Pittsburgh Fireman's Pet Terrier Fos ters Two Porkers in Lieu of Its Own Babies.

Pittsburgh, Pa.-Nellie, the Boston bull terrier at No. 51 engine house, Troy Hill, is not only mourning the loss of her litter of pups, but a pair of suckling pigs she had adopted. Nellie has the maternal instinct strong within her breast, and when her puppies were taken from her and scattered far and wide she would not be comforted. A few days later Capt. William Higgins of No. 51 engine company visited the stockyards at Herrs Island, where he was presented with a pair of wee motherless pigs.

Captain Higgins took the pigs to the engine house, fixed them a bed and hied himself to a drug store for a couple of nursing-bottles. These he had filled with warm malted milk. But when he got back to the engine house he found no use there for his nursingbottles. Nellie, meanwhile, had found the orphan piggies. When they were taken from her the other day and sent to a Reserve township farmer she showed as much concern and grief as she did when her own babies

And This Lady Would Do a Little Work and Have to Go to Bed for an Hour.

Columbia, Tenn.-Mrs. Jessie Sharp, of this town, says: "I was a sufferer from womanly troubles for five years. and it got me down so, I could not do any of my work. Would have to lie in bed nearly all the time. When I would sit down, couldn't get up, without pulling at something to help me. I would do a little work, and have

to go to bed for an hour. I would have those awful trembly spells, and a swimming in my head. I surely felt that I had rather be dead, than be in my condition.

I finally wrote to the Ladies Advisory Department, of the Chattanooga Medicine Co., and they advised me to try Cardui, the woman's tonic, for my troubles. I did and now I am sound and well of all my troubles. The second bottle helped me so much, that I didn't have to go to bed any more. I certainly feel that Cardui is worth

its weight in gold to every suffering woman. If you, lady reader, suffer from any of the ailments so common to women,

try Cardui. For more than 50 years, Cardui has firt with you then. been used with entire satisfaction, by hundreds of thousands of weak and ailing women. It will surely help you,

IF HAIR IS TURNING GRAY, USE SAGE TEA

Don't Look Old! Try Grandmother's Recipe to Darken and Beautify Gray, Faded, Lifeless Hair.

Grandmother kept her hair beautily darkened glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendld for dandruff, dry, itchy scalp and falling hair. A well-known druggist says everybody uses Wyeth's Sage and Sulphur because it darkens so naturally and evenly that nobody can tell it has been applied-it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant .- Adv.
