Starr Nursing Home News

By Mary Outlaw

This has indeed been a busy summer and fall and it seems that all I have had time to do is work long hard hours usually from 9 a.m. to 10 or 11 p.m. stopping only long enough to go to church and to the grocery store. Canning has been my biggest hobby and freezing foods my greatest project, or whatever you might call it, but anyway we have lots of frozen vegetables, fruits and meats.

I would like to fill in on the happenings at the Nursing Home, especially for those unable to visit us in our home and only get the news by radio, TV and newspaper and to those who receive the Merkel Mail in other states. I do know that Brenda and Jim Hair, my grandchildren of Chandler, Arizona, reminded me that I hadn't been writing the news from the Home for some time.

The churches who have filled their appointments lately are First Baptist Church-Merkel, Tye Methodist Church, Stith Baptist Church, Tye Baptist Church, Calvary Baptist Church-Merkel, Merkel Assembly of God, First Baptist Church-Trent, Church of Christ-Trent, Noodle Baptist Church, Salvation Army Church-Abilene, Hebron Baptist Church, Tye Church of God and Hodges Baptist Church. All of the churches brought good services and we do appreciate them very much.

We had a real treat when Rev. Jackie Reynolds held services at Hebron Church and he came over to hold a service at the Home. We will always remember Jackie for he used to sing each Sunday at the Nursing Home at 9 o'clock a.m. He was never too busy to come each Sunday with the other First Baptist Church people. Then he began to preach and we have never forgotten him or what he did to make our patients happy.

We wish to thank the Salvation Army Church for bringing their music and the Hershey Bars they brought each patient.

Many of our patients have gone "home" since my last article was written. A Christian knows what that means. We hate to lose them and we miss them, but we do know that they are free of suffering and they are in a much better place than we have here. Mrs. Willie Harris, age 88, Mrs. Anna Robertson, age 81, Mrs. Sarah Herron, age 93, Mrs. Laura Elliott, age 91,

Mrs. Concho Tinoco, age 97 and 1/2, Mr. Alvin Wozencraft, age 92 and Mr. Milard King, age 92. Some of these patients were with us over five years, others long enough for us to love them as our family and we miss them.

The Tye Scouts have been visiting the patients and singing and bringing them gifts they made which we appreciate.

All the patients have had lots of visitors but space won't permit names at this time. Visitors are always welcome. Well, we finally got Uncle Tom Ragby for a patient. We are very glad to have him in our home. He is considered one of the best friends I ever had. For years he used to fish with Wiley and me.

We wish to thank the nice people who have brought us white sheets for pads. We are always in need of white rags.

Our sympathy goes out to Mrs. Ollie Brookerson who lost her son by death last week. Mrs. Brookerson will be 95 the 21st of this month, but plays the piano to entertain the other patients and is really a nice person. Come by and ask her to play the piano for you sometime.

Before Halloween, the Trent W.M.U. ladies decided to go on a Trick or Treat just before Halloween so they could treat all the patients here in our home. So they went from house to house and members from each church in Trent gave gifts to them so on Halloween, Carolyn Frazier, Vera Sharp and Barbara Henderson brought a paper bag decorated with goblins and pumpkins and etc., with candy, chewing gum, talcum powder, Kleenex, cookies and lotion for each patient. It was the best Halloween the Nursing Home has ever had, and we thank the people of Trent for being so nice and remembering our little family.

We wish to thank Hettie and Warren Price of Baird for the nice mustard greens they gave us last week. The patients really like greens and enjoyed them so much.

We want to thank the ladies from the many clubs and organizations who bring cupcakes and gifts each month for each patient that has had a birthday in that month. It is so very nice for them to remember them on their birthdays.

The patients enjoy Bro. Newt Daniels' visit each week. They call him "the candy man". Bro. Daniels we appreciate you for your visits to each individual. You have brought happiness to many during your stay here in Merkel.

The patients are still enjoying the Abilene Reporter-News that David Gamble furnishes them to read each evening. It is so nice of Mr. Gamble to do this for the patients who can read or enjoy being read to. Also, we thank The Merkel Mail for the five issues of the Mail they send to us each week.

Mrs. Juanita Griffin of California has gone home after visiting her brother, Billy Jo Holley. Billy Jo passes out the evening papers and does little jobs around the Nursing Home. Billy Jo has been with us for several years.

We went up to Plainview and gathered 18 bushels of tomatoes which we have enjoyed fresh, canned and frozen. We divided some with our friends and neighbors.

We have some hogs we have been feeding. It won't be long until butcher time. The patients are looking forward to good fresh sausage to go with their hot biscuits they have each morning.

Rodeo Club News

By LEE ANN BUTMAN
The Merkel High School Rodeo Club held a meeting on Wednesday at 8 p.m. at Don McDonald's.

The MHS Rodeo Club Sponsors are Mr. and Mrs. Wiley Wilson and Mr. and Mrs. Rick Mullin.

The meeting was called to order by Wiley Wilson. It was decided the MHS Rodeo Club will hold their meetings the first Monday of every month. The meetings will be held at the Merkel Restaurant at 7:30 p.m.

The members present at the meeting were: Jeanina Griffith, Jackie Minze, Cindy Byrd, Bart Whisenhunt, Pam Hagar, Roger Doan, Rita Watts, David Sparks, Tonja Crenshaw, James Allison, Lee Ann Butman, David Kraatz, Audy Byrd and Cindy Whisenhunt.

A motion was made to re-elect officers, was seconded, and put to vote and was carried. The newly elected officers are: James Allison, President; David Kraatz, Vice-President; Cindy Whisenhunt, Secretary-Treasurer; Lee Ann Butman, Reporter; and Rita Watts, Sweetheart.

Some of the MHS Rodeo Club members will be entering the Sweetwater All Girl Rodeo held November 17. The deadline for the entries are November 12.

The next MHS Rodeo Club Meeting will be held Wednesday, November 28, at the Merkel Restaurant at 7:30 p.m.

Ladies Golf News

The Merkel Ladies Golf Association monthly meeting and supper has been changed to next Tuesday, November 20 at 6:30 p.m.

With the time changing and the cold weather, it has been difficult for all the ladies to complete a round of golf on Tuesday evening. Come to our monthly supper and visit with everyone and discuss what can be done this winter when the weather is too bad to play golf. We want everyone to stay interested until next spring when we can make plans to play golf regularly.

Down and Up... Changes in Regulations... Fuel Problems... Red Meat Production Declines

A seven per cent drop in the all farm products index of prices for Texas farmers was noted by the Texas Crop and Livestock Reporting Service.

The livestock and livestock products was down nine per cent and the all crops index was down five per cent below a month ago.

Prices received by farmers for hogs, beef cattle and calves were down from a month ago. Corn and grain sorghum prices were also down from a month ago.

Ten commodities were above parity. Wheat at \$4.23 per bushel was 73 cents per bushel above parity. Rice is almost \$5 above parity. Potatoes are 54 cents above the parity ratio of \$4.31 per hundredweight.

In livestock categories, hogs at \$39.80 average are \$2.60 above parity. Calves averaged \$58.30 which is \$4.30 above parity. Sheep at \$17 are \$4.50 above parity. Beef cattle are \$2.60 under parity; lambs are \$12 under parity.

Grain sorghum at \$3.47 per hundred is 50 cents below parity. Cotton at 37.5 cents per pound is almost 30 cents under parity.

Egg prices averaged 57.9 cents per dozen which is almost six cents below last month and six cents below parity. Mohair at \$2.40 per pound is about 90 cents above parity; wool at 97 cents is about 25 cents under parity.

REGULATIONS relating to cattle scabies and brucellosis are affecting some Texas counties.

Federal quarantines for cattle scabies were lifted from Parmer and Potter counties. Castro and Deaf Smith are still under quarantine. Scabies are caused by tiny parasitic mites that puncture the skin of cattle and feed on the body fluids released through the wounds. Scabies does not affect the animal's meat, but can cause loss of weight and decreased feed efficiency.

Health regulations governing interstate shipment of breeding cattle from 11 counties in Texas have been changed.

The action was based on the counties' compliance, or lack of compliance, with state-federal requirements aimed at eradicating brucellosis.

Kenedy County regained its modified-certified brucellosis area status while Baylor, Bell, Cass, Henderson, Leon, Mitchell, Navarro, San Saba, Tom Green and Uvalde counties lost their status for failing to meet certain minimum requirements of the eradication program.

FUEL problems continue to haunt Texas agricultural producers. Diesel at present appears to be causing the most concern. LP gas is in short supply in some areas. The general situation seems to be one of confusion, especially concerning the mandatory allocation of diesel.

Fertilizer shortages are also being reported as are occasional reports of lack of baling wire.

RED MEAT production in Texas is down four per cent in September compared to a month previous and seven per cent under a year ago.

Cattle slaughtered in Texas totaled 268,000 head, which is 22,000 below a month ago and 32,000 less than a year ago.

Homemakers Presented Christmas Program

The Taylor County Young Homemakers met November 8 in the home of Mrs. Joe Gregory for their regular monthly meeting.

Kathryn Cawley, representative from Lone Star Gas, presented the annual Christmas program, "Visions of Sugarplums." The 40 members and guests present went home with many festive recipes and gift ideas.

After the business meeting during which the chapter decided on a project for the local rest home. Every member present honored Mrs. Billy Patton with a cake and a silver platter.

Mrs. Patterson Receives "Order of Rose" Degree

Xi Nu Chi Chapter of Beta Sigma Phi met Tuesday, November 6, in the home of Mrs. Carroll Benson.

After the regular business session, the program was given by Mrs. Jack Boone, assisted by Mrs. Edgar Tipton and Miss Christi Boone, Subject was "Good Lives."

AUDY BYRD... FFA sweetheart

Miss Bird Named FFA Sweetheart

By JAMES ALLISON
Tuesday, November 6th, there was a meeting of the Merkel Chapter of the Future Farmers of America at the Agriculture Department at Merkel High School. Present for the meeting besides the members were two guests, Mr. Alvin Braune and Mr. Joe Henry and Advisor C. H. Collinsworth.

The business meeting included the initiation of first year members. There were several Greenhand members initiated into the chapter. Requirements for this degree are to be actively enrolled in a Vocational Agriculture class, have a Supervised Project Program or to have made plans for one. Also, at the meeting, Roger Ely, Senior at Merkel High, was elected Vice President.

The 73-74 school year F.F.A. Sweetheart is Miss Audy Byrd, a sophomore at Merkel High. She is the daughter of Mr. and Mrs. Teddy Byrd. Audy is also active in the Rodeo Club and Band and has been a MHS twirler.

Mrs. Mathews Observes 94th Birthday

The children of Mrs. R. H. Mathews are holding Open House for her on her 94th Birthday Nov. 16 from 2 to 5 at her home at 412 Orange St. Friends are invited to come by.

Cadette News

By PATSY BIERA
The Cadettes have three new members. They are Susie Shelton, Charleen Fariello and Vicki Hernandez.

The Cadettes went to the cotton gin. They saw the process of how cotton was made into bales.

The refreshments were served by Patsy Biera. There were eight attending the meeting.

The Veterans Administration during the fiscal year 1973 spent more than \$2.5 billion in communities throughout the nation for medical and related care and supplies in connection with the agency's hospitals and clinics.

ENERGY CONTROL MEASURES STRESSED

Americans now consume about 29 percent of available energy in industry, 25 percent in transportation, including getting back and forth to work, 21 percent for residential and commercial purposes and 25 percent for utilities, according to information distributed by the Office of Emergency Preparedness.

Those persons who live on bus lines are encouraged to ride a bus back and forth to work. It takes up to five times more energy to get a person from home to work in an automobile than it does by bus. For those who are not near bus lines, car pools are suggested.

Those who must use their cars are asked to reduce speed. A car traveling at 50 miles per hour uses approximately 10 percent less gasoline than one traveling at 60. Jack rabbit starts are wasteful of gasoline, as is the habit of speeding up in traffic only to have to apply the brakes quickly and more often.

Proper maintenance of your automobile will cut its gasoline consumption. Such things as keeping it tuned and keeping tires at proper level of inflation also add to the number of miles per gallon.

Trips to the grocer, the bank, the cleaner and other everyday errands should be planned to make one trip do the work of several.

Conservation of heating fuel is also important. Lowering the temperature when the house is unoccupied and at night can be an important factor. Weatherstripping, insulation and good storm windows and doors are fuel savers.

Closing draperies can also deflect drafts thus saving another small amount of fuel.

In the summer, many of the same principals as those used for conserving heat can also save on air conditioning.

For both heating and cooling systems, keeping them in good condition, replacing air filters when they become clogged and having professionals check them periodically will also cut energy consumption.

Of course, the simple measure of turning off lights and appliances when they are not needed is one of the easiest ways of conserving many kilowatt hours of electricity.

Everyone's responsibility is to conserve energy as much as possible. When you save energy, you save money and you help your community and your country immeasurably.
