Expanded Calling passed:

City Council disputes Energas \$1 increase

by Bill Galusha

Post City Council met in regular session Tuesday, November 1. Several topics were discussed. Among those topics was an increase in our monthly Energas service charge. Energas had approached Mayor Jim Jackson and City Manager Rick Hanna.

"Back in July Energas told the Mayor, Jim Jackson, they were going to raise their monthly service charge by one dollar," said Rick Hanna, Post's City Manager. "The mayors, response was later labeled in a letter as 'hostile' by Energas. The mayor did not like them coming into our town and telling us what they were going to do. They don't even have an office here," he added.

"They returned to Post for another meeting with an offer of an 89¢ increase, but the meeting did not end on a positive note," said Hanna. Again the meeting was labeled as hostile. About the same time that the second meeting took place, the Steering Committee for the South Plains Region was meeting in Lubbock.

While Energas was in Post on another meeting, not knowing the Steering Committee had met, they suggested a 55¢ increase. The Steering Committee came up with a 67¢ increase, not knowing that Energas had offered a 55¢ increase. "By the time it's all over with, the increase will probably be 67¢," said Hanna.

The city feels that the amount of customers that Post has using Energas, they (Energas) should have an office in Post. "If we need their service or help we have to call an out of town number. They think because they are

the only gas company in town they can do what they want. We (the city) don't feel that it is right," said Hanna.

Another topic of discussion was "Expanded Calling." Expanded Calling has passed. Beginning sometime in the spring we will have the ability to call Lubbock without a long distance charge. "We will have a small increase in our monthly bill," said Hanna. The added charge for residences will be between .50 and \$3.50 and between \$4 and \$7 for business customers. Expanded Toll-Free Calling will allow calling to and from the Lubbock city limits without a toll charge.

The City of Post has been awarded another grant, "Home Grant." The Home Grant was awarded for \$208 thousand dollars and is to be used by low, fixed and moderate income families for repairing and renovating their homes. "The actual guide lines and when the applications for the money can be picked up are forthcoming. We will let the people know when it becomes known to us," said Hanna.

The city is also interested in the juvenile facility that the county was approached about. A company by the name of Aguirre approached the county in request for land to build the facility that would house as many as 200 juveniles. "The city is very interested and encourages the county to pursue it," Hanna said. The 40 acres is on the North edge of town within the city limits. All that is required is the land, the city/county are not required to invest any money.

Dispatch photo by Jerry Taylor

Lopes advance to playoffs

The Antelopes will play Springlake-Earth Friday at Levelland. The game will begin at 7:30 p.m. Lobo Stadium.

Thursday evening at 7 p.m. there will be a pep rally in the gym to send off the Lopes and to introduce the parents of the team members.

Friday afternoon at 3:30 on the Lubbock Highway at the top of the Cap Rock, there will be a send off for the Lopes. All Antelope fans are urged to come and to bring their Antelope flags to show their support of the Antelopes as they head to Levelland for the playoffs.

New PA trains at Post Health Care Clinic

by Bill Galusha

The Post Health Care Clinic under the direction of Doctor Shen S. Chen is at this time training another aspiring Physician's Assistant (PA). Karen Heckmen, a PA student from Baylor College of Medicine is under-going her Community Medicine phase of (PA) training at the clinic. Heckmen will finish her Community Medicine training at the clinic around Thanksgiving. Heckmen will then return to Houston where she will finish her thesis and spend the last two months of training at the VA Hospital in Houston.

PA's, once certified, are allowed to practice their profession anywhere in the United States. After her December graduation she will practice medicine in Hallock, Minnesota, 20 miles from the Canadian Border. "I didn't have any trouble finding a position as a PA, for every PA graduating there are approximately seven job positions," said Heckmen. "I signed a two year contract with them. They will pay all my moving expenses, full salary and they will pay off over \$40,000 in student loans," she added.

Heckmen went on to say her whole family is in the medical field. "I knew I was going to go into medicine, but I didn't want to spend the next eight years going to school. My mother is the one who suggested I look into the

PA program," Heckmen said.

A PA is a medical professional who practices medicine under the supervision of a Physician and can perform the same duties as a physician. They can perform physicals, order lab tests, set broken limbs, diagnose, develop and implement treatment plans as well as prescribe medications and x-rays. The PA has the ability to do the same procedures as a physician at about half the cost of a doctor. With the PA taking care of the majority of the minor or routine cases this frees the physician for the more serious illnesses and injuries. "This gives the doctor a little more time to spend on major cases and it makes for a better married life. They (the doctors) spend too much time away from home as it is, we (the PAs) take a big work load off of them," said Mike Cahill.

Cahill has been a certified PA for 10 years and has been practicing his trade at the Post Health Care Clinic under the supervision of Doctor Chen for the last 2 1/2 years. Previous to this time he was practicing in Oregon and Washington state.

The three medical schools that offer this program in Texas are Galveston, UT Austin and Baylor School of Medicine in Houston. Average class sizes range between 25 and 35 students allowing for more one on one attention by instructors.

Commissioners Court considers 200 bed juvenile facility in City

by Bill Galusha

Commissioners Court met in regular session Monday October 24.

The major topic of discussion was a juvenile detention facility. Judge Giles Dalby was approached by a corporation called Aguirre. This corporation is interested in building a juvenile detention facility in Garza County. The proposed site is a 40 acre plot of land owned by the city.

The facility will hold approximately 200 juveniles. It will be built entirely by Aguirre and financed totally by the state juvenile department. The only thing that would be required of Post/Garza County is a place to build it, the land. "The facility, when built, will employ approximately 40-50 people from the area," said Judge Dalby. "The people of Garza County were against building a jail for hardened criminals in the area. But this will be different. If they go against this they (Aguirre) will build it somewhere else and someone else will get the benefits."

The facility will need guards, school personnel, medical personnel and others. It will be steady employment with state benefits. "Our area is in need of some good steady jobs, it will put a lot of people to work," said Dalby. The commissioners next step is to approach the City Council to see if they will allow this particular type of

facility to be built on the land. Aguirre is expected back in Post sometime in January.

Garza County's motor graders are approaching their life expectancy before major repairs will begin being necessary. Ronnie Jones and Mike Brownlow of Yellowhouse Leasing approached the Commissioners Court with a lease proposal for John Deere, Motor Graders. The proposal made was for a lease of 1-5 years. The cost of the lease varied from \$800 to \$1,200 per month depending upon the length of the lease.

The graders are tandem drive with air, radios and come with a warranty. Insurance would be at the county's expense. They (Yellowhouse) recommend at least a three year lease. "We have demonstrators in the yard if you would like to try one out. You can take it from precinct to precinct if you would like to," said Jones.

"We are working in Southland now. We're ready, when can you deliver it," said Lee Norman, County Commissioner. Arrangements were made to contact them Tuesday morning to set up delivery of the demonstration machine.

The next scheduled Commissioners Court Meeting is Monday November 14, at 9 a.m.

Ruth Ann Young (sitting) is awarded the Texas Association of Counties Certification on August 23. Presenting the award is James Cain. Pictured center is Commissioner Albert Stone and far right Commissioner Lee Norman.

County Treasurer gets award

Garza County Treasurer, Ruth Ann Young was awarded the Texas Association of Counties (TAC) County Investment Officer Level I Certification on August 23, 1994.

Young was honored for passing a comprehensive exam covering management of county investments after six monthly classes.

The course incorporates home study, classroom lecture (including computer training if needed) and field trips to various financial institutions such as commercial banks, the Federal Reserve Bank and broker/dealer firms. Level I concentrates on the provisions of the law relating to investment of public funds.

TAC first offered this program in

1992 in response to requests from county treasurers wanting to learn how to increase their counties' rate of return. Participants are concerned that changing interest rates will translate into higher taxes for their constituents—something they hope to avoid by learning more about capital markets. The goal is to make the most of the taxpayers' dollars to avoid cutting services or raising taxes.

Young is one of only 22 people to complete the objectives for the CIO certification in 1994. The graduates are now eligible to begin the level II course, where curriculum will include information about investment accounting and operational techniques.

Sheriff's membership drive

The Sheriff's Association of Texas and Garza County Sheriff, Kenneth Ratke, are urging citizens to join law enforcement officials in the fight against crime. Residents of Garza County will soon be receiving applications in the mail. "Joining the association is voluntary and I encourage as many citizens as possible to join," said Ratke.

Anyone who wishes to join and does not receive an application in the mail, may come by the Sheriff's office, or send your name, address, and check for \$20.00 for individual membership,

to the Sheriff's Association of Texas, P.O. Box 4488, Austin, Texas, 78765-4488.

Dues are used to upgrade, professionalize, and train Sheriff's and other law enforcement officers to protect the citizens of Texas. All associate members will receive a wallet membership card, two window decals, a subscription to The Texas Lawman and \$1,000 accidental death and dismemberment insurance.

For more information or questions call Sheriff Kenneth Ratke at 806-495-3595.

Dispatch photo by Bill Galusha

Alexa Collier was sworn in as a School Board Member, in a special School Board meeting, Thursday, November 3.

Alexa Collier takes School Board oath

by Bill Galusha

The Post School Board met in a special meeting Thursday, November 3.

The board met to accept the

resignation of School Board Member, Royce Hart and to appoint Alexa Collier as his replacement. They also employed Marianne Hart as school nurse.

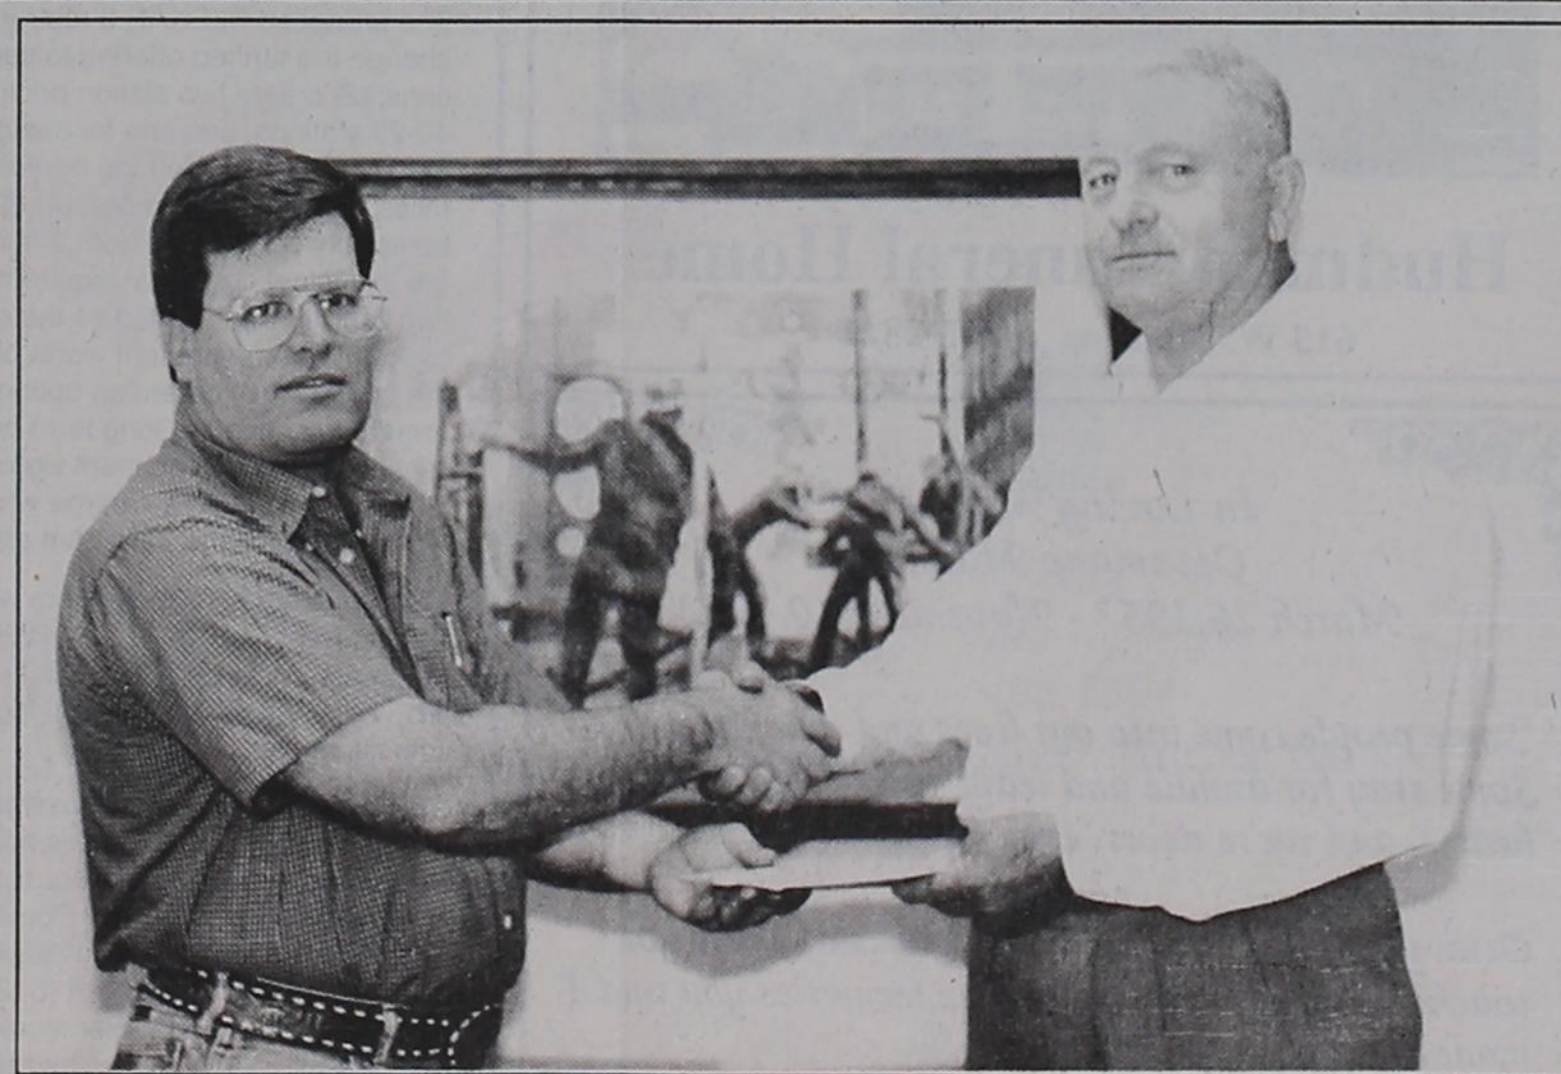

Post ISD's Nurse, Mrs. Ammons quit and moved to Jacksboro the last week of October, so the school was in need of a nurse. Although several applications were received from RN's, none were found that fit the schools needs.

Marianne Hart of Post, met the schools criteria and was willing to accept the job as School Nurse. But Marianne's husband was a member of the School Board. Texas Nepotism laws state that a member of the School Board can not hire a member of their family to a position with-in the school while they are on the board.

To solve the entire problem, Royce Hart resigned as School Board Member, Marianne Hart was hired as school nurse and Alexa Collier was sworn in as School Board Member.

Collier is an 11 year resident of Post. She was first employed by the Post ISD as a Jr. High School Teacher in 1972. She taught school for one year before moving. Collier returned to Post in 1983 and worked full time with her husband in their oil and gas company. She returned to teach school at the Post Elementary School as a first grade teacher in 1990 and remained in that capacity until the summer of 1994.

"As a teacher the School Board felt she could bring some important insight into the board from a teachers point of view," said Dr. Bobby Bain, Post ISD

Dispatch photo by Bill Galusha

Billy Dorner (R) of the George R. Brown Partnership, presents Jacky Harp, Board Member of United Way with a donation of \$1793. The George R. Brown Partnership is the largest contributor to the United Way in Garza County. This years goal is \$15,000, Harp estimates they are only half way there.

Post Notes

Mr. and Mrs. Dillard Dunn

Dunns to celebrate 60th wedding anniversary

Mr. and Mrs. Dillard J. Dunn will celebrate their 60th wedding anniversary with a reception Sunday, November 13, 1994 from 2 to 4 p.m. at the Citizen's Bank Community Room in Slaton. The event will be hosted by the couple's children and their families.

Dunn married the former Doris Livingston November 17, 1934 in Farwell. They have two children, five grandchildren and five great grandchildren.

Girl Scouts attend annual Campcrafters' Holiday

Weeks of preparation by the Post Girl Scouts, 6th grade and up, were put to the test October 28-30 at the annual Campcrafters Holiday. The theme for this year was "How a girl can help her country" from one of the earlier Girl Scout handbooks.

The older girls earned a first class badge from the same book with their weekend's activities and the sixth grade girls earned the second class badge. Both groups competed in skits, knots, compass, cooking, and fire building with other girls from all areas of Caprock Council. The Cadettes competed in flag signals, setting a table, diapering a baby quickly and cross-stitching. They placed second in first-aid; third in overall campsite and cooking; and fourth in knots and skit.

Texas Recycles Day is November 15

The Texas Young Lawyers Association encourages everyone throughout Texas to participate in Texas Recycles Day, set by Governor Ann Richards for Tuesday, November 15.

Texas Recycles Day is part of a "Texas-Sized Recycling Challenge" issued September 1 by the Clean Texas 2000 program of the Texas Natural Resource Conservation Commission, TYLA, through its environmental committee, is a member

of the Texas Recycles Day Steering Committee and is one of 70 public and private sponsors.

Public Notice

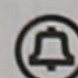

Southwestern Bell Telephone Company (SWBT) has filed an application with the Public Utility Commission of Texas (PUC) to restructure the current PLEXAR I and II service offerings. This restructure will significantly change PLEXAR I and II services.

The restructuring of PLEXAR I will, among other things: (1) reduce the maximum line size from 30 to 9; (2) obsolete and grandfather certain optional features; (3) eliminate the requirement to subscribe to Feature Package Two in order to subscribe to certain optional features; (4) reduce the nonrecurring and monthly rates of certain features; and (5) increase the nonrecurring charges for the PLEXAR I System Charge (\$2.10 to \$8.00), Call Transfer Disconnect feature (\$3.00 to \$8.00), and Convenience Dialing I feature (\$6.35 to \$8.00). All current PLEXAR I customers will have the option of keeping their current PLEXAR I service, switching to the new restructured PLEXAR I service, or switching to PLEXAR II service with ten or more lines.

The proposed PLEXAR II restructure will, among other things: (1) change the tariffed offering to serve the market segment of 10-74 stations; (2) create two station pricing structures, one for customers with 10-29 stations, and one for customers with 30-74 stations; (3) reduce the sensitivity for the loop portion of the rate to two price bands: 0-2 miles, and beyond 2 miles; (4) offer a PLEXAR II basic station that can be flexibly configured, from a number of standard features, to meet the individual customer requirements; (5) change the way the termination liability is calculated so the customer is responsible for 65% rather than 56% of the present worth of the remaining monthly payments in the contract; (6) create an option that allows month-to-month customers to convert to long term contracts of at least three years and receive a credit or "contract signing bonus"; and (7) establish a System Subsequent Change Charge which applies per serving central office when changes are made that affect the entire system.

Current PLEXAR II customers will also have the option of keeping their current PLEXAR II service, or switching to the new restructured PLEXAR II service. PLEXAR II customers with at least 75 stations also have the option of switching to PLEXAR Custom service in certain situations.

This application has been assigned Docket Number 13210. Persons who wish to comment on this application should notify the Commission by November 28, 1994. Requests for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, or you may call the PUC Public Information Office at (512) 458-0256, or (512) 458-0221 teletypewriter for the deaf. For more information about this application, please call your local Southwestern Bell Account Representative.

Cub scouts gear up for popcorn sales

Once again the annual popcorn sale has begun! Cub Scouts will be selling popcorn including microwave, butter flavored and the popular caramel flavored. Sales began November 4 and all orders will be ready for delivery December 4.

Proceeds from the popcorn sale benefit the council camping program and unit services. There are also opportunities for each boy to earn prizes by individual sales and the pack to earn money as a whole.

The cub scout's monthly pack meeting will be held November 28. Parents, grandparents or anyone interested in the scouting program are encouraged to attend. For more information, contact Cynthia Colven.

Beef Up Your Word Power

with Dr. Charles Somerville

tactful adj. - sensitive to the other person's feelings.

tactical adj. - a move outsmarting the other person.

tactile adj. - something touched or felt.

Example of usage when foregoing are combined: Where women are concerned, most young men fancy themselves as having tactful and tactical skills for tactile engagement. (Older men suspect that "He chased her until she caught him.")

Tax 'n Facts

by Terri S. Cash, CPA

TAX ANGLES ON VACATION HOMES

This is the season when many people decide to buy a second home for family vacations, perhaps for rental income, too. Whether or not to buy depends on finances, family dynamics and other factors. Here are the tax angles you'll want to consider, too.

If you use the vacation home yourself for more than 14 days or less during the year, you get to deduct fully the mortgage interest and property taxes, as allowable. And if you rent out the property for 14 days or less during the year, that income is completely tax-free.

On the other hand, if you choose to maximize rental income, what you are paid is taxable, but you can deduct rental expenses: depreciation, maintenance costs, utilities, insurance and advertising. If expenses total more than rental income, you can deduct up to \$25,000 against other income, depending on your adjusted gross income. But to keep the deductions, you can't use the house yourself more than 14 days or 10 percent of the days rented, whichever is greater.

Need to make dollars-and-cents-decisions? Get the help you need from the tax experts at

Cold weather savings

Cold weather brings on higher electrical and utility bills. Heating a home or business is an expense in cold weather that people face every winter. There are many ways consumers can cut down on utility bills and conserve energy too. The type of clothing you wear, the glass in the windows, sealing door jams, caulking and many other things can save energy and cut down on heating costs.

Clothing habits and practices can conserve energy. With buildings being kept warmer in the winter, dressing for physical comfort has become more important. Clothing works with the body and the environment to control physical comfort by forming layers of air pockets. This helps to keep a hot environment from overheating the body or a cold environment from overcooling the body.

Garment design and fit are important factors in aiding the body in temperature control. Layers of garments that cover the body and are close fitting at normal openings such as the neck, waist and ankle are warmer because they prevent warm air from escaping and cold air from reaching the body.

There are many things that people can do to their home and business to keep a warmer environment and cut energy costs. Listed below are

suggestions from the Texas Agriculture Extension Service in ways to save energy by winterizing your home.

- Cleaning and adjusting heating systems once a year can save as much as 10% on annual energy bills.
- Replace disposable furnace/air conditioning filters every 4 weeks during heavy usage.
- Install aluminum foil behind radiators to send heat back into the room.
- Caulking and weather-stripping doors and windows can cut costs substantially, depending on the size of unit and openings.
- A glass enclosure with an adjustable damper can add efficiency to a fireplace because heat radiates through the glass into the room.
- The type of wood also effects energy and heat efficiency in a fireplace or stove. A cord of hardwood has more heat content than a cord of softwood. When fireplaces are efficient, homeowners enjoy the coziness and warmth as well as fuel dollar savings.
- Multiple-pane glass, or storm windows can reduce the amount of heat transmitted through the glass. The National Association of Home Builders Research Foundation has calculated that double paned and insulated glass can cut heating costs by as much as 30 percent.

Our time is your time

by Ruth Lewis

"Our reserve deputies are not paid at all for the time they put in for the department," Sheriff Ken Ratke said. "It is strictly up to the Commissioners Court to either pay or not pay reserve deputies and ours are not."

According to Ratke, the Garza County reserve deputies put in a lot of time. "Each reserve deputy is required to put in 20 hours a month, but most of ours put in more than that. I figure our reserve folks put in somewhere between 3500 and 4000 hours a year for the department." That's a lot of hours for six volunteers with the same obligations as the rest of us.

Ratke explained that although there are actually 8 reserve deputies with the department, two of them, Sandy Lamb and Ramon Holquin are both paid dispatchers and listed as such on the department rolls.

Lieutenant J.W. Jolly, III, of the Garza County Sheriff's Department explained further, "Actually, all our 'reserve' deputies are not listed on the rolls as reserve deputies at all. They are listed as un-paid deputies, because all of them are sworn deputies, and qualified to become paid deputies with any department at any time. A true reserve deputy is not."

So, why are these folks doing what they do? According to Ratke, the answer is knowledge. "These folks are patriotic, self motivators. They aren't in this to make a name for themselves. They are starving for knowledge."

Ratke says that the Garza County Sheriff's Department is just the place to find it. "Our situation is very unique here," he said. "We don't have a police department, and we're a little bit isolated. So, they have the opportunity here to learn a wide variety of things—ethics, policy and procedure, methodology, interviewing techniques, investigation techniques—you name it, and if it has to do with law enforcement, they have can learn it with us."

The reserve deputies in this county must believe that their job is a worthwhile one, because it isn't an easy job to come by. "There was a time, a lot of years ago, that it was mostly a matter of 'knowing' someone to become a reserve deputy, but that's not the case any more at all," Ratke said.

In Garza County, all the reserve deputies are required to go through a regular Peace Officer Course, rather than the Reserve Officer's Course. This is why they are not carried as reserve officers on the roll.

"First, they have to have a sponsor to be accepted into the course," Ratke said. "That doesn't mean that the sponsor has guaranteed them a job when they get out, though. There are a lot of course graduates looking for jobs, and many reserve deputies want to become full time deputies, or to work for some other law enforcement agency full time. With the exception of one, all of our reserve deputies want to go full time with some law enforcement agency."

Having a sponsor is only the beginning. Next, the applicant must pass an entrance examination. They must also undergo a detailed background investigation and credit check. Then comes school—six hundred hours of very intense training, according to Ratke.

Once they have completed the course and passed a difficult final examination, they still have to take—and pass—the State Examination. Providing an applicant survives all this, they can start looking for a job.

"Before a deputy can go to work for us, or another sheriff's office, they must have both a medical and a psychological work-up," Ratke explained. "Just like with the Academy, the reserve folks pay for this themselves if they are going to work for us. They also pay for their own bond, their own uniforms and equipment, and their own weapon. By the time one of these folks actually hits the streets, they are out of pocket around \$2,500."

According to Jolly, the cost is about to go up. "The next class that goes through the Academy will have to buy uniforms specifically for the course. They haven't had to do that in the past."

Once a deputy starts to work with the department, the real training begins. First, they must work 40 hours dispatching. "This gives them a real overview of things, plus it makes them more versatile," Ratke said. "In a department this small, everybody needs to be able to fill in for everybody else to a certain extent."

Every reserve deputy must work for six months with a paid deputy before they are qualified to work alone. That is at least 120 hours of one on one training! "At that point, I am willing to turn them loose with no hesitation," Ratke said.

"Our reserve deputies are more than qualified to do the job," Ratke continued. "Three of our reserve deputies have Associates Degrees, (two of those in Law Enforcement), one has a four year degree in Law Enforcement and another is a full time student at Texas Tech working on his four year Law Enforcement degree. Another, Bobby Dean, has over 10 years experience as a full time officer, both with the old Post Police Department and with the

Sheriff's Department. When we have a full time paid position open up, these are the folks we want to choose from. We trained them, and we know they are good."

According to Ratke, the reserve program in Garza County has benefited the department, as well as the citizens, in a number of ways. "Reserve Deputies, (along with working supervisors and the officer working with the department on a grant), have brought the loss recovery rate on thefts up over 20% in the last two years," Ratke explained. "This is due at least to a large degree to the Reserve Deputies. Having them has allowed us to follow-up immediately and personally, as opposed to by phone, on burglaries and thefts. By having these folks, we are able to cut guys loose to investigate these crimes."

The use of Reserve Deputies has also greatly reduced the overtime within the department, there by reducing the cost to the taxpayers. "We rely very heavily on these officers," Ratke said.

Contributing time, energy, knowledge, motivation and heart to Garza County as Sheriff's Department Reserve Deputies, as of this writing, are: Deputy Chris Schultz, Deputy Alex Paez, Deputy Shawn Lawler, Deputy Patrick Herridge, Deputy David Goldston, and dispatchers Sandy Lamb and Ramon Holquin.

How the DPS supports Garza County—next week.

Bold Gold Antelopes advance to District Class AA Playoffs

The Bold Gold came into last Friday's contest with Seagraves hoping to advance into the class AA playoffs. Playing dominant defense and ball control offense, the Antelopes completely dominated Seagraves.

After the 25-0 decision, the Antelopes had accomplished the following:

- A district CO-championship.
- A return playoff game with the Springlake Earth Wolverines.
- A complete football team.

Seagraves won the coin toss, but elected to defer (make the choice) until the second half. The Antelopes elected to receive the ball. After receiving, the Lopes set into motion their most complete and longest drive of the season. The eighteen play drive consumed eight minutes and thirty-six seconds of the first period.

The mixture of running the ball and passing confused the Eagle defenders, who coming into the contest were allowing only 222 total yards per game. The Bold Gold opening drive consumed 86 yards and was culminated when fullback Russ Bird dove into the end zone on a 6-yard play. Bodie Simpson's PAT was wide right and the Lopes were on top 6-0.

Seagraves returned the ensuing kickoff to their own 32-yard line. Two plays had yielded only 4 yards, and on the third and six, the Eagle fullback made 7 yards. This would be Seagraves only first down in the first half. The next three plays made only 1 yard and the Eagles punted the ball away.

The Lopes drove from their own 25 to the Eagle 42-yard line. On the third and five, quarterback Bodie Simpson was hit as he ran a play action pass, the ball bounced free, but Simpson recovered. The Lopes punted to the Eagle 28-yard line.

The Eagles made only 3 yards in four attempts and punted back to the Antelopes. The Lopes set up offensively on their own 38-yard line.

Again, mixing the run and pass effectively they drove down field. On an apparent Lope touchdown, Alvin Reed ran 22 yards on a sweep-play, running over two Eagle defenders in the process. However, a holding penalty brought the ball back to the Lope 32-yard line. Two plays were run and a minus 1-yard was the result. On a third-and-twenty call, fullback Russ Bird went into a gaping hole in the left side of the line, broke to his right and ran untouched for 33 yards and the second Lopes touchdown. The Lopes went for the two-point conversion, but Simpson's pass to end Javier Saldivar was incomplete and the Lopes led 12-0.

Seagraves ran three plays and were forced to punt again. The Eagle punter had trouble with the previous punt snap. The Lopes elected to pressure the punter and went for the block. Casey Hart ran from the outside, past the Eagle blocker and blocked the punt. After the block, he scooped the ball up and ran the remaining 18 yards for the touchdown. The two point conversion pass from quarterback Simpson to Russ Bird was too high and the Lopes lead now was 18-0. There was only 1:10 left in the half and Seagraves ran three plays and punted. The Lopes ran three pass plays with the last one being intercepted to end the first half.

The Eagles received the second half kickoff and Eagle Joe Ariguelo returned it to the Antelope 49-yard line. On their first offensive play, the ball came loose and defensive lineman, Alvin Reed pounced on it for the Lope recovery.

The Bold Gold offense proceeded to drive to the end zone. The big play in the drive was a 27-yard run by Alvin Reed. Brad Lawson's 1-yard dive was the final play for the touchdown. Bodie Simpson's PAT split the uprights and

the Lopes led 25-0. Only 3:52 had expired in the third quarter.

The remainder of the contest was played with reserves playing for both sides. Seagraves only serious drive of the night occurred in the later stages of the fourth quarter, but consecutive sacks by the Lope defense ended the threat.

Much of the Lope success should be attributed to their line play on the offensive front: strong end Javier Saldivar, strong tackle Corey Cruse, strong guard Ray Perez, center Manuel Zubia, quick guard Marty Dissinger, quick tackle Stewart Childers and quick End Cody Bain.

Defensively, the ends are Manuel Zubia, Ray Perez, and Jerry Crawford, defensive tackles Alvin Reed, Lionel Juarez, Sammy Zubia, Ken Finch, linebacker Russ Bird, Noe Gomez and Marty Dissinger, Corners Casey Hart and Oscar Acevedo, safeties Cody Bain, Brad Lawson and Bodie Simpson.

Offensive players who were able to capitalize on the strong play by the line are: wingbacks Casey Hart, David Perez and B. J. Hart, fullbacks Russ Bird, Noe Gomez, and Saul Martinez, tailbacks Brad Lawson, Alvin Reed and David Quintana, quarterbacks Bodie Simpson and Heath Eagle.

INDIVIDUAL STATISTICS
RUSHING—Post, Bird 14-107, Lawson 16-75, Reed 5-54, Simpson 5-54, Hart 3-11, Gomez 2-9, Quintana 3-6, Martinez 1-1, Perez 1-3, Eagle 1-5.
RECEIVING—Post, Cody Bain 3-23.

PASSING—Post, Bodie Simpson 8-1-23, Heath Eagle 1-1-0.

DEFENSIVE STATISTICS
 Rushes 24 - 74.
 Passing 6-0-0
 Total Yards 74.

Leading tackler Noe Gomez 9, Bodie Simpson 6 and Russ Bird 6.

Post and Seagrave players mix it up in last Friday nights game. Post was the victor in the game and advances to the AA playoffs.

Seventh grade wins final game of the season over Seagraves

Seventh grade wound up their season with a 24-12 win over Seagraves last Thursday evening at Antelope stadium. "They were a good group to coach. They improved every week," said coach Black.

In the first quarter, Raymond Jefferson scored on a 9-yard run, but failed on the extra point. The score at the end of the first quarter was Post 6

and Seagraves 0. In the second quarter, Raymond Jefferson scored again, this time on a 65-yard run. Again the extra points failed, leaving the score at the end of the second quarter 12-0.

In the third quarter Billy Crawford scored on a 36-yard run with no extra points. The score was then 18-6 at the end of the third quarter.

In the fourth quarter Raymond Jefferson ran 20 yards for the touchdown. The defense allowed Seagraves to make two touchdowns, but it was too late. The final score was Post 24 and Seagraves 12.

Total yards for Post was 260, and Seagraves 203. The seventh grade finished the season with a 7-2 record.

Thanks for flying the Antelope flags!

Sammy Zubia sacks the Seagraves quarterback before he can find an open receiver.

On Friday night, November 11, Post High School will once again have the opportunity to defend itself against Springlake-Earth High School in district play.

The Antelopes will take on the Wolverines at 7:00 P.M. in Lobo Stadium in Levelland. The Lopes will be the home team, sitting on the west side of the stadium. Springlake-Earth is the first place team in district 3 AA play, being undefeated this season in district play.

Last year's confrontation between the two teams left the Lopes trailing by only one point at the end of the game, but ending Post's championship hopes none the less. This year's Bold Gold team does not plan to let history repeat itself, however.

The winner of Friday night's game will go on to play the winner of the game between Stratford, the district 1 AA first place team, and Memphis, the runner up team in district 2 AA.

The Lady Lopes are greeted by the Lady Raiders Coach in the Post High School Gym.

Eighth grade finishes season with 4-5 record

Post eighth grade played Seagraves Thursday afternoon at Antelope Stadium losing their final game of the year with a score of 20-28.

"They just couldn't seem to get it together in the first half of the game," said coach Radle. "If they would have played as good ball in the first half as they did in the second half, they would have won the game," said Radle. At the end of the first half the score was 0-22.

After seven plays into the third quarter, starting at Post's 2-yard line, Charlie Bell ran 88 Yards for Post's first touchdown, no extra points were made. The score was 6-22.

In the fourth quarter and six plays Post drove 46 yards. Bell ran 8 yards

for the touchdown and made the two-point conversion. The score was then 14-22. Unable to stop them from scoring, Seagraves made another touchdown making the score at the end of the third quarter 14-28.

In the fourth quarter Post made three plays and 63 yards with Bell going across for the touchdown. The score was then 20-28. The Lopes were playing good ball but couldn't make the extra points. Later in the quarter Bell scored again but the play was called back for a penalty. With only a few minutes left on the clock, the Lopes were not able to overcome the defeat.

The final score was 20-28.

"We were not very good in the first

half, Seagraves came to play, and we stood around and watched them," said coach Radle.

There was a great effort offensively and defensively in the second half to get back in. When you are trailing by 22-points at the half it's tough to make up the lose, said Radle. "But we actually had a chance to win," Radle said. He continued, "Clell Knight did a good job at quarterbacking in the second half". Bell ended up with 221 yards on 15 carries.

TOTAL YARDS
Post 260, Seagraves 243.
The eighth grade ended their season with a 4-5 record.

Freshman finish season undefeated

The freshman boys completed an undefeated season Thursday night by beating Lubbock Christian High School JV 14-6. Post opened the scoring just before half time when quarterback Jamie Hernandez hit receiver Steve Gonzales for a 72-yard touchdown. The PAT was no good.

Lubbock Christian High School scored their only touchdown after recovering a Post fumble deep in Post territory. After Post stopped the extra-point attempt, the score was tied at 6-6.

The last points were scored late in the third quarter when Anthony Gomez took a pitch from Sam Woods and

went around left end for 15 and a touchdown. Gomez added the PAT on the same play he scored to make the final score 14-6.

Offensively, although not scoring, Anthony Flores was the workhorse. He carried the ball 6 times for 62 yards and several big first downs.

STATISTICS
Rushing—150-38
Passing—102-5/13
74 yards on 28 plays.

Coach Postell would like to mention the defensive players that played good ball this year:

DEFENSIVE ENDS
Elijah McElroy, Homer Gomez, Tye

Haney, Steve Gonzales and Bryan Navarro.

DEFENSIVE TACKLES
Javier Ramos, Russ Moore, Michael Sanchez, Eric Lopez, Johnny Collazo, Scott Metsgar and Emilio Moreno.

INSIDE LINEBACKER'S
Brandon Patschke, Chris Guerrero, Joseph De Los Reyes, Toby Torres and Orlando Castillo.

OUTSIDE LINEBACKER'S
Anthony Gomez, Anthony Flores, Jerry Graham and Pete McElroy.

DEFENSIVE HALFBACKS
Jaime Hernandez, John Paul Perez, Sam Woods, Slade Bevers, George Arredondo and Cameron Miller.

Lady Lopes introduced to a large crowd in Post High school gym

The 1994-95 Lady Lopes, grades 7-12 were introduced last Tuesday night to a large crowd in the Post High School gymnasium. The "Meet the Lady Lopes" night was sponsored by the Post Antelope Booster Club.

The Lady Lopes walked into the gym to the school "fight song" played by the Pride of Post Band under the direction of Mr. David Lewis. Dr. Bobby Bain, Post ISD Superintendent, welcomed the crowd and then introduced the guest speaker, Mr. Linden Weese, Assistant Lady Raider Basketball Coach at Texas Tech University.

Mr. Weese mentioned that he had the distinct honor of being a part of a National Basketball Championship

Team: the Texas Tech Lady Raiders were national champions during the 1992-93 season. He spoke specifically to the students telling them that this championship team worked together as a "team", never complaining and never asking "why", when the coaches gave them instruction. Coach Weese emphasized that working together as a team is the key to success, whether the sport be basketball or football. Adding that he graduated from a small school, he told the Post students that they were fortunate to be from a small school where the community supports their endeavors and then he thanked all those present who turned out to lend their support to this event. Upon his conclusion, the crowd gave Coach

Weese a rousing round of applause.

Head Girls' Basketball Coach, James Easterling, then introduced his first assistant, Kim Snodgrass. They in turn introduced each Lady Lope individually in the 7th and 8th grades and the Lady Lopes in high school introduced themselves. The seniors each added their goals for the basketball season, which ranged from "not fouling out" to playing for a state title in the Frank Erwin Center in Austin.

After the band played the school song, the Lady Lopes did a short drill and the evening concluded as it had begun - with the feeling that this will be both an eventful and successful year for those young ladies of Post Schools.

J V ended season with tie in district

The JV ended a great season with a tough loss to Seagraves in the closing seconds. For the season the Post JV was 7-2 and tied for the district championship. In the Seagraves game, offensively Post had 276 yards while Seagraves had 277.

In the first quarter tailback Israel Perez scored from 75 yards on the first

play of the game. The two point conversion by Todd Terry put the score at Post 7 Seagraves 0.

In the second quarter fullback Armando Ayala scored from 52 yards out. The PAT was no good. Seagraves scored on a 75-yard pass play with one second left in the first half. The half time score was

Post 14 and Seagraves final score was 7.

The fourth quarter brought Seagraves a touchdown from 3 yards out and 39 seconds left on the clock. The PAT was no good and the final score was Post 14, Seagraves 15.

Football Contest Winners

The football contest ended with a bang this year. The winners this week guessed all the games correctly and the tie breaker was used to determine the winners.

Post Chamber of Commerce will be selling raffle tickets for the "Worlds Biggest Stocking" from Thursday, November 10 through Saturday, December 3. Tickets will cost \$1 and can be purchased thru chamber directors or from Post merchants. The stocking will be on display at Norwest Bank, Citizens Bank, Kidstuf and TwinsFashion. The drawing for the stocking will be held Saturday, December 3 after the Christmas Parade downtown Post.

Voyles family gathers here for food and fun

Lorene Voyles and her daughter and son-in-law Pat and Wes Burnett were weekend hosts to visiting family members November 5 and 6 that included a Sunday afternoon fish-fry at the community room at Post Manor Apartments.

Other family members attending were: Steven Boyd, his wife Shelly; daughter Haley and sons Chase and

Chance from Lubbock; Tim Burnett from WTAMU; Kimberly and Allen Dolberry and daughters Alyssa and Cailee of Lubbock; Roy Voyles and wife Blane of Lubbock; Elsie Stanfield; Louise and Grant Lott of New Deal and J.R. Landry and his wife Jareta of Ransom Canyon.

LVN Association hosts guest speaker

The Licensed Vocational Nurses Association of Texas, Lubbock Division 18, will meet on Monday, November 14, in the Arnett Room of St. Mary of the Plains Hospital, at 7:00 P.M.

The featured speaker for November will be Debra Mullins, R.N. She is a Pediatric nurse. She will be speaking on "Shock and Respiratory Failure". Her program will give one continuing education hour to everyone attending the meeting.

For further information contact Melvena Coverdell, 806-828-4565.

Back when

10 years ago
November 7, 1984
Post Garza County Airport was dedicated this past Saturday. Festivities included a barbeque and an airshow.

Participants in the airshow included: Kirk Fulton in a Pitts Special; Bob Macy in a Bell Jet Ranger Helicopter; Bill Coats in an ultra light; the Westex Skydiving Team; Bob Sears in a Bellanca Decathlon National Aerobatics Competition Aircraft; Van White in a Bucker Jungmann and a PA J-3 Cub and Nick Owen in a Marquart MA-15 aerobatic aircraft.

There was also a T-38 fly-by from Reese AFB, in Lubbock, and a "dog fight" demonstration by the Confederate Air Force.

20 years ago
November 7, 1974
Post not only had another "busy" Halloween night last Thursday, but a wantonly destructive one in which the emphasis seemed to have changed from sneaking out-houses into town and setting them on fire on West Main Street to simply setting unoccupied rural houses ablaze and letting them burn to the ground.

30 years ago
November 5, 1964
12 students of the Post High School Choir are preparing for All Region tryouts to be held on November 7. They are: Dee Ann Walker and Carolyne Matsler, 1st alto; Vicki Wilks and Karen Haley, 2nd alto; Meredith Newby, 1st

soprano; Mary Ann Stone and Carolyn Walker, 2nd soprano; Danny Pennington, Steve White and Benny Owen, 2nd tenor; Teddy Scott, baritone, and Daniel Johnson, bass.

40 years ago
November 11, 1954
Painting and other finishing up work are continuing this week at Post's new Jr. High School building, with completion promised by the first of the year, by Sampson Brothers, general contractors.

50 years ago

November 9, 1944
Soldier of the Week
An eighth AAF Composite Station, England - Staff Sergeant James F. Hurt of Post, is a member of a Bombardment Group, which with its Division, has been cited by President Roosevelt for a bombing attack on targets in Germany, January 11, 1944.

NOTICE OF NEW SERVICE OFFERING

Poka Lambro Telephone Cooperative, Inc. (PLTC) filed an application on August 20, 1994 with the Public Utility Commission of Texas seeking approval to implement rates, terms and conditions for a new optional service offering within Poka Lambro's service area called Advanced Calling Services.

Business and residence customers may subscribe to these new optional central office based advanced features in addition to those already offered by Poka Lambro Telephone Cooperative, Inc. Proposed monthly rates for each advanced feature are as follows:

Service	Rate per month
Repeat Dialing	\$2.00
Call Return	\$3.00
Priority Ringing	\$2.50
Preferred Call Forwarding	\$2.00
Call Blocker	\$2.00
Special Call Acceptance	\$2.00
Feature Package - Six Features	\$8.00

A Service Establishment Charge of \$4.00 per line will be applied for installation of each feature. When two or more features are ordered at the same time for the same line, the charge will be \$8.00. The Service Establishment Charges for initial subscription of Advanced Calling Features are waived for the introductory period beginning December 1, 1994 and ending February 28, 1995.

Call Trace \$10.00*
* Charge per successful trace
Repeat Dialing automatically redials the customers' last outgoing telephone number - for up to 30 minutes.

Call Return automatically calls back the number of the most recent incoming call - up to 30 minutes if the number is busy.

Priority Ringing alerts customers with a distinct signal when a pre-selected number is calling.

Preferred Call Forwarding allows customers to send specific calls to other destinations.

Call Blocker allows customers to block the telephone numbers of people they do not want to hear from.

Special Call Acceptance enables customers to designate a maximum of six numbers from which calls will be accepted. Calls from all other numbers will be routed to a recorded announcement.

Call Trace allows customers to track their last incoming call by dialing a special code which alerts Poka Lambro to record the number, date and time of the call for investigative purposes.

The only persons affected by this offering will be those who subscribe to the service. This offering is estimated to increase the company's annual revenues by \$30,312.

Questions concerning this notice may be directed to Poka Lambro Telephone Cooperative, Inc. at (806) 924-7234 or 1-800-422-2387.

Requests for further information from the Public Utility Commission or persons who wish to intervene or otherwise participate in the proceedings should contact the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, TX 78757, by November 20, 1994, ten days before the proposed effective date of December 1, 1994, or you may call the Public Utility Commission Public Information Office at (512) 458-0256 or (512) 458-0221 teletypewriter for the deaf.

Card of Thanks

Dear friends,
This past year has been a very difficult time for our family. We hate to think what would have happened to us had our community not been so supportive of all of our needs. Each time we had to face a stormy day our friends were there in whatever capacity we needed. Please know that we have been overwhelmed by the many expressions of love, sympathy and encouragement during this nightmare. When we finally had to wake up and deal with the reality that Heather's fight was over you were there once again. Thank you for helping us bear the pain of our precious Heather's departure to that wonderful place above. We will miss her. We love you all.

Sincerely,
Urda, Dwainna, Kim, Ryan and the entire family of Heather Wulfin

Notice of Application For Fluid Injection Well Permit

Conoco, Inc., 10 Desta Drive, Suite 100W, Midland, Texas 79705 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas.

The applicant proposes to inject fluid into the Glorieta formation, PHD Glorieta Unit lease, Well Number 2. The proposed injection well is located 9 miles NW of Post, Texas in the PHD (Glorieta) Field, in Garza County. Fluid will be injected into strata in the subsurface depth interval from 3500 to 4294 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Request for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/445-1373).

Obituaries

Ola Keeton

Services for Ola Keeton, 89, were held Saturday, November 5, 1994 in the Trinity Baptist Church, with Reverend Billie S. Smith, Pastor, officiating.

Burial was in the Terrace Cemetery under the direction of Justice-Mason Funeral Home.

Mrs. Keeton died Thursday, November 3, 1994 in Twin Cedar Nursing Home.

She was born December 23, 1904 in Round Rock and married Lee Dulaney in 1925. They lived in Eunice, New Mexico. She later married Chester Keeton in Carlsbad, New Mexico. They lived in Post where she had worked for Al and Inez Norris, and L.D. and Elsie Mae Jackson. She was a cook at the Garza Memorial Hospital and had also owned her own cafe at one time. She was a long time member of the Trinity Baptist Church and had been active in all phases of the church.

She was preceded in death by her husband, Chester; two sons, T.C. Dulaney and Baby Boy Dulaney; two daughters, Lillian Boggs and Nelda Marr; and three grandchildren, Judy Curb Huff, Larry Copeland and Johnny Dickerson, Jr.

She is survived by one son Buford Keeton of Odessa, three daughters, Mary McKibbin of Wewoka, Okla., Ruby Goins of Eunice, NM and Linda Curb of Post; special daughter Shirley Taylor of Post; daughter-in-law Wanda Dulaney; 18 grandchildren; 46 great grandchildren and five great great grandchildren.

Pallbearers were Bryan Taylor, Matt Duncan, Jim Fields, Syd Conner, Mark Odom and Wayne Eckels.

Pat Taylor

Services for former City Commissioner Pat Taylor, 65, of Slaton were held Monday, October 31, 1994 in the First Baptist Church. Rev. Robert Moore, pastor of First Baptist Church in Ackerly, officiated.

Burial was in Southland's Resthaven Cemetery under the direction of Englands Funeral Service of Slaton.

Taylor died Friday, October 28, 1994.

He was born November 22, 1928 in Dickens County. He graduated from Post High School and married Ethel Lee Feagin in 1952 in Southland. He served in the U.S. Army and was a member of the Masonic Lodge in Post and the Baptist church. He was president of

the Hackberry Gin and was on the board of directors of the Texas Chile Pepper Corp.

He served as a Slaton city commissioner from 1987 to 1989.

Survivors include his wife; three sons, Tommy Jack of Slaton, Todd Taylor of Post and Tory Taylor of Dallas; parents Mr. and Mrs. Jack Taylor of Post; one sister, June McMullen of Beeville; and four grandchildren.

Pallbearers were Jackie Haire, Morton Smith, Dale McLaughlin, Mark Terry, Dave Tyler and Lamar Smith.

The family suggests memorials to Meals on Wheels, 230 W. Lynn, Slaton 79364 or to Southland's Resthaven Cemetery Association, Box 4, Southland 79364.

Mary (Mom Mom) Fumagalli

Graveside services for Mary (Mom Mom) Fumagalli, 87, were held Monday, November 7, 1994 in the Terrace Cemetery with Jack Alexander, Lay Minister, First Christian Church of Post, officiating.

Burial was in the Terrace Cemetery under the direction of Justice-Mason Funeral Home.

Mrs. Fumagalli died Friday, November 4, 1994 in the Garza Memorial Hospital.

She was born November 23, 1906 in Garza County to James Allen Bird and Beulah K. (Buchanan) Bird. She attended Verbena School. She married Julius C. Fumagalli on June 8, 1924. They ranched and farmed north of the Bird Ranch. Mr. Fumagalli preceded her in death on June 26, 1956. She leased the ranch and moved to Truth or Consequences, NM, where she owned and operated a beauty salon. She loved to play the piano and played for many family get-togethers. In the early 1970s she returned to Post to care for her mother, Beulah K. Bird until her death in 1983. She was a member of the Eastern Star and was a Methodist.

She is survived by: one son, J.C. "Bill" Fumagalli, of Langley, British Columbia, Canada; one brother, Richard Bird of Post; four grandchildren, Sharon Skonetki of Los Angeles, Calif., Debra Cullinane of Quesnel, British Columbia, Canada, Dan Fumagalli of Post and Jim Fumagalli of Ferdale, Wash., and five great grandchildren; Josh, Andrew, Jeni, Will and Amberleigh.

Zenas Earl "Geter" Feagin

Services for Zenas Earl "Geter" Feagin, 71, of Lubbock were held Saturday, November 5, 1994 at Franklin Bartley Funeral Home Chapel. Dee Lancaster of Caprock Church of Christ officiated. Graveside services were held the same day at Terrace Cemetery at Post.

Burial was under the direction of Franklin-Bartley Funeral Home.

Feagin died Wednesday, November 2, 1994 at St. Mary's Hospital following a lengthy illness.

He was born September 12, 1923 in Van Zandt County and married Geraldine Thomas in 1941 in Ben Wheeler. She died in 1973. He married Lou Ethel Hardin on May 24, 1974 in Lubbock. He had been a resident of Lubbock for the past 16 years coming from Post. He was a truck driver, textile worker, a

member of Calvary Baptist Church in Post and a veteran of the US Army serving during World War II.

He was preceded in death by a grandson, Bobby Henzler July 12, 1994.

Survivors include his wife, Ethel Hardin Feagin of Lubbock; three sons, Joe Feagin of Dallas, Robert Earl Feagin of Post, and Michael Feagin of Lubbock; two step-sons Dennis Pierce of Lubbock and Curtis Pierce of Honduras, Central America; two daughters, Anita Bevers of Lubbock and Pamela Britton of Snyder; two step-daughters, Ava Hancock of Abilene and Leta Crites of Lubbock; one sister, Edna Peterson of Olton; 15 grandchildren, 13 step-grandchildren, two great-grandchildren and eight step great-grandchildren.

Ollie May Allen

Services for Ollie May Allen, 80, were held November 5, 1994 in the Nazarene Church of the Nazarene, with Reverend Jim Graham, Pastor, officiating.

Burial was in the Terrace Cemetery under the direction of Hudman Funeral Home.

Mrs. Allen died Wednesday, November 2, 1994 in Kempner.

She was born September 17, 1914 in House, NM, to William Charlie and Mandana Alice (Beck) Perry and married Will Allen Sr March 28, 1930 in House, NM. She was a retired textile worker.

Addie Riggs of Portales, NM, Lucille Coffman of Quay, NM and Josephine Bradley of Silver City, NM; one brother, Dub Perry of Alamogordo, NM; six daughters and five sons, Norma Gray of Whitesboro, Will Allen, Jr., of Welch, Faye Carroll of Meadow, Francis Tivis of Portales, NM, Earl Allen of El Centro, Calif., Wilma Yarbro of Post, Charles Allen of Bethany, Okla., Elvin Allen of Snyder, Melvin Allen of Claremont, Beverly Warshaw of Kempner, Shirley Allen of Dallas, 27 grandchildren, 30 great grandchildren and 30 great great grandchildren.

From the Pulpit

Eagerly waiting

C.S. Lewis tells about a lady who found herself in hell. She angrily complained, "What am I doing here! I spent all my life doing good."

"Yes," the devil laughed, "but you didn't enjoy it."
"What!" replied the lady. "If I had known that I had to enjoy it, I wouldn't have wasted all that time being good!"

You can tell what humans really enjoy by what they eagerly wait for. Children eagerly wait for Christmas presents. Teenagers wait for their first car. Parents wait for a dream house, a hoped for vacation - or perhaps for their children to grow up!

We are always dreaming and waiting for something. One writer said that "the houses and mansions that people dream of are eventually those in which they dwell." Well, maybe not for all of us, but some of our dreams do come true. Unfortunately, dreams in this life never quite measure up to what we had hoped. The new car gets its first dent, the dream house loses its roof to a hail storm, and the "true love" of romance fades into resentment.

Yet we continue to dream and wait. We eagerly wait for something, the something of what dreams are made. We also feel guilt for unworthy dreams and hope that God will understand and forgive us. Sin has a way of cluttering up our dreams. The lady in hell was there because her dreams were

incompatible with heaven's. The writer in the book of Hebrews wanted his audience to know that the second coming is "not to deal with sin, but to save those who are eagerly waiting for him." Here on earth, of course, we are still dealing with sin. We sin over and over and ask for forgiveness over and over. Sometimes it's like a revolving door with God saying to us, "What, you again! All right, you're forgiven. Now what are you going to do with your fresh start?"

Maybe some of us need to look at what we eagerly wait for - at what, in our heart of hearts, we really want. The only way that we can fall out of love with unworthy dreams is to fall in love with worthy ones. Being good out of fear leads only to sour obligation; we need to discover the value and enjoyment of the Christian life. That comes, Hebrews tells us, out of falling in love and eagerly waiting for a person.

In the painting of Jesus knocking at the door, the latch is on the inside. Jesus doesn't enter where he's not wanted. It's our move; the latch is on our side. If we seek the friendship of Jesus and eagerly wait for this friend in all our decisions, unworthy dreams take a back seat. We find our place with those "who eagerly wait for him" and for whom he eagerly comes.
