Peace Reports Still Coming From Reds

By Bruce W. Munn
United Press Staff Correspondent

FLUSHING, N. Y., Sept. 28 (UP) — Informed sources believed today the United Nations General Assembly will give tacit authorization to Gen. Douglas MacArthur to cross the 38th Parallel unless reported peace feelers from North Korea bring a quick end to the Korean war.

Reaction to reports that North Korea had forwarded peace feelers to India through the Chinese Communist regime at Peiping, was mixed at the UN, where no official word of suggested peace terms had been received.

Informed sources in New Delhi, India, said it was believed the peace negotiations had been going on for some time through Indian ambassador to Peiping Sardar Pannikar. The Indian foreign affairs ministry reflecting reticence to discuss the negotiations said only "no communication yet has been received from Pannikar in Peiping."

RJC SEEKS REVENGE FOR LAST YEAR'S 27-0 DEFEAT

Tonight at eight the Rangers hope to do something about changing the underdog role which has been tagged to their team the last couple of games.

The rugged Tarleton State Plowboys will be a big order in trying to knock over the upset bucket. Last year's 27-0 defeat by Tarleton still stings and Coach Boone Yarbrough's eleven has something called "revenge" in mind.

New offensive plays hold the Rangers' hopes of switching the score this year. The Plowboys' running game is called good—very good. Marvin Brown, Tarleton All SWJC conference halfback, is the sparkplug of the invaders. Yarbrough and other coaches consider him one of the best junior college halfbacks in the state.

Sending his inexperienced boys against the veteran Plowboys, Coach Yarbrough hopes to slow down the fast offensive of his opponent with some trick plays and lots of passing.

The Ranger's line—10 to 15 Corder.

Reaction here ranged from open welcome for the report from many delegations to the comment by a Russian delegate who was quoted as saying that the terms of the feeler were "too pat to be authentic." Jacob A. Malik, Russia's permanent UN delegate, said he knew nothing about the reported feeler.

The terms said to have been forwarded by North Korea to India were these:

1. Immediate declaration of an armistice.
2. Withdrawal of North Korean forces to the 38th parallel, as ordered in the security council's resolution of June 25, the day the Communist invasion started.
3. Withdrawal of American forces to the limits of the narrow Pusan beachhead held by the UN forces before MacArthur landed troops at Inchon and captured the South Korean capital of Seoul. With U. S. troops confined to the extreme south of the country, South Korea would be occupied by other, non-American UN forces.
4. Holding of Korea-wide elections under UN supervision as soon as possible.

The terms of the reported peace feeler admittedly were broad. It was entirely possible that they had been floated as a "trial balloon" with or without Russian consent, to determine reaction to a possible Communist move to end the Korean war with as much face-saving grace as possible.

U.S. Mopping Up Ko-Reds

By Earnest Hoberecht
United Press Staff Correspondent
TOKYO, Sept. 28 (UP)—The battle of annihilation against some 70,000 Communist troops still in South Korea began in earnest today.

One American force had jumped within 24 miles of the border of Communist North Korea, American northern and southern armies were firmly joined and American fighter bombers were blasting fleeing Red columns from Taejeon to the 38th parallel.

Intelligence officers said that since the Marine landing at Seoul's port of Inchon, the Marines had taken 3,300 prisoners and inflicted 11,200 enemy casualties.

Sixty miles south of Osan, Yanks of the 24th Division recaptured by-passed Taejeon and erased their bitterest Korean defeat. Tanks and foot soldiers spread throughout the city and also took Taejeon airport.

One thousand Reds made a determined stand on the outskirts of Taejeon, but finally broke and fled north by train and truck, only to be caught later by bombing, strafing American fighter-bombers.

American 2nd Division forces retook Chonju, 39 miles southwest of Taejeon. Northwest of Seoul, an unidentified Allied column—presumably the U. S. 187th Airborne Regi-

YOU NAME IT

By Everett Taylor

This is a pinch-hitting column for Everett Taylor, your editor. He's at Hearn sweating out his first baby.

So Wednesday, I was haled out of Ranger into Eastland to hunt up some news.

You'll find some of that scattered over the paper.

And here's a little more. The police are painting the street markings again—safety lanes at the corners, parking lanes at the meters.

The city commission, I heard, is considering a lease of the airport hanger for peanut storage.

Chamber of Commerce Manager H. J. Tanner was up at the county auditor's office kibitzing Ed Steele to get hold of the mimeograph machine for some chamber correspondence.

The agriculture agent's department is getting up some yearbooks for about four hundred 4-H club boys and girls. The yearbooks are full of local information.

Joe Collins in the courthouse is still sweating about his call-up—as he's in the reserves.

Since the outbreak of the Korean war, Sergeant Brannon's business at the recruiting station has increased. He not only signs them up—but is an information station for all potential enlistees and draftees.

Paper boy Charles Bell is going into the rat-raising business. So if you don't have enough rats for company, call on him.

C. G. Stinchcomb Elected Legion Post Commander

C. G. Stinchcomb has been elected post commander of the Eastland American Legion Post. First vice-commander is Alvis Lafferty. Second vice-commander is Lonzo Goblir.

M. T. McArney, chaplain; George Fields, adjutant; First sergeant at arms; H. F. Tanner, finance and service officer; and Bill Coppock, historian, were other officers elected at the recent meeting.

Brashier Leads N. Texas Punters

DENTON, (Spl.)—North Texas State's Zeke Martin, one of the leading college passers last season, is back on the warpath again.

In two games the 1949 All-Gulf conference quarterback has also ready rolled up 313 yards, completing 20 of 43 passes. He passed for 237 yards last Saturday as the NTSC Eagles mauled East Texas, 42-20.

His favorite target has been big Wendell Swann, transfer from Panola Junior College, who has caught 42 passes for 158 yards.

Phillips also has a fine punter in Erback, who has punned 1,057 yards in 10 games.

Carbon Meets Strawn Friday In Eastland

The Carbon Wolverines meet the Strawn Greyhounds in Maverick stadium Eastland at 8 p. m. Friday.

The score sheet before the game times averages the teams as pretty equal in power and running ability.

Quarterback Don Gilbert will call signals for the Royal Blue and White Wolverines.

Strawn will call on the services of the following backs—Ted Wimberly, Charlie Salazar, Roach, Stewart, Hale, Gordon, Lindsey and Riebe.

Carbon Coach Ray Wood has such men as Higgins, Justice, Woodall and Little in the back field. This is the first conference game for the Class 8-B teams.

South Ward P-TA Sponsors Benefit Party, Friday

Games, Prizes, Entertainment and a School for Beauty are scheduled for a public party at 8 p. m. Friday September 29, by members of the South Ward Parent-Teachers Association at the school cafeteria.

Home made pie and coffee will be on sale for refreshments. An invitation was extended to the public.

Local Dealer Unveils 1951 Kaiser Sedans

The local unveiling of the new Kaiser automobiles will be at Moser Motors, 511 W. Main, Friday morning, announced V. T. Moser, head of the local Kaiser-Frazer dealership.

Three features of the all-new Henry J. sedan models are the low initial cost plus great operating economy and exceptional performance.

Buyers will have a choice of the four cylinder Henry J. and the Henry J. DeLuxe, six-cylinder model offering greater styling refinements. Both engines are new high-compression "Kaiser Super-sonic" L-head types.

Edgar F. Kaiser, K-F president, said prices are the lowest in America for a full size sedan, thus marking the first full scale new competition in the low priced auto market in nearly a quarter-century.

Delivered in Eastland the Henry J DeLuxe 6 cylinder sedan is priced at \$1598 and the Henry J Standard 4 cylinder, \$1498.

The six-cylinder model offers a maximum cargo area of 50.3 cubic feet achieved through a utility feature which allows the rear seat back to be folded forward and anchored in place as part of the trunk floor.

The 17 1/2-inch overall length of the Henry J, together with an overall width of 70 inches, provides spacious seating room for five adult passengers with ample head room and leg room for six-footers. Both Henry J sedan models are available with overdrive.

Children in Eastland's public schools are adding a personal appeal to that of police asking careful driving in school zones.

The city has added patrols to enforce a 20 mile speed limit in the school zones. One officer said "There is not enough liability insurance in the world to pay for a child's life."

Teddy Lamb, third grade student in the South Ward school, fronted by dangerous Seaman street, wrote this letter:

"Dear Mr. Nash, We are glad that we have patrol boys. We think they help the school children across the streets safely. The mothers and fathers appreciate the help of the police and patrol boys. They may save the life of some boy or girl."

"We want to thank you for the calendar. We are sorry the little boy had the accident. We hope that drivers will drive carefully so that none of our children will be hurt."

The rest of the third grade signed the letter—little Martin Day, Trevette Vermillion, J. o. y Phillips, Billie Don Turner, Jerry Johnson, Linda Thompeon, Beverly Moser, Lenar Funter, Mary Lou Smith, Martha Lee Freese, Jim Stambaugh, Wilbur Bobbitt, James Webb, Roy Allen Phillips, Ronnie Bufkin, Nathan Kidd, Oran Rhodes, Billy Sherrell.

Corina Rangel, Jaya Graham, Denny Pugh, Kathleen Cornel, Charlotte Vaught, Don Hazard, Linda Kay Huckabay, Victor Latham, Jimmy Barthelemy, Sam Houston, Charles Wayne Toliver, Celia Yrigollen.

Those are your kids, or they're in the grade your kids will be. And like the police officer says:

No insurance will pay for a twisted leg, a scarred face, the blood stains on your car bumper—or the worry in your heart.

James Hollis in fourth grade English made this plea in a letter:

Eastland Gift To Be Shown In Breckenridge

Glen Fleming of the Pioneer 4-H Club will show his county first place winner winning gift at the Sears Foundation area-wide pig show at Breckenridge, Saturday.

Fleming's gilt, which won first place in a county Sears show in Ranger last Saturday, will be in competition with gilts from Jack, Stephens, Young and Throckmorton counties.

Carroll Sandlin of Carbon, holder of the county's Sears' boar, will show his pig at the area show also. The boar was exhibited at the county show.

Other winners in the county show were Lawrence Ingram of the Scranton 4-H club, second; Mac Jones, Ranger 4-H club, third; Don Starr, Scranton, fourth; Leon Rodgers, Desdemons 4-H club, fifth.

The Sears Foundation, in order to improve the breed of hogs, has set up funds for the purchase of eight gilts and a boar for counties entering into the pig program.

Eight boys are given gilts. They sign a contract to care for the gilts and to turn over a gilt out of the first litter back to the foundation. This gilt is in turn given to another boy. The Sears Foundation gives a different county boy a registered boar each year.

The Eastland county pigs are registered Duroc Jerseys.

Four contests are held: A county, area, heavy litter and largest pen of five.

Sears and Roebuck also furnish the prize money: eight, seven, six, five and four dollars for the county show; thirty-five, thirty, twenty-five, twenty, and fifteen for the area show.

Cyrus Miller, Sam Harris, Glen Garrett and Tom Velasco went by bus to Abilene yesterday after having received their orders to report to the Air Corps.

They will go from Abilene to San Angelo for training.

The End EZZARD CHARLES RETAINS HEAVYWEIGHT TITLE AS BROWN BOMBER'S TEARS SPELL FINISH TO SIXTEEN TRIUMPHANT YEARS

(Reg. U. S. Pat. Off.)
By Oscar Fraley
United Press Sports Writer
NEW YORK, Sept. 28 (UP)—Tears streamed unashamed down the brown cheeks, bubbling through a purpled left eyelid as if pumped by a broken heart, as the man named Joe Louis came to the end of the trail.

A legend forged by Iron fists through 16 triumphant years had been shattered in less than an hour, and nobody knew it better than the dark destroyer who finally had been destroyed himself.

It was the end of an era—and it proved once again the time-worn adage that "they never come back."

Other great champions had tried it—Pittsimmmons, Jeffries, Corbett, Dempsey and Schmeling. Now, two years after he had retired as the undefeated heavyweight champion of the world, the man they idolized as the Brown Bomber had come back to smash tradition and a slim, black usurper called Ezzard Charles.

But the rounds ground by, almost endlessly, and while the Bomber stalked ever forward in that famous fashion, all he was firing now were duds. The 14th round was the worst, for those who watched the balding man and, looking into the past, saw a vision of the young Louis who blazed out of nowhere with dynam-

trail of battered rivals in his all-winning wake.

The years were claiming their inevitable toll now, and once again youth was having its fling. Back then it would have been Louis throwing that stunning, shocking right hand. Now he was taking them—and one such crashing blow caused his arms to drop helplessly at his sides, an expression of utter agony twisting his famed dead-pan into a death mask.

Lead en arm and with his brain numbed by the rain of blows, he still gave it a champion's effort in the final round. But it was a cause long lost. Then, while the crowd with its fickle adoration cheered Charles—"champion of the world"—Joe Louis took the longest walk of his life.

Sixty-one times Louis had taken that walk back to the dressing room. Sixty of them had been triumphs of victory. Only once before had he been beaten, knocked out by a man named Max Schmeling. But Joe was young, and revenge wasn't too far off.

There could be no revenge this time—until a distant day when, as a spectator, he might see some other youngster knock out this man who had proved his nemesis tonight.

So he made the long walk. He was bowed and shrouded in a blood-stained towel. They led him mite in each hand and left a like an old man, like a broken

EHS FIRST SCHOOL
ASSEMBLY PROGRAM
ON FRIDAY, SEPTEMBER 29,
E. H. S. has its first program
presented by the Southern School
Assemblies.
George Johnson, Piano-hum artist
is going to present music from
Bach to Boogie, satire of popu-
lar songs, and hilarious im-
provisations of pianists.
Ten years ago that Mr. Johnson
started adding comedy to his pro-
grams. The reason was that the

piano he was to playing was in
a frightful condition and he had
to change his program.
Even though Mr. Johnson is a
serious musician, he sees the hum-
orous side of the musical scene
and cleverly satirizes the per-
formers of the day from the little
boy at the living room spinet piano
to the stuffy egotistic virtuoso on
the concert platform. He writes
his own material. During the war,
he visited many Army camps, air
bases and hospitals in company
with the late Carole Landis.

Henry J Models In Low-Priced Field

THE FIRST ALL-NEW models to enter the low-priced car field in nearly a quarter-century are the Henry J and Henry J DeLuxe, the 1951 sedans now being introduced by Kaiser-Frazer Corporation dealers. Smartly styled and available with four- or six-cylinder Kaiser Supersonic engines, the new models promise exceptional fuel economy of 30 miles to the gallon. Design features include a folding rear seat arrangement which provides more than 50 cubic feet of luggage space. The six-cylinder deluxe model is illustrated.

He has an amazing memory
and can conduct a program with
as many as 1200 tunes.
Be sure to be on hand to hear

GOSSIP COLUMN

Who is Sallie's new flame—
could his initials be J. D. C.?
Everyone is talking about Wo-
mack's "impulses" on the football
field after games. Didn't we lose
that game, Bobby?

The one chosen is oval with
a Maverick on each side, E. H. S.
in the middle, and of gold and sil-
ver finish.

The ring was so beautiful that
it was chosen unanimously. The
1951 graduating class is the first
in the school's history who has
chosen a ring everyone liked. It
took only two days for all the
seniors to pay their down pay-
ment of \$3.00. The rings should
be here by Thanksgiving this year.
Yea, Seniors.

Everybody seems to have dates
after the football games this year.
Where in the world do they go?
What is the reason for all these
slumber parties after games?
Could it be the late hours you can

FOOTBALL

Well it seems as if Eastland
has got off to a bad start in
football this year. Coleman got
the best of us with the score
32 to 12.

Ballinger likes the idea of win-
ning too. They beat us with a
score of 33 to 6. Well, Eastland
boys must like to take a beating.
We all hope that they will do
better the rest of the time, but
when Albany came over we had
the spirit. "The score." It went
this way, 25 to 0. We need larger
men, I guess.

BASKETBALL

Not only the boys have been
working out, but our basketball
girls have been trying hard to
get a good team. Among the play-
ers are the following: Edith Haz-
ard, captain, Eloise Lowrance, co-
captain, Fern Shafer, Bettye Al-
len, Heidi Throne, Pat Simmons,
Yvonne Tankersley, and Margar-
et Langlitz.

State Needs Men To Give Examinations

AUSTIN, (SpI)—The Driver's License Division of the Texas Department of Public Safety has openings for a number of Texas' young men as Driver's License Examiners.

Homer Garrison, Jr., Director of the state Safety Department, announced today that his organization is accepting applications from qualified men to fill existing and potential vacancies caused by a number of the License Examiners being called into the armed services. He urged that men who meet the requirements and who are interested contact their nearest Driver's License District Office or write directly to Chief A. F. Temple of the Driver's License Division at Austin for application blanks, immediately.

Garrison listed the following qualifications as necessary for appointment to the positions: 21 to 35 years of age, inclusive; a minimum height of 5 feet 8 inches; weighing not less than 2 pounds or more than 3 pounds per inch of height; good physical condition; a citizen of the United States and a resident of the State of Texas for at least one year immediately prior to appointment; and, subject to an extensive moral and character investigation.

Applicants will be notified later of the dates and places where written and oral examinations will be conducted, according to Garrison. Base pay for Driver's License Examiners, the Director stated, is \$240.00 monthly, with the added advantages of two weeks annual leave; low cost Departmental life insurance and group accident and sickness insurance for members and dependents; and benefits of the State Employees Retirement Plan.

Ranger Soldier Sheds 'Tears' In Marburg, Ger.
 Coffee, doughnuts and a song or two make for some pleasant moments for Cpl. Dale Wheat of Ranger.

Cpl. Wheat is stationed with the Second Armored Cavalry Regiment, U. S. Command in Augsburg, Ger.

He and his buddy, Pvt. Bob Brens of New Hampshire, meet regularly at an Army canteen in Marburg, Ger.

They had some fun the other day enacting the hit "Don't Cry Joe." While a special German band played in the background, Pvt. Brens and Cpl. Wheat sang as Brens pretended to wipe the tears out of Wheat's eyes.

Cpl. Wheat is the son of Mrs. Mary Wheat of Ranger. His wife also lives in this city.

In these days when new tires are both scarce and high in price, why not save money by having your smooth tires retreaded?

Our modern design, materials and machinery turn out a finished product you can have full confidence in and be proud of.

Don't confuse modern retreading work with the old timey "top cap" of the war days. There is all the difference in the world.

Our modern low pressure retreads come down over the side wall of the tire and STAY ON. They give new tire appearance and long wear at about one third the cost of a new tire.

The last of the "show boats" which used to ply the rivers of the South is at the foot of the levee in St. Louis—the "Goldenrod," presenting an old-time melodrama nightly.

St. Louis is a most interesting city—(this observer spent several days there recently, incidentally seeing my first big league baseball games). The old courthouse in which the Dred Scott case was tried—(remember the "Dred Scott" decision) which helped bring on the Civil War?—is still standing. On the lawn is a stone marking the beginning of Daniel Boone's trail, the first into the wilderness.

Across the street is an aged

building with a spiral fire escape, of graceful, delicately-wrought ironwork. The structure houses the picturesquely - named Log Cabin Fur Company, which circumstances remind out that St. Louis was founded by the French, who were interested in the fur trade—and the city is still the largest fur-processing center in the world.

Oldest building is the "Stone House" where John Jacob Astor was active when he was laying the foundation for one of America's greatest fortunes—which was founded on fur trading).

St. Louis is the world's leading city in the making of shoes, also beer.

You can see the spot where a former Army officer lives in obscurity prior to the Civil War has his real estate office. His name was U. S. Grant.

Then there is the house which the famous financier, Jay Gould, built, so that his daughter could entertain her friends during the great World's Fair of 1904.

And there is the narrow, three-story, brick house in which Eugene Field was born. Manuscripts in a small, neat hand; elaborate dresses of his wife; an ax presented to him by Gladstone, the English statesman who chopped down trees for exercise; and many quaint articles of furniture—all these make the house of "Little Boy Blue" seem very real.

St. Louis has few traffic lights.

The Union Station is an immense affair, first a building, then a semi-open waiting room, then the gates and train sheds. In the station are numerous business establishments, including a hotel. Trains are arriving and departing every few minutes.

Newly Organized Circles Of First Christian Church Have First Meet

Organization was completed at each of the Circles of the First Christian Church at their meetings Monday in members homes.

The Margaret Watson Circle met in the home of Mrs. Jerry McCullough, 1208 West Plummer Street.

Mrs. Watson, chairman, presided and the program was opened with a prayer by Mrs. T. A. Bandy. Offices filled were: Program chairman, Mrs. Bandy; reporter, Mrs. N. T. Johnson; treasurer, Mrs. McNatt; chairman of Juliette Fowler Home projects, Mrs. McCullough. Projects of the year were discussed and a refreshment plate of chocolate cake squares and coffee was served to Mmes. McNatt, Homer Meek, Watson, Leroy Ramer, I. Malone, Johnson and Bandy by the hostess.

They will meet Oct. 10th in the home of Mrs. T. A. Bandy.

Mrs. Gaines, chairman presided over the Marian Gaines Circle meeting held in the home of Mrs. T. L. Cooper.

The program was opened with the singing of, "Take the Name of Jesus". Mrs. Clara Wingate gave the prayer and Mrs. R. L. Carpenter gave the devotional, using as her subject, "Spiritual Windows".

Each member brought fruit for the Juliette Fowler Home which with gifts of food from the other circles will be delivered to the home in Dallas by Mr. Milton Gaines.

A refreshment plate was served following the discussion of projects of the year, to Mmes. Wingate, Carpenter, Cyrus Miller, Jack Carothers and Winnie Wynne by Mrs. Gaines, hostess. The group will meet again October 10th with Mrs. R. L. Carpenter.

The Azelle Henderson circle met in Mrs. Henderson's home. Mrs. C. A. Peterson gave the prayer. Mrs. Henderson presided over a short business session during which Mrs. C. A. Peterson was elected World Call chairman. Mrs. L. E. Huckaby was elected secretary and Mrs. Lon Horn and Fred Maxey was appointed Telephone Committee.

Each member brought a gift of food for the Juliette Fowler home.

Mrs. Eugene Day gave the devotional titled, "Beauty In God's World." Mrs. Huckaby presented the first of the new mission study, "The World Into Which Jesus Came."

A refreshment plate was served during a social hour, following the program to Mmes. Fred Maxey, Lon Horn, C. M. Kelley, J. E. Freese, Eugene Day, Henry Ferrell, J. B. Blunk, C. A. Peterson, Huckabay and Leroy Ramer. A copy of the new year book was also presented to each of the group.

Mrs. Ida Lindsey of Stamford visited here this week with friends.

Parents Announce Wedding Date Of Miss Lois Wyatt

Mr. and Mrs. Roy Wyatt of Carbon have announced the engagement and approaching marriage of their daughter, Lois to Mr. Jerry Matejek of Midland.

The wedding will be October 21 and the couple plan to make their home in Midland, where Mr. Matejek is owner and operator of the Crawford Hotel Coffee Shop.

Miss Wyatt is a graduate of Carbon High School and of the Hines Business College and has been employed with the Universal C.I.T. Credit Corporation in Midland.

Guests here in the home of Mr. and Mrs. Roy Jones are Mr. Jones' father, C. A. Jones of Abilene and the Rev. Thurman K. Rucker of Malvern, Ark., who arrived yesterday. The men are visiting today in DeLeon with Mr. Jones' sister and family.

Mrs. Dabney Speaks At Xi Alpha Zeta Meeting Tuesday

Mrs. Allan D. Dabney was guest speaker at the Xi Alpha Zeta Chapter, Beta Sigma Phi Sorority, meeting Tuesday evening in the home of Mrs. Pat Miller. Mrs. Dabney gave a most interesting resume on painting as a hobby. She displayed various kits and materials needed. As this will be the project for the chapter during the next several months, kits were ordered for the members and plans were made to start "Textile Painting" at the October 24th meeting.

During the business session Mrs. R. D. Estes was elected Extension Officer. Plans were also made to support the Girl's Home near Whiteface, Texas.

Members attending were Mmes. Doyle, Pat Miller, Eugene Hickman, R. D. Estes and Bill Collings. Mrs. Jack Gourley of Coleman, Texas, and a charter member of the chapter was also a guest at the meeting.

Refreshments were served after the business session by the hostess, Mrs. Miller.

An announcement by Henry J. Kaiser

Today, at your Kaiser-Frazer dealer, you will see what we believe to be the most important car that America has produced since the automobile became a necessity of daily living. It fills the needs, the wants, the purchasing power of all America as no other car has done in the last ten years. It is rugged. It has outstanding maneuverability, handles and parks easily, and is powered with our new Supersonic Engines which deliver up to 30 to 35 miles to the gallon. The Henry J is the lowest-priced car in the low-price field. It has the full, generous proportions to which Americans are accustomed. We have given it the best combination of performance, comfort, styling, and economy of operation. It is the car that you and every American family can afford to buy, to operate, to maintain...and be proud to own.

The Henry J...the lowest-priced car in the low-price field.

The most important new car in America!

Here today...The **Henry J**

Important because...It's Smart! Smart to look at... smart to own! Notice the extra-wide doors...front seat 58 inches wide...head room and leg room galore! And—look! The back of the rear seat folds forward, giving you 51 cubic feet of storage space, almost double that of the largest sedan trunk compartment!

Important because...It's Tough! Husky, Double-Channel Frame, reinforced like a steel bridge! The rear axle Hypoid geared, as in most expensive cars. Extra-wide windshield and windows give you the largest vision area in any low-priced car...short turning radius permits the easiest parking.

Important because...It's Thrifty! You get 30 to 35 miles per gallon from the quiet, responsive Supersonic Engines. (Henry J—4 cylinders, Henry J Deluxe—6 cylinders.) Lower first cost...lower maintenance...lower repair bills...lower insurance...lower operating cost. Your savings, in just two years, can more than total the down payment on the Henry J.

Built to Batten the Best on the Road!

Costs less to buy...less to drive...less to maintain!
