

Around Muleshoe

County to conduct budget workshop

The Bailey County Commissioner's Court will meet in special session in the Bailey County Courthouse on Wednesday, Sept. 7 at 10 a.m. During the meeting, commissioners will conduct a budget workshop for the 1994-95 fiscal year. The meeting will continue until all business is concluded.

Lions Club to host pre-game dinner

The Muleshoe Lion's club will host a chicken fried steak dinner on Friday, Sept. 9 at the Muleshoe High School Cafeteria. They will be serving from 5 to 7 p.m.

Come eat with the Lions and go to the Muleshoe Mules first home football game against Denver City at 8 p.m.

Defensive driving course is offered

Shain's Driving School has defensive driving classes offered each month. The classes are National Safety Council/Texas Safety Association, CD228-148, and are for driver improvement.

Defensive driving can be taken for a deduction on insurance or traffic ticket dismissal. Groups, businesses or companies can call Charles Shain at 272-4753 after 6 p.m. for special classes to fit their needs.

Classes are scheduled for Sept. 17, Oct. 15 and Nov. 19. To sign up for a class, call Wanda at 272-3325 from 8:30 a.m. to 4:30 p.m. After 6 p.m. call 272-4753.

Articles for antique display welcome

The annual antiques display will again be held at the

Bailey County West Plains Fair

September 8-10

Thursday, Sept. 8

10 a.m. to 8 p.m. - All exhibits will be brought to the Bailey County Coliseum. Exhibits must remain in place until Saturday, Sept. 10 at 4 p.m.

Friday, Sept. 9

8 a.m. to noon - Judging of all divisions (agriculture and home ec)

Noon - Taking of photos of all Best of Show winners for the *Bailey County Journal*.

Saturday, Sept. 10

11 a.m. - Ricki Kelley and West Texas Tumblers performance, followed by Karate demonstration by Danny Kelley and students

1 p.m. - Bailey County 4-H Fashion Show

2 p.m. - Small Pet Show, ribbons to be presented in several categories.

Bailey County West Plains Fair slated for next weekend

Preparation continues for the 15th annual Bailey County West Plains Fair to be held the weekend of Sept. 8-10 at the Bailey County Civic Center.

Merchants and individuals, churches and school groups and organizations may purchase a 10 x 10 foot booth to sell products for educational purposes, fundraisers and at the same time, help promote a community tradition.

The fair is sponsored by the Bailey County Extension Service with Nelda Hunt serving as chairperson of the Antiques and Treasures Exhibit that will

be held in the Meeting Room. Please call her at 925-6634 for more information.

Nancy Kidd is assisting with the sale of commercial booths. She may be reached at 272-5448. For help on any of these or other events at the fair, please call Curtis Preston, Kandy K. McWhorter or Billie Downing at the County Extension Office at 272-4583.

Entertainment events are being planned for fairgoers' enjoyment.

Ricki Kelley and the West Texas Tumblers will perform on Saturday at 11 a.m. Danny

Kelley will give a karate demonstration following the tumblers.

At 1 p.m., the Bailey County 4-H will present their fashion show. The girls will model their garments that they made or purchased in their Clothing Project this month.

The Small Pet Show will be at 2 p.m., with ribbons to be presented in several categories.

J-J Promotions will be at the fair on Saturday also to take pictures of children or families.

Co-owner of *Journal* appointed to farm bill task force

AUSTIN - Jane Anne Stinnett of Lubbock is among 13 people from Texas who have been appointed to the Farm Bill Task Force by Agriculture Commissioner Rick Perry.

Stinnett is a co-owner of Triple S Publishing, the parent company of the *Muleshoe* and *Bailey County Journals*. She is also president of Stinnett

Enterprises Inc. of Lubbock, which is a cotton merchandising firm with domestic and international sales. She is also president of the Texas Cotton Association and a director of the American Cotton Shippers Association.

The distinguished and experienced group of agricultural leaders from across the state

will advise the commissioner on positions to advocate when Congress debates the bill next year.

"Critical issues involving the environment, rural development, agricultural research and commodity programs will be debated when the 1995 Farm Bill is formulated, and Texas agriculture must have a

voice and impact as this legislation is considered," Perry said. "I can't think of a better group to advise me on this important piece of legislation than these individuals who represent a broad cross-section of the state's agricultural industry."

The task force will develop recommendations for the

commissioner to present in Washington, D.C. on the Farm Bill, which will impact U.S. agricultural policy well into the 21st Century.

The task force had its organizational meeting recently to develop a strategy and time line.

Muleshoe boy wants to set world record

By Helena Rodriguez

One 15-year-old Muleshoe youth wants to set a world record.

Kermit Price, a Muleshoe High School student, who is currently working towards a Eagle Scout Badge, has decided that he wants to set a world record by erecting the world's largest muleshoe in front of the Heritage Depot in Muleshoe.

In order to earn the Eagle Scout degree, a Boy Scout must successfully complete a community project and complete all other requirements before age 18.

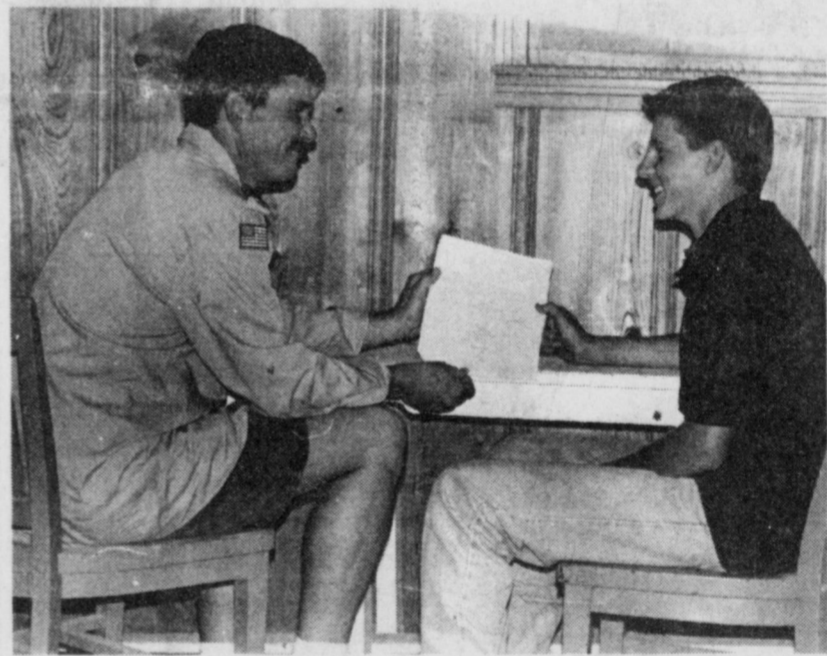

Kermit is enthusiastic about his project and knows that it is not typical in nature.

"I got the idea (for the muleshoe) from a couple of different people, like Brad Bradley. My dad encouraged me to do it too because he thought it was a good project," Kermit said. Kermit's father, Arnold Price, is an assistant Boy Scout leader.

Kermit's Scout leader, Terry Hutto, is also enthusiastic about his project.

"I think it is an ingenious idea. Kermit came up with the

Continued on page 2

PLANNING A WORLD RECORD - (Left) Boy Scout leader Terry Hutto and Kermit Price discuss the world record Kermit wants to set by erecting the World's Largest muleshoe in front of the Heritage Depot. Kermit is currently working on a Eagle Scout Badge and this is the community project he has chosen in order to earn the degree.

Mules fleece Rams, 25-19

MHS offense rolls up 484 yards

PORTALES, NM - Led by the poised play of senior quarterback Jimmy Gauna, the Muleshoe Mules rallied with 18 points in the final 25 minutes to beat the Portales Rams 25-19 at Greyhound Stadium Friday night.

Gauna, who amassed 268 yards of total offense (190 passing, 78 rushing) had a hand in three touchdowns. He hit tight end Edward Rodriguez with a 12-yard strike with 4:51 left to play for the game winner.

The pass was deflected at the 5-yard line, but Rodriguez snared the tip and rambled the final 15 feet.

The Mules racked up 408 total yards and 19 first downs, compared to 283 yards and nine firsts for Portales.

But for the Mules (1-0),

who went into the game with hopes of getting the season off to a quick start, it was nearly a nightmare.

Portales halfback Kris Summers raced 76 yards untouched on the opening play of the game to stun the Mules. Three plays later, the Rams had their hands on the ball again after a Muleshoe fumbled snap.

It took the New Mexicans seven plays to find their way back into the endzone when junior quarterback Raul Anaya went 17 yards off right tackle to making the score 13-0 with 6:33 left in the first quarter.

"We gave up an opening score that never should've been," said Muleshoe head coach Randy Adair. "That embarrassed us pretty bad."

But the Mules proved stubborn as their nickname. Defensive tackle John Mesa took matters into his own hands on the Rams' next possession. The junior sacked Anaya on the opening play, then recovered a fumble four plays later at the Ram 39.

From there, Gauna went to work, hooking up with All-District wide receiver Daniel Garbarino on a quick fade route. The speedy junior caught the ball at the 20, split the Portales cornerback and safety and sprinted the final distance to make it 13-7.

"Our team showed great poise and character, being down like we were early and coming back," Adair said. "They proved something tonight."

The Rams didn't fold up

Scoring summary

PHS (11:37 1st) - Kris Summers 74-yard run, Jonathan Shearer kick, 0-7.

PHS (06:33 1st) - Raul Anaya 17-yard run, kick fail, 0-13.

MHS (11:51 2nd) - Daniel Garbarino 39-yard pass from Jimmy Gauna, Edward Rodriguez kick, 7-13.

PHS (10:37 2nd) - Anaya 59-yard run, run failed, 7-19.

MHS (00:11 2nd) - Gauna 1-yard run, kick fail, 13-19.

MHS (07:38 3rd) - Robert Toscano 3-yard run, kick blocked, 19-19.

MHS (04:51 4th) - Rodriguez 12-yard pass from Gauna, kick fail, 25-19.

Individual Rushing
MHS - Robert Toscano, 17-91 1TD; Jimmy Gauna, 17-78 1TD; John Brian Cowart, 7-29.

PHS - Kris Summers, 10-130, 1TD; Raul Anaya 11-105, 2TDs; Brian Aguilar, 1-25.

Individual Passing
MHS - Jimmy Gauna, 11-21-2, 190, 2TDs; Brian Field, 1-1, 20.

PHS - Raul Anaya, 1-1, 9.

Individual Receiving
MHS - Daniel Garbarino, 4-77, 1TD; Edward Rodriguez, 3-52; Rashad Kirven, 3-44; Jesus Flores, 2-36.

PHS - Brian Aguilar, 1-9.

shop either. It took only three plays for them to go 60 yards.

Anaya, who attempted only one pass in the game, proved he was otherwise useful on the Portales drive. After a nifty

play fake, Anaya bootlegged around the right end and scampered 59 yards for his second score of the game,

Comments on hunting proposal are sought

The U.S. Fish and Wildlife Service is requesting public comments on a proposal to allow the use of bismuth-tin shot for waterfowl hunting during the 1994-95 season.

The service's proposal is in response to a petition for rulemaking filed with the Service by the principal manufacturer of the shot, the Bismuth Cartidge Company.

The Fish and Wildlife Services proposal would allow interim use of bismuth shot this hunting season provided the company completes toxicity studies before the hunting season begins.

Additional studies would have to be completed before use of bismuth-tin would be permitted next year.

Research and studies conducted to date using the new type of shot indicate it is nontoxic to migratory waterfowl when ingested. If approved, bismuth-tin shot could only be used during late waterfowl hunting seasons (beginning Oct. 1 or after) because the rulemaking process cannot be completed in time for early hunting seasons.

Waterfowl are known to die from lead poisoning caused when the birds accidentally swallow spent lead shot while feeding. The Fish and Wildlife Service began seeking nontoxic substitutes for lead shot in waterfowl hunting during

Hunting

Continued from page 1

the 1970s. To date, only steel shot has been approved by the service as non-toxic and its use was phased out in for waterfowl hunting nationwide from 1986 to 1992.

In the proposal, the service maintains that giving the waterfowl hunter a choice of alternative types of shot may enhance compliance with non-toxic shot regulations in the field.

Bismuth-tin shot is currently under a similar conditional approval issued by the Canadian Wildlife Service for use in that country's non-toxic shot zones.

The Fish and Wildlife Service cautions waterfowl hunters that bismuth shot is cur-

rently illegal to use or possess while hunting waterfowl. This prohibition will remain in effect until the service grants conditional or full approval for the use of bismuth shot to hunt waterfowl.

Comments concerning the proposal, published in the Aug. 22, 1994 *Federal Register*, should be submitted by Sept. 21 and addressed to: Director (FWS/MBMO), U.S. Fish and Wildlife Service, 634 ARLSQ, 1849 FC St. NW, Washington, D.C., 20240.

World record

Continued from page 1

project and told him that if he could get it done, that he has got a good project," Hutto said.

Kermit has received support from the Muleshoe Heritage Foundation for his project as well.

Kermit said that he is in the process of trying to schedule a date when people from the Guinness World Book of Records can come to examine his project.

Work on the muleshoe is expected to begin next week. The muleshoe will be made of steel and will be approximately 22 feet tall by 16 feet wide. It will be placed near flag poles near the entrance of the Heritage Depot. It is expected to be completed by next month.

To help raise money for the muleshoe, Kermit is selling small muleshoes. By purchasing a muleshoe, people can have their name engraved on it. The muleshoes will then be inlaid in concrete along the walk at the Heritage Depot.

Hutto said, "The manual labor has made it difficult for Kermit and that is why he is behind. But I am glad that he has finally got it (his project) going."

Kermit said that he feels the muleshoe will contribute to the heritage and history of the town and that it will be good to have at the Heritage Depot.

Kermit has been in Boy Scouts for five years. He is also the son of Kristy Price.

Weddings

Jones, Flores exchange vows

Erin Nicole Jones and Richard Flores were married on Aug. 6, 1994 at American Boulevard Church of Christ in Muleshoe. John E. Jones, father of the bride, officiated over the ceremony. Music was provided by Michael Hughes of Lubbock.

The bride is the daughter of John and Becky Jones. The groom is the son of Noelia Flores and the late Roque Flores.

Matron of honor was Katy Jones, sister of the bride. Bridesmaids were Joelle Weaver and junior bridesmaid was Kelsey Jones, sister of the bride.

David Quintana was best man. Groomsmen was Roque Flores.

The bride's dress was fashioned by April Coker of Lazbuddie. The fabric was a fine cotton floral brocade with a fitted drop waist. A full-gathered, floor-length skirt gradually lengthened in the back to form a chapel-length train.

The scalloped neckline formed the basis for an off-the-shoulder effect. Puffed caplet sleeves were accented with self-fabric rosettes.

The bride also wore a white garden wedding hat with a waist-length veil, which finished the ensemble.

The bride carried a bouquet of white and melon-colored roses with sprays of rosebuds and melon grass. English ivy formed the background with metallic gold and white ribbon.

Mrs. Richard Flores

Shanon Angeley of Muleshoe created the bride's bouquets, as well as all of the floral contributions for the indoor summer and garden wedding.

Something old was the bride's paternal great-grandmother's pearl ring. Something new was her dress. Something borrowed was her grandmother's pearl earrings and necklace and something blue was her garter.

The groom's attire was his full dress Marine uniform.

A reception followed at the Fellowship Room at the Church of Christ. Serving at the groom's table were Erin

and Latisha Orozco, the groom's cousin. Serving at the bride's table were Rhonda Milner and Kim Cousatte, both aunts of the bride.

The couple took a honeymoon trip to Amarillo.

The bride is a 1993 graduate of Lazbuddie High School. She attended San Angelo State University and is now enrolled at Arizona Western College.

The groom is employed with the Marines, Finance Department, where he has worked for 1-1/2 years. He is a 1992 graduate of Muleshoe High School.

The couple will reside in Yuma, Ariz.

Cornerstone to be laid by Masons at state capitol

AUSTIN - Officials of the Masonic Grand Lodge of Texas, will lay a cornerstone for the recently completed extension of the Texas State Capitol building in Austin on Saturday, September 17 at approximately 2:45 p.m. Grand Master, Billy W. Tinsley, of Houston will officiate assisted by his Grand Lodge officers.

Since the annex is an underground structure, the ceremony will take place at the northeast corner of the area designated for donor stones.

This will mark the second time the Grand Lodge has laid a cornerstone at the capitol, the first having been for the original building in 1888.

For year, Masons have symbolically laid cornerstones honoring the great works of architects and builders, pointing with pride to Independence

Hall in Philadelphia where Grand Master Benjamin Franklin laid a cornerstone in 1732 and to the National Capitol in Washington, DC, where

George Washington officiated in 1793, as well as to many others.

The public is cordially invited to join the Masons of Texas for this historic and symbolic ceremony.

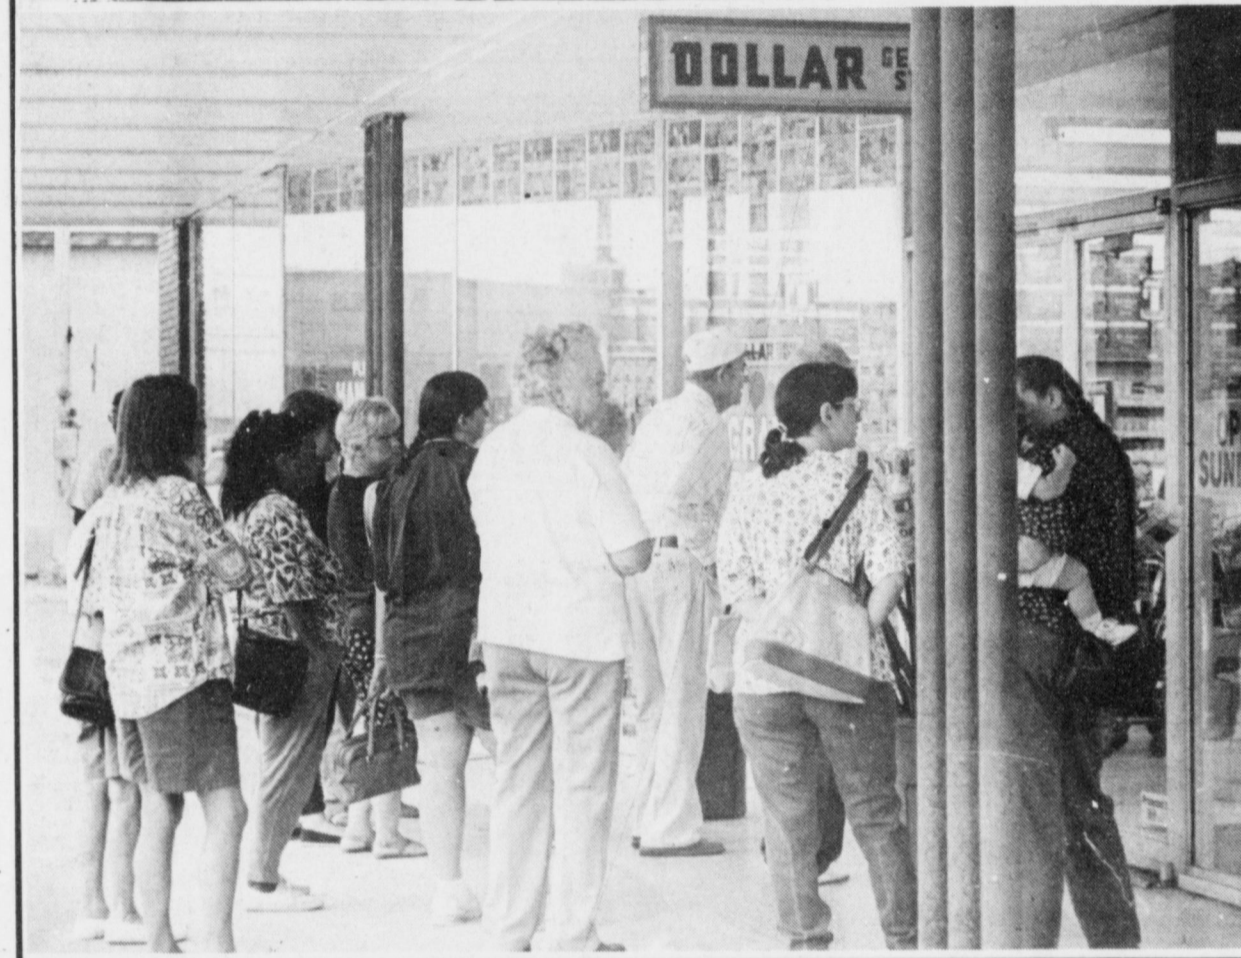

Dollar General Store opens

EMT classes to be held

Bailey County Emergency Medical Services (EMS) will be offering an Emergency Medical Technicians (EMT) class to be held in Muleshoe this fall.

In order for the class to begin, a minimum of 15 students must attend. In order to be eligible for the class, a person must be 18 years old and have a high school diploma or equivalent.

Classes will be held two

nights a week, from 6-10 p.m. for approximately four months in Muleshoe.

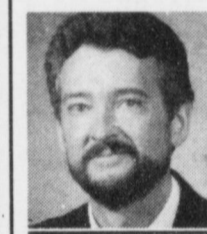

Upon completion of the course, a person will be eligible to be a part-time medic for Bailey County EMS. If anyone would like to be a part of the life-saving team for Bailey County, contact Jackie Wayne Burris at Bailey County EMS, between 8 a.m. and 5 p.m. at 272-4390. We need your help!

Don't Be One of Job's Friends!

The Book of Job is the textbook on suffering. Open it and you'll see an extraordinarily good man undergoing extraordinarily terrible affliction. He loses his family (except his wife, and keeping her might be counted among his afflictions!), his wealth, and his

answer is, "They don't. 'Fess up, Job! What have you done to deserve this pain? We know that the righteous always prosper; only the wicked suffer."

But it doesn't work that way, does it? Not in this world. Unfortunately, Job's friends are still around. "Turn your life over to the Lord," they preach, "and all of your troubles will be over. Life will be for you beautiful, rosy, and probably prosperous." And then, if life is *not*? "What is wrong with your faith? What hidden sin lurks in your life?" Job's friends.

Focus On Faith
Curtis Shelburne

health. He's reduced to sitting on a pile of ashes, scraping his many sores, and praying to die. He is a picture of misery.

To add to his discomfort, Job has a visit from three "friends" who don't even recognize him at first. When they do, they break into such a frenzy of wailing and grief that one would think Job had already died. For seven days they sit viewing the not-yet-dead body of their friend, and then they undertake a premature *post mortem* of his trouble.

They speak. They shouldn't have. These "miserable comforters" begin to debate the man they'd come to console. The questions is, "Why do the righteous suffer?" Their quick

Maybe Job's original friends had some excuse for their folly, but their modern counterparts who can read the New Testament should know better. They should hear Paul telling persecuted believers, "We did not want any of you to lose heart at the troubles you were going through, but to realize that we Christians must expect such things." Or they should simply look at the cross and see what the world did to the best man who ever lived.

A time of trouble is a good time to pray for stronger faith. And any time is a good time for humble self-examination. But when trouble comes, don't pay too much attention to Job's friends.

Curtis Shelburne is minister of the 16th & Avenue D Church of Christ in Muleshoe.

Dewbre family reunites in Levelland

The 21st annual reunion of the Dewbre families was held on Aug. 14, 1994 at the park in Levelland. This year's reunion was dedicated to (aunt) Mattie Billington. Aunt Mattie passed away three days before the reunion. There was a very good turnout, with more than 100 people in attendance.

The family's present were: Billy Dewbre and family, Donie Dewbre, Bob and Betty Dewbre, June Brooks of Marble Falls, Frankie and Jeanette Fine and families of Muleshoe, Levelland and Snyder; Percy and Edna Dewbre of Lorenzo, Okie and Peggy Morris of Morton, Joe and Edith Dewbre and fami-

lies of Clyde, Midland and Odessa and Jay and Alta Studdard and families of Morton.

Also attending were: Lucille Freeman of Eden, Zena Dewbre and families of Morton and Levelland, Dave Singleton and families of Artesia, N.M., Irvin and Addie Wampler of Lubbock, Dink Billington and families of Artesia, Hobbs, Roswell and Alamogordo, N.M. and Ignacio County, Tucson, Ariz., R.J. and Joyce Sanders and families of Morton and Lubbock, Earnie Singleton and families of Seminole, Max Singleton and families of White Oak, Gene Singleton and family of Diana and Dave Bracken and family of Morton.

Also attending were: Steven Bracken and family of Bridgeport and Bill and Patsy Lewis of South Texas.

The reunion is held every year on the second Sunday in

August. Next year, there will be a special dedication to all the Dewbre brothers and sisters: Percy Dewbre, Joe Dewbre, Mary Young, Lucille Freeman, who are still with them; and to those whom the family has left behind: Bill Dewbre, R.Z. Dewbre, Vergil Dewbre, Goldie Singleton, Cora Langton and Mattie Billington.

FOUR GENERATIONS OF HARMONS—The family of W.H. Harmon recently reunited, with four generations of Harmons in attendance. Pictured are (Left) Grandson Mark Harmon, an attorney in Lubbock; great-grandson Pierce Wayne Harmon of Lubbock; W.M. Harmon of Muleshoe and son Don Harmon of Ruidoso, N.M.

Group advocates for predator friendly ranches

A new concept in protecting coyotes has been introduced by a group of Montana animal rights disciples; Predator Friendly Wool. They propose to develop a market for wool raised on ranches where sheep are not protected from predators. The sheep raisers who do not practice predator control are to be paid a bonus on their wool. They propose to sell Predator Friendly Wool products through urban boutiques.

Well, all I can say is HALLELUJAH! When was the last time anybody wanted to help sheep people? The government took away wool subsidies, eco-freaks wear petrochemical derivatives and cowboys won't eat sheep. Suddenly, from out of left field we have concerned citizens with expendable income willing to buy and wear wool items. The hitch is that the sheep ranchers must help feed the coyotes, wolves, bears, lions, eagles, wild dogs, carnivorous poachers and mutton loving piranha.

Rebekah Lodge meets

Tuesday evening our lodge met with eighteen members present.

Pat Berry may have ear surgery soon. Ona Berry is still improving, Joyline Costen's mother in law is having heart problems, and Velma Howell's sister is improving.

Some bills were paid. Our members made 49 telephone calls, 9 hospital visits, 20 home visits and 7 nursing home visits.

Thursday, Sept. 1, we had a chili, bean, cobbler, cornbread & etc dinner from 11 to 2 and our plans are to have another one Oct. 6. We appreciate all that came to our dinner.

To enjoy home delivery of the Bailey County Journal, call 272-45361

How can we go wrong? We'll get national promotion. We can reduce costs by laying off herders and border collies. Park the camp wagons, use the carbide guns as planters, sell the mules. And all for the price of a few baby lambs and old ewes.

Sounds pretty good, doesn't it? And if the idea works it may spread to other areas.

Inner cities, for instance. They suffer from a terrible image problem. The streets are unsafe, tourism is nil, budgets are always in the red. How about Predator Friendly Neighborhoods.

Any community that did not discourage muggers, burglars, murderers, arsonists, purse snatchers and other assorted predators would be given increased federal dollars.

Police expenses would be cut drastically. Courts would close at noon. Lawyers would desert the community. Tours could be scheduled that allowed sensitive patrons to see predators in their natural habitat rolling winos, mugging

passers-by, selling drugs and stealing cars. And all in an environment nationally advertised as Predator Friendly.

And just like the Predator Friendly Wool program, the new Predator Friendly Neighborhood plan could all be accomplished simply by sacrificing a few more sheep.

Or, how 'bout new election laws where presidents and politicians were elected for life. A Predator Friendly Congress, unaccountable to any voters.

Ah, my imagination ran away with me. But the sheep business needs a shot in the arm and the trade-off, though distasteful, is worth considering, I guess my heistation is the calling we have chosen.

Ezekiel 34:8 "...and my flock became prey to every beast of the field because there was no shepherd.."

We are the shepherds.

Have a nice day!

Breast cancer screenings to be given

The Women's Center of the Don and Sybil Harrington Cancer Center and High Plains Baptist Hospital will again conduct a breast cancer screening clinic at South Plains Health Care Providers, Inc., located at 208 West 2nd in Muleshoe. The screenings will be held on Thursday, Sept. 15 from 8-11 a.m.

Breast cancer affects one in nine women. The key to boosting chances of winning the battle against cancer are early detection by having an annual breast exam, mammogram and performing breast self-exams each month.

Each participant in the screening will receive a breast exam and one-to-one instruction in breast self-examination by a registered nurse specially trained in breast cancer detection, and a mammogram by a mammography technician.

The mammogram machine is certified by the American College of Radiology, ensuring a quality film.

The American Cancer Society urges all women to have their first mammograms by age 40. Those who have a close relative with breast cancer or other risk factors may be asked by their doctor to have a mammogram at an earlier age.

Ask about funding that is available for free breast screenings.

Please call the Women's Center at Harrington Cancer Center at 1-800-377-HOPE (4673) or (806)359-4673 today for more information or to schedule an appointment.

New teachers at MHS

The following are articles written by students in Johanna Wrinkle's creative writing class at Muleshoe High School. They are being published courtesy of the Bailey County Journal with little editing.

Dimmitt native is happy teaching in Muleshoe

By Mike Villarreal

There will be many new freshmen faces roaming the halls of Muleshoe High School this year, and there is a new teacher responsible for teaching them freshmen English.

Ms. Becky Schreoder is a Dimmitt native and graduate of Dimmitt High School. Both of her parents were teachers when she was in school so she had a little more pressure to make good grades than most teenagers.

Becky Schreoder

She was also an athlete in an athletic department where the coaches pressure the players to earn good grades. She did well both on the courts and in the classroom. She graduated 10th in her class and was a standout on the basketball team.

Marsha Sharp recruited Ms. Schreoder to play basketball for the Texas Tech Lady Raiders, but she also learned that college athletics is nothing like high school athletics.

First of all, the athletes are to practice when told to practice. There is no set schedule. Next, the athletes are to eat with the athletes, have study hall with the athletes and have the same classes as the other athletes.

Ms. Schreoder has bad knees, which made it hard to play. Combined with this and the structure and discipline of the women's athletic department, she decided that athletics was not for her.

She remained at Tech to continue her education, only one problem. It was her junior year and she was still undecided on what she wanted to be, so she sat out a year.

She returned back to college a year later, but now she was attending Kansas State University in Manhattan, Kan. She happened to stumble into the journalism department and found out she really enjoyed it; so she decided to pursue it. She received a degree in journalism and communication but could not find work. She learned that it would not be difficult to receive a teaching certificate, so she decided to try that, for awhile at least.

She went to Wayland Baptist University to earn her teaching certificate. Ms. Schreoder did her student teaching here in Muleshoe High School under the supervision of recently retired

Mighty M Band is playing to a new beat

By Rebecca Warren

The band is playing to a new beat this year as Rob Lovett takes the stand!

Mr. Lovett, one of the newest contributors to Muleshoe Independent School District, is the high school band director. His wife, Debra, is a second grade teacher in Dillman Elementary. Lovett has one son, Brent, who is three years old. He and his family have moved to Muleshoe from Ruidoso, N.M.

Rob Lovett

Mr. Lovett is originally from Lubbock, where he lived until the age of 16. Then he and his family moved to Petersburg, where he graduated in 1968. After graduating from high school, he attended Texas Tech University and then went to the University of New Mexico to finish his graduate work.

Mr. Lovett began directing band and orchestra in Lubbock at Atkins Junior High. Then he moved to Brownfield, where he and the Brownfield band won many competitions. After that, he went to Ruidoso, N.M., where he was able to improve their band system tremendously.

"Everyday the band at MHS seems to surprise me this year, this is a truly talented band," expressed Lovett.

He expects great things from the MHS band this year. The goals are high from Mr. Lovett but its nothing the band can not endure. Mr. Lovett hopes to be able to make a contribution to the band and as well as to the school as a whole.

Rob Lovett has always been involved in some type of band activity throughout his life. Both of his parents were band directors. Lovett was in the high school band as well as the Texas Tech Band. He has always enjoyed being in band.

Most of his friends have been and still are involved in the band throughout the years. Mr. Lovett loves to be around people, especially students and has a deep love for music.

The Mighty "M" Band and high school in general will certainly put his love of these two things to use during his many years to come at Muleshoe High School.

Muleshoe High would like to welcome Mr. Rob Lovett and wish him a great and successful year.

Welch hopes to make learning math easy, fun

By Mandy Cleavinger

When Coach Ron Welch married Miss Robin Burks, he was doing not only himself but also Muleshoe a great favor.

Mrs. Welch, formerly Miss Burks, is the new bride of Coach Welch, a coach at Watson Junior High School. Not only is she a new bride, but she is also the new freshmen Algebra I teacher at Muleshoe High School. Mrs. Welch moved here from Crosbyton, where she taught seventh and eighth grade math at Crosbyton Junior High School.

Robin Welch

Mrs. Welch is an only child who grew up in Uvalde, a town of about 15,000, near San Antonio. She was extremely close to her parents while growing up, and today they are two of her best friend.

She always held the things that her parents taught her in high regard, and usually followed their advice with undieing faithfulness. Mrs. Welch treasures each value that her parents engraved upon her life, but there is one thing that outstands all other values taught to her by her parents; this is the idea that one should be kind, considerate and respectful to others.

Mrs. Welch hopes to someday be able to work alongside her father, who has a career working for the Xerox Company, but she is not planning on pursuing this line of work for many years.

After graduating from high school, Mrs. Welch attended Texas Tech University, where she earned a bachelor of arts degree in math.

She then went on to teach at Crosbyton Junior High, which was her first fulltime teaching job.

Mrs. Welch decided to pursue a teaching career because she likes kids and she wants to make math easy for them. She said that she "always saw her classmates struggle with math in high school, and wanted to find a way to make it simple and fun."

Mrs. Hildebrand, a teacher of Mrs. Welch's in high school was also a great influence on her career choice. Mrs. Welch

Continued on page 7

Nichols makes the count at Muleshoe High School

By Rebecca Warren

Quarters, dimes and pennies will add up, but Nichols can make the count.

Mrs. Jackie Nichols, one of the newest of the teaching staff in Muleshoe High School, teaches Home Economics Cooperative Education (HECE), bachelor cooking and child development here in the high school.

Jackie Nichols

She had taught for two years at Temple before she came to Muleshoe. There she taught sixth grade math and seventh and eighth grade volleyball and track.

Mrs. Nichols' husband, Chad Nichols, is a farmer at Knotts. She and her husband have been married for four years. She has no children but she does have a shih-tzu dog.

"I do plan to have kids, just not in the near future" exclaimed Nichols.

Some of her relatives live around Muleshoe. Her parents live in Sunray and her brother lives in Lubbock. Mrs. Nichols grew up at Sunray. Then, after graduating, she attended Texas Tech University and the University of the Permian Basin in Odessa.

She decided she wanted to be a teacher and influence people's lives just as one of her home economics teachers had influenced hers. Mrs. Nichols loves teaching and loves to be around kids.

Her interests are reading, sewing and water and snow skiing. Her favorite type of food is Mexican food. Although she misses her husband, she loves being in Muleshoe because of the very friendly people. Also, she loves the fact that Muleshoe is a small community.

Mrs. Nichols is a great contribution to Muleshoe High School. She is a sweet lady who really counts to the students and faculty.

Muleshoe High welcomes Mrs. Jackie Nichols. Have a great and wonderful year!

Graves returns to class; not ready for retirement

By Samantha Caswell

Oklahoma's loss was Texas's gain when Bob Graves moved to our tiny little corner of the Panhandle. He came equipped with his parent's good influence and an overall positive outlook toward life.

Bob Graves began his education in a small country town in Arnett, Okla. He then travelled to Weatherford to do his undergraduate work at Southwestern State. After completing a few years at Southwestern, Bob Graves went to Eastern New Mexico University and later Texas Tech to finish his master's degree.

Bob Graves

During these last few years at college he began to sense a growing interest in coaching. It was with this interest at heart that he first arrived at Muleshoe.

He chose this part of Texas because he had always preferred a "smaller town and slower paced area compared to the big city."

Mr. Graves enjoys sports of all kinds and the simple pleasures of just eating out or watching a movie. He has also, in recent years, developed an interest in collecting coins.

After his first few years of teaching at Muleshoe, Bob Graves met the love of his life, Billy Jean. They soon married and eventually had two boys named Terry and Jerry Bob.

During Bob Graves' years at Muleshoe he has had the opportunity to hold several positions throughout the school system.

Mr. Graves began his career at Muleshoe Independent School District (MISD) as a history and physical education teacher. In the following years he also held the positions of coach, assistant principal and principal in Muleshoe.

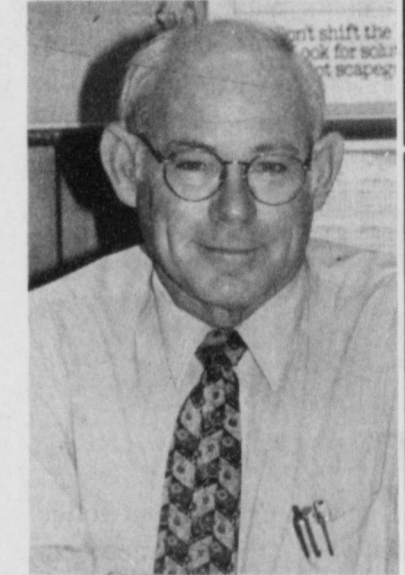

He retired in the spring of 1994, but inactivity is not something Bob Graves is known for. He is presently building the house of his dreams and teaching history at Muleshoe High School.

Vice-principal makes right move, to Muleshoe

By Nathan Noble

"I love the students," said Mr. David Jenkins, the new vice-principal at Muleshoe High School.

He grew up in Clayton, N.M., where he graduated from high school. He has been married to his wife, Sherry, for 30 years. They have one daughter, Shawna, who has been married for one year and lives with her husband, who is in the intelligence branch of the Navy in Japan. Mr. Jenkins and his wife are members of the First Baptist Church in Portales.

David Jenkins

When in high school, Mr. Jenkins was an extremely active person. He played football, basketball and ran track. He was also active in student council and agriculture. While in college he was already starting a family, so he did not play any collegiate sports. Mr. Jenkins still enjoys playing golf today.

He attended college at Eastern New Mexico University in Portales, where he graduated with a Bachelor's Degree in Business and a Master's in Distributive Education (DECA). He later returned to ENMU to obtain an endorsement in school administration.

Before coming to Muleshoe School System, Mr. Jenkins spent 25-1/2 years in the Portales School System.

When asked if he likes Muleshoe or Portales better, he replied, "It is hard to compare the two schools, because in Portales, I had 800 students in my school."

He did say that he does like the Muleshoe student body, because he thinks they are respectful, friendly, outgoing and that they have a positive personal appearance.

He also said that he appreciates the congeniality of the staff here. Mr. Jenkins commented that his move from Portales to Muleshoe was made easy by the students, staff and administration of the Muleshoe Independent School District (MISD).

Most importantly, Mr. Jenkins said that he is most impressed with our school. This really shows how great our school system is thanks to the people in it and to our community.

Noack finds teaching at MHS is a challenge

By Pedro Marrufo

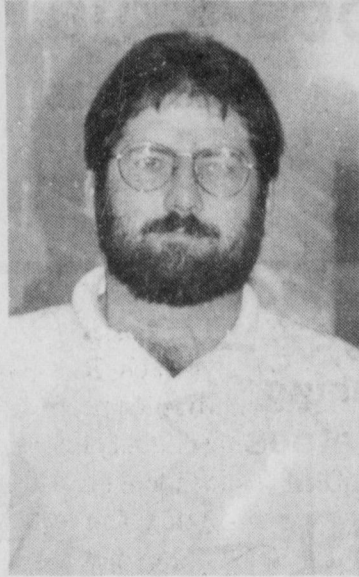

A move across the street made a big change in the daily life of Kevin Noack. Mr. Noack teaches in the science department along with his wife Susan Noack.

Mr. Noack is 6'2", and he is the man with the beard. Mr. Noack was born in Wichita Falls and was raised in Olton. During his high school years, Mr. Noack played golf. He graduated from Plainview High School. After graduation he attended Wayland Baptist University.

Mr. Noack enjoys traveling, and his favorite trip he took was to the Grand Canyon. Mr. Noack loves to go places where he can hike, because he enjoys doing it.

During this summer he saw a couple of movies. He saw "The Client" and "Forrest Gump."

When asked how he likes teaching in high school he said, "It's been a challenge."

Kevin Noack

MHS slams a good one with hiring of new coach

By Russell Reyes

Muleshoe slammed a good one when Ralph Mason arrived at Muleshoe High School. The reason for his arrival in Muleshoe are simply to be "closer to home" and because of the good people and friendly atmosphere in Muleshoe.

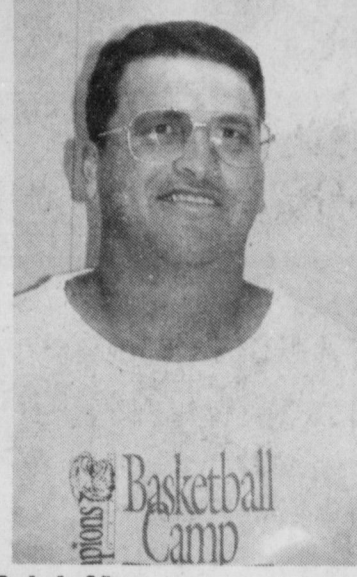

Mason, husband and father of three, arrived in early June. Mason's wife, Donna Mason, teaches at Dillman Elementary School. His two other children, Mitch and Megan, also attend school in Muleshoe.

Mason attended Morton High School. He received his teaching certificate from Texas Tech University in Composite Science in 1984. Mason, expecting a winning basketball season, wants to "educate the players as my parents and coaches did for me."

Besides loving plants and animals, he also enjoys hunting, fishing and "a good round of golf."

Mason feels that he is a good Christian and very trustworthy. He wants to discourage students from listening to peer pressure and using drugs.

All in all, he feels that good Christian values, good attitudes and an open mind are the most important things needed to succeed. With Ralph Mason, and other additions to the coaching staff, boys basketball looks to be back in the saddle.

Ralph Mason

God, family, work play big role in coach's life

By Mandy Cleavinger

The people of Muleshoe aren't the only ones who are getting ready for a new football season at Muleshoe High School. Many coaches and players are working hard to have a winning season. Among these hardworking men, is someone who is new to Muleshoe High School, this is Coach Todd Bandy.

Coach Bandy is the new offensive line coach for varsity football, the freshmen boy's basketball coach, a track coach and world history teacher.

Although he has a busy schedule, he finds time to spend with his wife, Lori, his daughter, Chelsey, and his son, Levi.

Family is important to Coach Bandy. In fact, he moved here from Texarkana to be closer to his family, who lives in Friona.

Bandy's daughter Chelsey is a fourth grader at Mary DeShazo Elementary School and his son, Levi, is a second grader at Dillman Elementary School. His wife, Lori, who is a housewife, is the most important person in Coach Bandy's life.

"She has taught me how to be a more loving person, and showed me through example how to live a good life."

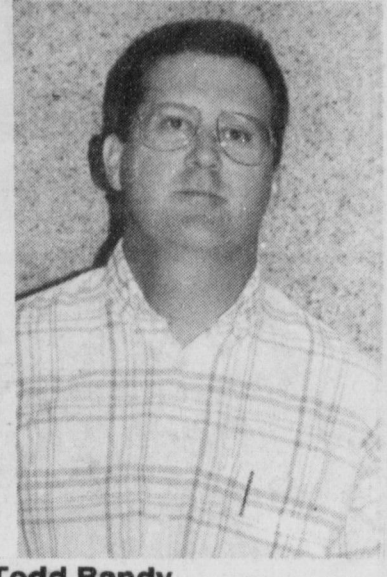

Coach Bandy and his wife have been married for 14 years. They married after his sophomore year at Lubbock Christian University, where he played one year of college football. Though he loved the game, it was more important to him to get married, so he and his wife moved back home to farm for a few years.

He then went on to become a coach. Coach Bandy grew up in Friona, and was the youngest of three brothers. They were extremely competitive, but Bandy said that "If anyone else tried to mess with one of us, we would always take up for each other."

Coach Bandy played football, basketball and ran track in high school. Despite his hectic schedule, he spent time with his friends and he also spent a great deal of time with his family. His father was a great influence on him and taught him how to work hard.

Coach Bandy tries to put God first in his life, family second and work third. Church is something that is a plentiful part of Coach Bandy's life. He attends the American Boulevard Church of Christ here in Muleshoe.

Coach Bandy is a dedicated husband, father, teacher and coach. He will most definitely make a great impact on Muleshoe and Muleshoe High School.

Todd Bandy

Coach plans to lead Mules through a good season

By Ernie Paez

Muleshoe got new smiles in the physical education department when Coach Wiley entered the district.

Coach Donny Wiley was born and raised in Lockney. He graduated from Lockney High School. The sports he attended were football and track. He went to college at Angelo State University and graduated in 1982. He got his degree in physical education ad math. His college sport was football. He played defensive end.

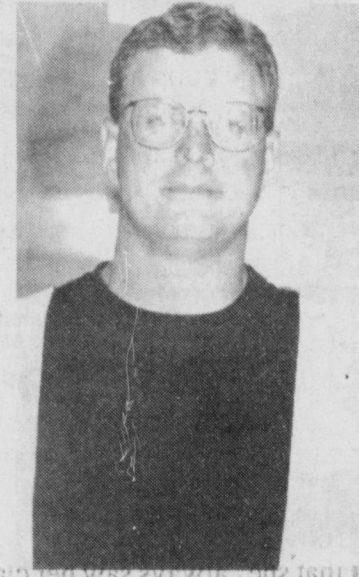

Coach Wiley is married to Donna Wiley. They have been married for 10 years and have four children. His first child is Ryan, he is now eight years old. His second child is Derek and he is now two years old. His third child is Kaleigh and she is now six years old. His last but not least is Keelin and she is three years old.

Coach Wiley met Donna in Coahome at Burger King. He moved to Muleshoe because his wife lived in Portales, N.M. She was attending college there.

He lived in Ruidoso, N.M., and wanted to move to a place closer to Portales so that is when he called here to Muleshoe and sent his resume. The next thing you know, he is teaching physical education and coaching football.

His prediction for the coming football year is "Hope we have a winning season and to have improvements from the past."

For Coach Wiley Muleshoe High School is a place where students are behaved and respectful. "Muleshoe has been, so far, the best place he has ever lived."

Donny Wiley

Schreoder

Continued from page 6

Mrs. Pat Watson.

Ms. Schreoder decided that she liked Muleshoe so much that she would like to teach here. So she applied for the opening position and got the job. She teaches four classes of freshmen English and two classes of freshmen Honors English.

Ms. Schreoder now lives in Muleshoe and loves it here, although her new apartment has a few problems. She is lovely and has a great sense of humor. I had the privilege of

being one of her students last year, so I know that she is a good teacher.

When asked what side she will sit on during the game against Dimmitt, she said, "I'm gonna try to be out of town. No, I'll probably just stand in the back of the endzone."

Ms. Schreoder is a great person and a great teacher. So if you see her driving around town in her '88 white, convertible MaClaren with a blue top: honk your horn to let her know we appreciate her.

Welch

Continued from page 6

enjoys working with her students and is delighted to help simplify the often exhausting process of learning algebra.

Church is also a strong influence on Mrs. Welch's life. She and her husband attend the First Baptist Church in Muleshoe, and strive to make Christ an abundant part of their lives.

The Welches, who met in Lubbock through a mutual friend, definitely plan on having children. Mrs. Welch would

also like for her and her husband to be able to do a great deal of travelling someday.

In her 23 years, Mrs. Welch has accomplished many great things. She is an intelligent and inspirational young lady. The people of Muleshoe should feel both proud and privileged that Mrs. Robin Welch now has a part in our community, and in the teaching of the students of Muleshoe High School.

Stocker cattle show set

A Stocker Cattle Show for area beef producers is slated for Wednesday, Sept. 7 at the Bailey County Coliseum. Registration will begin at 8:30 a.m. and the meeting will conclude at 1 p.m.

The seminar will focus on Wheat Pasture Cattle Management. Topics include purchasing stocker cattle, health and

nutrition.

Lunch will be provided. Please call the local Extension Office by Thursday, Sept. 1 if you plan to attend.

The Bailey, Parmer, Lamb and Castro County Extension Services and Muleshoe Vet Supply are sponsoring the seminar.

Obituaries

Fannie D. Hicks

MULESHOE - Funeral services for Fannie D. Hicks, 93, of Lubbock are scheduled for 2 p.m. on Tuesday, Sept. 6 at Ellis Funeral Home Chapel-Muleshoe. The Rev. Stacy Conner will officiate. Burial will be held at Muleshoe Memorial Park Cemetery.

Hicks died Friday, Sept. 2, 1994 at Lubbock Health Care Center after an illness.

She was born May 5, 1901 in Sulphur Springs. She married George E. Hicks on Dec. 17, 1923 in Afton. He died on Nov. 5, 1980.

Mrs. Hicks was a member of the First Baptist Church of Muleshoe.

She is survived by two sons, Morris Hicks of Albuquerque and Kenneth Hicks of Lubbock; four sisters, Grace Dobbs of San Jose, Calif., Nell Baxter of Lake Elsinor, Calif., Sue Formby of Spur and Mildred Slough of Dickens; two grandchildren and five great-grandchildren.

Memorials may be made to a favorite charity.

Funeral services were under the direction of Ellis Funeral Home-Muleshoe.

Births

Bryston Kade Riney

Laurey and Ronny Riney of Olton would like to announce the birth of a new son, Bryston Kade, born July 9, 1994 at Methodist Hospital in Lubbock. Kade was born at 8:21 P.M. and weighed 3 pounds, 6 ounces and was 16 1/2 inches long.

Kade has a big brother, Derek, age 4. Grand parents are C.E. and Sharon Grant of Muleshoe and Gene and Judy Riney of Olton.

Dakota Brianne Epperson and Zachary Alexander Epperson

Sean and Renee Epperson are the proud parents of twins born Monday, Aug. 29, 1994 at Plains Regional Medical Center in Clovis, N.M.

Dakota Brianne was born at 12:52 p.m. and weighed 6 lbs., 15-1/2 ozs. Zachary Alexander Epperson was born at 12:53 p.m. and weighed 5 lbs., 6.9 ozs.

Grandparents are Jimmy and Myra Copley of Muleshoe and Floyd K. Epperson of Arizona. Great grandparents are J.R. and Ella Copley of Muleshoe, Tip and Ellen Adair of Oklahoma, Floyd and Doris Epperson of Shallowater and Bea Browner of Amarillo.

Football

Continued from page 1

making it 19-7, Rams.

Muleshoe's Gabriel Mendoza stopped the Rams' two-point conversion try when he pounced on a loose ball and that was the last change the host team would make on the scoreboard.

The Mules, on the other hand, were just getting started. From their own 22, they marched to the Rams' 15-yard line, picking up a key first down on a fake punt (a 20-yard completion from Bryan Fields to Rashad Kirven).

An interception in the end

zone halted the Mules drive prematurely, but Gauna showed his leadership abilities on Muleshoe's next possession. He orchestrated their no-back, two-minute offense artfully, directing the Mules 80 yards for a score with :11 left in the half to cut Portales' lead to 19-13.

The big plays on the drive were two Gauna completions to Jesus Flores, good for 13 and 23 yards. Gauna went the final yard on his own, pump-faking a Ram defender into the air and darting unscathed

to the corner.

The change from the Mules' standard veer offense to an aerial attack was too much for Portales, according to Ram head coach Ron Rodgers.

"They (Muleshoe) surprised us with that passing offense," Rodgers said. "They came out with stuff we weren't prepared for."

Running back Robert Toscano got things going on the ground in the second half for the Mules. He gained 62 of his 91 total yards after the half and tied the game at 19-19

with a 3-yard score with 7:38 left in the period.

The Muleshoe defense picked up their first-half slack and shut the door on the Rams' offensive hopes. The Rams, who gained 226 yards in the first half, could manage only 57 yards in the second.

Mesa proved to be the biggest thorn in the Rams' paw as he sacked Anaya four times on the night, caused one fumble and recovered another.

Portales' offensive flow was also hampered by penalties. The Rams were flagged 16

times for 121 yards, compared to seven Mule penalties for 60 yards.

Muleshoe will host Denver City Friday night at 8 p.m. at Benny Douglas Stadium.

SCAC installs officers

The Student Community Action Club (SCAC) met on Aug. 8 for installation of new officers. Donna Puckett began the meeting and Mason Conklin followed with the prayer. New and old members were recognized.

The time came for the introduction of Vivian White, who presented the club with a certificate from the Heritage Foundation.

Brooke Sinclair followed by reading "What is SCAC?" for all the new members and Donna then read the history of SCAC.

Mrs. Allison began the installation ceremony, which consisted of the old officers challenging the new ones with the responsibilities.

Old officers are: Donna Puckett, president; Kristin Weatherbie, vice-president; Emily Harris, secretary; Brooke Sinclair, reporter; Shane Schuster, treasurer; Stephanie Quintana, parliamentarian and Mason Conklin, chaplain.

New officers are: Audra Lee, president; Rebecca Warren, vice-president; Crista Trussell, secretary; Mikki Bowen, reporter; Angela Crawford, treasurer; Crystal Howe, parliamentarian; and Bryan Field, chaplain. Also, Keetha Glover will be taking over the job of preserving SCAC history as historian, given to her by Jeanne Cox.

Each officer signed the "Exchange" paper and the meeting was adjourned after Audra stated that the next meeting will be held Monday, Sept. 19.

"LABOR IS LIFE"
Carlyle

Let's talk about labor — work, if you please, for that is what labor is. Labor has come a long, long way since ancient times when work was closely related to slavery. Aristotle described a slave as "a tool with life in it." In the Middle Ages, labor gained dignity and respect as slavery declined and Christianity spread. Then, later in the 1700's and 1800's the industrial revolution created conditions that led to the modern labor movements. Today labor has gained respect, wages and working conditions hitherto unknown before.

Labor is life. Work is satisfying. Through his work a man accomplishes, and creates, and provides for himself and his family. When deprived of the opportunity or ability to work, man often becomes depressed, even ill.

I Corinthians 3:9 tells us that "We are laborers together with God." We are His hands, feet, voice, and compassionate heart here on earth to spread the gospel, lift up the poor, eradicate ignorance and destroy disease.

Honor God and Labor this week by attending church.

THEY WERE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Engagements

Schacher - Sava

Gene and Vernie Schacher of Lazbuddie announce the engagement and approaching marriage of their daughter, Rebecca, to Capt. Gregory William Sava, son of Bill and Jacque Sava of Dimmitt. The couple plan to exchange vows on Oct. 22, 1994 at 3 p.m. at St. Ann's Catholic Church in Bovina. The bride-elect is a 1985 graduate of Lazbuddie High School. She received an associate of applied science degree from South Plains College in 1987 and was formerly employed by University Medical Center in Lubbock. The prospective groom graduated from Dimmitt High School in 1985. He received a bachelor of science degree from the U.S. Air Force Academy in 1989, and a master's degree in Aeronautical Science from Embry Riddle Aeronautical University in 1994. He is currently stationed at F.E. Warren Air Force Base in Cheyenne, Wyo. The couple will reside in Cheyenne after the marriage.

Nursing Home News

By Joy Stancell

Rev. and Mrs. Darrell Sanderlin of the First Assembly of God Church conducted the Devotional Gospel Singing and Music time Friday morning.

Sunday afternoon the Progress Baptist Church came for Church services.

Tuesday afternoon Lanell Stancell and the Activity Dept.

shampooed and set the ladies hair.

Wednesday morning Buster and Wanda Kittrell hosted Coffee and Spudnut time.

Wednesday morning a special program was presented on the Indian Culture. This presentation came about of the effort of several folks, which included, Clara Lou Jones,

Lona Embry, Nancy Kidd and Wanda Kittrell who each made a great contribution of time, artifacts and food.

Each Saturday afternoon Bennie and Jean O'Brian and Melvin and Wanda Griffin host Bingo time.

The local Spudnut Shop brought a large box of Spudnuts for the residents and staff to

feast upon Thursday afternoon.

Our deepest and heartfelt sympathy go out to the family and friends of Bill Tarter. We shall miss him too.

We welcome two new residents. They are Burley Locke born in Vernon, Tx, Sept. 3, 1904 and Frank Cook, born in Weatherford, Tx. March 16, 1910, he is from Clovis, N.M.

Creative Living

With Sheryl Borden

PORTALES - Information on seafood soups, stews and chowders, products made with quilted fabrics and maximizing your family's outdoor fun will be the featured topics on *Creative Living* on Tuesday, Sept. 6th at noon and Saturday, Sept. 10th at 2 pm. (All times are Mountain.)

Creative Living airs on public broadcasting station, KENW-TV, from Eastern New Mexico University in Portales, N.M.

Marilyn Rose, Bureau of Seafood in Jacksonville, Fla, will feature different types of seafood soups, stews and chowders,

Another guest, Abbie Small, will introduce the Simplicity School of Quilting, and show some projects that can be made from quilted fabrics. She is from New York City.

Trisha Gallagher, child care expert from Richboro, Pa., will explain ways to maximize your family's outdoor fun. She rep-

resents OFF Skintastic.

On Tuesday, Sept. 6th at 9:30 p.m. and on Thursday, Sept. 8th at 12:00 *Creative Living* will discuss eating right to make the most of maturity, getting off to a fresh start in the morning, and explain the special nutritional needs of pregnant women.

Dr. Keith Wheeler from Ross Laboratories will discuss diet, exercise and dietary supplements to help us make the most of our golden years. Dr. Wheeler is from Columbus, Ohio.

Another guest, Sheryl Flomenhoft, with Black and Decker Household Products Group will show how to make the most important meal of the day breakfast a fresh and fun meal in no time at all. She's from Shelton, Conn.

Dr. Barbara Levine, Director of the Calcium Information

Center in New York City, will discuss the special calcium and nutritional needs of pregnant women.

Creative Living is produced and hosted by Sheryl Borden. The show is carried on more than 100 PBS stations in the United States, Canada, Guam, and Puerto Rico and is distributed by Pacific Mountain Network, Denver, Colo.

Viewers can request copies of materials offered on the show by sending one 29 cent stamp for each handout requested. Send the stamps, along with your name, address and booklets requested to: Creative Living % KENW-TV, 52 Broadcast Center, Portales, NM 88130.

Thank You

I would like to express my thanks to everyone for the cards, telephone calls, food and flowers during my surgery and recovery.

May God Bless each one in a very special way.

David & Nancy Stovall
