

Bull Town Bulletins

By
Bill Ellis

THE STATE OF TEXAS has a proud heritage, but it is not the glories, but the goof-ups, which are featured in the current issue of "Texas Monthly" magazine.

The magazine article points out that while Texas is known for its success, that its failures are also king-sized. Would we remember the Alamo if the Texans had won the battle? Probably not, according to the article.

The explorer Coronado's expedition in 1540, seeking the legendary Seven Cities of Cibola was one of the early failures cited, when Coronado's search only turned up a small group of Zuni Indian villages.

The author, Anne Dingus, also calls the state song, "Texas, Our Texas," a failure due to its unquestionable dullness. One of the reasons cited was that following a statewide contest in 1924 to write an official anthem, the winner was an Englishman. (Does she mean Englishmen are dull?) Scheduled to be performed for the first time at a state event, the band refused, and played the governor's campaign song instead.

The state's constitutional convention of 1874 was cited for its contribution to the list of failures. After a committee worked eight months drafting a new constitution, legislators spent another seven months and \$5 million, and then lacked three votes approving the new document.

In 1860, the Texas Legislature came up with a bright idea: why not use the North Fork of the Red River as the state boundary instead of the South Fork, since that would mean that Texas would get more land? So they did the paperwork, called the new land Greer County, sent settlers and cattle and everything was going nicely. The federal courts didn't get around to challenging Texas' claim until 1895. When it did, Texas lost, and the disputed area became a part of Oklahoma.

One of the most ridiculous federal goofs dealing with the state happened in 1855, when Congress appropriated \$30,000 to import camels into Texas, supposedly to use them as military pack animals.

A year later, 34 camels landed in the state and were taken to San Antonio. The Civil War caused the military to drop its interest in the animal, and they eventually died out, although some were around as late as 1891.

Also cited by the magazine was the effort in 1965 by Hereford businessmen to market Bravo cigarettes. Despite the lettuce cigarettes lacking tar and nicotine, Bravos never took off, and the venture was dropped. (We recall having a nice tour of the Bravo factory, where we were given a free pack of Bravos. Think we still have the cigarette pack someplace--still undisturbed.)

Another of the state's famous "busts" quoted was the venture by cereal king C.W. Post, to establish a "model city," which resulted in the present-day town of Post. However, Post had trouble luring settlers, partly due to his stringent rules (no liquor, for one) and partly due to the lack of rain in West Texas.

Also mentioned in the article was the Astrodome promoters attempt to grow grass, which had to be shuttled when the glare from the plastic windows made fly balls uncatchable. The windows were painted, the grass died--and presto: astroturf was invented.

A number of other famous (and not so famous) failures are aired in the magazine article. You'll have to pick up a copy and read the others for yourself. Some are funny, some ridiculous. They they are all entertaining.

Project Offers Kids Coupons, Not Candy

How many times have any of you bought Halloween candy, and did not have many trick-or-treaters to come by your home? Or, how many times have you wondered if all of the candy was really the best for the kids?

Well, if these thoughts have gone through your mind more than once, the Bovina chapter of the Young Homemakers of Texas have a suggestion which might benefit the children more and save their teeth at the same time.

According to organization president, Tammy Willard, the YHT members will be offering Halloween coupons for sale, to be bought by those persons who normally buy candy for Halloween.

Instead of giving candy to the kids, a coupon could be given at the value of five cents per coupon and after a while the kids would have something of value.

Each of the coupon books can be bought for \$1.00 and they contain 20 coupons per book.

And, it would give an alternative to candy by allowing the children to take the coupons which they have gotten to redeem them at various local stores for merchandise equal to the amount of coupons they have, or for whatever else they might want, even candy, if the store sells candy.

The merchants who are supporting this project are Kirkpatrick's Department Store, Bovina

Supermarket, Dairy Freeze, The Browsabout, and First State Bank.

Merchandise may be purchased with the coupons at any of the stores, except the bank, but the bank will redeem these coupons for the value of the amount of coupons which the child has. This is the only place where money will be given in exchange for the coupons.

In any of the other stores, however, if a child should see an item he likes and wants to purchase, he may want to use his coupons to purchase that item, provided he has enough. However, if the same child has a certain number of coupons and still wants the item but does not have enough value in coupons to purchase it, he will have to make up the difference from his own pocket.

The coupons are available from any YHT member and these coupons must be redeemed no later than December 1, or they will be considered void.

One other point about this project is that anyone who has purchased a coupon book and does not give all of the coupons away, may redeem these for a refund with the YHT members at the end of the campaign.

So, instead of candy this year, give the kids a chance to purchase what they like on their own, whether it be candy or a new pair of socks...the kids are still coming out a long way ahead.

Bovina Srs. To Sponsor Chili Meal

The senior class of Bovina High School will be sponsoring a chili supper on Friday, October 23 from 5:30 until 7 p.m., in the high school cafeteria.

Chili, beans, crackers, Fritos, cake and tea or coffee will be served, and the charge for the meal is \$3.50 for adults, and \$2.00 for children ages ten and under.

The community is invited to come out and eat before the game.

SCORES NOSEDIVE

Cockerham Tabbed Contest Winner

Wes Cockerham won the Bovina Businesses Football Contest for this week, as he correctly guessed 11 of the winners.

Cockerham picked Kress as the winner over Farwell, and Vega as the victor over Hart, and also placed Happy as the winners over Silverton.

He also guessed that Friona would prevail over the Dimmitt Bobcats, but was overturned when it came down to Plainview-Hereford as the Herd held on longer and won 9-6.

In the college games, Cockerham missed only one game and that was the Arkansas upset over Texas. (I'd bet the Longhorns are still wondering what happened!)

And, in the pro games, the only one to give Wes trouble was the Tampa Bay-Oakland game. Who would have thought Oakland would win a game, right Wes?

Another good guesser won second place with her 11 correct predictions, and that was Jeanne Kerby. The only games she got fouled up on were the Hart-Vega, Dimmitt-Friona, and Texas-Arkansas games.

And, Valerie Shepherd was third place with her 10 right winners and the closest tie-breaker score of Dallas 24-Rams 17, which was only five points off the actual score.

Several tens were scored this week and Valerie was the closest, but the others should be mentioned: Mike Grissom, Manuel Hernandez, Jr., Mary Hernandez, Ken Horn, Frances Johnson, Darlene Miller, Leon Schilling and Dean Stanberry.

Another upset was recorded this week as one of the reigning leaders of the contest was overthrown.

Billy Whitecotton lost out by one point to stay tied with the leader, who is now Larry Wiseman, at 65. Whitecotton missed six games and fell, therefore dropping to 64, one off the pace.

New Library Boosts Facilities

A new Elementary and Junior High School Library was opened in Bovina Public Schools on October 15 and this is a special event for any school due to the fact that the opening of a library adds value to the educational facilities at that school.

According to Karen Renner, head librarian, the project was the culmination of 2½ years of hard work by not only herself but also the teachers and the administrators, as well.

Ms. Renner will be dividing her time between the two school libraries, the high school and the elementary/junior high, and she is being assisted by the individual teachers who will assist in book returns and check-outs when Ms. Renner is not available.

Anne Corn, library consultant from Region 16 Education Service Center in Amarillo, will also assist Karen in the starting of the program.

According to Ms. Renner, the library benefitted from several donations made not only from private citizens but also from school organizations.

For example, the free standing shelves which are in the new library were built by the Ag Mechanics class under the supervision of Lawrence Widner, and several of the books which are in the library came from classroom collections as well as Bovinians.

A number of books were also given to Bovina school from the Bookmobile, which divided up their books after the program ended.

The new library will house something over 2,000 books and will aid about 200 students from grades 3-8.

Up until this library was set up, the elementary students had books in their classrooms, and the junior high students were using the high school library, a practice which will continue for special needs and services.

The new library was a converted classroom, which now utilizes two bulletin boards, and Ms. Renner said she hopes that they will soon be able to purchase new tables and chairs for the library.

Some of the additional educational practices which will be put into effect will include the teaching of library skills, which instructs children in how to properly utilize all of the many sources available to them at the library, and Ms. Renner also said that she would be setting up a card catalogue which would be set up using the Dewey Decimal classification system.

The new facility has a reference center, which now houses a set of World Book Encyclopedias, and a set of Britannica Encyclopedias, as well as one set of International Wildlife Encyclopedias, an almanac and a collection of Library of Sports Encyclopedias.

Ms. Renner is a certified librarian, with a degree from Eastern New Mexico University, and has been a librarian in the Bovina school system for the past three years.

"I am ecstatic about the opening of the library. It has been a project here for the past 2½ years and to finally see it come about is a great feeling," she stated at the grand opening.

For grand opening ceremonies, the high school drama class, directed by Mrs. Margaret Durben, came and performed skits for each of the elementary and junior high school classes as they visited the library for the first time.

Each class drew a name out of a hopper and each of the classes was given one free book from the drawing.

Book Orders Being Accepted

The Parmer County History Book committee is accepting prepaid book orders now until November 1.

Prepaid price for the book is \$35.00, \$37.50 if book is to be mailed to you. Make checks payable to Parmer County History Book, P.O. Box 606, Friona, Texas 79035.

The book will contain 600 pages. The pages will be 8½"x11" and will be bound in a wine colored leatherette cover.

"We urge everyone to send in your prepaid order now," says Grace Whitefield, co-chairman of the Parmer County History Book committee.

Mrs. E.L. Cochran is the Bovina Champion First Freeze Predictor of 1966 and the recipient of the \$5 prize after predicting October 15 as the date of the first killing freeze here, according to W.E. Williams, judge.

A 13-year-old Bovina girl, Mary Rodriguez, was returned to her home late Sunday after being reported missing since 1 a.m. Friday. She allegedly was returned to her home at 11:30 p.m. by an Amarillo Church of Christ minister, whom she turned herself in to Sunday night in Amarillo.

Mr. and Mrs. Tom Bonds left Tuesday for a week's vacation to Jamaica, a trip he was awarded for sales of an oil filter at Bonds Oil Co. here.

10 YEARS AGO--OCT. 20, 1971

Farwell's football domination of Bovina has ended. The Bovina Mustangs, not spectacularly, but with steady determination, plowed under the Farwell Steers here Friday night, 23-13. The win was the first football victory for a Bovina team since 1954 and the teams have played each year during that time.

Rainfall Sunday night and Tuesday morning brought a halt to grain sorghum harvesting which was just beginning to get underway.

5 YEARS AGO--OCT. 20, 1976

Blessed with good weather, the corn harvest in the Bovina area has progressed at a steady clip, and at press time this week, the harvest was well past its peak, and was on the downhill grade.

Bud Venable, young son of Mr. and Mrs. Radford Venable, broke his foot last Friday afternoon when a heavy jack at Venable's 66 Station fell on his foot. Bud spent the night in the hospital but is reported to be doing fine and is back in school at this time.

There Is Something About A Small Town

There is something special about a small town....

They all have a sort of mystical charm about them, and are unique in their own, subtle ways.

I guess one reason I enjoy small towns is because of small town people.

They are the types who are ready to mow your lawn if "hubby" is away and it begins to look shaggy.

They are the types who will not only feed your dog while you are on vacation, but play with him as well.

They are the types who are the first to come celebrate a new baby, and the last to leave when you need someone in your time of grief.

They are open enough to tell you the truth, proud enough to never accept charity, and human enough to share the tears that come.

It's really not the "small towns" that big city people are seeking out and moving to find....

It's the small town people who make that difference.

Because, everyone knows they will always shoot straight with you.

Scooter's Scoops

By Scooter Russell

We're happy to report that little April Dawn has been released from an Amarillo hospital and is home with her parents, Ricky and Donna Beth Radford. She is the granddaughter of the Edwin Lides. She was born prematurely September 1, weighing two pounds, fifteen ounces.

Due to medical restrictions the family has asked that there be no visitors for a while and I know you'll abide by their wishes. We'll let you know when they feel it is safe to have company.

Keith and Nancy Knight have recently spent a week in Winchester, Illinois, visiting Keith's mother, Alta Miner.

Nancy said they attended several antique auctions and brought some antiques home with them. She also said they saw lots of beautiful country during their drive.

Nancy's daughter Tana has been visiting for a few days in their home. Tana is a freshman at the Panhandle State University in Goodwill, Oklahoma.

Virgie Adams called to say she and Pierce Adams have had their first grandchild. She was born October 9 weighing six pounds, twelve ounces, and has been named Amber Michelle. Her parents are Mr. and Mrs. Tim Adams of Phoenix, Arizona, and her grandparents are Mr. and Mrs. Terry Adams of Atlanta, Georgia.

Mr. and Mrs. W.W. Wilcox enjoyed a weekend visit from their son and family, Alan Ray and Belinda and son Landon of Garden City, Kansas. They came last Friday and left Sunday morning.

Sid Lloyd and her brother Elbert Kelley had a house full of company during the past weekend. Those visiting were their sister, Mamie Lyons of Los Angeles, California; their nephew and family, J.D. and Bertha Kelley and son, Kyle Cain of Pleasant Hill; their brothers and sisters-in-law, Barney and Velma Kelley and Homer and Drusilla Kelley of Pleasant Hill; their niece and family, Juanita and Grant Garrett and children, Kim, Al and Kelly of Childress; their brother, Bill and Lois Kelley of Childress; their nephew, Ray and Comilla Kelley and children, Monica and Catrina of Midland; and their niece Joan and Dale Williams of Amarillo.

Also visiting were their nephew and his wife, Bob and Judy Fillpot of Clovis, New Mexico; their sister, Elva and Noel Teague of Bovina; Sid's granddaughter Elyse and Jerry Ward, Sid's daughter Julia Moody,

and their niece and great-niece, Irma Jo Englant and daughter Devancee, all of Bovina.

We are asked to announce that the Senior Citizens will be meeting Wednesday, October 28 for their regular luncheon. All Senior Citizens are asked to come and join the fun.

I was talking with Arthur Judd Monday and he was telling me about he and his wife Jean meeting relatives in Waurika, Oklahoma, which is near Wichita Falls. At the get-together were his three brothers and their wives, Henry and Inez of Newcastle, Oklahoma, James and Leota of Oklahoma City and Howell and Eve of Chickasha, Oklahoma. Also with the Judd brothers and their wives were their nephew and his wife, Douglas and Jean Judd of Oklahoma City.

Arthur said they had a great time being together until Saturday morning about 3:30 a.m. when a storm moved in and caused considerable damage. The families were in their individual campers or trailers and the trailer belonging to Henry and Inez Judd of Newcastle, Oklahoma, was blown over. It rolled three times which completely destroyed the \$8,000.00 trailer and the Henry Judds suffered cuts, bruises and both had back injuries. They were taken to a hospital near by and later to an Oklahoma City hospital.

Arthur Judd said their 23 foot trailer was blown off the jacks and sustained damages. He said authorities were not sure if it was just a bad storm or perhaps a small twister.

J.T. and Tessie Jones have had company visiting in their home during recent days: Tessie's cousins and their spouses, Mr. and Mrs. Wesley Saffold, Mr. and Mrs. Lee Saffold of Wilmer, Arkansas, and Mr. and Mrs. James Brewster, also of Wilmer, Arkansas. Tessie was telling me these are the cousins that put their cousin's reunion together each year in Arkansas.

Joe and Sue Fowler went the first part of the month to San Diego, California, and visited their daughter and son-in-law, Nancy and Bert Harden. Sue said they had a good visit and the weather was beautiful.

October 15, Joe, Sue, and son Robert and also Sue's mother, Eula Gross of Floydada attended the Lotspeich family reunion at Hico, Texas. About seventy-five people were at the reunion which was held at the Louis Lotspeich ranch near Hico.

Lotspeich is Sue's uncle.

Don and Gladys Spring have just returned from a trip to Albuquerque, New Mexico, where they attended the Balloon Festival and later attended the Schlenker family reunion which was held at the home of Gladys' cousin, Kendall Schlenker.

They went from Albuquerque to Pueblo, Colorado, and visited with friends, Reverend and Mrs. Paul Mohr.

Verl and Bonnie Derrick attended their son Gary's wedding which was held at the Church of Christ in Dimmitt last Friday.

The Derrick's other sons who accompanied them were: the Raymond Derricks and Robert Derricks of Artesia, New Mexico, and Donald from Bovina. Friends from Bovina who went to the wedding were Nita and Donald Dale and Carolyn and Printes Pruitt.

Flora Lee Bass spent ten days recently in Aurora, Colorado, with her daughter Sherry Field and her two

Plans Bazaar

Plans for the third annual Lazbuddie Christmas Bazaar are now underway. The Young Homemakers Club of Lazbuddie will be sponsoring the annual event.

The bazaar will be held on November 14 from 10 a.m. to 6 p.m. at the Lazbuddie High School Cafeteria. This will be a one day event only.

There are always many beautiful crafts entered in the bazaar. Area artists will be selling and showing paintings along with various types of leathercrafts, flower arrangements, ceramics, crochet, Christmas decorations, jewelry, quilts, copper and brass sculptures and numerous other items.

A door prize will be drawn from the names of the guests who sign up. You need not be present to win.

Booths will be available for rent if you are interested in entering your crafts or a booth run by the club members will be set up on a 15 per cent commission where your items can be sold if you feel you do not have enough to fill an entire rent space. The prices of the rent booths vary according to the size needed.

You can enter your crafts by calling Sheryl Engelking at 965-2351, Janice Bradshaw at 965-2619 or Marca Morris at 965-2712, no later than November 12.

children while her son-in-law, Jerry, was at the Southwestern Seminary in Ft. Worth where he was completing his studies for his doctor's degree. Jerry visited in the Bass home over the weekend and spoke at the First Baptist Church in Farwell last Sunday night.

Dorothy and Buck Ellison returned home Sunday from spending several days at their Nogal Inn cabin which is near Ruidoso, New Mexico. Relatives who were in Ruidoso with the Ellisons were their son Howard and his wife June of Price, Utah; Bob and Charles Reynolds of Brownfield; Keith and Annette Reynolds and daughter Brandy of Hobbs, New Mexico, and Mickey and Shirley Ellison and daughter Kimberly of the Dallas area.

Friends who were in Ruidoso with the Ellisons were: Jo and Reagan Looney, Jerry Ware and her friend Irene Crawford of Amarillo, and Charlie Eubanks.

Dorothy said they enjoyed a good visit and picked lots of apples. She was a sweetie and brought a sack of apples to us here at the office which we appreciated so much!

Willie Mae Ross came home from visiting three weeks with her daughter and son-in-law, Mary and Dr. Winfield Evans of Oklahoma City. While there they went on a color tour through parts of New Mexico and Colorado.

Mrs. Ross said when they went over the mountains near Pagosa Springs, it was snowing and had snowed so much in some parts that the snow plows were working to clear the roads. She said the aspens were very beautiful in this area.

Lottie Bandy has been in the Highland Hospital in Lubbock for about two weeks having tests run. Friends said she will probably be dismissed early this week.

Officers Play Game; Youngsters Benefit

For all of you who have always wanted to see an officer get hit, and for all of you who wondered how some of the area officers ever made it through the physical education part of their training, you missed your chance to see these guys play football.

Yes, it is sad, but true. As the Blade comes out on Wednesday we were told before press time a week earlier that a scheduled flag football game pitting the Parmer County Law officers against the Deaf Smith County law enforcers was cancelled. Much to our chagrin, we did not print the original date of the game, due to its cancellation, but then on Wednesday, October 14, the officers were able to work out their scheduling problems and play the game on October 20, just as we were going to press, no doubt, as it started at 7:30 p.m.

The Parmer County officers were able to secure the Friona High School football field for the game, and admission of \$1.00 per person was charged with the proceeds going to Girlstown, USA, and Cal Farley's Boy's Ranch.

Team members representing the Parmer County Law officers included: offense—Johnny Taylor (Friona PD), right guard; Jimmy Taylor (Friona PD) left guard; Craig Hunt (DPS) quarterback; Lindel Davis (Friona PD) left running back; Roger Fields (Friona PD) right lineman; Rex Williams (Friona PD), left lineman; Steve Talkington (DPS) tight end; Donnie Campbell (Friona PD), right guard; Fred Flores (Friona PD), right tackle; Steve Jones (Friona PD) center; and Art Lopez (DPS) right running back.

On the defense were Johnny Taylor (Friona PD) tackle; Steve Jones (Friona PD) left outside lineman; Glenn Reeve, Jr. (Friona PD) right outside lineman; Beamon McDonald (Friona PD) middle linebacker; Bob Davis (Parmer Sheriff's officer) short safety; Mark Asher (Friona PD) left guard; Mark Ancira (Friona PD) deep safety; Randy Burkhart (Friona PD) short safety; Jody Watts (Bovina PD) right guard; Robert Olveras

(Bovina PD) right tackle; Keith Winkler (Friona PD) deep safety.

The Parmer County law enforcers took the Girlstown girls as their charity and the Deaf Smith County lawmen took the Cal Farley's Boy's Ranch bunch as their charity, with the winner garnering 60 per cent of the donations and the losers getting 40 per cent.

Officials for the game were Coach Mike Speck (head referee), Coach Lynn Weiland, both of Friona, and Jerry Rogers, manager of KMCC in Clovis, and Gene Birk, of Channel 4 News.

Lindel Davis was the offensive team's captain and Beamon McDonald was the defensive team's captain.

According to Lindel Davis, coordinator of the game, representatives from Girlstown and Boys Ranch were on hand to cheer on their team with help from the law officers' wives and the dispatchers.

The Parmer County team was sharply dressed in dark grey uniforms with black trim.

Classes Set For Farwell

Registration for Adult Basic Education courses was held Monday night in Farwell at the junior high school, in room 109.

The classes begin at 7 p.m. and run until 10 p.m., and can be taken to attain a GED or may be taken by person with English as a second language, or by anyone wishing to sharpen up their learning skills in general.

There is no cost for the sessions, and the classes will be held in the same place each Monday from 7-10 p.m.

Betty Turner is the instructor for the course and the classes are open to anyone 16 and older.

YH Members Discuss Variety Of Subjects

The Bovina chapter of the Young Homemakers of Texas met October 13 for their regular monthly meeting.

Presiding over the meeting was Tammy Willard, president. She opened the session by calling the meeting to order.

Members answered the roll call with their favorite holiday and Sheila Carson read the minutes of the previous month's meeting. There were no additions or corrections to this, and the members went on to hear the standing committee reports.

Sheila Carson led off the reports with a report on the babysitting clinic which was held on Saturday, October 17 and her report was followed by a report from Nancy Sudderth on giving a \$5 gift certificate to four gentlemen who helped the YHT chapter during LTD. These men were recognized as John Detten, Tom Beauchamp, Wayne Spears and Larry Scott.

Candy Dyer was in charge of the

floral arrangements which were placed in each of the Bovina churches during Young Homemakers of Texas Week, which was September 14-20.

Each of the churches were given the same number of carnations as the number they had in membership.

Sheila Carson was in charge of purchasing three boutonnieres, one each for the school superintendent and his two principals, as well as a corsage for Becky Willingham, advisor, during this week also.

Mary Stone was in charge of the Coke party which was held after school one day honoring the FHA girls at Bovina High School.

Correspondence to the organization was read, and the treasurer's report was given by Tammy Willard.

In old business, babysitting dues and chapter dues were handled and the cookbooks were sent off. The members tended to the Secret Pals

business that was unsettled.

In the new business, the club agreed to have a Halloween kindergarten party for the bi-lingual class, and heading the committee for this was Pam Bell, and assisting her were Debra Beauchamp, Esther Steelman and Jana Barrett.

Also agreed upon by the group was the selling of Halloween coupons, which can be redeemed at various stores in Bovina. More detail on this can be found in an additional story.

Esther Steelman was selected as the new treasurer for the chapter, due to the moving of Lisa Spears.

The State Meeting was discussed which will be held November 13-14 in Dallas.

The Bovina chapter of YHT served refreshments at the babysitting clinic which was held Saturday.

Members of YHT are as follows: Tammy Willard, president, 238-1101; Cindy Bradburn, vice president, 225-4549; April Gober, secretary, 825-

2238; Esther Steelman, treasurer, 265-3801; Celia Quintana, reporter/historian, 238-1122; Sheila Carson, parliamentarian, 238-1243; and Toni Barrett, immediate past president, 825-3575.

Other members include: Jana Barrett, 225-4895; Debra Beauchamp, 225-4691; Pam Bell, 225-4685; Darlene Caldwell, 238-1594; Sylvia Davis, 238-1533; Charlotte Detten, 238-1320; Dottie Willard, 238-1671; Candy Dyer, 225-4437; Denise Jones, 238-1175; Susan Kerby, 238-1191.

Also, Twyla Lusk, 238-1163; Donna Mitchell, 238-1678; Donna B. Radford, none; Lori Richards, 238-1674; Betty Shepherd, 265-3564; Mary Stone, 238-1540; Nancy Sudderth, 238-1570; Becky Topliff, 238-1628; Kay Venable, 238-1667; Brenda Wilson, 225-4178; Helen Zehner, 238-1534; and Becky Willingham, advisor.

Exchange Double Ring Vows

Mr. & Mrs. Terry Schilling

Sabina McNamara, daughter of Mr. and Mrs. A.L. McNamara, Clovis, New Mexico and Terry

Schilling, son of Mr. and Mrs. Leon Schilling of Bovina, were united in marriage in a double ring ceremony at

4 p.m. Saturday, August 22 in the St. Ann's Catholic Church in Bovina. Father Ronald McGovern officiated at the ceremony.

grandmother attached to her bouquet. Something new was her gown and something blue was the traditional garter.

B. Lance Receives Co-Op Scholarship

Brad Lance, son of Mr. and Mrs. Jimmy Lance of Oklahoma Lane, was named as the recipient of a \$1,000 scholarship from Farmland Industries, the home office of the area cooperatives.

active in athletics, competing in football, track and was a member of FFA.

Vows were exchanged before an altar centered with a double brass kneeling bench which was flanked by two v-shaped candelabras accented with yellow tapers and baskets of white and yellow silk summer flowers atop brass flower stands.

Serving as maid of honor was Lisa Hegarty. Her dress was a floor length gown of pale yellow polyester lustreglo with a chiffon cape covering the bodice.

Brad is a senior entomology major at Texas Tech, and was a 1978 graduate of Tahoka High School. He attended grade school in Bovina, however.

He is one of four sons of the Lances, whose other family members include Jim, who is a senior at Austin College in Austin, Steve who is also a Texas Tech student, and is a junior, and Mike, who is a senior at Bovina High School.

The traditional wedding march was played by Mrs. Eunice Schilling. She accompanied Enya McNamara as she sang "The Wedding Song," "The Lord's Prayer" and "We've Only Just Begun."

Bridesmaids were Karen and Lisa Schilling, sisters of the groom. Their dresses were also floor length gowns of pale yellow polyester lustreglo with matching sleeveless jackets. They each carried bouquets similar to the bride's bouquet.

Sr. Citizens Party Held October 14

The Senior Citizens' monthly birthday party was held on Wednesday, October 14, for all of those attending whose birthdays were in the month of October.

In the letter addressed to the Lances awarding this scholarship which Brad received, it stated: "Your son, Brad, has been named as a recipient of a Farmland Industries \$1,000 scholarship for the current academic year. I am certain the scholarship committee made a wise choice when your son was selected."

Receiving guests at the wedding book was a longtime friend of the bride, Tammy Stanley.

Flower girls were Keree and Brooke McNamara, nieces of the bride. They wore long yellow dresses with short puffed sleeves.

Birthday honorees were Reagan Looney, J.J. Terry, Hally Moore, and Ola Epperly, who were all served cake, punch and coffee.

"Farmland Industries is pleased to be involved in this manner with the assistance of your son's education, and we congratulate you and Brad upon this recognition of his achievements."

Candlelighters were Todd Schilling, brother of the groom, and Jason Schilling, cousin of the groom. The family tapers on each side of the unity candle were lighted by the bride and groom's mothers.

The bridegroom was attired in a white formal tuxedo and white shirt. His boutonniere was a white miniature orchid.

After the party, games were played and some of the persons present did some quilting.

"Arrangements are now complete for the recognition of your son as the 1981 recipient of a Farmland Industries scholarship. The scholarship recipients recognition function will be held on Wednesday, October 14, 1981, at 12 noon in the Green Room of the Texas Tech University Center. I suggest you inform your son as to whether you can attend. Brad will contact our coordinator about your plans to attend. We hope you can attend our function. Sincerely, Michael L. Goolsby, Member Relations Consultant, Southern Region."

Presented in marriage by her father, the bride wore a formal length gown of white organza with an empire bodice featuring silk venice lace appliques. The Queen Anne neckline was edged in pleated organza ruffling. The long full bishop sleeves were appliqued with silk venice lace with wide cuffs of lace and pleated ruffling at the wrists. The long a-line skirt flowed into a chapel length train edged with chantilly lace.

James Ritchie served as best man. Groomsman were Chuck McNamara, brother of the bride, and Tim Boeckman. They wore silver tuxedos with yellow shirts. Their boutonnieres were yellow silk daisies.

The November birthday party will be held on November 11 for all citizens 55 or older who wish to attend.

In addition to Brad's scholastic excellence, having made the Dean's Honor List for each semester at Tech, he also is employed by Ciba-Geigy, and Funk Seeds, in the entomology department.

Her veil was a knee length mantilla, edged in silk venice lace and attached to a fitted lace covered cap edged in seed pearls.

Ushers were Dennis and Kenneth Schilling, Jerome and Kurt Schwertner, all cousins of the bridegroom.

Present at the October party were Allene Russell, Ola Epperly, Hally Moore, Mr. and Mrs. Clifford Leake, Nellie Crooks, Mona Smith, Mr. and Mrs. Grady King, Elbert Kelley, Sid Lloyd, Mr. and Mrs. Reagan Looney, Ethel Johnson, Mr. and Mrs. George Trimble, Idella Owens, Bethel Wilcox, and J.J. Terry.

The bride carried a cascade arrangement of silk flowers formed of white daisies, yellow baby's breath, lily of the valley and streamers of stephanotis, yellow sweetheart roses and English ivy, all nesting in a pillow of white lace.

The bride's mother wore a street length dress of pale dusty rose colored quiana featuring small ruffles at the throat and wrists.

Bovina Shells Wolverines In First District Win

Bovina's powerful Mustangs shelled the Springlake-Earth Wolverines in last Friday night's district opener, 42-14.

"The kids played real well the first half of the game, but we did not play as well in the second half," was the comment from Coach Paul Toppliff, after the winning debut.

Bovina's first score came from a 99-yard run by Richard Shepherd, after which the extra point try failed.

In the team's second scoring possession, Shepherd again went over on a one yard run into the end zone and Dale Gilbreath passed to Richard for the two-point conversion. This made the score 14-0.

Tad Mayfield then scored from one yard out and the extra point try was unsuccessful.

Then, Dale Gilbreath threw a 12 yarder to Ricky Shepherd and the point try failed.

Ricky Shepherd caught a Gilbreath pass and again ran in from 10 yards out to score and the extra point try failed.

Dale Gilbreath then ran 11 yards

himself and scored the last of Bovina's touchdowns. Victor Robledo made good on the point after.

In the fourth quarter of play, Robledo finalized Bovina's scoring with a 19 yard field goal.

In the passing statistics, Bovina had three receivers who distinguished themselves. Ricky Shepherd caught nine passes for 182 yards and two TD's, Joe Black caught four passes for 33 yards and no points and Edward Chisom caught three passes for 35 yards and no points.

In the rushing department, Bovina had four men who excelled in this area.

Dale Gilbreath rushed five times with no yardage. Joe Pat Wright rushed 11 times for 55 yards. Tad Mayfield rushed 13 times for 82 yards and Richard Shepherd rushed seven times for 119 yards.

Bovina racked up 22 first downs to Springlake's 16 and the Mustangs rushed for a total of 283 yards to S-E's 179.

The Mustangs had 235 yards in the

air as opposed to the Wolverines' 208, and in total yards gained Bovina had 518 for the game and Springlake-Earth had 378.

Dale Gilbreath completed 15 of 37 passes, for 41 per cent and Springlake completed nine of 25 for 36 per cent.

The Mustangs intercepted six Wolverine passes and the S-E bunch only picked off one Bovina pass.

Bovina averaged 35 yards per punt for a total of two punts and S-E averaged 29.3 yards per punt on their three punts.

Bovina was able to recover two Wolverine fumbles and S-E was able to recover only one fumble from the Mustangs.

In the game, Bovina had 20 penalties for 129 yards and Springlake-Earth only had 72 yards in penalties coming from nine infractions.

"This was the best road game we've played since I have been here," remarked head coach Paul Toppliff. "Last year, Springlake-Earth beat us

42-22. This senior class had never beaten Springlake-Earth before Friday night."

The coach cited Ricky Shepherd's play on the offense as a blocker as a "superior job," and he also had praise for the offensive linemen, Mark Teague, Charlie Trimble, Brad Heflin, Tim Grissom, Marty McCowan and Edward Chisom, who all did an "exceptional job" on their offensive blocking in Friday's game.

Looking forward to Friday night, coach Toppliff said that Bovina was faced with three tough games ahead, Kress, Vega and Hart.

In the Kress game last year, the Mustangs were humiliated, 46-8, a game which coach Toppliff said, "They could have beaten us 88-6 because they really embarrassed us."

According to Toppliff, the Kress team has been planning all year on beating the Mustangs, but nothing happens until 7:30 p.m. Friday night in Mustang Stadium.

Sizing up the Kangaroos, Toppliff said they will have an average of 193

pounds across their front offensive line, and they have a 225-pound fullback, as well as one of the quickest halfbacks the Mustangs will ever face this year.

The coach said the Kress mentor scouted Bovina three times already this year and they have worked three weeks for this game. "Our kids realize that we have to play better each week in order to win games. We are happy to be home again after three weeks out of town. It was beginning to get to the kids," commented Toppliff.

According to the head Mustang mentor, the Bovina team and Kress match up almost even in the passing game, but Kress is a little larger than Bovina in size.

Another thing to remember is that the Mustangs have lost only one home game in the past two years.

"I think our fans will also make a big difference...there is none anywhere else like them. They are the best," proclaimed coach Toppliff.

So, for anyone who was waiting in

the wings for the big game this is your chance to see it.

Kress and Bovina, 7:30 p.m., in Mustang Stadium, Friday, October 23...Texas schoolboy football at its finest!

•••••

One short note on the Springlake-Earth JV and Junior High School football games which were to be played on Saturday, due to a cancellation of the games on Thursday night because of bad weather: the coaches from S-E told the Bovina coaches after the varsity game Friday night that they were not going to play the junior high and JV games the following day and to consider them a forfeit...no other reasons given.

The Bovina JV team is now 1-1-1 for the season, and the junior high team is now 4-1 for the season.

Both teams will meet Kress at Kress beginning with the junior high game at 5 p.m. Thursday, October 22, with the JV game immediately following the junior high game.

The Greeks

Had A Word For It - - - DEMOCRACY

Power by, for and of the people—control by majority.

It works for businesses as well as government.

Some 40,000 cooperatives across the U.S.—with more than 50 million members—are democracy in action . . . people making use of a 2000-year-old concept to operate enterprises for their common benefit.

Efficiently and economically cooperatives meet a staggering variety of needs—leg'l aid, health care, electric and telephone service, credit unions, marketing and purchasing farm products and supplies, insurance, food, housing, furniture, nursery schools, funeral societies, TV and auto repair shops, and more.

Little cooperatives and big cooperatives, in cities, small towns, rural communities and places in between, all prove daily that democracy is more than a beautiful Greek word; it's a system that WORKS.

Society Plans Annual Turkey Dinner Nov. 1

Members of the St. Ann's Society of St. Ann's Catholic Church in Bovina will host a turkey dinner on November 1 in the Parish Hall of the church.

The menu will include turkey, dressing, gravy, home canned green beans, home baked desserts and beverages.

A Country Store will also be set up which will feature home baked goodies which can be bought from

the members.

Tickets for a handmade, hand-painted State Flower quilt will also be raffled off at \$1.00 per ticket by the members.

Three door prizes will also be given away at the dinner.

The charge for the dinner will be \$4.00 for adults and \$2.25 for children under ten. Take-out orders will also be accepted at the cost of \$4.25 per adult and \$2.50 for children under ten.

The church is located at Avenue E and Second Street.

The community is invited to come and enjoy a real home cooked turkey dinner.

K. Guest Makes TI Honor Roll

Keith J. Guest was recently named to the Vice-President's Honor Roll at the Amarillo Campus of Texas State Technical Institute, according to Dr. James A. Bird, General Manager of the Amarillo Campus. Membership to the Vice-President's Honor Roll is attained by maintaining a 3.5 grade average.

Keith is majoring in auto mechanics and is the son of Mr. and Mrs. Jim Guest of Bovina. He also graduated from Bovina High School.

Winter quarter registration at TSTI-Amarillo is December 1, 1981. For more information contact the Admissions Office at Texas State Technical Institute.

C. Aycock Speaks At Meeting

Members of the St. Ann's Society held their regular meeting at the church and Eunice Schilling presided over the meeting.

Guest speaker for the meeting was Attorney Charles Aycock, who chose the topic, "Why Make A Will?"

Guests present were Estella Meza of Bovina and Mary Ann Lloyd of Canadian.

Refreshments were provided by Liz Jesko and Dixie Jesko, with fifteen present.

Railroad Crossing Safety Depends Upon Motor Vehicle Operators

Imagine, for a moment, that you are approaching a railroad crossing and just as you get upon the crossing, your vehicle stalls. What would you do?

Or, what would you do if you were in an extreme hurry and needed to be at a meeting which you were already ten minutes late for, then you got stuck at a railroad crossing, waiting for the train to cross...but you could see it coming? Would you take the chance and cross, or would you wait and be even later still?

There are nearly 15,000 public grade crossings in Texas but even so, each year several hundreds of people fail to use good judgment when approaching a railroad crossing. Why should this be?

In conjunction with the Texas Safety Association, the newspapers in the State are lodging a campaign to alert the public to the very real dangers of railroad crossings when drivers try to "beat" an oncoming train. The results are usually fatal.

In the past year, 89 persons died in accidents at grade crossings and 573 persons were injured in accidents which occurred at the same location.

This showed a 26 per cent increase of deaths and injuries over the past year from 1979.

But, here is the clincher...55 per cent of those accidents happened during daylight hours, 91 per cent

occurred in clear, dry weather, 65 per cent happened on city streets, 45 per cent of the drivers involved were between the ages of 20-34, and 56 per cent of these accidents occurred in towns the size of Bovina, with the next highest number happening in cities over 250,000.

In three out of five crossing accidents, the train and car collide and in two out of every five accidents the car runs into the side of the train.

And, it takes only 30 seconds to two minutes for a train to safely pass through a crossing...30 seconds to two minutes to end a life.

Who is to blame? According to the Interstate Commerce Commission, "the principal cause of grade crossing accidents is the failure of the motor carrier operator to stop or exercise due care and caution, or to observe and comply with existing laws and regulations."

According to the Texas Motor Vehicle Laws, it is a law to stop within fifty feet but not less than fifteen feet from the nearest rail such as railroads and the operator of the vehicle, shall not proceed until he can do so safely when: 1) A clearly visible electric or mechanical device gives warning of the immediate approach of a train; 2) A crossing gate is lowered, or when a human flagman gives or continues to give a signal of the approach or passage of a train; 3)

A railroad engine approaching within approximately 1,500 feet of the highway crossing emits a signal audible from such a distance and such engine by reasons of its speed or nearness to such crossing is an immediate hazard; 4) An approaching train is plainly visible and is in hazardous proximity to such crossing.

So, we all have the laws to protect us. Then why don't we use the common sense we have when approaching a railroad crossing, instead of taking chances with our lives and the lives of others?

We all take for granted that this type of accident could not happen here, but very often I see drivers who will go around the gates after they have come down, instead of stopping and waiting until the train has passed. How can they know that the train will not start up? Who will be the person responsible to tell their loved ones that the operator of the vehicle was negligent in his stop at the railroad crossing and it cost him his life?

It would be ridiculous for anyone to believe he could hold his own against a train weighing somewhere in the neighborhood of 1,200-2,000 tons, up next to a car, which might weigh one and one-half tons at the most.

The main point of this article is the fact that all these accidents could

have been avoided...families could have remained whole, taxpayers could have spent alot less to repair roadways around crossings and insurance companies could have paid less, making everyone's payments less.

Trying to beat a train to a crossing is something akin to playing Russian Roulette with a gun that has only one blank and five bullets...nobody wins in either case.

Don't let your family have to be the next ones contacted when you come to a railroad crossing. Take the time to wait, then drive home safely.

It may take a little while longer, but then you have your whole life ahead of you.

The charges for booths will be placed at \$10 and these arrangements for booths can be made by calling Jesse Stone at 238-1186 or by contacting any Jaycee member.

Deadline on the booth spaces will be Friday, October 30.

Parmer County Law Report

SHERIFF'S REPORT

In charges logged in the Parmer County Sheriff's Office the past week the following persons were convicted of the following charges:

Raul Valasquez, 18, Santa Cruz, N.M., charged with possession of marijuana, under two ounces, plead guilty and was fined \$150 plus court costs.

Louis Spears, 23, Friona, charged with burglary with the intent to commit aggravated assault, awaiting grand jury, is being held in lieu of \$10,000 bond in Parmer County jail.

Jose Estrella, 24, Friona, convicted of DWI charges, and was fined \$150 plus court costs.

In reports to the Sheriff's Office, R.E. Blankenship of Farwell reported that a farm house was broken into on October 13. Family members said there were no contents of the home missing.

Ray Tharp of Texico, N.M. reported that a farm home three miles north of Farwell was broken into, also October 13, and there were no contents missing.

Andres Garza, Jr. of Bovina reported that he had his car vandalized on October 5, as the brake line on the car was allegedly cut.

Mrs. Roy Lovelady of Farwell reported that she had two CB antennas stolen from her vehicle as it was parked at the Farwell football game on October 9. The theft is still being investigated.

Melvin Boggs of Farwell reported that sometime between October 11-13 a quarterhouse on his property was shot in the left shoulder.

Max Steinbock of Lazbuddie reported that sometime in the past three or four weeks he had four mag wheels and tires stolen from his barn for a total value of \$500.

The 1975 Ford pickup belonging to Robert Zetsche of Friona which was reported stolen on October 11 was recovered in Bovina on October 17 by

Deputy Jerry Atchley. The vehicle was in good condition and the deputy drove the vehicle back to the owner.

DPS REPORT

Two accidents were reported by DPS troopers for the past week. Trooper Craig Hunt gave us this report.

On October 16, at Third Street and US 84 in Farwell, Lura Glenn Rundell and Terry M. Cole were involved in a vehicle-motorcycle accident at 5:21 p.m.

The vehicle, a 1978 Lincoln Continental pulled from a stopped intersection and did not see the motorcycle coming and struck the cycle. The drivers of neither vehicle sustained injuries.

Citations of failure to yield right-of-way from a stop intersection and DWLS, no motorcycle endorsement, and operating an unregistered motorcycle were issued at the scene by Trooper Hunt.

Lopez also reported an accident involving Lyle Irving Godfrey of Clovis, who allegedly fell asleep while westbound on US 84 and hit a telephone pole, rolled his car, with the vehicle coming to stop overturned on the highway.

A traffic accident involving a truck loaded with sugar beets occurred on Tuesday morning, but details were unavailable at press time.

AMBULANCE REPORT

Bovina Ambulance Service was called out on one call the past week and that was to assist Oma Gunn, who had dislocated her hip.

Mrs. Gunn was transported to Parmer County Community Hospital by the service, but was later transferred to Lubbock's Methodist Hospital by Bovina Ambulance.

Crew members who handled the call were Roy Lee Stowers, Larry Mitchell and Dick Richards.

NAME OMITTED

On the shower hostess list for James Ritchie and Glenda Morgan in last week's Blade, the name of Mrs. Alice Moore was omitted by mistake. The Blade regrets this oversight.

Her phone is ringing. Unfortunately it's ringing in the kitchen.

If she had an extension phone in the bedroom, she not only wouldn't have to get out of bed, she wouldn't even have to open her eyes.

General Telephone offers extensions in a wide range of styles and colors. And each and every phone is backed by all our years of

experience.

Extension phones are a convenience you deserve and they're not expensive. Just a few dollars per month and think of all the legwork they'll save you.

You can't be two places at once. But your phone can.
