## Elections, MISD meets in Tye, Crazy Days, Season Tickets and Wild Bill

by Cloy A. Richards

As the November general election draws closer, presidential candidates Ronald Reagan, John Anderson and President Carter are sharpening their tongues for lashes at the other candidates and their respective parties.

You see thousands of words in the print medium, hundreds of minutes on television and listen to report after report on the radio concerning the candidates stand on this issue and that, but I believe the choice between the three men could be put in the following nutshell:

Voters will have to choose between Reagan, who fires from the hip without the facts, between Carter, who has to defend the facts his administration has created over the last four years, and John Anderson, who wants us to believe his ideas can become facts.

If your voter registration is not current by October 3rd, you will not have a voice in which man will run the country, thereby, losing your right to complain about the actions of the next president.

Voter registration cards are available from the voting office in the Taylor County Courthouse on the second floor.

MISD's school board has come up with a brilliant idea to hold meetings in Tye.

We think the move is a good one to allow interested parties in Tye a convenient chance to see the board in action. Not too many Merkel folks have attended the local sessions of the board, with the exception of the now completed rash of executive sessions held since last May.

The move is a step forward at improving relations between the board and the citizens of Tye and could go a long way in doing so.

Plans are in the mill to have Crazy Days this year, the last week in October.

So far, plans have been made to have a Crazy Cake Bake and then auction the cakes with the proceeds going to the Tye Volunteer Fire Department, the Trent Recreation Improvement Project and the Merkel City Park.

Plans are also being made to have a parade, and to get local merchants involved by offering Crazy Days discounts. The activities will coincide with MISD Halloween festivities and activities.

More information is available from Martha Sue Justice at the Merkel Chamber of Commerce.

Season football tickets for the Badgers four remaining home games have been delivered and are available from the Superintendent's Office. Tickets are \$6 for the season, general admission tickets are \$2 each and student tickets may be purchased for \$1 the day of the game. Reserve seat tickets are \$2.50.

Governor Bill Clement has contradicted himself again.

Wild Bill has been a strong advocate in reduction in federal spending but when State and Federal Courts ruled that children of illegal aliens in the U.S. have a right to a free public education, the Governor was the first one to demand the federal government pick up the tab.

In football action this week, the Merkel 7th, 8th and Junior Varsity teams will host Jim Ned, kickoff for the 7th grade is set at 5 p.m., 8th grade is set for 6 p.m. and the Junior Varsity will get started at 7:30. The Varsity travels to Jim Ned Friday and kickoff is set for 7:30.

## Board approves pay raise for teachers already above state scale, orders two busses

MISD board members voted Tuesday night to include teachers already payed above state scale in the teacher pay raise plan approved by the board recently and decided to spend approximately \$40,000 on two new 72 passenger school busses.

The teacher pay raise approved two months ago allows teachers to choose between a straight pay raise, hospitalization insurance, or a combination of a raise and insurance.

MISD Superintendent Bill Everett told the board negotiations with insurance companies to provide a group medical plan have been started but said he has run into a few snags with company requirements for employee participation. He also said medical plans available for projected staff involvement would not provide major medical in some cases.

Under the original pay increase package, the 16 Merkel teachers and administrators already payed above state scale did not receive a raise. Tuesday's vote included those payed above scale in the pay plan.

The board also voted to purchase two new 72 passenger busses. The board had heard an earlier recommendation to purchase one 72 passenger bus and a mini-bus but opted for the two large busses because two student bus routes are already carrying their capacity of students.

In other action, the board tabled a request to add high school baseball to the athletic program.

Athletic Director Byron Shelley was instructed last month by the board to get cost estimates on fielding a team. Coach Shelley said the cost would be about \$6,500 and the University Interscholastic League required prior notification to field a team this spring. The UIL requires notification by Feb. 1 the year prior to a school adding a new sport.

The board also approved a move to increase

the mileage reimbursement from 18 to 20 cents per mile.

Board members heard kind words from Tye citizen Bill Adams who thanked the board for their hard work and long hours this summer and Mr. Adams also complimented the appearance of Tye Elementary and the progress of construction on the Merkel campus.

In other action, the board:

+ Tabled placing insurance values on portions of the new buildings until property inventories could be completed.

+ Voted to re-advertise for bids for about \$28,000 worth of new lights for Badger Stadium.

+ Tabled action on a policy requiring MISD administrators to live within the school district.

+ Tabled setting a date for the open house for new school facilities until a completion date is finalized.

+ Instructed the superintendent to acquire a phone system to adequately serve the needs of the newly constructed buildings.

+ Instructed the superintendent to accept the lowest bid from the two local car dealers for his official use

+ Tabled a decision on air conditioning the band hall.

+ Read an end-of-year financial report that shows MISD ended the year with \$151,017 in assets at the end of fiscal year 1980.

+ Paid monthly bills totaling \$110,797.05.

## Booster club meets Tuesday

The Badger Booster Club will hold an organizational meeting Tuesday, Sept. 23 at 7:30 p.m. at Pug and Leo's.

The Booster Club will elect officers and discuss a meeting time, as well as see the game film from the Jim Ned football game.

## Badgers lose, face Jim Ned Friday, 7th, 8th, JV host Jim Ned tonight

Badger head coach Byron Shelley told the Mail last week that fleet Eastland tailback Thomas Sanders would give the Badgers a hard time and Sanders, along with quarterback Jay Hess and Larry Blackwell combined for four touchdowns to hand the Badgers a 37-0 loss at Eastland Friday night.

Eastland rolled up 379 yards in offense compared to 140 for Merkel.

The Badgers kept the game close in the first half as Eastland carried a 12-0 lead into the locker room, but came out strong in the third quarter paced by Blackwell's 85 yard punt return for a touchdown and Sanders got a touchdown on a 77 yard screen pass.

It was Eastland's second straight win and was the Badger's second straight loss.

Badger head coach Byron Shelley said some changes will be made personnel wise, as well as formations used in the Badger offense and defense. Shelley said freshmen Micheal McCoy and Russel Lucas would be brought up from the Junior Varsity and also said Sammy Tumlinson would get the starting nod at quarterback. Dusty Barnhill and Bart Pursley will start as running backs.

The Badgers travel to Jim Ned Friday night to face a team that whallopped Wylie in their first game 35-0 and sneaked by Wall 13-12 last week. Shelley said Jim Ned is a big, physical team that will run the ball 95 per cent of their offensive

plays. He said Jim Ned runs a T offensive formation and will line up in the 29 defensive set, made famous by former Texas coach Darrel Royal. He also said they have a linebacker that weighs 230 and a defensive end that will go 200 pounds.

Coach Shelley said fumbles and untimely penalties stymied Merkel's two scoring threats last week against Eastland and he was looking to make personnel changes to gain more consistency in the offensive and defensive units.

Shelley said the new offensive set will feature two running backs lined up side by side (pro set) and the playbook will be changed to allow Sammy Tumlinson to sprint out for passes. He said Pursley was being moved into the backfield to take advantage of his speed and Barnhill is also fast.

In other football action last week, the Merkel 7th grade downed Eastland 12-6 as quarterback Matt Cain raced 47 yards for the winning touchdown with 2 minutes left in the game. Cain also scored the other touchdown.

The Merkel 8th Grade was mauled by Eastland 60-8 and the Merkel Junior Varsity tied the Eastland JV team 6-6 in a tough, physical game.

This week's action will find the varsity traveling to Jim Ned for a 7:30 kickoff Friday. The Merkel 7th grade team hosts Jim Ned for a 5 p.m. kickoff, the 8th grade also hosts Jim Ned with a 6 p.m. kickoff set and the Junior Varsity will also play Jim Ned, game time is 7:30.

## Merkel's rebate totals \$1,670

Merkel's share of the one per cent rebate from the state sales tax dropped slightly in August according to figures released by the State Comptroller's Office Thursday.

Merkel's August rebate will total \$1,670.93, compared to \$1,688.73 last year.

Total rebates to date are \$31,408.71 compared to \$31,103.43 last year.

Tye will receive \$1,684.98 in rebates, compared to \$2,948.68 the same period last year. Tye is still

running nine per cent ahead of last year's pace as 1980 rebates total \$33,157.95 compared to \$30,171.79 through the same period last year.

Texas cities shared in \$25.5 million in rebates last month and statewide cities have received \$418.5 million in rebates this year, compared to the same period last year of \$364.5 million.

The five per cent sales tax is collected by local merchants and the State Comptroller's office rebates one per cent of that tax to the city where the tax was collected.

## Pug Harris wins grandma's brag

Pug Harris of Merkel won first place in the Grandma's Brag Contest last week at the Taylor County Fair with her 100 word theme about her grandson, Kristopher Joel Harris. Kris is the five year old son of Robert and Connie Harris of Merkel. She Wrote: "One morning as

Kris asked the blessing, he prayed for us, his parents, sister, cousins, other grand parents. Please send rain on Sweetwater (we were at the lake) thankful for food. Then-Lord, I need to talk to you. My grandma, here, can't eat sugar, but can eat salt. My nanny can't eat salt but can

eat sugar. I thought you ought to know about this.

By the time he finished praying, I had tears in my eyes and a lump in my throat, but I looked up and thanked God for sending us Kris.

A grandma Who dearly loves Kris

# SPEAKING OF SOAPS

1980 TV COMPLOG SER., INC. OWNER CORP. ALL RIGHTS RESERVED

BY MARY ANN COOPER

Shell Kepler plays Amy Vining on "General Hospital."

Soaps are so durable that the average young adult could claim that he or she literally grew up watching a particular soap. Such is the case with "General Hospital" star Shell Kepler who plays Amy Vining on the ABC serial. "I love the soaps," says Shell. "I've been watching 'General Hospital' since I was three years old and I really care about the characters." However, it was a full year before that when she decided to become an actress. Seeing "The Wizard of Oz" turned this young thesp's head. Finally at age nine she appeared in the Chattanooga Tennessee Little Theater in "The Prime of Miss Jean Brodie" and she became more convinced than ever that she wanted to be an actress.

When Shell was fourteen her mother died. Two years later her father moved back east to accept a position as vice president with a large corporation. At that point Shell and her brother decided to fend for themselves in Los Angeles.

Shell is definitely one of her brother's biggest fans. "Fred was a prodigy in classical guitar but now he's the lead singer in a rock group. Since I'm a frustrated singer, I live vicariously through him." Susan O'Hanlon, who plays Anne Logan on the same serial, also has a brother who is very special to her. His name is Loring. He is her older brother and he is mentally retarded.

"The doctors suggested we institutionalize Loring," explains Susan. "But we wouldn't consider it. He is a very important member of our family and we learn

a lot from him. Loring is one of the happiest people we know."

Loring lives a full life, according to Susan. He lives in an historic New York home where Susan grew up. Part of the home has been converted into an elegant French restaurant, where Loring enjoys participating in the family business. He takes great pride in seeing to it that the kitchen is kept clean and neat. He is also very helpful in the yard, working long hours, taking care of the plants and keeping it beautiful.

Susan can't say enough about Loring, and she smiles when she talks about him. "Loring never regresses, he progresses every day, always."

Now a look at what's been happening and what will happen on all afternoon dramas.

Recap 9/15 -- 9/19  
Preview 9/22 -- 9/26

**GENERAL HOSPITAL** -- Hutch covers for Luke and Laura when the police show up and hides the newspaper that details the murder of Smith's other hit man. Bobbie discovers that Jennifer is in Albany but is not sure where. The clerk at the hall of records feeds Luke the information that he was instructed to by Smith. Heather sees Jeff and she is making progress.  
**THIS WEEK:** Luke sets a trap for Smith's man.

**THIS WEEK:** Michael finds his new job intriguing. Rose fights her feelings for Jack.

## Try bar-b-q turkey

For something different in cookout fare that's got a great taste, try turkey barbecue.

A whole turkey or one split in half is excellent for barbecue. In addition, most supermarkets now have turkey parts, including breast, legs and wings.

Parts are an especially attractive item to use in a barbecue, especially leg quarters (thigh and drumstick as one piece) and individual drumsticks, points out Dr. James H. Denton, poultry marketing specialist with the Texas Agricultural Extension Service, Texas A&M University System.

Turkey drumsticks for barbecue offer several advantages, says Denton. They are smaller in size than most types of barbecue meat, can be purchased with an exact number of guests in mind, and are uniform in size and therefore easier to cook for any number of people since they will cook at the same rate.

The specialist points out that turkey drumsticks are also versatile insofar as cooking is concerned. If using an open top charcoal type cooker, apply a basting sauce periodically to preserve the meat's natural juiciness and add a basic subtle flavor. This sauce usually contains salt, pepper, margarine or butter, Worcestershire sauce, lemon juice, water and a few drops of hot sauce if desired.

Cooking with a closed top wood type cooker (usually a brick pit or a 55-gallon drum) requires a little more time, and most folks don't use a basting sauce. This gives the meat a more intense smoked flavor.

Whether cooking by open top or closed top, Denton suggests applying a good finishing sauce containing oil or margarine, vinegar, catsup, sugar and water, with salt, pepper, tobacco and Worcestershire sauce to taste.

Whichever cooking method the outdoor chef uses, turkey barbecue is a delicious treat that can add zest to late summer and fall cookouts.

## ONCE YOUR CHILD CAN SAY "HELP," TEACH HIM HOW TO GET IT.

Dialing "O" for the operator in an emergency is so simple even a child can do it.

But you'd be surprised how many children don't know how—only because they haven't been taught.

That's why it's important to teach your children this emergency procedure as soon as they can understand it.

Dialing "O" is fast because there's only one digit to dial.

Dialing "O" is easy because it can be used for any emergency situation.

And dialing "O" alerts an operator who's specially trained to handle an emergency. That's particularly important if a younger child becomes confused or panics.

Older children can be taught to find the emergency service number in the telephone directory.

And, of course, make sure all your children know that phones aren't toys and shouldn't be played with.

Any child can get involved in an emergency.

What's important is that they know how to get out of it.

# What's happening in Tye

By Harold Boyd

Now that the annual fair is behind us, maybe everyone can get back into the swing of things. The Merkel ISD Board will meet for the 1st time at the Tye Elementary School for its monthly meeting. We feel this is a step forward and a compliment to the board, and a pleasure to the citizen of Tye. Maybe the board will meet here every other month for their meetings to show that they are interested in us as well as Merkel. Also your Tye PTO will meet this evening for the 1st time this year. It is important that each and everyone of us to get involved with the activities of the school, to be informed of its activities, meet the personnel and parents that make Tye Elementary what it is. Be there and contribute your time, talents and give of your self to the school. You will be appreciated and the rewards will be great.

Well, if you haven't been hit by the few firemen yet, you will... Still trying to raise money to continue on the updating of the equipment. They are raffling off a 30-30 rifle at a dollar donation to help get the trucks in proper shape. Your donation will be greatly appreciated.

Talking with a few insurance people, Tye doesn't have a key rating. That is why we are paying a very high insurance rating for fire, this is due to not having the proper equipment, trained personnel. When this is accomplished, then we can see a reduction in our insurance. The only way this can happen is to have 20 trained volunteers that are active throughout the year. Having equipment that is operative at times and can meet the requirements to handle the type of fire that we continue with. It has been asked, won't you take the time to be a part of it? We need members that can respond when an alarm is called in, that are trained to operate the equipment and trained to put out the fire. There are several types of fires and none are easy or safe. When you are trained, then you know what

to do and how to do it. At the present time, Tye Volunteer Fire Department have only 8 active members, and we need 12 more to get a rating. Won't you take the time to be a part of it? They meet the 1st Tuesday of each month for their business meetings at which time you may submit your applications.

At this time, wish to thank Pat Stewart the best of luck at her new job and best wishes. Pat is leaving the city for another job and we will have another to take her place. At this time we haven't been informed as to her replacement is. Pat has started with the City of Tye 2 years ago as Court Secretary, which consist of the municipal court docket, filing reports, water billing and filling in for our City Secretary when she wasn't there. This gave us someone at City Hall all week long. With the sewer project this will create more work for that person. Again, Pat, thanks and best wishes.

At the city council meeting of September 10th. The big event was the approval of the budget for the year of 1981. Cash operating income for the city was figured on the year of 1980 which amounted to \$207,817 and its expenditures in the amount of \$202,142.45 which leave a budget surplus of \$5,674.55. The last amount can be increased due to income revenues which in the areas of sales tax rebates, water, sewer, interest income. Thus meaning the city council is keeping us in the black. Should you want to know or see a detail report, contact your City Hall. A copy should be on file. Attendance at this meeting was 3 people. All other reports were read and approved.

The meeting was somewhat short and with Pat Stewart's resignation being turned in at this time.

For this week, this is all of Tye happenings, if you have anything that you would like to be in the Mail, do give it to me prior to Monday so as we can get it in. For this week, take care and get your chances for the 30-30 rifle, drawing will be November 15th.

THE REAL WRECK OF THE OLD 97

## Lambda Beta holds first meeting

Lambda Beta Chapter of Beta Sigma Phi met at Pleasantville, Sept. 9, 1980 for their first meeting of the new year. Gayla Beaird and Beverly Reed gave a very interesting review of science, natural and physical.

On the evening of Sept. 23, members of Lambda Beta will be taking donations for the "Cystic Fibrosis Foundation". Those present to enjoy refresh-

ments by Belle Hammond were: Gayla Beaird, Annette Clark, Judy Elliott, Belle Hammond, Mychelle Hammond, Gloria Henslee, Chera Hohbertz, Beverly Reed, Minyon Seymore and Kay Teaff.

## Glasscock is USAF graduate

Airman Alan R. Glasscock, son of Mr. and Mrs. Don Glasscock of 108 Orange St., Merkel, Texas, has graduated from the U.S. Air Force aircraft maintenance training course at Sheppard Air Force Base, Texas. Graduates of the course were trained in aircraft maintenance, repair and service, and earned

credits toward an associate degree in applied science through the Community College of the Air Force. Airman Glasscock will now serve at Altus Air Force Base, Okla.

## Stith musical Sept. 20

## Stith homemakers place in fair

Stith Home Makers Extension Club met Wednesday, Sept. 10 after summer vacation.

Mrs. Mae Jones brought the devotion by reading a poem, "It shows in your face", then led the prayer. Daisy Mashburn brought 2 games and Vada Hudson gave a report of the concession of the Jones County Fair. Stith Club joined other club members working hard to make the fair what it was. Some of our club members and others walked away with several 1st and 2nd

places. Daisy Mashburn won a blue ribbon on loaf bread, buttermilk pie, dill pickles and plum jelly, 2nd place on Raisin pie, peas and beat of show on blackberries. Vada Hudson won 1st in crocked rolls, cross stitch pillows, and 1st and 2nd on cruel embroidered pictures. Wade Shaw won a blue ribbon on cantaloups, cucumbers and zucchini squash. Mark Giles took 2nd place on "God's Eye". The Stith Club was 3 on Educational Booth. The program

was election of officers for 1981. Daisy Mashburn was elected president, Genoa Shaw Vice president, Vada Hudson, Secretary, treasurer and Margaret Dickerson Council Delegate.

Refreshments were served to Margaret Dickerson, Vada Hudson, Genoa Shaw, Louise Hudson, Mae Jones, and Grace Lee Brown.

The next meeting will be Wednesday, Sept. 24 when we will reveal pals and draw for the next three months.

## Goodman's club meets Sept. 16

The Goodman Extension Home Maker Club met Sept. 12 in the home of Mrs. Vivian Winters with the president Mrs. Garland Price presiding with 6 members present.

The prayer was given by Mrs. Dennis Butler and the game was by Mrs. Vivian Winters. The officers for 1981 will be elected at

the next meeting, Sept. 24th.

Plans were made to put up a quilt, Sept. 17, in the home of Mrs. David Carter. All members come and bring a covered dish and quilt.

There will be a leader training meeting at 9:30 a.m. in Anson Sept. 16.

The next meeting will be Sept. 24 in the home of Mrs. Minnie Carey. Everyone is welcome regardless of race, color, creed, or economic circumstance.

Refreshments were served to Belvie Butler, Odessa Butler, Minnie Carey, Amy Price, Donna, Shala, and David Carter by Vivian Winters.

## UPI story lists traits making excellent teachers

Reprinted with permission of United Press International.

Everyone's entitled to one great teacher. Lucky students get at least one during the school trip.

The great teacher stands above the rest, is long remembered, most often quoted. And the great teacher's dictums are the type that run through the mind through the years.

A great teacher is not one who slouches, let kids get away with lots, and files her nails during study period.

This is not the teacher type who nixed homework due to the fact that looking at it ate into personal time for golf, running around, roller skating, or gyrating at the disco.

So what's a great teacher? You can tell a great teacher from the outside any more than you can tell a book by its cover. They all look different.

What they have in common are interior qualities, including many identified in more than 400 "great teacher" studies over the last 25 years.

Such qualities are cited in a new "Teacher Competency" report from the American Association of Social Administrators.

One system for spotting and nurturing great teachers is the "teacher perceiver" system in Washoe County School District, Reno, Nev.

Marvin Roth, associate superintendent, Washoe District, includes the following guide to telling great teachers from ordinary ones:

1. Great teachers believe not only that children can and want to learn but also that "I as a teacher" can help them.
2. Great teacher believe that teaching children is more important than teaching subjects. They look upon teaching as the focus of their lives.
3. Great teachers have certain characteristics

that develop a learning climate. They have empathy and not only understand how the student feels but let the student know they understand.

4. Good teachers listen to get information; great teachers listen to help the student.

5. Great teachers listen to both sides and get information from those who will be affected before making a decision.

6. Great teachers see people as individuals and not as blacks, Indians, or the kids who live in trailers.

7. Great teachers have the drive to share their knowledge with students.

8. Great teachers read and collect things—on vacation, for example—to bring to class.

9. Great teachers use specific teaching techniques which they can describe.

10. Great teachers derive satisfaction from their investment in their work—not from what they do as teachers but from seeing children learn.

11. Great teachers have characteristics that activate learning. To wit:

—They have a drive to build rapport.

—Great teachers balance organization with flexibility. And their high expectation of children is coupled with acceptance of children as they are.

—Great teachers are innovative. "A teacher should have 20 years of experience, not one year of experience 20 times," Roth said.

Great teachers are "with it", says Linda M. Armstrong from the University of Texas Research and Development Center for Teacher Education.

With-it-ness...refers to the proverbial teacher with eyes in the back of her head. This gives the teacher ability to stay continuously aware of what's going on in the classroom.

With this "gift" of an extra sense, the teacher monitors classroom activities at all times, regularly checks classroom and responds to problems as they begin and before they escalate.

And does not become so immersed with one student or one group that she or he is unaware of impending chaos elsewhere in the classroom.

# WE BUY NATURAL GAS THE WAY YOU BUY GROCERIES.

Lone Star shops for the best values. Just as one brand of green beans might be a better value even though it costs a penny or two more, gas that costs the least could prove to be the most expensive.

We have to consider a number of factors. How much gas can we expect from a new field? How close is it to our existing pipelines? How much processing will the new gas need? Is the BTU content high or low?

As a result of this careful shopping, Lone Star's weighted average cost of gas in 1979 was \$1.76 per MCF (1,000 cubic feet) of gas — lowest of any major intrastate gas company in Texas.

This savings is passed on to you because your monthly bill is based on our average cost of gas.

Lone Star Gas Company

### PUBLIC NOTICE

Pursuant to TEX. REV. CIV. STAT. ANN. art. 1446c (43)(1975) Lone Star Gas Company hereby gives NOTICE of the Company's intent to implement a new schedule of rates effective on the latter of October 20, 1980

or such other date as new rates become effective in the City of Merkel, Texas to be charged for natural gas service to residential and commercial customers in the environs areas (outside incorporated limits of Merkel, Texas)

The rate schedule is expected to furnish a 10.10% increase in the Company's gross revenues in the environs of Merkel, Texas.

A Statement of Intent has been filed with the Railroad Commission of Texas and is available for inspection at the Company's business office located at 155 Hickory, Abilene, Texas

Any affected person desiring to contest such changes in rates can file a complaint with the Director of the Gas Utilities Division, Railroad Commission of Texas, P. O. Drawer 12967, Capitol Station, Austin, Texas, 78711.

## Plant fall gardens now

Don't shut down your vegetable garden just because summer is about over. There's another gardening season ahead.

Fall and winter gardens can be just as productive as those in the spring and summer, says Sam Cotner, horticulturist with the Texas Agricultural Extension Service, Texas A&M University System.

Texans can fight rapidly rising costs of fresh vegetables by gardening the year round, notes Cotner. A typical backyard vegetable gardening the year round, notes Cotner. A typical backyard vegetable garden or flower bed can supply a family with fresh vegetables throughout the winter.

For a wide variety of winter vegetables, gardeners need to sow seeds or set out transplants in late summer or early fall. Among cold hardy crops are cabbage, carrots, greens, broccoli, cauliflower, lettuce, onions, beets and spinach.

Cotner suggests locating the garden in an area that has fertile, well-drained soil, does not have competition from nearby trees and shrubs, receives full or near full sunlight, and has some protection from winter winds.

As far as garden size is concerned, the horticulturist says a 400-square-foot garden is large enough for the average family. Maximum yields can be obtained by spacing plants properly and grouping various types of crops.

When it comes to crop selection, plant only those vegetables which family members like and which will produce heavily for the amount of space required, suggests Cotner. Avoid over planting and over crowding.

For information on specific varieties of vegetables to plant as well as other details to help you get the most from your garden, Cotner advises contacting the county Extension office.

## Comperre homemakers hold first meeting

The Comperre Extension Home Makers Club met September 11 at Mrs. Ailene Terry's home for their first meeting after vacation.

The president, Mrs. A.B. Hunter, presided over the meeting and Mrs. Dewey Ramsey offered the prayer.

Mrs. Clyde Mims directed recreation with "The more we get together" naming the "kind of cake" also "naming the baby".

Roll call was answered with "How to improve our club in the year ahead".

Minutes were read and finance report given. One new member,

Judy Devany, was welcomed by all members.

Names were drawn for secret pals. The following members were elected as the new officers for the year 1981. Mrs. Don Adair, president; Mrs. Hugh Taylor, Secretary Treasurer; and Mrs. Dewey Ramsey, Reporter.

Quilted and appliqued pillows were shown, also quilted and appliqued blocks for a bed spread

were made and shown by a visitor, Mrs. Mary Jo Gardner, from Kansas City, Mo. She is Mrs. Clyde Chancey's sister.

The next meeting will be September 25 in Mrs. Dewey Ramsey's home.

Refreshments were served to Mrs. Annie Taylor, Clyde Mims, Don Adair, Clyde Chancey, Judy Devaney, Hazel Spurgin, Dewey Ramsey, Ab Hunter, the visitor, Mrs. Mary Jo Gardner and the hostess Mrs. Ailene Terry.

The hostess gift went to Mrs. Mims.

All meetings are open to everyone regardless of race, creed, color, sex, national origin or economic circumstance.

proval of a budget execution committee that would be composed of the Governor, Lieutenant Governor, Speaker of the House of Representatives, Chairman and Vice-chairman of the Senate Finance Committee, and Chairman and Vice-chairman of the Committee on Appropriations of the House of Representatives.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to grant the governor power to exercise fiscal control over the expenditure of appropriated funds as provided by law."

### PROPOSITION NO. 6 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would allow the Governor who appointed a previously confirmed official to remove that official from office subject to the advice and consent of the Senate; and if the Legislature is not in session, to call a special session of the Senate which may last no longer than 2 days for consideration of the removal.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize the governor to remove appointed officers with the advice and consent of the senate."

### PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 121 proposes a constitutional amendment that would authorize counties with a population of 5000 or less to construct and maintain private roads if they impose a reasonable charge for the work. The Legislature by general law may limit this authority. Revenue received from private road work may be used only for the construction, including right-of-way acquisition, or maintenance of public roads.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing counties with a population of 5000 or less to perform private road work."

### PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 36 proposes a constitution-

al amendment that would change the jurisdiction and authority of the State's appellate courts. The amendment would change the name of the Courts of Civil Appeals to Courts of Appeal and provide that these courts have intermediate appellate jurisdiction over both criminal and civil cases. The amendment would change titles for the Associate Justices of the Supreme Court to Justices and would require members of the Supreme Court to be attorneys licensed in this state while holding office.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to change the name of the Courts of Civil Appeals and the names and qualifications of the Justices of the Supreme Court and to prescribe the jurisdiction and authority of the appellate courts."

### PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 54 proposes a constitutional amendment which defines separate property owned by either spouse as all property, both real and personal, of a spouse owned or claimed before marriage, and that acquired afterward by gift, devise or descent. Persons about to marry and spouses, without the intent to defraud pre-existing creditors, may by written instrument from time to time partition between themselves all or part of their property. Spouses may exchange a community interest in property owned or to be acquired for a community interest in other community property. The amendment would allow spouses to agree in writing that income or property arising from any separate property is to be separate property rather than as community property as it would be in the absence of an agreement. The amendment proposes that a gift from one spouse to another is presumed to include all income or property deriving from such gift.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment allowing spouses to agree that income or property arising from separate property is to be separate property."

## Fortnightly study club meets

The Fortnightly Study Club met in the home of Mrs. Andy Shouse on Saturday morning, September 13, for a "Federation Day" brunch as its initial meeting of the year. Mrs. Ray Wilson was co-hostess for the event.

Mrs. Andy Shouse, president, called the meeting to order and introduced the program. The featured speaker was Mrs. L.H. McBride of Hamlin, President of Mesquite District, Texas Federation of Women's Clubs. Mrs. McBride, using the subject "Federation Facts", stressed

the objectives and projects of the Federation, which was organized in 1890. She suggested ways by which members may better serve their community by initiating and assisting with projects for improvement. She emphasized the importance of setting goals and working together toward achieving these goals. According to Mrs. McBride, goals of the State and District Federations include (1) establishing a women's library in Austin, which will include books written by, about, and for Texas women; (2) support of the M D Anderson Clinic in Houston, and (3) support of Girls' Town USA at Whiteface, Texas.

Clubs are urged to share ideas about projects and to prepare

displays about them. Mrs. Allen King of the Fortnightly Study Club is a member of the District Board for Projects and Displays.

Mrs. Shouse introduced the new members; Mrs. Ida Mae Seymore, Mrs. Curtis Rister, and Mrs. Orville Hill and the honorary members; Mrs. Ray Gilmore, Mrs. Russell McAnally, and Mrs. David Bugg.

Refreshments were served to Mrs. McDaniel, the new and honorary members, and to the following: Mmes. C.M. Brown, Johnny Cox, W.R. Cypert, C.S. Dixon, Charles Eager, Mack Fisher, Dent Gibson, Comer Haynes, Allen King, Ed Sandusky, Aaron Sudderth, Miss Maurine White, and the hostesses.

(Left to right) Rebecca Sipe, Leigh Ann McGlothlin, LaNita Brown, Debra Williams, Leslie Masonheimer, Dee Dee Masonheimer and Darla Ross all won places at the West Texas

Fair last week. They are students in the Trent Future Homemaking Class. Luci Masonheimer, also from Trent, won two ribbons, but was not present for the picture. (Staff photo)

## Trent students fare well at fair

Trent High Future Homemaking students pulled in a number of awards at the recent West Texas Fair.

Trent sophomore Leigh Ann McGlothlin won an award of merit and first place in the youth division for her creation in casual clothing. Sophomore Debra Williams took a second in casual clothing, a second in terrarium and a second place in the place mat category of the hobbies and crafts division.

Junior Darla Ross placed fourth in the string

### FFA fair results

The members who showed at the West Texas Fair did real well. Missy Simpson won a 1st place ribbon for showing her light weight Duroc, and then went on to win 7th out of 32 in the carcass evaluation. Billy Williams got 10th in the light weight division with his Duroc. Also Lloyd Williams Jr. placed 10th with his

light weight cross.

Participating in the annual calf scramble this year were Dee Dee Masonheimer, Debra Williams, Adam Delacruz and Joe McGlothlin. Of those Debra was successful in catching a calf and putting a halter on it. For this she will receive \$100, which she will use to buy a gilt.

art category of the arts and crafts division and Dee Dee Masonheimer, also a junior, grabbed a second place in cookies and coffee cakes in the baked goods division.

LaNita Brown, a senior, took second place in oil painting, Leslie Masonheimer, a senior, took fourth in pound cakes and fourth in nut bread and another senior, Rebecca Sipe, took a third in large macrame.

Luci Masonheimer, a fifth grade student, won a first in peanut brittle and a second in nut bread in the youth division.

## Srs elect officers

The Trent Senior Class elected Leslie Masonheimer as their president in a class meeting Monday. Vice president is Todd Richardson, secretary is Rebecca Sipe, treasurer is Carlos Garza and Reporter is Eddie Adams. Other class members are La Nita Brown, Marcie Brenem, David Greenwood, David Reed, Fidel Valdez, Riley West and Lloyd Williams.

The Trent Senior Class will sponsor a trash haul Saturday, Sept. 20th. If you have any trash to be taken, please contact one of the seniors.

## Gorillas take 48-0 win Friday

The Trent Gorilla's may have had to wait an extra week to play their first game, but the wait proved to be well worth it as they demolished Paint Creek 48-0 in a game called in the third quarter because of the 45 point rule.

The Trent defense played extremely well, according to Coach Bob Campbell as they held Paint Creek to one first down on the night.

Trent's offense rolled up 11 first downs and Paint Creek was forced to punt eight times by the stingy Gorilla defense.

Scoring for Trent were Mike De La Cruz who coasted home with touchdown runs of 35, 2 and 2 yards, Richard Beaver who raced 45 yards for a touchdown, Greg Beasley who got loose on a 60 yard touchdown romp and also fired a 35 yard scoring strike to Matt Jackson. Lloyd Williams added five extra points and Eddie Adams got into the act as he downed the Paint Creek punter for a safety.

Trent will face Divide in Divide Friday with kickoff set for 8 p.m. Coach Campbell said Divide lost no players from last year's team that Trent easily defeated 47-0 in a game called at half time because of the 45 point rule.

Coach Campbell said his team suffered no injuries in Friday's contest and should be at 100 per cent for the Divide game. He also said he was happy he could get in playing time for all of the Trent players Friday night, because of their large, eagerly lead, Campbell was able to play the squad.
