

THE WEEKLY CHRONICLE

ESTABLISHED NOVEMBER 1887: EASTLAND COUNTY'S OLDEST NEWSPAPER

VOL. 57

EASTLAND, TEXAS, FRIDAY MAY 26, 1944.

NO. 25

2 Allied Armies Join Forces Below Anzio

Last Rites For Mrs. Annie Webb Held At Romney

Funeral services were held at Romney, First Methodist church, Friday, May 19, for Mrs. Annie Belle Webb. Rev. Seza Kirkpatrick of Cisco officiating with interment in Romney cemetery. Mrs. Webb was born near Louisville, Ky., May 16, 1863 and died May 18, 1944 in the home of her daughter, Mrs. Newt Lewis of Eastland, with whom she had made her home for the past six years. Another daughter, Mrs. C. L. Holt of Abilene was at her bedside when death occurred.

Others surviving are two sons, R. S. Elliott of Cisco and C. T. Elliott, of Sweetwater, two brothers C. Shuman of Canyon and W. S. Shuman of Corpus Christi and two sisters, Mrs. A. E. Reynolds of Aubrey, Texas, and Mrs. J. L. Black of Carbon. Sixteen grandchildren and seventeen great grandchildren also survive.

Those acting as pall bearers were her grandsons, Earl, Robert, Herbert and Vernon Lewis, J. D. Holt, Clyde Stansell and Henry Van Green, with Ben Manner in charge.

Eastland Boy Has Job With War Dept. In Washington

Mr. and Mrs. F. M. Kenny are in receipt of a letter from their son, Billy Allen, who is in the War Department Chief of Staff Office, Washington, D. C., in which he states among other things, "Something came up that I didn't expect, I accidentally made the highest grade in my class, so they have graduated me. I got my assignment on the 21st, and now I am working in a definite place right in the 'middle' of the war."

Billy Allen's letter was dated May 22 at Washington.

H. V. Davenport To Be Candidate For Re-Election

Henry V. Davenport, commissioner of Precinct No. 1 in Eastland County, today announced his candidacy for re-election to that office in the coming election. The precinct includes Ranger, Eastland, Olden, Mangum and Tudor. Davenport stated that he felt that post-war conditions would be such that the office should be filled by someone that is thoroughly acquainted with the work, and this particularly influenced him in making his decision to run again. He also stated that he had contacted congressmen in Washington with reference to securing as much assistance as possible from them in meeting the post-war problems and that he had received favorable replies.

The commissioner has been a resident of Eastland county for fifty years and has served for sometime as commissioner of this precinct.

He stated that he felt that the record of his work is the best recommendation for his re-election that he could offer.

'ANY LANDING YOU WALK AWAY FROM IS A GOOD ONE'

CLIMBING OUT of the cockpit of his shattered plane, Ensign R. Black (arrow), Brigham, Utah, is shown after what the navy described as one of the most remarkable landings of the war. Shut up over Palau during a raid, Black was coming in with his hydraulic system gone, a large hole in the right wing, flaps useless, and his ailerons smashed. Suddenly he slipped sideways and shared off the tail of his plane and one wing on a gun turret. He landed uninjured as rescuers approached. Navy photo. (International)

Rising Star Man Gets Silver Star, Oak Leaf Cluster

WITH THE FIFTH ARMY, in Italy—For gallantry on the Fifth Army's Anzio beachhead in Italy, Technical Sergeant James A. Rutledge, Boulder, Colorado, has been awarded the Oak Leaf Cluster to the Silver Star. The citation reads: "The left flank of the position occupied by Company L was subjected to an enemy counter-attack by a superior force on the night of 7-8 February, Technical Sergeant Rutledge, Platoon Sergeant, Company L, accompanied by one of the men of his platoon who speaks fluent German, crawled forward under enemy artillery fire to a position on the edge of a ravine well in advance of friendly front-line troops. "From this position the enemy was provoked into attacking them. Sergeant Rutledge and his comrade successfully destroyed a large portion of this force with hand grenades and caused the remainder to return to their positions. The actions of Sergeant Rutledge were instrumental in breaking up the counter-attack and enabled his unit to hold its position. His courage and initiative are in the best traditions of the armed forces."

Eastland Men's Mother Dies In Duncan, Okla.

Mrs. J. W. Jackson, Sr. 73, mother of J. W. and Hal Jackson of Eastland, passed away at the family home in Duncan, Oklahoma, Saturday night. Funeral services were held Monday afternoon at the First Methodist church in Duncan of which she was a devoted member. Survivors include the husband and seven children, four sons and three daughters, all of whom were with her when she died. Thirteen grand-children, including two serving with the United States military forces over seas, also survive. Mrs. Jackson and her husband celebrated their 50th wedding anniversary on October 15 last, and on last Christmas visited their sons and their families in Eastland. Mr. and Mrs. J. W. Jackson and Mr. and Mrs. Hal Jackson and their families spent last Mother's Day in Duncan with their mother.

Cisco To Have One Minute Of Prayer Each Day

CISCO, May 21—Starting at 6 o'clock Monday afternoon, when the curfew bell at city hall will tap off six strokes, Cisco people are asked to pause for one minute and offer silent prayer for the success of our armed forces and the establishment of whole-home plans for the maintenance of peace throughout the world after final victory by the Allied nations. The local procedure is expected to continue daily until the end of the war. The one-minute daily prayer program was first introduced during World War I, when the hour was 11 a. m., but at the suggestion of President Roosevelt the hour of 6 p. m. has been adopted and Mayor Edward Lee has graciously agreed to have the six-stroke signal given here promptly at that hour each afternoon. The silent prayer program was revived in Cisco through efforts of Circle Three of First Presbyterian church auxiliary, of which Miss Willie Ward is chairman, Christian, First Baptist and First Methodist churches.

Eastland County Women Named On Camp Bowie Council

CAMP BOWIE, May 22—After a delightful luncheon served by the Red Cross Canteen at the First Methodist Church of Brownwood some 35 ladies of the Camp Bowie Camp and Hospital Council proceeded to Camp Bowie as a committee to arrange for curtains and drapes for 60 day-rooms for various organizations in the camp. The Camp Bowie Camp and Hospital Council purpose is to provide services, equipment of supplies which cannot be secured from official sources or cannot be obtained from these sources in time to meet the existing need. The officers elected unanimously for the coming year were: Mrs. H. H. Negus, chairman, Mason County; Mrs. F. M. Kenney, vice-chairman, Eastland County, and Mrs. Joseph M. Perkins, treasurer, Eastland County, re-elected. The council is composed of ladies from near-by counties who offer their services voluntarily. Mrs. Elanor Glenn, Assistant Field Director, the Gray Ladies hostess and guide for their visit, praised the splendid work and co-operation this organization is giving the Red Cross.

GAR Veteran Survives 1,001 In Home In 1912

GRAND RAPIDS, Mich. (UP)—Against actual odds of 1,001 to 1, fate dealt the winning hand to Martin J. (Pop) Warner. Today, well along toward his 99th birthday, he is the last surviving Civil War veteran at the Michigan Soldiers Home here, which in 1912 claimed an all-time high of 1,002 residents. Warner's life falls into a regular routine. He rises at 6 every morning, takes a cold shower and is waiting for breakfast at 7. From then on, in just that order, he walks down the hall, demands his medicine from the nurse on duty, visits ailing patients and "cronies," reads for an hour and discusses the events of the day with visitors to the home. "Going places" is his hobby. He never misses Tuesday night chapel ceremonies and has attended every state and national encampment of the Grand Army of the Republic. He continually manages to astound the audience at "these affairs by 'calling the roll' entirely from memory, in alphabetical order, from his old company, Co. H, 17th Illinois Infantry. Born in New York State, Warner will be 99 years old Nov. 11. He has lived in and around Grand Rapids ever since his discharge from the Army and has made plans to be buried here near his wife—with the GAR ritual said at his funeral. Warner claims to be one of the 15 remaining GAR members left in the state. Nationally, he says, there are only about 400 living Civil War veterans.

No Qualifying Affidavit Needed To Buy Explosives

Applications for re-issued license for the purchase of explosives need not be accompanied by the qualification affidavits in the application is made prior to the expiration, termination or revocation of the license sought to be re-issued, unless the licensing agent or the director, in his discretion, requests that qualification affidavits be again furnished, E. E. Wood, local issuing agent, stated this week. MEXICO CITY (UP)—Dr. Felipe Garcia Sanchez, sub-director of health for Mexican states and territories, has announced plans for construction of an anti-tuberculosis dispensary in the state Chihuahua.

COUNTY JUST MAKES APRIL BOND QUOTA

Cyrus B. Frost, county War Finance chairman today issued the following statement with reference to the April sale of bonds in the county: I have just now obtained sufficient information to state that Eastland County barely subscribed her quota of \$51,400 for the month of April. The reporting agencies in Eastland County show sales of \$50,126.80. When you add to this the average employer-employee deductions of about \$7000.00 that are not reported directly to your county office, but are reported to the State War Finance Committee at Dallas, we will be oversubscribed about the amount indicated. Sales for the month of April broken down are as follows:

Cisco	\$16,878.75
Eastland	14,284.25
Ranger	10,747.25
Gorman	4,374.40
Rising Star	2,680.25
Carbon	973.75
Olden	127.00
Dessdemona	23.25
Okra	18.80
Scranton	11.60
Nimrod	3.20
Pioneer	2.30
Dothan	2.00

Our quota for the month of May is \$51,400.00 and on Friday your county chairman made a trip over the county with Mr. R. L. Ponsler, Chairman for the City of Cisco, and at that time we found that only one-half of the quota for May had been subscribed. I am sure at this crucial hour we do not intend to allow a single quota to go unsubscribed and it is to be hoped that each citizen who intends to purchase, and has not done so, will go at once to his bank or post office and subscribe his part of the May quota.

We are getting ready for the greatest battle the world has ever known. This will be fought from the air, the land, the water surface and under the water. Our soldiers, together with our Allies, will assume the greatest responsibility and the most trying dangers possible to imagine. We know that they are going forward to this task with a song on their lips and a prayer in their hearts. What a task! What a sacrifice! What an immortal glory! In the light of this situation, can we here at home fail to do such a small thing as to buy the bonds that are necessary to back our boys in this crucial moment! No, they will not fail us and we will not fail them!

144,284 Texans In Marines, Navy And Coast Guards

DALLAS, Tex. (UP)—Enough Texans to man a good-sized invasion fleet—144,284 officers and enlisted personnel from the Lone Star state—were serving in the United States Navy, Marine Corps and Coast Guard as of Jan. 31, 1944, the Navy Department has announced. Members of the Navy Nurse Corps are not included in the tabulation, which is based on the states men and women in Naval service listed as their place of residence. New York has the most persons in Naval service—272,373. Other ranking states are: California 237,292, Pennsylvania 218,968, Illinois 181,863, and Ohio, 156,047.

Burnie Gaeta Of Eastland Finishes San Diego School

Camp Elliott, San Diego, Cal. May 24.—Marine Private Burnie Gaeta, of Box 411, Eastland, Texas, has been graduated from the Infantry and Browning Automatic Rifle Section School at Training Center here. Private Gaeta, born June 11, 1924, at Eastland, attended Eastland High school where he played football, and baseball. He was employed in a cafe before enlisting in the Marine Corps.

E. C. Satterwhite Enters Race For Co. Commissioner

E. C. Satterwhite of Eastland, with this issue of this newspaper formerly announces his candidacy for County Commissioner of Precinct No. 1, subject, of course, to the action of the Democratic primaries. A conservative businessman, Mr. Satterwhite is well and favorably known in Eastland county and throughout this section, having resided for the past 26 years in the County, 15 years of which time he was engaged in the hardware business in Eastland. He also was engaged for seven years in the gin business at Gorman. Mr. Satterwhite's long years of experience in serving the public and his general knowledge of the County's affairs, peculiarly fit him for a position such as the one he seeks. He has never held public office. "I expect to see as many of the voters of the precinct as possible and personally place my candidacy before them," Mr. Satterwhite said. He also stated that he possibly would have a formal statement to make later on in the campaign.

Lions Hear Little Miss Nancy Merrill In 3 Vocal Numbers

Little Miss Nancy Merrill, accompanied at the piano by her mother, Mrs. Charles Merrill, sang three numbers on the program for the Eastland Lion's club Tuesday at noon. The program was arranged by Lion Guy Parker. Lion Sam Poe will have charge of the meeting called for nominations for officers to supplement the nominations made by a nominating committee, but none were offered. Lon Sam Poe will have charge of the program for next Tuesday, which will be on May 30.

Appropriation, OK Given OWI

WASHINGTON, (UP)—The House appropriations committee, which a year ago emphasized its contempt for the Office of War Information by sharply curtailing its expenditures, today described it as an agency making a "valuable contribution" and voted it \$20,000,000 more than last year's appropriation.

MRS. LULA RIDDLE DIES IN FT. WORTH, TUESDAY

Funeral services for Mrs. Lula Riddle who died in a Ft. Worth hospital Tuesday night, were conducted at the First Methodist church in Ranger Thursday morning at 10:00 o'clock with Rev. H. B. Johnson and Rev. A. B. English, officiating. Interment was in the Evergreen cemetery with Morris Funeral Home in charge of arrangements. Mrs. Riddle, daughter of Mrs. Martha Rawls and the late T. O. Rawls, had made her home in Ranger at intervals during the past 60 years. She was a member of the Methodist church and had been active in club work as a member of the 1920 club. For a time she was employed in the General Land office at Austin. Survivors of the deceased include her daughter Mrs. Franz Kofeldt of Denison, a son, Leon Riddle of Ranger, three granddaughters, Mrs. John T. Anderson of Galveston, Miss Kay Kofeldt, Denison and Miss Hortense Riddle of Pawtucket, R. I.; her mother, Mrs. Martha Rawls, 93-year-old Ranger pioneer; three sisters, Mrs. John M. Gholson of Ranger, Mrs. George Davenport of Eastland and Mrs. Winifred Bowden of Midland; two brothers, B. O. Rawls of Ft. Worth and T. O. Rawls of Ranger. She has a wide circle of friends over the entire state. Mrs. Riddle daughter of Mrs. Martha Rawls, Ranger pioneer, passed away in the All Saints' Hospital in Ft. Worth, Tuesday, May 23 at 6 p. m. Her death followed a lengthy illness. Mrs. Riddle, nee Lula Rawls, who was born in San Augustine, Texas came to Ranger as a child with her parents, Mr. and Mrs. T. O. Rawls.

CLOSE GAP IN ARC AROUND RETREATING NAZI TROOPS

The two Allied armies in Italy joined forces on the coast below the Anzio beachhead today, closing the gap in the arc being drawn around the retreating Germans. The enemy, now subject to three-way pressure by the United Allied battle line, withdrew to the hills beyond the Apennine Way, leaving himself exposed to attack from the east, west and south. As the battle of Italy thundered to its climax, the pre-invasion offensive against Hitler's Europe closed in from two sides. American heavy bombers from Italy attacked Lyon and Toulon in southern France, while another great arm armada—1,000 strong—swept out from England to sustain the assault which broke all records for size yesterday. The junction in Italy was made by advance patrols of the Fifth Army from the beachhead and from the main front to the southeast. It paved the way for a two-way squeeze against the 17 German divisions being driven back into the mountains which Allied leaders believed would result not only in the fall of Rome but in a battle of annihilation. On the main front, Allied pressure was increased at both ends of the line and in the center.

Late Bulletins

WASHINGTON—Prime Minister Winston Churchill's surprise defense of Generalissimo Francisco Franco of Spain was believed today in some quarters to be a British attempt to protect Allied interests during the invasion of Europe. Surprise "Demonstration" BOSTON, (UP)—While school committeeman Clement A. Norton complained to a high school group about the "disgraceful" bill of \$30,000 which the city of Boston pays annually to repair broken windows, the windows of the auditorium were shattered with snowballs. The culprits were caught.

L. R. PEARSON CANDIDATE FOR STATE LEGISLATURE

L. R. Pearson, for the past 25 years an attorney in Ranger, today authorized this newspaper to announce his candidacy in the forthcoming election for the office of floratorial representative of Eastland and Callahan counties. "Judge" Pearson, as he is generally addressed, needs no introduction to the voters of the 107th District. He has, since coming to Eastland county, associated himself with every move for the advancement of the best interests of this section of the state and has spent a good deal of time with out compensation without public knowledge in many instances, in promoting the welfare of this area. He has never before sought public office and does so in this instance only at the insistence of influential men all over the district. He is an able lawyer, a Christian gentleman, and is thoroughly versed in the affairs of the State and Federal governments. The following statement has been issued by Pearson to the citizens of Eastland county: It has been suggested that I might be of service in the Legislature. I have, therefore, concluded to offer my candidacy for Representative of the 107 District, comprising Eastland and Callahan Counties. I am not a politician—professional or otherwise. I have never

sought public office before. I never received a State or Federal dollar in my life, other than the amount I was paid as a soldier in World War I. I shall favor:

1. No new taxes for the duration.
2. Strict economy in all matters of State, not directly connected with the war effort.
3. Post war planning now to enable business and industry to provide employment for our returning soldiers.
4. Eliminating the deficit in the general fund and keeping the State on a cash basis—without a bond issue.
5. Proper support of our public schools and institutions of higher learning.
6. Sensible State regulation of the oil business rather than Federal control.
7. A short session of the Legislature.

Oil is one of most important crops. Every farmer, ranchman, landowner, business and professional man, whether he realizes it or not, is directly or indirectly in the oil business. Oil is Texas' biggest taxpayer. A substantial portion of the area of Eastland and Callahan Counties is potential oil land, capable of producing oil or gas in paying quantities, but unreasonable legislation, regulations and restrictions in connection with drilling operations, price controls and other matters pertaining to the oil industry have seriously handicapped reasonable and fair development of this important natural resource. I feel that my active practice as an attorney, over a period of more than twenty-five years, representing farmers, ranchmen, landowners and independent oil operators, and my experience as a small producer, qualify me to render some service to the citizenship of the District in removing some of the unreasonable restrictions. I will exert every effort to keep the Federal Government from getting its hands on the oil business. I have no political ties. The best interest of the District and State will be my sole aim. If elected, I will endeavor to make the people of the District a real Representative.

INSIDE WASHINGTON

By HELEN ESSARY
Central Press Columnist

WASHINGTON—Col. Phillip K. Moisan, in command of the war prisoner camp at Fort Lee, explained to me during my visit to Fort Lee that every war prisoner receives 10 cents a day scrip which he may save or spend at the canteen. Every prisoner, if he is a private (I did not visit officer camps) is paid for his work at the community's prevailing rate.
Of this wage he receives 80 cents a day in scrip and credit. The rest of his pay goes to the government. All of the work of the prison camps is done by the prisoners themselves.
I wish I had a prisoner or two to run my kitchen. They are such economical fellows that out of 25,000 pounds of food or 11,000 meals they prepared for their own mess at Fort Lee during a period of two weeks there was a wastage of only 25 pounds, mostly liquid.
Soil Bones
We never see a bone except when it goes into the kitchen in raw meat," Colonel Moisan laughed.
After its meat has been eaten, they boil the bones for soup or grind it up for something. But it never comes back in one piece. Some of the prisoners have put on nine pounds since they came. Their average age? About 22. The range is from 16 years to about 30.
"Certainly there is a little trouble here and there," the commanding officer admitted. "But we work through the camp spokesman on national pride. Right now we're using the guard house as a carpenter shop. No, we have never had a successful escape. You couldn't drive some of those fellows out."

COURT NEWS

INSTRUMENTS FILED

The following instruments were filed for record in the County Clerk's office:
Bula B. Butler to City of Eastland, warranty deed.

UNITED STATES MINT statistics say that a dollar bill will last nine months. Zadok Dumps says he once made one last that long but he had to keep it under lock and key for eight months and 29 days.
Favorite drink of the American soldier is milk. In meeting the enemy we can mow him—as well as mow him—down.
Sweden's exports are reported to have fallen way off. This does not include, of course, her output of war rumors.
That speedy 3-year-old, Pensive, the sports pages tell us, won \$140,000 in purses in a week. Ha! Ha! Just wait until he has to make out his income tax!
Four generals attended the wedding of an enlisted man. Hope he had a photo taken—to prove it to his barracks pals.
Germany, we read, no longer ships aspirin to Spain. The local demand, no doubt, gobbling up all the available supply.
In Canada nudists were arrested for not having their registration cards on their persons. Looks like a swell opportunity for some enterprising tattoo artist.

FACTOGRAPHS

Compregnated wood or "compreg" is a heavy, strong and dense wood product made by laminating resin-treated veneer under pressure and heat, greatly increasing the density of the wood.
Scotland was called "The Land of Cakes" because of the haps, scones and oatmeal cakes which, with porridge, form the principal food of the country people.
A few days before his death, the poet John Keats dictated the following inscription for his gravestone, "Here lies one whose name was writ in water."

Two-Timing Man Loses One of Wives

DALLAS, Tex. (UP)—A Camp Howze soldier with two wives lost one and was branded a bigamist all because of the complimentary remarks made to the newer bride by the soldier's buddies.
The girl told Judge Sarah T. Hughes in divorce court that she had married the soldier and lived with him a week before he returned to camp. When the two-wived soldier was confined to camp for over-staying his leave, the new bride went to visit him at camp.
The soldier's buddies bragged on her youth and looks and added that she was better looking than her picture over his bunk.
She told the judge that was wrong, for she hadn't given him a picture. That started the investigation which revealed the other wife.

THE QUITTER

Backward Glances-

From Files of Eastland County Newspaper of 16 Years Ago.
Eastland July 6.—Judge Been is presiding in the 104th district court at Abilene in the absence of Judge W.R. Chapman who is holding a special term of district court at Anson. Judge Been was accompanied to Abilene by Miss Iva Moore, his court reporter, who is the only woman court reporter in Central West Texas and one of the few in Texas. She has been Judge Beens' reporter for the past three years.
Friends of Miss Virginia Little and Miss Ruth Bagley and others who are fond of music, are invited to a joint piano recital to be given by these two young ladies in the Community Clubhouse Monday evening at 8:30.

That's why you hear Coca-Cola called "Coke". © 1944 The C.C. Co.

TOWN and FARM in WARTIME

Prepared by OFFICE OF WAR INFORMATION

Meats, Fats—Red Stamps A8 through T-8, good indefinitely.
Processed Foods—Blue stamps A8 through J8, good indefinitely.
Sugar—Sugar stamps 30 31, each good for five pounds indefinitely. Sugar stamp 40, good for five pounds of canning sugar through February, next year.
Gasoline—In states outside the East Coast area, A-11 coupons, good through June 21.
Fuel Oil—Period 4 and 5 coupons, good through September 30.
Shoes—Airplane stamps 1 and 2, good indefinitely.
SUGAR FOR HOME CANNING
Sugar consumers may apply for their 1944 home canning allotment in two periods, the Office of Price Administration reports. In each period, users may obtain up to 10 pounds of sugar per person in addition to five pounds available with sugar stamp 40 in War Ration Book 4. Persons not applying in the first period, but who need sugar in the second period, may obtain up to their full 20 pounds per person allowance

if the application justifies that total.
WHEAT LOANS TO AVERAGE \$1.28
Wheat loans that will average \$1.28 a bushel at the farm will be made on the 1944 crop by the Commodity Credit Corporation of WFA. The average last year was \$1.23. Loans will vary from the basic national rate of \$1.28 to take into account location, grade and quality. Loans on farm-stored and warehouse-stored wheat will mature on demand, but not later than April 30, 1945. A n y loan may be liquidated by payment in full, plus three per cent interest from date of note. Loans will be administered in counties by County Agricultural Adjustment Agency Committees under the supervision of the state committees.
MORE TELEPHONES COMING
Resumption of manufacture of civilian-type telephones to the extent of 200,000 sets per quarter has been authorized by the War Production Board. First deliveries are expected by fall. Approximately 100,000 new orders for telephones that cannot be filled because of lack of equipment are accumulating each month.

OLDEN NEWS

OLDEN—May 23—Lt. and Mrs. James P. Snodgrass and Jack Dennis, of Amarillo, came in Saturday morning to visit her parents, Mr. and Mrs. Carl Butler and family, and left that afternoon for Coleman for a visit with his parents there before he reports for overseas duty. Mrs.

Snodgrass returned this week to stay with her parents while he is gone.

Pvt. and Mrs. Lee Murray and daughter of San Antonio visited his mother here this week-end.

Mrs. Leamon Kyle and children of Houston, visited relatives here last week.

Ray Gracey, who was reared at Caddo, and whose home is now Robstown, visited with Mrs. Ida Simer, Monday. His wife is the former Carrye Perdue, niece of L. B. Wright, who owned the Hardware store here during the Boom days.

Sgt. Johnnie Ford, who has been spending his furlough here with his mother, left Friday via La. to Fort Knox, Kentucky, for further assignment.

Mrs. E. D. Nash and son, Billy Ed, visited relatives in Cisco Thursday of last week.

Sgt. J. W. Burns of Camp Polk, La., came home last Tuesday on an 11-day furlough, to visit relatives here, in Eastland, and in Ranger.

ERISMAN TO RUN FOR STATE OFFICE

Fred Erisman of Longview, who is serving his third term as District Attorney of Gregg County, has announced his candidacy for Attorney General of Texas. Long prominently identified in Texas Junior Chamber of Commerce activities, Erisman is now serving as president of the District and County Attorney's Association of Texas.

Cheaney News

By Mrs. Bill Tucker

J. D. Johnson of Ranger, filled his third Sunday appointment here and was luncheon guest of Mr. and Mrs. Richard Tucker.

Singing was a treat for everyone Sunday afternoon. Visiting singers were presented several quartette numbers were: Mrs. Pearl Hunt, Mr. Firtle Robinson, Mr. Woods and Mrs. Bush, all of Ranger and Mr. and Mrs. Dodd and daughter of Olden. Be with us on each first and third Sunday afternoons. On the first Sunday in June there is to be an all day sing with luncheon served at noon. Invitation is extended to all to be present.

Mr. and Mrs. Horace T. Miller of Dallas and Mrs. Chris Tucker and children of Arlington, were week end visitors in the parental Joe Tucker home. Theo Leita Miller who has been attending school here and at Ranger accompanied her parents home.

Mr. and Mrs. Graham Compton, who were married May 14, and visited his parents in Shreveport, La., last week were visitors for the church service at Cheaney Church of Christ Sunday morning and in the home of her parents Mr. and Mrs. Joe Butler.

Marvin Brock of Graham, was in the community, Wednesday looking after business interests. Mr. and Mrs. Lee Bishop entertained the young people with a party at their home Thursday night.

Miss Mary Jean Ferrell, daughter of Mr. and Mrs. Gene Ferrell underwent an appendectomy Friday night at the City-County hospital. At this writing Jean is recovering nicely. Her sister, Miss Francis Ferrell of Ft. Worth came to be with her over the week end.

Mrs. Jno Shook and family honored her brother, T. A. Grice and wife, who were married last week, with a miscellaneous shower at their home Saturday night. The couple were presented with many and useful gifts.

Mr. and Mrs. Arthur Love and children were callers in the Richard Tucker home Sunday afternoon.

"BATTLE STATIONS... JAP SHIP ON PORT BOW"

- When their ship goes into action, sailors don battle dress. But for the daily routine of work, play and sleep, they often wear only shorts and skivvies. So Navy specifications make sure that this most used clothing is made for comfort and long wear.
- You can also make sure of comfortably fitting underwear by choosing a brand that has proved its worth. For 43 years now, Hanes has knitted extra wear into underwear fabrics—and tailored them into garments that are accurately sized for comfort all over.
- So ask for Hanes by name—the underwear whose fine materials and workmanship at moderate prices have pleased millions of men. If sometimes your dealer's stock is low, he should have more soon. Hanes production is serving men in our Armed Forces and those at home... P. H. Hanes Knitting Company, Winston-Salem, North Carolina.

HANES

THE NATIONAL UNDERWEAR

LT. HANCOCK IS GIVEN MEDAL AND CLUSTERS

Mr. and Mrs. Arthur Murrell have received word that their son-in-law, First Lt. Wesley C. Hancock who is a fighter pilot with the air forces stationed in Italy, has been awarded the Air Medal and additional Oak Leaf Clusters.

In a letter just received by the Murrells, dated May 13, Lt. Hancock stated that by the time they received the letter he would have completed his fifty missions. He also stated that he had been definitely credit with the downing of one Nazi plane. On the occasion of the downing of two other planes he and another pilot drew for the credit as it was questionable as to just which of the two had actually shot down the planes.

Lt. Hancock is the husband of the former Miss Muri Dean Murrell, who is currently working toward her degree at Texas State College For Women.

Machinery, Labor Sought for Harvest Small Grain Crop

Machinery and labor shortage is beginning to bother the small grain producers in Eastland county. According to J. D. Guy, chairman of the Triple A. Committee, requests are being made for combines, but they are not available. Guy said we have one of the largest small grain crops to be harvested in the next few weeks that we have had in the last three years, and it will depend upon the cooperation of the small grain harvesting brigade that is being launched for the purpose of saving the grain which is so badly needed.

The brigade is asking the cooperation of every individual reading this article to contact the small grain grower and combine owners to advise them to list their names and addresses with the County Agent and the number of acres that they will need harvested by either combines or broadcast binders. The combine owners are urged to list names and address in order that acres may be blocked as near as possible to expediate the formulating of plans.

Cotton production in India for the 1943-44 season is estimated at 4,931,000 bales of 400 pounds each, an increase of four per cent over last year's group.

Brownwood Pecan Station To Have Field Day May 26

There will be a pecan field day at Brownwood Pecan Station on Friday May 26th, beginning at 10 o'clock a. m. and lasting until 3:30 o'clock p. m.

Subjects to be discussed as follows: "The Control of the Pecan Case Bearer"; "Pecan Propagation"; "Pecan Culture"; and there will be a tour of the Pecan Orchard to observe the various kinds of work carried on by the Station.

Pecan growers in each community are urged to pool their transportation and go. Those needing ways should contact your Vocational Agriculture Teacher or County Agent.

Scouts, 4-H Club Boys Register For Farm Labor Work

Turner Colley, Scout Master of his troop of Eastland, called on the County Agent's Office for forms to register his troop for Farm Labor Emergency Work. The Boy Scouts of Eastland list year under the direction of Bill

Buy War Bonds

Gessup assisted the Farmers in their harvest and Colley's request for registration forms again this year, indicates that these boy scouts are going to do their part to produce and harvest the 1944 crop.

W. C. Womach, Superintendent of Eastland School, is registering boys and girls of Eastland for Volunteer Farm assistance. Similar

registering of youths is being done at Ranger by R. B. Thomas, Jr., Vocational Agri. Teacher; at Cisco by M. D. Fox, V. A. Teacher; at Rising Star by Worth Howe, V. A. Teacher; at Gorman by T. W. Beard, Superintendent of Schools.

All other sources of organized groups may secure registration forms from the County Agent's

Office.

The 4-H Club Boys that are not full time employed are registering throughout the County to do their part. Last year, the Morton Valley boys organized a hay baling crew under the leadership of Billy Henderson and baled 150 bails daily of hay so badly needed to furnish roughage for livestock. Any community desiring to

organize a similar crew for harvesting of hay this year may secure assistance from this office.

The above cooperative sign-up of boys and girls certainly will boost the moral of the Eastland County Farmers. This source of help may not be tapped by the farmers but if the need arises, help will be available.

"The Month of May used to be
Vacation Planning Time for You & Me"

YES, May was the month when millions of Americans used to plan their summer vacations. And, even this summer, many will take short trips for much needed rest and relaxation from their war jobs. But, right now, the war effort comes ahead of all else. Those leisurely tours and trips to distant points will have to wait a while.

You can depend on Greyhound, always famous for scenic enjoyment and for the comfort of its Super-Coaches, to set brand new standards of highway travel after victory.

The Methodist Broadcaster
Weekly News Of
First Methodist Church
L. Durwood Fleming, Pastor

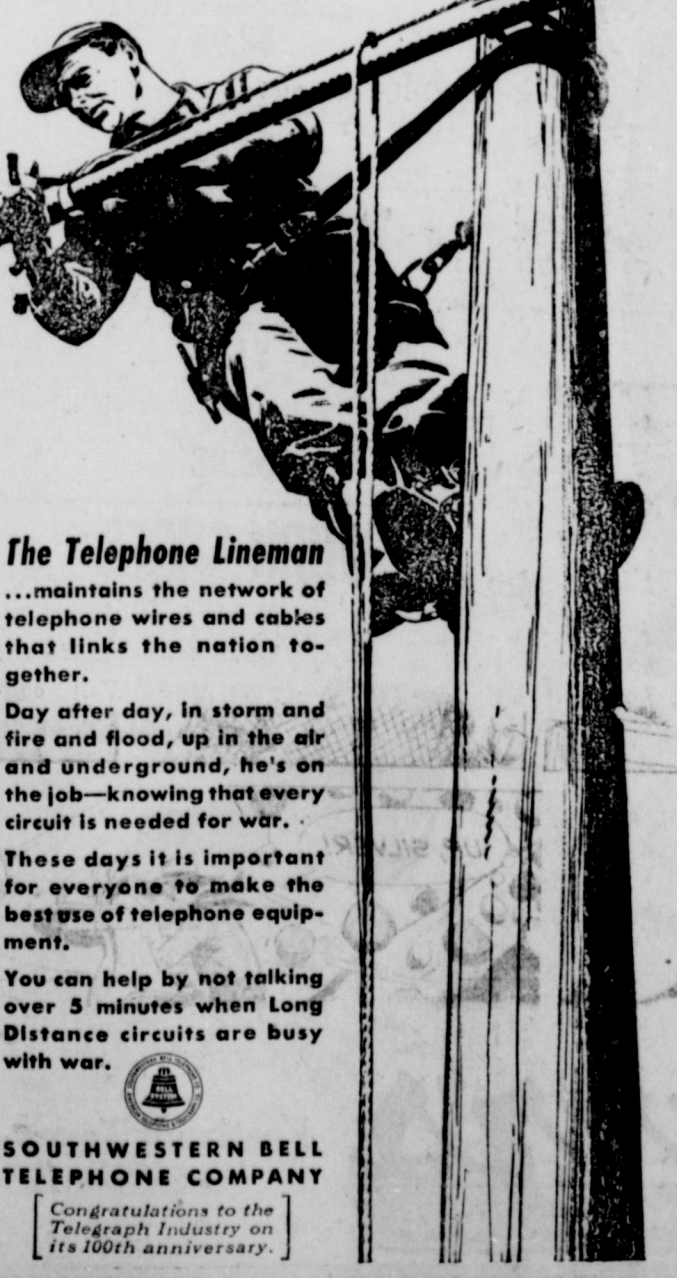

I WAS JUST THINKING
Thinking about the effects of
a cloudy sky and three drops of
rain on Sunday morning con-
gregations! Had you ever just
stopped to analyze the truth in
that statement? Why, it is uncant-
ed, our attendance is noticeably
which the condition of the weather
affects the 'would-be-church-
goer'. Let the sunshine in clear
brilliance, the temperature stand
at about 80 degrees, and a gentle
zephyr blow across the green me-
adows and Mr. and Mrs. L. C. Hart
and all the children decide that
it might be a 'suitable day for
church-going'. And because there
are so many relatives in this fam-
ily who have inherited like stan-
dards of value and similar atti-
tude, our attendance noticeably
on the increase throughout the
church when the weather is just
right. If Mr. and Mrs. L. C. Hart
lived in the Northlands where the
Eskimos live, you can easily see
that there would be no organized
movements of good for the weather
would always be the master
of their decisions—on Sunday, of
course. So we can be glad that
this notorious family and relatives
live down here so that they can
have decent weather once in a
while.
We'd get along pretty well if
only the L. C. Harts were out on
bad weather Sundays, but then
when they are joined by Mr. and
Mrs. M. T. Pew, who absent them-
selves for most any tiny reason,
we have a vicious combination
working against the highest good.
O, its mighty good to be able
to tell you that these two fam-
ilies, even though they create a
great deal of disturbance, never
defeat the church and its pro-
gram. For there are other fam-
ilies who have different ideas. Mr.
and Mrs. E. Z. Led and Mr. and
Mrs. T. Y. Inn are to be counted
on each time they miss their friends—
the L. C. Harts and M. T.
Pews—and long to see them each
Sunday. The E. Z. Leds and the T.
Y. Inns are simply human beings
who believe that a church is at
its best when everybody's doing
their part. Its just more fun that
way—to leave out the reciprocal
help that comes in people shar-
ing together.
I was just thinking—wondering
if the L. C. Harts and the M. T.
Pews really know how much they
are missed and how much better
their church would be if they

weren't really impressed about it.
Yes, I was just thinking!
OUR CHURCH CALANDAR
Wednesday—the 24th—A break-
fast, honoring Seniors of 1944.
Sponsored by W.S.C.S.
Sunday—May 28—Mr. Fleming
preaches at 11:00 a. m. on "Prayer
in War Times" and you should
not miss this sermon. He speaks
at the 8:00 hour on "The Back-
ground and Message of Romans."
Your presence at both of these
services will be welcomed and
appreciated.
Wednesday—June 12—All-
Church Picnic. Sponsored by the
Church School, and you and your
friends are invited.
July 10-21—Our Vacation Church
School for children and Interme-
diate. We really hope you'll put
this down in your calendar and
make plans toward it.

**Livestock Men
Urged To Prepare
Winter Roughage**
Now is the time for livestock
men to begin thinking of their
roughage supply for next fall and
winter. A little planted now may
enable the livestock man to not
only have a bigger supply, but also
a better quality of roughage.
Too much of our hay in East-
land county is much poorer than
there is any need for simply be-
cause it is cut too late. Such hay
is coarse and stony, and it is not
only unpalatable to the livestock,
but it is low in feed value. Most
hay crops cut at the proper time
or stage, when they are still leafy
and green, will contain 3 to 4
times as much protein, 8 to 10
times as much mineral matter, and
of course, much more Vitamin A
than they will when not cut until
they are fully matured.
Many livestock men may not
be able to do too much about put-
ting up a large quantity of rough-
age this year, because of labor
shortage, but if they can cut their
hay at the best stage for making
the best quality hay and put hay
that has 3 or 4 times the best feed
value in their barns than the hay
they have been making, then they
have in effect produced more hay.
Certainly, as far as milk produc-
tion is concerned, they will get
more milk from the same acreage
of hay.
The proper stage for cutting hay
will vary with different crops, but

for most crops the greatest ton-
nage for good quality hay can be
secured when the crop is cut in the
bloom stage. Cutting later will
result in coarser, stemmy hay with
less leaves and color, and conse-
quently, less nutrients. Cutting the
hay earlier might give a better
quality hay, but the loss in ton-
nage might more than offset any
gain in quality.
In other words, the hay crop
should be cut when it will yield
the greatest amount of nutrient
per acre.
The livestock man who provides
all the good quality hay and silage
that his livestock can eat and who
provides plenty of good pasture—
both, will not have to worry much
about scarce and high-priced con-
centrates. He won't need much,
and he will make a lot more prof-
it that the man who has depended
upon concentrates because of poor-
quality roughage and lack of
roughage.

**Mighty
Important Job
These Days**

The Telephone Lineman
...maintains the network of
telephone wires and cables that
links the nation to-
gether.
Day after day, in storm and
fire and flood, up in the air
and underground, he's on
the job—knowing that every
circuit is needed for war.
These days it is important
for everyone to make the
best use of telephone equip-
ment.
You can help by not talking
over 5 minutes when Long
Distance circuits are busy
with war.

**SOUTHWESTERN BELL
TELEPHONE COMPANY**
Congratulations to the
Telegraph Industry on
its 100th anniversary.

**The Baptist
Herald**
Rev. Homer J. Starnes, Pastor
First Baptist Church

The Pastor spent last week in
Atlanta, Georgia, attending the
Southern Baptist Convention. He
had a most delightful trip and
enjoyed every phase of the Con-
vention. In the light of our ag-
encies being out of debt enlarged
plans were made for post war
mission work etc. A good spirit
prevailed in the meeting. The Con-
vention will meet in Atlanta
again next year.
Our plans have been to begin
the Vacation Bible School Man-
day. However, due to a shortage
of workers some feel that it will
be wise to postpone it a week.
Perhaps the parade, enrolling, etc.
will be May 28, and the fol-
lowing week given over to the
school. We feel that it is better
to have a good short school than
to try a longer one with few work-
ers. Anyone who can help in
this important work should notify
the Pastor at once.
We are again approaching the
season for revivals. Our meeting
is scheduled for June 11-25, with
Roy Camp of Fort Worth direct-
ing music and L. D. Ball of San
Angelo doing the preaching. This
is a matter of interest to every
member of the church. All can
help by attending the services. The
church must count on her mem-
bers to make these revivals ef-
fective.
In order to avoid a conflict
with the revival meeting the Bro-
therhood will meet one week ear-
lier in June than usual. The meet-
ing is scheduled for Monday night
June 5. At the last meeting the
Brotherhood voted to sponsor the
boys of the Royal Ambassadors.
These boys, ages 9 through 16 are
invited to be guests of the Bro-
therhood June 5. A good program
that will be enjoyed by both men
and boys has been arranged.
Some meetings to remember
for next week are as follows:
Monday night, deacons meeting,
Tuesday night, Teachers and Of-
ficers meeting, Wednesday night,
Mid-Week Service and church con-
ference.
Those who do not attend services

at some other church are cordially
invited to every service of our
church. There is a capable tea-
cher for every age group in the
Sunday School. Then there is a
place for each one in the Train-
ing Union. Sunday night the a-
wards for the last Training Union
study course will be given out.
We trust that every one getting
an award will be present. Then
and he will make a lot more prof-
it that the man who has depended
upon concentrates because of poor-
quality roughage and lack of
roughage.

**Parachutist In
Race For State
Superintendent**
AUSTIN, Tex. (UP)—Hill-
billy hands may be barred from
the Texas political campaign this
summer with gasoline available
only for a candidate's car, but
what is really worrying the folks
at the state capitol is whether
parachutes can be had.
Dr. McNutt probably became
the world's first para-campaigner
at Gardon, Arkansas, June 20,
1940. The fact that he landed
in a cow pasture about a mile
away from the air port did not
prevent the crowd following to
the spot where he came to earth.
The jump was made from 2000
feet height, and spectators said
the professor fell about 100 feet
before the parachute opened.
Dr. McNutt was superintendent
of Schools at Croedmore, Travis
County, Texas, and headed the de-
partment of education at Daniel Baker
College, Brownwood, before
going to Arkadelphia, Arkansas,
a string of degrees, including two
from Chicago Theological Sem-
inary. Others are from the Uni-
versity of Texas, College of the
Oarks, and the University of
Cincinnati.

**Cotton Growers
Urged To Treat
Cotton Crop Now**
Due to the scarcity of insecti-
cides and congested transporta-
tion, cotton producers are advised
to make arrangements for their
Calcium Arsenite now.
For hole weevil control, it takes
three applications per acre at the
rate of 8 lbs. This is applied at 5
to 7 days intervals. Calcium ar-
senite will keep if stored in a dry
place.

Approximately 25,000 tanks
and almost 750,000 other Army
vehicles have been sent from the
United States to our Allies since
the passage of the Lease-Lend Act
three years ago, according to Leo
T. Drowley, foreign economic
administrator.

Hot Weather Will Be Here SOON!

**IS YOUR ELECTRIC
REFRIGERATOR READY
FOR ITS SUMMER WORK?**

Don't wait until hot weather to have any needed work done on your electric refrigerator. Refrigerator servicemen are busy now, and will be extra busy as soon as those 100-degree days come along.

You'll save food and avoid possible inconvenience by attending to the service needs of your electric refrigerator now. Phone your refrigerator serviceman today.

Don't waste electricity just because it isn't rationed.
Use what you need, but need what you use.
