

# Bovina Voters Favor Democrats

Bovina voters went to the polls in reasonably good number in Tuesday's general election. A total of 346 votes were cast in Bovina's precinct. Voters here maintained their reputation of favoring Democratic candidates in spite of the greatest Republican campaign effort in this area in history.

The Bovina precinct favored all Democratic nominees as did those on the state level. The total vote, though not as high as had been predicted in some cases, was considerably more than the 262 who voted in 1958 -- the last general election which did not feature a presidential race.

The turnout was considerably more in '60, a presidential election year, as 472 ballots were marked here. The total vote in 1956, also a presidential election year, was 426. Bovina voters favored the Republican candidate in the 1960 election. Such wasn't the case yesterday, however, as the

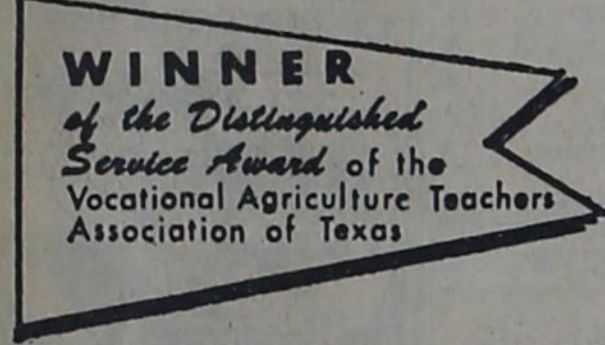

Democratic candidates received the nod from this community without exception. In spite of the 1960 Republican vote, Bovina has long been considered to be a "Democratic stronghold," especially as far as Parmer County is concerned. Closest race in the Bovina box was for that of governor

and even there Democrat John Connally had an almost 2-1 majority Republican Jack Cox --209-129. For State Senator, Andy Rogers of Childress downed John Zahn of Farwell, 241-88, and was also the district winner. Bill Clayton of Springlake defeated Frank Ford of Here-

ford, 250-80, in their race for state representative. He was the overall winner. There were no votes cast here for either of the Constitution Party candidates. Counting the long ballot was a lengthy and difficult task. Bovina's election crew completed its work near 3 a.m. Wednesday.

The 14 constitutional amendments tacked to the bottom of the ballot added greatly to the time necessary to count. Election judge was Tom Rhodes. He was assisted by E. R. Barry, Hodge Rigdon, Bud Crump, Mrs. Earl Richards, Mrs. Vernon Willard, Mrs. Pearl Moore, and Mrs.

Pat Kunselman. The heavy Democratic vote in Bovina wasn't indicative of the outcome as the Republicans squeaked to a narrow win on a county-wide basis. A chart showing how all Parmer County boxes voted is slated to appear elsewhere in this issue of The Blade.

THE NEWSPAPER THAT WORKS FOR A BIGGER, BETTER BOVINA

WEDNESDAY, NOVEMBER 7, 1962

BOVINA, TEXAS

VOL. VII, NO. 19

### WHITTLIN'

BY DOLPH MOTEN

Bovina Mustangs are about to pull down the curtain on 1962 football season. Whatever the outcome of Friday night's game -- and we think Bovina will win it going away -- this has been a successful season. And at the same time that it has been successful, it has also been highly disappointing in spots. Figuring from an overall standpoint, the won-lost record is tremendous . . . much better than average for Bovina footballers over past half dozen or so years.

On the asset side, too, is fact that Mustangs defeated Class A Springlake in a thriller and blasted the Class AA, but weak, Friona Chiefs. Of the six games Mustangs have won to date this season, five of them were of the "easy" kind. Only the Springlake tilt was close.

The two losses were of the heatbreaking variety because they were close and were both highly important games.

The Farwell fray was important only because of the rivalry which exists between the two schools. But that's enough. The loss to Happy, of course, decided the District 1-B Championship, for all practical purposes. That's why it was important!

We don't remember a season that our favorite team's fortunes were so mixed with good and bad. Usually, the case is, "Well, this just wasn't a good year," or "We had a good season."

Not either one of those descriptions fits for the 1962 season. This has been a strange one from that standpoint. This season fits into a pattern all its own.

Thinking ahead for just a minute: In spite of the tremendous loss which graduation will cause the Mustangs, the 1963 squad won't have to roll over and play dead against any of the teams on its schedule.

That tremendous graduation loss includes nine starters who are using up their last year of high school eligibility. That's a pretty big dose to take for any team, much less a Class B outfit, but we expect the 1963 team to present a good demonstration on 10 consecutive Friday nights.

That is, of course, looking too far into the future and those remarks probably should have been saved at least until after the season is complete if not until the summer of '63. Nonetheless, that's the way we feel about it and thought we'd relay the information.

Still on the football subject, we've never seen so many people so disappointed in a football game as we did during and after the game here Friday night.

That is highly unusual, especially when Bovina is winning by a big margin. But the game lacked a lot in spectator interest. Reason for this was the numerous rule infractions and other mistakes which were made. Those things had a tendency to make the game long, drawn-out and uninteresting.

We don't mean to be critical and we realize that Lazbuddie was greatly handicapped by the loss of six squadmen a few days before the game for disciplinary reasons.

Still, many games like that during a season and attendance would surely drop. That would hurt from a financial standpoint as well as others, none

WINNERS -- These three floats were awarded prize money for earning top three places in homecoming parade Friday afternoon. At left is first place winner -- Signing of Declaration of Independence by Junior Class. In center

is Seventh Grade's "California Gold Rush" which was awarded second place. Third place winner, at right, is Eighth Grade's "Alamo." Theme of the floats was important dates in history.

## Homecoming Offers Many Highlights

PARADERS -- Receiving honorable mention in homecoming parade was Senior Class's float concerning Marines' raising of American flag on Iwo Jima. In center is float prepared by Women's Society of Christian Service of Bovina Methodist Church. It had to do with

the birth of Christ and was titled, "The Most Important Date of All." At right is Wilson's Super Market version of George Washington cutting down the cherry tree.

### FIFTH GRADER TAKES FIRST--

## Steve Sherrill Wins Contest

YOUNGEST WINNER -- Stephen Sherrill, 10, son of Mr. and Mrs. Jay Sherrill, was last week's winner of Bovina Business Cotton Bowl Football Contest. A fifth grade student, he is youngest winner in three-year history of the contest. He's shown here looking over the contest in which he outfigured 83 other contestants.

Bovina Business Cotton Bowl Football Contest had its youngest winner in history last week as Stephen Sherrill, 10-year-old son of Mr. and Mrs. Jay Sherrill, took the \$5 first prize.

The fifth grader, edged five other contestants on the tiebreaker to earn first place. A total of six entries named nine winners. None had a perfect slate of 10.

Taking second place and \$3 was Mrs. Joyce Read. Winning \$1 third place money was Jerry Rogers. This was second time during this year's contest for Rogers to finish in the money. He won first place early in the contest.

Also naming nine winners, but finishing out of the money because of the tiebreaker score, were Wess Smith, Mike Grissom and Wendell Garner.

Emmett Tabor held onto, and increased, his lead for the overall prize, an expense-paid trip for two to Cotton Bowl in Dallas January 1.

Tabor named eight winners to push his season total to 71. His closest competitors,

HOMECOMING ROYALTY -- Dixi Hartzog was crowned football queen and Dickie Clayton was named football hero of Bovina High School for 1962 at halftime activities at Bovina-Lazbuddie game here Friday night. Both are seniors. Miss Hartzog is daughter of Mr. and Mrs. A. L. Hartzog. Clayton is son of Mr. and Mrs. Jack Clayton. (Photo by D. R. Bushnell)

### Fire Truck Fund Richer By \$648.00

Bovina Volunteer Fire Department's fire truck fund is \$648 richer as a result of a promotion put on by firemen during past few weeks.

The firemen accepted \$1 donations from individuals with each donation entitling its donor to a chance on two halves of beef.

Drawings for beef were conducted at halftime of Bovina-Lazbuddie football game here Friday night.

Winners were Mrs. Myrtle Marot and Ray Carter.

Fire Chief Bill Denney reported this week that a total of 890 tickets were sold. After expenses were paid, the net to the department is \$648, he said.

The money will be added to department's fund to make a down payment on a new fire truck for the community.

"We want to express appreciation to the people of the community who helped us with this project," Denney says. "We feel that this is a worthwhile project and the cooperation was good."

### Weather

by Willie

Warm and cool fronts. Very little, if any, moisture this week.

--Willie

Homecoming for ex-students of Bovina High School was observed here Friday with a variety of highlights.

A downtown parade, featuring more than a dozen colorful and imaginative floats started the activities Friday afternoon.

The parade was followed by a banquet and program for ex-students and their families at school cafeteria at 6 p.m.

The festivities closed with Bovina-Lazbuddie football game and naming of football queen and hero at halftime.

Also, awards were presented to various ex-students at halftime of the game.

Gene Ezell, Bovina postmaster, was named outstanding ex-student of the year.

Mrs. Roylene (Hawkins) Keel received a trophy for being ex-student who traveled longest distance to attend homecoming. Mrs. Keel lives in Maine.

Mrs. Myrtle Marot, who was graduated in 1922, received an award for being a graduate from the earliest class present at homecoming.

Class of 1956 was recognized for having largest percentage of class members present.

Miss Dixi Hartzog, a senior, daughter of Mr. and Mrs. A. L. Hartzog, was crowned football queen at halftime ceremonies. Her attendants were Elaine Fuller, a junior, and Lynn Looney and Judy Strawn, who are sophomores.

Dickie Clayton was named football hero at the same halftime ceremony. Other candidates for the title were Don Cumpston, Gary Stevenson and Pat O'Brien.

Theme of parade floats was "Famous Dates in History." Prize money of \$15, \$10 and \$5 was awarded to the three judged best.

Winning first place was the junior class's "Signing of Declaration of Independence."

Taking second place was seventh grade's "California Gold Rush" and eighth grade's "Alamo" won third.

Mrs. June Rhodes of Friona, a former grade school teacher here, was featured speaker at the ex-students' banquet. Her talk dealt with progress of Bovina schools.

In a business session which was presided over by Neil Smith, outgoing president, a resolution was passed to make the ex-students' banquet open to the public next year. The public will be invited and urged to attend.

"People who aren't Bovina High graduates have, in some

(Continued on last page.)

EASY VICTORY FOR BOVINA--

# Mustangs Lasso Lazbuddie, 54-8

From standpoint of an impartial spectator, Bovina's lopsided, 54-8, win over Lazbuddie here Friday night wasn't interesting, but the victory left a sweet taste in the mouths of Bovina High ex-students who were present for the game and other homecoming activities.

The game was strictly no contest. Mustangs were top heavy favorites to win, anyway, and Lazbuddie was handicapped by the loss of six squadmen because of disciplinary measures. It was a District 1-B tilt. Bovina is now 2-1 in District play and Lazbuddie is 0-2.

Mustangs racked up 22 points in the initial period, and 24 in the second for a 46-point half-time total. They coasted during the last half and added eight more in the third period.

Jerry Frazier, running from his halfback post, was the big offensive gun for the Ponies as he scored 26 points including four touchdowns on runs of 44,

11 and 24 yards, and a 28-yard pass and added two extra points.

Lazbuddie's only score came on first play of the second quarter as Gary Mac Brown went 67 yards for a TD. Terry Darling ran the extras to bring the Longhorns' total to 8.

The game was marred by numerous penalties, fumbles, pass interceptions and other mistakes. Though the last two quarters were shortened to eight minutes instead of the regulation 12, length of time required to play the game was one of longest Mustangs have been in this season due to the

many timeouts.

Bovina scored second time it had the ball after losing possession the first time on a fumble. The scoring play was a 28-yard pass from Quarterback Don Cumpton to Frazier. Cumpton went through the left side for the extra points.

Seconds later, the second TD was added as Frazier set sail on a 44-yard scoring jaunt. Cumpton passed to End Mac Glasscock for the extras and it was 16-0 before the fans were settled in their seats.

Third TD was added by Bovina with still plenty of time

left in first stanza. Frazier scored it from 24 yards away. When Fullback Tally Kelso's attempted place kick for the extra point was no good, the score remained 22-0.

Lazbuddie made the score closer with its second quarter TD, but only momentarily. Soon after the Longhorn score, Frazier was off on another touchdown jaunt; this time for 11 yards. Cumpton passed to End Ken Horn for the extras and it was 30-8.

Following the kickoff, the Mustangs held the visitors on downs on their own 41 and got

possession at that point. On first play from there, Kelso went the 41-yard distance. When Halfback Dennis Johnston ran the extra points over, it was 38-8.

A short time later, a Lazbuddie fumble was recovered by the maroon and white on Lazbuddie's 41. Substitute Quarterback David Anderson passed to Halfback Ronnie Taylor for 15 yards to the 26. From there, Kelso blasted over for the score. Johnston again added the extras. That ended the first half scoring at 46-8.

Staying in the air almost every play during the last half, Mustangs added one more score. Putting a rolled-dead punt in play on Lazbuddie's 42, they scored in four plays with two of those being incomplete passes. First was from Cumpton to Horn for 22 yards. Second successful pass was again Cumpton-to-Horn for the remaining 20 yards. Frazier ran the extra points to conclude the scoring at 54-8.

Frazier and Kelso did almost all of Bovina's ballcarrying. Frazier made 111 yards in seven tries and Kelso had 98 in the same number. Halfback

Pat O'Brien carried three times for 38 yards.

A homecoming crowd estimated at 650 was on hand for the tilt which was played in almost ideal football weather.

## Colts Complete Football Year

Bovina's junior high Colts closed out their five-game season here Thursday night with a close, 20-12 loss to Farwell Calves.

That left the team with a record for the season one win, three losses and one tie.

Coach Doug Beaty's Colts were in thick of the fight with Farwell throughout. They trailed at halftime by only two points, 6-8.

Dean Stanberry and Rudy Quilanton scored Bovina's touchdowns. Stanberry ran 12 yards for his score and Quilanton crashed four yards for his.

Defensive standouts for the Colts were Craig Wilson, Lane Gober, Carl Harris and Stanberry.

During course of the season, Coach Beaty's crew won from Lazbuddie, tied Happy, and lost to Farwell, Hart and Vega. Vega was the District 1-B junior high champion. Happy was second and Bovina and Hart tied for third with Lazbuddie finishing fifth.

Football equipment was checked in Monday by junior high athletes and basketball practice got underway Tuesday.

# Nine Mustangs In Final Game

Nine Bovina Mustangs will play their last football for the maroon and white here Friday night as the 1962 season is brought to a close with a visit by the Vega Longhorns.

The game will be of the District 1-B variety, but the Mustangs and the Longhorns have nothing to play for but

**Dilger's CLEANERS**

Parmer County's Finest Cleaning

BOVINA, TEXAS

the runner-up slot as they have both been defeated by the Happy Cowboys who have only Lazbuddie left to play and all but have the championship in their hip-pocket.

The Mustang seniors, all starters, who will be playing their last high school game, are Lowell Boozer and Dickie Clayton, tackles; Gary Stevenson, center; Delbert Morris, guard; Mac Glasscock, end; Ken Horn, end and back; Jerry Frazier, halfback; Pat O'Brien, back; and Don Cumpton, quarterback.

Vega has a season record of three wins and five losses to compare with Bovina's 6-2-1 mark.

The Longhorns have lost to Happy, 39-6; Claude, Boys Ranch and Groom while taking wins from Lazbuddie, 52-12, and Textline.

Vega defeated Lazbuddie by roughly the same margin that Bovina did. Happy, however, evidently had no trouble with the Longhorns while it was after the fight with Bovina that Happy emerged with a 7-0 win.

In spite of comparative scores, Bovina will be an odds-on favorite to win the melee and close out the season on a successful note.

If the Mustangs win Friday night as they are expected to, they will have had a good year in spite of fact that the two

games they lost were important ones, to rival Farwell and to Happy in the game which decided the district championship. Commenting on the game, Gee says he expects Vega to "play us tough defensively. Their line is good sized."

Happy has a junior ballclub and this is considered a building year for them. They're expected to be one of the top teams in the district next year.

Vega stands 1-1 in district play, having defeated Lazbuddie and lost to Happy. Mustangs are 2-1 as far as District 1-B is concerned. They downed Hart and Lazbuddie while losing the squeaker to Happy.

Kickoff time for the game will be 7:30, same time it has been for all district games this year.

LEADERS ELECTED--

# County Cancer Chapter Formed

Church of Christ Fellowship hall was scene of organizational meeting Wednesday afternoon for Farmer County Cancer Society Unit.

Mrs. J. R. Caldwell introduced J. B. Johnson, American Cancer representative, of Lubbock, to the group. Johnson gave a short talk in which he pointed out that the main service of a cancer unit was to inform and educate the public and secondly to conduct fund-

raising campaigns.

Following his speech, the group elected officers, Mrs. John Aldridge of Farwell will replace Mrs. Lloyd Killough as county chairman for next year. Mrs. Earl Stevenson of Bovina will serve as vice-chairman with Mrs. Henry Ivy of Lazbuddie acting as secretary.

Education committee chairmen for each community were elected. Mrs. Jack Patterson will represent Rhea; Mrs. Billy Marshall, Hub; Mrs. Roy M. Miller, Lazbuddie; Mrs. A. R. Sanders, Farwell; Mrs. F.O. Turner, Bovina; and Mrs. Benard Nelson, Oklahoma Lane.

Farmer county donations to cancer society last year totaled \$819,87, according to last year's treasurer, Mrs. J. E. Owens.

Mrs. Levi Johnson closed the program with a report on the Cancer Society memorial program. She pointed out that research against the disease has progressed so rapidly that there has not been enough money available to press all of the new projects considered necessary to follow up on the many leads which have been uncovered in recent months.

Mrs. Johnson stated that the process of making a memorial gift is simple and that she has information available for those who wish to make memorial gifts.

Following the program the group decided to meet the first Wednesday of each month at Fellowship hall of Farwell Methodist Church at 2 p.m. Next meeting is slated for December 5.

# Assault Charge Draws Fine

Mercie Leg Stewart, Farwell, was found guilty on an assault charge and fined \$10 and court costs in County Judge Loyde Brewer's court last Friday.

She was charged in connection with assaulting another woman, Betty Dawkins, also of Farwell.

# Halloween Quiet Here

"All in all it was real good," Deputy Henry Minter reports in regard to Halloween antics in Bovina.

"We had some stuff scattered around on the north end of Main Street, but outside of that we didn't have anything out of the ordinary," Minter explains.

Halloween was Wednesday of last week.

Various forms of debris were found on Main Street Thursday morning but the general opinion was that "it could have been worse." Stacks of papers which had been left in front of post office to be mailed to subscribers were burned early Thursday morning. How the papers caught fire was not determined.

Hundreds of youngsters went around in residential areas ringing doorbells and asking, "trick or treat?" This group caused no trouble which was reported, however.

# Annual Turkey Dinner Success

Approximately 200 people were served at the annual turkey dinner at St. Ann's parish hall Sunday. The affair is sponsored by St. Ann's Church.

Mrs. Leon Schilling and Mrs. Joe Schilling attended a booth of fancy needle work.

Tickets were also sold on three prizes. Winning prizes were A. J. Malouf of Lubbock; Joe Schwertner of Slaton and Clem Friemel of Canyon.

# Paving

Bovina's present paving program, which is now, for the most part, in the most inconvenient stages of construction, will add more than 40 blocks of paving, with curbs and gutters, to the city's network of paved, curbed and guttered streets.

This addition will, when completed, make Bovina one of the best paved towns of its size in the area. Though there probably isn't a way to prove it, the town will likely have the highest percentage of paved streets, with curbs and gutters, for its size, outside of some oil-rich burg somewhere.

We're proud of the fact that Bovina's paving has all been coupled with curbs and gutters throughout. This makes for a much better street program from many aspects.

Paving represents progress--and progress is always painful. We appreciate the time, effort and other inconveniences city officials have spent and been bothered with to get the program underway.

Completion of the present program, coupled with the already existing improved streets, will be worth a lot to the community.

# Phone Rumor

Rumor has been out for a couple of weeks or so that General Telephone Co. plans to add a maintenance man to the Bovina-Friona area making it a two-man operation for maintenance purposes.

That's a good rumor. We like its sound. (And please let us point out that we don't have any facts to go on--just talk.)

But there's another part that we don't like at all. That part says that both men will be stationed in Friona.

With our interest being in Bovina, we can't go for that part at all.

Our knowledge of how to run a phone company is nil, but we know a few things about what's good for communities.

And putting a second service man in Friona to serve both Bovina and Friona isn't good for Bovina from a growth standpoint.

And it isn't good for General Telephone Co. from a public relations standpoint, either.

As we've said, we don't know that General has plans to send a second maintenance man to this area.

However, if and when that does come about, we're going to be highly disappointed if one of the men isn't stationed in Bovina.

A General Telephone Co. representative in this community could be worth a lot . . . in more ways than one.

SUPER MARKET BOVINA

MORE FLOATS -- One of Columbus' ships which discovered America in 1492 is theme of float at left which was entered in homecoming parade by Freshman Class. In center is Sophomore Class float which had to do with America's first man in space--

the rocket actually fired. At right is float of WMU, women's organization of First Baptist Church, which was concerned with Seventy-Fifth Anniversary of the organization.

### Miss Rea, Jackson Blase Exchange Nuptial Vows

Miss Virginia Rea, daughter of Mrs. Gene Rea, became the bride of Jackson Blase, son of Mr. and Mrs. Lawrence Parslow of Hammonton, N. J. Sunday afternoon at Bovina Methodist Church.

Officiating at the double ring ceremony were Rev. Duane Rea, cousin of the bride, and Rev. Harold Morris.

Vows were exchanged before an altar flanked on either side by baskets of white gladioli intermingled with emerald greenery.

Given in marriage by her uncle, Carl Rea, the bride wore a white chiffon gown fashioned with long sleeves. The neckline of the gown was appliqued with white lace. Her veil of silk illusion fell from a pearl tiara. She carried a cascade arrangement of white flowers atop a white Bible.

Attending her sister as matron of honor was Mrs. Barbara Merriman of Clovis. She wore a lilac taffeta dress and a circulet hat of white net. She carried a nosegay of lilac pom poms.

Bridesmaids were Miss Carole Jean Hastings and Miss Vivallah Steelman. Their dresses and flowers were identical to that of the matron of honor.

Terry Merriman, brother-in-law of the bride, served as best man.

Groomsmen were William Rollison and Nick Mulford both of Cannon Air Force Base at Clovis.

Usher was Jim Pauls of Cannon Air Force Base.

For her daughter's wedding Mrs. Rea chose a suit of white and black and complemented her ensemble with black accessories. She wore a white floral corsage.

Immediately following the ceremony a reception was hosted in parlor of church. The bride's table was laid with white cloth and featured white satin bows and wedding bells, silver and crystal appointments completed the table.

The bride's traveling costume was a black tweed suit enhanced with lizard accessories.

The bride attended Bovina High School. The groom is a graduate of Cedarbrook High School in Hammonton.

The groom is currently stationed at Cannon.

The newly-weds plan to make their home in Clovis.

Out-of-town guests at the wedding were Miss Joyce Hamburger of Weatherford, Okla.; Mr. and Mrs. Thad Watkins of Farwell and Mrs. Donald Watkins, Sandra, Scot, and Jill, also of Farwell.

Mr. and Mrs. E. A. Hromas returned last week from Fort Worth where they visited their daughters and families, Mrs. W. E. Lovell and Mrs. Clinton H. Skaggs. On their trip home they also visited in the home of her brother and family, Ike Pesch of Breckenridge and her sister and family, Mrs. Adolph Ender of Sagerton.

### Dean, Varner Exchange Vows

Lindy Dean, daughter of Mr. and Mrs. Elmo Dean, and James Varner, son of Mr. and Mrs. J. R. Varner of Friona, exchanged nuptial vows Friday evening at Union Congregational Parsonage at Friona.

Mrs. Billy Sifford, sister of the bride, served as matron of honor.

Phillip Varner attended his brother as best man.

The bride wore a beige street-length dress with short sleeves and bouffant skirt. She complemented her ensemble with bone accessories.

The bride is a 1962 graduate of Bovina High and the groom finished school in the Air Force.

The couple will make their home in Clovis where the groom is stationed at Cannon Air Force Base.

### Marriage Licenses Issued

November 1 -- Arnold Ray Taylor, Cannon Air Force Base, and Rosa Darlene Williams, Farwell.

November 1 -- James Thomas Varner, Cannon Air Force Base, and Mary Malinda Dean, Friona.

November 3 -- Jackson Joseph Blase, Cannon Air Force Base, and Virginia Kay Rea, Bovina.

### Wedding Date Set

Mr. and Mrs. Frank J. Musil of Stamford have announced the engagement and approaching marriage of their daughter, Etie, to Pete Jesko, son of Mr. and Mrs. Joe Jesko of Friona. Nuptial vows will be read Saturday, November 24 at 4:30 p.m. at St. Ann's Catholic Church in Stamford.

### Killough Shower Wednesday

Mrs. Sid Killough will be honored with a pink and blue shower Wednesday, November 14.

The shower will be in Fellowship Hall of Bovina Church of Christ.

Hours will be from 2:30 to 4 p.m. Everyone is invited to attend, the hostesses announce.

### Shower Honors Paula Kay Kerby

Miss Paula Kay Kerby was honored with a bridal shower Saturday afternoon at fellowship hall of First Baptist Church.

Miss Patsy Cumpston presided at the guest registry. The table was laid with a white cloth and featured a single red carnation in a bud vase.

Receiving guests were the honoree and her mother, Mrs. A. L. Kerby.

Presiding at the refreshment table were Meses, Erith Hawkins and J. W. Harris.

Centering the serving table which was laid with a red cloth and decorated with white and red, was a centerpiece featuring two hearts topped with a miniature bride and groom intertwined with red carnations. Refreshments of cake decorated with red flowers and white punch with red ice were served from silver and crystal appointments.

Signing the guest register were Mrs. J. R. Glover, Mrs. A. E. Steelman, Mrs. Clifford Leake, Mrs. John Wilson, Mrs. Jerry Rogers, Mrs. Allen Cumpston, Mrs. Carl Rea, Miss Joy Hamburger of Weatherford, Okla.; Mrs. W. E. Williams, Mrs. Jessie Williams and Mrs. Ovid Lawlis.

Hosting the occasion were Meses, Henry Minter, Cash Richards, Wallace Rogers, J. T. Jones, Bill Burnam, J. W. Harris, L. L. Rhinehart, J. E. Sherrill, R. G. Davies, Erith Hawkins, M. H. Carson and E. R. Hutto.

TO GRAND CHAPTER Mrs. Roy Crawford, Worthy Matron of Eastern Star, attended Grand Chapter for Eastern Star at Houston last week.

BOVINA'S FUTURE CITIZENS-- Top row, left to right, Johnny and Cindy Caldwell, children of Mr. and Mrs. Tom Caldwell, and Korby Hawkins, son of Mr. and Mrs. Erith Hawkins. Bottom row, left to right, Mike McCallum, son of Mr. and Mrs. Dean McCallum; and Galen and Joan Carson, children of Mr. and Mrs. M. H. Carson.

### Club Program To Be On Blindness

Mrs. J. R. Caldwell and Mrs. I. W. Quickel will be in charge of program at Bovina Woman's Club Thursday afternoon at 3 p.m. at clubhouse.

Program is to be on the blind with Mrs. Caldwell presenting "Causes of Blindness" and Mrs. Quickel giving "Aid and Therapy for the Blind Today."

### Club Plans Bake Sale

Mrs. Lester Williams hosted a covered dish luncheon for members of Good Neighbor Sewing Club Thursday in her home.

During a short business session the group slated a date for a bake sale with proceeds going to Girls Town. Date set was Wednesday afternoon, November 14, at Wilson's Super Market.

Following the business session the group spent the day quilting quilts to be sent to Girls Town, also part of their Christmas project for the organization.

Attending were Mrs. T. J. Hopingardner, Mrs. Mable Newberry, Mrs. Bob McMeans, Mrs. Jesse Sisco, Mrs. Howard Looney, Mrs. Earl Dean Boyd and one visitor, Mrs. Henry Spicer.

### Church To Host Gospel Singing

Rev. Archie Cooper, pastor of Bovina Penecostal Holiness Church, announces a gospel singing Sunday from 2 to 4 p.m. at Holiness Church. Singers from neighboring

towns as well as local people are invited to attend, Cooper says.

Gospel singings are slated for the second Sunday of each month.

### G. A. Officers Installed

Fiftieth Anniversary was theme of installation ceremonies for Girls Auxiliary Tuesday afternoon at their meeting at fellowship hall at First Baptist Church.

Officers to be installed were dressed in 1913 costumes depicting 50 years of G. A. work. They were presented with gold

rings as a challenge to leadership in their office.

Mrs. Bobby Englant installed the officers.

Special guests for the installation ceremonies were the girls' mothers.

Approximately 60 were present.

### Congratulations

Congratulations to Mr. and Mrs. Don Spring on the birth of a baby girl born October 23 in a Weatherford, Okla. hospital. The new arrival weighed 8 pounds 1 ounce and is named Pamela Joy.

Grandparents are Mr. and Mrs. Elmo Dean and Mr. and Mrs. Edward Spring.

### Contest Rules

1. There are 10 high school and/or college football games listed in ads on this page.
2. Pick the team you think will win in each game and place the WINNER'S NAME beside same advertiser's name in the contest entry blank at bottom right of this ad.
3. Pick the score of the tie breaker game and place your guess in the appropriate blanks on the entry. The tie breaker game will not count on your won-lost record. It will be used only in case of a tie.
4. Winners will be named by the Monday following the contest deadline each Friday and they will be named by Saturday, if possible. Cash prizes of \$5 for first, \$3 for second, and third prize of \$1 will be awarded.
5. Tabulations of individual entrants will be kept all season and at the end of the season a grand prize winner will be named. Grand prize winner will receive two free tickets to Cotton Bowl games plus hotel, food and traveling expenses to Dallas and the January 2, 1962 football classic.
6. There is nothing to buy. No requirements other than to bring the entry blank, filled out, to The Blade office by 5 p. m. Friday of each week.
7. Only one entry blank may be submitted per individual. If more than one blank is submitted by an individual, all will be disqualified.
8. Tabulations will be available for public inspection. Members of Blade staff will serve as judges for contest.
9. Everyone, except employees of this newspaper and their families, is eligible to enter.

Homecoming--

cases, felt they weren't welcome at the banquet, Smith explains, "That isn't the case and everyone will have a special invitation to attend next year."

secretary; Bertie Mae Stevens, treasurer; and Mrs. Jerry Rogers, food chairman.

Officers who have served during past year, other than Smith, are Jim Ware, vice president; Mrs. Tom Ware, secretary; Mrs. Scott Gover, treasurer; and Mrs. Bob Johnston, food chairman.

Exes were recognized at the banquet by classes.

Jerry Wilburn To Madrid Spain

A/2C Jerry K. Wilburn, son-in-law of Mr. and Mrs. Arnold Hromas, departed Monday for Overseas duty in Spain. Hewill be stationed at Torrejon Air Force Base near Madrid.

Whittlin'--

of which would be good. Certainly, we're glad a game of that nature is the exception other than the rule.

A lot of Bovina fans, this department included, have been looking forward to the day when our school could advance into Class A, sports-wise.

We don't know, frankly, when we can qualify for Class A ranking. There's a possibility we think, that we might make it by the 1964 football season.

With all due respect to Class B, Class A is just one notch better.

Wins Contest--

who were each one point off Tabor's pace the week before named seven right last week and are now two points back of the lead.

Still in the grand prize running with 67 are Larry Webb, Jeanne Kerby, and Tom Bonds. They're four points back and the contest has four weeks yet to run, counting this one.

A total of 84 entered the contest last week. That's the lowest total number of contestants that have entered during the nine-week duration.

# THE HIGH PLAINS FARM AND HOME

## RAD Program Defended By Parmer County Agent

County Agent Deryl Coker this week defended attacks on the Rural Area Development program (RAD) as unfair, erroneous and completely without basis.

The program, a part of the Agriculture Act of 1962, has been given to the State Extension Service for organization.

"There has been some adverse publicity on the program, which tries to say that the program will make for more Federal control, but this just isn't right," Coker charged.

As to Parmer County's participation in the program, Coker said that there would be a reorganization of the county's Program Building Committee.

"The committee will act for Parmer County like a county chamber of commerce. It will be the people's committee, and what they decide will be for the betterment of Parmer County."

"The committee can either vote yes or no on a matter, as they see fit, and I don't see how that involves federal control," Coker continued.

"To summarize," the county agent went on, "It is a democratic means by which representative local leaders can plan and carry out a course of action designed to fully develop and utilize the total resources of the

county with the assistance of local and outside organizations."

Coker emphasized that there will not be an RAD committee as such in the county, but that the program will be carried out by the regular County Program Building committee.

Functions of the committee will then be broadened to include the following:

1. Analyzing and interpreting the county's situations and trends.
2. Identifying the county's problems.
3. Estimating long-range objectives.
4. Determining priorities.
5. Preparing from the above a county program aimed at total resource development.
6. Providing leadership and assistance for program implementation.

"The program should be an ideal means of giving the Extension Service and other Department of Agriculture agencies an idea of what we should work toward," Coker concluded.

### 4-H Achievement Program Saturday

The annual 4-H Achievement program will be held Saturday, November 10 at 6:30 p.m. at the Hub Community Center. A covered dish supper will be served for all 4-H Club members, parents and guests.

After the meal, 4-H Achievement award medals will be presented to all eligible members who entered their record book in August for judging.

Following the awards, each of the community 4-H Clubs will present talent skits.

DERYL COKER  
... Defends Attacks

## Extension Agents Attend Annual State Conference

Parmer County Extension Agents, Miss Ettie Musil and Deryl L. Coker, were among the one thousand Texas Extension Service employees attending the Agents and Staff Conference held October 29 through November 2 at College Station. Theme for the conference this year was "Pursuing Excellence."

Speeches were presented by Administrator E. T. York, Jr. with the Federal Extension Service in Washington, D.C., who spoke on "Achieving Ex-

cellence in the Cooperative Extension Service." Other speeches included "Achieving Personal Excellence," "Identifying, Motivating and Developing Leaders for a Program of Excellence," "Citizenship Responsibility in a Democracy," "Creating an Image of Excellence for Cooperative Extension," and "Concept of Excellence in American Family Life."

It was stressed in the speeches that Extension Service personnel must broaden work with clientele beyond whom they now work with. Programs in consumer education are most important. According to statistics 40 per cent of the brides are 19 years of age or younger. Many programs based on the use of money rather than family income are needed.

Both of the extension agents said they found the conference educational, as well as inspirational and challenging.

For many children in underprivileged areas the bun and glass of milk which CARE gives them is the only meal they have all day. CARE sends milk and flour in \$1.00 packages.

## Sterile Fly Program Changes Announced

Extension of the sterile fly release area and changes in the fly release rates were announced by officials of the Southwest Screwworm Eradication Program last week. The latter will put a heavier burden of responsibility on individual livestock producers, Deryl Coker, Parmer County agent said.

An additional 10,000 square miles are being included in the fly release area in western Texas and the number of flies released will be stepped up in some areas and reduced in others. While definite release rates have been designated for all areas, this will tend to vary according to the number of confirmed screwworm specimens sent to the Mission laboratory for identification. Thus, says Coker, the producers, themselves, will largely determine how many flies they will get each week.

The additional area is composed roughly of the territory encompassed by a line running west from the old line along the Sutton - Schleicher County line, passing just south of Ozona and Sheffield and continuing westward until it intersects with a line coming north from the U. S. - Mexico border and passing through Sanderson. This line could vary somewhat, officials have said.

This new release area will receive 600 sterile flies per square mile per week. The Edwards Plateau and surrounding territory where native flies still exist in large numbers will receive 1,000 flies each week. The areas in southern Texas where fewer screwworm cases are being detected will receive 400 flies per square mile each week.

Program officials will be watching the number of specimens confirmed as screwworms which are sent in to the laboratory each week by livestock producers and livestock inspectors. This will largely determine whether the number of flies being dispersed in any area should be increased or reduced. So, says Coker, it is up to producers to check their livestock on a regular basis and send in samples, unless they want to run the risk of having the number of sterile flies released in their area reduced.

He said producers should put about 10 maggots or worms from a wound in a container of alcohol or water and send it to Box 969, Mission, Texas.

## Wheat Signups Began Monday

Parmer County wheat farmers are reminded that the signing up period for the 1963 Wheat Stabilization program began Monday, November 5. The signups will continue through December 14, according to Prentice Mills, office manager of Parmer County ASCS.

# Delegates To Adopt State Policies At FB Convention

Delegates to the 29th Texas Farm Bureau convention at the Granada Hotel here November 11-14 will adopt state policies for the coming year and make recommendations on national policies.

As many as 2,000 Farm Bureau members and their families, which would make this the largest convention in TFB history, are expected to attend. The 200 organized county Farm Bureaus are eligible to send more than 750 official voting delegates.

The 39-member state resolutions committee will meet here November 7 to draft tentative resolutions for consideration by voting delegates on the last two days of the convention, November 13-14. Hundreds of recommendations on scores of

issues have been received at the TFB state office in Waco from county Farm Bureau conventions.

Adopted resolutions on state-level issues will become the policies of the Texas Farm Bureau next year. Approved resolutions dealing with national matters will be forwarded to the American Farm Bureau Federation convention which will be held December 9-13 in Atlanta.

Several prominent leaders in agriculture and government will address the convention as guest speakers. They include: Radio News Analyst Paul Harvey; Roger Fleming; secretary of the American Farm Bureau Federation; Senator John Tower of Texas; Wayne Tyler, manager of the AFBF's American Agricultural Marketing Association; and the Governor-Elect of Texas, either John Connally or Jack Cox.

Texas Farm Bureau President J. H. West will make his annual address to the convention on the morning of Nov. 12. Tyler will speak at a general commodity conference Monday afternoon. Tower, Fleming and the Governor-Elect will speak Tuesday morning, Nov. 13 and Harvey will be banquet speaker that evening.

KEEPING FIT should be fun especially for those over 30 years of age, according to Dr. Warren S. Guild of Harvard Medical School. The doctor, a former marathon runner, suggests that exercises such as hiking, cycling, swimming, rowing, mountain climbing and running are excellent for attaining physical fitness.

# Classing Offices Report Slight Increase In Quality

The Lubbock Cotton Classing Office reported 28,500 samples classed for the week ending November 2 and had a carry-over of 3,500 samples. The Lamesa office classed 7,600 samples with a carry-over of 1,000 samples. The Brownfield office classed 9,200 samples with a carry-over of 1,500 samples.

To day 142,600 samples have been classed in the three offices. Last year on November 2 473,000 samples had been classed and the three offices had a total carry-over of 50,000 samples.

There was a slight improvement in the quality of the grades classed this week. Forty-six per cent of the samples classed were white qualities as compared to forty-one per cent last week. Middling Light Spotted accounted for 45 per cent and Strict Low Middling accounted for 25 per cent of the cotton classed.

The average staple length remained the same as last week - 30.4 thirty-seconds of an inch. Staple length percentages were distributed as follows: 7/8 and shorter .5; 29/32, 9; 15/16, 57; 31/32, 27; 1 inch, 5; 1-1/32, 1; and 1-1/16 and longer .5 percent.

The micronaire reading percentages for the week were: 2.7-2.9, .5; 3.0-3.4, 5; 3.5-3.9, 19; 4.0-4.4, 44; 4.5-4.9, 28; and 5.0-5.4, 3 percent. Readings of 2.6 and below and 5.5 and higher each came to less than one half of one percent.

The movement of cotton on the Lubbock market continued to increase this week, with the Lubbock Cotton Exchange reporting 16,800 bales purchased for the week ending November 2. This was 5,800 bales more than the previous week and compares with 33,600 bales reported for the same week a year ago.

# Savings Bond Sales Top Goal In County

Frank Spring, Chairman of the Parmer County Savings Bond Committee has announced that Savings Bond sales in Parmer County totaled \$14,159 during September. This put the county over its goal of \$90,000 with a grand total of \$97,704.

Texas Savings Bond sales for the first nine months of 1962 totaled \$111,734,186. This figure represents 67.7 per cent of the state's 1962 goal of \$165.1 million.

"I have been happy to note that sales of Series E Savings Bonds in the \$25, \$50, \$100 and \$200 denominations con-

## Farm Facts

Some 20 years ago only about 50 basic farm chemicals were in use. Today there are about 200 basics available and perhaps as many as 50,000 formulations of them.

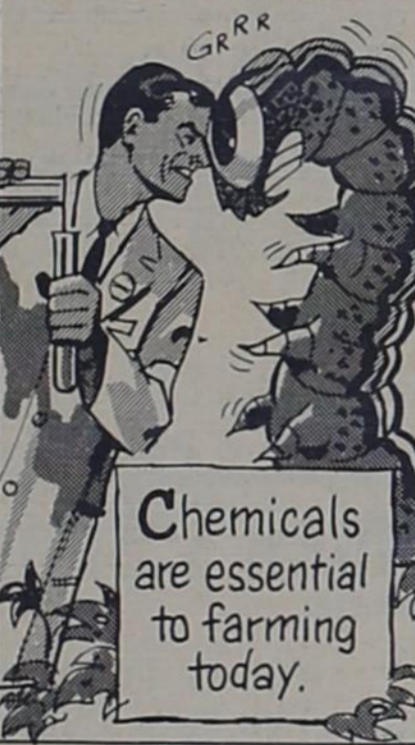

"Without the fruits of research put to work through the industrial machine," comments Director George L. Mehren of the Giannini Foundation of Agricultural Economics, "production of broilers, turkeys, eggs, red meat, and dairy products could never have reached today's levels, simply because disease losses would have prevented it."

"Present methods of producing important truck crops, such as tomatoes and potatoes, would not be possible."

"Had not such pests as the Mediterranean and Mexican fruit flies been controlled by chemicals, our peaches, cherries, citrus, apples, and pears might now be luxuries."

"Modern methods of finishing livestock for market would not have developed and we would not have so abundant a supply of tasty as well as nutritious meat as we now enjoy."

"Six major parasites of cattle, hogs, sheep, and poultry would add about \$100 million annually to the nation's food bill, if we did not have the drugs to control them."

# The HAPPY HOMEMAKER

BY JUNE FLOYD

If you still have a variety of vegetables in your garden that need to be preserved for good eating this winter, try the two following relish recipes.

**Green Sweet Relish**  
 1 quart green tomatoes, ground  
 1 quart onions, ground  
 1 dozen green peppers, ground  
 1/2 dozen red peppers, sweet  
 6 large cucumbers  
 1/3 cup salt

Grind all vegetables with fine blade of food chopper. Mix with salt. Let stand over night. Drain and cover with cold water. Allow to stand two hours. Drain again, then add  
 6 cups sugar  
 1 quart vinegar  
 2 tablespoons celery seed  
 2 tablespoons mustard seed  
 1 teaspoon turmeric  
 Combine all ingredients and cook 20 minutes. Add green food coloring, a few drops at a time, until desired shade is obtained. Keep simmering. Place in hot sterilized jars and seal.

**Hogan's Special Relish**  
 1 gallon ground green tomatoes  
 1/2 cup salt  
 Let stand overnight. Drain. Boil in accumulated liquid and drain again. Add the following ingredients:  
 1 quart ground sweet pickles  
 1 quart ground cabbage  
 1 quart ground onion  
 5 red peppers (chopped fine)  
 5 green peppers (chopped fine)

1 quart chopped celery  
 1/2 package celery seed  
 1/2 package white mustard seed  
 1/2 package turmeric  
 6-8 cups sugar  
 2 quarts vinegar.  
 Mix thoroughly and bring to boil. Seal in hot sterilized jars.

If you plan to make stuffed toys for the smaller persons on your Christmas gift list, remember to save all old nylon hose. These can be cut in strips and used for stuffing.

Also, if your patterns call for embroidery for faces, try cutting small shaped pieces of mending tape in various colors for eyes, mouths, or noses. These may be applied on if you like.

Smaller children especially enjoy playing with finger paints. A very good substitute for paint may be made by combining 2 cups water, 2 tablespoons laundry starch and food coloring.

Boil the first two ingredients until about the consistency of paste then add food coloring or small amount of dye. The paint may be stored in small bottles and one recipe may be divided so that you have several colors.

An empty match holder makes an attractive purse holder for threaded needles, pins or other small objects you want to have on hand at all times.

For a pretty easy to make dessert dish, try

**Cherry Dessert**  
 26 marshmallows  
 1 cup milk  
 Melt the above ingredients in double boiler, then cool. Then add 1 cup cream (whipped). Crush two dozen graham crackers and mix thoroughly with 1/4 cup butter.  
 Make a layer of the cracker mix. Cover with one #2 can cherry pie filling, add marshmallow mix then top with remainder of cracker mix. Chill before serving. This dish may be prepared a day ahead if desired.

# BAG TRICKS

**DECORATING TIP** - Got an old chest in the attic? Turn it into a handsome piece of furniture by covering it with cotton feed or flour bags. To give your room a coordinated look, cover window shades with the same fabric. Instructions from the National Cotton Council, Bag Dept., Box 9905, Memphis 12, Tennessee.

COMBINING SOYBEANS on the R. B. Seaton farm at Lazbuddie is Seaton's nephew, Jimmy.

ONE OF THE FARMERS in Farmer County who harvested soybeans this fall is R. B. Seaton of Lazbuddie. Seaton is shown with some of the results of his harvest.

## HD Agent's Notes

BY MISS ETTIE MUSIL

We in District 1 of the Panhandle of Texas are very proud of our District 4-H Dress Revue winners who competed in the State 4-H Dress Revue recently. We just received word of the results.

Linda Jean Holt of Hansford County won first in the state and will attend 4-H Congress in Chicago with an all-expense paid trip sponsored by the Simplicity Pattern Company. We are so proud that Linda won in a group of 40 contestants.

Another District One 4-H girl won honorable mention in the Dress Revue. Phyllis Marie Dalsing of Gray County placed fourth in the state and Mary Ann Edlin of Hartley County won ninth place. Just think, we had three of the four girls who represented District 1 to place among the top nine in competition with 40 girls.

Yes, 4-H club work has provided much leadership and skills for many boys and girls. We shall have our County 4-H Achievement Awards Program in the Hub Community Center, Saturday, November 10. At this time achievement awards will be presented to several of the 4-H boys and girls entering their record books in judging for these awards.

In many of the awards programs only one, two, or four boys or girls are eligible for the award. Therefore, other hard working boys and girls will receive completion year pins. We hope all parents and friends will attend to back these youth in their development as future citizens.

Had you ever thought about buying time? All of us buy time in one form or another. First, do you have all the time you need? Perhaps you should give more consideration to "Buying time."

Did you ever think that time can be bought in a variety of forms? For example, a long-distance telephone call may save days of travel. A telephone call to a local home furnishings center can provide information about items a homemaker wants, and possibly save visits to other stores to find the articles.

Each time we mail a letter or a parcel we are buying time, since the postal department takes over for a few cents an errand which might take hours or days for us to do. We also buy time when we have tools sharpened or equipment put in good condition so we can work more efficiently.

When a homemaker hires someone to do many kinds of chores, she is buying time. The purchase of instant foods, such as baking mixes, instant beverages, and frozen meals at the grocery store is another method of buying time.

To make the most of our investment in the time we buy, we must use careful planning. By giving conscious thought to the matter, and by watching our opportunities, we can buy more time than we do now.

We also have a way you can get time off your mind. First, know what you want to do. Then make a mental or written plan of putting first things first. Stick by your plan. Then study your present methods of work -- are there changes you need to make? Are you doing necessary things?

Are you sharing the family living responsibilities with other members of your family? When family members share in the home responsibilities, they feel more a part of the family. They feel necessary to the smooth running of the household.

## Ammonia Applications Necessary, Profitable

"Fall-winter application of anhydrous ammonia is being increasingly recognized as necessary and profitable in the West Texas Plains area according to reports from distributors of this 82 per cent nitrogen fertilizer material," said Jack F. Criswell, Memphis, Executive Vice President of the Agricultural Ammonia Institute, today.

Criswell said that "agricultural authorities have long recognized the crop growing advantages and savings of ammonia application at this time; and it is pleasing to find that the more progressive farmers of West Texas are seeing the advantages of these benefits."

Agencies like the Agricultural Extension Service and Texas Research Foundation have well proven that application at this time will lock ammonia in cool winter soils where it will be ready to promote early spring crop growth. Extensive research and years of successful field jobs have shown that fall-winter application increases crop yields as well as or better than later nitrogen fertilization, Mr. Criswell points out.

The chief reason given for the need of application at this season, said Mr. Criswell, is that it puts farmers way ahead of their spring work load jams to give them savings in time, labor and dollars.

In the fall and winter farmers are certain that adequate supplies of ammonia and equipment are available just when they want them. They thereby eliminate the fear that supply shortages or a late, wet spring will hinder putting on the nitrogen which is an essential element of profitable sized yields today.

The West Texas Plains area uses better than 10 per cent of the total agricultural ammonia consumed in the United States and local distributors would be hard pressed to supply such amounts in the spring alone, according to Mr. Criswell. Most farmers now recognize that no industry, including fertilizer, can have big enough distribution facilities to economically satisfy the needs of all consumers in two or three spring months, he added.

Criswell said it appears that the marketing situation for anhydrous ammonia in the West Plains has stabilized. Farmers are now able to obtain anhydrous ammonia at prices which guarantee them adequate service but which still represent one of the biggest farm supply bargains, even in terms of non-inflation dollars. Because of the huge volume, prices in West Texas as posted today are among the lowest in the country.

Criswell also said that his inquiries indicate that West Texas farmers now recognize fall application will hasten decomposition of last year's crop residues to release the plant foods contained in the residues and improve the soil water-holding capacity. Furthermore, he adds, soil and weather conditions are usually excellent for application in West Texas at this season.

## NEWS FROM THE FARM BUREAU

BY RAYMOND EULEP

A vesper service, conducted by Dr. Herbert R. Howard, Pastor of Park Cities Baptist Church, Dallas will be the first full participation activity of the Texas Farm Bureau Convention Sunday, November 11. We hope you'll be there. We plan to take our whole family, the first time since children have come to live with us.

Although we don't know all who are going from Farmer County, we are reasonably sure of the following: Earnest Kube and M. T. Glasscock of Farwell, Harry Hamilton of Friona and John Henderson of Black. These are the ones who have said they plan to go. We know there are others, but don't know who they are yet.

The annual address by President J. H. West will be the main event of the day Monday, followed in the evening by the queen contest. Important commodity meetings will be held throughout the afternoon.

Tuesday, November 13 will be a full day, with Roger Fleming, AFBF Secretary-Treasurer of Washington, D. C., and address by the governor-elect of Texas (Jack or John) and address by Senator John Tower. At one thirty in the afternoon the business session for delegates will get underway with the reading of minutes and consideration of resolutions (including those from your county) until 5 p.m.

Paul Harvey, Radio News Analyst and columnist of Chicago, Illinois, will be the speaker at the annual banquet Tuesday night. If you are there and don't have tickets, check with us or any other Farmer County folks to see if we have any left for you. You won't want to miss the banquet program.

Wednesday morning, work will continue on the consideration of resolutions until they have all been taken care of, and the convention will be adjourned.

If you are not among the five hundred forty one members of Farm Bureau in Farmer County, why don't you become number five hundred forty two?

CONSIDER THIS: The way of the wicked is an abomination unto the Lord; but he loveth him that followeth after righteousness, Proverbs 15:9

## Need Good Storage Methods For Quality Cotton Seeds

It is time to think about next year's cotton plant-seed. Some growers, reports Fred C. Elliott, cotton specialist for the Texas Agricultural Extension Service, have already placed in storage seed of good quality. Others will do the same as the harvest moves into their areas.

To those who have not yet saved planting seed, Elliott suggests a first class house cleaning job for the storage facilities. Cottonseed, he points out, should be stored only in bins that have been cleaned thoroughly of waste material such as old grain, trash, feed sacks or other seed or debris which furnish living quarters for insects. It is a good practice to "sweep down" the ceiling and walls and clean the floor of the bin to remove hidden waste. Use builder's molding to cover cracks to eliminate seed collecting in them, he explains. Waste grain, seed and other materials beneath and near bins should be destroyed.

For those who have stored seed, Elliott suggests that regular checks be made of the seed and facilities to make sure insect pests haven't moved in. Insects, he adds, are more likely to become a problem if a large percentage of the seed are cracked and if stored in bins which harbored insects at the time the seed were placed in storage.

The specialist says several chemicals are recommended for use in and around the storage bins before seed are stored. Others may be used as a dust to treat the seed when they are placed in storage while other insecticides can be used to fumigate cottonseed which may have become infested with stored grain pests.

Seed treated with chemical dust should not be crushed or used for feed, emphasizes Elliott. Use caution, he adds, in fumigating cottonseed which will be used for planting purposes. Under certain conditions fumigants may lower the germination of the seed. Studies indicate that germination of seeds fumigated at high temperatures -- 80 degree F. or above and at high moisture content -- 11 percent or above may be reduced. Because the use of chemicals involve hazards, Elliott suggests that the local county agent be contacted for complete details on what and how to use recommended insecticides.
