VOL. IX NO. 10

## WHITTLIN'

BY DOLPH MOLEN

This isn't original, but:  
Nine times out of 10, when  
someone says, "It isn't the  
money, it's the principal;" it's  
the money.

Wasn't the Democratic con-  
vention wonderful?  
There was only the slightest  
bit of conflict and that was prob-  
ably overplayed by the news  
media. And said conflict was  
handled with the utmost tact  
and diplomacy.

All major parts of the pro-  
gram were terrific.  
Several Bovina people, not  
all of whom have always voted  
Democratic, have commented  
that the keynote speech was the  
best they'd ever heard.

Johnson and Humphrey will  
make a tremendous political  
team. Goldwater and Miller  
stand about as much chance as  
Slippery Rock would in the  
Southwest Conference football  
campaign.

The situation looks so much  
in favor of the Democrats at  
this stage that we agree that  
overconfidence should be  
guarded against.

Jack Patterson, the Rhea  
farmer who is in favor of Gold-  
water, has encouraged us to  
continue to write about the Re-  
publican candidate.  
He says that it matters not  
whether we say anything good  
about the Arizona senator. The  
important thing, according to  
Jack, is to just keep Goldwater's  
name before the public.

Frankly, we think our Rhea  
friend was using reverse  
psychology on us in an attempt  
to keep the GOP nominees from  
being knocked in the local press.

It is with pleasure that we  
report that Bovina cantaloupes  
were served at the melon feed  
for teachers at the football field  
Monday night.

The melon feed idea was put  
into practice last year. And it's  
a good thing. However, we were  
disappointed then that no  
cantaloupes from Bovina were  
served -- only luscious water-  
melons of both red and yellow-  
meated varieties from Muleshoe  
or some other foreign  
place.

Such a gathering is, accord-  
ing to our thinking, a wonder-  
ful place to introduce new teach-  
ers to that finest of all Bo-  
vind foods, cantaloupe.

We did a little lobbying with  
members of the school board,  
who personally payed for the  
melons, in regard to this a few  
weeks ago. And sure enough,  
cantaloupes were available  
Monday night.

Board members gave us  
credit for the cantaloupe addi-  
tion -- and we were glad to  
accept it. Needless to say, they  
were careful to see that we had  
a half of cantaloupe at the  
feed. In turn, we were careful  
to see, too, that a couple of  
little Motens showed proper  
patriotism to their community  
by eating cantaloupe . . . first.

For our part, it goes with-  
out saying that all melon feeds  
here should include locally  
produced cantaloupes!

It's football contest time  
again. The contest begins its  
season run in this week's is-  
sue of The Blade.

We want to point out that  
it's almost impossible to win  
the grand prize without partic-  
ipating in the contest each  
and every week. Therefore, this  
first week is just as import-  
ant to the fellow who wins the  
grand prize as the last one is.

Don't get left at the starting  
gate, get in the running this  
first week and then coast on to  
an easy finish and that expense-  
paid trip for two to the January  
1 Cotton Bowl game.

We expect as much interest  
in the contest this year as  
there has been in the past . . .  
and that has, at times, been a  
bunch.  
Contenders for the grand  
prize may be interested to know  
that Allen Cumpston, who has  
for all of the past four years  
been a strong contender for  
the championship, says he won't  
participate this season.  
"Why, I'm not going to let  
that silly thing worry me any  
more," is his reasoning.

(Continued on page 2)

PREMIUM CHECK - Jim Heard, who produced Bovina's first load of milo for the second consecutive year, is shown accepting a premium check from Mrs. Jon Lynn Riddle, employee of Sherley Grain Co. Heard delivered the first load Friday afternoon.

## FOR SECOND CONSECUTIVE YEAR--

# Jim Heard Delivers First Load Of Milo

## Cars Collide On Third St.

A minor auto accident occurred Wednesday night at the intersection of Third Street and Avenue B.  
Involved in the two-car collision were a '58 Ford driven by Jose Alejandro Qusada of Bovina and a '59 Ford driven by Barbara Ann Wilkinson of Bovina.  
Qusada was driving south on Third and attempting to turn left when his car was struck from the rear by the Wilkinson vehicle.  
Damage was estimated at \$75 to each car.

Jim Heard brought the first load of milo to Bovina for 1964. This was the second consecutive year for Heard to have the award - winning grain sorghum here.  
Heard delivered the grain to Sherley Grain Co. Friday afternoon (August 28).  
This was one day later that his first load of a year ago, it was delivered on August 27.  
Moisture content of the first load was "over 14 per cent," according to Mrs. Jon Lin Riddle, elevator employee. It tested 55 pounds per bushel.  
Variety of the first 1964 grain sorghum was P.A.G. 515. It was planted April 10 and watered five times. Estimated yield is 6000 pounds per acre.

Heard says he expects most of his milo crop to be ready for harvesting by September 10.  
He received a premium check from the elevator and will receive a \$25 award from Bovina Chamber of Commerce and Agriculture.

## THIS WEEK--

# Football Contest Starting Time

Bovina Businesses 1964 Cotton Bowl Football Contest begins in this week's issue of The Blade.  
Sponsored by 10 area businesses, the contest is beginning its fifth year.  
Entrants in the contest pick the winners of 10 high school and/or college football games each week plus a tiebreaker score. The winners are awarded weekly prize money of \$5, \$3 and \$1. The overall winner, for the season, the contestant who names the most winners over the 13-week contest period, receives an expense-paid trip for two to the Cotton Bowl in Dallas next New Year's.  
Contestants must write down the winning team's name on the entry blank which appears in this week's paper and bring or mail it to The Blade office

not later than 5 p. m. Friday.  
A total of 133 contestants entered first week of the contest in 1963. Mrs. Jay Sherrill was the first place winner.  
Sponsors of the contest are Bovina Dairy Freeze, Three-Way Chemical, Bovina Gin Co., First National Bank of Bovina, Oklahoma Lane Farm Supply and Gin, Sherley Grain Co., Charles Oil Co., Cicero Smith Lumber Co. Bovina Wheat Growers, Inc. and Bonds Oil Co.

Six of the businesses are now in their fifth consecutive year of sponsoring the contest. They are Bonds, Wheat Growers, Cicero, Charles, Sherley and Three-Way.  
Rules appear on the contest page.  
Grand prize winners in previous years have been Nell Smith in '60, Erth Hawkins in '61, Emmett Tabor in '62 and Paul Jones last year.

## Services Set By Mission

First Baptist Church of Bovina and the Mexican Baptist Mission are participating in Cruzada Bautista Nueva Vida or Baptist New Life Crusade, which is a united effort of both Anglo and Latin American Baptists to promote an understanding and fellowship among both groups. The main objective is to launch an evangelistic effort to win more Latin Americans to a knowledge of Christ as their personal Savior, announces Rev. Daniel Morin, pastor here.  
The Crusade is sponsored by the General Convention of Texas and will be a state-wide

## FROM OUT-OF-TOWNERS--

# Letters Indicate BTD Interest

Two letters received here last week indicate the interest in out-of-towners in Bovina's Bull Town Days celebration which was held here in mid-August.

From Arkansas came the following letter to Jack McCracken, manager of Bovina Chamber of Commerce and Agriculture:  
Dear Mr. McCracken:  
We happened to stop in your town on opening day of "Bull Town Days" and we stayed over just to see what it was about.  
We have never eaten better barbecue beef and beans and cantaloupe! The food was something to brag about and we are looking forward to returning to the program in 1965.  
Congratulations to you and Bovina for your community

spirit.  
Sincerely yours,  
Mr. & Mrs. Russell Broyles  
Farmington, Arkansas

From Perryton came the following message addressed to The Blade:  
Dear Sirs:  
Through a friend I have received a copy of Bovina Bull Town Days edition of your paper of August 12th and am hoping you have 10 extra copies for me; am enclosing my check for the papers and postage.  
The pictures of the old timers were most interesting as members of my family, including me, were in many of them.  
We moved from Pecos to Bovina in 1906. My father, Tom Hoghland, purchased the Bo-

## FOR OPENING DAY--

# School Enrollment Hits New Record

## Q'Back Club Sets Meeting For Thursday

Bovina Quarterback Club will hold its first meeting of the year Thursday night, Travis Dyer, president, announces.  
The session will be in study hall of library and will begin at 7:30.  
Officers will be elected and other business for the year will be discussed.  
All sports fans in the area are welcome to attend the meeting, says Dyer.

ROY M. HANNAH

## Open House Set Sunday Afternoon

Open house will be observed at the new home of Mr. and Mrs. Billy Whitecotton Sunday afternoon.  
The three-bedroom, brick home is located in Ridgelea Addition. Open house hours are from 1 to 5 p.m.  
The showing is by Dub Mount, Home Builder, of Muleshoe. Mount invites the public to inspect the new home in an advertisement in this issue of The Blade.

## AT CHURCH OF CHRIST--

# Gospel Meeting Starts Monday

A week-long series of gospel meetings begin Monday at Bovina Church of Christ and continue through Sunday.  
Roy M. Hannah, minister of South Lawn Church of Christ in Amarillo, will be evangelist for the meetings which will be conducted twice daily -- at 7:30 a. m. and 7:30 p. m. during

# Classes Begin Here Monday

Bovina Schools rang the bell on the 1964-'65 school year Monday morning with a record opening day enrollment of 611-- more than 60 over the number registered at the same time a year ago.  
Students were registered on Friday and Monday was "almost a normal day of school," according to Otis Spears, superintendent.

Last year's opening day enrollment totaled 544. Most of the increase this year over last came from the first grade which has a total of 79 students and replaces a class of 20 seniors who were graduated last Spring.  
Enrollment of the schools here has been on the upswing for the past several years. This is the first time, however, for it to go over the 600 mark on opening day.

Normally, enrollment figures increase during the first several days of the school year and it's possible the total could push the 700 mark before a peak is reached.  
"We have all available space in use," Spears commented. The school presently has under construction seven new classrooms as well as other facilities. These are expected to be completed after the first of the year.

First grade leads in the largest number of students. It is rivaled by the third grade, which has 66, and the fifth grade with 65.

Figures released by the superintendent's office show the following number of students in each grade:

First --	79
Second --	58
Third --	66
Fourth --	57
Fifth --	65
Sixth --	52
Seventh --	53
Eighth --	44
Ninth --	51
Tenth --	40
Eleventh --	18
Twelfth --	28
Total --	611

## 2 Teachers Join Faculty

Two additional teachers were signed Saturday to complete Bovina Schools faculty for the new school year, announces Otis Spears, Superintendent.  
Mrs. Wanda McCracken was named as a first grade teacher. She is a graduate of Oklahoma State University.  
Signed as a fourth grade instructor was Milton Grimes, a graduate of Eastern New Mexico University at Portales who taught in Clovis last year.  
Signing of these two teachers brings the total number of instructors who are beginning their first year with the school system here to 14.

## Firemen Have Dinner Meeting

Bovina Volunteer Fire Department and their wives had dinner Tuesday evening at Bovina Restaurant.  
Attending were Mr. and Mrs. James Taylor, Mr. and Mrs. Glenn Thomas, Mr. and Mrs. Jerry Rogers, Mr. and Mrs. Odie White, Mr. and Mrs. Pat Kunselman, Mr. and Mrs. Jim Russell, Mr. and Mrs. Henry Spicer, Mr. and Mrs. D. R. Bushnell, Mr. and Mrs. Henry Minter, Mr. and Mrs. Bill Denney, Robert Lee Hoplingardner, Tommy Taylor and John Wilson.

Weather  
by Willie  
Some showers this week.  
--Willie

## AT LIONS MEETING--

# County Lake Plans Outlined

Plans for a three mile-long lake on Running Water Draw in central Parmer County are on the drawing board.  
Details of the planning were outlined publicly at a meeting of Bovina Lions Club Thursday night by Jimmy Smith of Friona, manager of Parmer County Soil Conservation Service.

The multi-purpose dam could be constructed as a part of the Running Water Draw watershed project with some three-fourths of the cost to be paid by the federal government. This would leave a fourth of the cost to be paid by the county -- or another organization. Total local cost would be in the neighborhood of \$100,000, Smith said.

Primary purposes of the dam would be for flood control and recreation.  
Site of the structure would have to be east of Bovina so water from Catfish Draw, which runs into Running Water, could be included in the large lake. Being considered for the facility is a dam roughly the size of that at Buffalo Lake, near Canyon. This would create a lake over three miles long.  
In addition to the multi-purpose dam, three or four smaller dams will be constructed in the county for flood control purposes.  
Funds to pay for the federal government's portion of the structure are slated to be approved by Congress in November.  
Although the federal government would participate in paying for the dam, it would become the property of the county upon completion, Smith explained.  
Land for the lake would have to be purchased by the county. Money for the county's portion of the project could be borrowed from the government on a 40 year basis with interest varying from 2.76 to 3.2 per cent or the county could vote bonds to pay its cost.  
Special guests at the Lions Club meeting were Charlie Jefferson, county commis-

(Continued on page 2)

NEW TEACHERS -- All 14 new members of faculty of Bovina Schools were in attendance at a cantaloupe-watermelon feast presented in their honor by members of the school board Monday night at the football field. Some 350 people attended the gathering which was open to the public. Standing, left to right, are Mrs. Wanda McCracken, Mrs. Lillian Owen, Gary Cox, Diane Covington, Mrs. Bonny Ward, Milt Flitts, Mrs. Irene Spears, Gene Douglas, Mrs. Margaret Douglas and Milton Grimes. Kneeling are Roger McFarren, Roy Stone, Bruce Rhodes and Otis Spears.

**County Lake--**

(Continued from page 1)  
sloner from this precinct, and Guy Cox, Farwell commissioner.

"The commissioners court needs to know how people of the county feel about spending taxpayers' money for this facility," Smith pointed out.

A. L. Black of Friona, president of county SCS committee, accompanied Smith to the meeting. He explained that the county has spent \$12,500 for planning for the project. "If we miss getting this facility, I think we'll lose one of the great opportunities of our lifetime for developing Farmer County," Black said.

Smith explained that similar

lakes in other areas have paid for themselves with recreational revenue in 10 to 12 years. He also said that the county's estimated cost for the dam would be equal to 35 or 40 cents per acre of land in the county. "This doesn't include the towns in the county," he said.

Smith went on to say that the City of Muleshoe is interested in erecting the dam if Farmer County isn't.

Plans are for a group of county residents interested in the project to meet with the commissioners court at its regular meeting this month to discuss it.

If the county takes on the project, engineering work will be ready to begin by next summer, Smith said.

**FIRST GAME SEPT. 11--**

**Mustangs Outmanned In Kress Scrimmage**

"We started out pretty good but then tired." That was the general opinion of Bovina Mustang Coach Roy Stone about his team's scrimmage with Class A Kress there Thursday night. Kress "won" the practice session by scoring four times to Bovina's one.

The Kangaroos have almost twice as many boys out for football as do the Mustangs and this caused his team to be "outmanned," Stone said.

Also, Kress had 20 practice sessions in pads while Bovina had only six at the time of the scrimmage. "That makes a difference," the coach pointed out.

On the bright side of the ledger, Coach Stone said he was pleased with the way his boys hit.

The Mustangs lost one score by fumbling on the one-yard line. Also, they were hurt by a lack of speed as backs were caught from behind after breaking into the open.

Getting boys out for practice has been a problem for the coaches, Stone says, and this hurt at the Kress scrimmage.

There's has been only one injury in the Mustang practice camp. That is Carl Harris, a freshman halfback, who has a sprained ankle. He is expected to be back in action within two

weeks. The Mustangs began practice sessions on a once-a-day basis Monday afternoon after working out during mornings and afternoons for the previous two weeks.

They are preparing for the season opener which will be Friday, September 11, against arch-rival Farwell. The game will be played there.

A new interscholastic league rule causes Class B schools to wait until the second week of September to begin playing while other classifications are starting during the first week as usual. This will give Mustang coaches an opportunity to scout their first two opponents, Farwell and Springlake. They are both Class A. Farwell plays Friona at Farwell and Springlake meets Idalou.

Bovina football fans who are eager to get the 1964 football season started will probably take in the Farwell-Friona tilt Friday night.

\*\*\*\*  
In other business, Carl Rea and H. J. Charles were named to captain teams of Lions Club members for the annual broom sale which is scheduled for Friday, September 11.

James Wheeler of Amarillo, Lions District Governor, was present at the meeting and spoke briefly.

**Whittlin'--**

(Continued from page 1)

We kinda hate to see anyone drop out. Maybe he'll change his mind.

\*\*\*\*  
C. P. Warren presented us with samples of the best-looking peaches we've ever seen. And the taste of the locally grown fruit wasn't far behind the looks.

**AT DIMMITT--**

**Demo Women Slate 2nd Art Exhibition**

The second annual state Citation Art Exhibition, sponsored by Democratic Women of Texas has been slated.

The 30th District exhibit for this year will be October 17 in Dimmitt under the sponsorship of Dimmitt League of Democratic Women. Deadline for entries is October 10.

Qualified to enter the competition is any artist in Texas within the ages of freshmen through senior in high school, including 1964 graduates.

The scholarship awards will Elimination exhibits within this district shall be the responsibility of the state Democratic committeewomen or appointed committee for the district.

Scholarship entries must be accompanied by pen and ink, charcoal or pencil sketch to show evidence of delineation. These accompaniments need not be related to subject matter entered, but must be matted and framed.

In the state citation exhibition each district may submit as many as three major entries for scholarship awards with be presented by Governor John Connally in the name of the Democratic Women of Texas and will consist of \$500 first prize; \$300 second prize and \$200 third prize.

Media include oils, pastels, tempera, casein, pen and ink drawings, watercolor, mixed media and plastic.

Highlighting the show in Dimmitt will be a merit award of \$50 to be presented to any amateur, one who does not derive more than half his income from sale of art work.

**Mission--**

(Continued from page 1)  
effort. Last Sunday was a Day of Prayer for the crusade which officially got underway in the Lower Rio Grande Valley and

Rev. Jose Rivas

all of South Texas. The Crusade will consist of four weeks of activities. The first week will be an area revival meeting with several churches participating. The second week will be devoted to soul-winning through visitation. The third week every local Latin-American church will be in revival meeting with an anglo Baptist minister doing the preaching. The fourth week will be a Big Central Revival in a tent in strategic points throughout the State.

September 13-18 the local Baptist Mission is to attend the area Crusade meeting at Muleshoe, where Rev. Jose Rivas is to be the speaker. Rev. Rivas is a professor at Howard Payne Baptist College at Brownwood,

accompanying drawings.

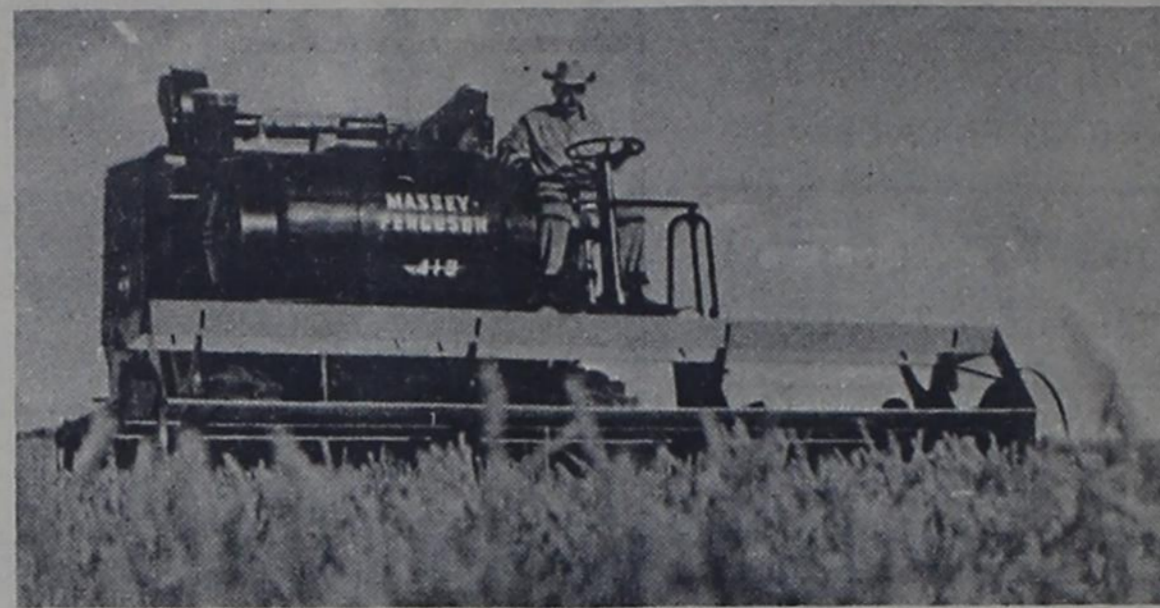

The entry must be original, completed within the past year, suitably framed or prepared for display, signature of artist, not exceeding 36 by 41 inches or the equivalent in square inches, properly identified with entry card attached to the drawing and merit painting.

Each card must contain title of the painting, full name and address of entrant, and full name, address and telephone of parent or guardian. It should contain a biographical sketch including any previous training, if any.

Additional information may be obtained by contacting Mrs. Leon Smith Sr. at Lazbuddie, phone 965-3731, or Mrs. Dolph Moten in Bovina.

GETTING ACQUAINTED -- These girls are getting acquainted at kindergarten. They are, left to right, Tambara Rogers, Laurie Stone, Lezlie Williams and Kim Ware.

### Kindergarten Enrolls 15

A total of 15 pre-school youngsters enrolled in kindergarten Monday morning at the home of Mrs. Jimmy Ware, who is teaching the group. Mrs. Earl Ware is assisting

her with the activities. There are vacancies for four or five more children, Mrs. Jimmy Ware says. Classes are each morning from 8:30 a.m. until 11 a.m. Those enrolled are Bruce Fillpot, Laurie Stone, Jeff Grisom, Chuck Vickers, Kyle Ray Harris, Arby Hawkins, Lezlie Williams, Kim Ware, Tambara Rogers, George Isaacs, Lary Sides, Jay Barrett, Steve Lance, Sharon Sudderth and Jerl Ware.

### Mrs. Fitts Hosts Circle

Mrs. Vernon Willard presented a program entitled, "A New Age Opened New Doors," to members of Charity Circle Tuesday morning at Bovina Methodist Church.

Following a short business session, refreshments were served by Mrs. Mill Fitts. Attending were Mrs. Leon Ware, Mrs. Harold Snell, Mrs. Bob Fillpot, Mrs. Oakley Stevenson, Mrs. Richard Baxter, Mrs. Jean Magness, Mrs. Fitts and Mrs. Willard.

### Lingerie Shower Honors Bride

Mrs. Leon Richards was honored with a lingerie shower Thursday evening at the home of Miss Dixie Hartzog.

The honoree was presented with a corsage of pink rosebuds.

The serving table was laid with a pink cloth and featured a floral centerpiece of pink chips, dips, and soft drinks were served to guests.

Hosting the courtesy were Miss Hartzog, Mrs. Delbert Morris and Mrs. Dickie Clayton.

Attending were the honoree, her mother, Mrs. Norvell Strawn, her grandmother, Mrs. J. C. Kendrick of Lubbock and an aunt, Mrs. Ben Glow of Georgia.

Others present were Patricia and Nellie Bee Crook, Sandra Patterson, Connie Vaughn, Patsy Hart, Paula Howard, Judy Strawn and Mrs. Jerry Strawn.

Visiting Thursday in the home of Mr. and Mrs. W. E. Williams were Mr. and Mrs. Barney Jenkins of Fort Worth.

Mr. and Mrs. Robert Edens visited in the home of Mr. and Mrs. Luther Alexander of Olton over the weekend.

### Pam Wilson Has Party

Pam Wilson, daughter of Mr. and Mrs. A. M. Wilson, celebrated her ninth birthday with a slumber party at her home Friday.

The birthday table featured a ballerina centerpiece and birthday napkins decorated with a pink and white motif. Angel food cake decorated with pink candles, ice cream and lemonade were served to guests. Attending the party were Kim Langer, Patti Mills, Debra Sorley, Melanie Ivy, Gall Dixon and the honoree.

### Willard Heads Square Dance Organization

Vernon Willard was elected president of Square Dance Club Friday night at an organizational meeting at the home of Mr. and Mrs. Jimmy Charles.

Mrs. Jimmy Charles was elected secretary.

The group decided on an initial membership fee of \$10 and monthly dues of \$2 per couple.

They are in the process of signing a teacher for the group. Next meeting date is September 17 with time and place to be announced.

Anyone interested in joining the club may contact Mrs. Charles.

Those already members are Mr. and Mrs. Erith Hawkins, Mr. and Mrs. Tom Ware, Mr. and Mrs. Jimmy Ware, Mr. and Mrs. Bob Fillpot, Mr. and Mrs. Harold Snell, Mr. and Mrs. Paul Holcomb, Mr. and Mrs. Vernon Willard and Mr. and Mrs. Jimmy Charles.

MR. AND MRS. OLEN JOHNSTON (Photo by D. R. Bushnell)

## Miss Sanders Bride Of Olen Johnston

A candlelight ceremony Sunday afternoon united Miss Donna Sanders and Olen Johnston. Parents of the couple are Mr. and Mrs. Fred Sanders of Orangeville, Calif., and Mr. and Mrs. E. O. Johnston of Bovina. The couple exchanged vows before a simulated altar featuring a white satin heart flanked on either side by orchid and white pom poms and woodwardia palms. Branched gold candelabras enhanced the altar and single candleholders decorated the aisles. Don Stone, minister of Church of Christ officiated at the double ring ceremony. Given in marriage by her uncle, O. L. Shannon of Sudan, the bride wore a floor length gown of imported bridal satin over taffeta. The fitted bodice featured a portrait neckline re-embroidered with seed pearls.

The petal point sleeves were fashioned of imported lace. The bouffant skirt featured inserts of imported lace and cascaded into a chapel train. Her fingertip veil of silk illusion fell from a lace crown which was decorated with seed pearls.

She carried a cascade arrangement of white gladioli and bridal wreath featuring a single white orchid atop a white satin Bible. Bridesmaids were Beverly Pinner, Janice Boothe and Brenda Newbrough of Bovina, Nell Ingle of Sudan, Shirley Johnston of Lubbock and Char-lotta Richards of Lubbock. They wore identical dresses of orchid brocade and matching circlet veils. They carried cascades of white gladioli. Evanna Johnston, sister to the groom was flower girl and Dale Johnston, brother to the groom, was ring bearer.

James Clayton of Bovina attended as best man. Groomsmen were Dennis Johnston, brother to the groom of Lubbock, Cecil Boothe, Dennis Iker of Fritch, Larry Archer, Lubbock; Curtis Archer, Bula; and Jimmy Archer of Sudan. For her niece's wedding, Mrs. Shannon chose a sheath dress of soft gray and complimented her ensemble with black accessories and a corsage of gardenias. The groom's mother wore a blue lace gown over taffeta with black accessories and a corsage of gardenias. Immediately following the ceremony the couple was honored with a reception in fellowship hall of the church.

The bride's table was laid with white lace over orchid and appointed with silver and crystal. Table decorations included white hearts decorated with orchid flanked by candlesticks with burning orchid tapers. Traditional tiered wedding cake and punch were served by Mrs. James Boardman and Mrs. Billy Marshall. For her wedding trip to points of interest in New Mexico, the bride chose a white lace suit with white accessories. She complimented her ensemble with the orchid from her bridal bouquet. Following their wedding trip, the couple will be at home in Bovina.

STYLE SHOW MODELS -- These models are wearing their attire for the back-to-school fashion showing which was Thursday evening at school auditorium. They are from left to right, Judy Strawn, Carol Kirkpatrick, Dana Harris and Roxie Hutto.

## Mary Marr Presents School Fashion Show

"Back to School Fashions" was the theme carried out in the style show presented by Furne Harris, owner of Mary Marr shop Thursday evening at school auditorium. Mrs. H. J. Charles narrated the show and fashions included dress ware, sports clothes, school fashions and childrens clothes. Modelling were Judy Strawn, Carol Kirkpatrick, Carolyn Graham, Sherri Hutto, Linda Estes, Tonya Ivy, Roxie Hutto, Linda Johnston, Suzanne Ferguson and Mrs. Kent Glasscock. Youngsters taking part were

Dana and Kyle Ray Harris, Ginger Glasscock, Tammi Hutto, Kathy Spurlin, Jana Rogers, Ken and Debra Sorley and Darlene Murphy.

## Boy Born To Leon Grissoms

Mr. and Mrs. Leon Grissom are the parents of a baby boy, born Monday afternoon at Farmer County Community Hospital in Friona. The infant weighed nine pounds three ounces and is named Timothy Leon.

The Grissoms have two other boys, Mike and Jeff, and one daughter, Pamela. Grandparents are Mr. and Mrs. L. M. Grissom of Bovina and Mr. and Mrs. Jay Jolly of Plainview.

## Mexican Dinner September 6

St. Ann's Catholic Church will host the annual Mexican Dinner Sunday, September 6. Serving times will be from 11 a.m. until 2 p.m. and from 4 to 6 p.m. for the evening meal. Entertainment will be provided as well as a drawing for door prizes. Tickets are on sale for \$1.25 by members of Guadalupanas Society, who sponsors the annual event.

## Shower Honors Mrs. Richards

Mrs. Leon Richards was honored with a bridal shower Thursday afternoon at First Baptist Church fellowship hall. Corsages fashioned of kitchen gadgets, tied with pink and white ribbon were presented to the honoree, her mother, Mrs. Norvell Strawn and her mother-in-law, Mrs. Earl Richards. The refreshment table was laid with a white lace cloth over pink centered with a pink floral arrangement flanked on either side by pink candles. Silver and crystal appointments completed the table. Cake decorated with pink roses and pink punch were served to guests. Approximately 30 attended the come and go courtesy. Out of town guests included Mrs. Norvell Strawn's mother, Mrs. J. C. Kendrick of Lubbock and Mrs. Ben Glow of Georgia. Hosting the occasion were Mrs. Jack Clayton, Mrs. H. H. Kelso, Mrs. Mary Ruth Martin, Mrs. Lester Rhinehart, Mrs. Carrie Mlear, Mrs. Jack Patterson, Mrs. Floyd Damron, Mrs. Boyd Gilreath, Mrs. Arlin Hartzog, Mrs. Buster Cochran, Mrs. Dean Hastings and Mrs. Jack Morris.

## Tracy Russell Hospitalized

Tracy Russell, daughter of Mr. and Mrs. Jim Russell, was hospitalized Thursday at an Amarillo Hospital. She was released Saturday and is reported in good condition.

## Visitors In Harris Home

Visiting in the home of Mr. and Mrs. Robert Harris recently were their son and daughter-in-law, Mr. and Mrs. Billy Bob Harris of Ft. Worth.

## Don Sides Hospitalized

Don Sides was hospitalized Saturday night at Methodist Hospital in Lubbock. He is reported to be improving.

## Rainbow Girls To Hootenanny

Carol Mast, Teresa Page and Pat Taylor represented Bovina Rainbow Assembly at a hootenanny at Friona Friday evening at the home of Mr. and Mrs. Claude Miller. Other Rainbow assemblies represented were Morton, Plainview, Canyon and Friona.

# WHEAT SIGNUPS UNDERWAY; NEW PROGRAM IS COMPLEX

# THE HIGH PLAINS FARM AND HOME

THURSDAY, SEPTEMBER 3, 1964

FARM AND HOME

Options possible under the 1964 wheat program--which include for the first time an okay for planting grain sorghum on diverted wheat acreage--are sure to cause a lot of head-scratching for Farmer County farmers as they contemplate the sign-up period now in effect.

Signups for next year's program started August 24, and will extend through October 2. Affected in these deliberations will be owners and operators of the 1232 farms in Farmer County producing wheat. The 1965 allotment of 96,249 acres is a slight increase from this year's quota of 95,557.

Acreage planted to wheat in Farmer County this year totaled 88,000.

Even though the features of the 1964 program are somewhat different from this year's, Prentice Mills, ASC office

manager, believes that the participation and layout of acreage will be "about the same" next year.

Again next year there are no marketing quotas or quota penalties on wheat-- which means that in the unlikely instance that an individual might acquire a new farm without allotment, he could plant it all or wheat (or grain sorghum, for that matter) without penalty. Of course he would not be eligible for compensatory payments, price supports, or lay-out payments.

So, technically the program is "entirely voluntary" although as a practical matter economic considerations bring practically all producers into the program in one manner or another.

Growers who overplant their acreage allotment in 1965 will

not lose wheat acreage history for future years, Mills points out. "This is a change that applies for the first time to the 1965 crop as provided in the 1964 legislation."

County farmers have been notified of their allotment and the "normal yield" has been established for their farms. To find the number of domestic certificates (worth 75 cents each) the farm may earn, the yield times 45% times the allotment will give the answer.

Example: Normal yield 35 bu. X 45% X 100-acre allotment would equal 1575 certificates worth 75 cents each, totaling \$1181.25.

Export certificates (worth 30 cents each) are computed by multiplying the yield times 35% time the allotment. Example: Normal yield 35 bu. X 35% X 100-acre allotment equals 1225 certificates worth 30 cents each, totaling \$367.50.

Here are some of the options a farmer may use in deciding whether he wishes to participate and to what extent.

In each example it is assumed the farm has a 100-acre wheat allotment, a minimum

diversion of 11.1 acres, a normal yield established at 35 bushels, the farm will produce 40 bushels of wheat per acre in 1965 and 4500 lbs of grain where that is used. It is assumed wheat will sell for \$1.35 per bu, and grain sorghum for \$1.70 per cwt.

Example No. 1  
Farm is not complying in wheat program and 11.1 acres of wheat are seeded, 111.1 acres X 40 bushels X \$1.35 = \$5999.40--Gross income for wheat. This would be an average of \$54.00 per acre.

Example No. 2  
Farm is signed up in program and makes minimum diversion of 11.1 acres and 100 acres of wheat is planted. There is no diversion payment earned.  
100 X 40 X \$1.35 = \$5400.00 received for wheat  
Value of domestic certificates = \$1181.25  
Value of export certificates = \$367.50  
Total income from the 111.1 acres = \$6948.75  
An average of \$62.54 per acre on the 111.1 acres

Example No. 3  
Farm is signed up in program and makes the maximum diversion (the 11.1 acres plus 20% of the allotment) plus 20 acres for a total diversion of 31.1 acres. The payment rate for the diverted acres (the additional 20%) is \$21.70 per acre. 80 acres of wheat is seeded  
80 X 40 X \$1.35 = \$4320.00  
Value of certificates (same as No. 2) = \$1548.75  
Diversion payment earned -- 20 X \$21.70 = \$434.00  
Gross income from the 111.1 acres = \$6302.75  
An average of \$56.73 per acre

Example No. 4  
Farm is signed to divert additional 10% for a total diversion of 21.1 acres and 90 acres of wheat is harvested.  
90 X 40 X \$1.35 = \$4860.00  
Value of certificates (same as No. 2 and No. 3) = \$1548.75  
Diversion payment earned -- (10 X \$21.70) = \$217.00  
Gross income from the 111.1 acres = \$6625.75  
Average per acre = \$59.64

Example No. 5  
Farm signs up for the minimum diversion, plants 20 acres to grain sorghum, and 80 acres to wheat. Grain Sorghum produces 4500 lbs. per acre  
80 X 40 X \$1.35 = \$4320.00  
Value of certificates = \$1548.75  
4500 X 20 X \$1.70 = value of grain sorghum = \$1530.00  
Gross income from the 111.1 acres = \$7398.75  
An average of \$66.60 per acre

Example No. 6  
Farm signs up to make minimum diversion, plants 45 acres of wheat, and 55 acres of grain sorghum.  
45 X 40 X \$1.35 = \$2430.00  
Value of certificates (domestic only) = \$1181.25  
Grain Sorghum 55 X 4500 X \$1.70 = \$4207.50  
Gross income from the 111.1 acres = \$7818.75  
Average gross--\$70.38 per acre

## HPRF Board Meeting Slated

The board of trustees of the High Plains Research Foundation will hold its semi-annual meeting at 10 a.m. preceding the Eighth Annual Field Day the afternoon of September 10. The meeting will be held in the conference room of the Foundation's Killgore Memorial Building at Halfway, Harold Hinn of Plainview and Dallas is chairman of the board and will preside.

The board will review the progress made in the agricultural research program of the Foundation for 1964. They will also determine the research program to be followed for 1965 and the budget for 1965 to accomplish this program. Plans will be finalized for operation during 1965 of the new 504 acre demonstration research farm.

The new farm is located between the Mayfield community and Cotton Center, 9 miles directly west of Hale Center. This farm is being purchased from Mr. and Mrs. Frank Triplett. It was homesteaded in 1896 by Mr. Triplett's father. The Triplets made the first contribution to the purchase of the farm. Various committees of the board will make reports.

Wives of the board members will be entertained during the board meeting by the Plainview board members' wives and the wives of the Foundation staff.

Members of the board of trustees will play a major role in the Field Day program the afternoon of the 10th. They will be hosts at the 5 major events of the day. Fourteen members of the board will be hosts at

various hours of the afternoon in the registration tent. This group is under the direction of Jimmy Willson, Jr., of Floydada. Here they will take care of the registration and distribute printed programs of the day. They will also guide the visitors to the agricultural displays in the tent, consisting of a Soil Conservation Service display featuring the Running Water Draw project, display of noxious weed control program, and the home demonstration display. Also on display will be the combine cab and the \$10,000 rare gold coin to be given away at the end of the day's program.

This year, for the first time, National 4-H Club Week is scheduled for the fall instead of the spring. It will be observed September 26 to Octo-

ber 3, and corresponding dates will be observed in the future.

Suits get mussed as much from being crowded against other suits in closets as from being worn. To prevent this, upholstery tacks may be driven into tops of wooden clothes rods or heavy rubber bands may be wrapped around metal rods at equal distances to keep the clothes spaced apart.

## At Home In Parmer County

By CRICKET B. TAYLOR  
County HD Agent

### 4-H NEWS

Many 4-H girls are already working on exhibits for the Fair in September at Lazbuddie. Some are working on canning, others on clothing and of course those girls that recently participated in the County 4-H Bake Show will be a jump ahead as they worked to achieve a good product for the show and with a little more practice they should really make a good showing at the Fair.

The girls participating in the County Better Bake Show whose names were not included in last news report were: Delayne Steinbock, Lazbuddie, white ribbon; Ann Blackstone, Lazbuddie, red ribbon; Cheryl Boling, Farwell, white ribbon; Kathy Coker, Lazbuddie, red ribbon, and Kathryn Gober, Farwell, red ribbon. All the products were exceptionally good but of course all could not be first.

Only nine girls entered the bake show this year. It is hoped that more of the girls will enter this contest next year as the experience is very worthwhile.

### TOMATO TIPS

Know how to peel tomatoes quickly and easily?

Try any one of these three suggestions. They make the job easy.

\*Stroke the skin with the dull

edge of a knife blade until skin is loosened, or

\*Dip the tomato in boiling water for 1 minute, then cool at once in cold water, or

\*Run fork into tomato and rotate it over heat of cooking unit until the skin is tight and shiny.

Cool at once in cold water. The peel will come off easily after any of these treatments.

### OF INTEREST TO PARENTS

From the Kentucky School of Dentistry comes this very encouraging note about teeth.

If Johnny comes home with a front tooth in his hand instead of in his mouth, don't panic, says an official of the school of Dentistry, Head for the nearest dentist's office on the double.

"And don't forget to take the tooth with you -- for it can be put back where it belongs," says Dr. John R. Mink of the Kentucky School.

Permanent teeth can be replaced, if treated quickly enough and are likely to last six months to six years. The trouble is when a tooth is knocked out, parents forget to take the tooth with them when they go to the dentist.

While on the subject of teeth, don't forget the importance of milk in the diet of those growing boys and girls. One quart a day is needed because its very best source of calcium--needed to build bones and teeth.

Do you know that it takes about 12 years to build a tooth? The tooth structure is formed during this period of growth. If sufficient building material is lacking, the tooth structure may be weakened.

The average daily menu just does not contain enough calcium for development of sound teeth and bones without milk. An adequate diet is essential for alertness and learning, and what parent isn't interested in little junior being head of his class? "Food for families with

## Headliners At The Supermarket

Shoppers should find this consumer information helpful as they make purchases at their favorite food market during the week, says Mrs. Gwen Clayatt, Extension consumer marketing specialist.

At retail meat counters, look

for best beef values on ground beef, arm and blade pot roasts and steaks, rib steaks and roasts and ground steaks.

Pork values should include smoked picnics, boneless cooked hams and spareribs. Fryers continue to be high in quality and low in price. Grade A large eggs offer the most quality for one's money.

Fresh fruit and vegetables items in greatest supply the most pleasing prices include bananas, lemons, cantaloupes, plums, watermelons, squash, head lettuce, eggplant, cabbage, dry yellow onions, sweet corn,

cucumbers, green beans, southern peas, green onions and beets. Radishes are featured at some markets.

Some brands of frozen orange juice concentrate are featured this weekend.

By careful shopping, consumers will find other special features in their favorite markets.

FIRST LOAD OF MILO: Guy Austin brought the first load of milo of the season for Parmer County from the Austin Brothers farm at West Camp to Sherley-Anderson-Pitman elevator on Friday, August 28. The milo, of the Frontier variety, was from a 100 acre field. It was planted on April 20 reaching maturity in only three months. Test of the 16,120 load was 57 with a moisture content of 16.58, Austin received a bonus of \$25. on the load. Fred Chandler, office manager, center, examines the load of grain along with Austin and Wayne Carr, elevator employee.

## Production Credit Associations Set Public Relations Conference

The Plainview Production Credit Association will be represented at a state-wide public relations and new business development conference at the Stagecoach Inn in Salado, Wednesday and Thursday, Sept. 9-10.

Co-sponsored by the Public Relations Committee of the Production Credit Associations of Texas and the Federal Intermediate Credit Bank of Houston, discount and supervisory agency for the 36 Texas agricultural financing institutions, and the conference will feature two out-of-state speakers and a public relations-publicity workshop.

H. L. Howerton of Plainview, assistant manager of the Plainview PCA, will attend the meeting. The Plainview PCA provides more than \$45,000,000 annually in agricultural financing in an eight-county area of the High Plains. Offices are operated in Plainview, Muleshoe, Littlefield, Floydada, Friona, Tulia, Silverton, Dimmitt and Olton.

Featured on the program will be T. R. McGuire, vice president of the Federal Intermediate Credit Bank of St. Louis; Merle E. Betts, public relations director of the Farm Credit Banks of Omaha; J. D. Sartwell, president of the Port City Stockyards in Houston; J. L. Hill Jr., general manager of the Stamford Production Credit Association and Moody Rankin, former general manager of the Winter Garden Production Credit Association at Pearsall.

Roy Scudday of Fort Worth, public relations director for the PCAs of Texas, and Jack Barton, assistant vice president of the Intermediate Credit Bank of Houston, will conduct a workshop and roundtable discussion on public relations and publicity.

Other activities will include a luncheon Wednesday noon and a dinner Wednesday evening, both in the Stagecoach Inn dining room.

The 12-man PCA Public Relations Committee will hold its fall session Wednesday night at the inn.

President W. N. Stokes Jr. and Secretary Ellis Lanier of the Intermediate Credit Bank

in Houston, will preside at the two-day conference.

"Public relations is an increasingly important function of any successful and progressive business, association or organization," Scudday stated. "This conference gives us the opportunity to strengthen our association public relations on the local and regional level."

The 36 home-owned and operated Production Credit Associations and 14 other agricultural financing institutions, had a total volume of more than \$520,000,000 in farm and ranch financing discounted through the Intermediate Credit Bank during the fiscal year ended June 30, 1964. This was the highest total in the associations' 30-year history in Texas.

If you're freezing vegetables, be sure to blanch them. This is an important step in freezing virtually every vegetable. If they are not heated before freezing -- or heated enough -- the enzymes which have helped the vegetables to grow and mature will continue to be active. The vegetables may develop off-flavors, discolor, or toughen so that they are soon unappetizing, food specialists remind. Check your freezing manual for the correct blanching time

## Light Flashes Upset Insect's Life Cycle

What's new in the way of insect controls? The not-too-distant future may provide for the control of some insect pests, a "new" ingredient -- light! Research has found that the normal life cycle of one insect pest, the imported cabbage-worm, can be upset by exposing it to flashes of light last-

ing less than one one-thousandth of a second. The Agricultural Research Service, U. S. Department of Agriculture, has conducted experiments on this test insect at Beltsville, Md. Photoflashes given nightly to the cabbage-worm in the larva or destructive caterpillar stage

upset the growth sequence later in its life cycle, report ARS scientists. The insect developed from a pupa in its cocoon into an adult butterfly when it normally would have entered a dormant stage called diapause, explain the scientists. Diapause is similar to hibernation and is a vital phase of the life cycle of many major insect pests.

ARS scientists say this new photoflash technique may have potential value as a biological control method against insects. Forcing insects in their natural environment to bypass diapause and develop into adults "ahead of schedule" would probably cause them to be so out of step with nature that they would perish, explain ARS entomologists. The ARS emphasizes, however, that its findings do not

prove photoflash can be used to control insects under field conditions. Since light treatments that alter insect development have little or no effect on plants, this new knowledge is expected to heighten research interest in photoflash as a possible means of control.

Airplanes and helicopters flew 55,578 hours during 1963 on missions for protection and management of national forests, with 70 per cent of the hours directly related to fire fighting.

# Membership Drive This Month

During the month of September a 4-H membership campaign "Each One Get One" is being held throughout the State of Texas. The Farmer County

4-H committee has made plans to join this drive.

Plans include to re-organize community 4-H clubs in Lazbuddie, Farwell, Oklahoma Lane, and try to organize clubs in Bovina and Friona.

4-H interest survey sheets are being distributed thru all Farmer County schools next week. Boys and girls interested in learning more about 4-H Club work should complete and return a survey sheet to their school.

"If you don't hear about these thru your school by September 9, ask your principal about the 4-H Interest Survey," says County Agent Joe Van Zandt. Orientation meetings in each

of the above towns will be held the latter part of September. At these meetings parents and club members can learn more about club work and decide whether they want to organize a 4-H club.

A good, worthwhile 4-H program in a community is dependent on the local leadership. Adults to serve as leaders are necessary. Nearly everyone has a busy schedule. When several leaders share the load and responsibility a good job can be accomplished and not overload anyone.

"If you are interested in seeing a progressive 4-H program developed in your community, please notify the county extension office in Farwell, phone 481-6319," asks Van Zandt.

This 4-H campaign is preceding National 4-H Club Week, September 26 to October 3. Civic clubs and organizations that would like to have a program presented on 4-H Club work between September 14 and October 3, should contact the county agent to see if a meeting date is open.

To select a tender steak, consider two things--the cut and the grade. The most tender are porterhouse, T-bone, sirloin and club steaks

## 4-H...learning for living

Extension Service of the State Land-Grant College and University and the U.S. Department of Agriculture Cooperating

### On The Farm In Farmer County

BY JOE VAN ZANDT  
County Agent

Is the storage bin on your farm insect-free and ready for those soon-to-be-harvested grains?

Stored grain insects inflict enormous losses upon grain producers each year. Insects destroy an estimated two per cent of the nation's farm-stored grain each month.

Among the most destructive stored grain insects in Texas are rice or corn weevils, lesser grain borers and Angoumois grain moths.

Protection against these pests is begun by storing grain only in bins that have been thoroughly cleaned. Old grain, trash, feed sacks and other debris that furnish living quarters for insects should be removed. Cracks should be covered to prevent grain from collecting, and grain and other material beneath and near the bins should be destroyed.

After cleaning, spray the inside with either methoxychlor or malathion at the rate of about two gallons per 1,000 square feet of surface area. It should be remembered that grain to be stored should be clean and sound and have moisture content of 12 per cent or less.

Also, when filling the bin, allow adequate working space for fumigation and inspection of grain.

Premium grade malathion may be used as a grain protectant on wheat, oats, rice, corn, rye, barley, grain sorghum, peanuts and field or garden seeds. It can be applied as a dust or spray at the time the grain is being placed in final storage.

Several liquid fumigants are effective in killing weevils and beetles which feed below the grain surface. Some of these include ethylene dichloride, carbon tetrachloride and carbon disulphide (HI-Life).

Before fumigation, spray the outside of the bin with a residual spray such as malathion to kill insects that may be forced out of the building by the fumigant. The bin should be made as tight as possible before fumigation and the grain surface be level to insure even penetration.

Fumigants, when applied properly, will penetrate grain and in most cases kill all stages of insects to a depth of 10 to 12 feet. Best results are obtained if fumigants are applied when the air is calm.

Since fumigants are dangerous, precautions listed on the manufacturer's label should be followed carefully. When applying fumigants, always work with someone who can assist you in case of an accident or ex-

posure. Additional information on the control of stored grain insects can be obtained at the county agents office.

FIELD DAY  
The South Plains Research and Extension Center, 7 1/2 miles north of Lubbock on U.S. 87 will hold its Annual Field Day on Tuesday, September 15.

Tours will start at 1:00 p.m. and will continue throughout the afternoon. This is a "must" on the program of anyone interested in agriculture. You will see broadcast cotton, grain sorghum variety trials, weed control, cotton diseases, sub-irrigation and other up-to-the-minute research projects.

4-H INTEREST  
Plans have been made to increase our county 4-H Club program during September. Club Work is an excellent way for boys and girls, 9 years and older, to learn how to become more useful citizens for tomorrow.

We need interested adults to help if a worthwhile 4-H program is to develop. Notify the county agent's office if you are willing to help.

FARMERS USE 85 PER CENT OF THE HAY they produce. Normally the U.S. produces 117 million tons of hay a year, but only 15 per cent of this enters commerce.

MILK IN SOFT DRINK BOTTLES is next for the American public. The August issue of the Dairyman magazine reports that a Wisconsin firm has been formed to bottle milk in soft drink-type bottles for vending machine sales. Chocolate milk will be the first produce offered.

Grand Prize Consists Of Expense-Paid ★ Trip For Two To

Cotton Bowl In Dallas, January 1, 1965

- ★ Expenses Include 2 Tickets To Cotton Bowl Game, Paid Hotel Reservations For 2 And \$55. For Food And Travel ing Expenses

You Don't Have To Be A Football Expert

**Contest Rules**

1. There are 10 high school and/or college football games listed in ads on this page.
2. Pick the team you think will win in each game and place the WINNER'S NAME beside same advertiser's name in the contest entry blank at bottom right of this ad.
3. Pick the score of the tiebreaker game and place your guess in the appropriate blanks on the entry. The tie breaker game will not count on your won-lost record. It will be used only in case of a tie.
4. Winners will be named by the Monday following the contest deadline each Friday and they will be named by Saturday, if possible. Cash prizes of \$5 for first, \$3 for second, and third prize of \$1 will be awarded.
5. Tabulations of individual entrants will be kept all season and at the end of the season a grand prize winner will be named. Grand prize winner will receive two free tickets to Cotton Bowl games plus hotel, food and traveling expenses to Dallas and the January 1, 1965 football classic.
6. There is nothing to buy. No requirements other than to bring the entry blank, filled out, to The Blade office by 5 p. m. Friday of each week.
7. Only one entry blank may be submitted per individual. If more than one blank is submitted by an individual, all will be disqualified.
8. Tabulations will be available for public inspection. Members of Blade staff will serve as judges for contest.
9. Everyone, except employees of this newspaper and their families, is eligible to enter.

It's Fun ! It's Easy ! You May Win ! Don't Lose Out . . . Enter This Week And Every Week !

Be A Lucky Cash Winner. All You Do Is Pick The Winner. There's Nothing To Buy, Nothing To Subscribe To. Enter Now!

Turn This Blank Into Blade Office By 5 P.M. Friday

The group spent the weekend swimming, skiing, playing softball and forty-two.

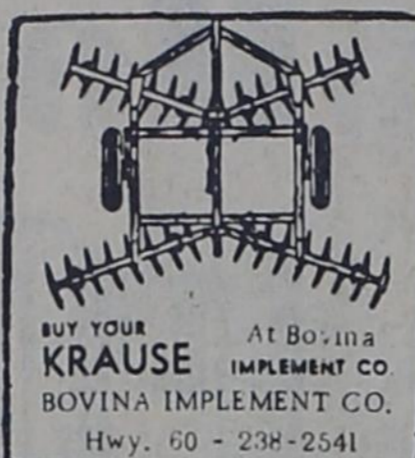

Attending were Mr. and Mrs. Donald Malcom and family of Duncan, Okla.; Mr. and Mrs. Laxton Malcom and family of Fredrick, Okla.; Mrs. Max Selbold and children of Lawton, Okla.; Mrs. Forrest Moss and children of Odessa, Mr. and Mrs. Billy Malcom and family of Tulla, John Russell of Monahans and Mr. and Mrs. M. H. Carson and family of Bovina.

### LEGAL NOTICE

THE STATE OF TEXAS

TO: Loodema D. Hewett, L. D. Hewett, Joseph De Oliviera, Juan Jose De Oliviera, Josesta De Oliviera, Salome Madrid De Oliviera, Rhea M. De Oliviera, Paul F. De Oliviera, R. E. Dunlap, and the unknown wife or wives and husband or husbands of each of the above named parties, each of whom is unknown to Plaintiff, and if any of the above named parties is deceased, then his unknown heirs, assigns and legal representatives, all of whom are unknown, and all of whose addresses are unknown, and the unknown persons owning, having or claiming any interest or lien of any nature in or to the land and property hereinafter de-

# WANT ADS

scribes, and all of the unknown heirs, assigns, and legal representatives of all of said above named persons, Defendants, GREETING:

You are hereby commanded to appear by filing a written answer to Plaintiff's Petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of the issuance of this Citation, same being Monday, the 5th day of October, A.D. 1964, in this cause, Numbered 2498 on the docket of said court, and styled:

SAM ALDRIDGE, Plaintiff vs LOODEMA D. HEWETT, ET AL, Defendants.

The names of the parties to the cause are as follows: Sam Aldridge is Plaintiff; and Loodema D. Hewett, L. D. Hewett, Joseph De Oliviera, Juan Jose De Oliviera, Josesta De Oliviera, Salome Madrid De Oliviera, Rhea M. De Oliviera, Paul F. De Oliviera, R. E. Dunlap, and the unknown wife or wives and husband or husbands of each of the above named parties, each of whom is unknown to Plaintiff, and if any of the above named parties is deceased, then his unknown heirs, assigns and legal representatives, all of whom are unknown, and all of whose addresses are unknown, and the unknown persons owning, having or claiming any interest or lien of any nature in or to the land and property hereinafter described, and all of the unknown heirs, assigns and legal representatives of all of said above named persons, are Defendants.

A brief statement of the nature of this suit is as follows, to-wit:

Plaintiff sues for title to and possession of the following described land, to-wit: All of Garden Lots 4 and 5, of Section 31, Township 9 South, Range 1 East, of a Capitol Syndicate Subdivision in Parmer County, Texas, having filed a petition alleging suit in trespass to try title in the above case, alleging ownership and title to said land and claiming title to said land by virtue of the 10-year statute of limitations, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within 90 days after the date of its issuance it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law and make due return as the law directs.

ISSUED AND GIVEN under my hand and the seal of said Court at office in Farwell, Texas, this the 20 day of August, A.D. 1964.

ATTEST: Dorothy Quickel District Clerk, Parmer County, Texas.
