News Items From Morton Valley

BY SPECIAL CORRESPONDENT

It would be just as easy to name the people who didn't go to the Ranger Rodeo as it would be to name the ones who did. Morton Valley took it in, it seems.

Mr. and Mrs. Bill Guess and Ronnie of Roby and Mr. and Mrs. Paul Joe Sturm of Breckenridge visited Mr. and Mrs. W. J. Graham part of last week.

The Home Demonstration Club met with Mrs. W. J. Graham last Tuesday with five members present. Plans for sponsoring skating in the local gym were discussed. This was the last meeting until September.

If you're one of those people who keep their eyes on the road while driving, why not drive off to the side of the road by J. R. Gilbreath's home and look at the pretty zinnias and morning glories? They're a sight to behold, peeping through the picket fence. As close to Eastland as the Gilbreaths live, they're probably not classified as Morton Valley residents, but let's not get technical.

Happy day! It looks as if we're going to get some work done on our highways. But along with the pessimists, we'll believe it when

we see it. Have you seen Les Williamson's home? He is siding it with Lueders rock, and is adding to it. We hear he has bought Mrs. Williamson a new red range for her paneled pine kitchen, and that Jasper, her son, has bought her a new refrigerator.

Mr. and Mrs. Farr and Francine of Carlsbad, N. M., are visiting the J. F. Trotts. Mr. and Mrs. A. H. Earnest visited them last week end, and their children stayed on with the Trotts while the Earnests went on to Odessa.

Mr. and Mrs. Bill Fulcher of LeFors visited Mr. and Mrs. T. L. Shahan part of last week, and Mr. and Mrs. Cliff Cook visited them last week end.

Mr. and Mrs. W. E. Tankersley are on their vacation.

Mr. and Mrs. T. L. Wheat are on their vacation. They visited Mr. and Mrs. Cecil Fulfur and daughter of Dallas, and the Fulfurs accompanied them on a trip to College Station, where they visited Buster Wheat, and on to San Marcos, where they visited Mr. and Mrs. T. L. Wheat, Jr.

Tobe Morton, Raleigh Morton,

and Raymond and Clifton Beck went to Fort Worth Sunday to see the Fort Worth-San Antonio baseball game.

Mr. and Mrs. Johnnie Jarrett returned to Corsicana Sunday. Mr. Jarrett was called back during his vacation.

Mr. and Mrs. H. O. Hearn have as their guests this week Mr. and Mrs. Earl Trout and Terry of Seminole, Mrs. Harry Becker of Fort Morgan, Colo., and Mrs. Kenneth Heitschmidt and Vivian of Bushton, Kans.

Guests in the W. J. Graham home last week end were Mrs. A. L. Sturm, Ansel Sturm, Mrs. Harry Hutchens and Barbara, all of Kilgore, and Mrs. Billie Garrett of Longview. They all visited Mr. and Mrs. Paul Joe Sturm in Breckenridge Sunday.

Step into a POWERglide* Chevrolet and enjoy the big driving thrill of the

... smooth, effortless, no-shift driving at lowest cost!

SET THE LEVER IN "DRIVE" AND GO!

Sit in a Powerglide Chevrolet and enjoy finest no-shift driving at lowest cost. All you have to do is: Set the lever in "DRIVE"—press on the accelerator—and go!

NO CLUTCH PEDAL—NO GEARSHIFTING!

You'll move smoothly, effortlessly, standstill to top gear, and back to standstill again, depending on the pressure of your foot on the accelerator.

3 DRIVING OPERATIONS INSTEAD OF 15!

Start the engine... set the control lever... press the accelerator... and that's all there is to it! With Powerglide Automatic Transmission, you steer, accelerate and brake as desired with no clutch to touch!

SMOOTH POWER-FLOW AT ALL SPEEDS!

You'll enjoy an absolutely smooth flow of power at all speeds. You'll have unlimited flexibility and change of pace from 1 m.p.h. to top driving speed, without any lag, drag or roughness.

MUCH FASTER ACCELERATION, TOO!

The traffic light says "Go"... you press on the accelerator... and you're away in a flash on a smooth, ever-mounting wave of power, while others are shifting gears.

LEVELS HILLS—MULTIPLIES THRILLS!

You have a 105-h.p. Valve-in-Head Engine under that hood—powerful in its field, flattens hills and adds safety and ease.

MORE EFFICIENT ON ICE OR SNOW!

Yes, you can rock out of snow or icy ruts with this automatic drive, changing from forward to reverse instantly, without clashing. Other advantages include Emergency Low for extra braking-power.

SO MUCH SIMPLER—SO MUCH SAFER!

What ease—and what safety—compared with other drives! Your left foot has nothing to do. Your right foot operates accelerator or brake pedal, as desired. Both hands are free to steer!

FULL CHEVROLET THRIFT IN OVER-ALL DRIVING!

In addition to all these advantages, the new Chevrolet with Powerglide Automatic Transmission brings you traditional Chevrolet economy in over-all motoring. It's extremely thrifty to operate and maintain.

CUTS DRIVER FATIGUE—INCREASES CAR LIFE!

You'll be much more relaxed on both long and short trips. Powerglide makes driving easier than ever before. Moreover, it greatly reduces wear and greatly increases car life!

*Combination of Powerglide Automatic Transmission and 105-h.p. engine optional on De Luxe models at extra cost.

The Church of Christ meeting ended Sunday night after a series of successful sermons by Ward Hoagland. Miss Doris Craig was baptized into the church as a result of the meeting. Because of a lack of water in the baptistry, the baptismal ceremony was performed in the Gorman Church of Christ.

Mr. and Mrs. Jesse Rouse of Freer visited his grandmother, Mrs. Milt Rouse, this week.

The Desdemona Home Demonstration Club helped serve a dinner at Gorman Saturday to raise money for the Queen for a Day contest candidate. About \$35 was taken in, and this will count for votes for Miss Adele Fairbetter, who is the candidate from this area.
