By Everett Taylor

The same old underdog role will be assigned to the Eastland Mavericks in the third act of 1950's football play, which will be held Friday night at Maverick Stadium.

In the role of favorite this time will be Albany, which was not too impressive against Winters last week, but still has given no indication that it should be figured to lose to the Mavericks. Two Eastland starters, End Eddie Haines and Guard Gerald Davis, were injured in last week's losing effort against Ballinger and may not be able to compete this week against Albany.

Haines, who injured an ankle against Coleman in the first game of the season, started hobbling again against Ballinger after a few plays and was taken out of the game.

As a result of Haines' removal from the game, the Mavericks were almost helpless against the repeated Bearcat end runs Friday night.

Coach Siebert said Monday that he probably would not suit Haines out for the game Friday against Albany. He wants his team to be a full strength for their first conference game of the season against Comanche two weeks from Friday, and wants to take no chances on Haines injuring the ankle seriously before that time.

Davis may not be playing Friday because of a sprained arm. The arm was put in a splint after the game last week.

Without both those star defenders, the Maverick chances for victory will be even dimmer than previously.

Replacements are mighty scarce around the Maverick camp.

It is almost impossible for Siebert to replace a regular without losing strength. He has one first line replacement at guard and one extra backfield man. Beyond that, the men must play 60 minutes if the Mavericks are to be at full strength.

Junior High Gridders Play Cisco Tonight

Coach Joe Williams Junior High footballers play the Cisco Junior team at 7:30 p. m. tonight at Maverick Stadium.

Williams said his lineup would probably consist of Joel Tankersley, David Massingale, or Jerry Sims at right end, Jimmy Juniper at right tackle, Roy Don Harris at right guard, Billy Kliener at center, Glen Crews at left guard, Niel Edwards or Albert Cornelius at left tackle and Clyde E-vatt or Jerry Sims at left end.

In the backfield for Eastland will be J. D. Hanson at quarterback, Paul Reed at fullback, Billy Griffin at left half and Charles Cook at right half.

Several other players will get into the game, Williams added. Prices for the game will be 25 cents for adults and 15 cents for children.

HEADS OF AMERICAN FEDERATION OF LABOR REPORTED PREPARING CALL TO CLAMP DOWN ON SHIPMENT OF GOODS TO SOVIET UNION

HOUSTON, Sept. 19 (UP)—Leaders of the American Federation of Labor today were reported preparing to call on member unions to clamp a boycott on trade with Russia and her satellite countries.

The international affairs committee, it was learned, was drawing up a resolution asking AFL members not to handle goods received from or destined for shipment behind the Iron Curtain.

The resolution will be offered to the AFL's 69th annual convention here this week. Leaders were confident of its passage.

The committee moved swiftly to put teeth into AFL President Wil-

Mrs. George Murphy Services Set For 2 P.M. Wednesday In Ranger

Funeral services for Mrs. George Murphy, for 29 years a prominent resident of Ranger, will be held at 2 p. m. Wednesday at the Morris Funeral home chapel. Rev. Jasper C. Masseege, pastor of the Second Baptist church, will officiate.

Interment will be in the Evergreen cemetery.

Mrs. Murphy died about 11 a. m. Monday at a local hospital following a heart attack. She had been in ill health for several months and had suffered several heart attacks previously.

SHE WAS BORN IN WICHITA, Kan., September 15, 1887. She married George Murphy in Wichita on February 25, 1907. They came to Ranger 29 years ago when her husband accepted the position of fire chief, which he held until two years ago.

Mrs. Murphy was a member of the Presbyterian church and was active in the affairs of the church here until it became inactive a number of years ago.

Survivors include: Her husband of Ranger; one son, Rupert; Mrs. Rupert Murphy and a granddaughter, Nelda Ann, all of New Orleans; a brother, Waldon A. Daddisman of Independence, Kan., and one sister, Mrs. Cleon Prill of Los Angeles, Calif.

PALLBEARERS WILL BE Virge Johnson, Charlie Isabel, Perk Warren, R. E. Johnson, all of Ranger; and Day Mace and Austin Cozart of Breckenridge.

Honorary pallbearers will be Joe Harness, J. J. Kelly, Willard Swaney, Ray Ward, H. G. Adams, G. D. Nicholson, Earl Swoveland, Hal Hunter and Harry Henery, all of Ranger; and Sig Faircloth of Eastland.

Eastland Dealers Attend GMC Meet

Theo Lamb, Neil Hurt and T. M. Fullen attended a district meeting of the Frigidaire division of General Motors at Breckenridge Monday night.

They are representing Lamb Motor Company of Eastland which is a dealer in General Motors products.

Lamb said that the group was given an outline of future expectations in new refrigerators, and were told that a limited supply only would be available.

Green Likened the Present Trade with Russia to the United States' shipment of scrap iron to Japan before World War II.

Green likened the present trade with Russia to the United States' shipment of scrap iron to Japan before World War II. He recalled that an AFL convention in 1937 had urged the White House to halt the shipments.

Meanwhile, convention delegates considered another resolution involving longshoremen. It called for a \$6,000-a-month kitty to fight Harry Bridges' leftwing union in Hawaii.

The resolution was offered by the Honolulu Central Labor Council. It said Bridges' International Longshoremen's and Warehousemen's union—kicked out of the CIO last month for following Communist line—is the "dominant" labor organization in the islands.

He said an embargo "perhaps will awaken them (the Soviets) to the seriousness of the situation and make a genuine contribution toward the promotion of real international peace and security."

LEGIONAIRES BATTLE VIET MINH FORCES

By Robert Branson
United Press Staff Correspondent
SAIGON, Indo-China, Sept. 19 (UP)—French Legionnaires and paratroopers counter-attacked today against black-uniformed Communist Viet Minh troops who captured the outpost town of Dongkhe on the Chinese Communist border.

A French communique said flatly that the Viet Minh forces were armed in Red China.

"WE CAN SAY THAT FOR the first time (Viet Minh forces) have used units recently armed in China," the communique said.

It also said the Communists captured the Dongkhe fort with bloody hand-to-hand fighting with gallant French troops who fought against great odds.

French Army headquarters confirmed that the town had fallen and that the Red Viet Minh flag floated over the Dongkhe fort.

Meantime, a second Communist force was reported to have surrounded Laokay, 167 miles west of Dongkhe, and other Communist concentrations were sighted near Moncay, easternmost French frontier post near the China Sea. Altogether some 4,000 or 5,000 Communists are believed involved in the operations.

IT WAS NOT CLEAR YET whether the Communist attacks were the prelude to a long-predicted general Communist offensive in Indo-China or merely localized operations in protest against the return of French control to Indo-China. Saturday is the fifth anniversary of the return of that control.

Sears Pig Show Scheduled For September 23

The annual Eastland County Sears Pig show will be held Saturday, Sept. 23, at the Ranger Show Barn, according to Ed Steele, Eastland county agent.

Eight gilts will compete for 5 prizes and the chance to go to the Area Show at Breckenridge the next week. Only the first prize gilt and the boar pig are eligible for the areas show competition.

STEELE BELIEVES THE PIGS are much better than they were last year and the competition will be very stiff.

The Sears Roebuck Foundation sponsors and finances this program and furnishes eight gilts and one boar pig each year for winning 4H Club boys. The pigs are Registered Duroc Jerseys. The purpose of the program is to encourage the raising of better hogs in the state.

Boys with 1950 Sears pigs are Carol Sandland, Carbon, bear pig; Leon Rodgers, Alameda; Jack Jones, Ranger; Dan Jobe, Don Starr, Carlie Rice and Marvin Anthony, Scranton; Lawrence Ingram, Nimrod; and Glen Fleming, Pioneer, all with gilts.

Need Holy Spirit Evangelist Says

"There has never been a real genuine religious awakening in history without the help of the Holy Spirit," said Rev. William C. Emberton, evangelist, who is now engaged in revival services at the Church of the Nazarene.

Continuing, he said, "There are many things that are substituted for the presence of the Spirit, but they only produce sham results. We need the Holy Spirit to mightily convict wicked men of their sins for when he shows men their sinfulness we don't have to pet, humor, beg and plead for them to give their hearts to Christ, they hasten to do so for they know they are lost."

Rev. and Mrs. L. V. Reazin are the musicians and singers for the revival which continues nightly at 7:30 through October 1.

Legon To Elect Officers Thursday

Election of officers will be held at a meeting of the American Legion Thursday night at the Legion Hall.

Dutch lunch will be held immediately preceding the business meeting.

Rotarians Hear Rev. Parmer Speak Monday

Rev. Quay Parmer, evangelist, spoke to members of the Eastland Rotary Club at the regular meeting in the Connellee Hotel, Monday.

Parmer stressed the importance of taking a stand in the world today in all the matters which concern men. He urged that everyone take a stand with the church of his choice, as well as in other affairs.

He pointed to the failure of many German ministers to take a stand for their religion as the reason for the downfall of religion in that country.

"Religion and Our Church Life In The World," was the subject of Parmer's talk.

Parmer was introduced by Rev. J. Morris Bailey, pastor of the First Methodist church, where the evangelist is holding a revival meeting.

Also introduced at the meeting was Earl Ward who is leading the singing at the revival.

The nominating committee, made up of Jim Horton, Earl Bender and Dr. Caton, submitted the name of Hubert Westfall as their nomination for presidency of the club for the remainder of the year, replacing David McKee who reported for duty with the Navy last week.

Westfall took over as president of the club after members had voted to accept the nomination. He then appointed the same committee to nominate a replacement for him as secretary of the club. It was announced that the meeting would be a joint meeting with members of the Lions Club, at which time Terry Barrett would present the program, a trick shooting exhibition by a member of the State Highway Patrol.

PMA Opens '51 Legume, Cover Crop Program

The Eastland County Production Marketing Administration office has now opened the 1951 legume and cover crop program.

The program is approximately the same as that of last year. Each farm is limited to 1-3 of the cropland for the vetch and peas as cover crop, and 1-2 the cropland for a straight rye cover crop.

THE PAYMENT ON VETCH IS 12 cents per pound and peas .055 per pound. The PMA may help on the phosphate under winter legumes at the rate of 200 pounds per acre. The straight rye cover crop will pay \$2.00 per acre if a good stand and growth is obtained and the rye not harvested.

If you wish to sow a cover crop on your farm get in touch with the PMA office and all the details of the program will be explained.

Army Says Will Call Up 9,565 More Officers

WASHINGTON, Sept. 19 (UP)—The Army said today that 9,565 reserve officers not now assigned to troop program units will be put on active duty in November.

The new call includes 257 Captains and 693 Lieutenants in the Fourth Army area of Texas, Louisiana, Arkansas, Oklahoma and New Mexico.

In addition, 21 chaplains and 24 aviation officers will be called from the Fourth Army area.

This is the first time since the Korean fighting started that reserve chaplains and Army aviation officers have been called into service.

Draft Board Moves

The Eastland county Draft Board has moved its offices to the second floor of the Petroleum Building, Mrs. Jewell Reeves, board clerk, has announced.

The board has offices in rooms 208 and 206 of the Petroleum Building which is located directly over the Eastland National Bank.

Billy Brashier

Bill Brashier Playing With North Texas

DENTON, (Special) — West Texans are plentiful on North Texas State's 1950 football squad that opened its season Saturday night against the University of Kentucky at Lexington.

Eight gridgers from the Cow Country are on the Eagle squad. They are Back Bill Rogers of Abilene, End Jimmy Spencer and Tackle Ray Dadds of Breckenridge, Backs Tommy Gray and Richard Harvey of San Angelo, Back Fred Hickman of Robert Lee, Back Bill Brashier of Eastland, and Guard T. K. Hardy of Ranger.

Hickman, Rogers, and Brashier play on Coach Odus Mitchell's defensive platoon at the halfback and safety positions. A junior letterman, Brashier is an offensive quarterback who's passing and punting is outstanding.

Brashier is the son of Mr. and Mrs. W. E. Brashier of Eastland and the grandson of Colonel and Mrs. Brashier of Ranger.

Rent Director Asks Congress For Authority

WASHINGTON, Sept. 19 (UP)—Rent Director T. H. Woods is asking Congress for new authority to keep or impose rent ceilings where needed, and for the first time to put commercial property under rent control.

Woods also has asked, if it was learned today, for the right to put price ceilings on real estate sales. At no time in World War II were commercial properties or real estate, other than new homes, under rent or price control.

WOODS HAS OUTLINED IN a general way to Congress what new wartime authority he wants; he has spelled out more specifically to regional rent officials what powers he is asking for.

He wants authority to reconrol rents in areas where ceilings were abolished by local option. He has asked that local option features of the present law be abolished.

He is not asking for a blanket freeze of rents. However he wants authority to impose or reimpose controls "where it became necessary and at such time as it became necessary."

McCarthy Hits Appointment Of Gen. Marshall

HOUSTON, Sept. 19 (UP)—Sen. Joseph McCarthy charged last night that Gen. George C. Marshall's appointment as defense Secretary was part of a State department scheme to silence Gen. Douglas MacArthur and complete "the sell-out" of Formosa.

In a renewal attack upon Secretary of State Dean Acheson, the Wisconsin Republican called the Administration policy toward Formosa "the betrayal of 1950."

He described Marshall as a 70-year-old soldier "whose hatred for Chiang Kai-Shek is greater than his hatred for Communism." He also claimed Marshall dislikes MacArthur.

WAGWAN FALLS TO COMBINED US, SOUTH KOREAN FORCES; REDS FLEEING FROM SEOUL

By Ralph Teatsorth
United Press Staff Correspondent
TOKYO, Sept. 19 (UP)—Americans and South Koreans recaptured Waegwan and entered the outskirts of Pohang today as the enemy began a series of surprise withdrawals at Seoul and all around the Pusan beachhead.

Carrier planes blasted and almost completely destroyed a column of trucks pulling out northward from Seoul. American reconnaissance planes reported it appeared the Communists were withdrawing to escape U. S. Marines massing in the southwest suburbs for an imminent assault on the former South Korean capital.

Men of the American 24th division, shifted secretly from the northeastern end of the Pusan perimeter, took bitterly-contested Waegwan, while at Pohang a battalion of the South Korean third division entered the southwest outskirts of the ruined port.

The 24th division plunged across the Naktong in rubber assault boats at two points below Waegwan under murderous Communist fire to set up the second and third American bridgehead across the bloody river. . . .

Kaiser-Frazer Starting Auto Price Boosting

DETROIT, Sept. 19 (UP)—Kaiser-Frazer Corporation boosted prices on its 1951 Kaisers from \$10 to \$120 today in what was believed to be the first move in a new round of postwar automobile price increases.

Walter De Marini, vice president in charge of sales, said K-F's cost of parts and materials had risen about 10 per cent and labor rates jumped approximately seven per cent since the new line of Kaisers was introduced.

Packard Motor Car Co. in announcing its 1951 models, gave the first hint of what the whirlwind round of wage hikes already won by more than 800,000 CIO United Auto Workers would mean to the car-buying public.

Packard raised prices slightly on lower-priced cars and said it would cut prices on its higher-priced luxury models.

Major auto companies indicated they would try to "hold the line" as long as possible after granting UAW members from five to 10-cent hourly increases. But added to the new wage spiral, fast-mounting steel and other material costs made a new round of auto price hikes a near-certainty.

Mrs. H. Zwdsel Dies Suddenly At Ft. Worth Home

Mrs. Henry Zwdsel, an aunt of Dr. E. R. Townsend of Eastland, died suddenly at about 10 a. m. today at her home in Ft. Worth, of a heart attack.

Mrs. Zwdsel was formerly Miss Johnnie Townsend of Eastland. Mr. Zwdsel is a former United States District Attorney and is now a practicing attorney in Fort Worth.

Arrangements for services were still pending at press time Tuesday.

Guy Parkers To Attend N. Y. Meet

ACTUAL CASES WHERE HADACOL HAS RELIEVED NEURITIS PAINS

Due to Lack of Vitamins B1, B2, Iron and Niacin in Their Systems!

Mrs. Mabel Kitchen, 1650 Amsterdam, Cincinnati, Ohio: "Before I started HADACOL, I had aches and pains of neuritis in my shoulders, back and arms. I could hardly move without having those terrible aches and pains. Then I heard about HADACOL from a very good friend of mine. After the second bottle, the aches and pains were about gone. Now am just starting on my fourth bottle and I'm on top of the world. I eat well, and the aches and pains are completely gone. I recommend HADACOL to all my friends."

Mr. Harry Springer of 5608 Greer Avenue, St. Louis, Missouri: "I had neuritis pains for some time. I took expensive treatments but I continued to suffer pain. Then I read about HADACOL in a newspaper. I bought the first bottle and within a week I felt quite a bit better. And since taking the third bottle I have no pains at all. Right now five of my co-workers are taking HADACOL on my recommendation."

Mrs. Ethel Caraway, Box 192, Clay, Louisiana: "I had been suffering from neuritis pains in my neck so bad I couldn't sleep and had no appetite. I took many medicines without success and decided to try HADACOL since the testimonials of so many people convinced me it was worth a chance. After taking only one bottle, all the pain and soreness had left my body. I found my energy had returned and now I feel better than I have in years."

Mr. W. L. Daniels, Springfield, Missouri: "I can definitely recommend HADACOL. I was bothered with neuritis pains, had little appetite and had stomach distress. I was nervous and in a general run-down condition. There is no doubt in my mind but that HADACOL has been a real and definite help in all these ailments."

ONE OF THE GREATEST BLESSINGS OF THE TIMES!

ACT NOW—HADACOL is not a quick-acting pill which gives symptomatic relief—HADACOL gives such remarkable results because it actually relieves the REAL CAUSE of neuritis aches and pains when due to lack of Vitamins B1, B2, Iron and Niacin in the system. And continued use of HADACOL helps prevent such agonizing neuritis pains from coming back. HADACOL has brought relief in case after case where all hope of obtaining relief had been given up.

day. Don't keep dragging yourself around when relief is so inexpensive and near at hand—your neighborhood drugstore. Trial-size bottle, only \$1.25. Large family or hospital size, \$3.50. HADACOL comes in special liquid form so that it's quickly absorbed and assimilated by the blood—ready to go to work at once. A big improvement is often noticed within a few days.

WHAT HADACOL DOES This great product not only supplies weak, deficient systems with extra quantities of Vitamins B1, B2, Iron and Niacin but also beneficial amounts of precious Calcium, Phosphorus and Manganese—elements so vital to maintain good health and guard against such deficiency ailments. BE FAIR TO YOURSELF Start taking HADACOL to-

ed loading them. But before the job could be completed enemy troops showed up within 200 yards of the beach, forcing the LST to shove off with 75 South Koreans still on shore.

American fighter planes then drove the Communist soldiers back and the LST loaded an additional 45. But choppy water forced the LST to pull away again and before it could return a third time the 30 guerrillas had donned civilian clothes and disappeared.

Greyhound Bus Lines Say Fall, Good Season.

People who take vacation and pleasure trips in autumn are choosing an ideal time of year for travel, according to Frank R. Tibbetts, Traffic Manager of Southwestern Greyhound Lines, who today announced Greyhound's nation-wide effort to call attention to the desirability of Fall as the time for more pleasant highway travel.

He then went on to say that the Fall Greyhound has made special plans to provide a wide variety of services to take care of the expected increase in Fall travel. He stated that Greyhound is extending many of its expense-paid Amazing America Tours through the Autumn months, and that special buses are being made available for group trips to the big games, conventions, club excursions and other group events.

Superforts Hit KoRed Arsenals Near Pyongyang

TOKYO, Sept. 19 (UP)—American B-29 Super Forts blasted the Kan arsenal and other targets near the North Korean capital of Pyongyang today, an Air Force spokesman said. The spokesman also said that Allied fighters continued their close support of ground troops, especially along the Naktong river lines and in the Waegwan area. The Superforts, which went out in "considerable force," hit an ammunition storage dump at Pokye-Ri and troop concentrations at Namchonjom, 80 and 60 miles southeast of Pyongyang, respectively. B-29's in small groups also hit

the Konan chemical works and the Kan arsenal, both of which had been bombed before. A 5th Air Force spokesman listed the following pilot claims for yesterday: Destroyed: Four tanks, 22 trucks, five other vehicles, two gun emplacements, one boxcar, 26 troop buildings, one fuel dump, seven artillery pieces and one bridge. Damaged: Four tanks, 11 trucks, 20 other vehicles, two gun emplacements, three locomotives, 30 railroad cars, eight troops

buildings, five supply dumps, seven bridges, four railroad tracks.

Industrial Loss Climbs Fast

Industrial fire losses have increased 68 percent in 10 years, approximating \$175,000,000, or about 25 percent of the total loss in 1949, according to the National Fire Protection Association, non-profit fire control group.

The NFPA, sponsor of Fire Prevention Week, being observed Oct. 8-14, points out that this estimate does not include lost production, which often is greater than the value of the industrial property destroyed.

With industry being called upon to meet war needs and to sustain a strong civilian economy as well, the NFPA asserts that 80 to 90 percent of the loss can be prevented by these steps:

- 1—Keep factory premises clean.
- 2—Inspect plants regularly for familiar hazards such as defective wiring, smoking in hazardous locations, and careless use and storage of flammable liquids.
- 3—Provide metal containers for waste.
- 4—Be sure fire extinguishers, automatic sprinklers, hose connections and lines are ready in case of need.
- 5—Keep fire doors closed, and exits free of obstructions.
- 6—Drill employees in how to fight small fires. Maintain a close relationship with the local fire department and call it instantly in case of fire.

Grid Forecasts Coming

Coaches Will Pick Top Football Teams Of Nation For United Press

By Oscar Fraley
United Press Sports Writer

The rather daffy business of attempting to rate the nation's college football teams week by week during the season finally has been solved with an application of solid common sense.

If you want a job done right in any line, you call on an expert in that particular field of endeavor. For a job of fancy plumbing you wouldn't call on a newspaperman, even though there have been insinuations from time to time that Fearless Fraley might have done better as such.

So to rate the nation's football powers, the United Press will get the job done by real experts—not guys like Old Fearless who might have been ogling the fillies (saddled and vice versa) at some race track the day that Siwash pulled its greatest grid upset.

The U. P. football ratings will be made by 35 of the greatest football coaches in the nation, five from each of seven sections. Ordinarily these gents would shy away from the experiment.

But they have agreed to the task because their ballots each week will be strictly confidential and they will be able to rate their rivals—and themselves—without putting themselves on the spot.

Without attempting to list all 35, here's a sample of the kind of talent on hand to juggle the weekly lineup:

Huge Herman Hickman of Yale, the poet of the Tennessee mountains; Lou Little of Columbia, head man of the Coaches' rules committee; Frank Leahy of Notre Dame ("nuff said); Jeff Cravath of Southern California; Jack Curtice of Utah; Bob Neyland of Tennessee; Carl Snavely of North Carolina, who thus continues to deal in justice; Dutch Meyer of T. C. U. and Blair Cherry of Texas.

That's leaving out a lot of top flight football names who will contribute their knowledge each week, and you could write a book about each of them.

All previous attempts to rate the nation's grid leaders, an intriguing bit of grist for the weekly football mill have been strictly catch-as-catch-can. It was like Boris Karloff and Zazu Pitts playing Romeo and Juliet.

One thing you had to admit in some of them, everybody was allowed to vote. It made no difference if you were a subway conductor who was barreling through a Brooklyn tunnel at 2:30 of a Saturday afternoon. Many of the voters probably never saw a game all season. But when you

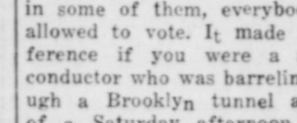

have to depend on experts like Old Fearless, subway motormen, bus boys, doormen and lunch counter traffic cops, you're putting out a top 10 list which is right off the wallpaper.

Their predictions will be based on facts, not guesswork. They'll have scouting reports, movies of games, actual play conditions and the advantage of combing the country through intersectional conflict.

As of the moment, Old Fearless is retiring from the rating of football teams during the season. I am glad to shed the "expert's" mantle.

So grab hold, men, you'll get less Monday morning quarterbacking than you ever dreamed possible. And thanks in advance for what we know will be a grand job.

Personal To Women With Nagging Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions. If your discomforts are due to these causes, don't wait, try Dean's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Dean's gives happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Dean's Pills today!

In these days when new tires are both scarce and high in price, why not save money by having your smooth tires retreaded?

Our modern design, materials and machinery turn out a finished product you can have full confidence in and be proud of.

Don't confuse modern retreading work with the old timey "top cap" of the war days. There is all the difference in the world.

Our modern low pressure retreads come down over the side wall of the tire and STAY ON. They give new tire appearance and long wear at about one third the cost of a new tire.

Oleta Knight, Charles P. Moseley United In Double Ring Ceremony

In a double ring ceremony read at 10:00 a. m., September 14, 1950, Miss Oleta Mae Knight, daughter of C. L. Knight of Albany became the bride of Charles Pat Moseley son of Mr. and Mrs. J. F. Moseley, Route 2, Ranger. Bro. Floyd J. Spivy, Church of Christ minister, officiated before an altar decorated with greenery and baskets of white gladiolas and lilies.

The bride, given in marriage by her father, wore a rose beige suit-dress of strutter's cloth with matching accessories. Her corsage was of white carnations and orange blossoms. She carried a white Bible covered with white carnations and white satin streamers knotted with orange blossoms.

Miss Billie Sue Latimer of Albany was the bride's only attendant. She wore a forest green dress with brown accessories and her corsage was yellow iris. Joe Black of Eastland was best man.

Immediately following the ceremony, a reception was held in the dining room of the home. The table was laid with a maderia cloth and decorated with red roses and the wedding cake. Mrs. J. I. Gentry, sister of the groom, presided at the guest book. Mrs. Howard Wade, also a sister of the groom, served the punch and Miss Billie Sue Latimer served the wedding cake.

The couple left for a wedding trip to New Mexico and other points West immediately following the reception. Upon their return they will be at home five miles west of Ranger at the Moseley Ranch.

Mrs. Moseley is a graduate of Albany High School and worked for a time as typist in the County Clerk's office in the court-house of Shackelford County. The bridegroom is a graduate of Morton Valley High School.

Out of town guests attending the wedding were the bride's father, C. L. Knight, and her sisters, Mrs. Arvil Parr and Mrs. Ethel Rice of Albany, and Mr. and Mrs. J. I. Gentry of Odessa.

The newspaper Rampart Forum was published in 1898 by a group of writers who, failing to strike gold in Alaska, had floated down stream on a raft to Rampart because it was too much work to pole up the Yukon river.

Mighty Mo Hits Enemy Attack

ABOARD THE HEAVY CRUISER U.S.S. HELENA, Sept. 18 (Delayed) (UP)—The devastating fire power of the battleship U.S.S. Missouri—the Mighty Mo—was brought into action again today and levelled enemy installations and blasted troop concentrations in the Pohang area.

The action broke up an attempt by the enemy to stop the advancing South Korean 3rd division.

The South Koreans were to be supplied air power for their advance. But when bad flying wea-

ther upset the plans, a hurry-up call was made for the Missouri and escorting destroyers to move into the area.

The bombardment stopped cold a North Korean counterattack on the 3rd division.

BOYCE HOUSE SAYS

The bishop spent the night in the home of a wealthy member of the church where he had preached Sunday. He was pleasantly awakened by the singing of the cook in the

kitchen below; she was singing "At the Cross, At the Cross".

At breakfast, the bishop said, "I heard you singing a hymn this morning."

"Yes," Ellen replied, "I always sing that song when I'm cooking the eggs—two verses for soft-boiled and three verses for hard-boiled."

This year it's clear...

Kaiser DeLuxe 2-Door Sedan*

Kaiser's the car!

Kaiser DeLuxe 4-Door Sedan*

1951 Kaiser ... the only car with Anatomic Design!

1951 Kaiser sales have smashed all previous records: Why? Because with Kaiser's new Anatomic Design, every feature of body and chassis is engineered to suit the needs of human anatomy!

Compare See-ability! Kaiser gives you more windshield and window area than any car in America plus the protection of a Safety-Cushion Padded Instrument Panel!

Compare Seat-ability! Kaiser offers room a-plenty for six big people plus easy-to-enter Doors!

Compare Ride-ability! Anatomic Design soaks up road shocks, provides road-hugging lower center of gravity!

Compare Go-ability! Kaiser's great Supersonic engine gives you faster getaway, quieter performance!

It's clear when you compare all that counts! ... nothing comes close to the 1951 Kaiser! ... Come in ... Today ... and get your Anatomic demonstration!

*One of 6 body styles and 12 models. Hydra-Matic available at extra cost.

Built to Better the Best on the Road!
