The Cotton-Bowl-bound winner might as well be you!

One of our Democratic-voting good friends (they're the best kind) says with feeling he can't understand how these people who have made all they have, which is quite a bit, under a Democratic administration can have so little appreciation they'll consider voting some other way this November.

He says it kinda makes him want to see a Republican elected just to show them how mixed up they are.

Such action would be too extreme. The lesson would, no doubt, be well taught, but the painful method of teaching wouldn't be worth it!

Eat Better, Grow Older Gracefully

By Cricket B. Taylor

The month of September is called the "Better Breakfast" month. With the starting of school and a hurried rush hour in the morning produces a lot of breakfast skipping. School children and parents are reminded of the importance of breakfast as a "starter" for the day.

Aging folks need "growing food" just like the kids do. One grows "old" when he ceases to produce new body cells, so one can totter at 60 or be a young 80, depending largely on how well he eats to repair himself.

To a large extent, one can control aging by persistent good or bad habits. "You make the choice," reminds the Texas A&M University specialist on aging, Minnie Bell.

Many older citizens need better diets. For a recognized standard that provides information for choosing the right food, the county home demonstration agent can help one obtain this Daily Food Guide.

There are two angles to this growing-older problem. One is physical, and the other is mental. Food has a lot of bearing on both angles. Some of the old ideas must be discarded if the good protective foods are going to be eaten regularly.

Specialist on aging suggests, "Don't get food-cranky about what you eat."

Don't try to live on "tea and toast" or "bread and butter." Don't let vitamin pills suffice for food unless the doctor prescribes them.

Don't be a "meal-skipper." Don't refuse to try new textures in food. If chewing is difficult, chop-it, chop-it, mash-it, or grind-it to help the work of teeth.

Don't be a snacker. Three "squares-a-day" can add the variety in foods necessary. Don't be an over-eater. One needs less food as he adds years.

MRS. ROGER KENT PROCTOR

Double Ring Ceremony Unites Proctor-Embree

In a double ring ceremony Friday, August 30 at 7 p.m. in First Methodist Church in Tahoka Miss Carolyn Kay Embree became the bride of Roger Kent Proctor.

Parents of the couple are Mr. and Mrs. Warren Embree of Tahoka and Lt. Col. and Mrs. Clark A. Proctor of Albuquerque.

Rev. Hugh Daniel read the ceremony.

Given in marriage by her father, the bride wore a gown of peau de'ange lace with an empire bodice, sculptured neckline and pointed sleeves. The detachable tulle train of matching silk was adorned with Viennese lace ruffled into chapel length. Her silk headpiece held her veil of imported French silk illusion. Bridal bouquet was a cascade of gardenias surrounded with stephanotis and white satin streamers.

Maid of honor was Miss Virginia Embree of Abilene, sister of the bride. Bridesmaids were Miss Ann Bransford of Irving and Miss Francil Kimble of El Paso. They wore floor-length sheath gowns of blue sparkle crepe.

Terry Ray Proctor of Albuquerque, brother of the groom, was best man. Groomsman were Joe B. Jamerson of Albuquerque and Jackie Dane of Lubbock. Ushers were Deryl Sherrill of Thakoa, Joe B. Jamerson of Albuquerque and Jackie Dane of Lubbock.

Becca Bransford of Irving was flower girl and Susan and Kevin Proctor were ring bearers.

Mrs. Clayton Carter played the organ, with Mrs. Harold Green as soloist.

A reception followed the ceremony in fellowship hall of the church.

For a wedding trip to points in New Mexico, the bride wore for travel a coat dress of blue with white trim. Her gardenia corsage was lifted from her bridal bouquet.

Mrs. Proctor is a 1964 graduate of Bovina High School and attended Texas Tech. She is also a graduate of Business College of The Southwest and is employed in Albuquerque.

New Business Opening Here

Latest addition to the business community of Bovina is the new Merle Norman Cosmetic Studio on Main Street in the Isaac Building, which will hold a two-day formal opening from 9 a.m. to 6 p.m. Friday and Saturday, according to Mrs. Lavoia Hawkins, owner and manager, who will serve as official hostess.

Unusual aspect of this grand opening, according to Mrs. Hawkins, is the offer of a free hour of beauty and a complimentary make-up to all girls and women who drop in or call for an appointment.

"In addition," Mrs. Hawkins explained, "we'll serve refreshments, give everybody a favor -- and there will be door prizes too."

The new studio, carrying a full line of Merle Norman Cosmetics, will function on a try-before-you-buy premise based on the basic "three steps to beauty" philosophy of this 33-

year-old California firm of cosmetics manufacturers.

In line with the overall philosophy of Merle Norman Cosmetics, Mrs. Hawkins, Bovina's newest Studio owner, completed an intensive training course at Clovis' House of Beauty, where she gained knowledge in cosmetics, complexion care and the art of make-up, along with fashion trends and color predictions for the seasons ahead. The new Merle Norman Cos-

metic Studio will be open daily, Monday through Saturday, from 9 a.m. to 6 p.m.

Mrs. Hawkins issues a cordial invitation to every girl and woman in Bovina to drop in for special Grand Opening fa-

vors, or phone 238-4681, for an appointment for a free hour of beauty and a complimentary make-up.

An advertisement in this week's issue of The Blade gives further details.

Bridge Begins At Farwell Country Club

Bridge games at Farwell Country Club will begin Monday at 1:30 p.m. and will be held twice monthly, according to members.

Those wishing to attend do not have to be members of the Country Club, but must bring a partner each time. Admission is \$1 per person. Prizes will be given.

Bridge games will be held the first and third Mondays of each month. They will continue until 5:30 p.m.

Those interested in taking bridge lessons are urged to attend since free lessons will be offered.

Limited Water Saved With Concrete Pipe

By Edward C. Phillips

Soil Conservationist

Conservation of irrigation water is very important to the irrigator farmer. Loss of water from unlined ditches because of seepage and evaporation can be enormous and probably varies from 10 to 50 per cent.

A limited supply of water makes such losses doubly serious. Fewer acres can be irrigated or crops must suffer from lack of enough water.

Concrete and plastic pipe is one method to cut seepage and evaporation losses to a minimum.

The farmers of the Parmer County Soil Conservation District are rapidly learning the advantages of concrete and plastic pipe. Some of the advantages are: it provides close control of water distribution, saves time and labor, permits productive use of all land, aids in insect and weed control, simplifies irrigation of sloping lands, and requires little maintenance.

Of course any concrete or plastic pipeline needs to be properly located so as to fit into a well designed system. Since these lines are perma-

nent, it is well for the average farmer to seek advice on their design and location. Soil Conservation Service technicians assigned to the Parmer County Soil Conservation District are available and able to help with your concrete pipe problems.

Perhaps pipelines will never replace open ditches, but many eventually replace most permanent ditches. When concrete and plastic pipelines are supplemented with the use of metal or canvas pipe, no ditches at all are necessary.

INSTALLING PIPELINE -- An underground concrete pipeline irrigation system is being installed on the Reagan Looney farm two miles southwest of Bovina. The system is designed to conserve irrigation water, Soil Conservationists say. (Photo by Jerry Isbell).

BOVINA CLUB Annual Broom Sale Friday, Sept. 13 Downtown Bovina

Friday --

## Lions Plan Broom Sale

Annual Lions Club broom sale is scheduled to be held in downtown Bovina Friday, beginning at 8 a.m. and continuing until 4 p.m., according to J.E. Sherrill, president of the organization.

The sale is held here each year to raise funds for the activities and projects of the Lions Club.

Available to citizens of the area will be a variety of household items including brooms, mops, door mats, garment bags, ironing board covers and pads, skirt hangers and many other

items used for cleaning a house, store or warehouse.

Merchandise for the annual broom sale is manufactured by Texas Lighthouse for the Blind in Fort Worth.

Bovina Lions Club will keep 26 per cent of the gross sales for its projects here.

The merchandise will arrive here on a truck, especially designed for the broom sales.

A list of the items and a price of each appears in an advertisement in this week's issue of The Blade.

## Board Reviews Clinic Finances

Bovina Medical Center, Inc. executive board met Monday night, paid bills and reviewed the financial standing of the corporation.

All bills were paid with the exception of \$250 to Sherrill Lumber Co., board members said. These included \$42,73 to Bovina Insurance Company; \$52,89 to Tom's Tree Place for landscaping; \$75,87, Southwestern Public Service Company; \$3,88, Pioneer Natural Gas Company; \$103,92, General Telephone Co.; \$13,50, City of Bovina.

Indebtedness as of Monday was \$5,455.

Receipts since Aug. 12, including pledges, donations, etc. total \$1,185. Pledges outstanding total \$2,715.

The board agreed at its meeting Monday night that anything purchased in the name of the clinic in the future must first be approved by the board.

The clinic board accepted a donation of \$146 from the Knights of Columbus during the meeting.

For Congress --

## Welch Heading Brown Campaign

Dick Brown, candidate for United States congressman from the 18th Congressional District, has announced the appointment of Nelson Welch of Friona as coordinator of the Dick Brown for Congress campaign for Parmer County, Mr. Welch is well known in the Friona real estate business and is County Democratic Chairman. "I feel that the 18th district has been virtually without representation during the past two years", Welch said, "and I welcome this opportunity to help regain a positive voice for the Panhandle . . . a job which I know Dick Brown can and will do when he is elected to Congress."

Brown, a life-long resident of the Panhandle is general manager of Farmers Supply Company of Hartley, and owns and operates a farm in the Hartley area.

"I have been advised that Dick will be visiting in our county within the next few weeks. I know that all of his many friends will be on hand to give him a warm welcome, and that those who have not yet met him will

want to get acquainted with this extraordinary man. You will be hearing from me, and I want to invite you at this time to contact me for information, cards, and bumper stickers," Welch said, "I consider Dick's candidacy an opportunity to send to Congress a man who has the background, experience and reputation that will enable him to take with him a firsthand knowledge of the problems of the Panhandle. He has the energy to tackle those problems, along with the ability to handle them, along with a record of proven effectiveness in his profession, his community and his party, he concluded.

## Plan Paint For City's Water Tank

Bovina's city council agreed to have the outside of the city water tank painted at a regular monthly meeting Thursday night in City Hall.

An offer was accepted from Southwest Water Tank Service to paint the tank for \$435, according to Mrs. Mary Ruth Martin, city secretary.

The council declined a request of Bovina Medical Clinic to provide water service at no charge for a one year period beginning July 1 of this year. Routine business included paying bills of the previous month and reading and approving minutes of the past meeting.

Council members in attendance were Mayor Bedford Caldwell, Edwards Isaac, Charles Corn and Vernon Estes. Absent were Lloyd Gober and Billie Suddeth.

MRS. EDWARD WILLIAM CORN

### Brewer, Wright Exchange Vows

Wedding vows were repeated September 1 in Oakwood Methodist Church in Lubbock for Patsy Wright of Lubbock and Charles E. Brewer of Artesia, N.M.

Rev. Davis Edens, pastor, read the ceremony.

Parents of the couple are Mr. and Mrs. Earl Richards of Bovina and Mr. and Mrs. Thomas E. Brewer of Artesia.

Mrs. Davis Edens, soloist, sang "Because," "Whither Thou Goest," "Twelfth of Never" and "The Lord's Prayer" accompanied at the organ by Mrs. Nancy Phillips of Lubbock.

The altar was adorned with candelabra, gladioli and a kneeling bench.

Given in marriage by her father, Mrs. Brewer wore a beige linen sheath with lace overcoat. She carried a bouquet of pink sweetheart roses, lily of the valley and stephanotis atop a white Bible of Order of the Rainbow.

Miss Janice Richards, sister of the bride of Danbury, was

maid of honor. She carried a cascade of gladioli.

Tommy Brewer, brother of the bridegroom of Artesia, was best man.

Mrs. Richards, mother of the bride, wore a two-piece dress of grey knit with black accessories. Mother of the bridegroom wore a blue knit sheath with black accessories.

Following the ceremony, a reception was held in Fellowship Hall. A two-tiered wedding cake, green mint punch, nuts and mints were served from crystal and silver appointments by Misses Patricia Edens of Lubbock and Beverly Brewer, sister of the bridegroom, of Artesia.

Following a wedding trip to points of interest in New Mexico, the couple will make their home at Las Cruces, N.M.

The bride is a graduate of Bovina High School and Texas Tech.

Brewer is attending New Mexico State University.

MRS. DALE GOBER

### Marriage Ceremony Unites Tonya Ivy-Dale Gober

Tonya Vee Ivy, daughter of Mr. and Mrs. Tony Ivy of Vinita, Okla., formerly of Bovina, became the bride of Dale Gober, son of Mr. and Mrs. Webb Gober, Rte. 1, Farwell, in a double ring ceremony at Bovina First Baptist Church August 17.

The ceremony was read by Rev. Ken Moore, pastor of the Bovina Baptist Church, before an altar setting of candelabrum holding lighted tapers, floral arrangements and greenery. Centering the altar was a brass half-moon candelabrum holding white cathedral tapers, entwined with yellow chrysanthemums and satin ribbon bows. Flanking the center arrangement at either end were nine-branched tree candelabras holding white cathedral tapers entwined with greenery and yellow satin bows.

Interspersed throughout the setting were woodruff fern trees. Focal point of the setting was a pre-dieu of white satin and brass enhanced with yellow satin bows. Parents' pews were marked with hurricane lamps of brass and nosegays of yellow chrysanthemums and greenery tied with yellow satin bows.

Candlelighters were Alan Gober, brother of the groom; Charles Ivy, brother of the bride; and Melanie Ivy, sister of the bride. Zaida Donaldson of Farwell, organist, provided nuptial music preceding the ceremony and also accompanied Mrs. David Lee Carson, soloist of Lubbock who sang "O Promise Me," "More," and "The Wedding Prayer."

Miss Donaldson also played the traditional wedding marches as processional and recessional.

Serving as best man was Jon Loehman of Houston. Groomsman were Jerald Gober Lubbock, brother of the groom; Jerry Lane, Turkey, Tex., and Bruce Billingsley, Farwell. Ushers were Jerry Roach, Bovina, Johnny Actkinson, Muleshoe, and Russell Massey, Corpus Christi. Ringbearer was Brent Ivy, brother of the bride from Vinita, Okla.

Flowergirl was Ginger Gober, cousin of the groom, Bovina. Other female attendants were Mrs. Jo Bartley, sister

of the bride, as matron of honor, and bridesmaids Kathryn Gober, sister of the groom, Lynn Looney, Bovina, and Jan Brunson, Irving, Tex.

Bridal attendants were attired in formal length gowns of lime green crepe, styled with batteau necklines and short sleeved empire bodices. The floor length trains were attached at the bodice backs and were enhanced with large bows. Their headpieces were lime green roses holding short veils in matching hue. Each attendant carried one long-stemmed yellow chrysanthemum enhanced with yellow satin streamers and bows.

The bride, given in marriage by her father, chose a directoire gown of white angel crepe yoke and sleeved in Guipure lace. The slim column skirt was complemented by a flared train repeating a border of the same lace, and attached at the yoke with small flat bows and sweeping to chapel length. A matching lace and looped petal headpiece, highlighted by pearls and crystal beading, held her bouffant veil of silk illusion which extended to chapel length beyond the length of her gown.

Her bridal bouquet was a colonial arrangement of white stephanotis centered with two large white orchids. Streamers of picot ribbon were interspersed throughout the bouquet.

Following tradition, the bride wore for something old a string of white pearls belonging to her grandmother; new was her wedding gown; borrowed was a ring from her bridemaid, Jan Brunson; and blue was the traditional garter.

Wedding guests were registered by Janice Richards of Houston.

Mother of the bride chose a dress of lime green lace, accented by bone colored acces-

### Of Interest To THE WOMEN

#### Scout Leaders Needed

Girl Scout and Brownie troops in Bovina are in dire need of leaders and helpers, according to Mrs. Thomas Rhodes, Jr., who will serve as neighborhood chairman this year.

A meeting was held Monday afternoon to organize the troops, and about five are expected to be active during this year for girls from the second through eighth grades.

Mrs. Rhodes pointed out that there are no Senior scouts here. High school girls are welcomed as helpers with the troops. Adults are needed as leaders. Anyone wishing to

serve as either may contact Mrs. Rhodes at 225-4188 or Mrs. A. M. Wilson at 238-3651.

#### Shower Set Here Friday

A shower honoring Mrs. Don Bandy and her newly adopted daughter, Tobrina Dawn, will be held from 2 to 4 p. m. Friday in the Community Room of First State Bank of Bovina.

Tobrina Dawn was born August 6.

#### Teenage Club Dance Friday

Teenage Club will sponsor a teenage dance Friday following the football game in the American Legion Hall. The event will continue until 12 midnight. A live band will furnish music for the dance.

#### FORECAST "HAPPY" FASHIONS FOR FALL

Fashions are going to be "happy" this fall, say the forecasters. There'll be happy colors and happy accessories. Ladies can expect a big revival of the bright tartan plaids, this time in coat-and-dress outfits, and the introduction of the Indian look—American Indian, that is—with fringes, lots of beads and Indian embroidery trimmings.

suit accented by white accessories and complemented by an orchid corsage from her bridal bouquet.

The bride is a senior at Texas Tech where she is majoring in home economics, education, clothing and textiles.

The groom, a graduate of Farwell High School, is also a senior at Texas Tech where he is majoring in Mechanized Agriculture Engineering. He is a member of the Saddle Tramps organization.

The couple is now at home at 3102 4th, Apt. 183, Lubbock.

### Corn, Christian Vows Repeated At Okla. Lane

Miss Gwendolyn Louise Christian and Edward William Corn exchanged double ring wedding vows August 25 in the Oklahoma Lane United Methodist Church, Rev. J. R. Wood, pastor, read the marriage ceremony before an arch of palms, light green candelabra and baskets of white gladioli and carnations with greenery.

Parents of the couple are Mr. and Mrs. Wendol Christian of Route 1, Farwell and Mr. and Mrs. Charles Corn of Bovina.

Miss Darlene McManigal of Silverton, organist, played traditional wedding music and accompanied Miss Zelda Donaldson and Mrs. Doris White, all cousins of the bride, as they sang "Twelfth of Never" and "Whither Thou Goest."

Given in marriage by her father, the bride wore a floor-length gown of white dazri Georgette over satin peau, featuring a chapel train. Applied tulle, falling from her headpiece, covered the train. The bride's veil of tulle also fell from a headpiece of satin, designed in the shape of a gardenia. The gown was designed by the bride and made by her aunt, Mrs. J. C. Boone of Clovis.

She carried a bouquet of gardenias, carnations and baby breath. For something old, the bride wore a gold coin; something new, her wedding apparel; something borrowed, a diamond drop necklace belonging to her mother; and something blue, a garter.

Maid of honor was Miss La Nelle Christian, Miss Loy Christian was bridesmaid and Miss Tammy Christian, junior bridesmaid. All are sisters of the bride. They wore light green floor-length gowns featuring dark green bows in back. Their scalloped cape collars were lined with dark green. The attendants carried bouquets of carnations.

Miss Sharmy Christian, cousin of the bride, was flower girl. The candles were lighted by Miss Doris Corn and Miss Heidi Corn, sisters of the bridegroom. Their gowns were identical to the attendants and wore wrist corsages.

Honorary bridesmaids were Misses Martha Snodgrass of Amarillo, Karen Estes and Karen Beauchamp of Lubbock, Janis Billingsley of Farwell, Barbara Tucker, cousin of the bride, of Plainview, and Alice

Anderson of Eden. They carried long-stemmed carnations.

Charles Corn served his son as best man. Lane Gober of Lubbock was groomsman and Ray Darnell of Amarillo, cousin of the bride, was junior groomsman. Ushers were Randy Jones and Jim Haverstick of El Paso.

For her daughter's wedding, Mrs. Christian chose a dress of apricot and off-white with apricot accessories. She wore a white orchid.

Mrs. Corn, mother of the bridegroom, wore a dress of yellow linen with beige accessories and a white orchid.

Following the ceremony, a reception was held in Fellowship Hall of the church. The bride's table was laid with white net over satin with dark green bows. A light green memory candle, entwined with ivy, adorned the table, along with a three-tiered wedding cake and light green punch. Serving guests from white milk glass appointments were Misses Ruth Ann Blankenship and Pam Grisom.

The bridegroom's table was laid with a light green linen cloth, chocolate cake, tea and

#### Marriage Licenses Issued

Four marriage licenses were issued from the office of the Farmer County clerk during the past week. The permits to wed went to Dennis Allen McDowell and Jamie Katherine Miller - Sept. 3; Lawrence Alvin Foster and Phyllis June Blankenship - Sept. 3; Frank Granado Madrid and Josie Byron Madrid - Sept. 4; and to Guadalupe De La Rosa and Erlinda Arimendez-Sept. 5.

coffee were served from silver appointments by the ushers, Randy Jones and Jim Haverstick.

For a wedding trip to Aquarena in San Marcos and Hemis Fair in San Antonio, the bride chose a hot pink walking suit with black accessories. She wore a gardenia from her bridal bouquet.

The bride is a 1966 graduate of Bovina High School and will be a senior at Texas Tech. Following graduation she plans to teach home economics.

The bridegroom is a 1967 graduate of Bovina High School and attended the University of Texas at El Paso, also working at White Sands Missile Range. He plans to enter Texas Tech this fall.

The couple will make their home at 112 Ave. T, Apt. G in Lubbock.

### Depth Of Character

BEAUTIFUL marble was once limestone which has been subjected to intense heat and pressure. The heat of trouble and pressure of trial contribute to bringing life to its beauty and fullness. Joy and pain fuse together by God's lessons of love to produce Christian personality. These experiences come sometimes in the struggle for health, sometimes in the trials of pursuing justice in community life. Before our lives achieve fullness, a lot of living goes into them, not all of which is joy and peace.

The discipline of daily devotions helps to bring the fullness of joy known to Christians. With the hours we spend in the presence of the Lord, we increase the measure of that fullness of joy. The depth of that daily devotion shows in the finer qualities of character. The church and community are richer through the quality of our service.

At Halfway --

# Research Foundation Field Day Tomorrow

A West Texas "Farm Fair" will unroll tomorrow (Thursday) at High Plains Research Foundation at Halfway as members and trustees present the 12th Annual Field Day.

An event hosting more than 4,000 area residents annually, Field Day offers farmers, businessmen and industry officials a first hand opportunity to see results of the Foundation's work in more than 50 areas of research study.

Other features will include product and agricultural improvement displays showing the latest advancements in producing, harvesting and utilization of area agriculture products. New displays will be an exhibit of cotton wardrobes arranged by the Hale County Cotton Promotion Association and

a plan of water importation for the West Texas area by Water, Inc., an area supported water importation organization. Other exhibits of area oil seed crops, grain sorghum, cotton and agricultural chemicals are being prepared for Field Day by members of the Foundation's special advisory committees.

County, state and federal agriculture agencies are planning additional educational exhibits. A special attraction for the High Plains Research Foundation Field Day is the farm machinery display. Exhibits in this display are furnished by area and national manufacturers and distributors to show Field Day visitors latest advancements in farm machinery technology.

Field Day activities begin at 1 p.m. with guided tours through

Foundation research plots with members of the research staff describing results and programs of work underway at four stops during the tour.

Of special interest on the tour will be the recently installed underground sprinkler irrigation system. Other tour stops will include discussion on Foundation soybean tests, volunteer castorbean control research and herbicide results on this year's crops.

The High Plains Research Foundation is a publicly supported, private enterprise research farm to test and develop new solutions to agriculture problems facing West Texas and High Plains farmers.

The Field Day activities are open to all interested persons.

With the new packaging law going into effect labels are becoming more important and easier to understand and compare.

Generally manufacturers are not required to state the ingredients on labels for standardized foods, except that presence of any artificial coloring, artificial coloring or chemical preservatives must be declared.

The major ingredients of non-standardized foods should be listed in order of predominance by weight, to avoid deception. It pays to read labels -- can avoid disappointments.

4-H ENROLLMENT - is the main order of business this month at the meetings of 4-H Clubs. Bovina 4-H Clubs has a new Organization Leader, Mrs. Wayne Magness, but the club is in need of a man leader also. Without parent interest in club work 4-H members fall by the wayside in both participation in club activities as well as project work.

Susan Mimms, winner of the County Bake Show will enter her products for judging in competition with 20 others at the Tri-State Fair in Amarillo Saturday. This is a special event for 4-H'ers in District I. We are counting on Susan to bring back top honors.

September is the month for 4-H enrollment and election of club officers for the new year. All boys and girls age 9-18 are urged to attend their community 4-H Club and get ready for project work. Parents are encouraged to attend with them. ARE YOU LABEL CONSCIOUS? Labels are important! Do you know the importance connected between food standards and food labeling? Here is the difference. # Mustangs Meet Amherst In Football Lid Lifter

With prospects brighter for a winning season than they've been in the past three years, the Bovina Mustangs launch the 1968 football season Friday night.

The first game will be played here. Kickoff time is 8 p.m. The opposition will be the Bulldogs of Amherst. The Bulldogs are rated as the top team in their District, 5-B.

The Class A Mustangs, who are beginning their third season in this category of Texas High School football, will be favored to win over Amherst -- because of the different classifications if for no other reason.

The Mustangs are handicapped by a lack of depth and an experienced backfield. Except for those two drawbacks, this could be one of the better years for the maroon and white charges of Coach Roy Stone, who is beginning his fifth season here.

The Stonemen scrimmaged at Claude Thursday and turned in a praise-worthy performance. They won the scrimmage contest by a 1-0 count and displayed an adequate defense, as the score indicates. The Mustang defensive secondary intercepted four Claude passes while the line was halting the ground game of the opposition.

Offensively, the Mustangs were able to move the ball and, all in all, the Bovina coaches were satisfied with the play of their team.

Physically, the Ponies are expected to be in good shape for the season opener, Stone says. All-district guard Bobby Redden missed the Claude scrimmage because of illness. He's expected to be back in action on offense Friday night and will probably see some action both ways.

Redden's positions were filled at Claude by Gary Carson, who earned a defensive starting berth for his play Thursday.

Other than this change, the probable starting line-up remains the same as it was for the scrimmage last week:

CENTER --- Johnie Hugh Horn;

GUARDS --- Randy Barrett and Bobby Redden;

TACKLES --- Jackie Hall and Steve Pierson;

ENDS --- Rodney Murphy and Phil Sorley;

QUARTERBACK --- Stuart McMeans;

FULLBACK --- Royce Sisk;

HALFBACK --- Ronny Dyer and Danny Stanberry;

On defense, linebackers will be Sorley, Stanberry and Dyer; guards will be Carson and Hall;

ends will be Pierson and Barrett; corner backs will be Horn and Murphy and halfbacks will be McMeans and Mike Beauchamp.

Star of the Amherst team is its quarterback, Royce McAdams, a 175-pounder who runs and passes well. "We'll have to stop McAdams to be in the game," Coach Stone says. The Bulldogs' offense operates a Winged-T formation.

Mustang coaches scouted Amherst in a scrimmage with Nazareth Friday night.

This will be the first meeting between Bovina and Amherst since '65. Prior to that the team played each other each year when they were both in the same classification.

The Bulldogs had a 6-4 mark in '67.

The Mustangs have high hopes of improving on their record of 2-8 during each of the past two seasons. They have, however, won their opening games each of the last two years. Both of the wins coming over Cooper, a team which is not scheduled this year, 38-14 in '66 and 13-6 last year.

## Gates Open For Football Here Friday

With football season getting underway in Bovina this Friday night, school officials have announced that gates to Mustang Field will open at 6:45 p.m.

Game time during September and October will be 8 p.m. After the time change from DST to CST, games will begin during November at 7:30 p.m., school officials say.

Admission to Bovina home games this year will be \$1.25 for adults, 50 cents for students, and 50 cents for cars.

Both the north and south gates will be open for admission of fans and cars. Fans can help the gate keepers by having approximately the correct change and by declaring how many are in the cars upon admission.

For those who prefer to park their cars outside the field, a walk-in gate near the fieldhouse will also be open.

Mustang Field will be able to seat 200 more visitors this year, since additional seats were built during the summer.

## State Representative --

# New Assignment To Bill Clayton

AUSTIN -- State Representative Bill Clayton of Springlake, has been named to a special committee to study Texas liquor laws pertaining to the financial involvement between establishments that serve alcoholic beverages and their suppliers.

Clayton was a member of the State Affairs Committee panel that recommended reforms to the State Liquor Control Act to the special session of the Legislature in June. The measures were approved in the House of Representatives, but failed to pass in the Senate.

Clayton's appointment was

announced in Austin by House Speaker Ben Barnes and Representative Dick Cory of Victoria, chairman of the House State Affairs Committee.

After his appointment to the committee, Clayton said it was his hope that the study would result in recommendations to the 61st Legislature, which meets in January, of liquor control laws that would provide much stronger controls on the consumption of alcoholic beverages, particularly pertaining to sales to minors, and that would prohibit organized crime from entering the liquor and beer industry in Texas.

Opens Sept. 19 --

# 55 Colts Out For Football

Bovina Colts open their 1968 football season Thursday night, Sept. 19, at Lazbuddie with the initial game beginning at 6:30 p.m., Bill Nicholas, junior high coach, said.

Approximately 55 boys from seventh and eighth grades are out for football this year, about 35 from the seventh grade. The younger members of the team are in the process of working out for position, Nicholas said.

"The team will be small this year," Nicholas commented. However, he stated there will be more over-all speed.

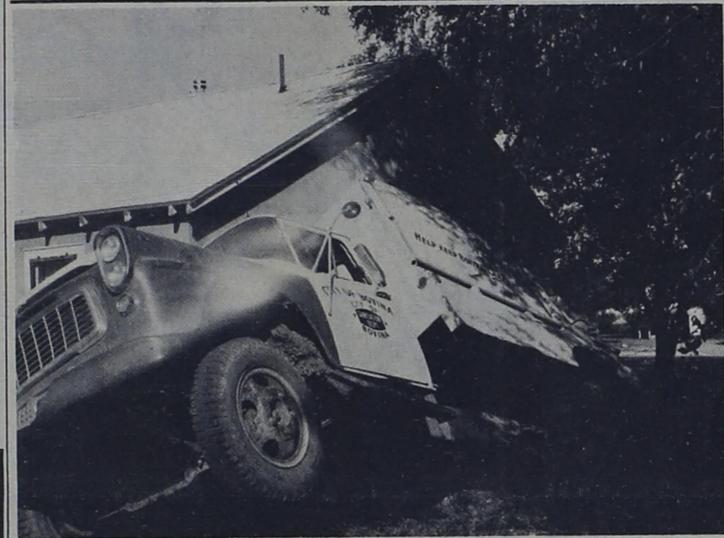

Although positions for seventh graders have not been assigned, eighth graders and their positions are being designated. These may be changed in the future, Nicholas said.

Expected to play as halfbacks are Jeff McCormick, Cary Moore, Eddie Pesch, Johnny Wellborn; fullbacks, Kim Ruddled, Elgin Sledge; quarterback, Benny McCain; ends, Allen Cockerham, Larry Wiseman, Bobby England; tackles, Weldon

Beardin, Raymond Monk, Nicky Rodriguez; guards, Mike Ware, Ronnie Nuttall, Woody Gromowsky, Tommy Page, Terry Collins; centers, Dale Johnson, Joe Dendy.

Junior High schedule:  
Sept. 19, Lazbuddie there, 6:30 p.m.  
Sept. 26, Open  
Oct. 3, Lazbuddie here, 6:30 p.m.

Oct. 10, Canyon there, 5 p.m.  
Oct. 17, Sudan there  
Oct. 25, Springlake there  
Oct. 31, Kress here  
Nov. 7, Farwell here  
Nov. 14, Vega there

UNUSUAL SIGHT -- The Bovina city trash truck was in a precarious position Monday morning after driving over a cesspool in the yard of Mrs. S. A. Brito. The cesspool gave way under the weight of the truck, but little damage was done to the vehicle.

## School Pics Scheduled

All students in the Bovina Schools, from first grade through high school, will have their black and white pictures made Wednesday, Sept. 18, according to Gary Cox, high school principal.

Seniors had their pictures made Monday.

Colored pictures will be made at a later date.

## Enrollment In Schools Increasing

Enrollment in the Bovina Schools had increased to 668 on Tuesday morning, according to L. F. Jacobs, superintendent.

This represents 58 students who have enrolled since the first day of school.

On that day 610 students were counted, Jacobs said.

There are currently 155 students in high school; 159 students in junior high, sixth through eighth grades; and 354 in elementary school, first through fifth.

## For State Representative --

# Ford Campaigns In This County

Campaigning in Friona and Lazbuddie this week, State Representative candidate Frank Ford pledged to seek to return Texas to standard time on a year around basis. "Daylight savings time is highly unpopular in this district and in this state," said Ford. "And it is much more than just a nuisance to our people."

"There is physical danger to school children who are forced to get out on the bus routes in the dark on early mornings after having to go to bed often with the sun coming in the window. Farmers who work by the sun often need parts but find supply houses closed with the sun still high in the sky. Also, many businesses have been severely hurt by this foolish legislation."

Ford charged that "The legislators who forced this time change through were apparently more responsive to five weeks of lobbyist pressures than they were to the people who elected them and pay their salaries."

"Working in harmony with other responsible members of the Legislature, I believe we have a good chance to abolish daylight savings time in the coming session," Ford con-

cluded, "And as this would put Texas on the same time as New Mexico during the summer, it would not be a disadvantage to anyone."

This issue is just one example among many that one-party monopoly in Austin has failed to be responsible or responsive to the people."

Ford is the Republican candidate in the 72nd Legislative District, which includes Cochran, Lamb, Bailey, Castro, Parmer and Deaf Smith Counties.

## Tips Help Choice, Freezing Of Meat

Freezing meat is a simple process but there are a few points to be kept in mind if a good-quality frozen product is to be produced, says Cricket B. Taylor, County Extension Agent of Parmer County. According to specialist on this subject here are a few pointers to be kept in mind:

1. Select a good quality meat.
2. Aging beef improves the

tenderness and flavor. The length of aging depends on the kind, weight, quality and grade. A choice 300 pound calf at least 6 or 7 days. Lower grades almost this long. Choice 500 or 600-pound beef hang at least 10 days or two weeks.

3. Cut meat according to best improved methods. Boneless cuts for the freezer save space.

Storage table for high quality home-frozen meats and poultry at zero degrees F.:

Beef, 6-12 months;  
Lamb and veal, 6-9 months;  
Pork, fresh, 3-6 months;

Sausage and ground meat, 1-3 months;

Cooked meat or poultry-not covered with gravy or other sauces, 1 month;

Meat sandwiches, 1 month;  
Chickens, 12 months;  
Turkeys, 6 months;  
Cooked poultry meat covered with broth or gravy, 6 months.

\*These products will be safe to eat if stored for longer periods of time, but may lose some of their high quality.

## Truck Sinks In Cesspool

A freak accident occurred Monday morning when the city trash truck "sank" into a cesspool at the home of Mrs. S. A. Brito.

Driver of the truck was L. B. Pearson. The cesspool caved in when the truck was driven over it in the Brito yard.

Little damage was done to the city vehicle and Pearson was not injured. However, a county maintainer and a wench truck were required to remove the trash truck from its position.

Pearson was the only person in the truck at time of the accident.

## Lodge Earns Award

Three Masonic Lodges in this area will receive awards during a Masonic Workshop meeting Tuesday at the Masonic Lodge Hall in Vega.

Castro Lodge 879 (Dimmitt), Vega Lodge 899 and Farwell Lodge 977 (Bovina) are being honored during the meeting for outstanding attendance during the Spring series of Masonic Workshops, a project of the Grand Lodge of Texas which is aimed at improving the quality of Lodge officers. The Workshop being held in Vega will also have officers of Hereford and Friona Lodges attending.

James W. Cabe of Canyon, chairman of the eight-county Masonic Workshop Area E-6, will present the awards and conduct the meeting.

He said the workshop is a part of the semi-annual program held for officers of the 972 Lodges in Texas. The Masonic Lodge is the largest fraternal group in the state, with membership of nearly 250,000. The group is noted for its charitable activities.
