Early voting for election to begin

The first day to vote early in person for the November 8 General Election is Wednesday, Oct. 19.

November 8 will likely be a quiet day in Bailey County as all county races are unopposed.

Bailey County Attorney Paul Crosnoe will be seeking election to this office for the first time. Crosnoe was appointed to fill this position after former County Attorney Luther Thompson resigned. Crosnoe will run unopposed.

Also running unopposed are County Judge Marilyn Cox, County Commissioner, Pre-

cinct #2, C.E. Grant; County Commissioner Precinct # 4, Bennie Claunch and Billie Redwine Downing, who won the Democratic primary for county clerk.

Also unopposed is Nelda Merriott, up for re-election for district clerk; Jack Bates, justice of the peace for Precinct #1 and Todd W. Ellis who is running for Justice of the Peace Precinct #4.

On the statewide level, there already is a lot of competition in the governor's race between

Public hearing, open house to focus on making Three Way road a highway

The Texas Department of Transportation (TxDOT) and Bailey County will host an open house and conduct a public hearing on Tuesday, Oct. 18 at 7 p.m. at the Three Way School Auditorium.

The purpose of the meeting will be to discuss a proposal by the TxDOT and Bailey County to upgrade and add to the state highway system a Bailey County highway located in southwestern portions of the county (The Three Way School area.)

The proposed program is the extension of F.M. 1731 from F.M. 298 to F.M. 54.

The open house will begin at 6 p.m. and will allow the

public an opportunity to ask questions about the proposed project.

Persons interested in attending this meeting requiring special accommodations are encouraged to contact Stevan Perez, P.E., area engineer at 985-8661 at least two days prior to the hearing.

Verbal and written comments may be presented at the open house, public hearing or be submitted within 10 days (to Friday, Oct. 28 at 5 p.m.) after the public hearing to: Mr. Perez at the Texas Department of Transportation, West Delano Street in Littlefield or by mail

Mules lose to Friona on last-second score

FRIONA — For one play Friday night, the Muleshoe Mules were outmatched 12 to 11 but Friona's 12th man was wearing the stripes and that one play gave the Chieftains all the help they needed as their last-second touchdown was enough to lift them over the Mules 9-6 Friday night at Chieftain Field.

With the Mules leading 6-2 under two minutes left in the game, Mule defensive back Rashad Kirven broke up a pass intended for Friona

receiver Jimmy Arias and almost intercepted the ball. And then came the flag.

The two officials in the vicinity of the play saw no violation, but an official positioned at the line of scrimmage came in with the late flag.

Had the flag not been thrown, the Mules defense was in perfect position to hold back Friona's final drive, yet Muleshoe head coach Randy Adair refused to blame the officials for the blown call.

"The officials are part of the ball game," he said. "Sometimes they're right and sometimes they're wrong. If there is a play where a call may influence the outcome, you've got to be good enough to overcome that. Penalties don't cost teams ball games."

The Mules (2-5, 0-2 in District 2-3A) took their second possession of the game and marched 80 yards for a score. Kirven did the honors from 20 yards out and Muleshoe led 6-0.

The conversion attempt, however, did not go as smoothly as the drive. A miscue on the snap forced holder Jimmy Gauna to scramble and throw a desperation attempt into the end zone. Friona's Cory Hamilton snared the ball at the 3-yard line and raced untouched 97 yards to score two points for the home team.

The score held until the final Friona touchdown with :27 seconds left — a 2-yard

16th & D Church of Christ to celebrate 25th anniversary

The 16th & D Church of Christ in Muleshoe is celebrating its 25th anniversary today, Sunday, Oct. 16.

Activities will begin with worship at 10:30 a.m., during which time Ivan Woodard, the church's first minister, now from Camp Wood, will be back in the pulpit.

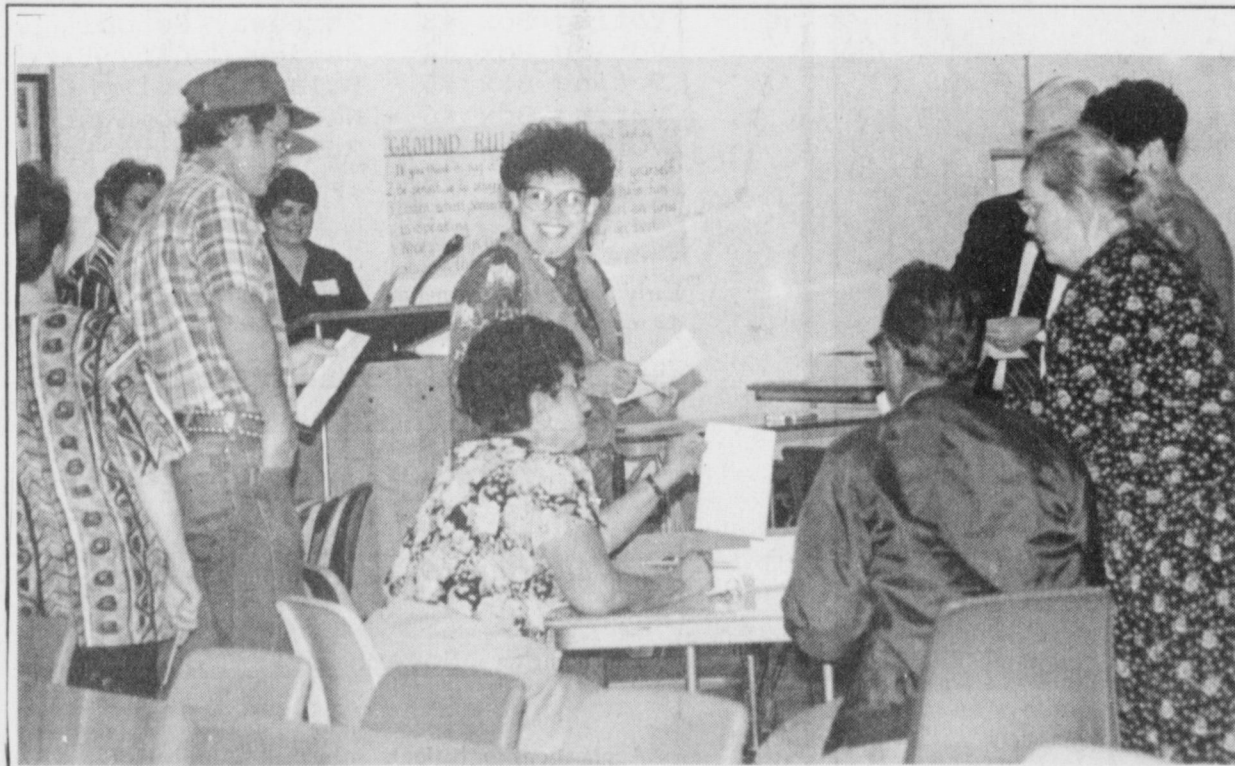

Curtis Shelburne, pastor of the church said, "The morning service will center on celebration and thanksgiving to God for 25 good years of love, service and God's blessing." This will be followed by a shared meal in the fellowship hall.

At 1:30 p.m., those assembled will enjoy a special time of reminiscing together

as they share anecdotes regarding the church's history and view a special pictorial presentation of the people and events from the church's 25 years.

In looking back over those years, Shelburne commented, "This 25th anniversary is an exciting time for us. We're thankful to God for his rich blessings and we're thankful to this community for allowing us to be a part of the great heritage of this area. We've always been proud to be a part of this community and the community, in turn, has been very good to us."

PARENTS GET INVOLVED — Several parents participated in a Practical Parenting Education Program Tuesday at Dillman Elementary School. The program is a primary prevention program designed to support and assist today's parents in their efforts to rear self-confident responsible children. It was sponsored by the Muleshoe Independent School District. Two more workshops will be held on Oct. 25 and Nov. 1.

New club in Muleshoe hopes to provide a breath of fresh air

Something that seems as simple and natural as breathing is not always an easy task, particularly for people with chronic lung diseases.

A new Better Breathers Club has been formed in Muleshoe as a support group for people with respiratory impairments.

The group has already held three meetings since August at

Muleshoe Area Medical Center and has experienced a positive response from its members. The group is co-sponsored by the Muleshoe Area Medical Center Respiratory Department and the American Lung Association of Texas.

"We have started this group basically to provide education and emotional support for

people with lung diseases," said Glenna Roberts, a respiratory therapist at Muleshoe Area Medical Center.

"Many times people with these kinds of problems think they are the only one. But when they are able to get with other people with the same problems, they share ideas," Roberts said.

She added, "The more people know about lung dis-

eases, the better they can do what their doctors say for them to do."

An estimated 25 million people in the United States have Chronic Obstructive Pulmonary Diseases (COPD). These include lung diseases such as bronchitis, asthma, etc.)

Leaders of the group have received excellent feedback from those attending the group

and the the numbe of people availing themselves of this education and supportive opportunity is steadily increasing. To date, most of the members are between the ages of 40-70. However Roberts said that parents of children with lung diseases or the children themselves are also welcome to attend.

run by Chief quarterback Jay Belcher.

Until that final drive, Muleshoe's defense had been superb. They gave up yards to Friona's option attack, but held them when they got in scoring range. Muleshoe put the clamps on Friona's main weapon, running back Juan Gamboa, holding him to only 71 yards on 21 carries.

Four Friona drives were stopped by big defensive plays.

Ryan Clapp and Jason Rasco each recovered fumbles in the first half, while Gauna stripped Hamilton of a sure touchdown catch in the third quarter. Another late fourth-quarter drive ended when Gabriel Mendoza and Chad Johnson drilled Belcher as he was about to hand off forcing a fumble which John Mesa

recovered.

"We played better on defense (than last week against Littlefield), but we still gave up the corner on the option. We didn't play the option as good as we should've."

"When the game is on the line, somebody has got to come through," Adair said.

Offensively, it was again Kirven who led the way. Now the lone back in the Mules' scheme, Kirven slashed and powered his way to 146 yards on 19 carries.

Gauna gained Muleshoe's other 29 yards on the ground, but completed just 5-of-18

passes for 47 yards with two interceptions.

In addition to an outstanding defensive game, Edward Rodriguez also had a pair of boomers from his punting position, 54 and 64 yards each.

"The way we played after last week's massacre was beyond accolade Adair explained. "The team played in a manner that anyone would be proud of."

"The kids believe they're winners and they came out tonight to win," he added.

Muleshoe hosts Floydada Friday night at Benny Douglas Stadium.

Letter to the Editor

Government has too much control

Dear Editor:

In the November General Election, I need your help. We must dedicate this election to saving the Bill of Rights in electing pro-gun and pro-private property rights representatives. We must elect Congressmen and senators who hold dear the freedom of this nation.

The Brady Bill and so-called crime bill could cost us as much as 30 billion over a period of five years. Tax payers will have to pay for all background checks done by law officers.

However, a small bright spot is in Arizona, Mississippi and Montana. The federal judges in these states have ruled most of these bills as unconstitutional. However, neither the governor of Texas, any judge, nor any Democrat in this state has ruled that for Texas.

The Texas Republicans have spoken against these bills. Criminals aren't going to the local gun dealers for a gun. They get them from a black market or steal them.

Sen. Mitchell and Mrs. Clinton added a 10,000 percent tax increase on certain hollow point ammo. Under the tax, a \$10 box of ammunition would now cost \$1,010.

These people want to disarm American citizens.

Jay Rockefeller of West Va. Va. has stated they need to

pass legislation even if the U.S. citizen didn't want it. We have other Democratic legislators who say we, the people don't know what is good us, only they know what is good for us, only they know.

You can't get the full news stories from the liberal news media. They will select the

most horror stories so you will want to help all you can. They will make some legislation sound so good and sweet. But when it passes, it will be so bitter you can't swallow it. But you have to, because it passed.

You have been misled by short one-liner news reports. Read some good newspapers and magazines.

One spot news doesn't tell about businesses, farmers and ranchers being shut down and sued. Their farm equipment and pick ups confiscated.

Federal government is gaining too much control over the people and their property. All the feds have to do is suspect you have drugs on your property, whatever it may be, houses, farms, businesses and automobiles. They can take these away from you without any proof, just suspicions is all they need.

That is why we need to vote the Republican ticket this year to shut down bad legislation.

Government spending, regs out of control

Dear Editor:

Never, never at any time on earth have so many people been so dependent on so few for their food as they are now in the United States of America, where two percent of the people who are farmers and ranchers produce food for all.

Yet Congress passes laws that oppress producers unnecessarily and permit countless unelected regulators to make endless rules and regulations that injure producers financially and even restrict use of their own property.

You would think that the regulators believe that wolves,

rats, rodents, bird and insects are more important than the producers of food and fiber.

If this condition continues, farmers and ranchers will be the most endangered species.

For 40 years, Democrats have controlled the U.S. House of Representatives where all money bills are passed and in the past 25 years, they have spent about 4,000,000,000,000 dollars of borrowed money.

The interest on this money is now more than the government program except defense. Some people say that the economy is in good shape. Why would it not seem good after pumping all that money into it?

I could live high on the hog if I could borrow money and not have to worry about paying it back. The predominant problem now is that we have lost the moral and spiritual values we used to have.

It is time that Americans rise up, like they did in 1776, and elect lawmakers that will stop deficit spending and repeal laws that are burdensome to the American people. Then do as President Kennedy suggested. Think not what your country can do for you; think what you can do for your country.

Church program to focus on families in world of conflict

The community is invited to participate in a special program, "Nurturing Families in a World of Conflict," on Friday, Oct. 28 from 9 a.m. to noon in the fellowship hall of First United Methodist Church, located on the corner of 2nd and west F. Childcare will be available for those who pre-register.

Format for the morning is registration from 8:30 to 9 a.m. followed by a participatory workshop, "Peacemaking in the Home" including topics on: affirmation, conflict resolution, dealing with anger, family meetings and adult discussion, games.

James McGinnis of the Institute for Peace and Justice in St. Louis, Mo., will be the workshop leader. He is highly recommended and comes with much experience.

He is the founder and co-coordinator with Kathleen McGinnis of the Parenting for

James McGinnis

Peace and Justice Network with local coordinators in more than 150 United States and Canadian cities and in Australia, the Phillipines, Brazil and elsewhere.

He is 51 and the father of three young adults.

For more information or to pre-register, call the Methodist Church at 272-5517.

MISD to administer TAAS tests this week

The Muleshoe Independent School District will be administering the Texas Assessment of Academic Skills Test (TAAS) during the week of October 17.

Students in grades 11 and 12 needing to retest in writing, reading or mathematics or students in grades 11 and 12 new to school in Texas, will be involved in this test administration. Testing will be conducted in the Muleshoe High School Library and will begin at 9 a.m. each morning.

The writing TAAS will be administered on Tuesday, Oct.

18. The reading TAAS will be administered on Wednesday, Oct. 19 and the mathematics TAAS will be administered on Thursday, Oct. 20. Students that are absent on these days are not allowed, because of Texas Education Agency regulations, to make-up any missed tests.

Students that are well rested and eat a solid breakfast generally achieve better results on the TAAS. Anyone who has questions or concerns about the TAAS may contact Muleshoe High School counselor Linda Marr at 272-7571.

Bishop named school employee of the month

Muleshoe Independent School District (MISD) is proud to announce that Brenda Bishop has been chosen as the October Support Staff Member of the Month. Brenda has worked as a secretary for MISD for the past three years.

The first year, she worked half time at Dillman and half time at DeShazo Elementary Schools. Her second year, she became a full-time secretary at Dillman.

Brenda's colleagues praise her for her pleasant and positive outlook on life, her willingness to offer her assistance when there is a task to be done and the energy she brings into the workplace. They also say she has a motivating influence on the students, faculty and community.

Brenda is a native of Corsicana. She attended public schools in Big Spring and graduated from high school in Frost. Brenda's parents are Doyle and Mary Harris of Irene and she is the oldest of five

girls.

Her hobbies include working in the yard, designing shirts and painting. She also likes to listen to music and is a member of the choir at the First Baptist Church.

Previous work experience for Brenda includes being an insurance clerk in medical clinics, a secretary in a cotton gin and a teacher's assistant in kindergarten.

She also served as the superintendent's secretary in Frost for three years and as a high school principal's secretary for 10 years in Pecos.

Brenda said that she has enjoyed living in Muleshoe.

"There are a lot of good people here and I have made a lot of good friends," She stated.

Brenda thinks that the best part of her job is working with the people - both the teachers and principals.

She also thinks that the kids put on a bright look on the day.

"If we do our job and make the kids feel comfortable when

they are in the office, then we have made their life a little easier," she said.

When Brenda was told that

she would be receiving this award she stated, "It's like making all-district team or something. It's a shock!"

New Policy designed to help students with disabilities

On July 8 the State Board of Education adopted a Policy Statement on the Education of Students with Disabilities to provide guidance to districts and schools as they work for improved services for students with disabilities.

The policy statement calls for educational programming for students with disabilities which focuses upon meeting individual needs and promotes the development of the student in six years: intellectual, academic, linguistic, social, emotional, and physical.

The policy statement also calls for increased collaboration within schools to support more students with disabilities within the regular educational program. The policy stresses increased communication among schools, families, and local community organizations and agencies to support the goals of independent living and integration into society for students and youth with disabilities.

Critical to the successful implementation of this policy is forging a new relationship

between special and regular educators. The State Board of Education believes if everyone is to achieve a vision of shared responsibility for the success of all students with and without disabilities, the traditional divisions between regular and special education must be re-examined so everyone may collaboratively deliver the best individually-focused education possible.

It is the hope of the State Board of Education that the policy statement will serve as

the catalyst for an ongoing, productive dialogue about the improvement of services to students with disabilities.

For more information concerning this policy statement please contact Venida Collins at the Special Education Office at 272-5239.

Purdy attends state TASA convention in Dallas

DALLAS - Muleshoe Independent School District President Cindy Purdy was among 28 school board members named master trustees by the Texas Association of School Boards (TASB) at a September 30 ceremony in Dallas at the 1994-95 TASA/TASB Joint Annual Convention.

The trustees, representing school districts from across the state, were also among the June graduates of Leadership TASB, a development program designed by school board members for school board members.

The program is open to all Texas school board members who have fulfilled 30 hours of certified school board member training credit and have demonstrated leadership ability on their board and in their community.

Since last September---as part of their Leadership TASB training---the board members have completed a variety of projects with statewide impact involving writing, public speaking, decision making, and providing new board member orientation.

The 29 master trustees completed additional projects

beyond what is required of the Leadership TASB curriculum to earn the extra credits that lead to the master school board member designation.

The five-part Leadership TASB curriculum covered areas such as educational reform, school governance, communications, and valuing diversity. Participants wrapped up their learning experience by participating as trainers in the TASB 1994 Summer Leadership Institute (SLI) in Austin June 18-19. SLI is TASB's flagship training program for new and experienced trustees from around the state.

Enochs News

By Mrs. J.D. Bayless

Charlene and Tommy Lewis and Kidron of Littlefield visited her parents, Mr. and Mrs. Harrie Pollard Wednesday night.

Guests in the home of Mr. and Mrs. Darwin McBee Sunday were their daughters Robin and Tery Webb and children of Lubbock, Belinda and Scott Fred and children of Levelland, Mitz McBee of Dallas also Mrs. McBee's parents, Mr. and Mrs. Morris Phillips.

Mr. and Mrs. Harrie Pollard helped load his brothers and wife Mr. and Mrs. Loyd Pollard of Littlefield a former resi-

dent of our area loaded up to move to Grandberry Saturday.

Visiting Mr. and Mrs. Bill Key last week were his sisters, Juanita and Homer Howard, Mrs. Lucille Howard of Littlefield, and Mrs. Mildred Butler of Weatherford.

Cleo and Leta Hall from Show Low, Ariz, came Monday Oct. 10 for a visit with her mother Ellen Bayless and his sisters and family, Wanda and J.E. Layton and Mrs. Oleta from Wellman.

It tried to rain Friday morning, didn't rain hardly a tenth.

The farmers need rain on the wheat. There was a frost and ice on the cars Sunday and Monday morning.

Lena and Dewie Johnson of Roswell N.M. visited Mr. and Mrs. J.C. Snitker and ate lunch with them.

Some Reflections on Twenty-five Years

As I sit down to pen this column this week, I find myself in a reflective mood probably because of an important milestone I see approaching.

No, I'm not turning forty this week. Believe it or not, that milestone is still down the road some. (And I've decided

if you would indulge me in a bit more personal reflection today than normal, I'd appreciate it, because for me this year, Thanksgiving comes early.

For the 25 good years our little congregation has enjoyed in this place, I'm thankful.

I'm thankful for a church that has always loved this community and for a community that has always warmly returned that love.

I'm thankful for a church that has blessed me and mine by allowing us to live and work with some of the finest people I've ever known—both in this church and in this community.

I'm thankful for a church that is serious about not adding to the number of lines that already divide Christian people and dismember Christ's Body. Wherever the Father has sons and daughters, we have brothers and sisters who are part of the family for the same reason we are—by God's grace through faith in His Son.

Twenty-five years is not long really, but it's enough time to give some perspective. For twenty-five good years—and for the chance to share in the journey for ten of them, I'm thankful both to this church and this community.

Focus On Faith
Curtis Shelburne

not to allow myself the luxury of a mid-life crisis! No, this is a milestone of another sort.

This Sunday the church I've been blessed to serve for almost ten years will celebrate its 25th anniversary. I'm happy about that. I'm excited about that. Most of all, I'm thankful to God for that.

In writing this column, I've tried hard never to make it a sectarian soapbox from which I arrogantly deliver just the views common to my own religious tradition or my congregation. And I don't intend to start today. The views that we hold that are worth writing about are the ones that all orthodox Christians have held in common for centuries. But

Curtis Shelburne is minister of the 16th & Avenue D Church of Christ in Muleshoe.

Ernest W. Bass

MULESHOE - Funeral services for Ernest W. Bass, 77, of Muleshoe were held Friday, Oct. 14 at Ellis Funeral Home Chapel with Dr. James Bell, pastor of First United Methodist Church, officiating. Burial was held at Muleshoe Memorial Park Cemetery.

Bass died Wednesday, Oct. 12, 1994 at St. Mary's Hospital in Lubbock after an illness.

He was born Feb. 15, 1917 in Honey Grove. He married Sadie Lair on Dec. 20, 1944 in Dallas. She died on July 12, 1983.

Ernest had been a resident of Muleshoe since 1951, moving here from Enochs. He was a past member of Oddfellows Lodge. He was a veteran of World War II, serving in the U.S. Army and was a farmer and a Methodist.

He is survived by a son Stephen Bass of Muleshoe; a daughter Shady Mowery of Lubbock; four grandchildren and four great-grandchildren.

Funeral services were under the direction of Ellis Funeral Home in Muleshoe.

Rosemary Pool

MULESHOE - Funeral services for Rosemary Pool, 58, of Muleshoe, were held Saturday, Oct. 15 at First Baptist Church in Muleshoe with the Rev. Stacy Conner officiating. Burial was held at Muleshoe Memorial Cemetery, under the direction of Roger Pool Funeral Home in Seminole.

Pool died Wednesday, Oct. 12, 1994 at Muleshoe Nursing Home after a lengthy illness.

She was born Feb. 15, 1936 in Seminole. She had been a resident of Muleshoe since 1945, moving there from Lamesa.

She was a homemaker and a member of the First Baptist Church in Muleshoe. She was a graduate of Muleshoe High School and attended Wayland Baptist College. She was preceded in death by her father Lee Pool and a sister, Cynthia Buskirk.

She is survived by a son and daughter-in-law, Mike and Yen of Canyon; her mother Jewel Pool of Muleshoe; two brothers, Roger Pool of Seminole and Charles Pool of West Minister, Colo.; a sister, Sylvia Home of Houston and a granddaughter Christina Lee.

Pallbearers were deacons of First Baptist Church in Muleshoe.

Blackwater Valley Soil And Water Conservation District 1994 Annual Report

The Blackwater Valley Soil and Water Conservation District has completed their 53rd year in Bailey County. The district was certified March 20, 1941 by the Secretary of State of the State of Texas, at that time, W.J. Lawson, E.L. Smith and N.C. Moore, directors of the Blackwater Valley SWCD at that time, presented the petition requesting a District by formed and authorized by the State of Texas. As a legal sub-division of State Government the district could request the Soil Conservation Service assistance in soil and water erosion problems. Today there are over 200 districts state wide and each district works toward the same goal of soil and water conservation and wise use of the land. The assistance is voluntary and private property rights are strictly adhered too. The governing board of the district is made up of 5 landowners with each director serving a four year term. Each October there is an election of directors from one of the Zones. Directors receive no salary but do receive mileage to attend the monthly meetings.

The present directors and the zones they serve are:

- Zone 1 Ernest Ramm
- Zone 2 Nick Bamert
- Zone 3 Sharon Dale
- Zone 4 Bennie Claunch
- Zone 5 Johnnie Furgeson

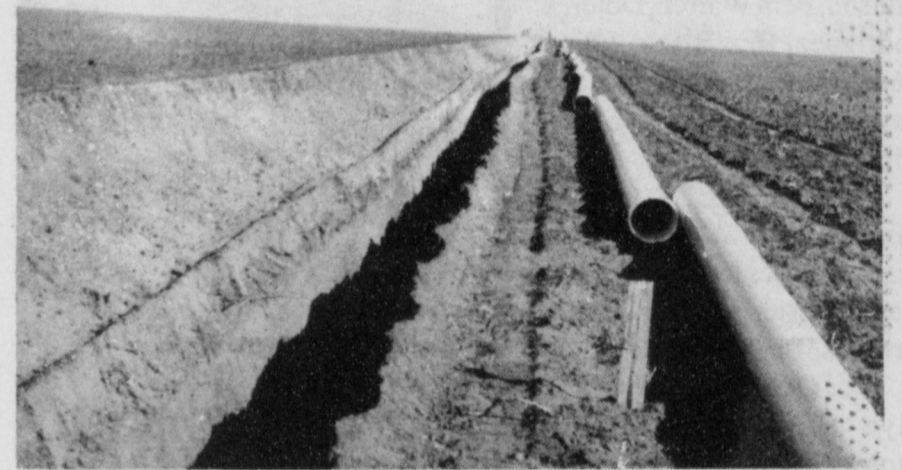

The Board meets the Second Monday of each month at 8:00 a.m. at the SCS office in Muleshoe. The District provides technical assistance through the Soil Conservation Service to individuals that request assistance on soil and water conservation problems without regard to race, color, creed, sex, or National origin.

Constructing Terraces on sloping cropland helps control water erosion and conserves both soil and water.

**DISTRICT ACTIVITIES
1993-1994**

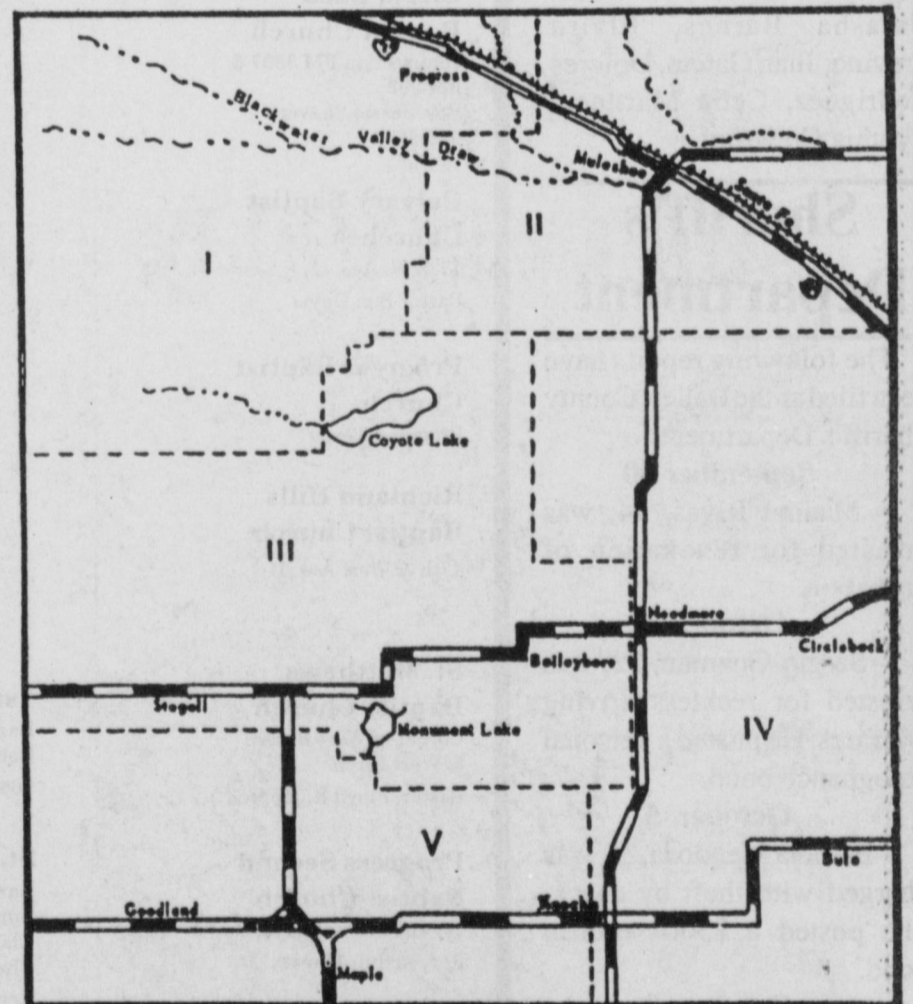

1. Held 12 monthly meetings
2. Held Director Election Zone 5
3. Sold windbreak trees for farmsteads
4. Sold drip irrigation supplies for windbreak trees
5. Sponsored poster and essay contest for Muleshoe and Three Way Highschool
6. Awarded poster and essay winners at school assemblies
7. Provided material for Soil Stewardship Week to churches
8. Assisted irrigators by providing well metering testing for over 200 irrigation wells
9. Provided costshare assistance for five Water Quality plans
10. Held 6 meetings of the WES-TEX Resource Conservation and Development county Board
11. Attended 4 regional directors meeting of Wes-Tex RC&D

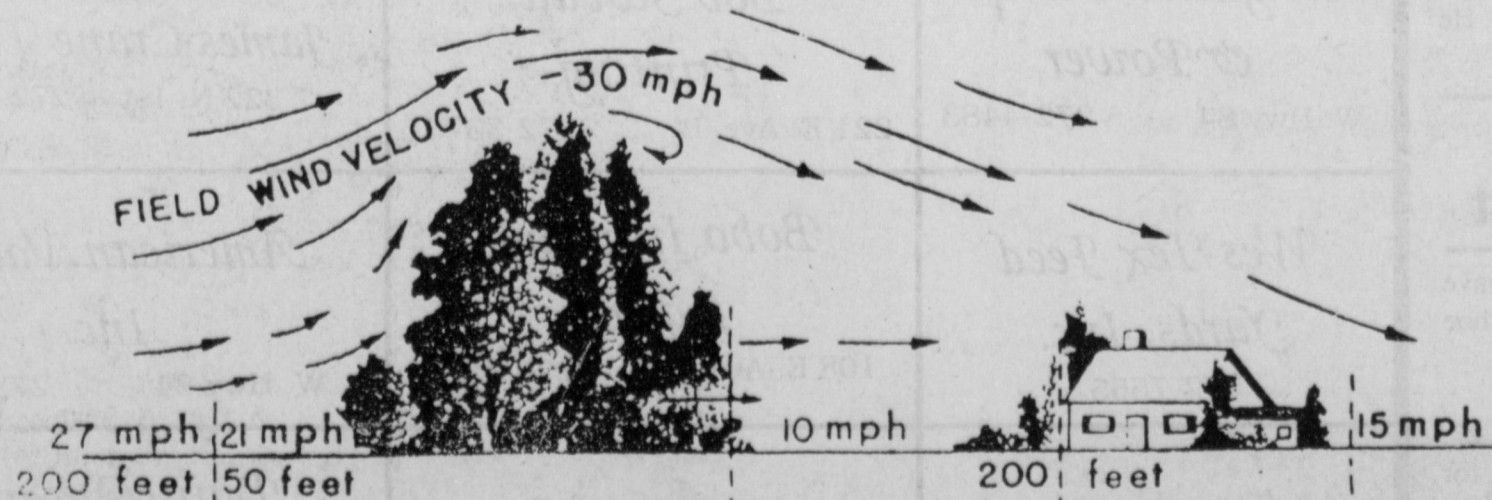

Installation of irrigation pipelines replacing open ditches or outdated pipelines is an excellent water conservation practice.

OUR USE OF LEISURE

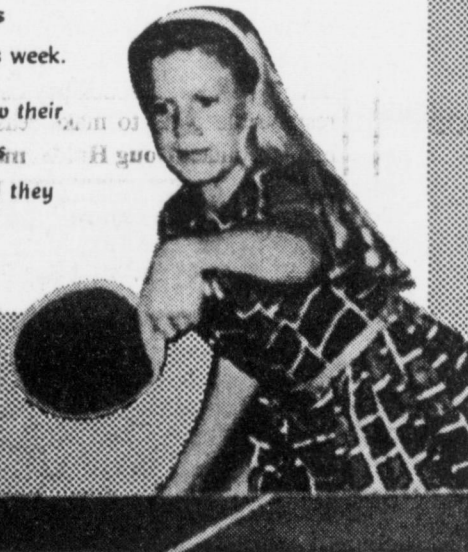

None of us can make our best contribution to life unless we take care of our physical selves. The right kind of recreation renews the body, mind, and spirit.

There should be a proper balance and rhythm between work and rest. Our Lord meant for us to enjoy life and intended no man to punish his body with unrelieved work.

Of course our recreation should be of a kind that would actually re-create our spirits and bodies and make us better able to perform our work.

Part of our leisure time should be spent renewing our spirit by worshipping God in His Church. We invite you to attend services this week.

"But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary; and they shall walk and not faint." Isaiah 40:31.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
