CHAIRMAN ASKS QUICK ACTION IN SUPPORT OF FIFTH WAR LOAN

The following appeal for support of the Fifth War Loan has been issued by Cyrus B. Frost, Eastland county chairman and Mrs. Paul Woods, chairman of the women's division:

TO THE CITIZENS OF EASTLAND COUNTY:

We all know that we are now engaged in the most difficult and deadly combat of the War on all fronts. Every branch of the Army Navy and Air Forces is moving forward for the kill without flinching. Never before in the history of the world has such heroism been demonstrated. Never before in the history of all war fare has the American soldier, sailor, Marine, airman and the girl's auxiliaries faced such hardships and offered so much that we at home may remain free. Here on the home front the hour has struck when every patriotic citizen should buy his part of the War Bonds that are necessary to complete the Fifth War Loan Drive in Eastland County in order that the county as a whole may contribute its part toward buying the instruments of war which are now so necessary to win the victory and lessen the casualties of our fighting forces.

Our Eastland County quota is \$725,000 the largest we have ever had \$200,000 of this quota is represented by Series E Bonds and in order for us to do our duty we must not only purchase \$300,000 Series E Bonds but in addition we must buy \$425,000 more bonds, some of which may be Series E and the balance of which in any and all of the other issues.

Today, about two-thirds of the \$725,000 has been purchased but only about \$150,000 of the Series E quota of \$300,000. In other words, to date we have only purchased about one-half of our Series E quota and it will be up to every citizen in every community in the county to buy and buy and buy Series E Bonds until this quota has been reached.

All Series E, F, G and Series C Treasury Savings Notes sold during the months of June and July will be credited to the drive.

The sale of the 2 1/2% Treasury Bonds 1965-70, the 2 per cent Treasury Bonds 1952-54, the 1-1/4 per cent Treasury Notes, Series B 1947 and the 7-8 per cent Treasury Certificate of Indebtedness Series C 1945 must be sold and the transaction cleared through the Federal Reserve Bank at Dallas, Texas, not later than July 8, 1944, in order for such sales to be credited to the Eastland County quota for this Fifth War Loan.

Therefore, the community chairman and their committees and the postmasters and bankers are all requested to continue to push the sale of Series E Bonds so that our total quota of \$300,000 will be oversubscribed, and are asked to be alert to see the larger sales of the last four described series are concluded and cleared in the Federal Reserve Bank not later than July 8, 1944.

At the time Ranger, Cisco and Eastland have overall sales of about \$100,000 each, one-third of which or about \$33,000 is represented by Series E. Rising Star has sold about \$60,000, about one half of the Series E. Gorman has sold about \$50,000, about one-half being Series E and as yet we do not have report from Carbon, Desdemona, Olden, Pioneer and Seranton but knowing the record set by each of these communities in the past, we can confidently expect that each and all of them will over subscribe both their overall and Series E quotas.

Let us as good citizens, and anxious to get our part done here on the home front, hasten to do our full duty which will bring comfort to our consciences here and carry a message of cheer to those at the front.

Very kindly yours,
Cyrus B. Frost,
Eastland County Chairman
Mrs. Paul Woods, Chairman
Women's Division.

PRISONER OF WAR

Lt. Frank Hatten

LT. HATTEN IS WAR PRISONER IN GERMANY

Mrs. Frank Hatten received a telegram from the War Department late Friday afternoon informing her that her husband, First Lt. Hatten, who was reported missing in action over Germany since May 24, is a prisoner of the German government.

The telegram stated that the War Department had received information through the International Red Cross Lt. Hatten was the pilot of a B-17 Flying Fortress and it is believed that he was on his fifteenth mission when he failed to return to his base in England.

Just a short while before he was reported missing he had received his promotion to first lieutenant and had been awarded the Air Medal and an Oak Leaf Cluster for "meritorious achievement" on ten combat missions over enemy Europe.

Through information received from relatives of other members of his crew it was learned that he was not flying with his regular group on the mission on May 24. The son of Mrs. G. L. Hatten of Eastland, Lt. Hatten was educated in the Eastland schools, graduating from Eastland high school in 1935. He attended Texas Christian University and the University of Texas and at the time he went into service in May 1942, was manager of Pipkin's Piggly-Wiggly store in Eastland.

Sister Of Mrs. W. A. Stiles Dies At Spur

Mrs. Ethel Williams Boothe of Spur, sister of Mrs. W. A. Stiles of Eastland passed away Sunday June 25th at her home in Spur, following an illness of about a year. Funeral services were held at the Spur Baptist church Monday afternoon with the Rev. Herman Coe, pastor, in charge. Interment was at Spur. Flower girls were members of Mrs. Boothe's Sunday school class.

Survivors include the following: Husband, H. A. Boothe; two step sons, Larry and Julian, both over seas; three brothers, W. B. Williams, Ranger; C. S. Williams, Ranger; W. A. Williams, Abilene; and W. A. Williams, Weatherford. Four sisters, Mrs. D. H. Coffman, Ranger; Mrs. R. H. Hinmon, Humble City, New Mexico; Mrs. J. H. Fulcher, Jayton, and Mrs. W. A. Stiles Eastland. A number of nephews and nieces also survive.

Mrs. Boothe was converted in early childhood and united with the Baptist church and lived the life of a devoted and faithful Christian. Her numerous friends said "To know her was to love her."

"Beside the dead I knelt for prayer,
And felt a presence as I prayed,
Lo, it was Jesus standing there;
He smiled: "Be Not Afraid!"

"Lord, thou hast conquered we know;
Restore again to life, I said,
This one who died an hour ago,
He smiled: "She Is Not Dead."

J. T. Hamrick Makes Bond On Murder Charge

J. T. Hamrick, 42, oil field worker, taken into custody Saturday at Carlsbad, New Mexico, for Eastland County officer who held a warrant charging him with murder in connection with the death at Jackson, Miss., on Wednesday, June 21, of Lt. Col. Roy Mitchell, United States Army Air Corps, waived extradition and was returned to Eastland Sunday night by Sheriff John Hart and Deputy A. M. (Ott) Hearn and Monday morning waived examining trial and was released on \$2,500.

Frank Sparks of Eastland, attorney for Hamrick, stated that Hamrick had made no statements and had none to make at this time. Sparks also stated that he would request an immediate trial for Hamrick.

District Attorney Earl Conner, Jr., who with Sheriff Hart, worked up the evidence on which the complaint against Hamrick was based, stated Monday that an Eastland county grand jury would be convened the early part of next week which would investigate the charges against Hamrick.

The offense with which Hamrick is charged, is alleged to have been committed at Gorman on or about June 8th. The complaint was filed with J. P. Chapman, Justice of the Peace at Gorman, who issued the warrant for Hamrick's arrest and who fixed and approved bond at \$2,500.

Lt. Col. Mitchell, 43, former American Airlines Executive, who flew the "Burma Road of the Air", for most of the past 18 months, returned May 31st, last from India and was due to return here following the completion of his vacation, which he was on at Gorman when he received the injury from which he is alleged to have died.

Lt. Col. Mitchell is survived by his widow of Tallulah, parents, Mr. and Mrs. Irvin Mitchell, Mountain Dew, Mo., two sisters, Mrs. Charles Stewart and Mrs. Covine Hall, both of Kansas City; and a brother, Sgt. Leo Mitchell, Hondo. Funeral services were conducted Friday, June 23, at Tallulah.

Memorial Services At Desdemona For Ruby Shoemaker

Memorial services were conducted Wednesday afternoon, June 21, at Desdemona, for Ruby R. Shoemaker, son of Mrs. Addie L. Shoemaker of Ranger and husband of Mrs. Ethel Shoemaker of Eastland. Rev. H. D. Martin, pastor of the Desdemona Baptist church, conducted the services. Shoemaker lost his life in the services of his country on November 27, 1943, when the troop transport ship he was on went down between North Africa and India.

Relatives attending the Desdemona services were: Mrs. Ethel Shoemaker, W. I. Shoemaker and family of Fort Worth, Mrs. Addie Shoemaker and Miss Oleta Shoemaker, Mrs. Willis Weekes and family, Mrs. Ralph Fite, Mr. and Mrs. Basell Little and Mrs. Jack Reed.

C. L. Garrett of Eastland was guest speaker.

Business Closes, Swimming Pool Is Open July 4th

Herbert Tanner, secretary of the Eastland Retail Merchants Association, stated first of the week that Eastland business houses would not be open Tuesday, July 4th. No special celebration for the day has been arranged, it was stated.

The postoffice, as is the custom, will be closed all day July 4th, as will the Eastland National Bank.

Harkrider Drycleaners will be closed Monday, Tuesday and Wednesday, July 3, 4 and 5th. K. B. Tanner, City Manager, announces that the swimming pool at the City Park, will open at 6:00 o'clock Tuesday morning, July 4th and will remain open until 10:00 o'clock p. m. the same day.

Clare Boothe Luce Adds Glamor To GOP Show

Clare Boothe Luce, Congresswoman from Connecticut, poses for a battery of photographers and newsreel men as she took the rostrum at the Republican National Convention in Chicago Stadium to address the perspiring delegates. Mrs. Luce, a well-known authoress, was introduced by Rep. Joseph Martin of Massachusetts, shown at left, permanent chairman of the convention. (International)

Due to the fact that next Tuesday is a holiday, Eastland Lions will not meet on that day and the next meeting will be on Tuesday, July 11.

Lion "Les" Short, in charge of the program for last Tuesday's meet presented Miss Billie Floy Hunt in a number of piano selections.

Lion Buck Pickens will have charge of the program for the meeting on Tuesday, July 11.

James Harkrider, vice-president presided at Tuesday's meeting in the absence of Lion President E. I. Miller.

Lt. Billy Hart Has Part In Air D-Day Invasion

Lt. Billy B. Hart, 21, youngest son of Sheriff and Mrs. John Hart of Eastland and a co-pilot of a B-24 bomber, participated in the "D-Day" invasion of Europe on June 6. He is stationed somewhere in England.

In a letter written to his mother and dated June 6, last, he says: "I guess by now the news is out D-Day and that you are as glad to hear about it as I am. It really came as a surprise to us. They called the squadron heads to headquarters last night and "briefed" us for a mission today, and that mission was to support the ground troops in the invasion. The assignment was both a surprise and an honor. That is all I can tell you."

Lt. Hart stated that his squadron led a formation of bombers over the invasion coast on D-Day and was the last navy squadron to bomb the territory before the land troops went ashore. "We bombed one minute a head of the land troops, and it was pretty exciting," he said.

At the time he was writing the letter to his mother, Lt. Hart said, "we are seated by the radio as you are listening to learn how the invasion is 'coming on.'"

Lt. Hart said that he saw Earnest Jones, son of Mr. and Mrs. Earnest Jones of Eastland, the day he wrote his mother and that Earnest told him he had a couple of Eastland papers for him.

Lt. Hart landed in England on April 25, 1944, after training in this country. There are ten members in the crew of the B-24 he is co-pilot for and he is the youngest and only single one of the number. He is a graduate of Eastland High school in 1942. An older brother, John L. Hart, is a flight instructor for the Army Air Corps at Ballinger and gave Billy B. his first ride in a plane. Toby, another brother is an Air Cadet, while Wayne F. Brock, husband of Lt. Hart's sister, Marie, is in training with the air force at Barksdale Field, La.

Eastland Man's Sister Dies At Big Spring

Mrs. Addie Morgan, 70, died last Friday night at her home in Big Spring. Funeral services were held Sunday afternoon at Big Spring, followed by interment there.

Mrs. Morgan is a sister of Will Smith of Eastland Rt. 1, and formerly resided at Seranton.

AWARDED PURPLE HEART

Mrs. Ethel Shoemaker, above, widow of Pvt. Ruby R. Shoemaker, who lost his life in the service of his country on November 27, 1943 has been given the Purple Heart which was awarded her husband posthumously.

County Agent Is Aiding Farmers To Secure Labor

Floyd Lynch, County Agent, responded to calls last week by sending out the following boy scouts and others to John Love in the Alameda Community and W. L. McDonald in the Staff Community to help peanuts: Jim Smith, Lewis Crossley, Billy Max Graham, Elama Manzo, Johnnie Hicks, Donald Branton, Alvin Whitaker, Lonaton Thomson, Allen Thomson, Billy Frank Jackson, Billy Jack Daffern, and Earl D. Gayton, all of Eastland; Bob Enlow, Jr. Joe Jones, and J. L. Snyder of Gorman and the following boys from Osten also headed for Mr. McDonald: Billy Clyde Moseley, Charles P. Moseley, Marvin Warren and brother, Jack Murry, and Tommy Matlock.

These boys take their own lunches and hoes, and the farmer furnishes the transportation and pays 25c per hour for the labor for just as many hours as each boy works.

Anybody needing additional help during the next few weeks should call on the agent's office and it can arrange for the number of boys that farmers will need.

STRIKE ENDED

A six-day work stoppage at a plant of the Hughes Tool Company came to an end today when members of two locals of the United Steelworkers of America voted to comply with orders of the War Labor Board and resume full production of war materials at once.

Joe Gallagher Is Buried At Cisco Tuesday Evening

CISCO, June 27.—Following funeral services at Thomas chapel at 2 o'clock this afternoon, the body of Joseph J. Gallagher, who was drowned in Lake Cisco Saturday night, was laid to rest in Oakwood cemetery. Rev. Cooper Waters, pastor of First Baptist church, was the officiating minister.

Pallbearers were J. P. Lohan of Breckenridge; R. W. Buford of Ft. Worth; J. R. Prince, of Dallas; C. C. Cutting, Richard Cutting and Harry Donica, Cisco.

Mr. Gallagher was born at Parkersburg, W. Va., November 1, 1910, but had lived in Texas for many years. He came to Cisco from Abilene about five years ago and was engaged in the oil business at the time of his death.

Survivors include the bereaved wife and four children—Sarah Jane, Betty Joe, Arthur Lee, Cynthia Sue; his mother, Mrs. Agnes Gallagher, Albany; two brothers, James, with the fighting forces in the South Pacific, and Harry Gallagher of Albany; two sisters, Mrs. Joe Cauble and Mrs. Marshall Morrell, both of Albany.

The accident in which Gallagher lost his life occurred about 9 o'clock Saturday night, said Fred Grist, chief of the fire department while Gallagher, D. A. Prather, Cleff Helton and a visiting sailor were fishing from a boat at the upper end of the lake, where the water is only about twenty feet deep.

Just what caused the boat to capsize is not clear, but all four men were thrown into the water. Gallagher was drowned and the others made their way to shore.

When the boat turned over it filled with water and sank instantly.

Within an hour after the alarm was sounded, many citizens and practically all members of the volunteer fire department, were at the scene and began to search for the remains with grappling hooks.

Not knowing exactly where to look for the body, the search continued throughout the night with out results and it was after 6 o'clock Sunday afternoon when grappling hooks in the hands of R. E. Grantham, Cisco attorney, finally contacted it.

Mr. Grantham pulled the body to the surface of the water, only to have it break loose, but G. R. Kilpatrick, who was with Grantham, reached down, caught the body and it was finally hauled into the boat from which they were working.

14 Additional Inductees From Eastland County

have been inducted in the Army. Navy, Coast Guard or Marines since the last report from the Eastland County Draft Board.

Willie M. Honea, Eastland; Clyde Henry McCann, Nimrod; Edgar Burl Smith, Cisco; Raymond B. Davenport, Eastland; William T. Mosley, Cisco; Charlie C. Butler, Eastland; Jack G. Jones, Eastland; Clarke B. Decker, Cisco; David H. Duncan, Ranger; Vernon L. Franklin, Eastland; Alton Ray McCollum, Carbon; Orus W. Stokes, Carbon; Curtis P. Brown, Pioneer; M. D. Clegg, Cisco.

WIRE FROM HUSBAND

Mrs. Gayland Poe recently received a cablegram from her husband, Sgt. Gayland Poe, who is in England, stating that he is well and hearty. The cablegram was dated June 13 and was seven days enroute. Sgt. Poe, son of Dr. and Mrs. Poe of Eastland, has been stationed in England for a long time. He is in the Engineering Corps.

BOND SALE DRIVE

A group of girls, who last week put on a War Bond Selling Drive with considerable success, included Misses Patsy Saffley, Betty Gay Allen, Jan Spaulding, Nell Frost, Betty Ann and Nancy Lynn Harkrider. Better than \$3,000 worth of bonds were sold.

TURN TIDE OF CAEN BATTLE IN FAVOR OF BRITISH UNITS

The tide of battle southwest of Caen definitely has swung in favor of the British.

English armored units have beaten off reinforced German counterattacks in violent tank battles. And they've charged forward for new gains broadening their salient across the Odon river and seizing strategic heights overlooking the Nazi Orne river defense line. The Tommies now hold four villages which were the main German defense points in the cluster of towns southwest of Caen.

The battle turned in favor of the British after massed Allied cannon and planes had cut to pieces German columns of reinforcements pouring in in an attempt to stem the British tide.

In Cherbourg, American engineers indicate that the harbor may be in operation sooner than expected. The Nazis still are firing three coastal batteries along the north coast of Cape De La Hague. But heavy formations of American planes pounded the guns this morning.

A Chungking communique says the encircled Chinese garrison at Hengyang in Hunan Province is still holding out. Axis broadcast had said the city had fallen. However, the Chinese admit a nearby airfield has been lost.

Former Eastland Man Has Varied War Experience

Lt. Gene Harrison of Dallas, formerly of Eastland, son of "Buck" Harrison of Cisco, nephew of John Harrison of Eastland, and a veteran of thirty-nine months aboard some of the Navy's best flat tops, but who has never been up in a plane, was home recently on his first leave, with loud praise for the navy fliers.

At Rabaul Nov. 11, 1943, 120 Japanese planes came over and the Navy pilots brought down about eighty-five of them. Some of the enemy planes broke through the outer perimeter of protecting planes and came at the carrier like mad wasps.

"They came in low and fast, almost on a level with our flight deck," Lt. Harrison said. "And then I saw one of our pilots do an amazing thing. Just as he broke from the deck he nailed a Jap plane. A second came in from the right and went down bullet-ridden and burning. And then a third from the left. Our man knocked him off, too. It all happened in about thirty seconds, and then our pilot shot upstairs for some serious fighting."

"You have to hand it to the boys who man the planes and the subs. They are the heroes."

Lt. Harrison, a graduate of Eastland High School and of Southern Methodist University, has served aboard the old Yorktown, the Ranger and a carrier of the Essex class. His chest is a virtual ribbon counter—Naval Reserve ten years, Pacific Theatre with stars for four major engagements. Presidential unit citation, Atlantic Theatre and North African campaigns. His four major engagements in the Pacific were the Gilberts, Bismarck Archipelago, New Guinea campaign and North Solomon campaigns.

Lt. Harrison's wife and daughter, Dorothy Jean, 14, and son, Jimmy, reside in Dallas.

Dewey Promises Plans Coming

CHICAGO, (UP)—Thomas E. Dewey said today at his first press conference since his nomination for the presidency that he will formulate his campaign plans after consultations here during the next few days with Republican leaders from all parts of the country.

Predict Early Conference | Baruch Resignation Report
Between F. D. R., Churchill | May Speed Post-War Action

Special to Central Press

● WASHINGTON—Now that the European invasion is under way, time should run fast toward the next meeting between President Roosevelt and Prime Minister Churchill.

An early conference is in the cards, observers believe, on the basis of the history of the Allied leaders' program of long-range military planning.

The time of the liberation assault on "Festung Europa" (Fortress Europe) was set at the Tehran meeting last winter, they point out.

● THE RECENT NEWS STORIES, quickly refuted by the White House, to the effect that Bernard M. Baruch had resigned his post-war planning post because of inaction on the part of the War Relocation Authority and other agencies were viewed as a "needing" expedition on the part of the elder statesman.

The stories caused a flurry of excitement in the capital and undoubtedly will stimulate post-war activity aimed at preventing such incidents as occurred at the Brewster airplane plants when thousands went on strike over cancellation of the firm's war contracts without substitute work.

The Office of War Mobilization explained that Baruch had not resigned as adviser to the president, simply that the post-war planning unit he headed was disbanded because its work was finished; namely, the voluminous Baruch-Hancock report charting the transition from war to peace.

However, the reports of Baruch's resignation in a huff will have a salutary effect. The elderly financier gets results in a hurry through such means.

WFB has been moving much too slowly to suit him, although at last the agency has set up its reconversion unit under WFB Executive Vice Chairman Charles E. Wilson, former General Electric chief.

● AMERICAN RECOGNITION of the five-month-old Bolivian regime of Maj. Gualberto Villarroel may come soon.

A report by Avra Warren, United States ambassador to Panama, after a special mission to La Paz, capital of Bolivia, for Secretary of State Cordell Hull, has been sent by courier to the foreign ministers of the other American republics.

The report is understood to recommend consideration of the fact that Bolivia has recently expelled Axis agents and removed six pro-Axis members of the National Revolutionary movement from the cabinet.

● THE WAR DEPARTMENT'S BUREAU OF PUBLIC RELATIONS did not have to notify Washington newsmen to be on hand the night the story broke on the European invasion.

That night representatives of the major wire services, newspapers and radio networks were in the press room at least two hours before the news was released officially.

Reporters began to dash into the press room within a half hour after the German radio flashed the news that the invasion had begun.

Radio carried the German report about 12:30 a. m. It was finally confirmed at 3:32 a. m.

Washington newsmen had waited so long for the "break" that they didn't take any chances that the enemy broadcast might be only a "feeler."

● "DON'T CHOP DOWN THE MILK WEED." is the plea directed to state and county highway departments from coast to coast. The SOS on behalf of milkweeds was issued by the Public Roads Administration because kapok, vitally needed for manufacture of military and naval life jackets, is produced from the floss of this plant.

Since it takes three years to grow a good milkweed crop, the PRA said, the best potential kapok source right now is the wild milkweed along the highways. One and one-half million pounds of milkweed floss is expected to be obtained from this source this year.

WANTED: SHATTERPROOF GLASS!

By Boyce House

A true incident (when this writer was police reporter in Memphis, Tennessee): A negro about to board a train for the penitentiary comforted his wife with, "Don't cry, honey; I'll serve 14 years in a jiffy an' be back wid you."

Speaking not long ago before the Panhandle-Plains Historical Association annual dinner, this chronicler remarked:

"History is not the exclusive property of the Ph.D.'s—much less of the writer of that most unread and unreadable production of the human brain; the master's thesis.

"Nor is history solely an account of things of long ago. History is anything important and significant which has happened. It might have been in 1492 or it might have been yesterday.

"And history is not just the doings of generals and politicians. Wherever men have planned and played and plowed, wherever they

they could be successful, and professional advice on vocational training. The first of the proposed centers will be opened at the College of the City of New York.

Things Are Hard To Find

Severe civilian shortages now exist in washbasins, alarm clocks, window screening and flashlights, WPB reports, with less severe shortages in flashlight batteries, clothes pins, double boilers, egg beaters, pails, radio tubes and umbrellas. Milk shortages exist in wood and short stoves, thermos bottles, baby carriages, mops, rope, bedsprings and bobbin pins.

Prices On Low Cost Clothing

Retail prices on new low cost clothing items that meet specifications of WPB, as announced by the Office of Price Administration, will be—cotton house dresses, \$1.49; women's cotton slips, 85 cents; men's printed, solid color and white shirts, \$1.39; and men's shorts, 39 cents. WPB is allocating the fabrics for clothing items to be produced and distributed during July, August and September.

Disabled Veterans to Get Training

Disabled veterans of the present war may apply for job counseling and vocational training and rehabilitation at centers to be established at colleges and universities throughout the country, according to the Veterans Administration and the Office of War Mobilization. The Veterans Administration will provide, free of charge to eligible disabled veterans, transportation to centers, meals, comfortable quarters, medical service, aptitude tests to determine veterans abilities, interests and occupations in which

ROUND UP

OPA announces that it may establish ceilings on wage rates for independent contractors for services rendered on farms, where the War Food Administration has established maximum wage rates of farm workers. Used car rationing is not planned at this time or for the future, so far as OPA knows. Unused farmers Pr-19 certificates held by dealers have the same standing as new certificates for the purchase of farm supplies, WPB says. Passenger travel for the first quarter of this year was 25.5 per cent over traffic in the same quarter last year, OWI reports. To insure travel facilities for disabled military, naval and merchant marine personnel, railroads may cancel reservations, space assignments or tickets and if necessary must cancel or discontinue passenger train service and refuse permission of passengers other than disabled personnel or attendants, to board trains, ODT has announced.

Army Trucks for Farm Use

The farmer in critical need of a truck may apply to his county AAA Committee for a used army truck, the War Food Administration announces. Upon the basis of application on hand and further investigation, AAA offices prepare letters certifying to the need for available trucks. These letters authorize truck dealers to negotiate with proper authorities and buy the trucks for resale to approved applicants. WFA warns that for some time relatively few persons who need trucks for essential agricultural purposes will get them.

Farm Plans For War Vets

In formulating principles of guidance for establishment of veterans, war workers and farm youths after the war, the Inter-bureau Committee of the Department of Agriculture points out that most of the good agricultural land in the United States already is in farms. Approximately one and one-half million veterans with farm experience will be demobilized following the war, many of the three million war workers with farm experience may wish to return to farming, and thousands of farm youths will be looking forward to a place in agriculture, the committee reported. "Intensification, improvement and further development in productive land areas" might make 350,000 family farms available during the five years after the war, and perhaps 300,000 more could be developed within 10 years through reclamation, the committee said.

Farm Plans For War Vets

have smiled and sung and splendidly swaggered, wherever men and women have wooed and wed and worked and wrought and worshipped wherever they have dreamed and died—there is history.

"I am not one of the Coronado addicts. He was picturesque, all right, in his armor, hunting for non-existent cities of gold—but I see no need to spend a lifetime trying to decide whether he camped for a single night three miles west or six and a quarter miles east of the present city of Abilene."

"To me, there is more romance in the weather-beaten countenance of a Texas rancher and there is more nobility in the heroic features of a ranch wife and mother a couple who, with raw courage and bare hands, despite nothings, sand, wind and sun—or perhaps because of these challenging conditions—wrought in the wilderness a civilization that is richer in dollars and infinitely richer in human values than the seven golden cities that Coronado sought—even if they had existed."

A sign in front of a confectionery in the little city of Blanco reads:

"48314 San Pedro Avenue."

Could it be that the city limits of San Antonio—(San Pedro is a street in that city)—are striving to become as all inclusive as the city limits of Los Angeles?

"The Dog House" is the name of an establishment in the Alamo City. You can buy food for your dog there.

Do you remember that a white-back there was a great hue and cry for a special session of the legislature to "do something" about the deficit in the State's general fund and that this writer observed a special session on the subject because, partly, it would cost several hundred thousand dollars of the taxpayer's money, and mainly, because the deficit would wipe itself out in a short time?

Well, did you read in the paper the other day where the deficit has been cut \$21,000,000 during the last year and is now only \$821,000 and would be wiped out entirely in a few months?

The hill country was radiant with wild flowers after the rains when this observer made a bus trip through that region recently. Between Marble Falls and Beeville there were yellow flowers with a blue center; others with pink petals that faded until the tips were lemon colored; then there were blue stalks with yucca-like blooms; tiny white flowers, and those that were blue, and there were tall stems that were topped with crimson blossoms, and even the cactus had yellow blooms.

What with the hills and trees and winding highway and rivers and valleys and the browsing flock of goats and sheep, that really is a delightful section.

An Irishman, newly-arrived in the United States, wanted to buy a clock and the salesman showed him a cuckoo clock, something he had never seen before. "How

asked, "I wouldn't want that one" "Pat answered, "It's enough trouble windin' up a clock without havin' to feed a bird."

Have a Coca-Cola = He's coming home tomorrow

... preparing to welcome a returning soldier

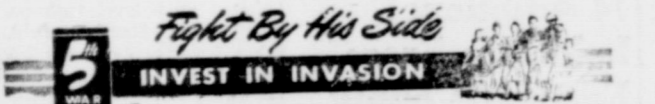

When your fighting man returns home, it's the simple joys he seeks... reunion with his family... moments in the living room... a snack and refreshment in the old familiar kitchen... and ice-cold "Coke". So remember to keep some of his favorite snacks and have ice-cold Coca-Cola in the refrigerator. He'll respond as always to the invitation Have a "Coke". In camp or home town, the pause that refreshes is a symbol of a friendly way of living.

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".

Unusual Specie Of Fish Found In Texas River

AUSTIN, Tex. (UP)—This is a fish story in reverse. It's about a little fish; not a big one. The little fish involved is, officially a sub-species of micropterus punctulatus. The amazing thing about it, outside of its name is the fact that the fish—which reaches a size of seven inches after two years of growth and rarely gets ten—is found only in South Central Texas.

Times Are Changing Fast -
... and so are governments, religions, economic principles and even human nature, whether we like it or not. Likewise, revolutionary changes have taken place in the field of land titles. In the old days most titles were simple and good, but today the records are voluminous and the changing times have clouded many titles. So don't buy real estate without knowing something about the title and always insist on a dependable abstract.

OLDEN NEWS

OLDEN—JUN. 27.—Lt. James P. Snodgrass came in last Wednesday week, from California, to spend a ten-day furlough with his wife and son, who are staying at the home of her parents, Mr. and Mrs. Carl Butler. They left Sunday morning to visit in Brownwood and Coleman.
R. L. Hall had his tonsils removed Saturday morning, June 17, at the West Texas Clinic.
Miss Audra Pat Squers left last Saturday morning for her home in Rochelle, having received word that her brother, Max, was seriously ill with appendicitis and was in the Brady hospital.

We are glad to say that Mrs. Dave Vermillion, who underwent an operation recently in the Harris Memorial Hospital, Fort Worth is getting along fine.
Little Miss Raylene Wright of Eastland spent Sunday night and Monday here with her grand-mother, Mrs. Mary A. Wright.
Mr. and Mrs. Ira Taylor and children and Mr. Hoy Duncan visited relatives in Eastland, Saturday and Sunday.
Miss Pauline Nabors left Monday morning for Brock where she is visiting.
Mrs. Ida Simer and daughter, Clara, motored to Wichita Falls Monday.
Pvt. John Mac Edwards of Camp Fann, Tyler, spent last week-end visiting his parents here.

Thurber Reunion To Be Held At Park On July 4
Frank Arrendale who is Ranger chairman for the annual Thurber reunion, announced today that the reunion will be held at the old city picnic grounds in Thurber on July 4.
All ex-residents of Erath county are invited to attend and to bring friends with them. A basket lunch will be spread at noon and each person is asked to bring a lunch.
In the afternoon, Rev. T. C. Jordan a former pastor at Thurber will speak at the gathering.

Social Security Benefits Assured If Law Followed
There is no possibility of loss of benefits under the old age and survivors insurance program, said Ralph T. Fisher, manager of the Abilene office of the Social Security Board, if the wage earner in covered employment will report to the Social Security Board field office immediately after he attains the age of 65. This, he emphasized, is of great importance to the wage earner because he needs to know the requirements necessary in filing claim for insurance payments. This also applies to the widow of a deceased wage earner; she, too, is requested to contact the nearest Social Security Board field office and ask for the manager or some member of the staff to give her information regarding the filing of claims.
It was pointed out that the Board is anxious to cooperate with claimants in every way possible to expedite the filing of claims. The claimant should notify the office as soon as possible after reaching age 65, especially if he is not working in covered employment at that time.

VACATION CHURCH SCHOOL
Do you have July 10-21 written down on your calendar as dates to be kept with your church? This is the period of time set aside for the Vacation Church School for children and intermediates. And it will be a grand school, too. Leaders have practically been secured for the handling of the work and play and this is a great victory. We will be able to handle a good sized group of children.
Beginners, primaries, juniors, and intermediates are eligible and we want to have our attendance begun the very first day, and sustain that attendance throughout the school. Parents will be the responsible folk in doing this. Please map out your plans now and watch for further announcements.

VACATION YOUTH FELLOWSHIP TO BE FORMED
All senior young people, along with the Intermediates that will be promoted to the Senior Department this fall, will meet next Sunday evening at 7:00 for the purpose of forming a Methodist Youth Fellowship. This idea is one commonly agreed upon by the youth themselves, and we are looking toward a very fine time.
LORD'S SUPPER SUNDAY NIGHT
The sacrament of the Lord's Supper will be given as part of the evening program next Sunday. Please be present and on time at eight o'clock.

Resolution

Resolution Adopted By The Eastland County Bar Association Relating To The Death Of Mrs. Irene Grisham

Mrs. Irene Grisham, mother of Robert N. Grisham, an honored and beloved member of this bar, apparently without pain, suffering or dread, died at her home in Glen Rose, Texas, on Wednesday, June 23, 1944, at the age of ninety-five years, three months and four days. Though her going was a sweet benediction to a long and useful life, when the hour for parting came the breaking of the maternal tie was none the less sad to her loving and devoted children.

"Life's labor done, serenely to her final rest" she passed

While the soft memories of her virtues yet linger like sunlight hues when that bright orb is set."

She was known to many citizens of Eastland County. Dainty, refined, humorous and cheery, ever courteous, gentle and affectionate, she won and retained the love and devotion of all who knew her, which even her death can not destroy nor time obliterate. We appreciate her greatly and shall ever cherish the memory of this good and noble woman.

THEREFORE BE IT RESOLVED BY THIS BAR ASSOCIATION

1st. We extend our sincere sympathy to our fellow members, Robert N. Grisham, his brothers and sisters and other devoted relatives in this hour of their distress, and assure them that we, too, mourn the loss of their loved one.

2nd. That a copy of these resolutions be spread upon our minutes and upon the minutes of the District Courts of this County and that a copy be tendered the local newspapers for publication.

E. W. Patterson, O. C. Funderburk, Virgil Seaberry

The foregoing is a true and correct copy of the resolutions adopted by the members of The Eastland County Bar Association at a call meeting held at Eastland, Texas, June 24, 1944.

They Want To Be Sure Its Legal

DALLAS, Tex. (UP)—A recently popular war song, "We Did It Before And We Can Do It Again," became the theme of a young couple when they appeared before Judge Jack Thornton with a request that their marriage be annulled—"so we can be married again."

The woman testified their marriage "was not so legal" because at the time of the ceremony her divorce from a former husband had not been made final.

America — *this is it!*

He's doing his part . . . We must do our part!

For him the terrifying grand climax of the war is at hand.

The supreme military risk—bound to be bloody, costly, in American lives.

Our boys know this. They don't have to read the heart-rending headlines or casualty lists to know what is expected of them.

They are in it.

But they are not finching . . . not holding back.

They will see the grim venture through to the bitter, victorious end.

And if, for your boy, or some boy you know, the price of Victory is death, you can be absolutely certain that he made the supreme sacrifice courageously . . . for the cause of Freedom.

For us, too, the terrifying grand climax of the war is at hand.

This supreme, desperate call for American dollars—16 billions of them—is to enable our fighting men to carry through the grim, bloody assault to a successful conclusion and Victory.

Not just American dollars—but the dollars in your pocket—in your savings account.

You must buy War Bonds—now! At least twice as much as you bought last time. If you are already buying Bonds on a payroll savings plan, buy EXTRA Bonds during this Drive.

Your Government is counting on you. Your boy, and your neighbor's boy, are counting on you . . . just as you are counting on them in this fateful hour.

► **Don't let them down!** Do your part—as they are doing theirs. Dig down, America—dig down deep! While there is still time. This is America's Zero Hour—Civilization's Zero Hour!

And here are 5 MORE reasons for buying EXTRA Bonds in the 5th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the Peace by increasing purchasing power after the war.
5. War Bonds mean education for your children, security for you, funds for retirement.

Back the Attack! — BUY MORE THAN BEFORE!
