County Court Status Cleared By Higher Court

A recent decision of the Court of Criminal Appeals at Austin in the case of Hutton vs. State from Comanche County held that the County Court did not have jurisdiction to try cases wherein the penalty of fine might exceed \$200.00, which included liquor cases and drunk driving cases.

Shortly after this decision was rendered three Eastland County cases, two against R. A. (Curley) King which carried jury verdicts of \$100.00 and \$325.00, and one against H. R. Short carrying a jury verdict of \$100.00, were appealed. Defendant's attorney raised the question as to the jurisdiction of the Eastland County Court and cited the Hutton case. Briefs were submitted by the State pointing out the error of the higher court in the Hutton case, and when the higher court considered the Eastland County cases it reversed itself in the Hutton case and affirmed the Eastland County cases.

The decision in these three cases seems to settle the question as to the jurisdiction of the County Court of Eastland County, as well as that of Comanche County.

The opinion of the Court of Criminal Appeals in the cases against King and Short clears up what might have been a serious condition insofar as it pertained to Local Option cases.

Seven from County Attending TSCW Summer Session

DENTON, June 16 — Seven students from four towns in Eastland County are studying at the Texas State College for Women summer session, the first term of which ends July 14. Of the seven students, four are in the sophomore class. Registration for the 1943-44 regular session begins September 20.

Sophomore students are Miss Freda Fern Erwin of Cisco, daughter of Mr. and Mrs. Fred Elwin, Miss Josephine Miller of Cisco, daughter of Mrs. Joe Clements, Miss Marjorie Louise Brown of Desdemona, daughter of Mr. and Mrs. R. A. Brown and Miss Mary Frances Stubblefield of Gorman, daughter of Dr. and Mrs. M. L. Stubblefield.

Miss Colleen Rose McKain of Desdemona, daughter of Mr. and Mrs. John R. McKain, is a Junior and business education major.

Senior student is Miss Francine Hatley of Ranger, daughter of Mr. and Mrs. P. O. Hatley, who is a music major.

Miss Evelyn Strickland of Eastland, daughter of Claude Strickland, is a graduate student doing work in library science.

County 4-H Boys To Be Honor Guests At Camp Barkeley

County Agent Floyd Lynch will head a group of five Eastland County 4-H Club boys who will go to Abilene today (Friday) where they will be honored guests of L. L. Johnson, State Boys club agent from A. & M. College. The meeting will be at Camp Barkeley and will be attended by representatives from each of the 7 counties in this district.

4-H Club boys attending the Camp Barkeley meeting are outstanding in the conducting of projects on dairy and beef cattle, hogs, chickens, sheep and goats. Those from Eastland county are: Billy Henderson, Morton Valley; F. L. Suprien, Olden; Bobby Walker, Cisco; Buddy Rodgers, Alameda, and Buddy Moore, Morton Valley.

Today's Thought

"Childhood may do without a grand purpose, but manhood cannot"—Holland.

Why Southern France May Be the Invasion Target

Southern France looms as a likely invasion target with announcement that Rommel, formerly of Africa, is rushing fortifications on the Mediterranean shore. Allies might strike on both Atlantic and Mediterranean shores like they did against Atlantic and Mediterranean coast of French North Africa last fall. The Nazis have had the least time to prepare their defenses here and a direct drive up the Rhone valley would by-pass Italy and its mountain barriers to attack on Germany. Unity of fighting Frenchmen in North Africa is another possibility that is being considered. France may be soon coming. Only disadvantage is the long naval haul open to attack from Axis bases, but still Britain is closer to Bordeaux than it was to Algiers, and Tunisia is closer to Toulon than the U. S. was to Casablanca in November, 1943.

COUNTY SHEEP AND GOAT MEN MEET, JULY 10

Eastland county sheep and goat raisers, at a meeting in Ranger last Saturday, set the date for their annual Field Day and barbecue for Saturday, July 10, and named Ranger's Country Club as the place for the annual meeting.

Dr. I. B. Boughton, Sonora Experiment Station, will be one of the principal speakers and will discuss goat diseases and parasites.

J. F. Donley of Ranger was elected as temporary chairman by the Ranger meeting.

Poultrymen Are Requested To Increase Flocks

Eastland County poultrymen are asked by the government to produce approximately 1,170,000 dozen eggs this year, 12 per cent more than in 1942, as their share of the Food for Victory program, the National Poultry Defense Committee estimated today.

This county goal, which is based on the percentage increase suggested for Texas by the U. S. Department of Agriculture, can be reached if adequate supplies of labor and feed are available, declared Committee Chairman Hobart Creighton.

"Poultry farmers are now working harder than ever in all-out war production," Creighton said, "continuing the fine job they did in this county last year by producing approximately 1,045,000 dozen eggs to help supply civilian, military and lend-lease needs.

Texas poultrymen, who produced a total of 233,916,000 dozen eggs in 1942, are asked for 262,671,000 dozen eggs this year as their share of the national egg goal of 4,780,000,000 dozen.

12 Billion Goal For New Taxes

WASHINGTON — (UP) Secretary of the Treasury Henry Morgenthau, Jr., says today the Treasury now has set \$12,000,000,000 for its goal in additional taxes under the new revenue bill scheduled for Congressional consideration later this year.

Funeral Rites For Mrs. Wm. Leslie Held Sunday P. M.

Funeral Services were conducted Sunday at 4:00 p. m. at the home of Judge and Mrs. W. P. Leslie, for Mrs. William Leslie 34, who died at a local hospital early Saturday morning. Internment was in the Eastland Cemetery.

Rev. J. Daniel Barron pastor of the Eastland Methodist Church, officiated. Hamner was in charge of the body.

Pallbearers were Jack Frost, D. L. Childress, Jr., W. B. Pickens, Ed Willman, B. F. McGlamery, Grady Pipkin.

Born Bertha Lee Parker, May 11, 1909, the deceased was the wife of William Leslie, son of Judge and Mrs. W. P. Leslie of Eastland, and who is serving with United States Military forces abroad and was unable to attend the funeral.

Boys 4-H Clubs Of County Holds Demonstrations

Field Day programs recently observed by Eastland County 4-H Boys' clubs included programs at Rising Star, Scranton, Desdemona, Morton Valley, Pioneer, and Alameda.

The club at Rising Star held demonstrations on caponizing chickens at the Rising Star grade school in the afternoon of Thursday, June 10.

The Desdemona club also held caponizing demonstrations at its Field Day meet on Tuesday, June 1.

The Scranton club boys held a peccan budding demonstration on June 7.

Morton Valley boys' Field Day program consisted of dairy cattle judging at the home of Buddy Moore.

The Pioneer club saw demonstration on caponizing chickens, while the same kind of demonstration was given by the Ranger club.

POWERFUL FORMATIONS CROSS CHANNEL TODAY; COLOGNE HIT WEDNESDAY

News In Brief

H. C. Hardin, with his family, has moved to Eastland from Cisco. They will live at 497 Foch Street. He is employed by Frank Castleberry.

You doubtless have heard and read the "Mad Dog" story. The City Hall is in the position to tell us, "We told you so," after their recent warning to have dogs vaccinated and tagged. Any person who knows of any dog having had contact with the dog that was killed and found to have rabies should report the fact to city authorities at once in order that they may take every possible precaution to curb Rabies. Also the campaign for vaccinating and tagging of every dog in the city, is gaining headway.

There is an Ordinance against trot lines and nets in the city lakes. The State Board of Health also forbids swimming in the City Lakes. The rules and ordinances must be obeyed.

Cards are to be mailed out advising the amount of the last half of 1942 taxes and city officials trust that those who have not already paid this obligation will attend to the matter in their usual prompt manner.

City officials again ask all owners of chickens and cows to take particular care to see that these do not run loose and destroy the neighbors gardens. City authorities are getting ready to start an inspection of chicken yards and cow lots to see that they are in a sanitary condition. This is an effort to keep down flies this summer.

J. T. Gray, veterans service officer, will be in Eastland again Wednesday, June 23, and will spend the entire day at the Chamber of Commerce where he will be glad to assist parents, wives and other relatives of service men with their problems.

The Board of Directors of the Eastland Chamber of Commerce in a recent meeting decided that for the "duration" the annual Fourth of July celebration would not be held in Eastland. It was definitely stated, however, that this annual event would be reinstated as soon as the present emergencies are over.

Claude Strickland in charge of the annual drive for funds for the Comanche Trail Council, Boy Scouts of America, states that Eastland's goal of \$800 is nearing realization.

Cornelius D. Judd, 64, director and professor in the department of social science and government at Texas State College for Women at Denton, died Tuesday night in a Ft. Worth hospital where he had been taken 10 days before. Mr. Judd formerly was a rural school teacher, having taught at Ranger, Carbon and Eastland in this County. He also served this county as County School Superintendent from 1911 to 1915. He joined the TSCW faculty in 1921.

Grandson Gets His Granpa's Souvenir

MEXIA, Tex. (UP) When 2nd Lt. Cecil N. Liles left Mexia for the wars, his 84-year-old grandfather begged him to bring back a souvenir.

He said he wanted a Japanese eyebrow.

Lt. Lile's family has been informed that he has been decorated for courageous service, but never has the lieutenant himself written of any action with the enemy.

Recently, this letter from the lieutenant arrived:

"Tell grandfather I've collected that souvenir."

Alaska Highway Gets New Name

WHITEHORSE, Y. T. June 16. (UP)—The Army Wednesday rechristened the famous 1,630-mile road to Fairbanks, Alaska, dropping the unpopular name of Alcan, and designating it the Alaska Military Highway.

Brig. Gen. James A. O'Connor, commanding General of the North West Service Command, said Alcan had never been accepted by the press of North America and that Canada, which the name was intended to honor, took the lead in urging that the coined word be discarded.

EXPLOSIONS FOLLOW SWEEP ACROSS EUROPE

June 17, 1943—By United Press

Powerful formations of Allied planes swarmed across the English Channel against Nazi Europe today, following up a block-buster bombardment of Cologne last night by the Royal Air Force and repeated sweeps of occupied territory. Two big explosions followed the attack.

As the offensive against Western Europe picked up weight again, that from North Africa eased up, but the relative lull over the Mediterranean failed to silence the clamor of Axis warnings against a possible Allied attack.

A hint of good news from the Atlantic was dropped by the London Evening Standard, which said the stage was set for the announcement of a great Allied victory over the U-boats.

Meanwhile American fliers, tearing the Japanese to bits in a huge air battle over Guadalcanal, shot down 77 Japanese planes and lost only six of their own the navy revealed today.

This was believed to be a new high record for a single American air engagement in any theater. It was scored on Wednesday.

The bag included 32 enemy bombers and 45 Zero fighters. The navy had no information yet on the total number of planes in the attacking force, and gave no hint of the number of U.S. craft which rose to meet them and won the smashing victory.

It was the latest in a series of American air conquests in that area and took another big bite out of the weakening Japanese air force.

The top-sid score brought to 1,115 the number of Japanese planes lost over the Solomons, according to a United Press compilation. U. S. fliers, in achieving this record, suffered only about one-fifth that many losses.

WASHINGTON (UP)—Fighting French sources today revealed receipt of underground reports of a German plot to have France declare war on the Soviet.

Carbon 4-H Club Boys Observed Field Day, June 7

Members of the Carbon Boys 4-H Club held their Field Day demonstrations and meeting at the farm home of Mr. and Mrs. W. E. Walker three miles south and east of Carbon, on June 7. Demonstrations in budding paper shell peccans on to native trees were conducted by Edwin Elms, teacher in the Carbon schools, and 4-H club worker, County agent Floyd Lynch, was also present.

Members attending the Field Day meeting brought basket lunches and these were spread at noon under large trees.

4-H Club boys attending were: Jack Wilson, Weldon Gilchrist, Jack Butler, Charles Driver, Earl G. Putnam, Monte Walker, Mack Weston, Roy Lane, Jr., Kenneth Powell, Raynald Payne Jo Putnam, R. A. Nelson, Charles McDaniels, Milton Underwood, Walter Maynard, J. H. Bethony, Jimmie Greer, Billy Joe Dennis and Roy Dennis.

Visitors were Pat and Mike Collins of San Antonio, Mr. and Mrs. Walker, the host and hostess, County Agent Lynch and Mr. Elm.

TOWN AND FARM IN WARTIME

(A Weekly News Digest From Federal Rural Press Section of the OWI News Bureau)

June 12, 1943.

Lower Meat Prices

Effective June 21, meat prices at retail will be lowered from 3 cents to 7 cents a pound by order of the OPA. New prices for cured and processed pork will go into effect on July 5. Reductions in price are smaller on cheaper cuts and larger on the more expensive. As in the case of the roll back of prices on butter, the lowering of meat prices will not directly affect the farmer producer. Subsidies, which began June 7, will be paid to anyone who slaughters 4,000 of meat or more per month.

Ration Reminder

GASOLINE — "A" book coupons No. 6, good for four gallons each, outside the Eastern gasoline shortage area.
SUGAR — Stamp No. 13 good for 5 lbs. through August 15. Coupons No. 15 and 16 are good through October 31 for 5 lbs., each for home canning purposes. Housewives may apply to their local boards if necessary.

COFFEE — Stamp No. 24 (1 lb.) is good through June 30.

SHOES — Stamp No. 18 (1 pair) became valid June 16.

MEATS, etc. — Red Stamps J, K, L, M, good through June 30. N becomes valid June 20.

PROCESSED FOODS — Blue Stamps K, L, M, continue good through July 7.

More Farm Machinery

A total of 300,000 tons of carbon steel with other materials in proportion, has been allocated to the farm machinery program for the quarter beginning July 1. An additional 200,000 tons of steel have also been approved for each of the three quarters from October 1, 1943, to July 1, 1944. During the latter part of this year, special emphasis will be given to the manufacture of harvesting machinery for this year's crop. The whole farm machinery program has been stepped up.

Inspection Requirements Changed

Tire inspections for commercial motor vehicles now may be made every 5,000 miles or every six months, whichever occurs first. ODT has announced. Previously, commercial vehicles had to have tire inspections every 5,000 miles or every 60 days, whichever occurred first.

Data On Prisoners

American soldiers officially reported as prisoners of war in enemy countries to date total 17,083, the War Department has announced. Of these, 11,307 are held by Japan; 3,312 by Germany and 2,464 by Italy. However, these reports are incomplete. Information in the hands of the War Department indicates that the basic diet of an American soldier in German prison camps

is largely potatoes, cabbage, fish and an indefinite amount of meat.

To Substitute Tires

Farmers needing farm implement or front wheel tractor tires will be permitted to purchase suitable substitutes when they are unable to find a dealer with tires designed expressly for their purpose, the OPA has announced. Dealers may also sell passenger car owner tire and tubes of a slightly different size than is called for by the rationing certificate.

Gas Coupons Changed

A new "TT" gasoline coupon, which replaces the present "T" coupon, will become valid for use on July 1. The old type of "T" coupon will be invalid on and after July 1.

Materials for Underwear

Materials for knit underwear for men, women, and children will be made available by an action of WPB. Manufacturers have been assured of supplies of cotton yarn, thread, fabrics and other materials to meet essential civilian requirements.

Workers Stay on Jobs

Labor and management in the Southwest have given overwhelming support to the national wartime no-strike, no-lockout policy, a report by the Eighth Regional War Labor Board reveals. The region, including Texas, Oklahoma and Louisiana, has far surpassed the recent national record of only three one-hundredths of one per cent of man-hours lost through work stoppages. In the seven months the Regional WLB office has been in operation, only four strikes has been recorded, the report showed.

Star 100 Times
Heavier Than Sun
Seen By Observer

AUSTIN, Tex.—A new double star which is believed to be perhaps 100 times heavier than the sun has been discovered at McDonald Observatory in West Texas.

Dr. Danley M. Popper this week reported the new star on the basis of 25 photographs he made with the 82-inch reflecting telescope at McDonald Observatory, operated cooperatively by the University of Texas and the University of Chicago.

The pair of stars is surrounded by a ring of gas composed of atoms thrown off by the system, which resembles a fiery pinwheel, he said. Spectrum lines indicate that elements composing one of the stars include helium and silicon.

"People are very nice about it"

"Sure! I'll be glad to limit my Long Distance calls to 5 minutes"

Sometimes when you've a long distance call to a war-busy place, the operator will say — "Please limit your call to five minutes. Others are waiting."

This doesn't happen all the time, because many long distance calls go through about as usual.

But whenever we have had to ask that calls be kept to five minutes, there has been a fine spirit of co-operation from the public.

We want to say thanks for that. Your help and understanding count double these days.

To all Home Canners
IMPORTANT

We have had a few reports of jar breakage during the process of oven canning. Sometimes this can result in serious consequences. Therefore, we wish to stress to all Home Canners the importance of following to the letter the rules governing oven canning. Like anything else, home canning, particularly oven canning, has very definite rules which must be followed if safe and successful results are to be obtained.

To the many thousands with no previous practical experience who are canning the products of their victory gardens, and the surplus vegetables and fruits, these DO's and DON'T's are especially directed:

DON'T

- Don't try oven canning unless you are absolutely positive that the oven on your range will maintain a constant, even temperature of 250 degrees.
- Don't use jars made just for storing or handling food such as mayonnaise. The glass will not withstand steam pressure or high heat.
- Don't use a cracked jar or one nicked around the rim.
- Don't screw or tightly set jar tops until after removing from oven.
- Don't guess at processing time.
- Don't allow cold air to strike hot jars.
- Don't crowd oven with too many jars.
- Don't fill jars too full.
- Don't begin oven canning until you thoroughly understand the method and know each step.

DO

- Do preheat and maintain oven temperature at 250 degrees, and make sure that temperature is held constant and not allowed to build up during processing time.
- Do use only jars of TEMPERED glass, that is, jars made expressly for canning purposes.
- Do check carefully all jars before you use them and make sure each is sterilized.
- Do follow manufacturer's instructions in the use of jar tops. Complete seal immediately upon removing jars from oven, if necessary and according to the kind of top used.
- Do count processing time from the time oven door is closed on an oven that has been preheated. Use approved time chart.
- Do shield hot jars when they are removed from the oven from cold drafts. Place them on several thicknesses of towel and cover with towel out of draft.
- Do leave enough space between jars and between jars and oven wall to permit good heat circulation. It is best to arrange jars two inches apart on shallow tray for easy handling.
- Do allow, in filling jars, at least one-half inch head-room at top for expansion and avoiding boil-overs.
- Do go by instructions from a reliable source such as Lone Star's Wartime Canning Booklet.

Bear in mind that the U. S. Department of Agriculture recommends, as in the water bath method, that only fruits and tomatoes, and tomato mixtures containing at least 50 per cent tomatoes, should be processed by the oven method. And then only IF you are positive and absolutely certain the oven temperature can be maintained constantly at 250 degrees.

MORNING SERVICE

The pastor will return from the Pastor's School at S. M. U. for the morning service. Last Sunday we had an excellent attendance in the morning service. We look forward to another one next Sunday. Your presence is a blessing to all who come. We try to make the service merit your time and interest. May we see you next Sunday.

EVENING SERVICE

The evening service will be dismissed. We invite our people to attend the special services being held at the First Baptist church.

COMING OUT

More of our people are coming out for the evening services. Still there is room for many more of you. The new quartet will continue to mean much to the services. It is composed of Homer Smith, R. E. Head, Max Ward and Clyde Fisher. Let us put something into this hour in our Sunday church work. We can make it a great one.

JUNIOR CHOR

Last Saturday our Junior Choir was one year old. It has meant much to the church. The choir has

meant much to its members. Mrs. F. L. Drago has worked faithfully and efficiently with this new singing group. We owe her a great debt of gratitude for her distinguished service. Mrs. W. E. Brasher and Mrs. T. M. Collie have been grand with their assistance. The children and youth have been loyal in the main. We are counting on them for still greater things in the future.

PICNIC FOR CHOR

Tuesday morning the Junior Choir celebrated its first anniversary with a picnic and swim. Fifty-two members and guests were present. It was a good day for us.

NEW YOUTH CLASS

A new class for young people got off to an encouraging start Sunday morning. Mrs. Earl Bender is the teacher. The class meets on the third floor, immediately above the pastor's study. Present Sunday were Patsy Sparks, Julia Lawson, Frances Beskow, Mary Page, Elaine Crossley, and Marjorie Harper. Others will be coming. The room will be dressed up. Tell your friends about the class.

Attend regularly.
A. & M. OFFERING
Or offering on the A. & M. building fund Sunday amounted to \$45. Or goal is \$100, which we doubtless will reach when all have contributed. We highly appreciate the gifts which, joined with thousands of others, will enable the Methodist Church to erect a building at the A. & M. College worthy of our church and the work we are doing there. We have some 2,000 Methodist boys in that school year after year.
W. S. C. S.
The regular weekly meeting of the Woman's Society of Christian Service will be held at four o'clock Monday afternoon.

FINANCIAL REPORT

We had a comparatively large attendance at the Board of Stewards Monday evening. There was a small deficit in the budget but a special committee composed of W. C. Campbell, W. F. Davenport, Homer Smith, and N. A. Moore was appointed to wipe it out. It will be done as heretofore. When you read these lines doubtless it will have been done.

WORLD SERVICE
What we give to the local church is what we spend on ourselves. What we give to World Service, and related causes, is what we spend on others. World Service is the unselfish part of our work. It is the highest aspect of our mission. Without it we would be Christian than we try to be.

Mrs. William Laelle, quiet and lovely soul, who had endeared herself to us all in a short time, suddenly went from us to her eternal home. She left us a book of remembrances.

MRS. SLAUGHTER

Mrs. J. R. Slaughter, a member of our church family, continues to live at her home. Drop in to see her. She is one of our most faithful members.

ARE YOU?

Are you the kind of person which if all other people were like you there would not be a single church in the city of Eastland in thirty days? Or, are you the kind of person which if all other people were like you there would be far stronger churches in the city of Eastland? Does your relation to the church end with an approval of it? Or, does it go on to a practical issue?

CHURCH SCHOOL

We have an effective church school. It is weak at some points but in the main it is a strong school. It will bless children and youth who attend it regularly. It will enrich adults. Its teachers put many hours of their time and thought into making it what it is. Its ministry is for you. Welcome to it.

MUSIC LAST SUNDAY

Our music last Sunday was grand. The anthem was worshipful and beautiful. The solo by Jack Chambliss made a notable contribution to the service. The church thanks the singers, the director, the organist, for their helpful services.

SEABERRY-FROST

The Seaberry-Frost wedding Tuesday evening was a memorable one. The church prays for the continuous happiness and well-being of Nancy Seaberry Frost and Cyrus E. Frost, Jr.,

Canning and Drying School Held June 9

Time and energy like money have to be managed aright in order to get the most out of them so to assist the busy housewife to budget her timea Victory School on Canning and Drying of Foods, was held in the Cafeteria of the Eastland High School Building, June 9.

Miss Gladys Martin, Co-Home Demonstration Agent and Miss Helen Childress, Assistant Agent, were in charge of the school. Seven Clubs were represented with thirty-five members present.

Miss Velma Smith and her Home Economics Class were visitors at the school.

Demonstrations were given in the canning of fruits, tomatoes, kraut and peppers, by packing raw, steaming and processing in a water bath and also packing raw, steaming and processing of vegetables.

Drying of fruits and vegetables were also a feature of the school the most important factor of home drying is speed, speed in bringing the product from the garden, speed in preparing it for the dryer and speed in the drying process. The more speed you use the higher the vitamin content of the dried food.

A school will be held in Desdemona June 21, 2 P. M. at the High School, everybody invited.

The county home demonstration Council met in the County Court Room of the Court House at 2 o'clock June 9.

The Baptist Herald

First Baptist Church
Rev. Homer J. Starnes, Pastor

The meeting has begun in an encouraging way. There has been a good expression of interest on the part of many of our people. The attendance at both services Sunday was gratifying. We trust that during these two weeks many of our unlisted people will find their place in Sunday school, Training Union, Church Service, etc.

Why not start next Sunday.

There will be services twice daily. The morning service at 10:30 and the evening service at 8:30. At 8:10 each evening there will be meetings of the various age groups for a pre-service prayer meeting. There should be large numbers of adults in these meetings. They have a group of fine young people, intermediates and juniors whom we can depend on to lead out in their age group. It is our plan to have the nursery open during services for the children. Further announcements will be made about this matter.

We are grateful for the presence of a number of our friends from the other churches in the services last Sunday night. We extend a cordial welcome to all the churches to every service. Your presence and prayers will give an uplift to the revival.

Rev. Jared Cardledge has not at this writing arrived from Corsicana. He is expected for the service Monday night (June 14). We anticipate his coming and welcome him into our midst for this revival effort. I am sure he will have good cooperation on the part of us all and we will do the best we can to make his stay here profitable in the Lord's work.

The Brotherhood meeting last week was inspiring and encouraging. The men responded in a most cheering way. We believe that others will find their place in this worthy organization and that it is going to mean much to the work. The purpose of the Brotherhood is that the men might be informed and enlisted in the whole program of the church. Every church needs men who are interested in every phase of the church work and are willing to give to it their presence and support.

Let those who sing find their place in the choir each night. Bro. Womack and Mrs. Kinnaird lead the music in a fine way. Let us give them our best support. Bro. Cox and Mrs. Boen have charge of the music for the morning hour and will render a most appreciated service here.

We gladly welcome Bro. and Mrs. Pritchard of Brownwood into the fellowship of the church. They have recently moved to Eastland and are starting right by uniting with the church of their choice. Many others ought to follow their example.

Many interesting reports were given by club delegates. Colony, the making of cookies for the home boys in service. North Star had made nine afaghans and several table covers for the Service Club at Camp Bowie. Worel reported testing of Community Cookers.

The Committee appointed to see the Eastland Mayor in regard to having a woman on the ration board reported that when there was a vacancy on the board the Mayor of each city would have authority to place the name of a woman as candidate for board member. Council meeting to be sent to the Service Club at Camp Bowie. Clubs brought cookies to the

GALVESTON, Tex. (UP)—Six white and thirty negro blind persons came to be interviewed by the job placement division of the state commission for the blind.

The negroes were told that there are not enough jobs in the state for them. Local officials of the state welfare department indicated that negro workers were not welcome in certain Texas cities.

Mrs. Francis Gilliam, supervisor of industries state commission for the blind, in a general talk to the negroes who came for interviews, expressed sympathy with them and the hope that something might be done to improve the situation.

The War Labor Board, in a recent ruling abolishing pay differentials between white and negro workers for a Texas company, said that "economic and political discrimination on account of race or creed is in line with the Nazi program."

While the chapters on military activities and industrial expansion are the principal items of current interest, the new Texas Almanac is essentially the all-round reference book that has been ranging through the whole field of Texas' historical, civic and economic data. The date of the battle of the Alamo, the cotton production of Jones County, the name of the State Comptroller, the number of deer killed in Texas in 1942 and thousands of other classes of information in as widely diversified fields can be found on its pages.

The Texas Almanac is a biennial publication, and the new volume is for two years, 1943, and 1944. It is bound in paper at 60c on newsstands, 75c by mail; also in cloth at \$1 on newsstands, and \$1.15 by mail.

Olden Jr. 4-H Club Has Meeting

The Olden Jr., 4-H Club sponsored a "Save and Share for Victory School" on June 10 at the home of Bettye Baker. A demonstration on canning berries was given by Helen Childress, Asst. County Home Demonstration Agent.

Members present were Johnny Chandler, Jogienn Garrett, Erma F. Graham, Juanita Rosales, Peggy Matlock, Rene Moore, and hostesses Betty and Mrs. Baker.

Defrost Your Electric Refrigerator Regularly

When the layer of frost that collects on the freezing unit of your electric refrigerator gets about as thick as a pencil, it is time to defrost. This frost actually acts like a blanket, for it keeps the cold from reaching the food that you want to keep fresh and wholesome. It also lowers the operating efficiency of your refrigerator and adds to the operating cost.

To save money and to get more-satisfactory service from your electric refrigerator, defrost it regularly. Consult your refrigerator instruction book for a recommended method of defrosting, and for other tips that will prolong the life of your electric refrigerator.

"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 20.

The Golden Text is: "To us there is but one God, the Father, of whom are all things, and we in him" (1 Corinthians 8:6).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "By the word of the Lord were the heavens made; and all the host of them by the breath of his mouth." (Psalms 33:6).

The Lesson - Sermon includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Infinite Mind creates and governs all, from the mental molecule to infinity" (page 507).

Miss Seaberry and Lt. Frost Married At Methodist Church In Eastland

Tuesday evening at 8 o'clock at the Methodist church in Eastland Miss Nancy Patricia Seaberry, daughter of Mr. and Mrs. Virgil T. Seaberry, became the bride of Mr. Cyrus B. Frost, Jr., lieutenant in the United States Army, and son of Mr. and Mrs. Cyrus B. Frost.

The ceremony was performed by the Rev. J. Daniel Barron before an altar decorated with pink and white gladioli, pink rose buds and blue delphinium and lighted by cathedral tapers. Preceding the service a violin octet and the Harmony Girls, a chorus of thirty voices, under the direction of Miss Wilda Drago and accompanied by the organ and piano, played and sang "Still is The Night" and the wedding march from Mendelssohn. Miss Emily Jean Grisson sang "At Dawning" as a pre-nuptial solo and during the ceremony "Love's Old Sweet Song" was hummed softly by the Harmony Girls.

First of the wedding party to enter were the four bridesmaids, Miss Lyle Rose Hankerson of Tyler, Miss Peggy Kimbrough of Wichita Falls, Miss Dorothy Perkins of Eastland and Miss Glenna Johnson of Eastland. Miss Lillian Spears of Cisco was maid of honor. All were lovely in identical dresses of Nile green marquisette. Tiny self buttons extended from the high round neck to the pointed midriff. Pleated ruffles accented the shoulder line, the bracelet length sleeves and also formed a pinafore apron on the bouffant skirts. Each carried a bouquet of big rose buds. The bride, who was given in marriage by her father, wore an exquisite gown of blush pink marquisette. Bands of imported Chantilly lace and self shirring were used on the elongated bodice and short sleeves. The very full hooped skirt fell over a quaint ruffled petticoat and formed a graceful train. Her finger tip veil of matching blush illusion was fitted to the head by a pompadour hat made of many layers of the illusion and lace ruffles topped by a bow of satin. She carried a bride's bouquet of pink sweet peas and blue delphinium.

The groom was attended by his brother, Mr. Billy C. Frost, of Dallas as best man and ushers were Virgil Seaberry, brother of the bride, Charles Freyschlag, Bobby Furse and Jim Whittington.

Immediately following the ceremony a reception was held on the lawn at the home of the bride's parents, 206 Parkett. The house party at the reception included Mrs. Joseph M. Perkins as hostess, Miss Dorothy Perkins of Eastland; Mrs. Emmett Graham, Miss Gloria Graham, Mrs. Alex Spears and Miss Lillian Spears of Cisco; Miss Emily Jean Grisson, Mrs. Claude Grisson, Mrs. James Horton, Mrs. John Turner, Miss Jeanne Turner, Mrs. Jack Frost, Mrs. Cyrus B. Frost and Mrs. Joseph M. Weaver of Eastland, and Mrs. M. R. Bullock of San Antonio.

The couple left for Columbus, Ohio, where they will live and where Lt. Frost is assigned to Major Fred C. Walker,

commander of the 5th Service Command. The bride chose for traveling a lime-colored shantung two piece suit with brown and white accessories.

Both young people were reared in Eastland and attended the University of Texas where Lt. Frost was graduated in 1942. Mrs. Frost was a member of the Kappa Kappa Gamma sorority and Lt. Frost was a Phi Beta kappa and member of Sigma Alpha Epsilon fraternity.

Out-of-town guests attending the wedding were:

Mr. and Mrs. Billy C. Frost, Mr. and Mrs. Wiley Biggs, Mrs. Paul Carrington, Miss Frances Carrington, Mr. and Mrs. Joe H. Jones, Mr. Joe Jones, Jr., Mrs. William de Sanders, Mrs. E. M. Turner, Miss Mildred Turner, Mr. Paul Turner, Mrs. L. V. Hall, Mr. Gaston Shumate, Miss Marjorie Carter and Mrs. Don Russel, all of Dallas, Texas.

Mrs. Fred W. Frost, Mrs. Myrtle Berquist and Mrs. E. C. Peerman, all of San Angelo, Texas.

Miss Louise Davis, Judge and Mrs. E. P. Brooks, Mr. and Mrs. C. M. Caldwell, Judge and Mrs. W. R. Ely, Mr. and Mrs. R. F. St. John, Mr. and Mrs. T. L. Fagg, Mrs. R. L. Faucett, Mr. and Mrs. H. B. Stevens, Mr. and Mrs. Henry J. Bass, Mr. and Mrs. H. A. Pender, Misses Joy and Martha Pender, Sgt. and Mrs. Albert Hudson, Mr. and Mrs. Roy Frost, Mr. and Mrs. O. A. Hale, Miss Emmagene Hale, Mr. and Mrs. J. O. Shelton, Mr. and Mrs. George L. Minter, Mr. and Mrs. C. B. Hicks, Mr. and Mrs. Lloyd Pool, Mr. Alfred Alexander and Miss Quinda Clemmons, all of Abilene, Texas.

Miss Janet McIntyre of Alpine, Texas. Judge and Mrs. J. E. Hickman, Mrs. B. T. Pettit, Judge and Mrs. M. B. Blair, Judge and Mrs. C. S. Slotton, Judge and Mrs. Grover Sellers, Mr. and Mrs. V. B. Keith, Mr. and Mrs. Claude Voyles, all of Austin, Texas.

Miss Lucy Thomas, Miss Charlotte Walters, Mrs. Carrie Slaughter, Judge and Mrs. William Panmill, Mr. and Mrs. O. P. Newberry, Mr. and Mrs. J. B. Thomas, Mrs. Marjorie Breisford, Mr. and Mrs. Keith Beyette, Mr. and Mrs. J. H. Bullock and Miss Marian Bullock, all of Fort Worth, Texas.

Mr. and Mrs. W. K. Hyer,

Above is Mrs. Cyrus B. Frost, Jr., the former Miss Nancy Seaberry, daughter of Mr. and Mrs. V. T. Seaberry of Eastland, who became the bride of Lt. Frost, Tuesday evening. Lt. Frost is the son of Mr. and Mrs. Cyrus B. Frost, also of Eastland.

Misses June and Betty Hyer, and Mr. and Mrs. Sterling Drumwright, all of Coleman, Texas.

Mr. and Mrs. M. R. Bullock, San Antonio, Texas. Mr. and Mrs. H. T. Etheridge, Jr., and Miss Lynn Etheridge, all of El Paso, Texas.

Mr. and Mrs. V. N. Burlison, Mr. and Mrs. J. H. Hankins, all of Lubbock, Texas.
