By HENRY G. VERMILLION

Some of the old timers around these parts, back when it was so dry and there were no clouds in the sky, were saying, "Don't worry, it'll rain."

But when I asked them to name a day, they were vague and said, "It'll rain—it always has. It will rain some day."

So today is some day. They say that tomorrow never comes, but I will now guarantee that some day does.

As I write the skies are weeping, and look as if they could go on doing so far days on end, just like in the good old days before the recent drouth—or at least I hope it's safe to refer to the drouth in the past tense at long last.

There are a lot of peanut farmers and stockmen who would have been glad to refer to it that way a good long while ago.

The drizzle that is falling now will fill no stockmen's tanks, but lots of cover crops and winter grains that have been planted since the last rain a couple of weeks ago will be helped.

The question of law enforcement in Eastland County came to a head, or almost did, this week when a delegation from Gorman appeared before the Commissioners Court and asked the court to provide a deputy sheriff for Gorman.

The question involved is, just how much law enforcement should be provided out of county funds, obtained from taxpayers who need the law enforced?

Or, to put it another way, is it better to have more law enforcement, or to have county ad valorem taxes held low?

This question could not have been asked a few years ago, because then county taxes were high and still there were no funds for hiring more officers.

But now the county's tax and debt situation is much easier, and the question may be asked—and should be by those in the county who think of such things.

The situation as it stands is that we have a population of about 30,000 in the county, with adequate or fairly adequate police.

Small Boy Injured When Hit By Car

London Friday, 10-months-old son of Mr. and Mrs. C. W. Friday of Halbray and Sadosa Streets, was seriously injured at noon today when he was struck by a car driven by Woodie Howell. The child had crawled out into the street after a ball he was playing with, and Howell did not see him when he started his car.

Mr. and Mrs. Friday took the child to Fort Worth, where he underwent treatment by a specialist. He had suffered three skull fractures, but friends here were confident that apparently he was recovering from the injuries.

Mavericks Set For Hamilton Tilt Here Tonight

What apparently will be the last formidable hurdle by Eastland before snatching the district title will come Friday night on Maverick Field when the Eastland High eleven will meet Hamilton.

Eastland will be favored, come wet field or dry, but the Mavericks will have no cinch either way.

Hamilton at one time was a strong co-favorite for the title, and lost that place only after losing to Comanche, which in turn was beaten handily by Eastland.

Hamilton has a heavy club, and a first class passing attack, according to reports.

If Eastland can win the Hamilton game and go on to the district title, the future still will not look too bright for the Mavericks.

Cisco, which had been lolling around in the District 9AA cellar with Ranger, rose up Tuesday to smite the Bulldogs 22 to 0 and put the quietus to any Eastland hopes that the Cisco game, last on the local schedule, would be any part of easy. Eastland beat Ranger by one touchdown in a hard battle.

Stanley Williams, the backfield scourge of the district a year ago, looked his old self Tuesday as he led the Cisco team to victory.

Also if Eastland wins the district, it will not have to meet Ballinger again, since the mountainous Bearcats were removed from District 9A competition Tuesday by Coleman, 7 to 0, making Coleman almost certainly the opponent for whoever wins the title in this district.

But Coach Johnny Little said the Mavericks will be playing Hamilton Friday night, and not Gorman, Cisco or Coleman, and he expects the team to go all out for victory.

After a week's rest last week, the players were in good shape except for a few colds.

J. C. Penney Store Undergoing Extensive Remodeling, Repairs

Extensive remodeling and repairs were started at the J. C. Penney Store here this week as part of the plan to make the local concern one of the most modern in the system. J. L. Waller, manager, has announced.

The store will remain open for business during the time necessary for the complete modernization of the entire building.

Included in the improvements is a complete new set of front windows which will change the outer appearance of the store, Waller said. Two new departments are to be built, with ready-to-wear on the balcony floor and a new shoe department to be placed under the balcony on the main floor. All fixtures for these departments will be new, including rugs, chairs, shoe stools and fluorescent lighting.

The men's clothing department is to be modernized completely. This department will feature shadow-box lighting, a system of illumination which will be used throughout the main floor.

New ledge trimming and other decorative additions will complete the plans.

A grand opening for the revamped store, at which time all patrons will be invited to inspect the improvements, will be held during Thanksgiving week, specific dates of which will be announced.

Chiropractor To Open Eastland Clinic Soon

Dr. R. N. Whitehead, formerly of Brownwood, has with his family moved to Eastland and announced plans to open a chiropractic office within the next few weeks.

Dr. Whitehead is a graduate of Palmer School of Chiropractic, Davenport, Ia. For the past several months, he has been working with doctors in Brownwood and San Angelo.

Dr. and Mrs. Whitehead and two children, Betty and Johnny, are residing at 414 South Green Street after moving here last week.

No Teething Rings Needed For Her

A little lady who came into the world with unusual dental equipment was a center of attraction this week at the Eastland Hospital. The baby girl, born Saturday to Mr. and Mrs. W. C. McGough of the Wilson Apartments, had two teeth on arrival.

Mrs. McGough is the daughter of L. R. Nabors, 404 South Bassett Street. She said she would not name the baby until her husband arrives from Louisiana, where he is employed.

Mrs. J. M. Perkins To Talk On Cancer In Breckenridge

(Editor's Note: The following news story about Mrs. Joseph M. Perkins of Eastland was released to newspapers of this area by a Houston publicity agency.)

HOUSTON—(Special) An Outstanding Texas club woman will carry her informative message concerning cancer to Breckenridge Thursday, Nov. 20, when she addresses a meeting of the Anna Frank Club there.

She is Mrs. Joseph M. Perkins of Eastland, a past president of the Texas Federation of Women's Clubs and at present the only woman member of the Texas Board of Education. She is now state commander of the Field Army of the American Cancer Society, Texas Division.

With the threat of cancer very real to every American, Mrs. Perkins is one of the leaders in an all-out campaign to bring the true facts about the dread disease to every town and city in Texas. Mrs. Perkins describes cancer today as the nation's Number One Enemy, because of its threat of death to everyone now living, and of long suffering, broken homes, and hardships for everyone whose life is touched by the disease.

During her talk at Breckenridge she will present solid facts about cancer and the real hope now held for its control and elimination.

The American Cancer Society, Texas Division, is a working force acting to combat cancer in every Texas community through search, service, and education to the public. Mrs. Perkins directs the work of district command for the Field Army in all of the 15 districts of the Texas Medical Association.

Mrs. Perkins has been a prominent clubwoman for more than 20 years, serving in 1938 as president of the Texas Federation of Women's Clubs. She was in 1946 state president of the state Federation of Music Clubs, and upon retirement from that office was named chairman of the music committee of the nationwide General Federated Women's Clubs.

First becoming identified with cancer work in 1936, she has been active in the movement to stop cancer since that time. She is married to a consulting geologist of Eastland, and is the mother of three children and grandmother of two.

Altman's Remodeling Work Is Started

With the successful fire sale just about completed, remodeling work on the building occupied by Altman's Style Shop got underway this week.

While items were still being sold in the front half of the building, carpenters began to tear away the walls and floor which were severely damaged in the blaze which swept the firm Monday, Oct. 20.

The building is owned by Victor Cornelius.

The store will be reopened with all fresh merchandise at the earliest possible date, according to F. B. Altman of the Altman firm, but the date is problematic and will hinge entirely on the speed with which the work can be completed.

C. D. RATTIKIN WED TO MRS. FRANKLIN

Mrs. Mary Franklin and C. D. Rattikin, both long-time residents of Eastland, were married Wednesday morning in a ceremony performed by Justice of the Peace E. E. Wood.

They are at home at Rattikin's house on South Madera Street.

Four Persons Take Pasteur Treatment After Pet Infected

Four persons were taking the Pasteur treatment in Eastland this week after a rabid dog, owned by H. S. Adams of Harrell Street, a bus driver, had bitten or been in contact with all of them last week.

The four are Mrs. Adams, their two children, Sandra and Glenna Fay Adams, and Caroline Nobles, a neighbor child.

The dog's head was sent away for analysis and it definitely proved to have had rabies.

E. E. Witt, city sanitary inspector, said he could not learn how the dog had contracted the disease. It had not been known to be in contact with any dog diagnosed to have rabies, he said.

Children attending South Ward School were warned to watch their own dogs and report any strange symptoms that might develop.

Dogs developing such symptoms should be tied up securely and watched for 10 days, it was said.

The rabies case was the second definite diagnosis of its kind in Eastland in recent months. A number of persons took the Pasteur treatment last July after a dog belonging to a family on Mulberry Street had been found to have rabies.

County Put Under Cotton Quarantine

Despite the fact that no pink boll worms were found in examinations of the few cotton fields and gins in Eastland County a few weeks ago, the county has been placed under a pink boll worm quarantine, County Agent J. M. Cooper said Thursday.

Some of the worms, which entered the United States from Mexico and have been slowly working their way north, have been found in Comanche County, Cooper said.

Loss of the entire cotton production of Eastland County would be no disaster, since only a few scattered fields of the plant have been cultivated for many years, since the boll weevil took over in the early 1900's.

Big 'Eastland' Sign To Be Restored

Restoration of the big red "Eastland" sign atop the Exchange Building was in the making this week as Victor Cornelius, who formerly owned the building and whose funds erected the sign originally, donated \$200 to the Eastland Chamber of Commerce for repairing and restoring it.

Cornelius' gift was made public at a meeting of the Chamber of Commerce board of directors Wednesday night.

He said some of the letters on the sign are broken, and all need new support material.

Deputy Sheriff For Gorman Is Requested By Delegation

Flower Festival Great Success; Attendance Large

The Flower Festival held Wednesday afternoon at the Methodist Church by the Civic League and Garden Club proved a thorough success to each of the 200 women present. Besides the club's members, a number of Eastland women interested in flowers attended the affair, and special guests were members of the Cisco Garden Club, the Ranger Garden Club and club women from Gorman, Desdemona, Vernon and Shamrock.

Mrs. Sally Sansome of Fort Worth, owner of Sally's Florist Shop, and her designer, Harold Calhoun, had prepared over two dozen interesting arrangements of flowers, grasses and berries to show what could be done with garden flowers. Mrs. Sansome made an illuminating talk on the use of flowers in the home and how to arrange them in relation to their use. She gave many hints on the keeping of hothouse flowers, and how to buy them to the best advantage.

All the flowers used were garden flowers secured in Eastland. The only greenhouse flowers on display were two lovely bouquets sent by the Wittrop and the Poe Florist shops as a compliment to the club.

Mrs. Jack Frost, chairman for the show, introduced Mrs. Sansome and presented her with a lovely purple orchid which had been sent by Mr. Wittrop as a gift. Mrs. Sansome concentrated her arrangements on the every-

Methodist District Conference Set

The Cisco District Conference of the Methodist Church will be held at Gorman at 9 a. m. Friday, Nov. 21, it was announced this week.

There are 23 pastoral charges in the district, which takes in Eastland, Stephens, and parts of Shackelford, Erath, Comanche and Callahan Counties. Two hundred and fifty delegates are expected to attend the conference.

Bishop A. Frank Smith will be the principal speaker for the one-day session.

Delegates representing the Eastland Church will include R. D. Vaughan, C. B. Frost, J. M. Cooper, Mrs. R. C. Ferguson, V. T. Seaberry, Mrs. R. D. Frazer, W. Q. Verner, Frank Crowell and Mrs. E. C. Satterwhite.

Dallas Farm Editor To See Peanut Farms

Roy Roddy, agricultural editor of the Dallas News, is scheduled to tour Eastland County Friday with County Agent J. M. Cooper while working up a story on peanut farms and farmers.

Cooper said Thursday that he will take Roddy to visit the farms of W. B. Starr at Scranton, George Snyder at Fairview, and P. C. Frasier at Kokomo, and then to the offices of the Southwestern Peanut Growers Association at Gorman, to get an overall picture of the peanut situation in this county and area.

Shafer And Holder To Represent Firm

Announcement was made this week of the appointment of Aubrey Shafer and William F. Holder of the firm of Shafer and Holder as representatives of Southwestern Life Insurance Company.

Information concerning the appointment was received here from the Dallas office of the company.

Violinist To Appear In Concert Monday

ANGEL REYES

The Eastland County Community Concert Association's second concert of the season will be presented in the Eastland High School auditorium at 8:15 p. m. Monday with the appearance of Angel Reyes, Cuban violinist.

Reyes, a young artist highly praised in his field, made his first public appearance at 12, and later studied in France at the Paris Conservatory before beginning his concert career.

His American debut was made in 1941 at Carnegie Hall, New York, and Reyes was hailed by New York critics as a brilliant new figure in the musical world of the West.

Dog Poisoners Active In Eastland Again

Dog poisoners are throwing out baits in quantity in Eastland again, and Chief of Police Ray Laney this week warned parents to keep a watch on small children to prevent them from picking up any of the baits.

Numbers of dogs have been poisoned, Laney said.

The city has a standing reward cut for the capture and conviction of dog poisoners, and C. W. Hoffmann has a side reward out. But so far, in the years that the poisonings have been happening, no one has been arrested or convicted.

The southern and western sections of the city apparently bore the brunt of the most recent wave of poisonings.

Dooley Given Two Prison Terms Here

C. C. Dooley, who has been a marked man in Eastland County since he fled the county jail some time ago, was given an eight-year and a ten-year prison sentence Thursday afternoon on guilty pleas to swindling and theft.

Judge George Davenport of 91st District Court sentenced Dooley, who was brought here Sunday by Sheriff J. B. Williams from Borger, where he had drawn a six year sentence on a check charge.

The eight-year term was assessed on a charge of stealing 236 bales of peanut hay from B. C. Mitchell, and the ten-year term for swindling J. H. Tidwell of \$386.25.

Late Title Transfers Drawing Penalties

Over \$100 in penalties has been collected from Eastland County motorists who have bought cars and failed to apply for new title within the 10 days provided by a new state law, it was reported Thursday in the office of County Tax Assessor-Collector Neil Day.

The office has issued a mimeographed set of instructions on the new requirements for staying in the clear with the law in sales of motor vehicles and trailers.

The time penalty applies to everyone except licensed automobile dealers, who are taken care of in other provisions of the act.

City Fathers Asked To Meet With Court To Talk Problems

A delegation of over 20 Gorman residents met Monday with the Eastland County Commissioners Court seeking to obtain the appointment of a deputy sheriff to serve in Gorman, but no definite action was taken by the court.

The Gorman people said their town virtually is without law enforcement, and cited instances when such enforcement has been needed badly and was not at hand.

Most members of the delegation seemed at outs with the city administration of Gorman, headed by Dr. George Blackwell as mayor. When County Judge Lewis Crossley suggested that the city of Gorman might pay a city marshal what it could and the county make up the rest some way, members of the delegation protested that they did not want the city of Gorman to have anything to do with it.

Members of the court also suggested that the court would be glad to appoint a constable to succeed the Gorman officer who died some months back, but this idea also did not meet with the delegation's approval.

Judge Crossley said Thursday that he had written Mayor Blackwell asking the city officials of Gorman to meet with the court next Monday, or at the convenience of the Gorman men, but that he had not had a reply as yet.

The delegation that appeared Monday had come to Eastland the previous Monday to present its case, but was not heard because Judge Crossley and some of the commissioners were out of town.

The court also on Monday acceded to Sheriff J. B. Williams' plea that pay be allowed for a special deputy, Bill Hunter, that he had hired a week or two before that, but warned Williams that the court would refuse to pay salaries of any more such special deputies hired for any extended period of time without permission of the court.

Armistice Day Rites Are Held Downtown

Armistice Day services on the Courthouse Square Tuesday brought a crowd of about 250 to listen to the Eastland High School Band play and to hear a brief speech by Rev. J. B. Blunk, pastor of the First Christian Church on "Lest We Forget."

Basing his talk on Kipling's famous poem, Blunk said the American people had not forgotten their war dead in the past, and would not now forget them.

Women of the Eastland Civic League and Garden Club placed a wreath on the memorial fountain on the Courthouse grounds, and the playing of Taps concluded the service.

Gorman Man Fined In Eastland Court

Floyd D. Allen of Gorman charged with being drunk in a public place and parking on a highway, was fined \$10 and costs on each of the charges this week by Justice of the Peace E. E. Wood.

State Highway Patrolman Oscar Avera said he came upon Allen's car parked in the middle of Highway 80 a half mile east of Eastland about 7 a. m. Saturday.

W. O. "Jonah" White of Desdemona, charged with being drunk, was fined \$25 and costs by Judge Wood. White was arrested in an Eastland cafe.

NEGRO AQUITTED BY JURORS HERE

Johnny Parker, Cisco Negro charged with assault to murder in connection with the knifing of a Negro girl at a dance in Cisco, was acquitted in a trial Monday before Judge George Davenport.

I like limeade made with plain, and not carbonated, water. Orangeade is made with plain water. Lemonade is made with plain water. So what is there so peculiar about wanting limeade made with plain water? But most people prefer it with carbonated and, regardless of my request, that's the way it's always served to me. If and when I ever get limeade with plain water, I'll know that the good old days when the customer was always right have returned.

Most of us blame nature because we do not become famous. We don't have the voice or the presence or something else. There are many singers with far richer voices than Cantor or Jolson or Durante—but these three have personality. As Durante says, "It's gotta come from the heart."

Opportunity is lacking, did someone say? Irving Berlin began as a singing waiter. He can scarcely pick out a tune with one finger on the piano but he has composed 800 songs, many of which have gladdened millions of hearts, and will live as long as the human race.

Edison was deaf. Milton was blind. Bryon had a club foot. Napoleon was five feet "tall." Demosthenes had a weak voice but developed it by declaiming against the roar of the ocean.

Annual Revenue Collections Rise
Federal internal revenue collections in Texas during the year ended August, 1946, exceeded August, 1945, by 9 per cent to total \$72,555,406, according to government reports released by the University of Texas Bureau of Business Research.

There seems to be little relief in sight for taxpayers—collections are slated to remain at peak levels.

Income taxes registered the only decline for the period, falling 4 per cent lower than in July and August last year. Employment taxes were upped 14 per cent, withholding taxes climbed upward 20 per cent and all other taxes were 10 per cent above the 1946-47 level.

according to the University of Texas Bureau of Business Research.

The bureau's seasonally-adjusted index slumped 25 per cent during the month, since permits slid downward instead of rising in accordance with the usual July-to-August pattern.

On the bright side of the picture, however, was the fact that permits stood 55 per cent above year-ago figures and were still five times above prewar (1935-39) levels.

Most construction materials are becoming plentiful, but contractors who watch the price structure expect a rise in costs of materials in spite of increased supply.

In Texas, building needs centered around wallboard. Appeals were made to the United States Gypsum Company to channel emergency supplies of the vital material into Texas to relieve the prolonged shortage resulting from the strike at the company's Sweet-water plant.

Workers on strike since July 24, have caused a critical situation which has been made more severe by the strike at an Oklahoma plant. Scarcity of the wallboard has sent prices soaring three times

above normal costs, and in many instances contractors were forced to lay off their labor force.

County Agent Urges Fight On Heel Flies

Because Eastland County cattle are going into the winter in relatively poor shape, cowmen this week were being urged by County Agent J. M. Cooper, to combat the heel fly grubs.

The grubs are now in the backs of most cattle having spent the last seven to eight months tunneling around in the animal's body, Cooper said.

It has been estimated that it takes from 10 to 15 percent more feed to fatten a grubby animal. Should the animal be slaughtered in the grubby stage, an average of two pounds of choice meat is lost because of trimmings about the grub cysts along the back. Should the hide have more than five grub holes, it is classed as No. 2 and discounted at 1 cent per pound.

It is the most destructive of animal parasites, and yet it is one of the most easily controlled, because of its habits. From Oct. to Feb. the grubs are in the larvae stage in the backs of the

Rheumatic Heart Disease Leading Killer Of Youths

AUSTIN — Rheumatic heart disease is now the first cause of death among children aged 10 to 14, and is second only to tuberculosis at ages 15 to 25. Despite the importance of this disease its epidemiology is not completely established. No vaccine such as those that prevent typhoid, diphtheria, smallpox, and whooping cough has yet been developed for its prevention or control. We do know, however, some of the danger signals and with the physician's accurate diagnosis some of the damaging results of the disease may be prevented.

Exposure to frequent chilling, damp or overcrowded living quarters, poor diet, an attack of scarlet fever, a bad cold or other infection caused by certain streptococcus germs are likely to be predisposing factors in the appearance of rheumatic fever.

Dr. George W. Cox, state health officer, points out that in general the danger signals of rheumatic fever are pain and swelling in the joints of the knees, ankles, elbows or wrists. The pain usually is felt in one of these centers and spreads to the others. Oftentimes a child will get irritable and cross without any visible signs of a good reason for this attitude; he may cry easily or develop habits of nervousness. A physician should be consulted at once in such a situation, for these symptoms may be the beginning of rheumatic fever.

According to Dr. Cox the best safeguard against this disease are to have each child examined at least once a year by a physician, to have the right kind of food and plenty of rest. When the disease is suspected of being present, a doctor should be consulted at once and if he prescribes complete bed rest, his advice should be implicitly followed.

Two Morton Valley Youths End Training

Two enlistees who attended Morton Valley High School have finished basic Army training at Camp Ord, Calif., according to Army press releases.

They are Pvt. Bobby Fisher, Route 2, Eastland and Pvt. Jessie E. Akers, Route 3, Cisco. Both are 18, and both are 18-months enlistees.

Private Fisher has been assigned for further duty at Camp Ord, and Private Akers has been assigned to Camp Stoneman, Calif.

The human spirit is a marvelous thing. At its brave best, it can not be crushed. It rises above disease and suffering, even as a skylark soars above a battlefield and, soaring, sings.

This is really quite a coincidence, folks, like so many boys, his favorite color is blue. It is definitely his own color, too. His eyes seem more blue than ever when he wears it. Honestly, folks, you've heard of what big eaters our football team is, well, you've never seen Bobby eat especially Mexican food is at the very tip top of his list. That sigh of contentment when he eats, it is really something, and he never gets filled up either. Out in Hollywood, Gary Cooper in western movies is just perfect with Bobby. His hobby is day dreaming and working out new, super-special plays for football. It is nothing unusual to see him in study hall drawing zeros here and crosses there, with lines shooting out from the crosses. In case some people don't know that is how football plays are written. It is most fascinating. He really seems to know his business, too. His favorite subject is history and "Teach" Johnson is tops with him anytime. Oh, yes, folks, if you happen to see someone in a red football jacket go simply wild at a game when Bobby runs with the ball, it is none other than "his girl," Betty Pickens. Blair was king of EHS in 1946 and really did deserve it. He is an active member of the Boy Scouts. Come on folks, let's wish the best of everything to a guy who deserves it. He is really a true friend and a swell sport. Best of luck, success and happiness to Bobby Blair.

HEAR YE! HEAR YE! On Thursday, Oct. 30, Miss Catherine Sue Cooper was presented with a baby bottle containing milk, by the second period P.E. girls. This award was presented at the regular gym hour and Miss Cooper was forced to accept and drink the milk through the nipple. At the next period, Mr. Seibert's science class, she found the bottle on her desk. She was requested by Teacher Seibert to drink the milk in front of the class and to carry it around the rest of the day. If any one would like to know why this gift was presented to Miss Cooper, just ask her. I would also like to add that she has been a good sport to follow through with our little joke.

BOYS' HOMEMAKING Last week in Boy's Homemaking we saw a picture on fresh meats. The name was "Meat and Romance" starring Alan Ladd. We all enjoyed it and learned quite a lot from it. The next day we had a test on the film; the grades were fairly high. On Monday we saw a film on the value of meat to the diet. We hope to get to go to the laboratory and cook some fresh meat. The boys all get quite a kick out of cooking in homemaking and they figure it is a worth-while course.

TYPING NEWS We have three typing I classes in the typing department this year. They are period 1, period 2, and period 4. These classes each strive for the highest average each six weeks. The average is as follows: Period 1, 89; period 2, 92; period 3, 84. Pradie Hardeman is leading with the highest average in speed tests. We have lots of promising material for the Interscholastic League next spring.

SENIOR SPOTLIGHT Here he comes, folks, bounding down the street in a car with no springs. Yes, sir, it's none other than our own Jack Ernst. Jack is about 6 feet 1 inch, so he says and the scales simply shot like a rocket to 162 pounds, when he alighted on them. His hair is brown and his sparkling eyes are blue-green. When he hears "I Wonder Who's Kissing Her Now," or music by Charlie Spivac, it really sets him in the mood to dance. He is simply a divine dancer. Green is his favorite in the artistic field of color. Jack has an enormous appetite and tops on his list is chicken. He nearly pops out of his seat in the movie when Lauren Bacall comes on the screen. Hubba! Hubba!

FRESHMAN SPOTLIGHT The mighty freshman spotlight which sees all, knows all, and tells all, this week gives us the dope on Jimmy Spalding. James is 5 feet, 7 inches tall and carries 125 pounds everywhere he goes. He has brown eyes, black hair, and a long list of favorites. In sports, it's football and baseball, and in pastime it's eating. And when he eats, banana's are his favorites. He has no favorite subject, but doesn't mind General Science as much as the rest, and his favorite teacher is Mr. Seibert. His favorite colors are blue and white, and now we turn to movies. The movie is 'Down to Earth,' with Joan Leslie and Alan Ladd as his favorite actress and actor, respectively. His swoonsong is "Near You," Jimmy has a pet peeve. It is the jokes Milton Herring tells. He wishes funnyboy would get some new jokes ever so often. Jimmy is on the Maverick roster and is a freshman fireboy. He is a regular fellow, one EHS can be proud of.

JUNIOR SPOTLIGHT The Junior Spotlight this week shines on a pretty brown haired, blue eyed girl. She is the treasurer of the Junior Class, a member of the Co-Ed Club and the Harmony Girls. She has taken music three years under Miss Wilda. Her favorite songs are "Stardust" and "Near You." She just loves fried chicken, good murder books, listening to records, and keeping kids. She doesn't like curious people and English grammar at all. Her favorite subject is typing because it is the easiest. She likes all of the teachers. Her favorite color is blue and her classical piece is Rhapsody In Blue. She adored the Jolson Story, and likes June Allyson, and Larry Parks. Her hobby is given parties, if you haven't guessed by now it is Jeanne Green, otherwise known as "Bean Hon."

SOPHOMORE SPOTLIGHT This week the Sophomore spotlight circles around and centers on a popular blue eyed, blond haired boy. He is five feet, six inches tall and weighs one hundred and thirty-eight pounds. He likes to eat and fried chicken is most popular with him. He has many otherlikes and among these are his favorite colors, red and black; actor, Gary Cooper; and actress, Ann Blythe, and his favorite show, Spellbound. "Night and Day" is his favorite song and Benny Goodman, in his opinion has the best orchestra. He likes sports well too, and football really tops this list. Also, there's a certain little girl, who he thinks is mighty cute and that is La Verne. Well, if you don't know by now we'll tell you it's our mighty Sophomore Glenn Garrett. Here's all the luck to a swell boy.

CO-ED CLUB MEETING The Co-Ed Club met at the home of Betty Bumpass Thursday afternoon. The meeting was called to order at 5:30 by the president Audrey Brown. The first thing that was done was the electing of new officers. The officers are Jeanne Green, president; Betty Bumpass, vice president; Veda Sneed, secretary-treasurer; Patricia Rushing, historian; Bobbie Shero, reporter. The meeting was then taken over by Jeanne Green and new members were discussed, but they will be voted on later. After the business was finished the members were served cokes and almond hersheys which everyone enjoyed very much. The member discussed pins and a dance while eating. The meeting was adjourned at 6:30. The next meeting will be in the home of Jeanne Green.

50 Years Of Life Together Celebrated By Gorman Couple

Fifty years of married life was climaxed with a celebration for Mr. and Mrs. Gilford Gray, given at their home in Gorman by their daughters Sunday afternoon.

Mr. and Mrs. Gray, the former Miss Linda Pearcey, were married Nov. 14, 1897, in the home of her parents in Gorman, where they have lived and reared their family.

Sunday afternoon, Mesdames Dave Ramsey and Dick Gray alternated in greeting guests at the door. They were received just inside by Mr. and Mrs. Gray, Mrs. A. C. Maddox of Denton, Mrs. J. R. Matthews of Corpus Christi, and Mrs. Preston Lightfoot of Sweetwater, daughters of Mr. and Mrs. Gray. Next in line were Messrs. Maddox, Matthews and Lightfoot.

James Gray Matthews, a grandson, presided over the white leather, gold engraved guest book, in which 126 friends of Mr. and Mrs. Gray registered.

Mrs. Dallas Jobe invited guests into the dining room, where they were served coffee from a lace laid refreshment table centered with an arrangement of gold chrysanthemums. Mesdames Henry Capers and S. E. Lemley alternated in pouring coffee from the beautiful silver service placed at one end of the table. Miss Ann Lightfoot, a granddaughter, served cake squares from the opposite end. Others in the house party included Mrs. Jimmie Ellison and Mrs. R. E. Boucher and two little granddaughters, Peggie and Margie Maddox.

Attending from Eastland were Mr. and Mrs. N. C. Crawley, Mrs. O. Lenhardt, Mr. and Mrs. W. H. Mullings, Mr. and Mrs. J. Will Carter, Mr. and Mrs. P. L. Parker, Mr. and Mrs. Don Parker, Mr. and Mrs. H. T. Weaver and children, Herbie and Jana, Mrs. Minnie Love and Virgil Love.

Mr. Gray is a former Eastland County commissioner.

Miss Gladene Womack, student of Hardin-Simmons University at Abilene, spent last week end here in the home of her parents, Mr. and Mrs. W. G. Womack.

New Members Initiated Into Sorority Chapter

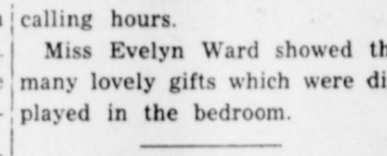

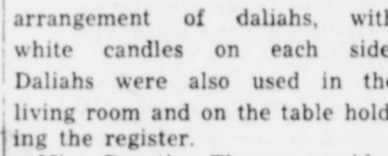

New members who were formally initiated into the Zeta Phi Chapter of the Beta Sigma Phi Sorority on Thursday evening of last week are shown here. Above, left to right, are Mrs. Willis Smith, Mrs. J. E. Harkrider and Mrs. E. R. Morton. At side, left to right, are Mrs. Bill Walters and Mrs. M. D. Fox. Mrs. Smith and Mrs. Fox are sisters.

Mrs. Webb Given Bridal Party By Club

Members of the Beethoven Junior Music Club were hostesses at a party given at the home of Mrs. A. F. Taylor honoring Mrs. Kenneth Webb with a bridal shower. Mrs. Webb is the former Miss Dorothy Sims, and a recent bride.

Mrs. H.T. Weaver greeted the guests at the door and presented each to Mrs. Taylor, who presented each to the honoree and her mother, Mrs. John L. Sims.

Mrs. Harry B. Walters received the guests in the dining room, where Misses Marilyn Wittrup and Jan Spaulding served frosted punch and cookies from a lace laid table. The centerpiece was an arrangement of pink roses with lace fern, with white candles burning in crystal candelabra. The buffet was centered with an

arrangement of daliahs, with white candles on each side. Daliahs were also used in the living room and on the table holding the register.

Miss Dorothy Throne presided over the bride's book, and registered the 35 guests who called during the afternoon. Misses Margie June Poe and Fern Shafer were members of the house party. Misses Wittrup, Shafer and Sally Ann Cooper, Billie Vessels and Marilyn Morgan furnished music throughout the

calling hours. Miss Evelyn Ward showed the many lovely gifts which were displayed in the bedroom.

WEST WARD P-T. A. MEET TUESDAY

The West Ward P-T. A. will meet Tuesday afternoon at 3 p.m. in the auditorium of the school.

Mrs. James Horton will be the speaker and will talk on "Schools for Years Ahead."

W.M.U. Circles Have Lessons In Homes Of Members Here

Members of the W.M.U. of the First Baptist Church, meeting in circle groups Monday afternoon, each had a lesson titled "Now Is The Day" from their mission study book.

Mrs. H. F. Vermillion taught the lesson to the Blanch Groves group, which met in the home of Mrs. Lewis Barber, 407 South Connellee Street. Mrs. L. M. Chapman gave the prayer. A refreshment plate was served to nine members and one guest.

Mrs. John Alexander taught the lesson to the Lottie Moon group, which met in the home of Mrs. Jess Taylor, North Connellee Street. Prayers were given by Mesdames A. J. Blevins and Nora Andrews. Eleven members attended.

Mrs. Charles Butler taught the lesson for the Maybelle Taylor group, which met in the home of Mrs. Howard Upchurch. Mesdames F. A. Hollis and John Dorsett gave the opening and closing prayers.

Seven members and one guest attended.

The Business Women's Circle met in the home of Miss Wynell Carroll Monday evening.

Mrs. H. M. Hart and Mrs. R. L. Young told of their recent trip into Mexico and told the group of the religion and customs of the people. They displayed pictures and mementoes collected on their trip. Thirteen members attended.

Sunday evening services at the First Methodist Church will be held at 7 p. m. until further notice instead of at 7:30 p. m., it was announced this week.

SINGING SCHEDULED AT CHURCH OF GOD

There will be a community singing at the Church of God Sunday afternoon at 2 p. m., Rev. W. H. Hallenbeck, pastor announced. He invited the public to attend.

Isaac Head, 608 West Patterson Street, underwent eye surgery Tuesday morning at Harris Methodist Hospital in Fort Worth. Mr. Head is staying at 518 Davis Drive at Arlington this week to be near his physician.

Mr. and Mrs. William (Dutch) Nabors of Breckenridge were guests in the home of Mr. and Mrs. Guy Patterson Monday evening.

Miss Barbara Patterson, student at North Texas State College, spent the week end here with her parents, Mr. and Mrs. Guy Patterson and brothers, Billy Guy and Tommy Patterson.

Mr. and Mrs. Eugene Hickman and son, Guy spent last Tuesday in Dallas.

Funeral services for Jess J. Cummings, 58, who died Nov. 7 at Sanatorium, were held at the First Baptist Church Sunday afternoon. Rev. H. J. Starnes of Weatherford, former pastor here officiated. Burial was in the Eastland Cemetery.

Mr. Cummings was born in Valley Mills Nov. 3, 1889. He was an employee of the Lone Star Gas Company for 23 years and had retired since his health had failed a few years ago.

He is survived by his wife, and two daughters, Mrs. Milton Fullen, 1305 South Seaman Street, and Mrs. Eugene Everett of Wichita Falls, one son, Sgt. Leo Cummings, of Fort Knox, Ky., a sister, Mrs. S. B. Moody of Abilene and two brothers, G. B. Cummings of Weatherford and T. H. Cummings of Girard, Kan.

Pallbearers were Sam Gamble, L. H. Taylor, Ed Huffman, T. N. Jenkins, Ralph Baggett, and Tommy Fox, who were fellow employees of the Lone Star Gas Company.

day type of flower and used such ordinary accessories as Johnson grass, privet hedge, umbrella plant, sword plant, castor beans, cattails and magnolia leaves.

One of the most attractive arrangements was an oblong table centerpiece done with two red and yellow rooster figurines, five yellow and red candles, pyracantha sprays and several ears of yellow corn. Another was a funny wooden squirrel figurine on a wooden bowl with small golden marigolds, cattails, English walnuts, Japanese persimmons and mandarin foliage. A small white birdcage filled with rose chrysanthemums was interesting.

The red flocked sleigh (Horton pottery) and the horses to match marched across the top of the piano filled with tiny mums. A large white pottery cornucopia done with yellow mums and a bunch of grapes was attractive. An oversize cup and saucer was used with azalea mums, Joseph's coat and a few cigarettes.

Two zebra figurines with red geranium blossoms, umbrella plant and two sprigs of sage bush and a castor bean bunch attracted much attention. A wedding motif was done with white baby mums on a canopy. The largest arrangement and probably intended for a buffet for Thanksgiving was a large and colorful grouping of fruit, flowers and foliage using almost everything in the garden and the grocery store.

During the business meeting, a report was made concerning the annual placing of the wreath on the Memorial fountain on Armistice Day. The flowers this year were contributed by Mrs. Hillard A. Collins, who lost seven nephews in the war.

Mrs. James Horton reported that the renovation of the J. C. Penney Store had begun this week, and that the work was a direct result of the beautification committee of the Civic League. In a letter received this week by manager, J. L. Waller of the local Penney store, the New York office wished to remind the local ladies that it was taking cognizance of their requests for a better store.

Margaret Ann Ammer played a violin solo, accompanied at the piano by Martha June Morehart.

After guests had inspected the various flower arrangements, tea was served at a lace-covered table. The centerpiece was made of yellow mums, blue michaelmas daisies and yellow roses. This was also one of Mrs. Sansome's arrangement. Mrs. James Horton presided at one silver tea service, while Mrs. Frank Hightower poured from the other. Assisting were Marilyn Hurt, Melba Watson, Margaret Ann Ammer, Eileen Eileen Vaughan, Gay Poe and Judy Haines.

Besides Mrs. Jack Frost, chairman, members of the hostess committee were Mrs. Jack Ammer, Mrs. Frank Jones, Mrs. W.D.R. Owen, Mrs. W. P. Leslie, Mrs. James Horton, Mrs. T. E. Payne, Mrs. George Hipp, Mrs. Curtis Hertig, Mrs. T. E. Richardson, and Mrs. Bill Jessop.

Cummings Services Held Here Sunday

Funeral services for Jess J. Cummings, 58, who died Nov. 7 at Sanatorium, were held at the First Baptist Church Sunday afternoon. Rev. H. J. Starnes of Weatherford, former pastor here officiated. Burial was in the Eastland Cemetery.

Mr. Cummings was born in Valley Mills Nov. 3, 1889. He was an employee of the Lone Star Gas Company for 23 years and had retired since his health had failed a few years ago.

Bus Line Hearing Set For Eastland

Hearing on an application of Johnny Aaron of Eastland to extend the bus line of his West Texas Transportation Company from Post to Lubbock will be held in Eastland Nov. 25 and 26.

The line would give through bus service from Eastland to Lubbock. At present, bus or train travel to the South Plains city is difficult, since connections must be made at Sweetwater or some other point.

Those favoring such a line were asked to present their viewpoints at the hearing, which has been scheduled tentatively for the Connelley Hotel.

Supper To Be Held At Baptist Church

Tuesday at 7:30 p. m. a "Let's Be Glad" pie supper will be held at the First Baptist Church. The purpose of the meeting is to offer church members and friends the opportunity of meeting the new pastor, Rev. Lloyd M. Chapman, and, for the pastor to offer the church program for 1947-48, Mr. Chapman said.

The meeting will be carried out in the form of a banquet with Mrs. I. C. Inzer as toastmaster. "Let's Be Glad" is the theme to be emphasized with many humorous and serious items on the program. Participating on the program will be many of the church leaders.

Pie and coffee will be served by women of the church. Church members and friends were invited to attend.

Poppy Day Sales Total Nearly \$200

Poppy Day sales in Gorman and Eastland last Saturday totaled \$199.71, Mrs. W. M. Coppock said.

Mrs. Coppock, assisted by her sister, Mrs. Alfred C. Baker, maintained a stand on the street and directed sales of the poppies all day Saturday.

Mrs. Coppock said they wished to thank Burr's Store for a window display and Mrs. J. E. Freese, leader of the Girl Scouts, who sold poppies Saturday, for their co-operation.

Miss Gale Green was awarded first prize of \$3 for selling the most poppies, Miss Alta Harbin won second prize of \$2, and Miss Sereta Seals was third, winning the \$1 award.

Gorman sales netted \$30.90.

Mahaffey Services Are Held Thursday

Funeral services were held Thursday afternoon at the Banner Funeral Home for Charlie Hugh Mahaffey, who died at his home west of Hillcrest Tuesday.

He is survived by his wife and three sons, Hugh Mahaffey of Eastland, John Mahaffey and Bill Mahaffey of Englewood, Calif., a daughter, Mrs. Sallie Earl, also of Englewood, a sister, Mrs. A. J. Chandler of Welder, and a number of grandchildren.

Mr. Mahaffey had lived in Eastland 28 years and was 81 years old. He had been in ill health for a number of years.

Services were under the direction of the Masonic Lodge and burial was in the Eastland Cemetery.

Rev. L. M. Chapman pastor of the First Baptist Church, officiated.

LIGHT UP
 ...for BETTER LIVING
 These are days when every member of the family needs more and better light. The kids need a lot of the right kind of light as they study their homework. Mother needs good kitchen lighting at least twice a day—while she cooks breakfast and while she prepares dinner. Dad needs good light while he reads the evening paper.
 All this adds up to Better Light for Better Sight for the whole family. Check your lighting facilities now—make sure that there are no empty sockets and that the bulbs you are using are of the proper size. It also pays to keep spare bulbs on hand to replace those which may burn out just when you need them most.
 Most stores sell lamp bulbs—put them on your shopping list today.

SHE'S BUSIER THAN EVER

...with more calls from more telephones

Telephone operators are busier than ever during these days of more telephone calls from more telephones than ever before. But they still take pride in doing their job with the same characteristic skill, patience, and courtesy that have caused them to be known as "The Voice With a Smile."

Despite the heavy increase in calls, operators are handling most of them quickly and accurately. Sometimes, during midmorning and late afternoon (the busiest times at the switchboard) there may be a brief wait for "Number, please," but you may be sure your call will be answered as promptly as possible.

203 Cattle Sold At Holiday Auction Sale

With the Armistice Day holiday interfering, only a moderately successful sales day was held Tuesday at the Sig Faircloth Livestock and Commission Company barn, with 203 head of stock sold.

Fairecloth said he expected a greater number next Tuesday, barring a continuation of bad weather.

Revised figures on the first day's sales at the barn pushed total sales to over 1300 head, although only slightly more than 1000 were sold through the auction ring, the others being sold in back-pen deals.

Baptist Youths Meet To Plan Program

Tuesday at 8:30 p. m. a group of young people from the First Baptist Church met with the pastor, Rev. Lloyd M. Chapman, to discuss a youth program. Present were Leonard Quarles, Roy Lane, Evelyn Ward, Betty Allison, and Harold Callam.

The plans discussed centered around a youth night service, Sunday night, Nov. 30. Young people will assist the pastor in conducting the service. Prayer, testimonies, ushering, scripture reading, and other items are to be conducted by young people.

CARD OF THANKS

We wish to thank our many friends for their thoughtful kindness, good deeds and sympathy extended us at the time of the loss of our husband and father. Mrs. J. J. Cummings, Mrs. E. W. Everett, Mrs. T. M. Fullen, and Sgt. Leo Cummings.

English Professor To Speak At Affair

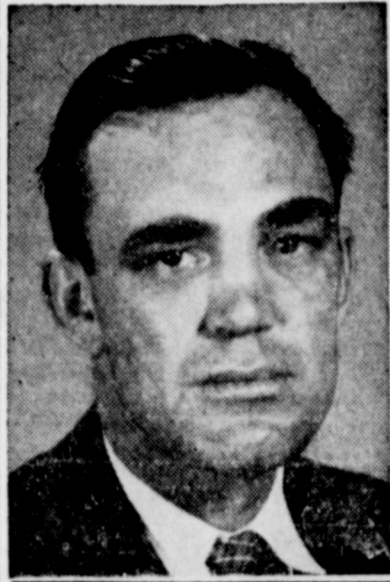

Dr. William Robison, principal of Overall Colleges and professor of Christian Doctrine and philosophy of Religion at Shelly Oak,

England, who is a visiting professor at T.C.U. in Fort Worth, has been secured as the speaker for the "Family Night" at the First Christian Church.

There will be a turkey dinner and all the trimmings served at 7 a. m. All the members were

urged to come and bring families Tuesday, Nov. 14.

Dick Turner returned home here Tuesday following an appendectomy in a hospital last Friday. Dick is now at home. Mr. and Mrs. John Turner
