## Gorman Man First In Army Under New Entry Plan

The first Eastland County man to enlist in the US Regular Army under the recently authorized 21-month enlistment period was sworn in at Abilene on August 31, it was announced today by S-Sgt. James Hendrick of the Eastland Recruiting Station. The enlistment period is open to men 19-25 years of age.

Eldon McMillan, 19, son of Mr. and Mrs. W. W. McMillan, Rt. 2, Gorman, was convinced that he would be called into service very soon and as the 21-month enlistment is the same period the selectee will serve he decided to volunteer and perhaps get a better choice of assignment and training. McMillan is a 1946 graduate of Gorman High School and attended Cisco Junior College.

After enlistment at Abilene, Recruit McMillan was sent to 4th Training Division at Fort Ord, California for a period of basic training, after which he will be ordered to an Army specialist school or join an Army unit for advanced training and duty.

## Kirk Pool Well Flows 1,056 Bbls. Within 24 Hours

Little short of sensational was the performance of a gusher in the Kirk pool, along the Eastland-Comanche boundary.

The well, drilled by E. K. and E. M. Burt of Wichita Falls on the George Bell, flowed at the rate of 1,056 barrels in 24 hours, through a half-inch choke. This was on the basis of a five-hour test with packer on casing and 575 pounds on tubing. The No. 1 Bell had 40 perforations at 2,794 to 2,802. The oil is 42 gravity.

In the latest report, two other Kirk pool completions are included: J. Ralph Stewart of San Angelo, No. 1 C. M. Murphy, gauged 161 barrels in 15 hours through 20-64th choke, and Commercial Production Company of Sinton, No. 1 J. A. Hirst 66 barrels in 24 hours through 1-8th choke.

## 84-Year-Old Singer To Make Debut

NEW YORK, Sept. 3 (UP)—James Taber Fitzgerald, 84-year-old baritone of Los Angeles, today scheduled his concert debut at Town Hall Sept. 9, after 15 years of preparation.

Fitzgerald said he took up singing in 1933 when he lost his piano store in the depression. He has never appeared before an audience.

## Police Reunite Jester And His Half Brother

NEW YORK, Sept. 3 (UP)—The governor of Texas and his 75-year-old half-brother, who had been missing four weeks since being locked out of a boarding house for failure to pay \$15 rent, were reunited by police today.

Police, who had been asked by Gov. Beauford H. Jester to hunt for his half-brother, Claude, found the aged man in a bus station telephone booth at 12:45 A. M., where he was calling the governor after reading of the search in newspapers.

Patrolman Gerald Doherty, who picked up the missing man and took him to Gov. Jester's suite at the Roosevelt Hotel, said he seemed "a little seedy." Doherty said the old man was wearing an old straw hat, a dingy blue suit, and a dirty white shirt.

Gov. Jester had called in the police when he arrived here for a meeting of the Interstate Oil Compact Commission and had been unable to locate his brother.

The governor told police that he went to his brother's room house and was informed by the landlady that Jester had been told that he "had to go" last Aug. 6, when he was two weeks behind in his \$30-a-month rent.

He took only his shaving equipment with him, leaving his other belongings.

Detectives assigned to the case found that Claude Jester had been on home relief from November, 1946, until three weeks ago when he was dropped because he would not allow the department of welfare to get in touch with his Texas relatives.

"None of the family had any idea other than he had been able to maintain himself comfortably," Gov. Jester said. "The family has tried for a number of years to get him to come back to Texas to live with us, and my efforts to see and urge him again to return to Texas to make his home with us prompted me to go to his apartment when I had no answer from my telephone messages or special delivery letter."

The governor described his brother as having a "fierce pride" and said he had left his hometown of Corsicana, Tex., 48 years ago.

## Last Rites For Mrs. Herring To Be At Flatwoods

## Seeks \$100,000

HOUTON, Tex., Sept. 3 (UP)—A \$100,000 damage suit was filed in district court here today against the Missouri-Kansas Texas Railroad company by Edward Thompson of Shelby County.

Thompson claimed that he seriously injured himself last February 13 while working for the railroad company at Stamford, Tex. Thompson's suit said he was totally disabled when he lost his footing in muddy ground, that several operations were required.

## Texas Voters To Get Choice Of 5 For President

BY UNITED PRESS  
It appeared today that Texas voters will be able to choose from five presidential candidates in the November general election.

The Texas Prohibition Party yesterday certified Claude A. Watson of California for president and Dale H. Learn of Pennsylvania for vice president with the Texas secretary of state.

The party held its state convention in Houston Aug. 10.

Meanwhile, Herman Wright, Texas chairman of the Progressive Party, said in Houston he would file certification of nomination with Secretary of State Paul Brown next week in behalf of Henry A. Wallace and Sen. Glen Taylor of Idaho.

Lone Star Dixiecrats were set to enter the names of Govs. J. Storm Thurmond of South Carolina and Fielding Wright of Mississippi under the States rights Democratic Banner after a Dallas convention next week.

The fourth and fifth presidential states will be those of the Loyalist Democrats and the Republicans.

## DIES OF INJURIES

SAN ANTONIO, Tex., Sept. 3, (UP)—Jerry Richardson, 10-year-old Victoria youth, died in a San Antonio hospital today two hours after being brought here for treatment of a fractured skull suffered when he was struck by a flying baseball bat.

Sixteen ballots were necessary to make Montgomery the capital of Alabama in 1846. Tuscaloosa led the first ballot but couldn't muster a majority.

## ORGANIZATION PUSHES RURAL ROAD PROGRAM

A state-wide organization has been formed, the sole aim of which is to provide and sponsor a planned program designed to give Texas all weather rural roads.

Many state-wide groups interested in all rural problems have attempted in the past to sponsor better rural roads. However, each organization had its individual program, and many times it enabled pressure lobbyists to play one group against the other. In order to avoid this in the future these state wide groups met with many individuals and representative of such organizations as were primarily dependent upon good roads and it was decided to form "THE TEXAS RURAL ROADS ASSOCIATION."

All modern benefits now received by the rural people of our state are the result of organized effort. The rural mail service, rural electrification, telephone, conservation districts, Co-ops, and many others were made possible only after the people organized themselves into one common group and worked for enactment of the necessary legislation. Realizing this, THE TEXAS RURAL ROADS ASSOCIATION will attempt to organize ALL the people of Texas who are not now satisfied with the mileage of better rural roads they are receiving.

Once organized, the The Texas Rural Roads Association will attempt to get legislation providing a long range, well planned program of rural road building. Such a program has resulted in our having now an excellent system of state highways. Without a well planned program, the present highway system would probably have not been what it is. At the present there is no such planned program for building rural roads. The only means of obtaining such a program for rural roads is through a state-wide organization designed to take Texas rural roads "out of the mud". No officer of the Association is paid a salary of any kind.

County Judge Roger Garrett of Anson, Texas is District Chairman, 24th Senatorial District and County Judge, P. L. Crossley is Eastland County Chairman. Crossley, Eastland, Texas and membership cards will be mailed to you.

## STORM FORMED 350 MILES EAST OF BROWNSVILLE; MOVING NORTH

### Woods Denies Gregg County Accusations

AUSTIN, Tex., Sept. 3. (UP)—Dr. L. A. Woods state superintendent of public instruction today heatedly denied allegations by a Gregg county grand jury of administrative laxity in handling certain school funds.

He said the allegations, contained in a letter signed by R. L. Whitehead, criminal district attorney for Gregg county, and 11 members of the grand jury, would be answered.

However, he said that preparing an answer "in detail" will take time.

He said that the letter "shows a lack of information as to what happened, and what is happening in the public school program in Texas."

He said that the audits brought forth "no criticism at all."

Woods countered charges of failing to cooperate with Gregg county authorities with a claim that "never at any time have we failed to cooperate with any legal authorities with reference to any part of the education program of the state."

NEW ORLEANS, Sept. 3, (UP)—The New Orleans weather bureau reported today that a hurricane had formed in the Gulf of Mexico 350 miles east of Brownsville, Tex., and was booming north at the rate of eight to 10 miles an hour.

W. R. Stevens, chief forecaster at New Orleans, ordered hurricane warnings hoisted from the mouth of the Mississippi River, about 95 miles southeast of New Orleans to the Vermilion Bay area, about 150 miles to the west.

This would indicate that the center of the hurricane was bearing upon New Orleans, although Stevens declined to say specifically.

Winds of 75 miles an hour — hurricane velocity — were reported "over a small area."

Winds up to 45 miles were reported over an area 250 miles east and northeast of the center.

Southeast storm warnings were ordered hoisted from Mobile, Ala., to New Orleans, hurricane warnings from the mouth of the Mississippi to Vermilion Bay and northeast of Galveston.

Stevens said "Dangerous winds and tides" could be expected in the hurricane display area — from the mouth of the Mississippi to Vermilion Bay — Saturday morning.

The text of his 10:45 a. m. CST advisory:

"Hoist storm warnings Mobile, Ala., to New Orleans, hurricane warnings from mouth of Mississippi River to Vermilion Bay area of Louisiana, and northwest storm warning west of Vermilion Bay to Galveston."

"A hurricane has formed in the Gulf of Mexico and was centered at 10:45 a. m. (CS) near latitude 26, longitude 92.5, or about 350 miles east of Brownsville, Texas."

"It is attended by winds up to 45 miles an hour over an area 250 miles east and northeast of center, and up to 75 miles an hour over small area near center."

"Indications are that the storm will move north eight to 10 miles and hour. Dangerous winds and tides may be expected in the hurricane display area Saturday morning. All interests are urged to be on the alert for further advisories this afternoon."

"Hurricane velocity winds were centered 'over a small area' winds up to 45 miles an hour extended 250 miles east and northeast of the center."

Hundreds of ships and boats, from freighters and passenger ships to shrimp and fishing boats, are usually in the upper gulf area.

The coast Guard was raising warnings to all shipping in the Gulf to head for port. Coast Guard patrols will be sent out to warn boats without radios. Messages will be dropped to small vessels from planes.

The Coast Guard said the hurricane appeared to have built up in a few hours. Last night, a small disturbance was reported in the Gulf, but the first news that it was a hurricane was announced by the weather bureau at 11:45 A.M. EST.

Usually, the hurricane warning system begins tracking hurricanes much farther from the mainland. This was the third reported in a week. A major hurricane passed out to sea near Cape Hatteras — the coast of the Carolinas an another disintegrated in the Gulf.

## Earthquake Hits Mindanao Island

MANILA, Sept. 3, (UP)—An earthquake rocked northeastern Mindanao island in the last of a series of disasters in the Philippines.

The Red Cross reported that more than 20 persons were injured and about 50 houses damaged by the quake which struck Surigao province. It presumably was connected with the eruption, for the first time in 77 years, of Mt. Hibok Hibok, on tiny Camiguin island in the Mindanao sea, which is separated by Mindanao by only eight miles of water.

Fears for about 3,000 persons still on Camiguin were subsiding, however, as the Red Cross said that "everything is under control there". Several thousand persons had reached Mindanao in small boats, and those remaining were said to be no longer in danger.

The Red Cross reported that a Philippines naval patrol vessel took food supplies to Camiguin from Leyte, and that over 800 persons there had received Red Cross relief aid.

Earlier reports had expressed fears for the safety of about 3,000 persons said to be hemmed between the erupting volcano and the sea short, with no means of escape. The volcano was erupting less furiously today, it was said, and it was believed no one on the island was in serious danger now.

## Little Change In Weather Seen

BY UNITED PRESS  
Clear to partly cloudy weather enveloped most of Texas today, but the Gulf Coast section was reported in line for occasional squalls with moderate to fresh north and northeast winds.

Little change in temperature was expected in line with headings generally in the 90's over all but a few scattered sections yesterday when Presidio reported 102, Christal and Clarendon 101, and Crystal City and Laredo 100. Low maximum was 89 at Galveston and Marfa.

Minimums today ranged between 57 at Junction and 76 at Galveston and Laredo.

Only light rain was reported in the Panhandle yesterday and last night with Shamrock recording .09 inches, Dumas .08, Panhandle .05 and Amarillo .04.

## Not Enough Ballots

DILLWYN, Va. (UP)—Nearly all of this town's 95 eligible voters turned out on municipal election day. But by mid-afternoon, after 84 votes had been cast, the supply of official ballots gave out. R. K. Ranson, who lost a town council seat by three votes, is considering a contest.

## Theft Made Easy

MANITOWOC, Wis. (UP)—A thief had it easy when he robbed the Herbert Schisel home of more than \$1,000. Schisel had left the combination of the safe on a piece of paper, conveniently located under the safe.

## Johnson Leading Coke 44 Votes

LATE ELECTION FLASH  
DALLAS, Tex. Sept. 3 (UP)—Congressman Lyndon B. Johnson came up from behind today to seize the lead in the neck-and-neck race with former Gov. Coke Stevenson for nomination as U. S. senator.

The 10th district congressman's margin was a slender 44 votes at 12:44 P. M.

Stevenson had been 157 votes ahead only 20 minutes before, then Jim Wells county's complete official report reached the Texas Election Bureau and it zoomed Johnson's total up past Stevenson's.

Johnson 494,141.  
Stevenson 494,097.

AUSTIN, Tex. Sept. 3, (UP)—Lyndon Johnson today claimed that new vote corrections, lowering the lead of Coke Stevenson demonstrate the accuracy of his forecast that by the official count he will have a "substantial majority."

He added that "when every vote is honestly counted in every county, Lyndon Johnson will be certified as the winner of the nomination."

Former Gov. Coke Stevenson's slender lead in the race for nomination as U. S. Senator was reduced to 157 votes at noon today.

The Texas Election Bureau's tabulation, based on revisions contained in official reports from 18 counties since last night, gave: Stevenson 494,096.  
Congressman Lyndon B. Johnson 493,939.

Official returns from 10 of the 18 counties reporting overnight varied from the complete unofficial returns which the Election Bureau had posted earlier. Johnson's net advantage from the changes was 98 votes. Stevenson had been 255 ahead in the bureau's last report of Thursday night.

## Scouter Pow-Wow In Ranger Tuesday

**Miners Pensions Begin Soon;  
 May Be Pattern for Industry**

BY PETER EDSON  
 NEA Washington Correspondent

WASHINGTON—(NEA)—Some time in September, \$100-a-month pension checks will start going out to retired soft coal miners who are members of John L. Lewis's United Mine Workers who are 62 years of age or older, and who have had 20 years of service in the coal mines. Some retired miners who are 64 or over may be eligible to receive additional payments of up to \$2500 apiece, for the pension payments are to be made retroactive to May 29, 1948.

Whatever the amount of the initial pension, these payments will mark the start of the second phase of a major industrial welfare plan. The miners are now receiving certain emergency distress benefits. Survivors of miners who die receive \$1000 death benefits. Still to be put in operation is a plan for complete medical and hospital care. It is hoped to set this up before the end of the year.

All this welfare is to be paid for out of a trust fund raised by royalties of 20 cents a ton paid by the coal operator—and eventually by the consumer—on every ton of coal mined. On the basis of 500,000,000 tons annual production, this would be \$100,000,000 a year.

The miners' welfare plan is being closely watched in other industries, as a possible pattern for expanding social security coverage through private business instead of through the government. Only four unions have now gained similar employer-paid welfare plans—the Musicians, Clothing workers, Garment workers and the United Auto workers employed by Kaiser-Frazier.

Application forms and regulations for UMW pensions were sent out to local unions last week, so it is now possible to give some idea of how this phase of the great experiment will work. Only UMW members are eligible to receive payments. Non-union men won't benefit. For the present, only bituminous miners are covered, as the anthracite industry pension plan has not been completed.

In computing what constitutes 20 years of service to qualify a miner for his pension, there is considerable leeway. The average miner works only 260 days a year because of mine shut-downs, seasonal layoffs, injuries and similar unemployment factors.

New regulations covering operation of the pension fund therefore provide that a year's service may be computed in any one of four ways: 1—At least two quarters (six months) employment by a coal operator in any calendar year, with earnings of at least \$50 in each quarter. 2—Two quarters employment by the UMW, which recruits many of its organizers and other help from local unions. 3—Two quarters in the armed services. 4—Two quarters in which the miner was listed as an employee of a coal operator, but during which the employe was unable to work because of injury.

Retired miners receiving pensions may take employment in industries other than coal mining without forfeiting pensions. A retired miner may go back to work in the coal industry temporarily, but if he does he will lose his pension for every month in which he does any work.

Retired miners aged 65 or over will of course be eligible to receive Social Security old age insurance from the government, in addition to their UMW pensions. Social Security insurance now pays from \$30 a month up to \$50 a month for a retired worker whose wife is living. So a married miner of over 65 may get up to \$150 a month.

How many miners will apply for pensions is unknown. Miners are now paid from \$75 to \$80 a week. It is expected that many older miners will prefer to work for this higher income than to retire on what amounts to one-third full pay.

Inauguration of the Lewis pension plan marks the end of a three-year fight. Lewis first proposed the welfare fund in 1945, and it was written into a contract signed with the government. Royalty payments began at the rate of five cents a ton.

**American Milking Shorthorn Society  
 Establishes Independent Registry**

The American Milking Shorthorn Society has recently set up its own independent registry office for Milking Shorthorn cattle. This was done upon the unanimous vote of the member breeders and, according to Secretary W. J. Hardy, because this branch of the Shorthorn breed had made such rapid growth in the past decade that it was felt to be in the best interests of the members to record and promote their cattle under independent direction.

This branch of the Shorthorn breed should not be confused with the Beef Type Shorthorn, although formerly all the registrations were handled by the American Shorthorn Breeders' association.

The new organization makes it debut with 8,000 member breeders who are highly enthused and full of plans for the future promotion of their chosen breed.

Mr. Keith King is the president—an active breeder who resides at Victoria, Ill. King also is one of the inspectors on selection of cattle for the forthcoming National Breed Show and Sale at Dallas, Tex., Oct. 18 and 19. This is perhaps the biggest feature among the many plans for promotion and is unique in the fact that it will be a show of "State Herds," something no other cattle breed has ever done. The first show of its kind was held at Kansas City last year and was highly successful.

In the picture is President King (in dark suit) looking over a likely prospect for the national event where these dual-purpose cattle will be showing for \$5,000 in premiums and which, after the showing, the best animals will be selected and sold at auction. The first annual meeting of the society will be held at this time also and more than 1,000 members and delegates are expected to be present.

Offices of the American Milking Shorthorn Society are located at 4122 S. Union Ave., Chicago 9, Ill.

 Speaking Of Corn—

And before we go futher, let's make it clear that we're not talking about the kind of corn you think we are.

We're talking about the kind that grows on the cob. And the boys down in Falls county really know how to grow it, come high-water or-well, dry weather.

The boys referred to are the members of the pleasant grove class of the Falls County Vocational Educational School.

Under direction of D. C. Collinsworth, 15 members of the class of farmers under the government's vocational education program, entered a corn producing contest.

They planted hybrid corn produced at Rosebud by an association of hybrid corn growers.

And to show you it doesn't really take a farmer to raise corn, a man fresh out of the cafeteria business walked off with first prize.

L. S. Whitehouse, who was working in a cafeteria in Corpus Christi when he decided to become a farmer, produced 2,930 pounds of corn per acre-which according to our country calculations, is pretty good corn raising. And he did it in spite of the Falls county drouth, too.

His closest competitor was Ernest Sealey, with a yield of 33 bushels per acre. Gillis White was third with a yield of 31 1-2 bushels.

Whitehouse says the sandy land farm he settled on after getting out of the cafeteria business was badly run down. "I didn't think it would grow much of anything."

"But by working hard and staying it, it has surprised me," and I was not a farmer to begin with."

**TEXAS NEWS BRIEFS**

By United Press  
 TYLER, Tex., Sept. 3 (UP)—A hearing has been set for Tuesday to decide the sanity of a 78-year-old man accused of attempting to attack a 13-year-old girl.

County Judge R. P. Power will hear the case.

A complaint charging the man with insanity was filed yesterday by County Attorney R. S. Burrus. The man was arrested when the young girl signed a statement implicating him.

JACKSBORO, Tex., Sept. 3 (UP)—County Judge John D. McComb, of Jack County, died last night at his residence, a victim of a heart attack.

He was appointed on Feb. 1, 1943 by commissioners court to fill an unexpired term and had served since by election, being re-nominated in the recent primary.

He was an ex-student of Baylor University and of the law school of the University of Texas. His wife and a daughter survive.

LONGVIEW, Tex., Sept. 3 (UP)—Funeral services were pending today for Mrs. Myrtle Henderson, 48, who was killed instantly yesterday when she was struck by a Texas & Pacific train.

Mrs. Henderson was knocked off the Grace Creek trestle near the outskirts of the city by the impact of the locomotive. She fell to the ground 15 feet below.

TYLER, Tex., Sept. 3 (UP)—Judge Frank McClendon yesterday took judicial note of the nervousness of newllyweds.

An 18-year-old youth, just married, was haled into Judge McClendon's city court, charged with making an illegal turn on a red light.

The youth explained the turn

was because of his nervousness. Ruled the judge: "Just married. Case passed for six months."

AUSTIN, Tex., Sept. 3 (UP)—A supporter of State Representative Durwood Manford of Smiley for the speakership of the 51st Legislature claimed yesterday that Manford had majority pledge of the House membership.

Rep. Jim Heflin of Houston said that Manford had pledges of 93 of the 150 members nominated in the Democratic primaries.

Backing of 76 members is necessary for election.

Manford's opponent in the speaker's race is Rep. Joe Kilgore of McAllen.

HOUSTON, Tex., Sept. 3 (UP)—Rites were to be held in San Marcos today for William Malone, 88, member of a pioneer Texas family who died at the home of a daughter here yesterday.

Malone had lived in Houston 43 years and was a leader in Houston's early development. He was one of the incorporators of the Trinity and Brazos Valley Railway Company, now known as the Burlington-Rock Island Railroad Company, operating between Houston and Dallas.

Malone was a member of the first class at Texas A. & M. College.

Surviving are two sons, daughter and three sisters.

HOUSTON, Tex., Sept. 3 (UP)—Some 60 longshoremen were back to the S. S. Alabama Sward today, boating a 10-cent hourly wage hike secured after a brief walkout that started Wednesday.

The dispute was settled last night, and the ship was loaded for passage to New York City.

Members of locals 1232 and 1271 International Longshoremen's Association (AFL), had asked the boost, and filed off the ship Wednesday when negotiations with the company broke down. Union officials explained that the work stoppage was not a strike, but that the longshoremen simply would not load the ship until an agreement was reached.

## NEWS FROM LONGBRANCH CARBON ROUTE 1

Mrs. G. W. Stowe, Cor.

**LONG BRANCH, Sept. 1**—The meeting closed here Sunday night after a ten day session under the direction of the pastor Rev. Windel Lee from Brownwood. There was one addition to the church roll and visible results in a spiritual awakening in the church.

Among those from Eastland who attended some of the services during the revival were Mrs. Frank Martin, Glen, Barbara and Don Martin, Earl Little and Nell Frost.

Mr. and Mrs. S. E. Carter and son, J. D. from Mangum were in attendance at the meeting Wednesday. Mrs. S. E. Carter, Jr. accompanied them home to spend the night.

Special music was furnished Wednesday evening by Mrs. Buster Hastings and her sister Mrs. John Dudley of Cisco accompanied by Miss Lucille Furr.

Mr. and Mrs. Arthur Wright had as guests Tuesday and Wednesday Miss Lois Chestnut and her sister, Mrs. Opal Johnson from Calvert.

Okrans attending the meeting last week included Mr. and Mrs. E. N. Marsh, Mr. and Mrs. Otto Adams; Mr. and Mrs. Robert Burns; Mrs. Carl Burns; Mr. and Mrs. J. H. Day and children, Sybil and Ray; Mr. and Mrs. Doss Cozart; Mr. and Mrs. J. A. Watkins and Mr. and Mrs. G. T. Alford.

Mr. and Mrs. Charles Wright returned from McCombe Friday where they had gone to get their trailer house. They spent the night in the home of his parents, Mr. and Mrs. W. W. Wright then was accompanied by them to Eastland. Charles has accepted a position there and they are now at home at the county seat.

Those from the Branton community who were here for the meeting were Mr. and Mrs. M. M. Cooper and Babe Cooper; Mr. and Mrs. Rufe Hendricks and Dovie, Mr. and Mrs. George Hill, Mr. and Mrs. Walter Hill, Mrs. Pearl Criswell and son, Mrs. Buster Walker and Mr. and Mrs. C. W. Langley.

Mr. and Mrs. Fred Wilson and their children have returned from Grand Saline, where they attended a reunion of the Lambert family. In the home of Mrs. Wilson's parents, Mr. and Mrs. J. S. Lambert, the seven children and their families and other relatives gathered. There were 83 people who had dinner at the old home one day.

Ray Lambert from Arkansas has been visiting in the home of Mr. and Mrs. Fred Wilson.

Mr. and Mrs. Willie Poe from Cisco drove over for church Thursday and were entertained at dinner in the home of their nephew, J. T. Poe and Mrs. Poe.

From Pleasant Hill attending the meeting were Mr. and Mrs. Henry Hines, Majorie Hines, June Tucker, Mr. and Mrs. Robert Hageman and Bobbie Jean; Mr. and Mrs. Earl Harris.

Mr. and Mrs. J. E. Curtis from Lubbock visited their parents, Mr. and Mrs. W. L. Curtis Sunday.

Mrs. Elzo Been, Mrs. Britt Dudley, Mrs. W. L. Curtis, Mrs. Windle Lee and Miss Lucille Furr motored to Rising Star Thursday.

Mrs. C. M. Burnett was accompanied home by her son Maurice Burnett and his family from Corsicana Wednesday. The visitors returned to their home Thursday.

Rev. and Mrs. Cullen Hawkins drove up from Falfurrias with their daughter, Juanita Thursday and visited in the home of Mrs. Hawkins' parents, Mr. and Mrs. C. M. Burnett a day or two preparatory to the marriage of Miss Hawkins to Glen Ford of Carbon Friday morning. The couple plan to live in Cisco where the groom is attending school at Cisco Junior College.

Mr. and Mrs. Melvin McFalls

Returned to their home at Red Oak after a few days visit with Mr. and Mrs. Carl Johnson, Miss Anne McFalls and others. They were entertained at dinner in the home of Mr. and Mrs. Ed Sherrill Friday.

Friday evening a group from Cisco drove out for the service at the tabernacle. They were Mrs. Roy C. Farley and daughters, Pearl and Pearlene; Mr. and Mrs. R. O. White; Mr. and Mrs. Billy Kendrick, Waddell Raines and James Ed Agnew and Mr. and Mrs. John Dudley. A vocal duet was rendered by Waddell Raines and Pearlene Farley accompanied at the piano by Pearl Farley.

Mr. and Mrs. Victor Gage from Cisco visited in the home of Mr. and Mrs. Henry Reed Friday afternoon.

Mr. and Mrs. Jimmy Wright from Eastland were at the Arthur home Friday.

Mr. and Mrs. Bud Holloway from Carbon were at Long Branch Sunday evening.

Mrs. C. S. Bohannon and her daughters, Vesta, Mary Alice and Jimmy and Mrs. Mary Sherrill shopped at Carbon Wednesday afternoon.

Rev. A. H. Nelson and Mrs. Nelson and their children, Carroll and Nickie, Rev. and Mrs. Milton Burnett and son, Walter Dean and Rev. and Mrs. Light from Brownwood attended some of the services of the revival.

Mr. and Mrs. Truett Been and children Kay and Ray from Abilene were week end visitors in the home of Mr. and Mrs. Elzo Been.

Mr. and Mrs. C. B. Dudley and son, Harold and Mrs. Lena Dudley from Cisco visited in the home of Mr. and Mrs. Charley Walker Sunday.

Mr. and Mrs. Fayette Brown and Earlene from Center Point attended church here Sunday evening.

Mr. and Mrs. C. S. Bohannon had as dinner guests Sunday Mr. and Mrs. Fred Wilson and for supper they entertained Mr. and Mrs. G. T. Alford from Okra. Other guests in the afternoon were Mr. and Mrs. Jack Lovell and Mr. and Mrs. Grady Rone from Carbon.

Billy Reed from Carbon was shaking hands with friends here a few days ago when he drove over for the meeting.

## Girls Turns Eve On Capital Dome

WASHINGTON, Sept. 3, (UP)—A shapely brunette today stripped naked at the base of the capitol dome.

Police took her in custody to determine whether she intended to jump from the dome's base to the capitol steps about 100 feet below.

The woman first was noticed by Walter Linscott, a book binder in the Senate library, when she made her way to a roof area outside his workroom at the base of the dome.

She began taking off her clothes and throwing several objects to the steps below.

A YWCA receipt, dated Aug. 29, bore the name of Dorothy Smith and was one of several objects she threw over the stone fence before capitol police cornered her.

**TEXAS DIAMOND DOINGS**

By UNITED PRESS TEAS LEAGUE  
The Shreveport Sports haven't given up hope of knocking the San Antonio missions out of the Texas League playoff and taking over one of the coveted spots themselves.

While the Missions went down fighting 5-4 against Fort Worth last night, the Sports fell before Oklahoma City 7-4 then rebounded with a vengeance that carried them to a 12-6 nightcap triumph and to within a game of fourth place.

It looked like the sports were going to fall twice to the Indians as the home club opened with a big five-run first inning in the second game, but skipped Salty Parker's club mustered its battling power for a nine-run spree in the second to go ahead and were never headed.

After a see-saw eight innings, the Missions apparently sewed up their game with the Cats with

Charley Grant's two-run homer at the top of the ninth for a 4-3 lead, but Red Davis' error set the stage for a two-run Fort Worth rally that pulled the game out of the fire. George Brown snapped a four-game losing streak for his seventh victory in going the route for the Cats.

Tulsa's big Harry Perkowski finally won his 21st game with a superb performance in setting the Beaumont Exporters down with five hits, one walk and six strikeouts for a 7-0 shutout, his second of the season.

Even a 17 hit barrage couldn't keep the Dallas Rebels on the winning side of the ledger last as they bowed to the Houston Buffs 7-5. Jack Creel weathered the entire Rebel storm on the Buff mound.

Houston remains in Dallas tonight, as does San Antonio in Fort Worth, Beaumont in Tulsa and Shreveport in Oklahoma City.

**WEST TEXAS - NEW MEXICO LEAGUE**  
The Amarillo Gold Sox clipped a game off Albuquerque's West Texas New Mexico league lead today.

The Sox and Dukes each got 15 hits last night, but the Sox made their count the most as they scored a 7-5 victory over the leaders and pull within four games of top place.

The rest of the first division, third-place Lubbock and fourth-place Pampa, turned in victories, The Hubbers nosing out Lamesa 3-2 and Pampa taking Abilene 9-6.

Clovis and Borger staged a knockdown - draught with the Pioneers coming out on top with a 19-11 decision.

The clubs play the second of their current series tonight.

**LONGHORN LEAGUE**  
The pitching was exceptional in the Longhorn League last night with only one of the four games

ending in a none-too-rare free-scoring affair.

League-leading Big Spring Ballinger 2-0 with Watling for the losers and F. Perez for the winners each hurling five-hit ball.

Odessa kept pace three games behind the Indians as Coleman limited San Angelo to seven blows and won 2-1. Garland was nipped for only nine hits by the Oilers.

Midland's Nelson held Vernon to five safeties, while his mates made the seven they garnered off Carter good for a 3-1 triumph.

Big innings were the vogue, however, as De Rio, as the home club outscored Sweetwater 19-12. Ballinger stays in Big Spring tonight, Sweetwater in Del Rio, Odessa in San Angelo and Vernon in Midland.

**BIG STATE LEAGUE**  
The spread between front-running Sherman-Denison and the rest of the Big State League was at its widest point of the season today.

The Twin's methodically blanketed Paris 8-0 last night on Roger's three-hit performance to go nine games ahead of Wichita Falls, which fell before Austin 5-4.

Austin's victory enabled the Pioneers to pull within a game and a half of third-place Waco, which bowed to Gainesville 7-2.

Texarkana dropped its 16th game in 17 starts as Greenville punched out an 11-7 decision.

Austin remains in Wichita Falls tonight, as does Gainesville in Texarkana, Waco in Gainesville and Sherman-Denison in Paris.

**LONE STAR LEAGUE**  
The Henderson Oilers strengthened their hopes for a playoff berth in the Lone Star League today as the Longview Texans whitened another half game off the Kilgore Drillers' league lead.

The Oilers came from behind last night to shove over six runs in the fifth inning, then plucked the game away from Gladewater with a run in the last of the ninth to get an 8-7 verdict.

Their chief challengers, the Bryan Bombers, matched the victory with a 6-0 blanking of Longview in the opener of a twin bill behind Newburn's two-hit hurling, but were nosed out by the Texans in the nightcap 8-8 despite an eight-run spree in the eighth. The loss cost them a half game and put them three full games back of the Oilers.

Longview's victory pared Kilgore's lead to 4-1-2 games as the Drillers dropped a 3-1 decision to third-place Tyler.

Marshall's early 16-0 lead barely held out as the Lufkin foresters closed with a rush that netted 11 runs in the last three innings, but the Tigers eked out a 17-14 victory.

Marshall remains at Lufkin tonight, Kilgore at Tyler, Gladewater at Henderson and Bryan at Longview.

Yesterday's Star — Lefty Johnny Schmitz of the Cubs, who beat the Brooklyn Dodgers in relief, 7 to 6, and registered his 16th win of the campaign.

**Sib Sisti, Subbing for Stanky, Was Life Saver for Braves**

BY HARRY GRAYSON  
NEA Sports Editor

**NEW YORK (NEA)**—When Eddie Stanky broke his ankle at Ebbets Field, July 8, the Braves feared they might be through. Muggsy Stanky had supplied a full share of the momentum that swept the Beantowners to an eight-and-a-half game lead to demonstrate further that he was a vastly underrated ballplayer in Brooklyn.

He was having his best year, batting .329. He manufactured 76 hits in 61 engagements. The latest averages show the Beantowners leading the circuit in bases on balls with 516, and you can wager that Stanky was the most generous contributor.

Every time you looked up he was on the bases. He is the slickest lead-off man in baseball, on base and in position to be batted in on an average of twice a game.

On second base, he catches the catcher's signs, flashes them to the hitter. In the field, Stanky is a matchless leader, plays hitters perfectly, is the ideal double-play man.

With Stanky out for at least 60 days, Billy Southworth first re-installed Connie Ryan at second base, but his fielding fell off with his hitting, and a change was necessary after three weeks.

Next came Bobby Sturgeon, and it was the same story after two weeks. In desperation, Manager Southworth turned to Sebastian Daniel Sisti.

"There," says Billy the Kid, "we got one of the biggest breaks of our present fight for the pennant."

**SIBBY SISTI**, the well set-up Italian with the rapid feet, had fiddled away seven years of professional baseball not knowing for sure where he belonged. He had been tried at second, third and short. Once he was switched to the outfield.

When Sisti was discharged by the Coast Guard, following a three-year stretch, the most crying need of Southworth, who had just taken over in the Hub, was a shortstop. So in the spring of 1946, young Sisti was sent to Indianapolis with instructions that he be played at shortstop no matter how painful.

So it was as a shortstop that Sisti returned to the Braves last year, but the yawning chasm there was as pronounced as ever as he shared the work with Dick Culler and Nanny Fernandez.

Southworth is the last man to give up on a ballplayer, however, so the past spring Sisti was given equal opportunity with Alvin Dark, the \$65,000 Beauty.

But once Stanky shook off the attack of flu which retarded him at the outset, and Dark had his advice and guidance around the bag, the post quickly went to the phenomenal rookie.

Sisti was out until Stanky broke his ankle, and Southworth believes the accident gave the Buffalo lad a chance to finally find his spot. And he came through.

By UNITED PRESS  
**NEW YORK, Sept. 3, (UP)** — Australia's Davis cup team today threatened to throw a surprise doubles combination against the U. S.

Going through final practice at Forest Hills, wily Aussie Captain Ardiann Quist said he would not reveal his doubles team until after tomorrow's opening singles matches. And even then, he added, that team might be changed any time up until one hour before the doubles duel Sunday.

"There's a reason for this," Quist said, a trace of a grin curling his lips. "It gives us the element of surprise. And surprising you is something we well might do."

But the Yanks, winners by a 4-1 margin last year in the Davis Cup challenge rounds, were not flustered at Tyler, Gladewater at Henderson and Bryan at Longview.

"I think every match will be close," non-playing Captain Allrick Man, Jr., said. "But I think we'll win the series easily."

Both captains insisted that the draw — pitting Frankie Parker against Billy Sidwell and Ted Schroeder against Quist — favored neither team in the five-duel which ends Monday. But many a tennis bug was inclined to disagree.

Parker, the older player with more finesse, figured to battle the youthful Sidwell, they reckoned, with the experienced Schroeder should be able to handle Quist, one of the oldest players ever to compete for the Davis Cup.

**PLAY OFF SERIES**  
**KILGORE, Tex. Aug. 3 (UP)** — Lone Star League directors have voted to begin the championship playoffs of the league Sept. 8, two days after the close of the season.

The directors also voted in favor of a series between the Lone Star champions and those of the states other class circuit, the West Texas-New Mexico League. Kilgore, Longview, Tyler and Henderson at present make up the first division teams who will compete in the playoffs.

**NANCY ARMOR NEARS FINALS**

Nancy Armor, Dallas, fresh from a 6-2, 11-9 quarter-final round victory over fourth-seeded Mrs. Adrienne Ayres, today faced her stiffest test as she met top-seeded Beverly Baker in the National Girls Championships at Philadelphia.

In the other semi-final contest Mela Ramirez the unheralded threat from Mexico crossed rackets with Laura Lou Jahn. Miss Ramirez had previously eliminated three seeded opponents.

**Catcher To Wed**  
**PHILADELPHIA, Sept. 3, (UP)** — Herman Franks, 33-year-old Philadelphia Athletics catcher, and Amneris Lorenzon, 23-year-old secretary, plan to be married Sept. 25, it was disclosed today.

Franks, who formerly played with Houston in the Texas League and Jacksonville, Tex., in the old East Texas League, and Miss Lorenzon applied for a marriage license at city hall yesterday.

They met here about a year ago.

**HOUSTON, Tex., Sept. 3, (UP)** — Pigskin fever enveloped Houston today, leaving the city's number one citizen with a double problem.

Mayor Oscar Holcombe, a rabid football fan, discovered that the Rice-Southern Methodist game Oct. 15 comes on the same day as the city elections.

Holcombe, up for re-election wondered if it would be possible for him to attend the game and not worry about returns. He finally concluded, jokingly, that the only solution to his dilemma would be "not to have any opposition."

**Joe Louis Cops Golf Tournament**

**DETROIT, Sept. 3, (UP)** — Former heavyweight boxing champion Joe Louis won the amateur championship of his own golf tournament yesterday.

He defeated Emmett Hollins of Detroit, 5 and 4 in the National Tournament for Negro Golfers.

Ted Rhodes, Nashville, Tenn., won \$1,000 as first prize in the professional section. He set a course record on his final 18 holes with a 62 for a par 71 layout at Rockham. His total was 219.

Other scores included Howard Wheeler, Philadelphia, 278, and Dave Clark, Houston, Tex., and Bill Stillier, Los Angeles, 281.

**Union Accused Of Breaking Law**

WASHINGTON, Sept. 3 (UP) — The National Labor Relations board today accused the CIO National Maritime Union of continued violation of the Taft-Hartley act in defiance of a board ruling.

The board asked the Federal Court of Appeals in New York to order the union to obey the law in its dealings with four Great Lakes shipping companies.

It was the first time the labor board had gone to court to obtain enforcement of a ruling it had issued under the Taft-Hartley Act.

The board accused the CIO's seamen's union of illegally demanding a union hiring hall in bargaining with the four Great Lakes companies.

The board ruled on Aug. 17 that the hiring hall demanded by the union violates the Taft-Hartley act but on closed shop contracts because it would force employers to discriminate against non-union labor.
