Football season is just around the corner

It doesn't seem possible but the start of high school football is only three weeks away.

The season gets started August 3rd when high school players will receive shoes and helmets.

Practice starts August 8th and sessions will start at 8 in the morning and 6 in the evening.

The first scrimmage will be here against Comanche August 18 and the Badgers will travel to Hamlin Aug. 26

for a scrimmage. The season opens Sept. 2 in Sweetwater.

Junior High football will start the day school starts. All 7th grade players must have a physical and 8th grade players will need to fill out a medical history form. Those forms are available at the administration office.

Students that are new to the community and want to play football need to contact Coach Longley or high school principal Robert Damron.

Soccer registration will continue

Registration for Merkel area children who want to play soccer this season is continuing through July 21st.

So far, coaches are needed for an under 8 boys team, and under 10 girls team and an under 12 boys team. Play-

ers are also needed in all age brackets, boys and girls. Soccer ages run from four through adult.

If you are interested contact Don Whisenhunt at 928-5091.

Registration forms are available at The Merkel Mail or from P J's Videos.

10 years remembered, rain, micro-film ... more

by Cloy A. Richards

Well, the Richards clan has spent a decade publishing *The Mail*. We passed that milestone with last week's paper.

Lot's of times when people ask me "how's it going?" I respond with "same ol' stuff."

That's not true, at all.

A lot of things have changed around the paper for the last ten years.

We no longer have to put up with an addressing machine that was as temperamental as any machine I have ever encountered. We have been on a computer mailing list for the last six years and that has made things quite a bit easier.

You already know we recently changed to a computer driven type system and I can't begin to tell you how nice that is.

We went through a pretty extensive remodeling program on our building few years back and its at least comfortable when we are working.

We have also had the chance to live and work with the folks around here for that decade and that has certainly made life a lot better.

There are a couple of more things that will be different in the next year or so.

We will start celebrating the 100th

anniversary of the paper next March. We are the oldest business in town and we are planning a couple of special events in recognition of that fact.

Through a lot of hard work from a trio of ladies with the West Texas Genealogical Society, the back issues of *The Mail* will be preserved on microfilm. Texas Tech University is footing the bill and a copy will be made available to the Merkel Public Library. That will be a great gift to future generations because some of the old editions are too brittle to handle and they can only be preserved in that manner.

Anyway, I guess we start another decade. May it be even better than the last.

Back when we had summer droughts, the best thing that broke them was a Dale Hammond cartoon or a golf tournament.

Melanie and I joined 32 other couples for a tournament at the Merkel Country Club over the weekend and you guessed it, we got rained out midway Sunday.

If you haven't been out there recently, the place has certainly changed and is looking great.

Council discusses flooding problems

The Merkel City Council met Monday night and discussed water problems on the city's South side and heard a police report from Merkel police chief Bob Jones.

Seven citizens attended the meeting and asked the city to do something to alleviate lawn flooding problems. The city agreed to install a couple of drainage pipes in the area to help divert water.

Council also learned that work on housing rehabilitation has started again. Sentry Service of Abilene has the contract on the state-funded project and his work had been slowed when they lost their crews to roofers in Abilene. They started their work here again Monday.

Council approved a request for a water tap just South of the old NuCorp Pipe Yard on Wells Lane. That request will need the approval of the City of Abilene as well.

During his building report, Merkel

City Manager J. A. Sadler told council that skin would be attached to the new city hall in the near future.

Police Chief Bob Jones presented the police activity report for June. Merkel police worked a total of 45 cases last month, including two cases of criminal mischief, six traffic accidents, two cases of DWI and a case of possession of marijuana.

Police also investigated three cases of telephone harassment, investigated five theft, two cases of forgery, four cases of burglary and a case each of criminal trespassing and burglary of a motor vehicle.

Police also issued 15 traffic citations and made two arrests.

The city manager also presented a report on Fun Day and read a letter thanking the Phantom Squadron of the Confederate Air Force for their participation in the event.

Council's next session will be July 25th at 7 p.m. at the Merkel Ambulance Service Building.

Knapp-Carriker make 'honor roll'

The Trent Gorillas were honored by *Dave Campbells Texas Football Magazine* by having two named to the 1988 Six-Man honor roll.

Lewis Knapp, a 6-0 185 lb senior running back was named to the list for the second straight year. He led the 'Rillas last year with 1,175 yards and 17 touchdowns and was the first 6-Man player to win the KTXS player of the week when he rushed for 231 yards and 4 touchdowns against Hermleigh, all in the first half. He capped his season by being named honorable mention All-State running back and 2nd team All-State linebacker.

Dock Carriker, 5-9 150 pound senior quarterback was also listed in the

"mythical" super team. The 1st team all-district quarterback passed for 487 yards and nine touchdowns last year in Trent's run oriented offense.

An important message about cancer insurance

No one likes to talk about cancer, or cancer insurance. But the American Cancer Society tells us, one out of three people get cancer. And fighting cancer takes money. That's why Mutual of Omaha offers cancer protection that can help pay the high costs of cancer treatment by supplementing the coverage provided by your regular health insurance. Call us for more information on reasonably priced cancer insurance.
