Shero, Walker, Sayre And Reid Win Honors In Eastland Bathing Review At City Park July Fourth

Miss Bobbie Shero, Miss Betty Walker, Miss Sharon Sayre, and "Miss" Daisybelle Reid were selected as top beauties in the bathing review held at the city park last night in connection with the Fourth of July celebration.

Miss Shero was awarded first place in event for entrants 14 and over. She represented the Co-Ed Club. Runnerup to Miss Shero was Miss Janelle Patterson, representing the Eastland Rotary Club.

Miss Walker was judged as top beauty in the review of 8 to 13 year olds. Runnerup was Glenna Murrell of Goldsmith, sponsored by Murrell's Food Store.

Miss Sayre was the winner in the event for girls from 3 - 7 years, and was sponsored by the Girl Scouts Troop No. 1. Runner-up honors went to Jan Taylor.

In the Power Models preview of bathing beauties, "Miss" Reid won over the other contestants in a walk. She was a representative of Miss Paris. "Miss" Johnita P. Kilgore won runner-up honors.

For winning her event, "Miss" Reid was awarded a trophy on which was a statuette tossing a bull. "Miss" Kilgore, representing the police department, was awarded a horsecollar of flowers through courtesy of Wittrop's Flower Shop.

Each winner in the other events was awarded a gold loving cup.

The complete list of entries in the Power Model preview are: "Miss" Cue Collins, representing the pool hall; "Miss" Johnita P. Kilgore, police department; Gertie Mosier, Moser-Nash Motor Co.; "Miss" Guided McKee, unsponsored; Babe Day, from Mississippi;

Robert Calvert Visits In Eastland

Robert W. Calvert, candidate for Associate Justice of the Supreme Court of Texas, visited in Eastland in the interest of his campaign recently.

Calvert received his public school education in the State Home at Corsicana, Texas. He was graduated from the University of Texas School of Law in January, 1931.

Calvert served as a member of the House of Representatives for three terms and was Speaker of the House in 1937-38. He served as chairman of the State Democratic Executive Committee in 1946-48.

He was a member of the state-wide committee of lawyers and judges that re-wrote the rules of procedure in civil actions in 1940.

Calvert has enjoyed a successful law practice in both trial and appellate courts for 19 years. He states that he believes that the attainment of justice is the ultimate goal of every judicial proceeding.

200th Derby Entry Is In

The whistles, sirens and bells at 7:30 a. m. yesterday were not a celebration of July 4, but of the 200th Horned Toad Derby entry. H. J. Tanner has announced. Ernest Halkias of the Majestic Cafe entered the 200th toad in this year's race.

This morning, Tanner said, the total had risen to 205, 95 short of the goal of 300. Officials believe that the 300 mark will be surpassed. Only 149 entries were in the first derby last year.

Tanner stated that the siren, whistle and bells will sound again when no. 300 comes in.

WEATHER

Partly cloudy skies will keep temperatures in the 80s over most of the state today, the weather bureau in Dallas predicted. Light showers are expected in scattered sections.

Yesterday, the high was 104 degrees at Presidio and the low 82 at Guadalupe Pass. Overnight, the minimum was 57 at Lubbock with Galveston reporting the high of 80.

Rainfall reports for the 24-hour period ending at 6:30 a. m. included .95 inch at Amarillo; .73 at Lubbock; .54 at Childress; .49 at Wichita Falls; .31 at Houston; .18 at Abilene; .08 at Marfa; .06 at Beaumont and .02 at Texarkana.

For Good Used Cars (Trade-ins on the New Olds) Osborne Motor Company, Eastland

"Miss" Frankie Hightower, representing Gordon; Miss J. Rosiline Rucker, representing the school board, and Daisybelle Reid, the winner.

Entrants in the three to seven group were: Donna Kay Ford, Eastland; Susan Diana Cooper, Breckenridge; Caroline Jean Fox, Toni Horton, Jan Taylor, Sherry Miller, representing the D. L. Houle Shop, and Sharon Sayre, all of Eastland.

Entered in the group for eight to 13 year olds were: Betty Walker; Jeannie Vermillion, representing the Eastland Record; both of Eastland; Jane Marrell, Goldsmith, Lana Turner, Monahan, Glenna Murrell, Goldsmith, all representing Murrell's Food Store; Carol Ann Armstrong, Sandra Lynn Taylor and Mary Ann Tombs, representing Toombs - Richardson Drug Company, all of Eastland.

The group for 14 year olds and over was composed of: Katherine Cooper, representing the Exempler Chapter of Beta Sigma Phi; Evelyn Ward, representing Rexair; Billie Floy Hunt, J. C. Penny Co.; Heidi Throns, Sub-Deb Club; Bobbie Shero, Co-Ed Club; Wanda Williams, representing the Ruby Crawley Beauty Shop; Lydia Faye Houston, Corner Drug; Ruth Beatty, Carbon, representing Altman's; and Janelle Patterson representing the Eastland Rotary Club.

The review, scheduled to begin at 8 p. m., was delayed for a few minutes by a last minute fault in the setup of the loudspeaking facilities. Sgt. Charles Brannon rushed a new loudspeaking system to the scene and the program was started.

Co-Ed girls acted as ushers for seating inside the pool.

Judges for the review were Jay McKee, postmaster from Fort Worth, and Mr. and Mrs. Hamilton, also of Fort Worth.

Marene Johnson was in charge of the program, and she was assisted in the registering of entrants by Mrs. Eugene Hickman.

She expressed gratitude for all who helped in the planning and presentation of the review, and especially to the individual entrants in the review.

City officials joined in the expression of appreciation for all who helped with this part of the July 4 celebration.

Lyons Studio of Eastland and Jacobs of Cisco made photographs of the entrants and of the review in general.

Mrs. B. O. Harrell's Mother Buried In Gatesville, July 4

Funeral services were held July 4th for Mrs. J. M. Hair, mother of Mrs. B. O. Harrell of Eastland in the First Methodist Church in Gatesville.

Mrs. Harrell was called to her bedside early last week, when she suffered a heart ailment. She died in a Gatesville hospital July 3.

Survivors include her husband, 91, and four other children who are Mrs. Sam Chambers and Byrd Hair of Gatesville, Mrs. Ben Williamson of Amarillo, and Ed Hair. He is seriously ill with a heart ailment at his home in Hobbs, N. M.

Thirteen grandchildren also survive. One grandson, James Hair, a pilot was killed overseas during World War II.

Koonce Strokes Past Robinson To Win Eastland Golf Tourney

Jake Koonce of Rising Star edged Aaron Robinson, also of Rising Star, 1-up, to win the Championship flight of the Eastland golf tourney here yesterday.

The match was in doubt until the final hole. Robinson hooked his drive out of bounds on the 18th hole, and Koonce won the hole and the match.

Featuring Koonce's play were two chip-ins during the first nine holes of the match.

Koonce out stroked Blair Lewis of Eastland, 3-2, in his semi-finals match, and Robinson edged past Gayland Poe, Eastland, 1-up. Both matches were hampered by showers.

Lewis led Koonce 1-up at the turn, and Poe led Robinson until the 17th hole, where slippery footing caused him to top his tee

shot. Robinson won the 17th and 18th to take the match.

E. M. Pritchard won top honors in the first flight with a 4-3 victory over John Peters.

Don Doyle won the second flight with a 1-up victory over Pete Brazier.

J. Mathews outstroked I. E. Talley, 5-4, to win the third flight title.

Hershel Self won over Jerry Sitton, 3-2, to take honors in the fourth flight.

Tokyo Headquarters Says Reds On Offensive All Along Suwon Front

By Earnest Hoberrecht
United Press Staff Correspondent

TOKYO, Thursday, July 6 (UP)—Korean Communist forces have launched a frontal assault on the Suwon line and have slashed far to the Southeast of Suwon in a wide flanking movement against American and South Korean troops.

Gen. Douglas MacArthur's headquarters announced today that North Korean armored forces and mobile columns had seized the initiative all along the North and East flanks of the U. S. and South Korean salient aimed at Suwon.

One Communist column wedged in behind the foremost American positions below Suwon and cut its communications for a time. Late reports from the field indicated that the U. S. position was less grave than it seemed for a time.

But MacArthur reported that the North Koreans were on the offensive around a broad arc, and said they were ferrying troops and supplies across the Han river below Seoul, indicating "preparation for further offensive action."

North Korean light tanks were reported on the East coast near the border between North and South Korea. Other Communist reinforcements appeared around Samchok, 50 miles down the coast from the border.

"The Navy continued patrols on the East and West coast," MacArthur's communique said. It called attention to an earlier naval communique on carrier plane activity.

U. S. advance headquarters in Korea reported that North Korean armored forces gave advanced American troops a bad day Wednesday. For a time officers in the field said the issue of the first big battle of the yanks in Korea was in doubt.

A spokesman at the same headquarters said about midnight that the situation in the key sector

just South of fallen Suwon was "not as bad as it earlier had been pictured."

Front reports said the Americans still were holding their forward positions in water-filled fox holes. A tank-led Communist force made a wheeling maneuver and wedged in behind the U. S. unit in the vanguard of the Korean drive.

Heartening word also came from United Press correspondent Jack James, who was with the advanced American troops below Suwon. He went to the rear to file a dispatch which said the U. S. area commander was not too concerned over the fact that his front line troops had lost their communications.

"This is the first time North Koreans have hit American troops," he said, "and I think they have quite a little surprise coming."

James reported that the Americans went up to the front over muddy roads and took up positions along a 700-foot ridge commanding the rail and road approaches to Suwon.

Eight Russian-made medium tanks hit them Wednesday morning, U. S. artillery opened up. One tank was reported destroyed. It was then that the Communist armor fell back, only to swing about immediately in the flanking maneuver.

Two accidents yesterday claimed two lives each. Mrs. Clarence Shuffield, 24, of San Antonio, and Orville Ned Pinson, 26, of Brady were killed in a collision near Fredericksburg. Inez Gonzales, Jr., 22, Hebronville, and three-month-old Jose Alfredo Salazar, Harlingen, died in a crash near San Benito.

An unidentified man was drowned in an irrigation channel near the Rio Grande at Hidalgo to become the second unidentified drowning victim for that city during the week end.

Kim Il Sun Named North Korean Boss

TOKYO, July 5 (UP)—The Communist North Korean radio announced today that Communist Premier Kim Il Sun had been appointed supreme commander of the North Korean Peoples army by the committee of the Supreme People's Council.

Kim is reported to have graduated from a Russian military academy and participated in the battle of Stalingrad during World War II.

He also is said to have led a guerrilla band in raids against the Japanese before he was 20 years old.

Five Thousand Estimate Of Number Who Attend July Fourth Celebration

What was billed as Eastland's biggest Fourth of July celebration proved to be just that as many hundreds of people flocked to the city.

Several hundred persons were served breakfast at the city park from 6:30 until 8 a. m. to get the celebration underway. About three cases of eggs and many pounds of bacon were served to the early celebrants.

Swimming and diving events were the next action at the park. They lasted until about noon.

Many of the persons went to the country club to watch the golf matches in the tournament which was wound up there. Tourney action lasted all day, with a good crowd in attendance.

Rain failed to dampen the enthusiasm of the celebrants, and hundreds of persons milled through the park throughout the day. A band concert and special stunts occupied the afternoon schedule.

A crowd estimated at about 5,000 jammed and packed into every available space around the city park and swimming pool to watch the bathing review at 8 p. m.

Cars and people completely filled the park, and cars were parked all the way down the hill leading to the park to Commerce street.

Following the bathing review, the crowd flocked to the south side of the hill on which the park is located to watch a fireworks display which lasted for more than 30 minutes.

Square-dance fans packed the American Legion hall after 9 p. m. where a huge square dance was held.

The only part of the original schedule which was not carried out was the air show which was cancelled because of the Korean war.

Study Ball Park Shooting
NEW YORK, July 5 (UP)—Police conducted ballistic tests today to determine if a bullet fired from an apartment house window by a teen-age boy killed one of the 49,316 baseball fans packed in the Polo Grounds for yesterday's double-header between the Giants and the Dodgers.

Two More US Soldiers Go On Big Spree
FUERSTENFELDBRUCK, Germany, July 5 (UP)—More than 2,000 American military and German police were given "shoot to kill" orders today in a search for two young American desperadoes who broke out of the U. S. Air Force prison here Monday night.

Pvt. Lon Stephens of Pampa and Cpl. John Vetter, 20, of Mowbride, S. D., were believed to have stolen guns from the prison arsenal after escaping from their cell through a hole they ripped in the ceiling.

It was the third jailbreak for Vetter, serving 20 years for robbery, and the fourth for Stephens, serving a five-year term on a similar charge.

This morning (an Air Force soldier reported the pair held him up at gunpoint and stole his wallet. Prison officials warned police the men were "desperate and dangerous."

"Shoot to kill if necessary," authorities said.

The hunt surpassed that for Oklahoma badman Homer Cook, who was captured last month after hiding 60 hours in the Bavarian woods and Munich tunnels.

Highways Turn Into Graveyards Over July 4th

Traffic crashes killed more persons during the four-day Fourth-of-July weekend than any previous holiday in history and it appeared certain that the final toll of dead in all types of accidents also would set a new record.

A United Press survey showed 800 persons died in accidents during the 102-hour period from 6 p. m. Friday to midnight last night.

Of the total, 479 died in traffic. Drownings claimed 159 victims, three died from heat prostration, 22 were killed in plane crashes and 137 died in other types of accidents.

Although complete statistics were lacking, the National Safety Council said its records showed the highest previous holiday traffic toll was 420 deaths during the three-day week end last Christmas. The council had predicted that 385 persons would be killed this week end.

The highest previous toll for all types of accidents was compiled by United Press last July 4 when 804 persons died, 321 on highways. The worst heat wave of 1949 boosted the total, however, with 57 deaths from prostration and 277 by drowning. Eighteen others died in plane mishaps and 131 in miscellaneous accidents.

"A vast majority of these accidents probably could have been avoided through the use of simple caution, common sense and courtesy."

Statistics have shown, he said, that for every person killed, 35 are injured in highway accidents. That would mean that at least 16,000 persons were hurt in the past four days.

"And many of them will die later," Dearborn said.

Their equipment is not modern in the sense that a jet plane is modern, but it is ideally suited to warfare in Korea. Robert C. Miller, veteran United Press war correspondent, reports from the front that the Communist tanks are light and are armed with .37 millimeter cannon and machine guns.

Insurance is a Life-Time Affair—
and is so considered by those who figure safety as a business and protection as an investment. The fact that a person has carried insurance many years and never had a claim does not mean that he lost his money premiums. Rather has he gained them because he invested in safety, got protection and lost none of his property. If we buy insurance for what it really is a large part of our financial problems will solve themselves.

Mundt Accuses US Commies Of Pulling Rug Out From Under US Forces Fighting In Korea

WASHINGTON, July 5 (UP)—Sen. Karl E. Mundt, R., S. D., accused U. S. Communists today of "pagan efforts to pull the rug out from under" U. S. forces in Korea.

He said Congress should pass his Communist-control bill in order to help the government thwart these Red activities. The Korean crisis, he said, has convinced the American people of the need for legislation of this type.

Mundt noted that his measure would compel Communist party members to register with the government.

"American Communists dread exposure and identification by compulsory registration like a kidnaper dreads the FBI," he said.

Mundt tried unsuccessfully to bring his bill to the floor last week. Senate Democratic Leader Scott W. Lucas, Ill., has promised, however, to take up the matter with the Democratic policy committee.

Elsewhere in Congress:
Pike — Senate Democratic leaders planned to bring up on the floor President Truman re-nomination of Sumner T. Pike as a member of the Atomic Energy Commission. The appointment was rejected by Senate members of the Joint Congressional Atomic energy committee.

Propaganda — Secretary of State Dean Acheson was scheduled to testify before a Senate foreign relations subcommittee in favor of a resolution calling for an expansion of U. S. anti-Communist propaganda activities abroad. Other witnesses included former Secretary of State George C. Marshall, Gen. Dwight D. Eisenhower, and Sen. William Benton, D., Conn., one of the resolution's 13 sponsors.

Marines Poise Today For Lift Into Korea War

LOS ANGELES, July 5 (UP)—Battle-toughened Marines ground and air units were poised today to follow Air Force B-29 bombers winging towards the Korean war zone.

Tearful wives and children lined runways last night at March Air Force Base 55 miles East of here as giant superfortresses of the 22nd bomb group rumbled westward.

Crews were reported not in a fighting mood.

The number of B-29's ordered to the Far East, their exact destination and their estimated time of arrival were secret.

But it was known that 30 of the huge craft normally were assigned to the group's three squadrons.

Meanwhile, the 7,000-man first Marine division was alerted at Camp Pendleton, Calif., for orders to board ship or plane for the Far East.

Assistant Division Commander Brig. Gen. Edward Craig said he expected the word to go "at any moment."

The famed division, which played a heroic role in the Guadalcanal and other Pacific campaigns of World War II, now has less than

The Loves of Carmen

By SOPHIE KERR
Copyright, 1948, NEA SERVICE, INC.
Serialization of screenplay from a novel by Prosper Merimee

THE STORY: Don Jose, young officer in a fashionable Spanish regiment, has just come to Seville from the countryside of Navarre. He becomes enamored of the bewitching gypsy, Carmen. When he tries to make love to her, Carmen's hands catch on his tunic and break. This had once tricked the gypsy and, remembering the fortune teller who predicted a love-death for her, she turns on Jose. "You're the one—I know it. Stay away from me!" she screams.

XIV
CARMEN slammed the door and locked it. Then she leaned against it panting, exhausted. When she saw Don Jose's helmet, cape and sword she ran for them, throwing the helmet and sword violently out of the window into the street below. Then she returned for the cape, but as she started towards the window with it she hesitated, stopped in front of the mirror and draped it over one shoulder. She appraised the effect, found it becoming and turned around and around, preening and admiring herself in it. Then she became aware that the serenade music had stopped and she walked to the window slowly, to see below her Don Jose slowly picking up his helmet and sword.

Carmen moved more fully into the window opening. An uncertain look came into her eyes but she called softly, "Joseito—wait!" It was the first time she had ever called him by name.

The musicians watched silently. Then Don Jose turned back toward the doorway leading to Carmen's room. Carmen smiled, but it was not her usual assured, brazen smile. Instead, it was an odd, frightened, timid little smile.

The gypsy musicians started their serenades again. There was an extra note of passion and sadness in the music and their voices.

Don Jose came back into the room. He slowly closed the door that Carmen had held open for him. He stood waiting, not quite certain of his ground.

Carmen spoke with a bewildered note in her voice. "I think I must be crazy—I don't know how to say it or how to tell you—"

"Love has been told a thousand ways, so let it be." He remained where he was. "Come here, Carmen."

She went slowly toward him.

THE night was clear over the heads of the gypsy musicians, and through its distance they could hear military boots striking the stone pavement. They stopped playing suddenly. The colonel, in full regalia, marched toward the house. The gypsies watched him in ominous silence, as he stopped before the building, looked up at the window. Then, as one who knows the way, he went up the back stairs.

Carmen was on the couch, her head turned toward Don Jose, who sat on the floor. His hands were on her face, and as she talked, he followed her words with his fingers on her lips, her eyes, her lips again. He was like a blind and deaf man, listening and seeing by the touch of his hands. Carmen's voice was soft and eager, her eyes were warm and loving. "We will go away to the mountains, Joseito. We will—"

Jose shook his head slowly from side to side, his voice as low as hers.

"No, you will stay here with me. I am a soldier. A good soldier does not desert his post, and from here on out, I am going to be a very good soldier, Carmencita."

He took her face in his hands and bent to kiss her. Carmen looked at him and shook her head as he had shaken his, slowly, firmly. "No, you will come with me to the mountains, where we—"

THE door crashed open before her, banging against the wall, and her eyes went past Don Jose,

and the risks are fearful, but the alternative is an enslaved world."

Eisenhower, now president of Columbia University, said the only crime of the South Koreans was their desire to live their own lives as they choose.

"The American decision to assist them was inescapable," he said. "Our decision must be carried to its conclusion by whatever means are necessary."

District AL Meet Slated For July 8-9

BRECKENRIDGE, (Spl.) — Louis A. Jordan, District Commander, has issued a call for the 17th District Convention of the American Legion to be held in this city, Saturday and Sunday, July 8-9, 1950.

Saturday afternoon session, beginning at two o'clock in the beautiful home of Bernice Colos Post No. 191, will be a meeting of all farm veterans of the 17th district. This service, under the direction of Department Service Officer Sid A. Lowery of Lubbock, Texas, will advise the veterans of the many benefits now available to farm veterans. Assisting in the program will be representatives from the Texas Land Board, the Farm Home Administration, the Veterans Administration and other agencies specifically charged with assistance to farm veterans.

Dance and special entertainment will be held at the Legion Home on Saturday evening for the visiting delegates of the American Legion and Auxiliary, Post Commander Alfred G. Chastain stated.

The joint session of the American Legion and Auxiliary will convene Sunday morning at 9:30 a. m. preceded by a Post Officers breakfast. The afternoon business session will elect delegates and alternates to the national Convention of the American Legion

to be held in Los Angeles, California, October 9-12, 1950. Also to be elected are the 17th district representatives on the department convention committees for the Department Convention which will be held in Galveston, Texas, September 8-10, 1950.

Mrs. Louis A. Jordan, Abilene, 17th District President of the American Legion Auxiliary, will preside over the Auxiliary business session.

Gen. Ike Tells Scouts That US Had To Give Aid

VALLEY FORGE, Pa., July 5 (UP)—Gen. Dwight D. Eisenhower believes it was "inescapable" that the United States give armed aid to South Korea.

"The alternative would be another kind of Munich," the former supreme allied commander told 47,000 Boy Scouts last night at their second national jamboree.

"The United States must support those countries allied to it by 'common devotion' to the freedom of men, Eisenhower said. "The cost of effective help is great

HADACOL GREAT TO BUILD UP WEAK, RUN-DOWN PEOPLE AFTER BEING OPERATED ON!

Helps Convalescents Get Back Strength and Feel Better Where Systems Lack Vitamins B₁, B₂, Iron and Niacin
MANY DOCTORS RECOMMEND IT!

Mr. Francis Burnham, 414 East Monroe Street, Jacksonville 2, Florida, who had such deficiencies: "I had read about your HADACOL and heard about it on the radio, but I was afraid to try it because I have recently undergone an operation. But after taking one trial bottle I just can't help but want to pass it on to others. I had to rush home from work and get in bed as soon as possible for fear I wouldn't get enough rest, but still the next day I was tired, worn out and sleepy. My stomach was nervous and upset. And I couldn't eat a thing that didn't give me indigestion. Now I go to work and feel more like getting out in the amusement world when I've finished my day's work. Thanks to HADACOL." (Why don't you try HADACOL.)

Ada Shepard, 24 Main Street, North Vernon, Indiana, whose system lacked these elements: "I'm fifty-five years old and have had three operations a few years apart. I work in the Regal Rug Factory and am the head of the Body Department and on my feet all day. For such a long time I was so tired and run-down I could hardly get up and go to work. I could not sleep nights and was just as nervous as could be. I kept hearing about HADACOL, so I decided to try it. I've just finished my first bottle, but I feel like a new person. My whole life seems different, so I can truthfully and highly recommend HADACOL."

Mrs. A. C. Myrick, General Delivery, Fairhope, Alabama, who had such deficiencies: "Right after my operation I heard about HADACOL. I have taken about six bottles of HADACOL and I feel fine. I am 44 years old and I feel so good since I started taking your HADACOL. I must say HADACOL is truly a wonderful product, and I intend to keep it in my home." (Note: HADACOL is not only a wonderful 'builder' for folks convalescing after operations, but also for people whom serious illness has left weak, run-down, because their systems lack Vitamins B₁, B₂, Iron and Niacin.)

C. B. Sutherland, Route 1, Box 62, Callahan, Florida, whose system was so deficient: "I just got my fifth bottle of your HADACOL and I can say it's done me more good than any medicine I ever took. I am 62 years old and have had five operations and had been doing very well until around July, 1949. I quit eating and could not do any kind of light work. Then I started to take HADACOL and now I eat anything and I work all day. Thanks to HADACOL. (I am a retired railroad storekeeper.)"

This wonderful HADACOL product not only supplies deficient systems with more than their daily needs of important Vitamins B₁, B₂, Iron and Niacin but also helpful amounts of Calcium, Phosphorus and Manganese—elements you must have to maintain good health and to keep physi-

cally fit. And these vitamins and minerals come in pleasant liquid form so that they're more quickly absorbed by the blood and ready to go to work at once. HADACOL is simply wonderful to relieve stomach distress, nervous disorders, insomnia, constipation, aches and pains of neuritis due to such deficiencies. Sold on a Strict Money-Back Guarantee. HADACOL even helps build up the hemoglobin of red blood cells (where Iron is needed) to course

through your body, carrying these great health-building elements to every body organ—to the liver, lungs, heart, kidneys, gall bladder, pancreas—even to the nails, hair and eyes. No wonder HADACOL helps you feel wondrously. You owe it to yourself to get yourself back on the road to feeling physically fit again. Start taking HADACOL today. Trial size, only \$1.25. Large family or hospital size, \$3.50. Sold on a strict money-back guarantee. *Photos by professional models. ©1950, The LeBlanc Corporation

Detroit, Cards Leading Major League Race As Fourth Rolls By

By Oscar Fraley
United Press Sports Writer
NEW YORK, July 5 (UP)—Major league baseball was past the traditional halfway mark today and it appeared high time to make some necessary revisions in the pre-season estimates.

Before the national pastime started passing time last April, there were a number of extravagant claims—the most absurd of which was the claim by all 16 managers that "we'll be right up in there this season."

That has been well settled. We shall now go on to some others, concerning such favorites as the Boston Red Sox and the Brooklyn Dodgers, the matter of .400 hitters and 30-game winners, hotshots who have been well-cooled and the disputed Dodger claim that it has the wackiest ball park in the world.

troit and the St. Louis Cardinals. Last year at this time the Yankees were on top by four and one-half games and Brooklyn led the national by two. Today, Detroit leads by four games and the Cards by one and one-half. But there's a ray of hope for the Red Sox fifters. Last July 4 Sox were fifth by 12 games and they blew the flag on the last day. Today they are fourth by six and one-half—so maybe they'll win this year by four and one-half games—if you believe in mathematics and miracles.

There's no denying that this is the year Connie Mack's dreams were shattered for good. He had a fine pitching staff, it was believed, and might win that "one more pennant." But his A's are in seventh place, 21 games back, and the bedraggled leader of that highly touted mound staff is rookie Bob Hooper with an average of .8 and 5 rank.

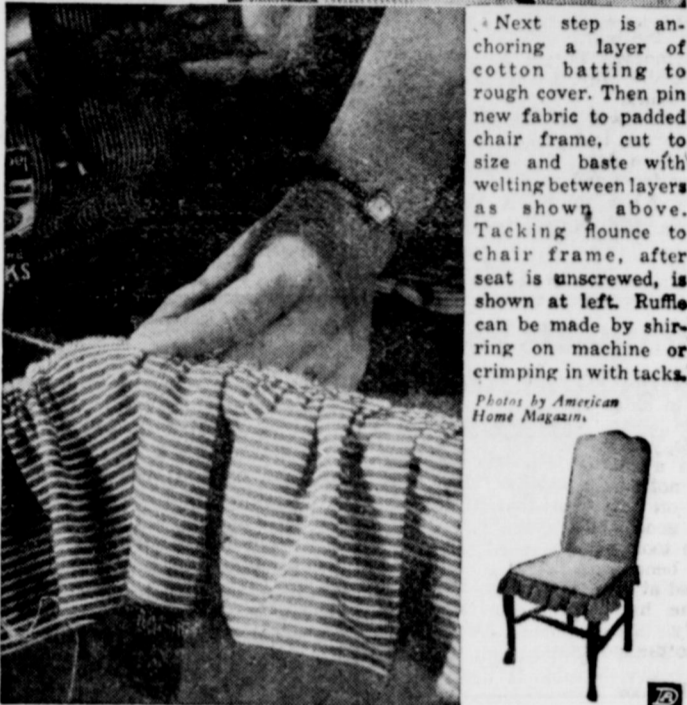

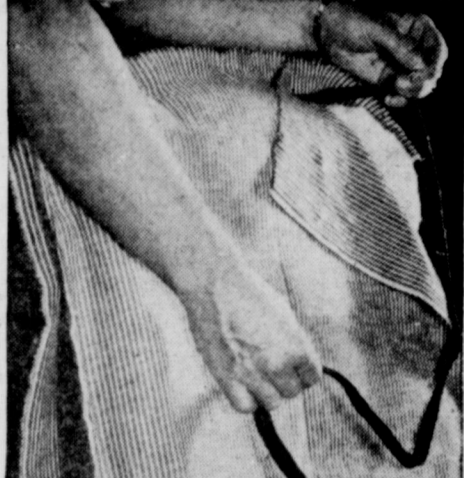

As for .400 hitters, there aren't any—and may never be again what with so much night baseball. Jackie Robinson leads the parade with .380 and that's plenty good, but 20 points shy of the dream mark. And remember, before the season, how they were insisting that Don Newcombe would be the first 30-game winner since Dizzy Dean? Well, he has a 7 and 4 mark at the halfway point. The leading winner is Johnny Sain, and 11 victories halfway through still is some short of a 30-game pace.

By this time, too, it has been proved that two stars of the past still have enough to get by on, but that the old gray mare ain't what it used to be. Briefly, they are Bob Feller, with an 8 and 6

Give A New Look to Your Old Chairs

New life for this ugly old chair begins with regluing creaky joints and placing chair in clamps to dry. Then put on a pillow case type cover of sturdy fabric.

Next step is anchoring a layer of cotton batting to rough cover. Then pin new fabric to padded chair frame, cut to size and baste with wetting between layers as shown above. Tacking flounce to chair frame, after seat is unscrewed, is shown at left. Ruffle can be made by shirring on machine or crimping in with tacks.

Uncomfortable, ugly chairs get a new lease on life with very little effort, time and money. The approved American Home Magazine remedy requires only tacks, upholstery needle, thread, wetting, cotton batting and gay material. Scrap material (muslin, a worn bed pad or sheet) can be used as foundation for sewing batting. A set of four chairs can be done on less than \$8, (including 10 yards of new material).

Snead Snubs Mangrum At Detroit Open

DETROIT, July 5 (UP)—Sam Snead snubbed Lloyd Mangrum bitterly after Mangrum beat him by one stroke for the Motor City open golf tournament championship yesterday.

of humor, blew up when the jubilant Mangrum thanked him jokingly for missing an easy four-foot putt on the last hole that would have forced them into a playoff.

Mangrum won the tournament with a 274 by a stroke even though Snead led by three as they began the last nine holes.

Mangrum tried to console Snead with a friendly pat on the back, but slamin' Sammy brushed him off and stormed out of the locker room. He didn't appear for the awards presentation to receive the \$1,900 second place money.

Mangrum's repeat victory netted him \$2,600. Snead, golfdom's top money winner of the year, pocketed \$700 less.

Lanky Jim Ferrier, San Francisco, finished two strokes behind Mangrum with a 275. Fred Haas, who set a new course record of 64 on the third round, could do no better than a one-over-par on the final 18 to tie Ed (Porkey) Oliver with a 278 for fourth.

TEXAS NEWS BRIEFS

WICHITA FALLS, July 5 (UP)—A Negro named Jesse James faced theft charges today. He was accused of stealing food from his employer, a wealthy Wichita Falls oilman and banker.

BAYTOWN, July 5 (UP)—Baytown recorded its fifth police case of the year today. Newest victim in the two-week-old outbreak was Kelly Thomas, 22.

EDINBURG, July 5 (UP)—Murder charges were expected to be filed today against a 35-year-old alien farm worker in the fatal

stabbing of Jesus Ramirez, 33, of Jalisco, Mex.

Ramirez died here yesterday in an Edinburgh hospital. He had been stabbed earlier in the day at Edcouch.

TERRELL, July 5 (UP)—Charlie McLellan of Eagle Lake, accused Agriculture Commissioner J. E. McDonald yesterday of using national political issues to distract attention from state farm problems.

The former legislator and candidate for agriculture commissioner said, "it pleased Mr. McDonald when the Democratic party attempted to keep his name off the Democratic ballot—it gave him a smoke screen behind which he can dodge the real issues in the race."

HOUSTON, July 5 (UP)—The body of an unidentified man, a deep stab wound over his heart, was found early today at a service station here.

Officers said the man had been dead several hours. The body was found by Antonio Rodriguez, 66, who notified police.

On the ground near the body were a few personal effects. No wallet was found.

Justice of the Peace Tom Maes ordered an inquest.

Prospects For Dust Bowl Are Very Serious

WASHINGTON, July 5 (UP)—Prospects for another "dust bowl" are more serious than at any time since the 1930's, the Soil Conservation Service warned today.

Some 5,250,000 acres were damaged by wind erosion this spring in Texas, Oklahoma, New Mexico, Colorado, Nebraska and Wyoming, the service said. It described as "severe" the damage of 750,000 acres.

The trouble stems mostly from lack of rain and continued plowing up of sod land for grain since the start of World War II. Conservation officials urged farmers to get some kind of cover crop planted on the land as soon as possible to hold the soil.

In addition to the immediate need of plenty crop cover, the Service said that in some localities, the hope lies in summer rains that will make possible early fall seeding of wheat. Failing that, emergency measures such as rough tillage crosswise to the wind will have to be taken until rain and

planting seasons are favorable. Saving and making best use of all stubble or other crop residues is essential.

Davis Battles For Life Today After Explosion

OLNEY, July 5 (UP)—James Davis, who lost his only good eye in the same oilwell explosion near Archer City that killed two other men, fought for life today in a hospital here.

Ross Davis and Bert Hasson, both of Archer City, were killed in the blast that occurred as they prepared to release a nitroglycerin charge yesterday on the Dave Wolf farm 15 miles southwest of Archer City.

James Davis, who already had lost one eye when a dynamite cap exploded several years ago, was hospitalized in critical condition.

The Car that puts your Best Foot forward

WE think you'll agree that the whole story of an automobile isn't told in its power, its room, its styling, even in its ride.

There is the all-important point about what a car does to you—and that's where ROADMASTER really shines.

For you can't slip into this bonny beauty's broad seats without feeling like somebody pretty special.

When you take its neat wheel in your hand—when you cut loose, with a toe-touch, the rich baritone of its big Fireball straight-eight power plant—when you feel the smooth surge of its Dynaflo-cushioned take-off—

Man, then you know you've got a real automobile!

And don't overlook this: That graceful sweep of chrome along the fender—found on no other car made today—is a mighty eye-catching note of distinction.

Those four Ventiports, too, cause many a head to turn—they mark you unmistakably as the owner of the biggest and best Buick built—a car as fine and rich as any man has need for.

There are a lot of good, solid, dollars-and-cents reasons for making ROADMASTER your choice over any other car:

Its size. The commanding performance of its 152-hp Fireball valve-in-head straight-eight engine. Dynaflo Drive standard. A ride that's quite matchless in its gentle softness. Distinguished styling from bold, protective front end to gleaming "double bubble" taillight.

But if you're ready for a car that's more than just an automobile—if you want one that puts your best foot forward in any company—that's the real reason for seeing your Buick dealer quickly—to talk turkey about a ROADMASTER.

Four-Way Forefront
This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.
