## Side Issues

HENRY G. VERMILLION

proposal outlined elsewhere on page 1 to convert the top three floors of the Connellee hotel into a hospital for Eastland. It is my hope to be the first solution to our hospital problem that I have heard.

There may be overwhelming opposition in the path of working out a program out, but at the same time I can't see them. And the fact is that one overwhelming objection would get around the idea of erecting a new hospital building, which probably cost \$100,000 or more, if rooms were provided as they are being discussed.

Some figures at Pete Parkers in the First National Bank the other day that convinced me Eastland, regardless of what you tell me, still is on its feet.

Figures compared hand-deposit of the county's five banks, with past deposits of those banks with each of the other banks.

The peanut harvest is near-end, with only scattered peanuts in the county still to be harvested.

Members of the county ever since a season as perfect as we have had, they'll be lucky. It was a bit too much rain in the county for comfort, but the rain was needed for under-irrigation. Then the rains fell all through the growing season. And when the harvest was conveniently stopped, for one short wet inter-irrigation, no doubt was considered to get small grains and crops to growing.

Somebody sure must be paying the preacher for the children were fast last week end when they were 14-year-old parrot be- Mr. and Mrs. Ed Sher-Long Branch.

Some to thinking, and while I was thinking when I was that not too long ago the way time flies—I have seen few in recent years.

Blair Given in Prison

Blair of Cisco Tuesday sentenced to serve two years in prison for each of two convictions in connection with burglary some weeks ago at Eastland A. & P. Store.

## 10 EHS Seniors Play Final Game In Tie With Cisco

Ten of the 11 starting Eastland players appeared in their final football game for Eastland High School Friday night of last week as the Mavericks tied with Cisco 13-13.

Seniors who wound up their local football careers included Co-Captains Glenn Garrett and Larry Falls and Bill Sikes, Glenn Hogan, Lenard Quarles, Roy Smith, John Hensley, Kenneth Williamson, Marion Thompson and Richard Bumpass.

Thus the only regular to return will be Jimmy Spalding, who, however, was the best back on the field in several of Eastland's more recent games.

Players who saw a lot of service this season and are due to return include also Eddie Haines, Doug King, Edwin Aaron, Dickie Evatt, and Gerald Davis.

And Derrell Black, ineligible this season, also will be in there. He is a big, husky boy.

Others likely to see service in 1950 include Bob Womack, Rodney Stephen, Morris Lee Riggan, and others who were too small or inexperienced to be used much this season.

The Cisco game was another of those things, where Eastland pushed Cisco all over the field the first half and Cisco came back and did likewise to Eastland in the last half.

Spalding's fine 51-yard run for a touchdown, on an off-tackle play, netted the first touchdown of the game in the first quarter, and Aaron kicked the point.

In the second quarter, Spalding passed long to Garrett, who carried to the Cisco 4. Smith made three yards for the counter on fourth down, but the kick was wide.

In the third quarter Cisco drew blood with a 73-yard pass and run play from Doug Johnson to James McGowan, and in the fourth period Hub Harwell surged over from the Eastland 4 for Cisco's tying tally. The try for point that would have won Cisco's first game in two years was wide and low.

Coach Wendell Siebert of the Mavericks said this week that on the basis of present appearances, next year's Maverick team can be expected to do just about as well as this year's has done.

It might be noted, however, that of the four Eastland boys who played outstanding games against Cisco, Jimmy Spalding, Glenn Garrett, Bill Sikes and Dickie Evatt—the last named on defense only—Spalding and Evatt will return.

## Dairy Program Calves To Arrive

Calves to be given to 17 Eastland County 4-H Club and FFA boys will arrive in Eastland Monday and will be stabled on the Sam Slover farm, known as the old Stubblefield place, a sohrst distance southwest of Eastland, until they are to be given in a ceremony Dec. 13.

Names of boys who will receive the calves will be revealed the last of next week, said members of the selection committee.

The program is sponsored by the Eastland County Dairy Association, which plans to make the donation program and ceremony an annual affair.

The registered Jersey heifers to be given are being brought into the county from near Tyler, where they were bred and raised, in an effort to promote dairying in the county, and particularly in an attempt to get dairy farmers of the county interested in having a better type of dairy animal for milking purposes.

The presentation committee met Monday night, with all members present, in the offices of the Texas Electric Service Company in Eastland.

The presentation ceremony is to be an elaborate affair, and will be held in Eastland.

Virgil Seaberry, Jr., is scheduled to arrive Thursday to spend the Thanksgiving holidays with his parents, Mr. and Mrs. V. T. Seaberry.

## Hospital Is Proposed In Eastland Hotel Building

### Water Aid Pledged At WTCC Session

Promises that West Texas' domestic water problems can and will be solved, through federal legislation if necessary, were given at the annual meeting and banquet of the West Texas Chamber of Commerce in Fort Worth Tuesday.

On hand was a large delegation from Eastland County, including Parks Poe, president of the Eastland Chamber of Commerce, H. J. Tanner, manager, and John Osborne, Dr. Kenneth Cowan, Grady Pipkin, W. B. Pickens, L. E. McGraw and H. L. King of Eastland.

Spokesmen for the U. S. Department of the Interior decried the attitude of many West Texans in the past against federal assistance for local and regional water problems.

U. S. Senators Tom Connally and Lyndon Johnson assured the 800 West Texans on hand that federal legislation to solve West Texas' water problems would be forthcoming as needed.

The sessions were highlighted by the formation of the West Texas Domestic Water Association, made up of directors of the WTTC, and with the avowed purpose of obtaining federal funds for the development of domestic water supplies in West Texas.

The group as it was organizing turned down the plea of J. B. Thomas, president of the Texas Electric Service Company, that it go on record as seeking federal aid for such projects only after it had been proved conclusively that local resources were not sufficient for the job.

### Boost Town, Clubs Told By Moore

Mayor Leo Moore of Electra, famed as Texas' "whistle stop" mayor, told Eastland Rotarians and Lions in a joint meeting Monday to boost Eastland for all they were worth.

"If you don't like it here, go somewhere else," he advised. Speaking on the general theme of "I like Electra," the colorful city executive told his efforts to make his town better.

He said that when he became mayor he inherited a big funded debt, but that his administration had greatly reduced the debt by operating its own municipal power plant, and had installed improvements including a city park, new sewer system, library, two baseball parks, swimming pool, country club and summer youth recreation program.

Recently Electra put in parking meters—"Those awful parking meters," he said with a wry face—and with income from them which he said is about \$1000 a month, is putting in 60 blocks of new paving.

Moore became famous as the mayor who fought the Fort Worth and Denver Railway's plan to halt most passenger train stops in Electra and other smaller towns along its line.

The trains still are stopping in Electra, he said.

Moore was introduced by Program Chairman I. C. Heck. Members of the Eastland City Commission were special guests.

### Last Services Held For Mrs. Alvey

Funeral services for Mrs. Georgia Ann Alvey, 95, who died Sunday in the home of a daughter, Mrs. Stella Wilson, were held in the First Methodist Church of Cisco Tuesday with Rev. Tobe Morston of Woodson officiating. Burial was at Cisco.

Mrs. Alvey, who fractured her hip in February and had been confined in bed since, was the great-grandmother of Joe Collins, Eastland County treasurer, and had a great many other living descendants in Eastland County.

Nine surviving sons and daughters include Mrs. Wilson, Mrs. Walter Wyatt of Carbon and L. W. Alvey of Cisco.

### Eastland And Gorman Exes To Play Friday

### Decorations Going Up In Eastland As Christmas Shopping Season Nears

Christmas lights were going up in downtown Eastland this week as the town prepared for four big weeks of pre-holiday shopping.

It was announced that Santa Claus will appear for the first time this year in Eastland at 2:30 p. m. Saturday, Dec. 10, and will be in town each Saturday afternoon after that.

As usual, it was planned to ride him into town on a fire truck, and he will distribute candies and goodies to the children.

Merchants said that some Christmas buying already had developed, particularly in a few lines, but that the big bulk of the holiday shopping season lay ahead.

More and more, shoppers are getting back to the habits of pre-war years, when they waited until the last week or so to obtain presents, the merchants observed.

Although buying so far this year has been somewhat slower than

in most recent seasons, this was believed to be a return to normal buying patterns from the hectic war and post-war years when the late buyer often found himself left out.

Normally, the week end following Thanksgiving has marked the official beginning of the Christmas shopping season in Eastland and all over America.

Most merchants who handle Christmas gift type merchandise in Eastland have had large supplies on hand for weeks, but a few who handle larger items such as refrigerators made largely of steel said the recent steel strike may delay shipments of such items as Christmas trees.

Adding to hopes of merchants for a brisk Christmas shopping season is the current big peanut harvest, which is putting more money into farmers' hands than they have had in a number of seasons.

### Eugene Day Rites Set For Thursday

Funeral services for Eugene Day, 72, one of Eastland's oldest native citizens, will be held at 3 p. m. Thursday in the Hamner Funeral Home with Rev. J. B. Blunk officiating. Burial will be in Eastland Cemetery.

Mr. Day was born May 29, 1877, in Eastland only a few years after the tiny pioneer village had been made a county seat.

He was the first child born in Eastland County to the now numerous Day family.

He was a prominent Eastland businessman for many years, as a groceryman, rancher and real estate operator. He retired 20 years ago.

Only recently Mr. Day had remodeled the old Day homestead at Mulberry and Plummer Streets into a modern residence for himself and his wife.

Mrs. Day is the former Lela Martin, also a member of a pioneer Eastland family.

Other survivors include one son, County Tax Assessor-Collector Neil Day, two brothers, Jesse Day of Pampa and A. R. Day of Fort Worth and Cisco, two sisters, Mrs. E. E. Wood and Miss Sallie Day of Eastland, and six grandchildren.

Mr. Day was a long-time member of the Masonic Lodge and of the First Christian Church.

### Auxiliary To Hold Gifts Party Tuesday

The American Legion Auxiliary will hold its "Gift For the Yanks" party Tuesday evening, Nov. 29, at 8 o'clock in the post clubroom.

Mrs. E. E. Freyschlag, president, said everyone is requested to bring some unwrapped gift of his own choice for the disabled veterans in the hospitals. Any gift is suitable, and should not be wrapped as all the gifts are shown to the veterans and the choice gift of each is wrapped and mailed for him by the Auxiliary ladies at the hospitals.

For the convenience of the public, collection boxes for gifts have been placed on the streets at Burr's, Carl Johnson's, Toombs and Richardson's, and the Majestic Cafe.

Everyone was invited to attend the party and enjoy the music and refreshments.

### PAUL M. MAYS PARENTS OF DAUGHTER

Mr. and Mrs. Paul M. Mays of Fort Stockton are parents of a baby girl born Nov. 21. She has been named Linda Gail.

Mrs. Mays is the former Miss Helen Keith of Eastland.

Mrs. Della Robinson of Melrose, N. M., is visiting this week in the home of her sister, Mrs. Ellen Hayes of 115 North Walnut Street.

### Collins New Head Of Polio Chapter

County Treasurer Joe Collins of Eastland last Friday was elected president of the Eastland County Chapter for Infantile Paralysis to succeed R. V. Galloway of Ranger, who had held the post for two and a half years.

Collins also is head of the March of Dimes committee in Eastland County which will attempt raising over \$9,000 in the approaching drive.

Collins was elected at a meeting of the chapter's executive committee in the county courtroom in Eastland. Mrs. Merle Barthelemy of Eastland was elected secretary and Mrs. Ida Plummer of Eastland treasurer.

Mrs. Ella White and Miss Helen Dawley of Ranger were retiring secretary and treasurer.

The new chapter executive board is made up of Mrs. H. N. Lyle of Cisco, Galloway of Ranger, W. G. Kirk of Gorman, Dr. P. M. Kuykendall of Ranger, Dr. Henry Addy of Cisco, Dr. Burl Rodgers of Gorman, Dr. Ben Bradley of Rising Star, Henry Collins of Carbon, County Judge P. L. Crossley of Eastland, E. M. Howard of Rising Star and Victor Cornelius of Eastland.

Galloway read a financial report showing the chapter had on hand \$676.

Speakers at the meeting emphasized the need for success of the annual funds drive in January by pointing out that the average cost of treatment of a case of polio is \$1,000 to \$1,500.

### Eastland Creamery Project Under Way Building Remodeling

Work has been started on remodeling the building of the Eastland Creamery in Eastland.

John P. Kilgore, owner of the plant, said the building will be widened 10 feet overall, and new partitions will be built inside.

It is planned to move the milk and ice cream processing machinery to the new south half of the building, and to install a new salesroom at the northwest corner, he said.

The work largely is being done by creamery employees at odd times, and Kilgore said the project will take some while to complete.

Plans for the remodeled building have been approved by state sanitary officials, he said, and the new setup will make the creamery one of the most modern in this section of the state.

Kilgore already has installed in the plant almost completely new equipment.

Rev. M. P. Elder will conduct regular services at the Presbyterian Church this Sunday.

### FOOTBALL GAME TO BE AT 8 P. M. AT MAVERICK FIELD

Eastland High School football stars of other years will shine on Maverick Field once more at 8 p. m. Friday when a group of Eastland Exes will play Gorman Exes in what it was hoped would be the first of several post-season games.

Jimmy Harkrider, who largely promoted the game, said the two teams have agreed not to use current college juniors and seniors in play, but that otherwise anyone is eligible.

Included among the Eastland players are expected to be a number of members of the regional championship squad of 1947, including Jimmy Mathews, Johnny Hicks, Wayne Lambert and Jack Kelley. Others out for practice Tuesday night, or who have indicated they will play, include Jim Smith, Joe Bob Davenport, Estes Halkias, Bill Eddleman, Earl Little, N. Slover, and Dan "Bear Tracks" Amis.

Harkrider said there will be two offensive Eastland backfields, one employing the T formation, and one the single and double wing.

Proceeds from the game are to be given to the Eastland Quarter-back Club for use toward completing the Eastland Golf Course, it was agreed by players and sponsors.

Harkrider declined the name of squad coach, saying the boys were mostly doing their own coaching.

Admission to the game will be 75 cents for adults and 35 cents for students.

The Eastland High School Band will be on hand to play, and the Band Boosters Club will have the food and drink concessions.

Harkrider said a return game in Gorman likely will be played during the Christmas holidays, and perhaps another game with some other team may be matched in the long holiday period also, if all concerned agree.

The squad is borrowing football equipment from Eastland High School.

About 25 Eastland exes were out for the Tuesday night session, but more exes were arriving hourly for the Thanksgiving holidays, and it was believed the squad would grow to at least 40 by game night.

Harkrider pointed out this will give plentiful relief for some of the players who have not been on teams this fall and therefore are out of condition.

### Smiths Are Honored At Farewell Affair

Mr. and Mrs. Claude C. Smith and daughter, Carol Ann, were honored with a surprise "Farewell party" Tuesday night. Guests for the party met at the home of Mr. and Mrs. W. D. Spain of 712 West Commerce Street and made preparation to leave as a group for the Smith home at 7:30. Mr. and Mrs. W. A. Anderson led the way, finding a typical family scene to welcome unexpected guests.

Verner Chambless presented gifts to each member of the family and expressed the appreciation of the entire congregation to Mr. Smith for his fine work during the past three years with the Church of Christ in Eastland. He assured the Smiths that all the good wishes of the church go with them in their move to Weatherford.

A committee composed of Mesdames Jack Lusk, W. A. Anderson, W. D. Spain, and D. B. Cox arranged table decorations in keeping with the Thanksgiving holiday season.

Refreshments of cake and coffee were served to 60 guests.

Mrs. J. R. Lanier, who has been in a Cisco hospital the past two weeks, has returned home. Her daughter, Mrs. Roland LaFavers of Vernon, has been with her during her recent illness. Mrs. N. S. Lanier, a sister-in-law, also of Vernon, has been visiting in the home.

### Conversion Of Top Two Floors For Project Discussed

Conversion of the two top floors of the Connellee Hotel into a hospital for Eastland was proposed this week following a series of conversations on the subject between H. L. King, former president of the Eastland Chamber of Commerce, and Don Hill, owner of the hotel.

It also was proposed that the roof garden atop the hotel be used in the hospital setup if such a plan were practical.

Each of the top floors has 16 rooms, so the hospital would have a total potential of 32 rooms under the proposed conversion plan.

A kitchen is located on the roof garden floor.

King said it was figured that the main expense would be in providing a separate elevator for the hospital, which it was judged would be imperative.

If such an elevator were provided, he said a new outside shaft would have to be built.

Hill told King that the space for the hospital could be provided under one of two plans:

1. The entire space to be used would be leased out by the hotel management.

2. Some method might be provided where the patients' rooms could be rented from the hotel on a day to day basis, as used.

King said that since Eastland has no hospital of any kind, and building one would impose a huge outlay in cash, the use of part of the hotel building offers a way out at a relatively small initial expense.

Problems to be answered are twofold—money for equipping a hospital in the proposed space, and converting the space to hospital use, and getting hospital management and personnel set up.

Equipment needed would include hospital beds, a call system so patients could summon nurses, operating room equipment, X-ray equipment, and laboratory equipment.

How much all of this would cost, as well as the cost of modifying the present structure to hold it, would be a subject for study, and for consultation with experts in the field.

A local non-profit organization likely could be set up to operate the proposed hospital, through hired management or through a lease arrangement of some kind, it was believed.

King said his chief interest in the proposal is in getting a hospital for Eastland, admittedly one of the chief civic needs here, and that he would be more than willing to let any group interested sponsor the program, or handle the details.

### Safe Crackers Get \$1000 In Cisco Job

Safe crackers got about \$1000 in cash Tuesday night or early Wednesday when they knocked the knob off of a safe in the office of the Cisco Lumber and Supply Company in Cisco.

Sheriff J. B. Williams, who investigated, said entrance was obtained by breaking in a rear window of the establishment.

Only money was taken, he said, and the job had all the marks of having been done by professionals. Williams said the burglary had much the same appearance as a number of other burglaries recently in the county.

There were no fingerprints, he said, and no other evidence as to the criminals.

### FOY TRUE TAKES KING PARTS JOB

Foy True, formerly of Weatherford, has begun work as parts manager for the King Motor Company in Eastland.

He is married and has one son. Truly Carter, formerly parts manager, has accepted an auto sales job in Cisco.

Cpl. Carl D. Keith of San Diego, Calif., has been visiting his parents, Mr. and Mrs. W. L. Keith, while on a 30-day furlough.

Retail Sales On Rise In Texas

AUSTIN.— Texas retail sales rose six per cent from August to September to an estimated \$449,000,000, a one per cent decline from a year ago, the University of Texas Bureau of Business Research reported.

Despite a three percent slide from the previous month, September sales of durable goods were ahead of the like month of 1948.

With the exception of 7 and 5 per cent gains over August in jewelry and furniture and household stores, all types of durable goods stores contributed to the monthly decrease.

Farm implement dealer sales fell 9 per cent from August; hardware, 5 per cent; motor vehicle, 3 per cent; and lumber and building material, 2 per cent.

Motor vehicle dealers bettered their year-earlier records by 41 per cent, while all other durable goods stores shared in the general downturn. Hardware stores were off 13 per cent from September 1948; lumber and building material, 11 per cent; furniture and jewelry, 10 per cent; and farm implements,

home the past week.

Mrs. Jennie K. Hines and daughter, Mrs. John M. White, spent Friday through Sunday visiting with relatives and friends in Lometa and Lampasas. They also visited on Mrs. Hines' ranch near Lometa and attended to some business while on their trip.

Mr. and Mrs. Maurice Hazard and son, Donald, of Eastland were the dinner guests of Mr. Hazard's parents, Mr. and Mrs. M. O. Hazard.

Mrs. Cay Wood of Fort Worth has been the guest of Mrs. Walter Duncan the past week and the two, accompanied by Mr. Duncan, visited with the Buck Myrick family in Cisco Saturday evening.

Mr. and Mrs. T. E. Pope and Mr. and Mrs. M. O. Hazard and Rev. L. A. Thompson of Magazine, Ark. attended the revival services at the First Baptist Church in Eastland Sunday night.

Rev. Thompson was the over-night guest in the Hazard home Sunday night.

There will be preaching at the Baptist Church here next Sunday morning and evening by the pastor, Rev. Orville Reese of Scranton. The public is cordially invited.

A trapezium is a geometrical figure with four sides, no two of which are parallel.

7 per cent. Contrary to the pattern followed by durable goods stores in September, non-durable goods stores sales stepped up 15 per cent from August. This level was 9 per cent below September 1948, however.

Stimulated by back-to-school buying, apparel store sales increased 27 per cent from the preceding month. Men's and boy's clothing stores turned in a 32 per cent climb, and shoe stores registered a 31 per cent jump. Women's specialty and family clothing store sales were up 26 per cent.

Department store sales advanced 14 per cent over August; office, shoe, and school supply sales, 11 per cent; general merchandise, 10 per cent; and country general stores, 7 per cent.

On the other hand, filling station sales decreased 7 per cent from August to September, and sales of eating and drinking places slipped fractionally.

In comparison with September

1948, small sales increases were recorded by filling stations, 5 per cent; country general stores, 3 per cent; and office, store, and school supply dealers, 3 per cent; while other nondurable goods stores showed decreases.

September sales of general merchandise stores dropped 10 per cent from a year earlier; clothing, 14 per cent; department stores, 13 per cent; men's and women's clothing, 12 per cent; and eating and drinking places, 9 per cent.

have to comb, the more face we have to wash.  
What a world! by the time you are important enough to take two hours for lunch, the doctor limits you to a glass of milk.  
Spilling salt might be bad luck, but spilling the beans is much more dangerous.  
More people die by the spoon and fork than by the gun and sword.

**LIBRARY RECEIVES NEW BOOKS**  
This week the library has received some new books which are very nice. Some of them are fiction and some are biographies.  
All of the students in E. H. S. will enjoy reading these books not only for pleasure but also for information.  
Wish we had space to name them.

**HERE'S THE PHILOSOPHIC MIND**  
These are observations borrowed from the themes of the English III students, without their knowledge or permission.  
Betty Grimes: I am thankful that I may go to school every day. If we are to be good citizens when we are adults, we must be educated. A nation cannot be ignorant and great.  
Ernest Sneed: I am thankful for the world I live in and the people who live here.  
Mozelle Pullman: If each person would take one minute to look back and see the past and also see the present at the same time, he would realize he has much to be thankful for.  
Lydia Fay Houston: I am thankful that I can be thankful.  
Calvin Maxwell: We should think now and then about the Thanksgiving festivals of our forefathers and what the day meant to them.  
Margie June Poe: I am proud of my church and am grateful that I have the privilege to worship God as I see fit.  
Edith Hazard: In the process of growing up, I have become more appreciative of my family and of the difficulties and tasks in life that face all of us.  
Bobby Latham: We should be

thankful for what we have instead of fussing over what we don't or can't have.  
Eliose Lourance: Let's be thankful for our rights, but make them right in the right way.  
Roy Smith: Let us offer thanks for our charity organizations.  
Neta Fay Massengale: Thankful now, thankful tomorrow, thankful I shall always be.  
Quata Head: If you have health and faith in yourself and in God, there is no problem or task too great to be solved.  
Friede Nash: My family,—the best in the world, I think—friendly, honest, hard-working, and with a sense of humor.  
Ben Green: Some of us who sit down to a good Thanksgiving dinner seldom read the Bible, pray, or even stop to think why this day is any different from yesterday or tomorrow.  
Jimmy Spaulding: A lot of kids don't seem to know just what Thanksgiving is really for, but they all know when it is.  
Monette Scott: All in all, I am a pretty lucky girl with hundreds of small things I am really thankful for.  
Fern Shafer: Are you thankful enough?  
J. D. Carter: We should remember that this day was observed by the builders of America.  
Guyrene Robinson: Perhaps this is an opportunity to count my many personal blessings.  
Shirley Hightower: From now on I am going to be more thoughtful of others and I am very thankful for everything I have.  
Charlotte Van Hoy: Instead of staying at home or getting together with our relatives, many of us go off and celebrate at football games and dances without so much as giving thought to the real meaning of this very important day.  
Wanda Richardson: Many people ridicule some of the denominations when they themselves don't even go to any church. I am thankful that we can worship when, where, and how we choose.  
Pat Brown: When you want something very badly and cannot have it you should think of someone who needs it worse than you and be thankful for what you have.  
Lela Fay Lovell: I am thankful for the happiness that most of us have in our homes.  
Bobby Womack: Although we do not always seem to realize it, we have much more to be thankful for than do many groups. We should take the trouble to express our thankfulness for the many blessings.  
Harvey Grigsby: We should regard Thanksgiving as something more than just a holiday.  
Irene Farr: We are or should be thankful to our Heavenly Father for our very existence.  
Cotton Reed: Most people are

probably more or less like me and think of Thanksgiving as a holiday with a big dinner and no school, when we should take time out and think of all the reasons we should be thankful.  
Pauline Latham: I am thankful for my friends, all the people I love, and because I live in Eastland.  
Marjorie Fox: Among other things, we should be thankful for the many new medicines, hospitals, and well-trained doctors.  
Bobbie Jean Lee: On Thanksgiving Day everyone should join together and thank God for the good deeds we do for each other and others do for us.  
Betty Reynolds: Thanksgiving is a holiday when we do not have to go to school and mother bakes pies, cakes, and turkey.  
James Freeman: Maybe someday all of us will be as thankful for living here as the Pilgrims were on their festive day.  
Gail Harr: Thanksgiving means our homes, our schools, and our churches.  
Betty Bivins: We should be thankful for the many advantages we have today that were not available in the old days.  
Sarah Peel: We should be especially for our homes and our families.  
Barbara Dick: My mother has always told me on every Thanksgiving Day to count my many blessings.  
Charles Lane: Let us regard Thanksgiving as an important day, a day on which to be thankful for both the big and little things provided for us.  
Patsy Simmons: Everyone has something to be thankful for, although some have better luck in life than others.  
John Dee Burleson: Every year about this time people start thinking what they are thankful for. Students write themes; plays are given newspapers print articles. I believe this year I shall be thankful I am an American.  
Patsy Jones: I am thankful for Thanksgiving because it reminds

us to be thankful for things we have to be thankful for.  
Douglas King: I am thankful for my mammy and pappy—the bestest in the world.  
Carroll Massengale: We are thankful we are not turkeys! (What about geese?)

### Mrs. Hassell Talks At W. S. C. S. Session

In continuation of the mission study, "Japan Begins Again", the W. S. C. S. of the First Methodist Church met Monday afternoon with Mrs. Herman Hassell, vice president, presiding in the absence of the president, Mrs. N. P. McCarty.

The opening song was "I Love to Tell the Story" with Mrs. L. C. Brown at the piano.

Opening prayer was given by Mrs. J. A. Doyle.

After a brief business meeting, Mrs. Frank Crowell, program chairman, introduced Mrs. Earl Bender who led the devotional.

The principal speaker for the afternoon, also introduced by Mrs. Crowell, was Mrs. Herman Hassell who chose for her topic, "Picking Up the Threads".

The worship center was arranged by Mrs. Ina Bean and floral

decorations were displayed by Mrs. Cyrus Frost.

The group gave the Lord's prayer in unison in closing the meeting.

Those present were Mesdames J. Morris Bailey, L. C. Brown, W. H. Mullings, E. R. Townsend, Cecil Collins, B. O. Harrell, Fred Davenport, Ora Jones, and J. L. Cunningham.

### CLYDE FISHERS HOSTS AT DINNER

Mr and Mrs. Clyde Fisher entertained in their home Tuesday night with a pre-Thanksgiving dinner. Guests present for the evening were Mr. and Mrs. W. E. Hallenbeck and daughter, Linda, Mr. and Mrs. Fred Adcock, Mr. and Mrs. R. E. Head, Mr. and Mrs. W. H. Mullings, Mr. and Mrs. Robert Adcock and son, Tony, of DeLeon, and James Freeman.

### Miss Glenn Reviews Book For Sorority

Beta Sigma Phi Sorority presented Miss Elsie Glenn in a book review of "Singing Strings" Tuesday night in the clubroom of the American Legion Hall.

Miss Glenn wrote the book, and it is the story of the late Miss Wilda Drago, Eastland musician and teacher.

In charge of the program were Mrs. Glen Boyd and Mrs. J. T. Cooper.

After the program Mrs. M. H. Perry, president, presided over the business meeting in which a treasury report was given.

After the meeting, members were joined by their husbands and escorts and card games were played.

Refreshments of pie and coffee were served.

Those present for the regular meeting were Mesdames M. H. Perry, Everett Grisham, J. T. Cooper, Terry Barrett, Bob King, Bill Hoffmann, Galand Poe, Don Loehefner, Bernard Fagan, R. N. Whitehead, Frank Sayre, Bill Brown, Eugene Hickman, J. M. Harkrider, Glen Boyd, Milton Fullen, Bob Clinton, Marshall Fox, Oscar Avera, R. D. Estes, Bill Collins, Bill Leslie, F. W. Graham, Mattie Doyle, Misses June McKee, Christine Gilbert, and Mrs. Art Johnson, club sponsor.

### Las Leales Members Hear Book Review

Members of the Las Leales Club enjoyed a dessert party given in the Womans Club Tuesday evening.

In keeping with the Thanksgiving season, Mrs. Jay Whatley reviewed a book, "The Rock Cried Out," by Edward Stanley, a historical novel portraying the English and French settlers of the American colonies in 1775-1776.

At the party, a center table was laid with a green table cloth and a large cornucopia filled with fall flowers and fruit made the centerpiece. Members of the group were seated around small game tables with identical decorations.

A plate of dessert cake, nuts and coffee was served for refreshments.

Hostesses for the evening were Mesdames W. E. Brashier, Fred Maxey, J. P. Kilgore, D. E. Frazer, G. A. Plummer and Misses Verna Johnson and Jessie Lee Ligon.

Those present were Mesdames Wayne Caton, J. M. Cooper, P. J. Cullen, J. O. Earnest, B. F. Hanna, Prentiss Jones, Guy Patterson, Homer Smith, W. Q. Verner, H. J. Walter, James Horton, Herman Hassell and Misses Rosie McCoy and Eunice Nall.

Mr. and Mrs. S. E. Price planned to leave Wednesday for College Station to spend the holidays with their daughter, Mrs. J. W. Sorenson and family. They will also attend the Texas-A and M football game.

Mr. and Mrs. Winston Castleberry and daughter, Cindy Lu of Dallas, were scheduled to arrive Thursday to spend the holidays in the home of his parents, Mr. and Mrs. Frank Castleberry.

Mr. and Mrs. Pat Murphy received word this week that their son, Cpl. Pat Murphy, has been promoted to sergeant. He is a meteorologist at Goodfellow Air Force Base in San Angelo.

### LAFF OF THE WEEK

"Would You Care To Step Outside An' Repeat That?"

### Children Of Ashleys Attend Reunion

All the children of Mr. and Mrs. J. W. Ashley of 605 South Lamar Street were home for the first time in 30 years over the past week end attending a family reunion.

Those present were Mr. and Mrs. J. Harold Ashley of Graham, Mr. and Mrs. J. R. Ashley of Dallas, Mr. and Mrs. Otis Key of Detroit, Mich., Mr. and Mrs. H. C. Roanet and daughter of Valley View, and Mr. and Mrs. A. E. Ashley and son, J. W. II, of Monahans.

Those present besides the children were Mr. and Mrs. J. H. Ashley of Sanger, Mr. and Mrs. James Goswick of Breckenridge, Mr. and Mrs. J. C. Germany, Mr. and Mrs. Henry Pentecost, and Mrs. C. A. Ranney of Eastland.

### Julius Krause Dies; Once Lived Here

Julius Krause, former Eastland businessman, died Monday night in Odessa, where he moved from Eastland about five or six years ago.

Funeral services were held in Dallas Wednesday.

Mr. Krause was operator and part owner of the Men's Store in Eastland during his residence here. He later sold his interests here to Saul Perlestein, and for a time owned and operated a store in Odessa. Later he retired because of ill health.

### EHS Basketball Practice To Begin

Basketball practice at Eastland High School will start in "a week or two," Coach Wendell Siebert said this week.

He said most of the boys who will play varsity basketball were on the football squad, and he wanted to give them some rest before getting into the grind of basketball practice.

He said he would know something of the caliber of this season's basketball squad after he watches them practice a few times, but is not expecting to coach a district championship team.

### Cattle Shipments Up, Hogs On Decline

AUSTIN.—Livestock shipments in Texas increased 17 per cent from August to September, the University of Texas Bureau of Business Research reported.

August to September shipments of calves rose 63 per cent, while shipments of cattle and sheep gained 16 and 8 per cent respectively. During the monthly period hog shipments slid 13 per cent.

In comparison with September 1948, total livestock shipments fell 24 per cent. Shipments of calves dropped 34 per cent; cattle, 28 per cent; hogs, 14 per cent; and sheep, 1 per cent.

September interstate shipments plus Fort Worth increased 11 per cent from August, but declined 25 per cent from September 1948.

Intrastate shipments minus Fort Worth climbed 26 per cent from August to September, but dipped 35 per cent from September a year ago.

J. U. Johnson, who has been in Hendricks hospital in Abilene for the past several weeks, is much improved and was to return home Thursday.

### Beethoven Christmas Party Is Planned

Plans for a Christmas party to be held by the Beethoven Junior Music Club were made at a meeting of the club Monday night at which Babeth Quinn was hostess.

Gifts will be exchanged by club members at the Christmas party, to be held in the home of Mrs. A. F. Taylor, club counsellor, at 7:30 p. m. Dec. 19.

At the meeting, yearbooks were given to each member of the club.

Harvey Wilson was leader of the program on musicians of today. Among those on the program were Herby Weaver, Marilyn Morgan, the club president, and Babeth Quinn. Billie Hunt talked on Silvo

Seonti as she knew him at Texas State College, and told of compositions. She also reviewed the life of Abbey Simon and two piano solos.

Others present were Jana W. er, Margie Lane, Claudine ater, and Mrs. Taylor.

Guests scheduled to arrive the Cyrus B. Frost home for Thanksgiving holidays were and Mrs. Cyrus B. Frost and of Austin, Mr. and Mrs. M. Bullock and children of Stockton and Mr. and Mrs. Etheridge, Jr., and children of Pasa.

Nirvina is the highest relief state to be reached in Buld

Mrs. James P. Snodgrass and children of San Antonio are visiting her parents, Mr. and Mrs. Carl Butler.

Virgil Hamilton of Mineral Wells visited his wife, Mrs. Edna Hamilton over the week end.

Mrs. Bill Edwards and children enjoyed a birthday celebration with her sister-in-law, Mrs. Charlie McCoy of Eastland, Monday evening. Mrs. McCoy is 73 years old.

Mr. and Mrs. Travis Hilliard and family, accompanied by Mrs. Bill Edwards and girls, were in

AUSTIN.—A few months ago a new type of highway sign, an advisory speed sign designed to aid in traffic safety, made its appearance on Texas highways. This was part of the Texas Highway Department's program of informing motorists of the maximum safe and comfortable speed on curves and turns which are not considered safe to travel at speeds above 50mph. It is a sign with a yellow background and black numerals and letters and is placed below curve signs.

The speed indicated on the sign is not the maximum at which a turn may be taken but is the maximum at which the average car can make the turn without an uncomfortable side-throw of its passengers and still stay on its side of the road.

The Governor's Highway Safety Conference held last spring recommended that the Texas Department institute a program of speed zoning and marking curves with safe speeds, and these signs are a result of that recommendation.

Motorists using speeds indicated on the signs are enthusiastic in praise of them. Letters commending the signs as part of the highway safety program are received daily in the Austin office of the Texas Highway Department.

Fort Worth Saturday and saw the big Shriner's Circus. The Hilliards also attended the football game.

Mrs. Edgar Rose and daughter of Dallas are visiting her parents, Mr. and Mrs. H. C. Adams.

Mrs. Pat Keith and children of Stephenville are visiting her parents, Mr. and Mrs. Jerome Kuhn.

Mrs. A. C. Elrod and daughter of Belton will spend Thanksgiving with her parents.

James Hendix is doing very well after receiving minor cuts and bruises in a plane crash at Miami, Fla.

The "tacky" party at the Olden gym was well attended despite the fact that many went to see a movie.

The prize was won by Mr. and Mrs. M. Miller.

Mr. W. A. Pardon, with most of his children, enjoyed a home-coming Sunday in the home of his daughter, Mrs. E. E. Sharp.

Among those attending were Mr. and Mrs. Lenard Anderson and children of Kermit, and Jewel Smithers and children, also of Kermit.

Burlie Paterson returned to Albany Sunday after spending a few days at home with his wife and daughter.

The Sewing Club enjoyed their annual Thanksgiving dinner at the home of Mr. and Mrs. LaBouf Friday night.

Mrs. Gorman Morton of Ranger visited her sister, Mrs. Edna Hamilton, Sunday.

Shirley Essery is ill and has missed school for the past week. Betty Weaver is on the sick list at this time.

# STOP -- RELAX -- READ

## Have A Pilgrim's Thanksgiving

A few days ago I decided to reread the story about the landing of the Pilgrims and their first Thanksgiving. On the lower shelf of my bookcase was an old cover-worn American History book and thumbing through the pages I found the story of the Mayflower landing. Although it told the hardships of the people to establish a settlement, no mention was made of their first feast day. This was rather surprising but it gave me a very interesting and unusual idea. Why not make this year a real "Pilgrim's" Thanksgiving?

To do this, first of all, we should take some time out, sit down and really count our blessings. List all of the things that we have to be thankful for. After all, this was the reason why Governor Bradford proclaimed this original holiday of praise back in 1621. And it is very often astonishing for the many, many good things that one can find to be grateful for. We can be grateful that we live in free America, a land of great opportunity; that we have a job, good health, fine friends, a nice home and loving family. These are only a few of the blessings we should be thankful for.

It seemed almost like second nature for those early Pilgrims to go to church on the first Thanksgiving, for they were people schooled in the habit of regular religious service attendance. Let us do as wisely on November 24th, and attend church, giving thanks to God for his gracious gifts. Let us sing his praises and worship him with his people.

Now, in the early Mayflower colony every man was his own means of transportation and I suggest that you walk to church and leave your car in the garage. Expose yourself to Mother Nature's world and you'll be amazed how good the brisk Autumn air will make you feel. The fresh and invigorating atmosphere will make you glad just to be alive.

And in keeping with this idea of a Pilgrim's Thanksgiving, why not have a more simple meal this year instead of the usual banquet style dinner? We know that on that first holiday, each person shared what he had with someone else, and the result was enough food for all. This year let's take the money that we might spend on our turkey-day trimmings and use it to fill baskets of food for the poor, and your hearts will rejoice to see the looks on the faces of mothers and children as you present them with this offering.

And, I think that if you have a less extravagant dinner this year everyone in your home will feel better. The women won't have to spend all day in the kitchen, the children won't get a stomach ache from eating too much and I can assure you that you won't be able to remember a happier time. Why not have a "Pilgrim's" Thanksgiving this year? I'll bet you will agree that it was the nicest one you ever had.

Mrs. Dean Turer and children returned to their home in Gatesville Sunday after a visit with her parents, Mr. and Mrs. L. T. Reese.

Mr. and Mrs. Joe Collins and daughter of Eastland visited his parents, Mr. and Mrs. Henry Collins.

Mr. and Mrs. O. C. Payne and children plan to spend the Thanksgiving holidays in Sundown with their daughter, Mrs. George Boles and husband.

Mr. and Mrs. Roy Lynn Weaver and Mrs. Estes of San Angelo visited Mr. Weaver's parents, Mr. and Mrs. Jim Weaver over the week end.

Mr. and Mrs. Henry Carter of Rising Star and Mr. and Mrs. Eddie Overstreet and daughter of Gorman visited Mrs. M. M. Carter Sunday.

Mack Stubblefield of A and M spent the week end with his parents, Mr. and Mrs. F. J. Stubblefield.

Mr. and Mrs. Wade White, Mr. and Mrs. Bud Clack and family and Mr. and Mrs. Edgar White of Odessa were Sunday dinner guests of Mr. and Mrs. Jimmie Everett and Mr. and Mrs. Basil White in Olden.

Mr. and Mrs. Ted Harris and family of Sweetwater visited her mother, Mrs. Bertha Holloway, Sunday.

Miss Blanche Yarbrough of Odessa spent the week end with her father, E. R. Yarbrough and Mrs. Yarbrough. Mrs. Jim Bourland accompanied her home for a visit.

Rev. J. D. Holt and family were

in Abilene over the week end. Ray Neal Baize of H. S. U. filled the pulpit at the morning hour and Larry McAfee preached in the evening.

## OLDEN HIGH SCHOOL NEWS

The Olden basketball teams played Scranton last Monday night, Nov. 14 in the Olden gym. The Olden teams won their games over Scranton except the B team girls which ended in a tie.

The A team girls score was 40 to 32, and the A. team boys score was 41 to 17.

The teams played Desdemona at Desdemona Friday night, Nov. 18. The Olden girls lost to the tune of 22 to 31.

The boys won over Desdemona by a score of 21 to 25.

They will play Desdemona again at Olden Monday night, Nov. 21.

It isn't very long until the Olden invitation tournament will be held, which is December 8, 9, and 10.

You might plan to attend.

The grade and high school students saw an educational and interesting movie in the gym last Wednesday. "New Tobaccoland" was an enjoyable picture.

Miss Alman's grades, the third and fourth, gave a nice chapel program Wednesday, Nov. 28.

School will turn out Thursday and Friday for the Thanksgiving holiday.

### OLDEN 4-H CLUB

The Olden High School and grammar school 4-H Clubs met together Thursday, Nov. 17 in room five. Miss McCoy made banana nut loaf and the girls sampled it. The goal is to make a bread loaf three times.

Last year's pins of award were given. In the grammar school division, Neeta Fay Lindsey, Shirley Essery, and Lucy Norton received pins. In the high school division recipients were Marjorie Hendrick and Pauline Colthorpe. They received silver six-year pins. This was Miss McCoy's last meeting with the girls.

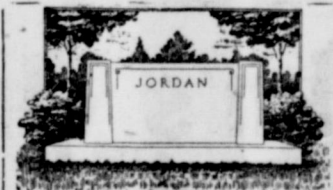

## Flour Production Down Still Over Prewar Level

AUSTIN.—Wheat grindings in Texas totaled 2,709,000 bushels in August 1949, falling 7 per cent from July and 39 per cent from a year ago, the University of Texas Bureau of Business Research reported.

After adjustment for seasonal variation, the Bureau's index of wheat grindings dropped 10 per cent from July to 111 per cent of the prewar (1935-39) base period in August 1949.

Wheat flour production in Texas fell 8 per cent from July to 1,159,000 sacks in August, a level 39 per cent under August a year earlier.

### THYROXIN

On December 24, 1914, Dr. Edward Kendall wrecked an experiment with Thyroid Chemical by heating it to long. In an effort to save some of it, he mixed the residue with alcohol, alkali and acetic acid. Christmas morning he found needle-like crystals along the edges of the solution which proved to be the chemical he was seeking. Thyroxin—the active principle of the thyroid gland.

## Dr. Cox Warns Care For That Cold

AUSTIN.—Dr. George W. Cox, state health officer, declares there's hardly anyone who hasn't caught cold at one time or another. The common cold is common indeed! Besides making you feel miserable, colds steal your time and your money. They fool you, too, because the early signs are often the same as those of more serious illnesses. And long-continued colds may pave the way for an attack of pneumonia, tuberculosis, or a chronic infection of the nose, throat, ears, or sinuses. So do your best to keep from catching cold. And if you do catch one, take proper care of yourself so you can get rid of it.

- When you have a cold:
1. Get as much rest as possible. Stay in bed or indoors for the first day or so if you can.
  2. Keep comfortably warm and dry. If you must go to work, wear clothes that will protect you adequately when you go outdoors, and avoid drafts and sudden chilling when overheated.
  3. Drink plenty of citrus fruit juices, water, and other liquids. Eat simple foods which agree with you.
  4. Protect other people as much as possible. Cover your mouth and nose when you cough or sneeze. Use paper handkerchiefs of paper napkins that can be burned. Wash your hands frequently with soap and water.
  5. Blow your nose gently. If you don't, you may force infected material from your nose into your sinuses of middle ear and develop sinus trouble or serious ear infection.
  6. If a cold starts with chills, fever, or aching, or seems more severe, or lasts longer than usual, consult a physician without delay.

## Building Permits Take Slight Decline

AUSTIN.—Texas building permits issued in September fell 9 per cent from August, to a level 8 per cent above September a year ago, the University of Texas Bureau of Business Research reported.

After adjustment for seasonal variation, the Bureau's index of building permits stepped up 9 per cent from August to 718 per cent of the prewar (1935-39) level. A year ago, the index stood at 683.

Plainview turned in the largest August to September increase in building permits—196 per cent. Other sizable increases over Aug. were recorded by Edinburg, Texas City, El Paso, Amarillo, and Kerrville.

August to September declines ranged from 3 per cent in Midland to 75 per cent at Big Spring.

Compared with September 1948, large increases in building permits in September 1949 were turned in by Temple, Denton, Port Arthur, Amarillo, Gainsville, Edinburg.

**KARL & BOYD FANNER** Post 4236  
Veterans of Foreign Wars  
Meets 2nd & 4th Thursdays 8:00 a.m.

## Electric Consumption Still On Rise

AUSTIN.—Electric power consumption in Texas stepped up 1 per cent from August to September, the University of Texas Bureau of Business Research reported.

August to September industrial usage rose 2 per cent, while commercial and residential consumption gained 1 per cent.

In comparison with September 1948, total electric power consumption rose 8 per cent. All types of power users showed increases during the 12 month period. Residential consumption gained 18 per cent; commercial, 13 per cent; and industrial, 1 per cent.

The Bureau's index of industrial power consumption rose 4 per cent from August to 308 per cent in September.

and Austin, while building permits dropped sharply during the 12 month period in Marshall, Big Spring, Cleburne, Pampa, Lubbock, Texas City, and Texarkana.

## If You Are 85, 45 or 35 Hadacol Helps All Ages

HADACOL is good for all ages, bringing five of nature's B vitamins and important minerals to the young and old alike. Recently the HADACOL folks received the good news that among the countless thousands who had been benefited by HADACOL were a lady of 85, a man of 45 who felt like he was 18, and a beautiful little girl only three years old.

Mrs. Edmond Doucet, of Church Point, La., is 85 years old, having thousands of friends in the picturesque Evangeline section of Louisiana where she was born and has spent all of her life. These friends are happy to know that Mrs. Doucet feels better now than at any time in two years and gives the credit to HADACOL.

"I had been sick for almost two years and was suffering with gastric disturbances and bloating. I was run down, had lost weight and had to stay in bed most of the time. I lost courage and felt that there was no hope for me."

Mrs. Doucet had tried many preparations without apparent beneficial results when she heard the glorious news about HADACOL.

"After taking several bottles of HADACOL I felt like a new person," said Mrs. Doucet. "I eat anything I want without ill effects and sleep well. I feel much stronger."

Neville Dugas, of Route 1, Box 101 B, Carencro, La., is a successful farmer who had worked early and late at all kinds of hard work and it wasn't so long ago that he wondered if he would ever be able to work that way again. He had tried many medicines, but felt no better.

MR. DUGAS

"I had all kinds of stomach disturbances," said Mr. Dugas. "My stomach was so bloated that it felt like it would swell up and burst. I suffered with gastric disturbances, heartburn and was run down and nervous. I had no appetite and suffered with headaches and I couldn't sleep at night. I was so drawn and pale that my friends had difficulty in recognizing me. After the third bottle of

HADACOL I felt a real improvement and after the twelfth bottle of HADACOL I felt like I was 45. I am feeling perfectly well."

"My three year old daughter, Joan, had lost her appetite," Mr. Dugas. "Her cheeks were thin and she cried often. I started giving Joan HADACOL and after three of the large economy size bottles she is now healthy, has an excellent appetite and her disposition is perfect."

JOAN

All three of these people were suffering from a lack of B vitamins and the minerals which HADACOL contains. HADACOL comes to you in liquid form, easily assimilated in blood stream so that it can go to work right away. It is easy to understand, therefore, why countless thousands have benefited by this amazing HADACOL.

A lack of only a small amount of B vitamins and certain minerals will cause digestive disturbances. Your food will not agree with you. You will have upset stomach. You will suffer from heartburn, gas pains, your food will sour on your stomach and you will not be able to eat the things you like for fear of being in misery afterward. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the symptoms and signs of a B vitamin and mineral deficiency disorder. There is a known cure except the administration of the vitamins and minerals which your system lacks.

It is easy to understand, therefore, why countless thousands have benefited by this amazing tonic, HADACOL.

So it matters not how old you are or who you are... it matters not where you live or if you are a man or a woman. You have tried all the medicines under preparation, give this wonderful preparation, HADACOL, a trial. Don't suffer on. Don't continue to lead a miserable life. Many people who have suffered for 10 to 20 years or longer, are able now to be happy, comfortable lives because HADACOL supplied the vitamins and minerals which their system needed. Be fair to yourself. Temporary relief is not enough. Give HADACOL a trial. Adv.
