show, the chairman stated. The \$150 clearance figure represented what was made on the program and receipts at the theatre.

Attributing the success to confining it within Eastland's precincts, as far as talent, director, and material was concerned, Davis extended thanks to merchants and all co-operative individuals.

J. B. Moreno, safety relief officer with headquarters in Eastland, was praised for his directorial efforts. Moreno furnished material and performed in the benefit.

Selection of the football en-

campment site has not been made. Rev. Charles W. Estes and C. A. Hertig, school business manager, will go to Buffalo Gap this week to inspect a suggested site. G. W. Collum was musical director for the show; C. A. Hertig, publicity, and P. B. Bittle in charge of ticket sales.

As far as could be recalled, the show was the first No. 1 minstrel success in Eastland ever produced entirely locally.

Those taking part in the show included J. B. Moreno, Desmond Daniels, Cy Reed, W. O. Wright, Judge Clyde L. Garrett, J. D. Harvey, Wendell Seibert, H. C. Davis, Bud Ferris, Miss Juanita Smith, Dace Myers, J. D. Hawley, A. E. Herring, B. M. Collie, Edmond Herring, Ernest Jones.

Miss Rose Marie Rutledge, guest of Miss Marzelle Stover the past week, will leave today for her home in Wink.

Mr. and Mrs. George Uttz and children left today for California, where they will attend the Pacific Exposition at San Diego and visit in Los Angeles and other points.

Eastland Youth Is Club Entertainer

Edmund Herring, son of Mr. and Mrs. A. E. Herring, played accordion solos Tuesday when Lion Club members held their weekly luncheon on Connellee hotel roof.

Report on his trip with others to the Denton Jersey Cattle club's annual picnic last week was given by H. C. Davis, Chamber of Commerce secretary, who was a visitor.

T. M. Collie presided in absence of John Barke, club president, who is attending the International Lions convention in Mexico City, D. F.

Joe Gray, son of Mr. and Mrs. Walter Gray, has returned home from the A. & M. college at College Station for the summer.

Judge and Mrs. O. C. Funderburk are spending several weeks outing at Fort McKavett, near Menard, Texas.

Official To Be Guest Speaker At 9:49 Meeting

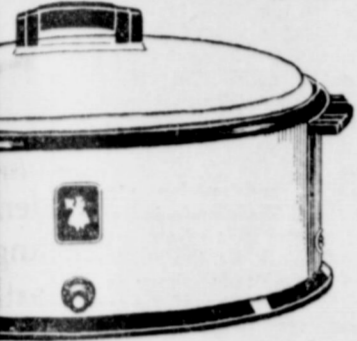

John Lee Smith of Throckmorton, supreme deputy grand chancellor of Knights of Pythias for four states, will be guest teacher at the Men's 9:49 Bible class Sunday, P. L. Crossley, president, announced Tuesday.

The class, undenominational, meets at the Methodist church.

Rev Lovell Slated To Speak Saturday On Eastland Street

Rev. J. A. Lovell of Dublin will bring his "Old Time Religion Church of the Air" to Eastland streets Saturday afternoon at 3:15 p. m., he announced Wednesday. Rev. Lovell stated he would use a public address system.

Night Softball In Eastland Soon, Is Fireman's Promise

Night softball will be played in Eastland within two weeks, A. W. Hennessee, fire chief whose organization has been working on the maza illumination project, assured softball fans Thursday.

The city commission last week arranged to trade taxes for a deed to a lot of R. F. Jones on North Seaman street. Measuring 240 by 460 feet, the ground will offer an ideal scene for night softball, Chief Hennessee stated.

The lot was selected after consideration of many by firemen, who desired an ample diamond, one easily accessible to fans and

one that would provide parking space.

Fourteen lights will be used, Chief Hennessee stated. Eight 1,000 and six 1,500 watt globes will furnish illumination.

Ultimate idea of the fireman's move was a recreation park. It is planned to use the east end of the field for softball and the west end for the recreation section. The field is located east of the rodeo grounds on North Seaman street and south of R. F. Jones' residence.

Evangelist to Tell of African Work at Church Next Sunday

Rev. S. W. Joiner of Virginia, who has been a missionary in Africa, will present his illustrated lecture of the work at the Church of God Sunday night at 8 o'clock.

TODAY AND SATURDAY

Robert Montgomery and Joan Crawford in "No More Ladies"

Rev. Joiner will be evangelist at the camp meeting of the Church of God which will be held at Gorman Aug. 4-11. The public has been cordially invited.

Eastland Scouts Back From Camp

Twenty members of the Eastland Methodist Boy Scout troop 103, returned from the Comanche Trail Council camp at Richland Springs Wednesday, bringing to a total of 35 that are back from the outing.

Raymond Pipkin brought back honors of being the most efficient camper, after election by scouts at

the camp. Troop 103 won second in a swimming contest.

The Arab Gasoline Corporation furnished transportation for the returning scouts.

Committee Named For CC's Smoker

Attendance committeemen for the Chamber of Commerce smoker Aug. 1 were named Thursday by H. C. Davis, secretary.

Named on the committee were Earl Bender, John Harrison, Carl Johnson, and T. E. Richardson.

The smoker, one of a series arranged by the chamber, will be held on Connellee hotel roof.

CHURCH OF GOD STATE MEET AT GORMAN AUG. 4

The Church of God will hold its annual camp meeting of the state at Gorman Aug. 4-11, with Rev. S. W. Joiner of Virginia as evangelist, it was announced here today.

Friday, Aug. 9 will be Young People's Convocation Day for the young people of the state. All services will be conducted or sponsored by the young people.

There will be attention given in a special daily service to organization and administration of Sunday School work and to vacation church school work.

Wanted-Eastland Beauty For Fete, Is Show's Request

Request that Eastland send a representative to compete in a beauty contest at the Brownwood Regatta association's annual fete was received Thursday by H. C. Davis, Chamber of Commerce secretary. The contest is slated Aug. 3.

The Brownwood show will be held Aug. 3 and 4.

The request to the Eastland secretary came from Mollie W. Armstrong, chairman of the fete.

Pastor Announces Sunday Sermons at Methodist Church

Rev. Rosemond Stanford, pastor of the Methodist church, Thursday announced his sermon subjects for Sunday as follows:

Morning at 11 o'clock, "Second Mile."

Evening, "Doing God's Will."

Services Sunday evening will be held on the church lawn. Special music is being arranged.

Darrell Tully To Play in All-Star Dallas Grid Game

Mainstay in the Eastland Mar-cricket squad for two seasons, Darrell Tully, 180-pound backfield man, left Wednesday for Dallas where he will play in an all-star game Saturday night at the Texas Coaching School.

Invitation to participate in the game was received by Tully Tuesday afternoon in a message from Dallas.

The all-star game will be between flash gridsters from the north and south sections of the state.

Rev. Mr. Estes to Preach at Strawn Church on Sunday

Rev. Charles W. Estes, pastor of the Eastland and Strawn Presbyterian churches, will preach at Strawn Sunday.

Plans are being perfected by Rev. Estes and church workers for a series of evangelistic meetings to begin at Strawn Sunday, Aug. 18.

Olden and Gordon Will Play Sunday

Announcement has been made that the Olden baseball team, which is one of the best in this part of the country, would play the Gordon team Sunday afternoon at Olden. The game is called for 2:30.

The two teams met recently and went into extra innings before it was decided by a one-run margin.

An equally good game is expected Sunday afternoon and a large crowd is expected to be present for the game.

Former Classmate of Rev. Estes Succumbs

Rev. Charles W. Estes, pastor of the Presbyterian churches at Eastland and Strawn, was informed Wednesday of the death of the Rev. J. S. Hodges, D. D., long time pastor of the First Presbyterian church at Denison.

Rev. Estes and Hodges were classmates in the seminary at Lebanon, Tenn., and intimate friends. Funeral services were held at Denison Thursday afternoon at 5:00 o'clock.

Rev. Estes was unable to attend the rites.

Justice of the Peace Milton Newman returned from Big Spring Wednesday night where his brother, Cleveland, is improving following a serious illness from pneumonia.

Mr. and Mrs. A. C. Simmons spent Monday and Tuesday in Dallas.

Eastlandites Will Vie in Roquet Games

Two teams of Eastland roquet players are planning to compete in the district tournament at Breckenridge Sunday.

C. C. Street and John Rawson expect to attend the tourney as well as "Curly" Maynard and Francis Jones.

John Tarleton to Seek Fund for New Dormitory

STEPHENVILLE.—Application to the federal government for a P. W. A. loan of \$205,000 for the construction of a dormitory for men students at John Tarleton College was announced this week by J. Thomas Davis, dean. A definite answer to the proposal is expected within two months.

The building as proposed would be one of the most modern and completely equipped of its kind in the state. It would meet the needs of men of substantial incomes, just as the Boys' Barracks and local rooming houses satisfy the demands of boys of more moderate means.

Building construction already underway at Tarleton includes that of the second unit of the science building. Work on the final unit of the women's dormitory is expected to begin soon. If the appropriation requested is granted, Tarleton building for the year will total about \$300,000.

The Biggest Quarter's worth of oil in America!

New Lubrite Motor Oil Surpasses Many Higher Priced Oils in Every Important Oil Test

AGAIN Magnolia has set a high standard of quality in motor oils with a vastly improved Lubrite Motor Oil in Refinery Sealed Cans at 25c a quart.

Before this improved Lubrite was offered for sale, it was subjected to every test known in oil refining. Tested against dozens of other oils . . . checked again and again for its ability to stand up

under terrific punishment as well as its resistance to gumming and carbon forming tendencies, Lubrite proved definitely that it is the best oil in its price class.

If you want the world's finest lubrication, we still say—use Mobiloil! But if you want the best lubrication that a quarter can buy, we urge you to ask for Lubrite.

Made by the Makers of Mobiloil

box wrapped in newspaper." Shifting back to the unexplained box, Black asked John W. Carpenter, president of the Texas Power & Light company: "Do you still say that in the morning (of the day before the vote) on the utility bill death sentence you didn't give a congressman a box wrapped in newspaper?" Carpenter, gray-haired, wearing tortoise-shelled glasses, answered, "I don't think I did, unless it was a few cigars."

Black abruptly recessed until tomorrow after asking Carpenter to "refresh his recollection" and to return for further testimony regarding his story of hotel confer-

ences, dinners and a trip down Chesapeake bay in which utility men and congressmen participated prior to the death sentence bill vote.

PRODUCTION OF OIL WILL TAKE DECIDED DROP

AUSTIN, July 20.—Texas oil production will drop sharply on Monday in one of the most drastic reductions ordered by the state railroad commission.

The giant East Texas field will be allowed a daily production of only 3 per cent of its hourly potential production, through the rest of the state a 7 per cent flat cut was ordered by the commission last night.

Total reduction is estimated at 80,573 barrels a day. That is double the drop in market demand for Texas oil that has been estimated by the United States bureau of mines for August. It will reduce the total daily production, if enforced, to 1,001,427 barrels. East Texas will be allowed 432,000 of this.

FINAL DRAFT OF TAX PLAN WORKED OUT

WASHINGTON, July 22.—President Roosevelt has vetoed a plan to avoid a fight with big business over his tax-the-rich program. The house ways and means committee, informed the president wants increased taxes on big corporations, today began a final draft of the measure.

The president had received congressional suggestion that the increased corporation tax features be eliminated. Charges by organized business that a graduated corporation income tax would be a levy against efficiency in industry had resulted in a tacit agreement by committee democrats to abandon such a tax in favor of an excess profits levy.

As a result of Mr. Roosevelt's request it appeared both a graduated corporation tax and an excess profits tax would be included in the bill the committee hoped to have ready for action next week.

Lawyers Oppose New Tax Program

LOS ANGELES, July 20.—After dodging direct criticism of the new deal all week, 3,000 delegates to the American Bar association's fifty-eighth annual convention were on record today as opposed to proposed tax provisions of the AAA act.

The delegates adopted a resolution offered by George Morris, chairman of the taxation committee, to oppose "final passage of any laws which would prevent court action to collect refunds on AAA processing taxes."

Thirteen Killed In Airplane Crash

AMSTERDAM, July 20.—The Amsterdam K. L. M. Airways company today announced that 13 persons had been killed when an airliner crashed into a mountain near the St. Bernard pass in Switzerland.

The company said the victims included nine passengers and four members of the crew. The plane was en route to Milan, Italy, from here.

The accident was attributed to heavy clouds obscuring the view. The plane was a Dutch-built Douglas.

Victims of the crash included two British citizens. First reports did not indicate if any Americans were aboard.

Another Ousted Man Takes Rap At Administration

CROCKETT, Texas, July 20.—Joe Humphreys, ousted executive secretary of the Young Democrats of Texas, lashed out today at President Roosevelt and Elliott Roosevelt in announcement of plans to organize a state's rights democratic group with its chief objective the defeat of President Roosevelt in 1936.

Humphreys, active member of the Young Democrats group, said the attack of the group would not be upon the president himself, but on his handling of affairs.

"The party has been betrayed and double-crossed by the present national administration and it is time for the democrats of Texas as well as those of the entire nation awoke to the fact," he said.

Both Sides Say They Have Won Terre Haute Strike

TERRE HAUTE, Ind., July 25. Both sides claimed victory today in the Terre Haute strike.

The controversy between employers and employees that cost about \$1,000,000 and shut down all business, ended 43 hours after it began with neither capital nor labor satisfied.

The walkout was called in sympathy of demands of striking workers in the Columbian Enameling & Stamping company that armed guards be removed from the plant. When the walkout was called off amid rioting last night it was admitted the status of the strike at the Columbian plant was unchanged.

COTTON LOANS MAY GO UP ON THE 1935 CROP

WASHINGTON, July 24.—Sen. John Bankhead, Democrat, Alabama, today said the government would lend cotton farmers at least 12 cents and possibly 13 cents a pound on this year's crop.

He said official announcement would be made as soon as the AAA amendment bill reaches the president.

"The administration is prepared at least to sustain last year's purchasing power for the cotton farmers and to protect cotton now under government loans by making a loan on this year's crops," Bankhead said.

"That loan cannot be less than 12 and it is hoped it will be 13 cents. Announcement has been withheld pending the continuance of the Bankhead act. That is being continued in the AAA amendment."

Bankhead said confusion growing out of court decisions has caused general demoralization of the cotton trade, resulting in a downward price trend.

POSTMASTER NAMED
WASHINGTON, July 24.—Representative Thomas L. Blanton today announced that certification of Mrs. Thelma Howard Bowen as postmistress of Sweetwater had been completed.

Canny Gully Wreak Havoc to Fruit Farm

SALT LAKE CITY.—A local influx of gulls and the subsequent competition for food among them has caused fruit farmers of Salt Lake and Utah Valleys great dismay.

Unable to light on the branches with their webbed feet, the gulls have learned to hover over the trees, beat the fruit down with their wings, and then fly to the ground and feast on the fallen

harvest. The birds have also been observed in the tops of the cherry trees, supporting themselves with outspread wings, devouring all the fruit within reach.

HIGHWAY LINKS EIGHT COUNTRIES

STOCKHOLM.—An automobile highway, encircling the Baltic Sea, and running through eight countries, is planned by the Joint Scandinavian Tourist Committee which reports that the new route will be ready as soon as the big Norwegian State highway is completed.

Hoover says this is a time "when men would rather be safe than free." One outstanding example is Al Capone.

FOR SALE—Second hand bathtub and sink. J. M. Wilcox, 308 North Connelley.

FOR RENT—Furnished five room southeast apartment. Private bath, utilities paid. 612 West Plummer.

WANTED—Middle age housekeeper with no children. See Robert H. Ball.

Med-in-steel mechanism now in both G-E Monitor, beautifully styled refrigerator

The mechanical performance of the refrigerator you buy is more important to you than all other refrigerator features combined. G-E Refrigerator mechanism is seal-in-steel, requires no attention, not even oiling. The only refrigerator mechanism with forced-feed lubrication. Carries 5 Years Performance Protection.

will you serve on a jury WITH THIS LADY?

Put Gulf "on trial"
Tried Gulf gas lately? If not, you've a big surprise coming. Put it "on trial" in your car for the next 3 weeks. Then see if you don't agree with this fair member of the Gulf "jury."

750 "Jurors"
750 car owners recently served as jurors in a "trial" of That Good Gulf Gasoline. They drove it for 3 weeks—compared it with their regular brands on (1) mileage (2) starting (3) pick-up (4) power (5) all-around performance.

Verdict—Gulf!
At the end of the trial, 7 out of 10 voted for Gulf on one or more of the five counts—many on all five. Why? Because Gulf is 5 good gasolines in one. Controlled refining gives it not merely 2 or 3 ideal gas qualities—but all five. Try Gulf 3 weeks. We'll bet it's your regular gas from then on!

ARMED REVOLT IS FEARED IN MEXICAN TOWN

BROWNSVILLE, July 24.—Rifle men and machine gunners manned the roof tops of Matamoros, Mexico, today as farmers picketing the city threatened to march in and take possession unless Mayor Raphael Munguia resigned by 4 p. m. today.

Munguia issued a statement saying he believed General Cervera, commander of the federal garrison, would intercede and prevent the march on the city. He added he was confident the situation would be worked out without bloodshed. The mayor refused to resign.

He said he would not give up the office until the majority of the citizens demanded it.

Armed farmers surrounded the city yesterday after parading peacefully Monday and presenting their demands for the mayor's resignation.

The demonstrators were armed with old model rifles and long cane knives.

Crop Conditions In June were Good

AUSTIN.—In all but the western portion of the state, rainfall was very heavy the first half of June, but during the later half of the month the precipitation was light and growing conditions became favorable. Moisture supplies are good in practically all of the State, except in a few counties in the extreme western portion; and in these moisture deficiency areas, conditions are greatly improved over those of a month ago. The condition of all field crops is much better than at this time a year ago. Except for citrus fruit, the outlook is for a much better fruit production than was obtained last season. Pasture condition on July 1 was better than the average for the past ten years. Feed supplies are abundant in the eastern two-thirds of the state.

The cotton average in Texas standing on July 1, 1935, is estimated at 11,357,000 acres, which is 5 per cent greater than the 10,816,000 acres standing on July 1, 1934.

With the exception of wheat and Irish potatoes, the acreage of the various crops in Texas are greater than were grown a year ago. The wheat acreage is below the average

harvested a year ago due to heavy abandonment following unfavorable weather last fall and winter. The potato acreage is unchanged from last season. Compared with the acreage harvested in 1934, the corn acreage is increased 12 per cent, oats 13 per cent, barley 7 per cent, tame hay 5 per cent, peanuts 8 per cent, sweet potatoes 8 per cent, and rice 11 per cent.

Plans to Light Valley Highway Being Discussed

EDINBURG, Texas.—A plan to light the lower Rio Grande Valley's 65-mile long "Main Street," State Highway 4 from Mission to Brownsville, with sodium vapor electric lamps has been suggested to Valley chambers of commerce by General Electric company.

The new lamps, recently developed, are reported to be in successful use in New York and other states.

Seven "test highways" have been selected in Texas for the purpose of testing the illumination provided by the new lamps, and the Texas Highway department has become interested in the proposal, reports indicate.

Installation costs of the lights are estimated to be about 10 per cent of the total cost of highway construction.

Kerrville Youth to Go to West Point

KERRVILLE.—George Cone, Jr., local youth has been given an appointment to attend West Point Military Academy.

George's father once received appointment to Annapolis Naval Academy and when he refused it Admiral Richard Byrd took it.

G. S. Cone was eligible and was listed in the Annapolis quota for 1908, but turned it down to engage in business.

Roosevelt Moves To Speed Tax Bill

WASHINGTON, July 24.—President Roosevelt took a hand in speeding up the tax-the-rich bill today and committee members said a memorandum giving treasury views on the measure was ready.

It was understood the White House, eager to quicken action on the bill and speed adjournment, suggested that treasury experts as well as Henry Morgenthau be called in for consultation.

1934 Cotton Crop Brought More Than Previous Years

COLLEGE STATION.—The cotton income of Texas farmers in 1934, one of the smallest crops in history was almost half again as large as in 1932 before the adjustment program was started, according to complete official state and country three-year cotton figures just received by Texas A. and M. College Extension Service from the Agricultural Adjustment Administration.

Farm values of Texas cotton last year, not including benefits payments, was more than \$32,000,000 larger than in 1932.

Benefit payments last year added \$34,132,000 to the cotton income and this figure does not include about \$9,000,000 worth of unsold Bankhead certificates in farmers hands.

Device Corrects School Tests

NEW YORK.—A tiny press, 8 1/2 by 11 inches, heralds the apparent death of the old system of correcting examination papers.

The aluminum press, covered with 288 squares and 1,440 tiny pins, will slash by 1,000 per cent the time to correct papers, according to its inventor, Hardin Lucas.

Lucas, 57, high school teacher in Brooklyn and formerly of Paris, Ky., spent more than \$7,000 and four and one-half years to develop his invention.

"It works on the principle of a stereotype plate," Lucas said. "A few hours are needed to set up the plate, then corrections can be made as fast as papers can be slipped into the press."

The press is particularly applicable to true-false, multiple-choice and matching-type examinations, but there is no limit to its adaptability, Lucas asserted.

Use is simple. A standard sheet of paper, called a lucogram, is given each pupil. This sheet is covered with squares dotted to resemble clock faces.

The pupil then signifies the proper answer by drawing an hour hand on the clock. If the statement is true, he draws a line on one side of the face; if false, on the other.

In multiple choice he draws an hour hand pointing to the number he believes is the right answer.

Soon as he is through he inserts the paper into the marxess press. Pressure forces tiny pins through the paper exactly where numerals usually are placed on clocks.

But only one hole shows on each face. This hole signifies the right answer.

The pupil merely checks his own paper and in two or three minutes he knows his own grade. And the teacher prepares more examinations.

Ginners Against, Farmers Are For Processing Tax

DALLAS, July 24.—The Texas Cotton Ginners association today was preparing to post \$100,000 bond which must be filed with W. A. Thomas, collector of internal revenue, to make effective a court order restraining collection of the cotton ginning tax.

Federal Judge Randolph Bryant who granted the injunction against collection of the tax, ruled that such a bond must be filed to protect the government in the event the gin tax is held constitutional and payment ordered.

DALLAS, July 24.—Texas farmers will challenge the legality of the tariff that protects manufacturing unless the manufacturers cease their war on the AAA.

"The AAA processing tax is the farmer's tariff," H. G. Lucas, of Brownwood, president of the Texas Agricultural association, said. "The manufacturing industry has destroyed the processing tax and now the farmers propose to destroy the tariff. If the processing tax is illegal the tariff is illegal."

Reporters May Be In Contempt of Court

ANGLETON, July 24.—Reporters and editors of three Houston newspapers faced possible contempt citations today for publishing accounts of the trial of Clyde Thompson, 23, charged with murdering a fellow convict.

District Judge M. S. Munson told staff correspondents of the newspapers yesterday he would hold them in contempt of court if accounts of the trial were published in papers circulated in Brazoria county.

He said it was difficult to get a jury because of newspaper accounts.

Judge Munson said today he was asked what he would do now that newspaper had published accounts of the trial.

"I am going to handle it in my own way," he said.

Applications Filed For Back Yard Wells

AUSTIN, July 24.—South Houston property owners wishing to drill oil wells in the "city lot" oil field, had 27 applications for drilling permits pending today, after presentations yesterday.

The applications were contested in most instances by Stanolind Oil company, discoverers of the first well. Some were contested for failure to certify land titles.

Lumber Outlook Continues Bright

AUSTIN.—The lumber industry in the South continues in the main to show considerable improvement in comparison with a year ago, according to the University of Texas Bureau of Business Research.

Average weekly production per unit during June, 271,422 board feet, represented an increase of 12.4 per cent over the previous month and 33.8 per cent over June, 1934, it was pointed out. Shipments per unit, 315,775 board feet, although 2.7 per cent below May, were 47.3 per cent above those of the similar month of last year. Unfilled orders, however, on June totaled 631,565 board feet, or 26.8 per cent below the corresponding date a month earlier, and 2.4 per cent below those of June 30 last year.

Woman Sues For Damages Because Of a Separation

DALLAS, July 24.—Because her parents-in-law induced her husband to leave her as they considered his social standing above hers, a Dallas woman filed suit today for \$500,000 damages.

The defendants, according to the petition are worth between \$3,000,000 and \$5,000,000 and live in Taylor county.

The petition sets forth the couple married in Breckenridge and came to Dallas to live. Shortly thereafter the parents-in-law began efforts to separate the couple. As a result she is filing the divorce suit.

GOOSE, 32, LAYS REGULARLY

RATHBUN, Ont.—William Smith owns a 32-year-old goose which still lays eggs regularly. The bird has been laying a daily egg for more than 30 years, Smith says.

SENATE HAS DEBATE OVER AAA CHANGES

WASHINGTON, July 20.—The senate, called into session two hours early, returned today to a bitter battle over the AAA amendment on which the administration has already been defeated in efforts to prevent processing tax suits.

Renewal of debate found southern senators again attempting to add a section of the amendments levying a tax on rayon to compensate for the cotton processing tax.

WASHINGTON, July 20.—Southern cotton farmers were reported prepared today for a "march" on Washington to defend the administration's farm program as the senate debated the AAA amendments.

Congressional opponents of the amendment to strengthen the act moved for action as processors in many parts of the country won initial court victories to prevent collection of taxes which support benefit payments.

Senator Joseph Robinson held the senate in session despite oppressive heat in an effort to speed a vote on the amendment. Debate on administration sections of the bill threatened to delay a vote until next week.

COURTS HAVE ABOUT KILLED COTTON PLAN

SHERMAN, Texas, July 20.—The government cotton control program today appeared headed toward defeat in Texas courts.

U. S. District Judge Randolph Bryant in granting an order restraining the government from collecting the ginners' tax under provisions of the Bankhead cotton control act, issued a statement yesterday in which he voiced belief that the act was "clearly and plainly unconstitutional."

The opinion, however, was not part of the formal ruling as erroneously reported by a press association, and Judge Bryant will reserve decision on the act's constitutionality until after a hearing set for Sept. 11.

Germany Opens Drive on Catholics

BERLIN, July 20.—Nazi Germany today opened its drive against the Roman Catholic church inspired by the anti-clerical decree of Gen. Hermann Goering.

In the Palatinate police closed the home of the Catholic Young Men's association. They based the closure on the grounds tension existed between Catholic and Nazi youths' organizations. A second reason given for the action was alleged Catholic opposition to the government and subversive activities against the Hitler youth league.

This is an era of change. Fifty Seattle men have entered a diaper derby.

Aged Resident of Mingus Is Buried

Funeral services for Joe DeHon, 79, of Mingus, were held at the Strawn Merchandise company chapel at Strawn Thursday afternoon at 4 o'clock, with Rev. Daniel Morgan conducting the services. Interment was in Mount Marion cemetery in Strawn.

The decedent was born in Paris, France, Dec. 27, 1858, and came to America when he was about 18 years of age and had lived in the Thurber-Mingus vicinity for the past 43 years. His wife, Jennie Vann DeHon, preceded him in death, dying July 24, 1928. He had resided in Mingus with his step-son, Bert Vann, for a number of years.

Surviving relatives are one daughter, Miss Birdie DeHon of Wichita Falls, and two step-sons, Bert and Paul Vann of Mingus.

Brazil's Cotton Export Surplus Is Estimated 936,000

WASHINGTON.—Brazil will have an exportable surplus of about 936,000 bales of cotton from the 1934-35 crop, says the Bureau of Agricultural Economics, on the basis of the latest crop estimates by the Brazilian government. Exports during the calendar year 1934, following the large 1933-34 crop, totaled 584,000 bales.

The Brazilian government now estimates the 1934-35 crop at 1,361,000 bales, whereas earlier in the season it was expected that about 1,600,000 bales would be grown. The reduced estimate is the result of unfavorable weather and boll worm damage in southern Brazil.
