## Up The Canyon

By TOM  
RUSSOM

Hot dry weather still has its grip on the Canyon and the need for rain is badly felt. The last few days we have been over a wide area and most of it is much drier than our area is.

We had a load of lambs down on the San Angelo market a few days ago and it was plenty dry in that area too, and the sheep market was everything but good. However, at this time a year ago the market was about like it is now. It began raining and the market improved a great deal.

Good stocker lambs were selling the day we were there at 18 cents per pound. Fat lambs were up to 21 cents and some good 3 and 4 year olds ewes sold for \$11.25 per head.

A friend of mine said that the sheep runs had been real heavy. He said a very large area in the state was really dry.

While we were at market a load of real fat cattle came in, and after inquiring around I learned they came from the Johnson grass and wheat fields in the Rock Springs area.

The opinion of the sheep owners is to hold the sheep a while longer, if we have the grazing to do so.

There were quite a few from the Canyon attended the McWilliam - Moore wedding in Trent last Friday. We had a little visit with Clyde Moore, uncle and aunt from Seymour. Clyde said the crops there were good, but was needing rain real bad. He said the milo was turning red and the cotton was in bloom.

Allen King has spent a few days in Hendrick Memoria Hospital for a check up. A few from the Can-

## CITY ENGINEER TO CHECK SITES

Board members of the Merkel Hospital Authority met Monday evening, July 18 at the Asteroid Restaurant in their regular session to discuss sites for the proposed hospital.

"We have at the present time two sites offered the Merkel Hospital Authority," said Bill Wood, board president. "One of the sites is on the south side and the other site located on the north side. However, our city engineer will need to check out both sites before a decision can be made."

In discussing the progress made toward building a hospital in Merkel, board member Lawton Finch said that "progress has been slow but as with anything that is as important as this, every detail must be fully cleared. Two weeks ago the board met with Mr. C. M. Smith of the First Southwest Company in Abilene to act upon reports to the board from the market attorneys in Dallas in regard to the proposed revenue from the new hospital, as it relates to the yearly retirement of the bonds. The Market attorneys have been in touch with the Attorney General's office in Austin who will have to approve the revenue bonds for the construction of the hospital."

In discussing the proposed plans for the hospital, which has been basically approved by the board, Wood said that there were lots of avenues yet to be examined. "We're trying to get the quickest way and yet the soundest way financially."

The Merkel Hospital Authority which is city created, "was created under and by virtue of the provisions of the Hospital Authorities Act."

In a June 21 Memorandum to Mr. Smith of the First Southwest Co., provisions of the Merkel Authority were outlined as follows:

1. "The Authority may issue revenue bonds to provide funds for any of its purposes. Such bonds shall be payable from and secured by a pledge of the net revenues to be derived from the operation of the hospital or hospitals and any other revenues resulting from the ownership of the hospital properties . . ."
2. "Apparently, the City of Merkel has no past history of a hos-

## Star Nursing Home News

BY MARY OUTLAW

It has been such a long time since I have had any time for news, but now that I'm "grounded" I will try to "catch you up" on news around here.

We have had a lot of senior citizens who have passed away in our home. Ada Higgins had been with us several months, but the Good Lord saw fit to take her home. She was such a sweet patient, and we miss her very much. Mrs. Pearl Jones passed away June 17. We had not had her very long, but we had learned to love her as our very own.

Charlie, Bow passed away the 23rd of June. He had been a patient here for several years and we do miss him so much.

Mrs. Ella Hubbard from Hamlin, who passed away recently, had been a patient here for almost two years.

To those dear people of the deceased, we extend our sympathy.

Mrs. Laura Turner recently was on a two weeks vacation, visiting her daughter on the Plains.

Foster Watts has had lots of visitors lately, which he appreciates. He is much improved at time of this writing.

My thanks are extended to M. L. Jones, one of my patients, for the beautiful orchid mums that he sent during my stay in the Gorman Hospital.

We have another one of Mrs. Chancey's sisters besides Mrs. Maggie Whitescarver. She is Mrs. Jewel Hart. Mrs. Hart is such a nice lady, come by and visit with her.

My thanks also goes to Jim McAntioch for the nice birthday card of his that he sent our patients. We appreciated it so much.

We have a new patient from Hamlin — she is Mrs. Carrie Waddle.

Mrs. Maggie Higgins is getting along fine, but she misses her roommate — Mrs. Ada Higgins.

Mrs. Ash is doing better. Floy comes and gets her for lunch and takes her for a ride. It helps so much to be remembered.

Mr. Tatum is still with us and invites his friends to come by and inspect his new hearing aid that he invented.

Mr. Love visited his son in Haskell recently, but he is back now and we are glad to see him.

Mrs. Caroline Davies of Sweetwater is our old "stand by." She visits each patient each day and cheers them in any way she can. Wish we had more "Mrs. Davies."

Dovie Stephens is fine at this time and would enjoy your visits. Joe Smith who has been bedfast for several weeks is up and able to be in his wheel chair.

Mrs. Sudie Ward had visitors recently from Buffalo Gap.

We will have more news of the residents of Starr Nursing home next week.

## UP THE CANYON

Continued from Page One

you were up visiting him. He is expected to be back home in a few days. Also C. Riggan of Merkel were among the visitors.

Pioneer Church is planning a 30 day Revival meeting to start July 24. Our pastor, Charles Williams will begin the revival and former pastors of the church will preach during the week. We are looking forward to having a fine meeting.

Speaking of things to come in our community, one is the Annual Second Sunday All Day Singing and "dinner on the ground." Everyone is to bring a basket dinner to serve at the noon hour. B. B. Little of San Angelo is president of the association, and he said he was contacting the Campbell Quartet of Levelland. We are also looking for the Eastland County Quartet to be here at the singing.

Pete Tyrone, formerly of Nolan, is a member of the group. Also the Loraine Quartet is to be here.

If anyone knows where we can locate some old time air cool ceiling fans that could be put in our Community Center, we would appreciate knowing about it. Just call or write Tom Russum, Rt. 2, Merkel.

### CARD OF THANKS

I want to express my thanks at this time for the flowers, cards and visits while I was in the hospital at Gorman, Texas. And especially, do I want to thank my staff, including Wallace Doan, who was administrator while I was away, the nurses and their aids and the cooks, laundry help and housekeeper, Joyce Dees, my daughter, Ruth Pangle, who kept my books. You did a marvelous job and I appreciate it and especially Dr. Sadler and Vivian Davis who took care of my patients while I was away.

Sincerely,  
Mary Outlaw
