## Record Attendance Expected At Legion Convention

### 425 Expected If Weather Good; Preparations Made

One of the outstanding conventions ever to be held in Eastland appears to be in the making as preparations are in full swing for the 17th District American Legion and Auxiliary gathering set here for Saturday and Sunday.

Early this week all local hotel reservations had been taken, and a large overflow was expected to go to Ranger and Cisco.

Delegates were to come from as far west as Monahans and as far north as Plainview, it was reported. Barring a bad turn of the weather, 450 delegates were expected to crowd into Eastland for the gala affair.

Decorations for the convention were put up in Eastland by city firemen Thursday night, and the delegates will arrive in a city happy to play host to the festivities of the veterans who helped in two wars to keep the United States free.

Registration for the gathering will begin at 1 p. m. Saturday in the Connellee Hotel lobby. Open house will be held at different places in the hotel during Saturday afternoon for Legionnaires and Auxiliary members.

A dance will be held in the Legion Hall at City Park at 9 p. m. Saturday. Attendance will be limited to those who have registered for the convention.

First business of the convention will begin at 9:30 a. m. Sunday in a joint session in the Legion Hall. The program will continue until 4 p. m. except for a lunch recess.

A musical treat for the delegates will be numbers by Breese Westmoreland, member of the host Dulin-Daniel Post No. 79, who received his discharge from the Army last week at Camp Fannin after nearly five years of service.

Westmoreland, a tenor, has had extensive training and experience. His wife is the former Connie Canaris of Eastland.

### New Chevrolet Set For Showing Friday

Friday is "C-Day" in Eastland, the day when the new 1946 Chevrolet will be on display in the showroom of the Lamb Motor Company.

Theo Lamb, owner of the company, who went to Dallas this week to return with the new car now on display, said the new models emphasize new low, massive lines, new improved performance, and new thrills.

Like other automobile dealers, Lamb is unable to say just when he will be able actually to sell new cars. The one he has now is to look at and touch only, not to get in and drive away.

In appearance, the new car is marked especially by the heavy new front grille and by the new long front fenders that extend all the way back into the door, a feature made possible by a new and unusual door treatment.

### Mrs. Sally Ann Harrell Passes In Snyder

Mrs. Sally Ann Harrell, who lived in Eastland many years until about five years ago, died Tuesday of last week in Snyder. She lived in Monahans at the time of her death.

Survivors include her husband, Jesse W. Harrell, and six children.

Funeral services were held in South Bend, Young County, at 3 p. m. Thursday of last week. Eastland people attending included Rev. and Mrs. W. E. Hallenbeck, Miss Vera Parsons, and Mrs. W. T. Young. Rev. R. E. Bowden of Sweetwater, former pastor of the Church of God in Eastland, conducted the services.

Students home from the University of Texas are Misses Katherine Cornelius, Kathleen Colley, Betty Geue and Beth Rienman.

### Auxiliary Official

Mrs. May Farrar of Breckinridge, Department of Texas, president of the American Legion Auxiliary, who will speak at the 17th District convention at 10:30 a. m. Sunday.

### Effort Is Made To Get RFC Office For Eastland

In an effort to be of help to Eastland and also the Federal Government, a proposal was made this week that a new surplus property disposal agency of the RFC locate in Eastland in the Eastland National Bank Building.

The proposal was made in identical telegrams to Senator Tom Connally and Rep. Sam Russell, sent by C. J. Rhodes, president of the Eastland Chamber of Commerce, and Victor Cornelius, mayor.

The wires said, "News stories indicate RFC regional offices to take over surplus property disposal from Department of Commerce. News stories also indicate space not available in Dallas or Fort Worth for the new RFC function. Large modern office building and other facilities here available and we ask your help in securing consideration by War Assets Corporation and RFC."

Both Connally and Russell in return telegrams promised to do what they could to further the case of Eastland, and in a letter Russell said that the matter had been placed before the RFC and was being considered.

The way things go in Washington, this was nothing on which to base any rosy hopes, but at least Eastland was being considered for the office.

Mr. and Mrs. E. F. Bender, who have been guests of Homer F. Duncan and family in the Flatwood community, were to leave this week for Edwardsville, Ill., for an indefinite stay.

### McCain To Lead Livestock Group; Show Plans Made

Members of the Eastland County Livestock Association Saturday elected Clinton M. McCain, rancher and manager of the Production Credit Association office in Eastland, president for the coming year, and decided to hold the annual livestock show in February at a place to be selected.

A committee was to be named to work out plans for the show. It will be held the last Saturday in February.

The group also heard a report that the City of Eastland might donate grounds for the proposed county fair the group has been working on. The land in question lies north of the railroad tracks and formerly was used for a golf course.

McCain succeeds Dan Childress of Eastland as president of the group. M. E. Fry, Cisco rancher, was elected vice president, and Fred Brown was re-elected secretary-treasurer.

Twenty-four directors were put on the board at the meeting also. They include George Fee, Cisco, W. E. Tyler, Rising Star, Bill Childers, Cisco, J. M. Cooper, Eastland, J. F. Donley, Ranger, Waverly Massingale, Eastland, J. W. Courtney, Morton Valley, Buck Weston, Carbon, Pete Tindall, Eastland, Dr. Ross Hodges, Ranger, T. L. Wheat, Morton Valley, Leslie H. Hagaman, Ranger, Buck Pickens, Eastland, Cecil Shults, Rising Star, Ira Hanna, Eastland, M. E. Fry, Cisco, Guy Henry, Okra, A. V. Clark, Cisco, C. F. Ervin, Desdemona, Ben Mathews, Eastland, Dan Childress, Eastland, Sutton Crofts, Cisco, and Johnnie King, Ranger.

### More Christmas Packages Are Asked

Eastland County has been asked to contribute 30 more Christmas packages for servicemen than had been called for originally, Mrs. Louise Weber of Rising Star, the county chairman of the Camp Bowie Camp and Hospital Committee, said this week.

Each package contains a mystery book, a wallet, two bars of soap wrapped in a wash cloth, an oilskin pouch, a game and puzzle board, a cube of camphor ice and three sticks of jumbo peppermint candy.

Those interested in giving one or more packages should contact the local chairman.

Mrs. Weber said also that the rural clubs around Rising Star are gathering berries, beans and acorns which they are painting as Christmas decorations for Camp Bowie. Similar decorations last Christmas were hugely enjoyed by men of the camp.

R. L. Perkins and Guy Parker have been in Abilene this week serving on the Federal Grand Jury.

### Concerts Drive Success Would Mean Return Of Artistry After Long Lapse

Away back yonder when Eastland County was the oil capital of the world and money and people were profuse in these parts, all the touring concert artists used to stop in Eastland, Ranger and Cisco.

But that was a long time ago. Now, through the current drive for memberships in the Community Concerts Association, some of the culturally minded people of the three towns are trying to revive some of the culture of the old days, if not the boom times.

The drive for memberships in the association will end Saturday. And those conducting the drive say that the end means the end; there will be no days of grace. Also, attendance at the concerts will be for members only; there will be no sales of tickets to the public.

Memberships cost \$6 per person for the concert series. Thus

### About Our Men In Service

First Lt. Billy B. Wood, Signal Corps, recently was awarded the Bronze Star Medal for heroic achievement in the Army in Europe, according to a release from Harmon General Hospital, Longview, where he has been under treatment since June.

Lieutenant Wood also wears the Purple Heart for wounds received in action, the European Theater of Operations ribbon with four battle stars, and the Asiatic-Pacific Theater of Operations ribbon.

After entering the Army in 1942 he served in the Pacific area for five months. In January, 1944, he went to the European Theater, and saw action for 17 months in Germany, Belgium, Luxembourg, Holland and France. He was in Germany on March 7, 1945 when he was wounded in the leg by a mine explosion.

He is the son of Mr. and Mrs. Will M. Wood, Abilene, and formerly was employed by a utility company in Abilene. His wife, Mrs. Helen Jean Wood, lives at 315 North Ammerman Street, Eastland.

T. Sgt. John F. Williams, son of Mr. and Mrs. John F. Williams of 292 West Sumner Street, Eastland, has received his honorable discharge from the Army at McClellan Field, Sacramento, Calif. He had served in the Army almost exactly five years. Before his induction he worked for a grocery firm in Eastland.

Cpl. Travis Duncan and Pfc. Chester A. Duncan are visiting their brother, Homer F. Duncan of the Flatwood community.

Corporal Duncan has been in the Army four years and seven months, a year and nine months overseas. He recently received his discharge at Fort Sam Houston.

Pfc. Duncan, who also received his discharge at Fort Sam Houston, spent three years and four months in the Army, with two years and six months of overseas duty.

Estelle Williams, S 1-c, stationed at Washington, D. C., in the Coast Guard Spars, was a guest recently of Mrs. Harry Truman at the White House in Washington. She is the daughter of Mr. and Mrs. S. S. Williams, Seale Apartments, Eastland.

Seaman Williams was taken through the White House and garden, and visited the famous East Room, where the body of the late President Roosevelt lay in state.

Among the rooms visited was the one where presidential broadcasts are made, and where President Roosevelt made his famous fireside chats.

Seaman Williams and her party of Spars also attended the Bap-

tist church which was attended at the same service by President Truman.

Pfc. Raymon B. Devenport, of 510 South Mulberry Street, Eastland, a Browning Automatic rifleman with the 47th Infantry Division, recently spent a seven day furlough in the U. S. Riviera Recreational Area at Nice, France, according to an Army release from France.

The area was a famous international playground before the war.

Pfc. Devenport, overseas for 11 months, took part in campaigns in France and Germany.

Recently discharged from the Marines is Pfc. Fred M. Sellers, 22, a veteran of the Tarawa and Tinian campaigns, according to a release from Dallas.

SHEPPARD FIELD—T. Sgt. Robert G. Furse, son of Mrs. Lillian Ann Furse of Eastland, has been honorably discharged from the Army Air Forces at the separation center here after three years of service.

Sergeant Furse served overseas in the Asiatic-Pacific area and China-India-Burma theater for 11 months as a radio operator and gunner with a bomb squadron. He has been awarded the Air Medal with two Oak Leaf clusters, the Philippine Liberation ribbon with two battle stars, and the Asiatic-Pacific ribbon with four battle stars.

Before entering the service he was a student.

Cpl. Robert O. Duncan, who had been in the Army for nearly four years and who served 18 months overseas, received his discharge at Fort Benning, Ga., Oct. 10. He and his wife and baby will make their home in the Flatwood community.

Cpl. Walter L. Tucker, former prisoner of the Japanese, arrived home Monday for an extended furlough with his parents, Mr. and Mrs. E. J. Tucker.

TYNDALL FIELD, Fla.—S. Sgt. Joseph H. Watkins of Route 2, Eastland, has been honorably discharged from the Army Air Forces. It was announced here.

Sergeant Watkins has been in the Army 22 months, serving in the 8th Air Force in England for seven months. A B-17 tail gunner and veteran of 30 missions with the 493rd Bomb Group, he wears the Purple Heart, the Air Medal with four Oak Leaf clusters, and the ETO ribbon with two battle stars. On a mission over Frankfurt, Germany, he was wounded by flak.

Jack Teatsworth, A. C. R. M., son of Mr. and Mrs. W. A. Teatsworth, received his discharge in September at Treasure Island, in San Francisco Bay. He and his wife, the former Edna Krause of Miami, Fla., recently visited his parents here and were accompanied by his parents to Miami for a short visit in the home of Mr. and Mrs. Krause. Mr. and Mrs. Teatsworth have gone to Berkeley, Cal., where he will enter the University of California.

### Five From County Go Into Services

Five Eastland County men were inducted into the armed forces in October, according to the Eastland County Selective Service Board.

They are George McLynn Peery and Arnold Bedford Stegner of Ranger, Raymond Edward Beck of Route 2, Eastland, Odell Ray Henson of Okra and Robert Mayo Harrell of Rising Star.

### Mavs, Comanche To Meet Today; Dublin Wins 14-13

The Eastland Mavericks, apparently having lost their chance of repeating as District 10-A champs by dropping a 14-13 thriller to the Dublin Lions last Friday, will be more or less playing of the fun of it when they take on the Comanche Chiefs on the home field at 2:30 p. m. Friday.

The game today could turn into quite an affair, although Comanche is not rated as strong as the Mavericks.

However, as Coach Chief Warden has been telling the Eastland team this week, neither was Rice supposed to be in the class of Texas, but Rice won.

The Eastland team should be in the pink physically for the tilt today, and with the pressure just about off, might turn up with some plain and fancy football.

Thanks mostly to a one-man backfield named Logan, Dublin outplayed the Eastland team by a far greater margin than the score would indicate. Logan carried the ball on almost every Dublin play, was in there the entire game, scored both touchdowns and ran for both extra points, including the one that won the game.

But little Johnny Hicks of the Eastland team, just as tough and just as determined as Logan, ran over two touchdowns too, but just could not kick that second extra point that would have tied up the ball game.

Hicks, playing with a broken finger in a splint, could not hold the ball too well, and it was his fumble early in the game that may have turned the tide against Eastland. The Mavericks had the ball on their 20, and in two runs Hicks and Jimmy Mathews raced to the Dublin 37, a total gain of 43 yards. But there Hicks fumbled, and after a kick exchange, Dublin started its first touchdown drive, a 49-yard affair.

Shortly thereafter, Eastland got a short punt on the Dublin 43, and Hicks and Mathews collaborated on carrying it across.

Both these scores came in the second quarter. In the third, the Lions went ahead once again with Logan staging a touchdown drive that carried 66 yards in 14 plays.

A few minutes later an alert Maverick pounced on the only Dublin fumble of the game on the Lion 20, and Tuffy Hart promptly set up a touchdown by carrying to the three. Hicks went on over. But he didn't kick that point.

First downs were heavily in favor of Dublin, 14 to 8.

Miss Dorothy Lou Johnson, student at T. C. U., is spending a few days here with her parents, Mr. and Mrs. J. Carl Johnson.

Mrs. B. E. Pittman and small son Douglas of Durham, N. C., are the guests of her parents, Mr. and Mrs. H. F. Hodges, 517 South Bassett Street.

### Eastland Man Receives Medal Thursday For Heroism In Arizona Plane Disaster

H. A. Hull, Jr., now employed at Burr's in Eastland, who was discharged from the Army Air Forces in June, Thursday received his Soldier's Medal awarded for a heroic action Oct. 22, 1944, when he rescued one man and attempted to rescue another after a plane crash in Arizona.

The presentation of the award was made at the home of Hull in Eastland by Army officers from Abilene Army Air Field.

The citation accompanying the medal said in part:

"Corporal H. A. Hull, Jr., Air Corps, was one of the first to arrive at the scene when a B-24 Army Airplane crashed and burned at Davis-Monthan Field, Tucson, Arizona, on 22 October 1944. The wreckage was completely en-

veloped in flames and there were a number of explosions. One member of the crew who staggered from the wreckage, his clothing on fire, became confused and re-entered the flaming area. Corporal Hull, with complete disregard for his own safety heroically rushed into the fire and led the man to safety. He again went into the burning area and in the intense heat removed his clothing to beat out the fire that was burning the clothing of another crew man who had escaped from the plane and collapsed. Unable, alone, to remove the man from the scene, Corporal Hull attempted to get morphine but none being available he for the third time entered the fiery area and remained with the mortally injured man until arrival of the ambulance."

### Bond Drive Off To Slow Start

Part of the great bond campaign of World War II was on in Eastland County this week, but so far so good was reported

There had been made as much as \$476,000 for the county is \$108,100. The other seven bond issues described as being in the war, this one has been the drive to finish the end of the war.

### SENIOR ENGLISH CLASS HAS ANNUAL BABY PICTURE SHOW

Last week the English 4B Class held its annual baby picture show in Miss Johnson's room.

As the class has only thirteen members, each member brought pictures of himself or herself at different ages. It was really surprising how much people change, or as the case may be, don't change.

Bill Eddleman has not changed in any way except to grow larger. He looked exactly like his little brother when he (Bill) was Robert's age.

Roseann has not changed so very much, but enough that Glen Wood didn't know her. She had a picture of herself when she was about three or four years old, and the only things you could see were her head, shoulders and a locket around her neck. When Glen saw that picture, he said, "I'd recognize that manly physique anywhere. That's 'Brute' Alford." Roseann and the class almost died laughing then, but when he walked up to Lynda Hassell's baby picture and said, "That's 'Tuffy' Hart," the class practically went into convulsions.

Roseann brought a picture of her father in a folder just matching the folder in which was a picture of Rosie when she was about the same age. Roseann jokingly told Mr. Womack that the two pictures were taken the same day, and "Reece" turned to Rosie and said unbelievably, "Aw, they

weren't, either." Bill had an adorable picture of himself. You could hardly see his face because of the enormous hat he was wearing.

Pat Smith looks just like she always did, as does Jeanie Grissom.

Pat had three pictures, taken at the same time but in different poses. These were very sweet and from the looks of them she must have been a very happy and jolly baby.

Jeanie had coal black hair when she was small, but otherwise she looked about like she does now.

"Tub" looks as though he was a very sweet little boy. He looked then about the same as he does now, but not so innocent.

Wanda Lou has not changed very much since she was quite small. She brought a picture of herself and her little brother when she was about eight and Sam was about six, and if you didn't know better you would be certain they were twins.

On the whole the show was a big success and every other class will have to go some to have one as good.

### LETTERS RECEIVED FROM EX-STUDENT

Miss Johnson and Jack Anderson have received a letter each from Norman "Wild Bill" Richardson, an ex of E. H. S. The following are excerpts from each of the letters:

From Miss Johnson's letter: "I'm a bluejacket now. I try to

be one, at least. Due to the excellent English I learned in your toilsome classes, I made the rate of Recruit Yeoman, Petty Officer 2-c. I got out of a lot of work. It's kinda like being a teacher. I make sure the others get their work by putting their marks down by their names, but I don't do any work myself.

"I made 70 in our General Classifying Test. I was third in a company of 160; 78 was perfect. The test was mostly a lot of definitions, opposites, and a few analogies."

From Jack's letter: "I now have a cracked skull and a 2-inch laceration in my head. Maybe I'll get the Purple Heart, who knows? I was severely wounded playing basketball. The only time I ever played, and I get my head cracked open.

"I'm coxswain of the boat team, yeoman of company, on the football team, track team, and was on the swimming team, but my head will disqualify me now."

### SENIOR SPOTLIGHT

The spotlight shines this week on Marian Robertson. She is that girl with blue eyes, brown hair and personality plus.

"It Didn't Mean a Thing" played by Glenn Miller is her favorite song, and Glenn Miller's is her favorite orchestra, even if it is heard now only on records. Marian's favorite movie is "Mr. Lucky," her favorite actor Dennis Morgan, and her favorite actress Ingrid Bergman.

Marian came from Abilene, and there her favorite subject was journalism: here it is plane geometry.

When not in school, Marian loves to skate, dance, and play tennis.

"Good Luck" to an all around girl and an outstanding member of the mighty Senior Class.

### LYNN WALKER ENTERTAINS SENIORS

The Seniors were given a Halloween party by Lynn Walker last Wednesday night.

It started at 8 and lasted until 11:30. Then everyone who could went to the midnight show. We had a juke box with a number of good records. We played several games and had refreshments.

There were 48 present, including our Senior sponsor, "Teach" Johnson. A good time was had by all, and we thank Lynn a lot.

### SOCIALITES MAKE CANDY

Wednesday night, Oct. 24, at 7:30, the Socialites met at Glynn Castleberry's house.

We decided to make fudge and after much arguing as to what should go into it, we finally got a mixture in a large pan. Paula was elected to the job of stirring it.

About 8 o'clock, Ballard, Herbert and Wayne showed up, and by this time, the fudge was done, and Ballard was elected to the honorable job of beating it. Beating all done, we poured it in the pans and put it on the back porch to harden.

We went into the living room and played games until Gene and Pat came in about 8:30. We then cut the candy and wrapped it in wax paper.

This finished our candy making and at 9:30 everyone left to go home. (???)

A grand time was had by all and we plan on another party like it soon.

The following Socialites were present: Paula Duncan, Glynn Castleberry, Jeanie Grissom, Dorothy Sue Wright, Marge Hatcher, Lynda Hassell, Marian Robertson and Wanda Harris.

The following boys invaded the candy-making party: Wayne Lambert, Herbert Barker, Ballard Harris, Pat Crawford, Gene Young and Bill Eddleman.

### CO-EDS MEET

The Co-Eds met Oct. 24 in Patricia Rushing's house. The meeting was called to order by the President, The Secretary, Audrey Brown, collected the dues. New and old business was discussed. There were visitors, Shirley Patterson and Delores Rushing. Refreshments were served to those present and the meeting adjourned.

AN URGENT MESSAGE TO EVERY PEACE-LOVING AMERICAN

How to Help Keep Trouble From Brewing This Winter

"What's this talk of trouble brewing?" you ask. "Isn't the war just over?"

Yes . . . but another kind of war goes on for millions of people in Europe and the Far East. The war against hunger. Disease. Desperation. It's the people's fight for a chance to raise their heads. A chance to live again like human beings.

"How does that lead to trouble?"

When millions are desperately hungry and sick — then there's danger of uprisings, anarchy. For people who live with starvation at their side, who have little to look forward to in the way of new hope, soon become desperate people.

"What has this to do with me?"

It has everything to do with you. For there can be no true and lasting peace in America while there is unrest in Europe or the Far East. It is a threat to your peace — and the peace of the world—if we do not help our friends and Allies in Europe, the Philippines, and China, to rise again.

"Aren't the governments of our country and our Allies helping to relieve this situation?"

Much is being done by our own and Allied governments. But much that governments

cannot do is needed. As President Truman said on this score . . . "The private agencies of the National War Fund have a big task to do that is indispensable and

"How can I help?"

You can help our friends and help build a sounder peace for everybody—by giving through your local community campaign to the National War Fund. For part of every dollar you give goes to buy food for their weak. Medicines for their sick. Clothes and shelter for their homeless. But the biggest thing money helps buy is freedom from despair. New hope to go on. Faith to believe in mankind.

"How about our own people?"

Yes, there's still a job to be done here at home, as well as for our Allies. For our own service men and merchant seamen abroad—through the U.S.O. and the Seamen's Service. For our own people here at home—through the local health and welfare agencies of our Community Fund.

Give generously to your local community campaign, won't you? In Victory, your dollars are still needed!

Give Generously in Victory . . . to

# A Statement Of New Car Sales Policy

BY

# EASTLAND AUTOMOBILE DEALERS

Now that rationing of new passenger cars no longer is in effect, it is necessary for automobile dealers to decide on some sort of policy for the equitable distribution of new cars as they are received.

It is obvious that everyone who wants a new car will not be able to go to his dealer and buy one at once. Production is under way, but millions of persons want cars where thousands are being produced. Therefore, the undersigned automobile dealers have agreed on the following policy of distribution:

As we see it, cars should go first to three general classes of buyers: 1. Veterans. 2. Essential users. 3. Present car owners.

1. We feel that veterans certainly should be given an opportunity to buy new cars. A percentage of our new cars will be set aside for sale to veterans only.

2. Under the former priority system, essential users were receiving what new cars were sold. We will allot a percentage of new cars received to such users—doctors, nurses, veterinarians, mail carriers and so forth.

3. Appreciating the fact that car owners have played a most important part in keeping automobile dealers in business during the war years, and that in most cases their cars are operating on borrowed time, a percentage of new cars will be allotted to such owners.

## Don't Neglect Your Present Car

It will be a long time before cars are generally available—possibly late in 1946, or even 1947. That means that a great majority of cars now in use will have to last a long time, as cars are wearing out at the rate of 3,000 per day.
