Democratic Primary Runoff Election Will Be April 12

The Democratic Primary Election Run Off will be on May 11. This race is for the Texas Senate District 28 seat. Dickie Cranford and Kent Smith should attract a number of voters.

Wide-open race will pit Joe Martinez against Richard Barlow for the Democratic Senate nomination and a chance to run against retired Republican Kay Bailey Hutchison in the General Election in November.

There will be also a runoff at the area level for Justice Supreme Court.

Place 1 between Ron Hart and Bill A. Gutierrez, Dickie Cranford seat run for the County Commissioner Precinct 4. In Place 5, Billy George Denning and Gary Blackmon are in for the Democratic nomination. Both蜘蛛 and John Durham are contesting for Precinct 4.

The third runoff is in District County for Justice of the Peace, Precinct 2, where Robert Wall and Sandi Taylor are squaring off.

Kent County also has a run off for a County Commissioner in Precinct 4 where Don Thomson is pitted against Brian Marczak.

The Democratic Party will be in March 5 primary. Dickie Cranford was nominated in 1994 with 777 registered voters and 2033 voting. In the Democratic race, the Republican opponent was reported with 636 voting.

Farmers Urged To Carry Out Conservation Plans For 1994

6 DO NOT FORGET. Conservation practices are scheduled to be applied at different times. Each practice must be followed before application begins. If a practice is not followed, it is due to be completed in accordance with SCS procedures as scheduled in your plan. If you do not follow your plan properly, contact your Local Soil Conservation Service office to schedule any help that you might require. ALL FSA compliance plans must now be submitted.

a. Request SCS assistance on practices as scheduled in your plan. If you do not follow your plan properly, contact your Local Soil Conservation Service office to schedule any help that you might require.

b. Determine which practices you can carry out on your own. Find out all you need to know about SCS requirements for the practices before applying.

c. 日TE TIME YOUR PRACTICES CAREFULLY. Consider planting dates, cropping sequence, and equipments needed. Be sure to synchronize practices to become established before winter. If COST SHARE assistance is needed, request SCS representative to inspect the farm program. The SCS representative must be able to sign on your farm program to inspect the farm. This will be helpful in determining which practices you have舞蹈 your farm program.

d. Keep YOUR PLAN UP TO DATE. Do your crop plan properly. Your plan must be updated by the end of the second year.

The National Champions Aces in Arkansas are probably the "tired" team to show future athletes' shorts appear to come down past their knees and look like they took enough material to make a g(32-sized army ridiculous— in my opinion— would be if they were about 8 to 10 inches longer.

There will also be an Easter Egg hunt at the Girl Scout Park. Their teachers are Debbie Daughtry and Nancy Darrell.

Sen. Carricker Receives Award From Family Physicians

State Senator Jim Carricker (D-Blue) was honored March 30, 1994 by the Texas Academy of Family Physicians (TAFP) for his outstanding efforts in the Texas Legislature during the 1993 Legislative Session. The TAFP gave the Presidential Award of Merit to Senator Carricker.

The award, presented by Jimmy Randles, M.D., Waco, is a mark of commitment to the health care of Texas and the specialty of Family Practice. In Randles' words, "Senator Carricker is a champion of rural health care and he understands better than anyone the value of primary family physicians in providing health care on a rural Texas scale.

The TAFP was established in 1927 to maintain and improve the high ethical standards of Family Practice through the promotion of Continuous Medical Education.
As Others See It...  

...And Say It!  

**Rick Craig/Andalusia Herald**  

Thames, Illinois, what is it? It's not a town in Maine, or even the land of the free. It's not a state, it's not a country. It's a place name, a place that is home to many people. I was there last week, and I can tell you that it's a place that is full of history and culture. I saw the old courthouse, which is now a museum, and I was able to see some of the exhibits that were there. It was really interesting to see how things have changed over the years.

**SAFE THAN ANY SAFE**

A safe's lock can be picked. Its doors can be blown off with explosives. Its combination stolen. But when you deposit your money in one of our savings accounts, every person—up to $100,000—is fully insured by the Federal Deposit Insurance Corporation (FDIC). And that's safe as it can be.
This past week, Priscilla Nieves brought in two books on cactus that she has been looking for help with, or if you are even thinking of doing a cactus workshop, I have a suspicion you might want to check them out. I have a suspicion you might be interested in a book on cacti. Priscilla Nieves will share more ideas and news on cacti with us as well. She is an expert on the subject. She has a master's degree in botany from the University of Arizona. She is the author of several books on cacti, including "Cactus: The Complete Guide to Growing and Using Cacti," which is now in its fifth edition. She is also a member of the Texas Cactus Society and the American Society of Plant Taxonomists. She has written many articles for various scientific journals and has been a guest speaker at numerous conferences and workshops on cactus. She is also a licensed cactus enologist, which means she has the ability to grow and cultivate cacti in a controlled environment. She has over 10 years of experience in the field of cactus cultivation and is currently working on a new book on the cultivation of rare and endangered cacti. She is available for speaking engagements and book signings. She can be reached at priscilla@priscillasnieves.com or on her website, cactus expert.com.

Joe Gordon and his wife lived there when they moved to Dickens County, and the family that moved to Dickens County, as well as a surveyor for the Matadors. The country seemed to be, fortunately, an amicable place to live. One of my brothers killed Drace the next day. Drace was mad at him until that morning.

In February 1878, Jim Harkey was working for the Hall Brothers of San Saba County, who had turned loose a large herd of cattle on the range in the northwest part of Motley County. At the same time Jim Harkey of Hico, Texas, was working for Wily and Conghelm. He was notified that night that if anyone killed a Harkey there was him up and killed the killer, but that if anyone killed a Harkey there was him up and killed the killer, but that

Jim said that he was bom in Motley County on May 13, 1850, and was the first white child born in Motley County. One of his friends of many years, J.J. Coggins, who, as I remember, said that Jim was the first white child born in Motley County. Jim was bom in Motley County. Jim said that he was bom in Motley County, and that he was bom in Motley County.

Jim Harkey was fixing supper. Barbee told him that Harkey over the right hip and came out over the left hip. Jim Harkey had asked for his pistol and according to Jim Harkey that Barbee in the heart four times and Barbee dropped dead. Barbee had shot four shots at him but only one bullet had Harkey hit Barbee and I had already fired at the same time. The bullet hit Jim Harkey in a log cabin at the MotL The country was all open, grass was free and there was a song, "Yankee Doodle," when Barbee fired at the same time. Ms. N. V. G., or if urgent. In Loving Memory of Jerry Beau Norris

The moon was bright and full that night, but evil thoughts in someone's mind kept you from coming home that night. It only my mind and heart would have led me to where you were at, today you would be alive. Memories of you will always be in our hearts forever.

You will never be forgotten. Your smiling eyes and the way you looked, your ways of being there and helping anybody who needed your help, whether they were good to you or not. The joy, the happiness, the love, the peace you gave will always be deep in our hearts and our minds.

The tears, the grief we now shed won't bring you back alive. As I close my eyes, I see you standing by saying "don't worry mom, what comes around goes around." The love I have for you could not save you that night, though now you are in a better place with our Lord. But in my heart, what I feel for you, you will always be I love you. Son. Until we meet again, we miss you and love you so.

Love,
Your Mom & Step-father

Donna & Michael Berry
Bobbi Moser, Vernon, opened three days of her spring break in Japan visiting her parents and siblings. Her husband Jack was fishing near Port Aransas with Andy Moser, Dennis headed west with Jack. Jack, the heroes’ day, then went to Japan to visit his grandparents. Mr. and Mrs. Clyde Mitchell, Wilmont and Mrs. Bob, Baker visited with Van Lee and Earl Parker, one day last week. Clyde Mitchell and Van Lee are in Elsberry. A surprise birthday party was held for Connie Ricks, Petersburg in the home of Jack and Nell Brooks last Saturday night. Connie’s surprise was a resumé and thousands of flowers to everywhere and a beautiful birthday cake iced in pink and homemade ice cream. These attending were Beatrice Rice, Tommie and Turner, Dennis; and Wynonna Spry and LeVanda, Marion Brooks, Lower Smith and James Earl and Paula Daniels, Priscilla and Tommy, Johnny and Virginia Johnson, Jack and Nell Brooks.

Dennis and Tinie Robinson and Miss Elliann Crenshaw visited with her new son, Laury and Clyde Spry over the weekend. Mr. and Mrs. Jim Hite and parents were back to visit their parents and beautiful little grandchildren visiting their families Lynn and Alia Biles, and Laury and Tyris Hite.

A going away party was given for Cynthia Building last week at the Knox County Nursing Home. She is quitting her job as cook and will move to the city. We are going to miss her.

T.J. and Rolanda Allday had some family in, but they forgot to call her back and it is 11 p.m. in the morning. She left for Abilene and I am forever indebted.

Stenholm Announces 1995 Academy Cycle

Congressman Charles W. Stenholm announced the beginning of the 1995 United States Service Academy cycle. At this time, information is being requested from all high schools and individuals who have expressed interest in applying for a commission in the United States Air Force, Merchant Marine, Military or Naval Academy.

Applications are currently being accepted from high schools who wish to be considered for the classes entering in July 1995. The academy seeks well-rounded, intelligent young men and women who are academically able to handle the academic requirements of the academy. Those who may be considered must have a G.P.A. of 3.0 or better and a high school class rank of 10% or better.

Individuals who are at least high school seniors, and who are between the ages of 17 and 22 years of age on July 1, 1995, may be eligible for consideration. Selections are made in mid-December, following a formal board of review of the candidate’s high school record, class standing, SAT and ACT scores. Involvement in athletics and school and community extra-curricular activities are important factors in determining the individual’s eligibility for the academy programs. Evaluations by school officials and other individuals who are familiar with the candidate are also used in the decision-making process.

Motivated, self-starting individuals

Spur High School Ex-Student Association

Compiled by Lillian Grace Nay

Spur students enjoyed a long weekend away from home, but those that attended Phantom Springs were less fortunate, and had an awkward school field day and Monday having used their snow day.

The Phantom-coon Sorensen Hall, then several events on Saturday. A variety was presented in relays shown in dogs and cats and any other shows the management judged, there were also a piping for riding pens of goats and ladies. Groomed slicks and flags for Equestrian were available also. Even though the day was pretty unpleasant due to the winds they seemed to do a brisk business.

The ladies of the Senior Citizens Center are making plans for another quilting project. They have decided to give away during Homecoming, ideologically, that event will be here before we know it. It is just about two months away.

Next weekend will be a Garage Sale on Saturday, April 9, at the Nazarene Church and our local HEB (across the highway from us) if you would like to donate items for this event, please let us know. We will begin to set up Friday, April 8, at the Church. All sales will go to help support the church and its mission programs.

Remember to vote in the upcoming elections, both City and School, early voting for the second primary election in which there will be more local candidates here for Commissioners and Justice of the Peace positions in Spur is in progress.

Justice of the Peace

Precedent #3

Dickens County

---

I have enjoyed meeting new people and renewing old acquaintances in this community during this campaign.

As I've said before, I have a number of years experience in areas that would prove to be an asset to the Justice of the Peace position. Honesty and fairness are the only promise I can make. Next Tuesday, you must make the choice of who you want to represent your Community in the position of Justice of the Peace. I ask for your consideration and your VOTE.

(Pd. Pol. Adv. by Sandra Jo Taylor, P.O. Box 137, Dickens, Texas 79370)
